Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Amos 5:24--But let judgment run down as waters, and righteousness as a mighty stream.

Psalm 140:6-8: I said unto the LORD, Thou art my God: hear the voice of my supplications, O LORD. O GOD the Lord, the strength of my salvation, thou hast covered my head in the day of battle. Grant not, O LORD, the desires of the wicked: further not his wicked device; lest they exalt themselves. Selah.

Former US President & Ultra High Level Luciferian George H.W. Bush Dead at 94-- The First High Level Politician to Utter Openly the Phrases: "A New World Order" & "A Thousand Points of Light"

George Scherff Jr. Aka George H.W .Bush was a spy and Traitor to America. The first President to publicly utter the idea of a "New World Order" and original member of the CIA, many Americans believe this man to be the epitome of pure evil.

Many Americans are now reacting by saying current President Donald J. Trump can now declassify the material on the assassination of President John F. Kennedy; material that was withheld from public release despite being old enough to be declassified. It is thought by many Americans that Bush, who ran the Office of Special Services (OSS) at the time of Kennedy's murder, which later became the CIA, played a direct part in the Assassination of Kennedy and the ensuing cover-up; all under the direction of Bush.

Decades later, John Kennedy, Jr. son of the late President, who was affectionately called "John-John" launched a Magazine and publicly said "the name of the man that killed my father is the name on the magazine that I run." Name of magazine was GEORGE.

Unbeknownst to the public, John-John was digging deep for proof. And, how else could he expose the truth when all the media outlets were controlled by the very cabal he planned to expose? Enter..."George."

When he presented his magazine, "George," to the world, he was, for all practical purposes, signing his own death warrant.

Many researchers and historians have come to the conclusion that it was the elite power structure running the US Government from behind the scenes that were responsible for the assassination of JFK, and that there was more than one reason for them doing so.

There are photographs claiming to show that George Bush was at Dealey Plaza in Dallas on the day of the killing, and while they might be inconclusive there are multiple other sources that George Bush was one of those responsible for the assassination of JFK and that he was indeed there that day.

Talk of other evils are now spilling out across America. Said one American: "He was the first pedo President" a reference to the long-held belief by many that the man allegedly liked to sex children. Said another, "They'll build a memorial for him at Bohemian Grove right next to Moloch" a reference to the secret society Skull 'n Bones which allegedly meets at Bohemian Grove to worship Satan and plan world chaos to enrich themselves. Others pointed to the Iraq War in 1991 and recalled that it was George HW Bush that initially gave Iraqi leader Saddam Hussein tacit approval to invade Kuwait and once that took place, it was Bush who stabbed Hussein in the back by declaring "this aggression will not stand" and taking America to war against Iraq; setting in-motion a series of world events we still suffer to this day.

The Bush family has been associated with Nazis, Planned Parenthood, the King of Saudi Arabia, the Bin Ladens, the New World Order and 911.

Former Presidents Barack Obama and George H.W. Bush spent time together Tuesday in Houston, according to Bush 41's spokesman. On Twitter, Jim McGrath wrote: "President @GeorgeHWBush was very pleased to receive President @BarackObama this afternoon during his visit to #Houston. The two had a very pleasant and private visit at the Bush residence, where they rekindled what was already a very warm friendship."

3 Days later, Bush is dead.

Said one American about the Obama visit to Bush "its appropriate that Lucifer pays him a visit before his passing" while another American described Obama as the angel of death.

It won't be long until the deep state and the liars and hooligans of politics all line up to claim Bush to be a thousand points of light; call him a hero and laud him. It will mostly be an act of deception because it was Bush who once said "If the American people ever found out what we've done, they chase down the street and hang us."

As you watch the funeral-related events in coming days, you may notice that the Liberals LOVED this guy . . . and that's all you need to know about what kind of person he truly was.

For many Americans, the fire pits of Hell can't possibly be hot enough to repay George HW Bush for his evils.

People must do their research because what we have been taught is a lie and now history is repeating itself and not many see it.

Bush SR. Has experienced the chateaux des armouis "the mother of darkness castle" it's the castle that has the thousand points of lights dome. Does anyone remember when President Trump said: A thousand points of light???? What the hell is that???

He was telling us to look into it. That castle is located in Belgium and it's a special castle where they sacrifice babies and rape, torture and hunt children to break their psyche to become the perfect mk-ultra slave, they also conduct orgies for the very rich and disturbed.

Chateaux Des Armois: "Mothers of Darkness Castle" A Thousand Points of Light--The Most Evil Place on Earth!

...Fritz Springmeier cites this secret castle situated near the village of Muno in Belgium. This castle according to Springmeier, is a center of the occult and has a cathedral with a dome containing 1000 lights.

<<Chateau Des Amerois - MKULTRA,

Illuminati Castle

Mothers Of Darkness Castle (rescued Images)

It appears that the owner does everything that they can to keep it invisible. Almost every image of it has been removed from the internet, as soon as a good video appears about it on Youtube it is taken down.

The images here have been rescued from Google's cache, the view of the castle on Google Maps is interesting (see left), it appears as a nondescript blue blob.

I've discovered through research that the castle is owned by Solvay, the people who provide us with controversial antidepressant, for example Prozac and Paroxetine. Drugs which have been held responsible for the spurge of mass killings being witnessed in schools and universities around the world.

Solvay also provide Children's camps across the globe and interestingly in

Brussels. Would you trust these people to look after your child?

This obscure castle does indeed exist and has been named in late 1996 and early 1997 by at least one 'X' survivor of the Dutroux affair as a place where nasty things happened. Different witnesses who described child torture, child rape, child molestation, child hunting, and child murder have been declared 'mad', but only after all the original investigators were suddenly replaced. There were also multiple claims of sex parties that were held in different castles. It didn't matter that the witness accounts included many verifiable corroborative details and helped solve a couple of previous child murders.

Please do whatever research you can to expose this disgusting group of people, information appears everyday about Satanic Ritual Abuse and everyday the information disappears, or get's buried on the Internet. Set up some Google Alerts about the Mothers of Darkness castle and publish the information on your blog, before it get's taken down.

++ IF No Military Tribunals...America Spins-Out-of-Control

BERTRAND DAILY REPORT By Capt. Dave Bertrand, Ret.

Friends and Associates:

Are we getting closer to Military Tribunals or are we Patriots out-of-our minds and delusional? If that is true....then the nay sayers need to add Trump to that delusion. Obviously, there are those that truly believe that either Hillary, Comey, Lynch et al did nothing wrong, or Trump is not going to proceed against these criminals and if he does, "nothing will happen to Hillary."

Yesterday's BDR Report suggested backroom logistics planning by several levels of government at Columbia S. Carolina (IMO) could have been the planning stage for upcoming Military Tribunals. That analysis is based-on the puzzle the Patriots continue to put together, but yet not complete. In-order to get the picture of what seems very likely as a logistics meeting, a puzzle does not have to be finished to see what the picture is going to be.

The puzzle continues and more pieces are coming to light....

Meme Tweeted by President Trump

President Trump's latest TWEET meme of top treasonous criminals behind bars is a clear indication of what is coming. His latest Tweets appear to be edging closer to criminal action against these Deep State players.

Former CIA Case Officer Robert Steele says the Military Tribunals are coming. GITMO renovations are complete with 4,000 beds. Several chartered United Airline flights into GITMO one year ago were suspicious. Military uses State Department contract airlines, i.e. Atlas Air and World Airways.

Table of Contents:

- **EMERGENCY REPORT: Signed Executive Orders reveal Trump is planning mass arrests, military tribunals for deep state traitors like Comey, Clinton and Obama**

(Un-verified) Military sources say, GITMO will not be taking-in Middle Eastern terrorists and one comment suggested, the “renovations look like a Club Med setting.” CIA Robert Steele says” the renovations look like a Marriot Courtyard.” Others say there have already been a few tribunal hearings and it is alleged that

McCain was sentenced to death for Treason in reference his providing weapons, missiles and millions of dollars to al Qaida / ISIS terrorists.....see below for him pictured with 5 al Qaida terrorists during a secret clandestine meeting in Syria (on behalf of the Deep State’s CIA, Obama and HRC).

Prior to McCain’s death, he wore a therapeutic boot on his right foot which was alleged to be hiding a GPS tracker in case he decided to leave the country un-expectedly, and at one point, he switched the boot over to his left foot, saying...he wanted to “give his right foot a break”(???)

Hillary wore a boot during that same period. Was it to sympathize with McCain’s predicament, or was it just a [coincidence] ?

The day before he died (supposedly executed by chemical means) his family makes a statement that “McCain decided to stop chemotherapy.” Nobody dies the day after they stop chemotherapy....

Following [No Name]’s execution, Senator Lindsey Graham (R-SC) does a 180 degree turn from being part of McCain’s anti-Trump team of NEOCONS to (overnight) being one of Trump’s number one supporters(????)

Was Lindsey Graham pardoned by a tribunal??

Then...on top of that, Lindsey Graham addresses questions to Kavanaugh (SCOTUS) on LIVE television about the legitimacy of a military tribunals, as it applies to constitutional law. WHY?????

Because the Military Tribunals for the top Treasonous perps are coming.....they just might be held in two locations, Columbia S.C. where U.S. Army Ft. Jackson is

and where Lindsey Graham is a senator from, along with military flights back and forth from Shaw AFB to GITMO.

Emotions are running high, both with the Deep State knowing what's coming and the Patriots wanting the "perp walk now."

Trump's latest Tweets have stated (basically), he will release the FISA [DECLAS] if the Dems begin their impeachment / investigations against him and his family and it will be "big." He also added, he will release the documents at a time that is politically beneficial and decided not to recently because it would now be "old news." That essentially means....the [DECLAS] will be at the last moment before a major event, or shortly thereafter..

WE do know the release of FISA and other revealing documents will destroy many Deep State operatives, from Congress to the CIA and many in between. However.....there are two countries resisting the release because it will implicate their intelligence agencies. (UK and Australia).

There has to be a balance, because it will also reveal CIA and George H.W. Bush involvement in the JFK assassination, according to political insiders...and will open a can of worms about who and what was behind the 9/11 false flag.

Therefore.....there might be many exclusions UNLESS, the Deep State goes full scale anti-Trump and all indicators point to that happening anyway.

The ultimate goal should be to destroy the Luciferins Pedovores Like the Clintons and the Posestas at any cost and the tribunals will help, but if not done properly...it could backfire on this Republic. President Trump has to move and plan cautiously, while at the same time remain safe.

As for the logistics meeting in Columbia South Carolina on 11/28/18, by several agencies, including the military, NCIS, etc, it tells me...if the plan was to discuss (behind closed doors) logistics for how to proceed with these military tribunals, it would require these agencies to understand the complexity by designating the proper individuals from each agency tasked with compiling their case(s) as a joint effort for the prosecution to proceed in a Military Tribunal setting.

If THEY were in-fact meeting behind closed doors about tribunals (near the military prison), and had no cover story for the media, the cat would be out-of-the-bag for one....and anything and everything would begin to happen with a Deep State counter-attack.

Keeping the Deep State criminals confused by fake news, but knowing what is probably happening, forces them to NOT come-out and tell the world in-order to gain sympathy from the Left....plus they would look like paranoid conspiracy theorists, which would be used against them.

A prime example are the numerous false flag media reports such as...the Las Vegas Massacre about a lone shooter, which is an absolute lie, or the many cover stories for 9/11 and others like Sandy Hook.

What (WE) do is provide an analysis of what it actually appears to be based-on the puzzle scenario. We have many pieces of the puzzle and the picture is looking obvious. Consider this....

According to my source, there is a large military prison at Ft. Jackson (Columbia S. Carolina) and he just delivered supplies there and will keep me updated.

If Ft. Jackson is to be used as a permanent or temporary facility for hundreds of top level criminals being charged for Treason....that is where they would be held while Comey, Lynch, Mueller, Clinton, and Obama, et al would need to be at GITMO in-order to avoid a Deep State take-over of a prison on U.S. land by an ANTIFA generated Civil War.

Seems logical to me, **but I could be very wrong and everything could fall apart and if that were to happen...Trump does not get re-elected and we lose to a Socialist / Communist and that's when things get really nasty for America.**

Under the (next) Socialist / Communist U.S. President....you will have only two choices:

Either give-up your 1st and 2nd amendment rights or plan to fight and possibly die.

Subject: [Urgent Call to Prayer](#)

Scott, You know I very rarely send you emails, especially anything long. Over the last year, I haven't reached out to you much at all, not because you're not a huge blessing to our lives, but because I've been sitting at the feet of God and learning from Him and Him only....I've shared all of this with you to preface something else that I and Matt believe God wants me to share with you. Over the last year I've been having dreams - some pretty intense dreams at times. Most the time He gives me the interpretations to go along with the dreams. I usually only share them with Matt and nobody else, but I've had a couple of dreams lately that I feel pretty strongly I'm supposed to share, so I'm starting with you. See if it bears witness with your spirit or not.. Below are the two dreams that I have typed up to share with you first, and then anyone else God tells me to share them with. Thanks for your time. We will always consider you to be one of our dearest friends. God bless you!

Sincerely,
Jodi

I don't normally share my dreams with anyone except for my husband. But over the past several months I have been having some pretty intense dreams and I am sensing that I'm supposed to share this as an urgent call to prayer for God's people. So here goes...

I had a dream the other night that I was seated in a house with several people, simply enjoying their company. I became aware that the resident of the house was an elderly woman who happened to be sitting in this room sharing a prophecy with us. Her words were powerful and her warnings were clear, but it seemed that everyone in the room didn't take it too seriously. The woman didn't seem to care, however, and she went on to share that there are a group of men - she referred to them as lawyers - who are planning some extremely evil things for this country. She didn't say what those plans were, or if she did, I can't recall what they consisted of, but I remember being under the impression that it had to do some of the most heinous plans the mind could conjure up. She concluded with this: she stated, rather emphatically, that if anyone in the military refused to carry out the orders and plans of this evil group of men, they would very swiftly be thrown into prison.

After a bit longer, the elderly prophetess moved to a more secluded area of the house and sat alone. Needless to say, nobody seemed to even notice that she had left the room. I, however, was intrigued with the things this dear woman was attempting to warn us all of, so I got up to join her. When I approached her, I sat down beside her on her right side and began talking to her. Before I could get very far in what I was saying, she told me that she could not hear out of her right ear. I proceeded to move to her left side, at which time she asked me not to, but directed me to sit in front of her, face to face. I did so, and began sharing my recent dream with her and then asking her some questions about the prophecy she had shared earlier in the other room. One of the questions I asked her is how that group of lawyers could possibly carry out these plans, for surely there would men and women in the armed forces who would not comply. She once again told me very sternly that they absolutely would be carted off to prisons. This troubled me greatly and I couldn't figure out why nobody else there was concerned.

After this I woke up and lay in my bed pondering the dream. When I asked the Lord if He was speaking to me through this dream, the words "military tribunal" kept playing

over and over in my mind. These words -military tribunal - seem contrary to the message that the dream seemed to be conveying. I perceived the dream as saying that some bad men - "lawyers" (the elite?) - had some very evil things planned and anyone who didn't cooperate with their plans would be taken out of the picture. How did a military tribunal fit in with this at all?

Okay, so now I have to confess something to you that I'm a little embarrassed to admit. Although I have heard the term "military tribunal" many times in the news, etc., I honestly didn't know what it meant. I'm a busy mom and wife, and although I try to keep up on what's going on in the world, sometimes I tend to just get the cliff notes from my husband who has a much better understanding of it all than I do.

Anyway, when I awoke from the dream and lay pondering the meaning of it, I sensed the Holy Spirit putting these two words in my mind over and over: Military Tribunal. Military Tribunal. Military Tribunal. I don't believe it was from my own thoughts alone, as I didn't even know what it meant...but it made me curious so I jumped out of bed and went to search it out on the internet. I found an interesting article that summed it up and then, well, I became even more confused about the dream. I asked God to grant me clarity and this is what I believe He told me:

The dream was a warning. The things that the woman in the dream said would come to pass surely will if something bold and drastic isn't done soon by our President, namely, military tribunals. When I asked the Lord to clarify the meaning of the dream, I believe He told me that the remedy for what the woman in the dream said would happen, is for our President to take action against the deep state - particularly but not limited to - those involved in the sex trafficking of children. There are so many hindrances to Trump being able to carry out the things that he is wanting to do, so I really feel that this dream is an urgent call to prayer - for God's people to rise up in spiritual warfare prayer against the evil forces that are operating in and through the monsters that are raping and ravaging children, defiling anything that is even remotely holy, and fighting against our rights as Christians in this country, and in every part of the world. I honestly feel that there is an urgency - that this is extremely time sensitive. I really sense in my spirit that there is a time coming, when it will simply be too late. Action needs to be taken soon. Prayer and fasting specifically for these military tribunals to be carried out is **urgent and necessary** - because I had the impression after the dream, that if they are not, the evil that will be unleashed on this earth will be irrevocable. Like Jesus, ***we MUST work the works of Him that sent us, while it is day: the night cometh, when no man can work. (see John 9:4).***

Forgive me that this is so long...I'm new at this. The truth is, I have to share what I believe God is telling me to share. In doing so, I would be remiss if I didn't tell you that several weeks ago I had a different dream that I was very troubled by. I have sought the Lord for the meaning of this dream for weeks now, but until He showed me the meaning of the dream I just shared with you, I couldn't understand what it meant. I'll very briefly share it:

In the dream my husband and I were traveling on foot with some friends and we had a very young child with us that was in absolute agony - so much so that you could almost feel it. He was moaning and groaning and my husband was carrying him as we walked around trying to find some place we could sit down and rest. The child seemed to be sleeping for a bit and I commented that it was good he was sleeping because perhaps

he wasn't in so much agony that way. A teenage boy came up to me and told me that I should make no mistake about it - he said that child was in just as much agony whether he was asleep or awake. As I sat there looking at the small child and seeing his torment (although I had no idea what was causing it), it was impressed upon me in the dream, that the child's agony was like birth pangs to something huge that was about to happen, and whenever it did finally happen, his agony would cease. It was like a Garden of Gethsemane thing where Jesus was in such agony that He was sweating drops of blood, all in anticipation of the crucifixion that would take place the next day. **I woke up so troubled by this child because his pain and torment felt oppressive and suffocating to me. I have been asking God for several weeks now to reveal what all of this meant because I haven't been able to shake the effect it has had on me. But the meaning has become clear. I believe now, that the child in agony in this dream is symbolic of the children in this world who are being raped, tortured, sold, eaten, etc. at the hands of these disgusting monsters, and that the birth pangs of his agony represent the period before a huge event that needs to take place soon. In conjunction with the earlier dream, this dream seemed to be saying that the exposure and prosecution (execution would be even better) of the deep state pervers who have been hidden and protected for so many years, (and will do anything to remain that way), is the necessary remedy. The huge event that would remedy the pain and anguish of the child in my dream - and the real life kids going through such hell - would be the exposure, mass arrests, and the carrying out of military tribunals.**

This is a call to prayer, plain and simple. We need to petition the throne of God that He will move in a mighty way in this situation and remove anything (and anyone) that may be hindering Trump from being able to act on this. I believe he is aware of a lot more than people give him credit for, but the forces of hell are out to stop him at every turn. Surely prayer moves the hand of God. And the remnant of God's people who are actually awake and rising up in spiritual authority in Christ against the Devil and his minions, can bind and tear down and take back and come with the full force of the Blood of Jesus Christ against the very gates of hell. It's time that we examine our own lives and hearts and close all doors to sin and to the enemy, and then in a posture of humility and repentance, cry out to God, while simultaneously engaging in spiritual warfare prayer with the tools and authority we've been given in Christ. ***"Let the high praises of God be in their mouth, and a two-edged sword in their hand; To execute vengeance upon the heathen, and punishments upon the people; To bind their kings with chains, and their nobles with fetters of iron. To execute on them the judgment written: this honour have all His saints. Praise ye the LORD."* (Psalm 149:6-9)**

I am a nobody in the world's eyes, but I am the daughter of the Most High, and I am sharing this in obedience to Him. If it bears witness with your spirit, please, please respond accordingly. There's so much we can do behind the scenes if we'll only wake up and fight the good fight of faith, rescuing the precious children from bowels of evil.

In Christ, Jodi
