Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

++ Pipe bombs sent to CNN Soros, the Clintons, Barack Obama and others - total staged attack as we predicted

This is an obvious staged attack put together by globalists to blame Trump supporters, desperately trying to alter the outcome of the mid-term elections. America is under siege. This is the last desperate attempt to defraud the voters and steal the election.

You can see proof of these predictions below:

August 10, 2018: "**Censorship PURGE points to imminent false flag violence before mid-term elections... bigger than 9/11?**"

Emergency Alert! Green Light Given For Deep State To Trigger Terror Attacks

Mike Adams Comment: The "fake pipe bomb" events we all witnessed today are nothing more than Democrats mailing fake pipe bombs to other Democrats. This is their last, desperate ploy to try to control the outcome of a mid-term election they're terrified of losing. And with that loss will come the implosion of the Democrat party, the mass arrests of *thousands* of deep state traitors, and the exposing of the left-wing media as a lying, anti-American "journo-terrorism" operation that despises truth and democracy.

The fake pipe bombs sent to the addresses of Barack Obama, Hillary Clinton, CNN and others are pathetic propaganda attempts based on "bombs" that look like nothing more than road flares duct taped to kitchen timers. They aren't even good fakes. They're so obviously *not* real bombs that much of the internet is mocking the entire affair.

"Proper pipe bombs don't have wires connected to both ends. That's dumb," observed Tom Sauer, who describes himself as a former bomb disposal officer. "A proper timer would best be stored inside the pipe, making it fully encapsulated," he says. "This is nearly the same as a bundle of road flares wrapped together with an old-timey alarm clock ticking away."

Declaration of War by Mexico & Guatemala--Trump May Enact "War Powers Act"

Tuesday, October 23, 2018 9:51

AP Photo / Fernando Antonio

By Capt. Dave Bertrand, Ret.

As the American Flag is burned by so-called asylum seekers, **we're now learning of a "pact" between the Mexican and Guatemala presidents who are joining together to help the army of invaders, now estimated to be 14,000 plus, to gain access to the United States, with help along the routes.**

Trump is said to be invoking the "War Powers Act" (which defines the difference between "Posse Comitatus" versus military action on U.S. soil) if America is under attack by a foreign government.

Mexican President Enrique Peña Nieto and Guatemalan president Otto Perez Molina have agreed to assist the invaders.....

"Labeled "The Southern Border Program to Improve Passage," it is an officially-sanctioned, coordinated effort on the part of Mexico and the nations of Central America to invade the United States."

"The agreement provides a network of border checkpoints through which an internal Mexican travel document will be issued, which is valid for a period of 72 hours. That document, known as a Regional Visitor's Card, will provide temporary legal status to those in Mexico illegally for the sole purpose of invading the United States."

Trump is treating the invasion as a threat to National Security and NOT a humanitarian crisis, which the Dems are pushing a federal judge to stop the regular military from being deployed.

"Sources in Washington tell me the Administration is looking to use this as a lawful casus belli – (cause for war) . . . not only to put a stop to vast illegal immigration, but to wipe out the Drug Cartels and human trafficking networks operating openly in Mexico." –Hal Turner (Former FBI)

"Pursuant to [50 U.S. Code § 1541](#) (c)(3) the President may use such troops in a "national emergency created by an attack"

[White House: Art. 4, Sec. 4 Authority to Act on "Foreign Invasion Force" approaching Southern Border; "Courts have No Say"](#)

[Mattis to send 800 more troops to US-Mexico border ahead of migrant caravan, reports say](#)

Patriot analysts believe the Deep State will TRY to use the invasion by conducting an act (at the border) which will "turn the stomachs of Trump supporters." Thus far.....the invasion (their Caravan of hope) is backfiring on Dems and will suffer a major blow at the polls this November.

While 14,000 are moving north, Mexico is helping them, while an estimated 40,000 in northern Mexico, are waiting to join the invasion. This is an ACT of War by Mexico and offers an opportunity for Trump to cross into Mexico with military force.

Reference the 82nd Airborne being deployed, there is obviously a media blackout in-order to NOT scare the majority of invaders until such time that they are much closer to the U.S. border. Family members of the 82nd Airborne are tweeting and confirming the deployment.

The 1st Armored Division is (also) on deployment orders.....

How the military will be used is the big question, but it appears they will have the power of arrest (IMO). We also can expect injuries including death for whatever reason, because it is expected to be an overwhelming invasion at the Port-of-Entries in Texas, California and now Arizona, (according to FoxNews) including intel that thousands within the invasion are criminals having been deported from the U.S. and will enter the U.S. border in remote areas.

It would be wise and reasonable for all county sheriffs along the entire border to begin deputizing retired former military and law enforcement types to assist. Ranchers along the border need to ramp-up security and citizen border watch groups need to mobilize immediately.

—Dave Bertrand

Comment by Hal Turner: This entire "invasion" by illegal aliens has been planned since at least July 7, 2014, when the Presidents of Mexico and Guatemala, announced a program for illegal aliens entering Mexico, to get temporary travel papers as well as financial help, food, and other "privileges" to continue their trek toward the US Border.

This program was announced by those two Presidents on July 7, 2014 and was assisted in its design during the prior year (2013) by then Secretary of State: Hillary Clinton.

This whole debacle of the "migrant caravan" was planned YEARS in advance . . . and as Hillary was SUPPOSED to win the Presidency, this was to be the wipe-out of US sovereignty that globalists have long yearned for!

Now, the globalists are moving ahead with their invasion plans. They want to show the US can be invaded at their whim. They hope President Trump TRIES to stop it, because when force is used, they will use video of the enforcement to upset Americans with the hope Democrats can take power two weeks from now on election day.

Another COMMENT:

It is the craziest thing I've ever seen. We are being invaded by a rabble of disease carrying demon possessed criminals interested in only bringing down America. And the media is on their side! Notice they only want to enter through California, not Arizona, New Mexico, or Texas; they will only accept California. Tell me it is not all orchestrated! And the left is encouraging their believers that these are just women & children seeking asylum. What in h*** are the average left leaning citizens thinking? Have they lost their minds? Where I live the neighbors all think we should help those poor, persecuted people who only want to improve their lives. TB, Whooping Cough, Measles, Polio, are not an issue. Crime – so what? Has a substantial part of America completely lost their minds? In the meantime Feinstein and Pelosi are doing their best to rathole as much money as they possibly can against the day America falls.

State of the Nation Comment:

Let's be real: massive migrant caravans don't just happen naturally; they're engineered by clandestine manipulators operating way behind the scenes. And with LOTS of cash to pay off the border crashers as well as the border officials. The entire push to crash the USA's Mexican border has been stealthily engineered by George Soros & Company. The "Company" refers to the Rothschild international banking cartel which is essentially a tyrannical global crime syndicate.

KEY POINT: SOTN has called for the immediate arrest, prosecution and imprisonment of George Soros. ([Soros Must Be Arrested, Prosecuted and](#)

[Imprisoned to Prevent Civil War](#)) To allow a well-known traitor to the Republic to roam free on the streets is an insult to every law-abiding American citizen. This shadowy cabal of banks and warmongers profits handsomely from war and chaos. In fact, disaster capitalism provides them with one of their largest revenue streams over many decades across the planet. Because they own and operate the major military powers that constitute the NWO, it's quite easy for them to run an integrated monopoly that trades in war and mayhem throughout the planetary realm.

The Soros-funded NGOs across America have been working overtime to steal the midterm elections. They have organized in ways that will never be known to rig the election by any means necessary to flip both the House and the Senate, as well as to turn as many state and municipal governments as blue as possible.

See: [OCTOBER SURPRISE! Anything goes until November 6th, especially this.](#)

The single best way to achieve these electoral goals is to flood the U.S. with illegal aliens who can then be set up to vote Democrat. When leftist Soros-run NGOs have guaranteed your illegal entry into the country, you are indebted to the Democrats practically forever. The payment of that debt is illegally voting straight Democrat for the rest of your unlawful squatting in the country.

Make no mistake, this *Blue Wave* from Central and South America is a LOT larger than we are being told by the mainstream media (MSM). In reality, it's a massive BLUE tsunami generated to compensate for the RED tsunami that is

headed to the polls on November 6th. See: [So this is the Democrat blue wave!](#)

Blue Wave 2018

It's entirely true: the Democrat Party is in such a state of collapse nationwide that the DNC made a command decision to turn the tide by triggering a 2018 election tidal wave of illegal aliens. They know they had no other way to win elections except to flood the voting booths with illegal aliens in

sanctuary cities and sanctuary states across the country. This is their Plan A, B and C.

The preceding photo captures just one small blue wave this month. There are actually many more rolling across Mexico, most of them completely unreported. The ongoing "HONDURAN INVASION" is being given a lot of press as a way of triggering all the other blue waves south of the border to begin their trek northward. Isn't this Soros-directed scheme obvious with Mexico permitting their

own border to be crashed (Rothschild banksters have obviously paid off all the Mexican corruptocrats). By the way, since when does a nation not exert complete control over their border **WHENEVER THEY REALLY WANT TO.**

For the uninitiated, this globalist operation — **Blue Wave 2018** — represents a central pillar of their *New World Order* agenda designed to irreparably tear the social fabric of America. Only in this way can the perps create the social chaos and political pandemonium necessary to foist a communist government on the USA. Each of these illegal aliens is a future political bolshevik or violent anarchist or communist agitator or socialist provocateur willing to break the law and carry out barbaric acts of bloodshed.

The Democrats have become such a failed political enterprise because of their utter lawlessness, moral bankruptcy and deliberate incitement of social chaos that they have chosen an extreme path toward an elusive victory. And, they really don't care how they're perceived anymore because they know that a big loss at the polls means the end of their seditious communist agenda and naked cultural marxist strategies. It may also mean the effective end of their Democrat party.

Conclusion

As we quickly approach the final stretch of this campaign season, the body politic can expect much more manufactured mayhem and divisive disorder. These violent tactics form the very backbone *Cultural Marxism*. When political bolsheviks don't get what they want peacefully, they will always attempt to acquire it forcefully. That's just what they do. See: [Soros and the Left will attempt to violently take over America if they don't win the midterms](#)

Therefore, it's imperative that patriots everywhere stay vigilant. Truly, the best way to ensure a post-election period of law and order is to pray like never before.

Because the United States of America needs prayer like never before.

+2+ Bible Verses Regarding Corrupt Governments

Psa 94:20 Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law?

Comment: The KJV also translates the root word for "Frameth" as: fashion, form, & make & also translates the root word of "Mischief" in the following manner: iniquity, misery, painful, perverseness, sorrow, toil, travail, trouble, wearisome & wickedness

Psa 94:21 They gather themselves together against the soul of the righteous, and condemn the innocent blood.

Psa 94:22 But the LORD is my defence; and my God is the rock of my refuge.

Psa 94:23 And he shall bring upon them their own iniquity, and shall cut them off in their own wickedness; yea, the LORD our God shall cut them off.

Pro 29:4 The king by judgment establisheth the land: but he that receiveth gifts overthroweth it.

Ecclesiastes 5:8 If thou seest the oppression of the poor, and violent perverting of judgment and justice in a province, marvel not at the matter: for he that is higher than the highest regardeth; and there be higher than they.

Proverbs 29:2 When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn.

Gen 6:11 The earth also was corrupt before God, and the earth was filled with violence.

The Pre-Positioning of Assets In Advance of Invasion

There is a major story breaking in the Southwest. As I unfold what I now strongly believe is the beginning of a Red Dawn invasion, please consider the following press release from Homeland Security: **Gang members and people with "significant criminal histories" are embedded in the massive migrant caravan of mostly military-aged males marching up to the United States.** DHS spox Tyler Houlton said Tuesday in a tweetstorm:

"The DHS can confirm that there are individuals within the caravan who are gang members or have significant criminal histories," The DHS then confirmed Judicial Watch's reporting that people from Bangladesh, Congo, South Asia and the Middle East are also traveling with the caravan.
