**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect**."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble

themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Subject: Ecclesiastes 8:10-13**

***Hello Dr. Johnson, I just ran across these verses. It has help me understand more. I get frustrated seeing evil prosper. I need to pray more and fast. Thanks for pointing me to PSALMS 64.***

God Bless, Mark

**Ecclesiastes 8:10-13: 10 And so I saw the wicked buried, who had come and gone from the place of the holy, and they were forgotten in the city where they had so done: this *is* also vanity. 11 Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil. 12 Though a sinner do evil an hundred times, and his days be prolonged, yet surely I know that it shall be well with them that fear God, which fear before him: 13 But it shall not be well with the wicked, neither shall he prolong his days, which are as a shadow; because he feareth not before God.**

**Scott Johnson's Comment:** This is the second time I have heard Ecc. 8:11 today alone. I am going to cover these verses in the next teaching. Also these verses comes to mind.

**Dan 12:8** And I heard, but I understood not: then said I, O my Lord, what shall be the end of these things?

**Dan 12:9** And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end.

**Dan 12:10** Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.

**Dan 12:11** And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days.

**Psa 12:8** The wicked walk on every side, when the vilest men are exalted.

**Pro 28:5** Evil men understand not judgment: but they that seek the LORD understand all things.

**Dan 9:13** As *it is* written in the law of Moses, **all this evil is come upon us: yet made we not our prayer before the LORD our God, that we might turn from our iniquities, and understand thy truth.**

**Job 36:13** But the hypocrites in heart heap up wrath...

---

**Isa 59:14** And judgment is turned away backward, and justice standeth afar off: for truth is fallen in the street, and equity cannot enter.

**Isa 59:15** Yea, truth faileth; and he *that* departeth from evil maketh himself a prey: and the LORD saw *it*, and it displeased him that *there was* no judgment.

**Isa 59:16** And he saw that *there was* no man, and wondered that *there was* no intercessor: therefore his arm brought salvation unto him; and his righteousness, it sustained him.

**+2+ New Mexico Judge Dismisses All Charges Against 3 Muslim Compound Dwellers; Douglas Ducote Sr. [video]**

by Elizabeth Zwirz, **Fox News**, August 28, 2018: **A New Mexico judge dismissed all charges against three suspects tied to a compound where alleged Muslim extremists reportedly trained children to be school shooters.**

District Judge Emilio Chavez on Wednesday dismissed charges against three of the five defendants, **ruling that authorities violated the state's "10-day rule."** **Child abuse charges against the 3 Muslim terrorists were dropped because prosecutors missed the 10-day limit for an evidentiary hearing to establish probable cause.**

The suspects are accused of holding nearly a dozen children at the compound. The remains of a twelfth child were found on the compound.

The suspects were arrested by authorities after an early August raid following a months long search investigating the disappearance of Abdul-ghani Wahhaj, a 3-year-boy with severe medical issues who went missing from Georgia in December. **Days later, a child's remains were found on the property.**

**Siraj Wahhaj was training children to commit school shootings, according to prosecutors, and that the juveniles were taught how to use firearms, as well as tactical techniques, in order to kill teachers, law enforcement and other institutions they found corrupt.**

**Remains located at 'extremist Muslim' compound positively identified as the missing 3-year-old son of one of the suspects.**

**Just breaking: FBI Source: Trump Covertly Orders Reopening Investigation of New Mexico Terrorist Training Camp**

It is no secret to readers that have followed my work, that I have a couple of sources inside of the FBI, one in particular. **For eight years, I battled the nefarious forces of John McCain, who decided it was a good idea to build an international highway through my rural community and displace 300 families without compensation. I waged this battle with the help of an FBI agent, among others.**

When government commits a crime, like what nearly happened to us, of course, they never tell you the real reason. We were told that we were too close to an Air Force Base (30 miles away and 200,000 people in between). **I learned that we were going to have to move because of the Canamex International Corridor which was a trade corridor**

highway, as part of the Central American Free Trade Agreement sponsored by John McCain and Ted Kennedy) that we be built between Mexico City and Edmonton, Alberta.

I engaged a long-time FBI acquaintance to assist me in my fight in which I had become the leader and spokesperson for. This informant became an informant on many issues, one involving abject terrorist activities on our soil that I am going to share information on later in this article.

The following communication is a first-time release, with permission, of a first-time communication about the attempted theft of my land by McCain led forces. They were offering no compensation. In the course of my resistance, I was shot at while interviewing the late Jim Marrs in the final minute of my radio show. Two men attempted to run me off the road late one night and I escaped by getting to a fire station where I had friends.

The following was from an FBI agent whom I had known for years. This was their response to my description.

### **The Fight of My Life**

#### **From an FBI Deep Cover Source (October 15, 2004):**

*Dave, I am so sorry that you are going through this. When I went to work at the Bureau, most of the agents would have quit before they would break the law. Today, the Bureau has been compromised from on high. We are the lap dogs and carry out the bs in order that our corrupt Commander-In-Chief won't get his already filthy hands dirty. What is happening to your community is typical of what is happening inside of our entire governmental organizations including where I work.*

*The whole executive branch is out of control, but what is happening with the attempted confiscation of your community's land is typical of the new asset forfeiture laws where we think the public has no rights. This bs happened in the Tran-Texas I-35 Corridor and now it is happening in Arizona. I will do what I can to provide you info as you wage your fight. Be prepared for a long fight. Our people will investigate your taxes and look for any violation of law if you stand up to McCain and T. Kennedy's career defining project. In many FBI circles, we are the muscle for illegal acts by government.*

*If it comes to be that you are questioned by us, refuse to answer questions until you have an attorney. They will harass you, berate you and threaten you, but stick to your guns. No interviews with any Federal authority without an attorney. They will try to entrap you into threats or catch you in a lie. You may not say any of the sort, but if we say you did, you did, and you are going to prison!*

*The Bureau is not totally compromised, but our leadership scares the h\*\*\* out of a lot of us. We do not promote from within anymore. We hire Presidential hit men to provide cover for illegal actions...The lap dog media let's our leaders get away with it and doesn't even challenge based on the public's right to know. **If our supervisors will lie to the public when 3,000 Americans are murdered, what do you think they will do to you and your neighbors for standing up to McCain and ultimately Bush and his banker benefactors? Be careful!...***

For those who followed my work in the early days, this will connect a lot of dots. I present this information, to establish the long-time legitimacy of this source as they discovered I was a reliable source from which to distribute sensitive information without betrayal. Our communications paths are complicated and varied. I know from reading

some of my colleague's work in the Independent Media, they have similar sources as I can tell because the dissemination of information follows the same path.

### **The Division Within the FBI**

**There are indeed camps which are not just sex camps, but sophisticated training camps for carrying out of terrorist activities, such as school shootings. My FBI source has come across information that greatly expands upon the following news report regarding the terrorist base camp in New Mexico.**

From **Fox News**:

*"The criminal complaint charges Jany Leveille with being an alien unlawfully in possession of firearms and ammunition in the District of New Mexico from Nov. 2017 through Aug. 2018," the bureau said. "The criminal complaint charges the other four defendants with aiding and abetting Leveille in committing the offense, and with conspiring with Leveille to commit the offense."*

**This communication from Fox represents the third about-face action regarding the foot soldiers running the terrorist base camp in New Mexico. First, there was no crime, only innuendo. When the media would not let go, there were arrests and indictments. Then the charges were dropped on a "technicality" and what should have been done, which was to refile the charges, did not happen. The local Sheriff's department caved in and the fix was in. Evidence was destroyed. This is the communication I received from my FBI source:**

*I am sorry for being so late in responding. There are real power plays going on inside certain sectors of the FBI. Because of McCabe and others, everyone is paranoid and my need for anonymity has doubled. **You did an excellent job reporting on the events at the terrorist camp, not just the sex camp, near Tucson. That site has been compromised and local law enforcement was intimidated to leave it alone. The same pattern is happening in New Mexico.***

*As you suspected, the New Mexico revelation is nearly identical except it is more extensive in its scope of operations. **Yes, they were training school shooters. However, there is a lot that is not being told. This camp is an extension of a type of MK-Ultra activities. This is absolutely confirmed. Many of the would be assassins have been used as drug mules and as sexual favors but the leaders of these camps are very good at covering their tracks.** Contrary to popular belief and rumor, the FBI is not responsible for the cover up as far as we know. **I believe it is a rogue operation of the CIA along with private mercenaries designed to intimidate local judges and law enforcement. Pizzagate followed the same pattern.***

*Privately, **I have learned that Trump's people are directly involved in this matter and are seeking to use it against the President's enemies. This is widely known at the Bureau. This is why you are seeing a refiling of charges in this matter. I suspect, although I do not officially know, that Tucson and New Mexico are part of the same operation. I saw an internal memo three years ago which stated that a front group funded by a Moveon.org member was involved in "recycling" recovered children for domestic terrorist training. I am fairly certain that is what we are seeing here. I recall that you and your California talk show host friend (cant remember his name) covered the fact that Soros led forces would carry out mass public attacks if Calexit's attempt to leave the Union was not successful. The two are probably related, although that is speculation on my part.***

*The arrest of these New Mexico perpetrators, only captured the front line participants. This goes much deeper than is being reported. It would not surprise me if this is not an operation being fronted by Soros and related parties. He is linked to NAMBLA after all.*

***You asked me if Trump was involved? Without question! This is a conduit to leadership in the Democratic Party and administrative hold overs in the federal government that we have previously discussed...***

### **Conclusion**

I have agonized over releasing this unconfirmed report. This report was actually the second report given to me. I sat on the first which contained related observations but I could not confirm any of it. The first report concluded that there was a belief that the FBI was actually going to get involved in the New Mexico investigation. Now that this development has taken place, I can see the information was probably accurate in its totality. **However, I normally do not publish without more confirming evidence. But with the MSM barely looking into this, my fear is that this story will get buried. I am hopeful that this report will lead to more revelations from front line participants.**

**No doubt I will be attacked for releasing an anonymous report from an FBI source, although this article established a 14 year track record of providing accurate information. However, when Lester Holt uses unnamed sources to impugn President Trump, that is fine with the MSM. When Lester Holt and the rest of the MSM stops using unnamed sources,, so will I.**

There are only nine states left that are still holding out on this. The strongest seems to be my state of Oklahoma. Subject: [Mandela Effect--Ed Mc Mahon Never Worked For Publisher Clearing House](#)

Scott, **This has been a big Mandela Effect for me - Ed Mc Mahon NEVER was a spokesperson for Publisher Clearing House! He NEVER showed up on people's doorstep and handed out \$1 million giant checks. Yet there is a lot of residual evidence showing he did.**

Check out this 1-minute video

[https://www.youtube.com/watch?v=Oykj9Q028\\_Y](https://www.youtube.com/watch?v=Oykj9Q028_Y)

This one bugs me bad because, like SO many others, I clearly remember Ed working for PCH and showing up at winner's doors with the big check.

But "they" tell us we're *all* wrong and that Ed not only worked for a rival, he supposedly NEVER went to winner's homes with the oversized check.

There's SO many people that remember this and, as you will see, SO much cross-pollination on this one it's nerve wracking.

Here's some cross-pollination/residue/mass-false-memory things I found interesting. Most of you have probably seen most of this but I hadn't so thought I'd share.

First here are some American Family Publisher commercials featuring Ed. Now keep in mind **that Forbes magazine stated "McMahon never left the studio to ambush families, and he never held a giant check."** - [Forbes Article](#)

[AFP commercial with Ed saying he will "personally award"](#)

[Ed says he personally awarded the winner](#)

[Ed says "I will personally deliver this giant cash fortune](#)

**If he "never left the studio", why is he saying he will personally award the prize?**

Now the infamous [Rap Video](#) where Ed says he "showed up at their door with fat checks". But he never left the studio in this timeline right?

[Article discussing Ed writing a book.](#) Mentions the PCH connection.

Now this next one Yes I know it's the writers that "messed up" and put PCH, but it's still interesting. [Golden Girls Skit](#) where Rose gets a prank call saying she won Publisher's Clearing House & Ed wants to see her right away.

[Johnny Carson on Letterman](#) and after saying Ed couldn't be there he presents a giant check to Letterman for a million dollars that clearly says PCH. [Screen caps of the check](#) How is this remotely funny if Ed didn't work for PCH? Prop dept mess up?

And then we have his death, which showed even more cross-pollination when it was covered by the media.

[NY Post Article](#) - clearly states he worked with PCH.

[Obit stating he was "the bearer of oversized checks from PCH"](#)

[Business Insider obit stating he worked for PCH](#)

[NPR reported it as PCH as well](#)

[CNN report on his death. Also state PCH](#)

But remember we are all collectively remembering this wrong as Wikipedia is there to set us all straight by saying: **from 1982 to 1998 Ed also presented sweepstakes for the direct marketing company [American Family Publishers](#) (not,**

as is commonly believed, its main rival [Publishers Clearing House](#))

The Bible Is Being Supernaturally Rewritten to Fit the New One World Religion

Friday, August 31, 2018 17:15

The purpose of the Bible being changed, is to make it fit everyone's belief system, in order to usher in the antichrist One World Religion. Satan knows that he has to do it incrementally, so no one will notice. It's been going on for some years now, and there are thousands of Bible changes. In case you aren't aware of this phenomenon, the Bible changes are due to the Mandela Effect, which is a supernatural phenomenon attributed to either satanic magic and/or to the Wave Quantum Computers and/or CERN (the Large Hadron Particle Collider) manipulating matter through technology.

(If you have no knowledge of this phenomenon, please [read this article first](#).)

Satan knows that the preachers in the churches will be deceived, and they will start teaching the new Bible to their congregations.

This was all planned thousands of years ago. The prince of the power of the air, the devil, the son of the morning, has his fallen angels, 1/3 of the entire angels in heaven, which were cast down to earth with him, when he was thrown out for causing such a grievous rebellion in heaven. He and his fallen angels are very intelligent, and have much greater knowledge than humans, even technologically.

Because Satan can read the signs in the heavens – the stars, the moon and the sun, that God gave His people to read the times, he knows his time on this earth is coming to a close very soon.

Hence, it's time for him to roll out his last days plan to deceive the whole world. This quote was found from 1969, which perfectly describes the Bible changes that are going on now:

*“Religion is not necessarily bad...so they will have religion. But the major religions of today have to be changed because they are not compatible with the changes to come. The old religions will have to go, especially Christianity. Once the Roman Catholic Church is brought down, the rest of Christianity will follow easily.*

*Then a new religion could be accepted for use all over the world. It will incorporate something for all the old ones to make it more easy for people to accept it and feel at home in it. In order to do this, the Bible will need to be changed. It will be rewritten to fit the new religion. Gradually, key words will be replaced with new words, having various change of meaning. Then the meaning attached to the new word can be close to the old word.*

*And as time goes on, other phases of meaning can be emphasized. And then gradually, that word – replaced with another word. Most people won't know the difference...the few who do notice the different won't be enough to matter.*

*One of the most surprising statement of the whole presentation was:*

*“You probably think the churches won't stand for this — the churches will help us.”*

58:50: Audio clip from 1969, Dr. Richard Day, former Director of Planned Parenthood, spoke the above words on 3/20/1969.

**Watch at: [Mandela Effect: The Christian Deceived, Must SEE!](#)**

[Become One That Can See](#)

Published on Aug 10, 2016

*I made this video to prove 100% that the Christians who are denying the Mandela/Quantum effect are completely deceived. If you are a Christian I urge you to watch this video in its entirety.*

Why would someone from Planned Parenthood be in on a highly technical scheme to change the words in the Bible? Considering that Planned Parenthood is in charge of murdering babies on a mass scale, killing them alive, and then selling their harvested body parts for profit – it makes sense to connect the dots that this organization has nefarious ties to the underworld of demonic darkness. Planned Parenthood is ‘sacrificing babies’ and are simply carrying on the pagan religious practices of biblical and ancient times, where people sacrificed their infants by throwing them in the fire on the altar of Ba'al.

**DIVINATION**

**Deuteronomy 18:10**

There shall not be found among you any one that maketh— his son or his daughter to pass through the fire, or— that useth divination, or an observer of times, or an enchanter, or a witch.

**2 Kings 17:17**

And they caused their sons and their daughters to pass— through the fire, and used divination and —enchantments, and sold themselves to do evil — in the sight of the Lord, to provoke him to anger.

#### LYING DIVINATION

Divination is defined as “witchcraft”. The Bible verses being changed is a lie, hence a “lying divination”.

**Eze 13:6** They have seen vanity and lying divination, saying, The LORD saith: and the LORD hath not sent them: and they have made *others* to hope that they would confirm the word.

**Eze 13:7** Have ye not seen a vain vision, and have ye not spoken a lying divination, whereas ye say, The LORD saith *it*; albeit I have not spoken?

#### CHRISTIAN PASTOR CHUCK MISSLER DENIES MANDELA EFFECT

Is Chuck Missler one of those false prophets spoken of in Ezekiel 13, because when asked about the Bible changes, **he says to believe what you see in front of you, not what you remember:**

19:59 **Chuck Missler dismisses valid memories and says that people are “ignoring blatant evidence in front of them”, by admitting the Bible changes. He says that the Mandela Effect is “foolishness”.** 25:55

Upon being confronted by the Isaiah 11:6, Lion and the Lamb change, he says:

40:35- **Missler tells how he has read the King James Version of the Bible for 60 years. Although he remembers it as being the “Lion and the Lamb’ in Isaiah 11:6, he chocks that up to a misinterpretation and poor memory. He says how he looked at the Bible and the ink hadn’t changed...well, then that’s settled! Chuck Missler has confirmed that Quantum Physics couldn’t possibly change the words in the Bible.**

His interviewer says that he went back to Isaiah in the Paleo Hebrew Scroll of 300 BC, and that says “the wolf” shall dwell with the lamb. Done deal, again. These geniuses are so smart, they can’t even figure out what a delusion is, yet they warn Christians to use every available tool they have to not be “deceived”!

55:30 Chuck Missler says a deceit is coming that “if it were possible it will deceive the very elect”. **Well, Chuck, it is possible, because YOU have been deceived. Turns out us “regular folk” are the ones that aren’t being deceived!**

Chuck even stresses that Jesus commanded us to “be not deceived”. Yet, there he is, being all deceived in his high and mighty knowledge of the Bible.

#### BIBLE CHANGES

##### CONSIDER THE SPARROWS

Luke 12:24 King James Version (KJV) now says the following: **Luk 12:24 Consider the ravens:** for they neither sow nor reap; which neither have storehouse nor barn; and God feedeth them: how much more are ye better than the fowls?

**Luk 12:6** Are not five **sparrows** sold for two farthings, and not one of them is forgotten before God?

[Luk 12:7](#) But even the very hairs of your head are all numbered. Fear not therefore: **ye are of more value than many sparrows.**

[Mat 10:29](#) Are not two **sparrows** sold for a farthing? and one of them shall not fall on the ground without your Father.

[Mat 10:30](#) But the very hairs of your head are all numbered.

[Mat 10:31](#) Fear ye not therefore, ye are of more value than many **sparrows.**

**The RAVEN is a BIRD USED IN WITCHCRAFT**

This passage used to say "**sparrows**". I know that for a fact, because I've heard it and read it for over 25 years.

**For residual proof, go to:** <https://youtu.be/BR2aaqRZkUQ?t=36m57s>

**RAVENS**

Why stick "ravens" in there? Why not just use "crows" or "blackbirds"? **Because the raven is considered a "majic" bird in occult circles. When magic is near, the raven appears. The raven is "crafty", just like the devil. In the world of black majick, a raven is a messenger from another world that brings secret knowledge from the "divination arts".**

**Matthew 2:17**

**26:00 – Jeremiah residual proof from Matthew 2:17. Someone took a video of their Bible, a KJV, which still said Jeremiah, instead of "Jeremy".**

**[How to Tell Someone About Bible Changes and Mandela Effect – Bible Quiz](#)**

Not sure how to approach even your closest friends with the Mandela Bible Effect phenomenon? Afraid you'll come off sounding as if you've gone crazy, and then they won't even look into what you are saying? Some people need to be introduced to the cultural Mandela Effects first, then eased into the Bible changes, whereas others wouldn't know a Bible change if it hit them in the head, because they've never studied the King James Bible.

The first time I tried to bring it to a friend's attention, I spent an hour going over all these weird words in the Bible, as she thumbed through her Bible, looking up verse by verse. Every time I asked, don't you find that strange to be in there? She would look the text up in the concordance and give me the real meaning. This went absolutely nowhere, and left me shocked and dismayed that she didn't think it odd that men have breasts and are called "nursing fathers". I think she said it was in a different cultural context...or something that sounded good, but made no sense.

Then I attempted to bring it to a pastor's attention, one that knew me from 20 years of going to his church. Spending 3 hours compiling verse after changed verse, I sent him an email. He agreed to meet with me after service and talk. He proceeded to talk to me about how different versions have different words. I just came out and told him that it's not about that, and how I witnessed words in my own Bible changing from one week to the next.

I even threw in the Wizard of Oz, and yet — **he prayed with me, mentioning "eyesight" and other things, like I couldn't see very well. He advised me not to "chase conspiracy theories all around the internet" as it was a waste of time.**

**He was sympathetic to what I was “going through” but did not even grasp what I said. In fact, I think he thought I had lost my mind.**

Don't be surprised if pastors don't even want to crack open their Bibles to see if you're right. I call it the **“stick your head in the sand theology”**

Sad to say, but if they can't open their minds to considering the “supernatural” Bible changes, then I say they are not “watching”, as they should be.

**Luke 21:36: Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.**
