**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

---

**Mat 25:34** Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world:

**Mat 25:35** For I was an hungred, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in:

**Mat 25:36** Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me.

**Mat 25:37** Then shall the righteous answer him, saying, Lord, when saw we thee an hungred, and fed thee? or thirsty, and gave thee drink?

**Mat 25:38** When saw we thee a stranger, and took thee in? or naked, and clothed thee?

**Mat 25:39** Or when saw we thee sick, or in prison, and came unto thee?

**Mat 25:40** And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done *it* unto one of the least of these my brethren, ye have done *it* unto me.

**False Flag Chemical Attack Staged! Trump Pushes Fake News About Syria! Who's Triggering World War 3? False Flag Chemical Attack In Douma Staged So Neocons Can Justify Invasion Of Syria**

Sunday, April 8, 2018

<< The obvious propaganda caption of this Twittered photo read: "Horrific images out of besieged Douma tonight of a suspected Chlorine attack by the Assad regime. Medical services on the ground say 35 confirmed dead, treating more than 700 for exposure."

[The Millennium Report](#)

SOTN recently posted a wide-ranging and penetrating exposé **on the unfolding events in Syria under the title: [The Neocon Zionist Plan for an Apocalyptic War in the Mideast](#)**

**That article predicted a series of false flag attacks to be staged this April and beyond in the Northern Levant. The explicit purpose of these war crimes is to**

fabricate a pretext for NATO, especially the US, Israeli and French militaries, to invade Syria. However, Russia will clearly not tolerate such an unlawful and unprovoked war of aggression. Moscow calls 'chemical attack' in Douma 'fake news,' warns against Syrian intervention

We live in an age when it is virtually impossible to confirm whether these incessant terrorist attacks are real or hoaxes. *The Powers That Be* have repeatedly demonstrated their capability and willingness to implement totally fake terror events. They have also shown their utter inhumanity in the execution of deadly and destructive terrorist operations.

The recent chemical attack in Douma, Syria could be either of these. However, that's not the point here. The critical issue is that these chemical attacks are being used by the Western powers to justify their illegal invasions of Syria. Even President Trump appears to be fully on board with this conspiratorial plot. Why is Trump aggressively pushing the Neocon agenda in Syria?

-----  
**Trump threatens "Animal Assad," Putin over alleged chemical attack in Syria**

**WASHINGTON** -- President Trump responded Sunday to reports of a suspected chemical attack in the Syrian city of Douma, **blaming Syrian President Bashar Assad and his international allies for the apparent attack that allegedly left dozens dead and hundreds injured. In some of his most critical comments directed at Russian President Vladimir Putin to date, Mr. Trump threatened that there's a "big price ... to pay" for those backing the Assad regime.**

Many dead, including women and children, in mindless CHEMICAL attack in Syria. Area of atrocity is in lockdown and encircled by Syrian Army, making it completely inaccessible to outside world. President Putin, Russia and Iran are responsible for backing Animal Assad. Big price...to pay. Open area immediately for medical help and verification. Another humanitarian disaster for no reason whatsoever. SICK!

**The Zio-Anglo-American Axis is quite determined to start WWII & ever since Trump was elected, the same Zionist Neocons under W. Bush have been increasingly appointed to various positions in the West Wing. John Bolton is only the most recent and notorious of these hardcore warmongers. This continual stacking of the Trump administration with Russophobes is by purposeful design. It's also no accident of presidential fate that the Trump has allowed himself to be used to promote war. In fact, this particular date with *Armageddon* has been planned for centuries by the NWO globalist cabal.

The United States, United Kingdom and Israel have proven to the world community of nations that they will execute any false flag attack anywhere, anytime to advance the *New World Order* agenda. Hence, the whole world has been witness to one false flag chemical attack after another.

Their leadership knows that photos of 'apparently' poisoned children — piled on top of each other — is guaranteed to trigger a knee-jerk reaction by the false accusers against the innocent accused. The British have established a whole network of fraudulent witnesses on the ground and throughout the UK who routinely provide false testimony about these staged chemical attacks. The *Syrian Observatory for Human Rights* is one of those fake organizations; so are the utterly bogus *White Helmets*.

Given the *Operation Gladio* infrastructure that has been painstakingly put into place over years by NATO throughout the Levant, it's very easy to conduct these false flag attacks without being caught in the act. Of course, they are never perpetrated without detection since the CIA, MI6 and MOSSAD have their fingerprints all over these purposefully shocking assaults.

**Why does President Trump always go along with these false accusations?**

This crucial question must be answered and dealt with sooner than later. The link that follows discloses information that ought to concern every patriot who voted for Trump to stop the wars: [Trump's Syria "Withdrawal" Was Textbook US Deception](#)

The following SOTN article has been reposted in its entirety for those who want to read the real back story. It contains the prediction about the Douma false flag chemical attack in RED: [The Millennium Report](#)

**“This year’s extraordinary *March Madness* was engineered by NATO’s Operation Gladio to trigger yet another unprovoked war of aggression in the Middle East. 2018 has already seen a cascade of fabricated and provocative events that point to the *New World Order* globalists. The same perps are planning more false flag terrorist attacks for this April and beyond. These strategic acts of state-sponsored terrorism are being carried out by the leadership of the *Zio-Anglo-American Axis* in order to initiate the hot phase of World War 3. There is both a script and a**

**schedule being strictly followed by this criminal cabal of Neocon Zionists. Each terror operation is always followed by a highly organized cover-up coordinated by**

the US, UK and Israeli intelligence communities, participating NATO militaries, Western mainstream media, major social network utilities, federal and local law enforcement agencies, as well as transnational corporations such as SERCO. These same co-conspirators also conduct stunningly sophisticated psyops before, during and after these black ops known variously as *Operations Gladio A, B and C* depending on their purpose and location.

**++ Current Gun Grab and Anti Second Amendment News**

**South Carolina Legislators Introduce Bill For Secession If Feds Begin Seizing Legal Firearms...(Is The South Going To "Rise Again!??")**

**Republican lawmakers in South Carolina have introduced a bill that opens up secession talks, should the federal government confiscate legally purchased**

**guns.** The bill, referred to the state House Judiciary Committee on Tuesday, states that “the general assembly shall convene to consider whether to secede from the United States based upon the federal government’s unconstitutional violation of the Second Amendment to the United States Constitution if the federal government confiscates legally purchased firearms in this state.” The bill comes after national talks on extreme gun control measures have reached a fever pitch with some anti-gun activists calling to repeal the Second Amendment altogether.

**[The \\*\\*\\*\\* is hitting the Fan, America!](#)** Despite the fact that Donald Trump, who happened to support the assault weapons ban under Clinton by the way, recently tweeting that a repeal of the Second Amendment would never happen, **anti-gun laws are being passed at the local level without a peep from the President.** The truth is that they don’t need to repeal the Second Amendment at all, they simply have to gain enough public support by creating a hatred of firearms and their owners to pass laws that pull the teeth from the Second Amendment. This is exactly what they are trying to do.

### [American Town Moves To Confiscate ‘Assault Weapons,’ Fine Violators Up To \\$1,000 Per Day](#)

Piecemeal gun control being rolled out across A village in Illinois has declared a ban on “assault weapons,” and has given gun owners 60 days to turn them all in.

After June 13, residents of the Village of Deerfield have 60 days to sell, render inoperable or turn their “assault weapons” over to local police.

“Any person who is found to have violated this Article shall be fined not less than \$250 and not more than \$1,000 for each offense,” reads the ordinance penalty, “and a separate offense shall be deemed committed on each day during or on which a violation occurs or continues.”

The village defines an “assault weapon” broadly, including rifles with fixed magazines that are capable of accepting magazines holding more than ten rounds, certain pistols with detachable magazines, and certain shotguns.

The town has additionally banned so-called *high capacity* magazines.

“Large capacity magazine means any ammunition feeding device with the capacity to accept more than ten rounds,” the ordinance states.

“The Chief of Police or his or her designee shall have the power to confiscate any assault weapon of any person charged with a violation under this Article,” reads Section 15-91.

The gun grab is INTENDED to start a civil war, followed by UN occupation of America - You are watching one of the darkest chapters of history unfold by the hour, complete with a Nazi-style fascist “Hitler Youth” uprising, totalitarian censorship by the techno-overlords and an irrational, anger-fueled nationwide call for government to confiscate all the guns from American gun owners, even if they have to kill those gun owners first, as a North Carolina Democrat suggested just days ago. The anti-gun rhetoric and hysteria has reached a whole new level of irrational hysteria, but it’s no accident. This is all happening by design. The real goal, it turns out, is to initiate a bloody civil war as a reaction to the gun grab, setting the stage for Democrats’ demands to occupy America with United Nations troops and overthrow the Trump administration by military force. Gun confiscation efforts are being aggressively attempted in Oregon, Florida, California, Connecticut and elsewhere The “spark” for the raging inferno of nationwide civil war will be the successful passage and attempted enforcement of a state-level gun confiscation initiative, much like the one now being placed on the ballot in Oregon.](#)

## **++ Will Civil War Break Out In California?**

**Middle and upper middle class people are fleeing California in droves. They are weary of high taxes and liberal policies befitting a communist country. What is California turning into? This interview with Paul Preston talks about the absolute state of rebellion that the Democrats have brought to the state of California. **Will Trump be forced to declare martial law in order to restore order? The Plot to Internally Overthrow the Republic Stems from CALEXIT****

**According to Paul Preston as well as my own research, we have collectively discovered reports that were circulating that numerous state legislators from California, including then “California Senate pro tem Kevin de Leon), State representatives from Florida, Texas, New Mexico, Arizona, Nevada, Utah and Colorado have been meeting with members of La Raza, the Mexican government (consulate), Mexican Mafia (“La EME”), California’s violent Mexican gangs (Nortenos /Sureños/ Sur 13), La Familia and religious leaders (Catholic / Jesuits) to come up with a plan to separate from the United States as well as the above mentioned states”.**

**Governor Brown, his aides, and the Bank of China have been in attendance in several of these meetings designed to sever California from the US. Further, The Common Sense Show also reported that George Soros is bankrolling some of the costs associated with this movement. In addition to Soros, the United Nations and the Chinese government have had representatives at the CALEXIT meetings as well as the Mexican Consulate. Further, the Russians are involved in this plot as well.**

**The bulk of American retail and agriculture comes from California. If the state were to ever exit the country, the economic impact would prove catastrophic and managing the nation in this much crisis would prove impossible. This would force the emergence of collectives (a state or combination of states arising to protect local and regional interests).**

**Paul Preston’s embedded sources have been clear about the intentions of the CALEXIT movement. If they cannot exit the country through a contrived and unconstitutional process, they will create such division and violence that the United Nations will complete the process through the importation of UN Peacekeeper troops on American soil to complete the breakup. Under CALEXIT, California would become a protectorate under the control of the United Nations. CALEXIT organizers have been quite clear, if they cannot exit the US, they will cause so much trouble that the UN will enter the country to restore order under**

the Kigali Principles (see below). This is exactly why we are seeing border unrest and President Trump's reaction to this would-be-crisis by placing the US military on the border. Let me be crystal clear, President Trump did not threaten to end NAFTA and DACA over the mere presence of 1,500 immigrants which were previously coming our way. This invasion is designed to turn violent by the forces which are following this "Caravan to madness".

This CALEXIT (eg George Soros) movement is dead as evidenced by the emergence and popularity of the New California movement which is legal and supported by the vast majority of California residents as evidenced by the 38 counties out of the 58 who have joined the movement. Therefore, Soros and his cronies must resort to violence to achieve the goal of breaking up California and ultimately the United States. And this contrived violence will give the UN the pre-emptive excuse to enter the US to protect the citizens from violence.
