Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

House Elections Stolen by Democrats! Revenge of the RINOs Engineered by Deep State

Wednesday, November 7, 2018

State of the Nation

Various black ops were cunningly implemented to ensure the Democrats won the House.

In light of the extraordinary political successes enjoyed by President Donald Trump during his first 2 years, the midterms should have either maintained or strengthened the Republican majority in the House.

Not only did that not happen, the swing to Democratic control is quite dramatic thus far.

Why did this really take place?

REVENGE OF THE RINOS

True, it's a stealthily coordinated conspiracy of many and diverse circumstances, which was fastidiously run by *Deep State*, that flipped the House so substantially. It actually was the rogue C.I.A. that executed the various schemes to wrest control from the GOP.

However, it was the transparent agents of *Deep State* — the RINOs and Never Trumpers — who really did conspire according to the non-negotiable dictates of their Shadow Government masters.

***While a RINO is a “Republican in name only”, a Never Trumper is a highly radicalized RINO. Whereas the Never Trumpers led this conspiracy from the inside, the RINO either went along for the ride or were willingly forced out by the Shadow Government.**

The most obvious election cycle dynamic that set up the GOP loss in the House was the highly unusual exodus of Republican House members. Unusual because many of them were given strict orders by their *Deep State* overlords not to run again.

Thirty-six Republicans opted not to seek re-election. That’s a lot of incumbents—who are practically guaranteed a victory if they seek re-election.

The vast majority of those incumbents were either lifelong RINOs or *Never Trumpers*. And their collective decision not to keep their seats put the GOP in a HUGE bind.

Many of these folks waited relatively late in the election cycle to exit, putting a lot of pressure on the Republican Party to identify and field truly qualified candidates.

KEY POINT: Some of those Republicans not seeking re-election were literally forced out by their *Deep State* handlers. They were quite carefully selected based on the likelihood of their districts flipping into the blue column. There are various ways to compel resignations such as threats of exposure of previous Pedogate activity.

While there are several other factors that weighed in to varying degrees which sealed a Democrat takeover, it was this highly calculated *Deep State* strategy that turned the House blue.

For the uninitiated, the following list of calculated **October Surprises** is provided in order to understand the depth and breadth of the conspiracy to take the House.

Each of these CIA-coordinated operations was a deliberate attempt to rig the elections in favor of the Democrats.

- **Kavanaugh character assassination plot** to associate Trump with alleged sexual abuse ([Deep State’s Blaseygate Exposed as Seditious Black Op](#))

- **False flag bomb psyops** perpetrated against Democrat VIPs to blame a Trump supporter ([FALSE FLAG BOMB SCARES: Who's really doing it and Why?](#))
 - **Hurricane Michael**: A geoen지니어ed superstorm and weather bomb dropped on the *Right*-leaning Florida Panhandle to eliminate Republican voters ([Voting Analysis Determines that Devastation of FL Panhandle from Hurricane Michael Could Swing Key Elections to Democrats](#))
 - **Khashoggi assassination plot** to tarnish Trump administration with Saudi savagery ([Khashoggi Assassination Plot Exposed](#))
 - **False flag mass shooting** at Pittsburgh Synagogue conducted to blame Trump for national division ([FALSE FLAG MASS SHOOTING: Pittsburgh Synagogue Targeted by Deep State-Directed Terrorist Attack](#))
 - **Honduran Caravan** sent as a 'blue wave' of illegal aliens to perform unlawful voting for Democrat candidates ([OCTOBER SURPRISE: Soros & Company Crashes a Blue Wave into the Mexican Border to Steal the Midterm Elections](#))
 - **Hot yoga shooting** and false flag operation in Tallahassee where an alleged *Right*-leaning assailant carries out a "November jolt". ([ELECTION PSYOP: A 'False Flag' Mass Shooting in Tallahassee Just Before Election Day, How Convenient for Candidate Gillum](#))
- (Source: [Deep State will pull out all the stops to flip both houses of Congress](#))

By way of illustration of this crucial point, **thus far 5 House seats have been flipped to the DEMs in Pennsylvania alone. How could this have occurred except with the help of the shocking Pittsburgh Synagogue shooting & massive redistricting and gerrymandering right prior to the midterms. That false flag operation was deliberately planned just days before the election...and it worked.**

Then there is outright election theft that is carried out so surreptitiously that the *Deep State* perps are unlikely to get caught.

This election-stealing dynamic goes on every election cycle, but this year was different. The Democrats quite craftily identified every election that was easily stolen... and then they stole it.

Just how do they do that? There are several ways to steal an election which are well beyond the scope of this article.

However, one easy way is to relentlessly publish fake polls and fabricated predictions. The MSM pollsters are notorious for doing just that.

In so doing, the fraudulent pollsters insidiously condition the electorate to believe the manipulated election results. It's even fair to say that: [All Major Pollsters Are Agents of Deep State, Predictions Are Fabricated to Validate Election Thefts](#)

Nevertheless, even a stolen election, regardless of how adept the cyber-thiefs are, always has fingerprints left at the crime scene.

Hence, it's just a matter of unwavering resolve on the part of the GOP investigators to track down every instance where a theft is suspected.

There's no question that voter fraud, vote tampering and other election-fixing tactics were used this November.

However, the Democrats were so desperate to dominate the House that their well-laid plans were carried out with unusual precision. And the Republicans don't seem to have the will to uncover, and prove, the election crimes.

“The only thing necessary for the triumph of evil is for good men to do nothing.”

If the United States of America constructs, "Temporary Housing," for the Mobile Mob Invasion Force...it will become...

1. America's, "Gaza;" with all of it's inherent issues, dangers, and "Antifa Fountains", just like those found in the Middle East.

2. An economic, "deal breaker," for The Mobile Mob Invaders and the American annual [PB] budget. The cost per person to provide food, shelter, clothing, water, medical/dental/optical, will exceed each person's daily/weekly/monthly, and annual income, within the first 14 - 21 days. This includes a constant Federal, State, Local, Military presence to keep them inside the de-facto Refugee Camp(s).

3. To prove America as a, "humanitarian society," employers will seek to offer "daily work/jobs," to these, "Refugees." If this evolves...America will eventually become, "the world's biggest Refugee Camp."

4. Hurricane's, tornadoes, soaking rains, snow, freezing rains, etc., will provide, "natural cover for escapes." These will become deadly illegal aliens, who will go to and do anything to remain, "free and outside the horrid Refugee Camps." America's sovereignty will be lost.

5. Eventually...these Mobile Mob Invaders will be given:

A. Social Security numbers and benefits.

B. Annual Medical Plans; most provided at taxpayer's expense.

C. Preference for educational programs, "to make them viable for becoming' good citizens and a labor pool worth developing."

D. These Mobile Mob Invaders will become a powerful, "political voice and voting block."

E. Become, "acceptable political candidates, representing their people." And thus, rape, ravage and savage; pillage and plunder America's political system and social landscape.

F. They will form there own, "internal government, with representatives; demanding to be heard...or else !!"

G. This will provide the, "Enough!!!," from the land owners general populace of the Republic of Texas, [fomenting] war with these Mobile Mob Invaders, Mexico, Central America—then spilling over into South America.

H. They will receive financial assistance from, "those within and outside of the United States of America, to build there own radio, television, presses, etc., to validate....,"they are real people and are here to stay !!"

I. These Refugee Camps will quickly become, "no go zones."

J. These Refugee Camps will quickly become ground zero for recruiting Islamic militants, gang members, insurgent activists, creating a definite fighting force to overthrow the State of Texas, and reconquer America's Southwest as a/the ligitimit land of Mexico.

K. America's Southwest will become a wasteland of immigrants, an impoverished people ready to, "take what is perceived as their ancient birthright, overthrow The United States of America Federal, State, Local governments, make America —and Americans—pay for their past sins against the people south of America's SW border."

6. These events now unfolding are the prelude to a deadly war of/for survival of America Americans. China, Russia, Islam, and ethnic minorities will come together to defeat America and enslave the American people.

7. The resultant ramifications will be a world without America. Some nations will literally starve to death for lack of what was once considered and expected Foreign Aid. The world will become, "a prison planet;" the strong will enslave the weak, who will provide a

work force working under slavish circumstances and conditions.

8. It's the NWO and the Elitist Evolution of Socialism—Hello and welcome...
