Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. See then that ye walk **circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Halloween, Human Sacrifice, Stonehenge and the Wicker Man-Part 2

In this teaching we will be taking an extensive, shocking look at virtually all the Halloween traditions modern day humanity currently embraces. Halloween is not just innocent entertainment. Its symbols and practices breathe new life into the dark rituals and symbols of past civilizations. Satan's main strategy has always been to tempt people to love what God hates, prompt them to pursue his enticing path, and deceive them into thinking that his 'new' way is as good. Since his strategies don't change, God's warning in Proverbs 14:12 is as relevant now as it was in King Solomon's days: 'Most people follow the masses, and the masses follow the media, especially when it promotes thrills and adventures that feed the lust for forbidden thrills. The occult has always focused on gory images of violence, death and destruction. We see it in today's media, music, and movies. As people become desensitized to occult violence and horror, the images in popular entertainment grow increasingly and indescribably evil. Yet, this is old news. Thousands of years ago, God warned us, 'All those who hate Me love death.' (Proverbs 8:36)

UN Sponsored Illegal Alien Invasion Force Advances Toward US

CIUDAD HIDALGO, Mexico (AP) — A growing throng of Central American invaders resumed their advance toward the U.S. border in southern Mexico on Sunday, overwhelming Mexican government attempts to stop them at the border. Mexicans give migrants water, clothes, rides...

Mexican villagers have organized to offer them water, food and clothing. Dozens of Mexicans in pickup trucks have pulled over to let 10 or even 20 migrants hop in back.

Passing freight trucks were quickly boarded by dozens of migrants, and groaning tuk-tuks carried as many as a half-dozen.

Big numbers of illegals arriving at AZ border... Large groups of Central American migrants continue to surrender to Border Patrol agents in Arizona authorities said Friday.

+2+ UN-Funded Caravan a Trojan Horse for 600 Million Migrant Invasion of US — United States Now Under UN Military Attack

This is 21st century warfare being carried out by multinational corporations and NGOs, organizing around the United Nations and quarterbacked by Soros-affiliated groups. It's meant to break the will of the nation-state by opening up large migration routes from the third-world into the first-world as part of a neo-colonialism system. The multinational banks, NGOs corporations want to use third-world populations as a tool to colonize the first world with third-world labor to drive down wages and create political instability which they can then control. *Third-world populations are exploding and are under increasing pressure by globalist forces. The developing world is in a pressure-cooker type scenario, and the UN and affiliated globalist groups are now "westernizing" these populations and turning them into political battering rams in an attempt to make the first-world, the western world, submit to multinational, corporate demands. This is 21st century warfare, and the nation will collapse by capitulating to it. It's why Democrats are openly calling for no borders and the abolishment of ICE while orchestrating the very migrant hordes to invade using migration routes. This is an attack from the outside and treason from within.*
