**All across the world children are being abused and exploited. This video is intended to bring awareness to the dangers little kids are being subjected to on a daily basis. This is NOT "hate speech." This is genuine concern for the safety of**

children based on the observable, statistical outcomes of certain behavior patterns.

**Confirmation From a Long Time Listener About Oral Roberts University Satanic Ceremonies**

**From:** Janice

**To:** 'Scott Johnson'

**Subject:** ORU

I had heard testimony many years ago of survivor/witnesses of the SRA, including human sacrifices which occurred in secret underground facilities beneath ORU. At the time I had relatives who were avid Oral Roberts supporters, frequently attending conventions at ORU, with no idea of the true nature of the place. And I had no proof to give them of the deception and extreme evil there. At the time, pedophilia was pretty much unheard of by the public in general. I'm relieved that this info is now becoming known.

Pastor Doug Riggs, who sent the email below, started in ministry in Tulsa and first got into deliverance there many years ago because he started getting so many young people in his small church who had been victims of the SRA and trauma based MKULTRA programming at ORU. He later moved his church to upstate NY near where I had lived years before, back when I'd first gotten involved in praying against witchcraft in the early 1980s. I emailed Doug info I'd gotten through my research and anti-coven activity in that area, like the name of the local high priestess (the "head intercessor" in a full gospel church near Syracuse) and the connection between the MKULTRA programming (supersoldier especially) and Griffiss AFB. Anyway, Doug Riggs has the best witness testimonies of anyone I know about the ORU witchcraft.

## ORAL ROBERTS AND THE OXNAM CONNECTION

As one could imagine, I have had many surprising and startling moments in researching through all of this subject matter. In 2005, I had one of those moments while watching a "60 Minutes" segment--an interview with a certain **Dr. Robert Oxnam**. Oxnam is easily the nation's most prominent survivor of MPD/DID (multiple personality disorder) to have come out publicly talking about his condition. He is from an elite East coast family with

'blueblood' pedigree...a long line of university presidents, and such. He himself had been a consultant to US presidents and captains of industry, as an expert on China. At a certain point however, his "programming" began to unravel...he was detecting other "voices" and/or personalities inside his own mind and body. I had used this term earlier...his "amnesiac walls" had begun to crumble, a relatively rare occurrence among mind-control victims.

### The CBS interview with Dr. Robert Oxnam.

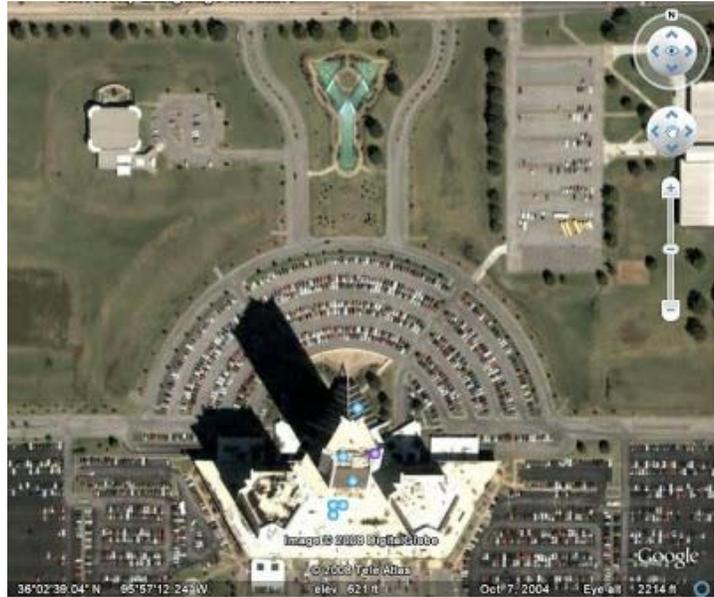

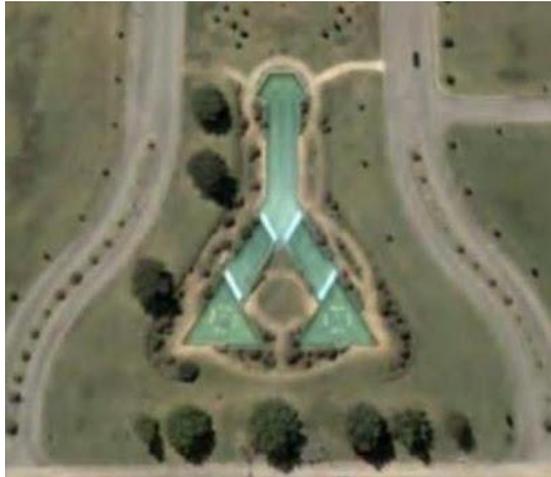

As I was watching the interview, I kept thinking I had heard the name "Oxnam" somewhere before.

And then I remembered--I had previously read an old article in which occult researcher **Fritz Springmeier** had made a reference to Robert Oxnam's grandfather.

A full year earlier, I had come across this research information from Springmeier--articles he had written way back in 1991 in which he made some startling claims regarding a number of well-known Christian leaders who had emerged during the 50's and 60's...who were actually Satanists.

Among a number of other prominent "Christian" leaders I won't mention just yet, Springmeier pointed out **Oral Roberts** and a certain **G. Bromley Oxnam**, a **former (and founding) president of the World Council of Churches (WCC)** during the 50's. Fritz claimed that not only were Roberts and Oxnam occultists...he also made references to their involvement in satanic ritual abuse...the very thing that causes MPD/DID. Oral Roberts was said to have a satanic ritual abuse program going on underneath the landmark "Prayer Tower" right on the ORU campus.

So here we had the 1991 reports from occult researcher Springmeier...that Grandpa Oxnam, an important figure from the mid 20th century, had been involved in Satanism and it's attendant "ritual abuse". Then, lo and behold, his grandson Robert, shows up in 2005 with multiple personality disorder. For me, this was electrifying corroboration.

### <<G. Bromley Oxnam

If, back in 1991, Springmeier was only fabricating these claims of G. Bromley Oxnam's satanic allegiance...then how was Springmeier able to arrange for Oxnam's grandson to emerge over a decade later with telltale symptoms of satanic ritual abuse? For that reason (and a few dozen others) I have, since that time, viewed Fritz Springmeier as a very solid source.

An excerpt from Springmeier's [article](#):

"Oral Roberts, 33° Freemason...has been seen by witnesses participating in SRA [satanic ritual abuse] and Mind-control."

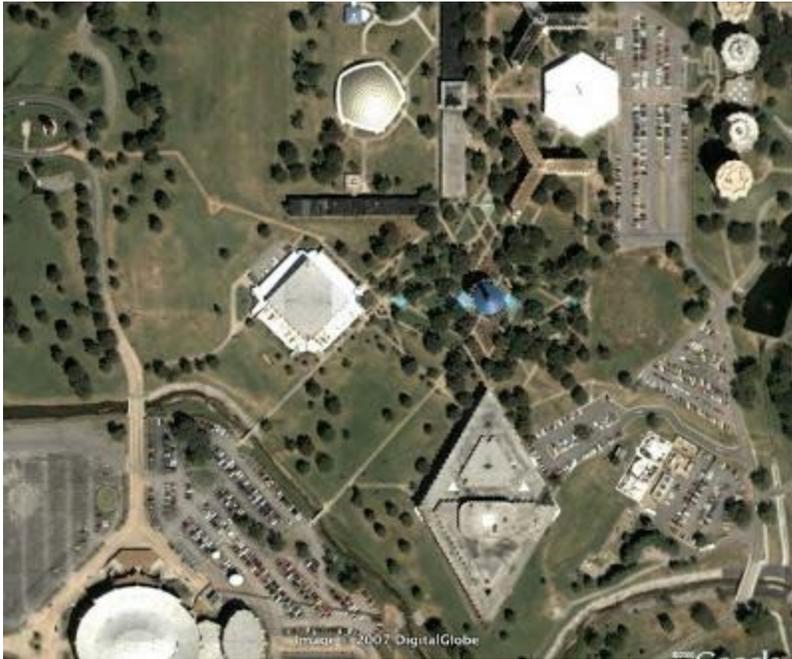

"Under the prayer tower is one of the programming sites."

"Tulsa is...the main center for the campaign to infiltrate Christianity via the Charismatic/ Pentecostal movement with programmed multiples. G. Bromley Oxnam, 33° Freemason, was head of the WCC churches...[and] has a long history to him of working for the elite, interested readers can pick up his story in Be Wise As Serpents"

I don't relish picking on the Charismatics but they have been a favorite infiltration target of the Illuminati. Don't get me wrong--the conservative, non-Charismatics have been jackhammered as well, but...the Charismatics are where the Syndicate has really found a home.

I can tell you at this point in my discovery process that...virtually all of the top tier

'super-slick' TV preachers with the mega-churches, private jets and mansions....appear to be luciferian counterfeits, unless otherwise noted. It's that bad.

#### AERIAL PHOTO EVIDENCE

When you take a closer look at Oral Roberts University symbolism, the evidence begins to accumulate:

For one thing, we see (in the photo below) a ridiculously obvious obscene, phallic-shaped "reflecting pool", smack in the middle of the ORU campus. An astoundingly

brazen indication of satanic allegiance. As you can see, the pool also incorporates a triangle occult symbol.

A wider angle aerial view of the campus manifests innumerable triangles and double triangles. The double triangles can have a dual significance in representing the "Head of Zohar" symbolism.

There is also an assortment of hexagons, pentagons, and octograms (the buildings in the upper right corner)...the octogram being an occult symbol for Venus, the star of Ishtar, another satanic alias.

#### LARGER IMAGE

If the reports of SRA activity under the Prayer Tower are true...and there are a number of firsthand eyewitness testimonies out there [use your "find text in web page" option to locate the particular comments]...

According to survivors of Satanism, satanic rituals are always to take place inside an occult symbol shape, and/or inside a kabbalistic circle--usually double or multiple circles.

Use your own judgment but...this is reportedly video testimony from an ORU survivor. This woman reports also being taken to many military facilities. I've heard this over and over.

#### Play: Satanic Ritual Abuse at Oral Roberts University

From Fritz Springmeier's book "The Illuminati formula used to create an undetectable total mind controlled slave": "Oral Roberts, 33° Freemason, helped into ministry by his masonic brother Billy Graham. Oral Roberts has been seen by witnesses participating in SRA and Mind-control. Oral Roberts University and the charismatic movement is another important religious front. The Charismatic movement has been infiltrated by multiples since day-one. The history of the infiltration is extensive. Oral Roberts had Cherokee blood, According to some things that Oral Roberts has said, some Christians

think that he received his healing powers from an old Indian who healed him through indian shamanism when Oral was young. At times, Oral does use the same methods that spirit mediums use to heal with. According to slaves who have been deprogrammed, they were in satanic rituals with Oral Roberts. Christian ministers, who have participated in his ministry are saying that they have seen massive swindle in his healing ministry. His university is being used as a programming center. His basketball team at one time had Monarch slaves playing on it. We do not know if they still do. Under the prayer tower is one of the programming sites. Billy Graham, a handler himself, helped launch Oral Roberts University, and is a friend of Oral Roberts. From the Illuminati's point of view Tulsa is the Guardian City of Apollo. The City of Faith is to be the center for healing from Aesculapius, a demon related to Apollo.

**Side bar:** **Asclepius** (*/æsˈkliːpiəs/*; **Greek:** Ἀσκληπιός *Asklēpiós* [*askleːpiós*]; **Latin:** Aesculapius) or **Hepius**<sup>[1]</sup> was a hero and god of **medicine** in ancient **Greek religion** and **mythology**. Asclepius represents the healing aspect of the medical arts; his daughters are **Hygieia** ("Hygiene", the goddess/personification of health, cleanliness, and sanitation), **Iaso** (the goddess of recuperation from illness), **Aceso** (the goddess of the healing process), **Aglæa/Egle** (the goddess of the glow of good health), and **Panacea** (the goddess of universal remedy). He was associated with the Roman/Etruscan god **Vediovis** and the Egyptian **Imhotep**.<sup>[2]</sup> He was one of **Apollo's** sons, sharing with Apollo the epithet **Paeon** ("the Healer").<sup>[3]</sup> The **rod of Asclepius**, a snake-entwined staff, remains a symbol of medicine

today. Those physicians and attendants who served this god were known as the **Therapeutae of Asclepius**.

While portraying themselves as Christians, infiltrators within the charismatic movement are carrying out satanic rituals to get demonic healing powers. Tulsa is one of, if the main center for the campaign to infiltrate Christianity via the Charismatic/Pentecostal movement with programmed multiples." Phillip Eugene de Rothschild informed David Icke of the following about Oral Roberts and his son Richard Roberts, from his own direct experience in the Satanic network of the Illuminati: "Oral Roberts succeeded in hijacking contemporary American Christianity to worship a different Jesus under the power of a different holy spirit. Oral has been (and still most probably is, despite his retirement) an occult priest of the old Sumero-Akkadian mystery religion. Satanism in its most pristine form. Mr Roberts was my occult spiritual mentor and indoctrinator. He has been the closest of friends to my Rothschild family and to Prince Philip... Mr Richard Roberts is a corrupt tele-evangelist from Tulsa, Oklahoma. Richard is now actively enlarging the occult spiritual legacy of his father. Mr Roberts is an occult sorcerer par excellence who is empowering the apostasy of contemporary American and Western Christianity."

**BERTRAND DAILY REPORT *The War For Your Mind & Soul Continues***

**By Capt. Dave Bertrand, Ret.**

**Friends and Associates:**

**The MOST radical Supreme Court Justice, Ruth B. Ginsberg (RBG), is (either) being kept alive by secret advanced drugs the public is not allowed access to, or she is dead and has been placed on ice for an upcoming fake funeral diversion by the Deep State.**

Hillary Clinton put in her two cents with a Tweet reference to the dire need for SCOTUS Ginsberg to stay alive **(just long enough) to keep a Roe v Wade Constitutional Amendment from changing with an upcoming New York effort to codify the 'Reproductive Health Act' to continue killing babies up to the time of birth as a "Woman's Right."**

**Killary said: "There is NO TIME TO WAIT. We must pass the Reproductive Health Act within the first 30 days of the 2019 Legislative Session and codify Roe v. Wade into State law."**

**Therefore....they need for Ginsberg to stay alive, just long enough, when the litigation and decision goes to the Supreme Court, a vote from Ginsberg's death bed.**

Hi Scott, So my husband and I listened to your audio this past Sunday. We set up the audio bible of Revelations and started our oil with essential oils of Frankincense, Myrrh, Rose of Sharon, Rosemary, and Hyssop. Praying to begin the anointing of our home in 7 days we feel our home needs a cleansing. God Bless

**Message** Hello Brother Scott. Currently listening to your latest teaching on anointing oil and I'm interested in this tool for spiritual warfare. One issue you discussed was getting the oil to high places. As a drone enthusiast, I can confirm that a pint could be mounted along with a valve to a DJI Phantom 4 and delivered to any water tower, cliff, roof etc.. Imagine the coverage with four rotors blowing the anointing oil all over a target!  
Thanks for all you do,

**Message** Dr. Scott i just listened to your messages on anointing oil & feel convicted to do this to drive out demons from loved ones & others. I would really want to make sure i am making it correctly. I bought a bottle of virgin olive oil & two 9oz bottles off of ebay with caps. I am planning on pouring the olive oil into the 2 empty 9 oz bottles & playing revelations 8 hours a day over the bottles. My question is do i have to buy frankincense oil to mix with the olive oil? Thank you for any help

**From:** Scott Johnson

No, that is optional but I just found this one which is a blend of a whole bunch of Biblical essential oils which would be great to add in:

<https://www.rockymountainoils.com/oils-of-the-bible.html> I found another company but the prices were a lot more expensive.
