First Do This: How To Pass From Curse to Blessing by Derek Prince

Play: <https://www.youtube.com/watch?v=Nj5xbqgluE8>

Deliverance prayer and PDF with another prayer and extra teaching at bottom of description!!! Derek teaches how YOU can be free from curses that can affect your life. It turns out God has a lot to say about blessings and curses. And there is a way for us to enter into Gods blessing. This message shows 3 things . 1 what the symptoms are of being under a curse, 2 where curses can come from ,and 3 how to be free. It is very practical and down to earth. (I could not find this message anywhere else so I have uploaded it here . The audio is out of sync for a few moments in a few places but it catches up , no audio is missing) contains all 10 parts in one file extra summary and PRAYER AT END OF VIDEO (thanks Mark) The following was transcribed by me (

Mark Bellanco) for the convenience of those who want to recite the following prayer to themselves or others offline which is presented at the end of this video to release persons from curses in the name of the Lord Jesus Christ: From "How to Pass from Curse to Blessing" -- by Derek Prince 4 Principles: Recognize Repent Renounce Resist 7 Steps: 1) Establish a clear scriptural basis. 2) Confess faith in Christ. 3) Commit to obedience. 4) Confess any known sins of self or ancestors. 5) Forgive all other persons. 6) Renounce all contact with the occult and get rid of occult objects. 7) Release yourself in the name of Jesus. PRAYER: "Lord Jesus Christ, I believe that you are the Son of God and the only way to God, that you died on the cross for my sins and rose again from the dead. I renounce all my sins, and I turn to you, Lord Jesus, for mercy and for forgiveness, and I believe you do forgive me. And from now on I want to live for you. I want to hear your voice and do what you tell me. In order to receive your blessing, Lord, and to be released from any curse over my life, first of all I confess any known sins committed by me or by any of my ancestors or others related to me. Lord, I thank you that I believe you have forgiven everything that I confess. And, Lord, now I want to say that I also forgive all other persons who ever harmed me or wronged me. I forgive them all now as I would have God forgive me. In particular I forgive....(name the persons).... Furthermore, Lord, I renounce any contact by myself or any related to me with Satan or occult power in any form or any kind of secret society. Also, Lord, I commit myself to remove from my house any kind of occult object that honors Satan and dishonors Jesus Christ. With your help, Lord, I will remove them all. And now, Lord Jesus, I thank you further that on the cross you were made a curse, that I might be redeemed from the curse and might receive the blessing. Galatians 3:13 (KJV) Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed *is* every one that hangeth on a tree:

And because of what you did for me on the cross, I now release myself from every curse and every evil influence and every dark shadow over me or my family from any source whatever. I release myself now in the name of Jesus. Amen." PDF of a different Deliverance prayer and some teaching here is a link I found. I find it helpful to think of the : "conditions to meet" that they list as possible keys to freedom. If you find one of them particularly applies to you then ask Jesus for help in that area. and then continue with the prayer.. Jesus sets us free.... we dont have to free ourselves first and then He helps us after that. PDF with another prayer and extra teaching

Second: Regarding deliverance what you would need is to go through this session (it is two parts) as many times as necessary till you are not manifesting any signs of expelling demons. He gets into all you need to know this in the video—Play: <https://www.youtube.com/watch?v=HsVLS89YkVA&feature=youtu.be>

After that if you feel like you still need more help you will be in a much better position to proceed with further deliverance one on one. ....through their country and our Southern Border. Mexico has for many years made a fortune off of the U.S., far greater than Border Costs. If Mexico doesn't immediately stop ALL illegal immigration coming into the United States through our Southern Border, **I will be CLOSING.....**

11:37 AM - Mar 29, 2019

Comment: Wow I was not aware the Mexico US border was ever open under Trump!!! I'm glad Trump is finally threatening to close our open borders!!! Hey it's just three years since he made that the primary aspect of his campaign promises. This is from a report almost two years old!!:

Here are some key campaign promises he made to his voters:

- 1.) Drain the swamp of the Washington political/global elite.
- 2.) Investigate Hillary and 'Lock Her Up' (Remember?).
- 3.) Repeal and Replace Obamacare with a better healthcare plan.
- 4.) Build the wall and have Mexico pay for it.
- 5.) Get tough on illegal immigration.

One by one the President has just about broken all his promises and it's not even been 100 days since he took office.

But statements like his tweet above are what keep his base asleep and appeased. Personally I was not aware the border was open for business until I read this tweet. I must of missed something as I thought our borders were just that, A BORDER!!!, and not something that has been open all along!!!!!! But hey when you sign legislation like the one listed below you have given the ultimate green light for ALL THIS TO HAPPEN!!

++ There is now an unprecedented surge of illegals all around us! Interior arrests of illegals in the USA is down under Trump's administration below Obama & Bush levels because agents have been diverted to the border to help assist the fake asylum seeker illegal aliens to enter the US!!! The illegals are almost all being

processed and brought into the USA to roam freely among us at taxpayer expense, and the number of Unaccompanied Minors (UAC) is skyrocketing as expected after Trump signed the sneaky amnesty provision in the unread budget bill of February 15, 2019! President Trump lied to the nation today by falsely claiming his administration stopped multiple illegal alien caravans, when in truth, he let them into the USA.

Speaking for 40 minutes, he never mentioning he just signed the dastardly and secretive budget bill which incentivizes illegal immigration and child trafficking. Trump just signed into a law a bill that 99% of Americans know nothing about which contains Amnesty for millions of illegals, incentives for child trafficking, an

expansion of Trump's deadly catch and release policies, less detention space for illegals, reductions of interior immigration law enforcement, new buildings and buses to bring more illegals into the US, raising of legal immigration levels, a measly 1.3 billion for border fences, and severe restrictions on where border barriers can be built.

Trump lied without challenge from the media when he claimed they were stopping caravan illegals from entering America, when in truth Trump is letting the caravans in, which inspires more larger caravans to form. ([View documentation 1](#)) .. ([View Documentation 2](#))

Trump wore a Democrat blue tie and paraded Angel Families who have lost loved ones to illegal immigration crimes after signing a bill that will increase both illegal immigration and the number of Americans killed by illegals.

Trump obfuscated and talked about trade agreements, law enforcement, the border, and his plan to declare a state of emergency for more than 40 minutes ([View Video](#)), but never admitted to the national audience that he signed the budget bill that a majority of his supporters despise.

"I know without a doubt that President Trump is a liar, he is deceptive, and intentionally manipulating his supporters to lead them to their own doom through Amnesty for millions of illegal aliens. Trump is a Judas Goat!" said [William Gheen](#), President of ALIPAC. "It is clear to me that Trump is not the man he campaigns to be and he is complicit in passing a major policy bill in a disgusting way that prevented 99% of Americans from learning what is in the bill until after he made it a law, just like Obamacare. In truth, Trump shares Obama's tactics and immigration positions. The American patriots who see through Trump's lies and those who are upset by his signature on the Amnesty budget bill today are the Americans we want to represent and give voice to at ALIPAC."

Comment: Also Trump just did this but ask yourself does this cancel out or undo all the horrible things he set in motion regarding what we just covered: [TRUMP CUTS AID TO EL SALVADOR, GUATEMALA, HONDURAS](#) A U.S. House Appropriations Committee aide estimated that around \$700 million of aid was affected. **Comment:** So will this stop these caravans? Well stopping this aid does nothing to disincentivise the illegal aliens coming who will all be citizens if they can just make it over the border, it only penalizes 3 different countries where some of the illegal aliens are coming from. What if they are getting more than 700 million from George Soros or what if he can match the 700 million they won't be getting, problem solved.

America and Americans are now in a fight for our lives! Our job is to make this the biggest issue of the 2020 campaign and the battle cry of our candidates needs to be "Don't let these illegals into America in the first place and remove the ones already here! Illegals go home!" Please check <https://www.alipac.us/> daily for the latest on this horrific situation and what proactive things we can do to fight it. But not even Trump's proposed wall could stop the wave of migrants overflowing shelters in the Rio Grande Valley, **where the vast majority are turning themselves in to apply for asylum**, McAllen Mayor Jim Darling said.

A wall would go up on levees about a mile from the winding Rio Grande, which is the U.S.-Mexico border **but the reality is all the illegal aliens have do is to cross the river to be in U.S. territory and seek asylum.**

Increasingly, smugglers are bringing larger numbers of families together and delivering them across the Rio Grande, knowing they'll overrun facilities and be released until their immigration court date, she said. Under U.S. law, Border Patrol is not supposed to hold any migrant for longer than 72 hours.

Usually, Border Patrol hands them over to Immigration and Customs Enforcement, which can detain families for up to 20 days. But all of those facilities are overcrowded, Brown said, leading Border Patrol to skip the transfer to ICE and release migrants to shelters en masse.

"This is a system-wide collapse," she said.

Senators Lindsey Graham (R-S.C.) and Dick Durbin (D-III.) have introduced the Dream Act, S. 874. If passed, the bill would grant amnesty and lifetime work permits to more than 2 million illegal aliens who meet certain requirements.

This means we have Dream Act Amnesty H.B. 6 in the house and S. 874 in the Senate! ALIPAC is launching the new tier of our strategy to stop these bills, but we must have your help today.

Take action today by...

1. Get back on the phones to the GOP offices in the US Senate today to oppose Dream Act Amnesty S. 874 + HB 6! Use our previous activism alert for your messages and numbers at...

<https://www.alipac.us/f8/wave-angry-...d-asap-370479/>

If you oppose Amnesty for millions of illegal aliens and the permanent open borders and Democrat/Socialist dominance it will bring to America, then we need

you to call as many of the 53 GOP Senators in the US Senate to say:
"I am a Republican/conservative and I will never vote for any Republican like Senator _____ who supports or votes for Dream Act, DACA, or Immigration Reform Amnesty for illegals like Senate Bill 874 and House Bill 6! If _____ wants to lose in the next election, voting for Amnesty for illegals is a campaign killer. Representing illegal aliens instead of US citizens is taxation without representation for US citizens. Oppose HR-6 + S. 874 and any form of Amnesty or legal status for all illegals!"

Trump is telling Dems he will sign the bill at this time. (view source)

Once you are making calls to the 53 Senate Republicans, please share this alert by email and on social media to encourage others to join us. Medical Police State In Arizona--Armed SWAT Team kick down door to remove unvaccinated 2-year-old with a fever (that had subsided)—CPS took all three

children at the residence— Parents in court trying to regain custody!!!!!!!

The child, media reports say, is “unvaccinated,” which of course now justifies all the insane violence and gunplay demonstrated by police. The police also kidnapped another child from the same home and have not yet returned the children to the

parents.

This violent raid that destroyed the front door of the home and subjected the entire family to being psychologically **terrorized by police follows in the footsteps of Rockland County, New York declaring medical martial law a few days ago, threatening all unvaccinated children and teens with arrest and six months in prison if they dared step foot on a public sidewalk or even go to school or church.**

In New York, the insane medical fascists demand you remain a **prisoner in your own home**, while in Chandler, Arizona, **they raid your home** and break in your front door, justifying it all with some absurd claim that “an infant has a fever.”

We also wonder if infants with fevers pose a threat to Arizona that justifies the same level of mass hysteria that seems to go along with every media report about measles, vaccines and influenza. It seems only a matter of time before “fever raid squads” start carrying rifle-mounted grenade launchers and flamethrowers in order to “flame out the fever” before it can spread and become what the World Health Organization deems “a public health threat.”

In a society where **hate crime hoaxer Jussie Smollett has all charges against him dropped; where Barack Obama goes free after waging an international money laundering scheme to funnel nuclear weapons capabilities to Iran; where Hillary Clinton commits treason against America by destroying top secret evidence and accepting hundreds of millions of dollars in bribes from wealthy international oligarchs & tortures rapes and eats children for fun; but the only danger that can be identified by the police in Chandler, Arizona is a toddler with a fever.**

Under the medical police state that now threatens health freedom across this entire nation, “authorities” in Arizona just flat-out kidnapped these children after staging an armed raid on the home of the mother. “[A]uthorities have yet to return the children to their parents,” reports Breitbart News.

No doubt by the time the children are returned, they will have been forcibly vaccinated at gunpoint by the lawless State. If they are then made autistic by the toxic vaccine ingredients, state authorities will blame it all on the mother, telling her, “It’s your genes that caused it.”

Personally, I hope this mother — Sarah Beck — sues the Chandler police, the doctor and Child Protective Services for a billion dollars for being terrorized at gunpoint by **armed vaccine enforcer goons. (See VaccineWars.com for more stories from the front lines of the armed medical police state carrying out a vaccine holocaust across America.)**

I also offer this warning to police across America: As much as I support local law enforcement in general, this sort of nonsense is exactly what’s **going to get you shot and killed by homeowners in self-defense.** How will that look on your grave, by the way? Here lies Sgt. Know-It-All. Shot and killed by the father of a toddler who had a fever.”

Maybe you should save your armed raids for the people who actually deserve it, The real story here is one you probably don’t even want to know. It is well known across the realm of independent media investigators that Child Protective Services is actually a child kidnapping and child trafficking front. In Arizona and elsewhere, these children are kidnapped by bureaucrats, then raped, molested

and sometimes sold off to pedophile buyers who hold them captive, to be used as sex toys.

C.P.S. offices are the front for the child kidnapping / trafficking rings throughout Arizona and across the USA. Trafficking is heavy near the open U.S. border, too, where Central and South American children are kidnapped, then trafficked into the USA to be auctioned off to wealth Left-wing pedophiles and perverts who abuse the children for years before having them snuffed out.

If you have a hard time believing any of this, consider the revelation of “John of God,” the so-called “healing guru” from Brazil who was recently arrested and charged with multiple felony sexual assaults. **According to witnesses and police, “John of God” — who was heavily promoted by Oprah, by the way — ran a child sex slave factory operation** where he would kidnap women, rape them, force them to have babies, then auction off the babies for profit, then have the mothers murdered after they produced a sufficient number of babies for sale.

Maybe instead of denying the sickening reality of what’s going on in the world, you should open your eyes and face the truth: Human trafficking is rampant in the Southern U.S., and corrupt politicians and devils in government hope to keep it going because the open border is their pathway for recruiting new left-wing illegal voters. So they look the other way on child trafficking, drug trafficking and human trafficking just to make sure they can stack the next election with illegal votes

[Planned Parenthood aborted babies being used to make 27 different vaccines](#)

Some 27 vaccines, in fact — and hundreds more on the way — contain some form of aborted human fetal tissue, whether it be cellular debris, protein, or DNA. Beyond those vaccines aforementioned, these include vaccines for polio, shingles, ebola, HIV, tuberculosis, malaria, and influenza. And sad to say, most parents have no idea that these ingredients are being injected into their children. The leftover components of abortions are being injected directly into children's bodies, just as they have been for several decades.

And contrary to popular belief, these cell lines are not immortal, nor do they persist. They must continually be replenished or replaced in order for vaccines to work, which means more aborted babies. In order to obtain the “best” specimens for a specific cell line, in fact, sometimes several dozen aborted babies must first be hacked up and tested in order to find the “right” one.

It's a sick display of barbarism that's purposely kept from the public eye because, if more people knew this was happening, they wouldn't partake of vaccinations. Because the industry relies upon near-total compliance with vaccine mandates, this simply wouldn't fly, hence why you probably won't be hearing about aborted human fetal tissue in vaccines on the nightly news anytime soon.

[Congressman Dr. Mark Green raises alarm over CDC fraud and health dangers of vaccine ingredients – NaturalNews.com](#)

Dr. Green pointed out that autism rates have been climbing alongside vaccine numbers. Indeed, autism cases are skyrocketing in the U.S., rising by 30,000 percent since the early '80s. Children who adhere to the CDC's recommendations will get 70 doses of 16 vaccines, a figure that has nearly quadrupled since that time. These days, one out of every 36 children aged 3 to 17 are autistic.

[New York Bill Would Strip Parental Consent for Vaccinating Children](#)

As it applies to vaccination, several states already use the “mature minor” doctrine to give minors the right to make vaccines decisions and other decisions about medical interventions **without parental knowledge or consent.**

So far, the rights of minors to seek and receive vaccination varies from state to state.⁸ For example, the State of Washington has been using the recent outbreak

of measles to invoke the mature minor policy. Similar laws are in place in Alaska, Arkansas, Alaska, Arkansas, Delaware, Idaho, Illinois, Kansas, Louisiana, Maine, Massachusetts, Montana, Nevada, Oregon, Pennsylvania, South Carolina, Tennessee and West Virginia.⁹

Expanding that slippery slope, a new bill has been introduced in New York that would permit minors 14 years of age and older to be vaccinated without parental permission.¹⁰ Using the 215 cases of measles reported in New York this past winter as a justifiable cause, State Senator Liz Krueger and Assemblywoman Patricia Fahy have introduced bill S. 4244/A. 6564 proposing to allow children older than age 13 to ask for and receive any of the vaccines in the Public Health Law.

Risks Associated With Measles Vaccination

While acknowledging that measles is very rarely fatal, the bill rationalizes stripping parents of the right to make vaccination decisions for their minor children by citing an increased risk of complications from vaccines and infectious diseases for those with leukemia or otherwise compromised immune function. What is not discussed is the very real risk of a serious adverse reaction to the vaccine.

Measles vaccination is not available as a single vaccine but is only given in combination with mumps and rubella (MMR) and sometimes with varicella (chickenpox) as well (MMR-V). Reactions reported for both combination vaccines have included brain damage, coma, chronic seizure disorder, lowered level of consciousness and loss of hearing.¹² As reported by Merck in the measles, mumps and rubella virus vaccine, live (MMRII) product insert, post-marketing surveillance data disclosed the potential for other serious complications^{13 14}.

A partial list includes:

- brain inflammation (encephalitis) and encephalopathy (chronic brain dysfunction);
- syncope (sudden loss of consciousness, fainting);
- pancreatitis (inflammation of the pancreas);
- diabetes mellitus;
- anaphylaxis (shock);
- bronchial spasms;
- pneumonia;
- arthritis and arthralgia (joint pain);
- polyneuritis (inflammation of several nerves simultaneously);
- measles inclusion body encephalitis (disease affecting the brain of immunocompromised persons);
- subacute sclerosing panencephalitis (fatal progressive brain disorder caused by exposure to the measles virus);
- Guillain-Barre Syndrome (GBS)(disease where the body's immune system attacks the nerves);
- aseptic meningitis;
- Stevens-Johnson syndrome (severe reaction causing the skin and mucous membranes to blister, die, and shed);
- nerve deafness (hearing loss from damage to the inner ear);

- otitis media (ear infection);
- retinitis (inflammation of the retina of the eye);
- optic neuritis (inflammation of the optic nerve);
- ocular palsies (dysfunction of the ocular nerve);
- death.

Right now, proponents of the New York bill to allow minors to get vaccinated without parental knowledge or consent are focusing on teenage children. **This precedent will set the stage for lowering the age of consent even further in the future.**

If states are going to strip parental rights with regard to vaccination, then vaccine manufacturers should be held liable for any harm caused by vaccines. Why not just ship us all off to a concentration camp? What does "freedom" mean any more? If children and adults are being forcibly vaccinated, we no longer live in a "free" county.

+4+ [Door-to-door gun confiscations begin in New Zealand; one gun owner already dead, with thousands more targeted by armed government thugs](#)

If you want to know what tyranny looks like in a "democracy," just turn your gaze towards New Zealand, where liberal tolerance and acceptance has been replaced by anti-gun zealotry and authoritarianism, thanks to a staged false flag attack.

***The Truth About Guns* [is reporting](#) that, according to the country's [biggest firearms forum](#), Kiwi cops are now going door-to-door to gun owners' places of business, their homes, and even gun ranges "in an attempt to gather information and get gun owners to relinquish their firearms."**

Pay attention, Americans — because even if you don't own a gun, these are tactics [tyrannical Left-wing Democrats](#) will employ to force us all to live a certain way [if they are ever empowered enough](#).

The Truth About Guns noted further that [according to Stuff](#), a site that "appears to be the New Zealand equivalent of *The Patch*," **a former Russian soldier who was concerned about going back to prison "tried to call his son before dying of a suspected suicide following a three-hour standoff with police."**

The report noted that family members of 54-year-old Troy Dubovskiy told the news outlet that police began looking for him after they searched his St. Martins property in the suburbs of Christchurch earlier in the week.

“Police acted on information from a public nark,” Stuff reported, adding: *Dubovskiy’s 16-year-old son, who Stuff has decided not to name, said police searched the homes of his father, mother and grandparents after someone reported a photo the teen made his profile picture on Facebook five days ago. The photo, which he first posted to Facebook several years ago, shows the teen holding a replica rifle and wearing a Russian helmet. The teen used the equipment along with his father while playing Airsoft, a team sport where people shoot each other with pellets using replica guns.*

During a search of the home, police found a blank pistol, an airsoft rifle, and an SKS carbine; the latter is now illegal under the new “assault rifle” ban.

[The UN Has Taken Over New Zealand and We Know Why...”. New Zealand is in the process of remaking itself as a newly-orientated version of Communist China with strong Muslim overtones.”...\(\)](#)

People from New Zealand are disappearing from my website. The loss of readership from this country, alone, is staggering. And now I know why. New Zealand is censoring, Chinese style, anyone who is conservative. New Zealand is in the process of remaking itself as a newly-orientated version of Communist China with strong Muslim overtones. New Zealand will be overrun very soon with overwhelming numbers of Muslim immigrants along with a very repressive government.

Dear Dave Hodges I am presently on a business trip to Vietnam. I can view your website and read everything you have posted. However, my wife back in New Zealand cannot access your site... Your YT channel is not accessible at all. We are all seeing UN officials in our businesses and around our politicians.... In short, conservative talk show hosts such as yourself are being banned from our internet. We are being turned into Nazi Germany. Everything conservative is now illegal....

And there is a second email that is noteworthy.

Dear Dave, I wanted you to know that you are being banned in New Zealand. I am presently in Hawaii and I could not access your platforms as recently as this past Sunday I was in New Zealand. It is clear that our government has been overtaken by the UN. They are everywhere. One show said the UN is here for provide aid and comfort in the aftermath of Muslim murders. I am deep disturbed that John Podesta and the UN were in our country prior to the event an so many of know this. Our government in a few short weeks has become so repressive. They want throw people in prison for accessing information on the internet that they consider harmful to the country. We are not allowed to watch the shootings on video. We cannot read the manifesto. We have been told not to talk about his

event. It is my belief that a coup has been created for the purpose of taking over our political figures so they can control policy...

Comment: These are two more reports I have received from my New Zealand listeners since my last broadcast:

Message: I live in NZ.. I feel like the people here are totally blind to what is really going on...When I told people last Friday I would not bow down to Allah by putting on headscarf and listening to Allah prayer..when they wanted 2min silence out of respect for victims of mosque shooting.. I got told off..I don't care as My God is bigger than theirs...no one wants to listen to the truth..it is like God has put shutters on their eye's..people are saying how wonderful Islam is...My granddaughters school last year was flying the crescent moon flag..as they had teachers visiting from Saudi Arabia..at the time I felt very uneasy about this..as it was a public school..God Bless....

Hi Scott,There are no words to describe the video in the link. I'm almost ashamed to call myself a New Zealander. My Parliament willingly submitting to the moon god allah, while banning the Savior. This disgusts me. It's lit a righteous rage within me.

Regards, Simon

....Finally, I received another communication from a person in New Zealand who I somewhat know. They sent me the following front page image from a major New Zealand Newspaper. **It is clear that New Zealanders are being pushed toward accepting massive Muslim immigration. Just before receiving these emails, I was obtaining information that was highly suggestive of the fact that the UN was taking over the country of New Zealand. It is apparent that the elites are also moving many of their hideaways to this country as well.**

I have had some personal experience with New Zealand. I once looked at a job opportunity there only to be told **I would "have to lose the conservatism in the States". Needless to say, I did not pursue the job.**

New Zealand is witnessing a complete fascist takeover. Extreme censorship, draconian penalties and gun confiscation are all at work, as well as a United Nations takeover. Also included seems to be a government transformation from being a western nation to a Muslim nation, with the public conversion of many elites to Islam. The why behind this appears to center around the fact that New Zealand is a main refuge from WWII for the elites.

Islam Has Massacred Over 669+ Million Non-Muslims Since 622AD

In fact, no ideology has been as genocidal as Islam...

[External Source](#)

March 8, 2016

Islam has killed more than 5 times the number of people killed by communism.

The number of Christians martyred by Islam in Africa is 9 million [David B. Barrett, Todd M. Johnson, *World Christian Trends AD 30-AD 2200*, William Carey Library, 2001, p. 230, table 4-10] .

A rough estimate by Raphael Moore in *History of Asia Minor* is that another 50 million Christians died in wars by Islamic jihad.

80 million Christians killed by Muslims during 500 years in the Balkan states, Hungary, Ukraine, Russia.

So if we add up just those three figures we have 139 million Christian's slaughter by the religion of peace Islam!!!

Also we have the Muslim decapitation of 1.5-2 million Christians in Armenia. This genocide was marketed by the Grand Mufti al-Hussaini to Hitler and the Nazi's, and was adapted for the Jews – which ended up creating the holocaust. Prior to being associated with al-Husseini, Hitler had not committed arrests or persecution of the Jewish people. The genocide was initiated after Hitler's association and collaboration with Muslims and their jihad army offered as Nazi collaborators.

Source

Then we have India. The official estimate number of Muslim slaughters of Hindus is 80 million. However, Muslim historian Firistha (b. 1570) wrote that Muslims slaughtered over 400 million Hindus up to the peak of Islamic rule of India; bringing the Hindu population down from 600 mil to 200 million at the time.

With these new additions the Muslim genocide of non-Muslims since the birth of Mohammed would be over 669 million murders.

Think the KKK has been bad since 1950?

- Islamic terrorists murder more people every day than the Ku Klux Klan has in the last 50 years

Think the KKK was bad from 1865-1965?

- Islamists killed more Buddhists in Thailand since 9/11 than the KKK killed in the 100 YEARS from 1865 to 1965.

Think the IRA's terror campaign and the sectarian violence in Northern Ireland was bad?

- More civilians were killed by Muslim extremists in two hours on September 11th than in the 36 years of sectarian conflict in Northern Ireland

It's actually much worse than that: MORE PERSPECTIVE: Tears of Jihad

- In fact, no ideology has been as genocidal as islam...
- Nor has any ideology been so bloodthirsty for so long. For centuries...
- Nor has any ideology ever been as anti-liberty, anti-democracy – or as anti-woman.

It's time it was stopped. For good.

**Pennsylvania aims to crack down on LEGAL gun owners with state registry!!!!
Registration Always Precedes Confiscation!!!!**

Mar 19, 2019 A new bill referred to as the 'Firearms Registration Act' would require all Pennsylvania gun owners to register their firearms with the Pennsylvania State Police.

The proposed law was introduced by Democrats Mary Louise Isaacson, Angel Cruz and Mary Jo Daley last week.

According to the measure, if passed, every citizen in possession of a gun would be required to be fingerprinted, provide two photographs that are no older than 30 days old and would have to go through a background check for each firearm that they own.

The registry would be compiled in an application containing of all of the owner's personal information, such as their home and work address, phone number, sex, age, and social security number as well as the make, model, and serial number of the firearm. If the owner's application gets denied

by the State Police, the owner would then have 10 days to file an appeal. If they fail to do so within the time limit, their gun ownership rights would be forfeited. This bill would make it a punishable offense to sell, transfer, or be in possession of an unregistered firearm.

FIREARM REGISTRATION ACT: Bill would require all gun owners in Pennsylvania to register their guns every year <http://bit.ly/2F5njmL>

The measure also calls for tight control on how guns are stored within a home. Guns must be unloaded and disassembled or must be guarded with a trigger lock, even in a home with no children.

Additionally, the bill states that any change in address or job must be communicated to the Pennsylvania State Police within 48 hours of the change. Failure to do so could lead to prosecution.

With each firearm requiring an application and authorized certificate (which costs \$10 per gun and expires every year), gun collectors with large quantities of guns could run into trouble.
