### [Easter/Ishtar: Paganism Repackaged](#)

By [Dr. Scott Johnson](#) | April 8, 2007

In this teaching we will be focusing on the history of Easter, exploring its disturbing undeniable Pagan roots. To be objective I have endeavored to garner input from not only Christian sources but also Catholic and Pagan sources as well; and as you will see all three sides are in agreement as to Easter's Pagan origin and history. We will explore exactly when the holiday of Easter was incorporated into the Roman Catholic Church at the Council of Nicaea in 325 AD; whereby this practice then started to permeate and leaven many other branches of Christianity.

Of further note we will prove how the date of Easter is always determined by (the Biblically forbidden practice of) Astrology and this is why its date changes every year as a result. If this were the true date of the Resurrection of Jesus Christ, HOW COULD IT CHANGE? We will also be looking at Easter's close ties to Pagan

goddess known as Ishtar and the specific associations and practices of Easter like: The Easter Bunny, Colored Eggs, Lent, Ash Wednesday, Hot Cross Buns, Spring Break, The Easter Ham, Wicker Easter Baskets, Easter Sunrise Service, Mardi Gras, etc. . . .

Lastly we will explore why only the King James Version translates the Greek word "pascha" to "Easter" (instead of "Passover") in Acts 12:4; and how this is one more proof of the superiority of the Authorized King James Version.

[MUSLIM SUICIDE BOMBERS STAGE SAVAGE EASTER SUNDAY ATTACK...8 EXPLOSIONS...207+ DEAD...500+ INJURED...Blasts hit Sri Lanka churches, hotels...](#)

207 people were killed and over 500 were injured when suicide bomb **blasts** ripped through buildings in Colombo - where tourists were eating breakfast and Christian worshippers had gathered for morning mass.

A manager at the Cinnamon Grand said the attacker there set off the explosion when the restaurant was full, after queuing for the breakfast buffet.

A terrorist checked in under a false address and name - Mohamed Azzam Mohamed - saying he was in Colombo on business, and was just about to be served when he set off the explosives strapped to his back.

Hours after the first six were reported, there were two more fatal blasts in the city - an explosion at a hotel in Dehiwala which killed two, and another in a flats in Dematagoda which reportedly killed three police officers and led to arrests, taking the shocking attacks up to eight.

All of the six explosions this morning - as Christians attended Easter mass - were carried out by suicide bombers, according to initial investigations.

Sri Lanka's minister of defense said in a press conference: "We believe that all the culprits who have been involved in this unfortunate terrorist incident will be taken into custody as soon as possible. They have been identified, and they will be taken into custody as soon as possible."

He later confirmed seven people have been arrested over the string of deadly blasts - one of whom is said to have been stopped in a van transporting explosives to the city. Shocking images from inside one of the churches show bloodied pews, a destroyed roof and bodies scattered on the ground - as all Easter services planned for this evening in the city were cancelled.

[This Ishtar/Easter Sunday, it's time to tell the truth about the global war on Christianity \(and the rise of Satanism\)](#)

Sunday, April 21, 2019 by: [Mike Adams](#)

[\(Natural News\)](#) In case you haven't heard, Christian churches are being bombed all over the world today by radical Islamic terrorists. In Sri Lanka alone, there are 207 Christians reported dead so far and 450+ injured in just one day. This is just days after the burning down of Notre Dame in France, a fire that the media has

gone to desperate lengths to report was *not* set on purpose by Islamic terrorists. (They are now blaming a computer glitch, if you can believe that.)

Across the Middle East, in places like Syria, Christians are being persecuted by the hundreds of thousands. They are killed, tortured and run out of their own homes and countries. Even in places like the Philippines, Islamic terrorists have seized entire islands and targeted Christians for slaughter.

In the United States, Christians are being systematically de-platformed off all social media platforms, including Twitter, Facebook and YouTube, all of which are now dominated by Satanists who despise Christianity. At the same time, every single Democrat running for president in 2020 has a record of attacking Christianity and either directly or indirectly supporting the silencing of Christians and Christian principles.

Christianity is under attack like never before, all across our world. Yet the left-wing media pretends it isn't happening. Instead, they claim it is gays, minorities or Muslims who are under attack, and that same media now essentially equates belief in God with "white supremacist" beliefs.

There is a global war on Christianity, and those who are waging it are quite literally the minions of Satan

**It's time** to call out the satanists wherever they are found across society: Running universities, media organizations and deep state bureaucracies. Satanism is endemic in Hollywood and the music industry, and Netflix has even been overtaken by Satanism as is now abundantly clear with its hiring of Satanists as "consultants" for its popular "Sabrina" show that features a "teenage witch" who worships the devil to gain power in modern society.

As [LifeSiteNews.com](https://www.lifesitenews.com) reports:

*In [the Netflix show], the Sabrina character is called to sign her name in the Book of the Beast. There are demons. Evil spells. Orgies. The show is so satanic in its feel that the Satanic Temple itself is talking about taking legal action against the program for allegedly appropriating the copyrighted monument design of its goat deity Baphomet.* Beyond just Netflix, all the big tech giants are run by Satanists, too. Wikipedia, for example, relentlessly attacks Christianity (and natural medicine, by the way) while allowing pro-Satanism content to dominate its pages. It was founded by Jimmy Wales, a former "porn king" who uses the power of Wikipedia to bury his own past while allowing the platform to function as a smear engine for pastors, healers and journalists who promote GOOD instead of evil.

Jack Dorsey, CEO of Twitter, is steeped in evil, demonstrating fascist tendencies in every decision he makes regarding the de-platforming of targeted channels. Those banned from Twitter include people who quote Bible scripture. Jack Dorsey personally oversees many of these bans, carrying out literal orders from Satan to silence those who share the word of God.

Jeff Bezos' Amazon.com bans books and movies that tell people the truth about vaccines, America, God and more. But the same online retailer openly sells satanic books with chapters on "teenage Satanists" and "animal sacrifice." As reported by Natural News:

*Amazon is happily selling books that promote Satanism, including a book titled, "Satanism: A Beginner's Guide to the Religious Worship of Satan and Demons Volume I: Philosophy," published by "Devil's Mark Publishing." You can see the book [at this Amazon.com link](#).*

**Google is also pro-Islam and anti-Christian, as is abundantly clear by Google's celebration of Islamic holidays and its suppression of Christian websites, videos and content. The people who work at Google hate the very idea of God, with many of them (like Rey Kurzweil) believing that machines are God and hoping to one day merge with those machines by claiming to be able to upload their souls to computer chips (transhumanism).**

**All the tech giants use the Southern Poverty Law Center — an anti-Christian, left-wing hate group — as the arbiter of "hate." And the SPLC hates God, Christianity and America.**

**Also the entire abortion industry functions largely as a child sacrifice temple, allowing worshipers of Satanism to carry out demonic rituals under the cover of "women's health." Many Planned Parenthood workers are practicing Satanists, and they pray to Satan as part of their child murder rituals.**

One Planned Parenthood director recently admitted to running “a Satanic pedophile ring.” As [Newspunch.com reports](#):

*A former Planned Parenthood director has admitted that the organization is really a front for a Satanic pedophile ring in which abortions are seen as ‘demonic rituals.’ In an interview with the Daily Caller News Foundation, Ramona Trevino revealed that staff members have quotas for abortions so that they can use the aborted fetuses for sick Satanic rituals.*

The desire to murder babies in the name of Satan is so prevalent among Leftists / Democrats that the Governor of North Carolina just vetoed a bill that would require health care for babies born alive after failed abortions. You can almost hear Gov. Roy Cooper screaming, “Let them DIE!” as he licks his lips to lap up the blood of children murdered in the name of Satan.

A short list of the institutions which are now run by Satanists who despise God and Christ

Satanism has invaded and infected nearly every institution in modern society:

- The Democrat party and ALL Democrats running for president.
- Hollywood, Netflix, Amazon Prime and all of the dominant streaming content producers.
- The pop culture music industry.
- Amazon, Google, Facebook, Twitter, Instagram, YouTube and all the tech giants.
- Modern medicine, which feeds on baby parts while pushing vaccines that contain aborted human fetal tissue (turning every vaccine into a cannibalism blood ritual).
- The Vatican and the Pope, who is a direct servant of Satan.
- The LGBTQ activist community, which pushes pedophilia and the destruction of the Church because the Church teaches that homosexuality is unclean. (But don’t you dare mention the epidemic of anal cancer that’s spreading across the LGBT community like wildfire.)
- Every level of government, from local city councils to the federal deep state in Washington D.C.
- The children’s books industry, including the Harry Potter series.
- The global banking cartels, which are all owned and run by pedophiles and child blood harvesters.
- The institution of “science,” which has become fanatical in its push to vaccinate children with the blood of other children. (Vaccines contain WI-38 and MRC-5 cell lines, which are derived from aborted human babies, as is admitted by this CDC official document).
- Universities and public schools.
- The open borders advocates who need the borders to stay open so they can continue to traffic human children who are used as sex slaves and child sacrifice rituals by wealthy Democrat donors (and other sickos, like tech elitists and science “skeptics” who push medical child abuse).

**What you can do to stay informed and defend the Word of God**

Too many churches in America are teaching watered-down scripture that’s afraid to teach the real word of God.

There are also many courageous Christian video channels on [Brighteon.com](https://www.brighteon.com), the free speech alternative to YouTube.

Make no mistake: Modern human civilization has been overtaken by demonic forces who are at war with God and humanity. At least half the population has now been overtaken by demonic influence (probably much more) and are actively working to destroy human life (babies, etc.), individual liberty, national sovereignty, all white people, all Christians, etc. Every person who promotes infanticide and post-birth abortion, for example, is an actual demon in human form. They are quite literally no longer human. They are demons pretending to be human.

Watch my all-important Counterthink episode to learn the full truth about “demons in human form.”

Be prepared, both physically and spiritually. According to some, we have already entered “End Times” scenarios, and we are watching the rise of the demonic Left and soon, the Antichrist. This Antichrist will pretend to be a global messiah who promises to heal the world and end war and conflict. In truth, he is the embodiment of Lucifer, and he will deceive billions into following him as he leads humanity toward destruction.

Even many Christians will be fooled and will surrender their souls to his influence. Watch for more signs of the emerging Mark of the Beast, the global persecution of Christians and the rise of global government. These are all signs that the end game is approaching.

Just days after Border Patrol apprehended 1,800 illegal immigrants in one day, the government of New Mexico and the ACLU are criticizing a citizen group patrolling the border.

“It should go without saying that regular citizens have no authority to arrest or detain anyone,” New Mexico’s Democrat Governor Michelle Lujan Grisham told the [New York Times](https://www.nytimes.com).

She also said it’s “completely unacceptable” that migrant families “might be menaced or threatened in any way, shape or form when they arrive at our border.”

Meanwhile, the American Civil Liberties Union (ACLU) of New Mexico sent a letter to Governor Grisham and Attorney General Hector Balderas on Thursday asking for the group of patriots voluntarily patrolling the border to be investigated.

**[Freemasonry Officially Admits That The Luciferian All-Seeing Eye Symbol On The Back of the One Dollar Bill Is Masonic!](#)**

Shown above are the two new Masonic 'World Conference' Commemorative coins. The unfinished pyramid, of course, is copied directly from the symbols on the back of our One Dollar Bill. Let us see what official Freemasonry is saying about these symbols.

**NEWS BRIEF: ["Own a Limited Edition World Conference Commemorative Coin Today!"](#), Freemasons of the Nation's Capitol, **March 28, 2008****

"Now is your chance to own a piece of Masonic history. For the first time ever, the World Conference of Grand Lodges is being held in Washington D.C. This limited edition coin has details of the World Conference logo on one side and the much talked about "**Novus Ordo Seclorum**" and unfinished pyramid, as seen on the back of the U.S. one dollar bill, on the other."

Notice carefully the meaning behind this first sentence:  
"Now is your chance to own a piece of Masonic history."

In this one sentence, Freemasonry admits that the Pyramid Symbol on the back of our One Dollar Bill is Masonic 'history'! What is the significance of this admission? You see, Masonry has officially and consistently denied to outsiders that these symbols had anything to do with Freemasonry. Now, in one sentence, they have admitted that they were lying all along, and that these symbols are, indeed, Masonry.

Carefully compare the Masonic Commemorative Coin, above, with the real symbol on the back of the One Dollar Bill. You will notice right away that the one major difference is that the All-Seeing Eye in the official version has been replaced by the standard Masonic symbol of the Square and the Compass, with the Masonic "G" in the place of the eyeball!

This change demonstrates that Freemasonry is admitting that their organization is Satanic, because we prove, below, that the All-Seeing Eye originated from the Egyptian Mysteries Religion and represents Horus, who is Lucifer!

Please turn the American One Dollar Bill over to the back side so we can study the symbol on the left, called the Obverse of the Great Seal. This unfinished pyramid with the Eye of Lucifer hovering over the Old World Order, is ready to bring about the change to the New World Order. This symbolism dates back through Freemasonry to the Egyptian Satanic Mysteries, the religion God cursed when He lead Moses and the children of Israel out of

**bondage!**

Let us allow Doc Marquis, a former Illuminist Satanist, explain this symbol. You will see that the symbol is highly satanic and is constructed using occult numbers and an occult hexagram.

"The Pyramid represents the past. Note that the capstone of this pyramid is not in place, thus denoting an unfinished situation. This unfinished situation was planned to remain in effect until the Old World Order was destroyed and replaced with The New World Order.

\* *Annuat Coeptis* - Announcing the Birth - How does Jesus describe the appearance of Antichrist and he beginning of the tribulation? Matthew 24:8, says "sorrows" which means birth pangs! The Illuminati Plan is forced by God's Omnipotent power to devise a plan which exactly fulfills His prophecies! The KJV translates Strong's G5604 in the following manner: [sorrow](#) (2x), [pain](#) (1x), [travail](#) (1x).

Outline of Biblical Usage [?]

1. the pain of childbirth, travail pain, birth pangs

## 2. intolerable anguish, in reference to the dire calamities precede the advent of the Messiah

\* *Novus Ordo Seclorum* - New World Order

\* *Capstone* - Eye of Horus [Lucifer in Egyptian Mysticism] = Eye of Satan

\* *Thirteen Steps* = Depravity and Rebellion Number

\* MDCCCLXXVI = 1776 [May 1, Beltaine, Second High-Holy Day of the Year]

Notice that, in the Commemorative Coin, these Roman Numerals have been changed to "6008". This is the Masonic equivalent to this current year in which we are living, "2008". You see, Masons simply add 4,000 years to the current modern year to arrive at the "Masonic Year".

\* On May 1, 1776, the New World Order was conceived, whose foundation would be built upon depravity and rebellion. Its ultimate leader will be Satan, but his earthly leader will be the Antichrist. The earth has been pregnant with this evil world system since this date. The Illuminati considers that the "Birth Pangs" needed to give birth to Antichrist began with World War I and shall end with Antichrist on the world scene at the conclusion of World War III. This Plan fulfills Bible prophecy exactly (Matthew 24:6-8)

\* Hexagram -- Satanism's most evil symbol, out of which we get the word, "hex" (putting a curse on someone). As you can see, this symbol was constructed so that a perfect hexagram is formed. Marquis said the author of this symbol clearly drew the symbol so it would conform to this hexagram.

For those of us who know the occult and the Illuminati very well, the feature that stands out above all others in this Great Seal symbol is the All-Seeing Eye. This symbol is the single most important symbol of the Illuminati, for it exemplifies the supernatural power they wield from their lord Lucifer, from Satan himself. As you can see from this symbol on the back of our One Dollar Bill, the typical All-Seeing Eye is depicted in the form of a pyramid, shown here, hovering over the unfinished pyramid representative of the unfinished project of moving the world into the New World Order and staging their Masonic Christ.

Notice the all-important hexagram interwoven within this One Dollar Bill symbol. The hexagram is the single most evil Satanic symbol in the world, and is the most powerful ritual symbol. Further, when a Satanist puts a circle around a hexagram, he has created a "Demon Trap", a place inside of which a demon can manifest himself into this dimension. By making this symbol on our One Dollar Bill a demon trap, the Satanist literally believes he is allowing demons to come through this dimension at will; since the Illuminati believes money and the financial system is the lifeblood of a nation's existence, they believe they have infused demonism into our nation. This belief is one of the reasons the Illuminati did not place this unfinished pyramid on our One Dollar Bill until after the privately held and owned Illuminist Federal Reserve System was established in 1913. [NOTE: In Seminar 2, "[America Controls The True Flow of History](#)", we cover the true story behind both Illuminist symbols on the back of our dollar bill].

Therefore, we must thank modern Freemasonry for finally admitting that the Satanic Unfinished Pyramid symbol on the back of the One Dollar Bill is Masonic to the core and Masonic in its origin! In our video series, "Secret Mysteries of America's Beginnings", we demonstrate that the Invisible Masonic Lodge planned

the government of America beginning in the 1580's between Sir Francis Bacon and Queen Elizabeth I ("The New Atlantis"), and that our Masonic Founding Fathers faithfully carried out this plan ("Riddles In Stone").

Because Washington, D.C., was originally planned by Masons, and the construction done under Masonic leadership, you can see Satanic signs woven into the city by the dozens. We demonstrate this fact very well in our award-winning DVD, "Riddles In Stone".

Thanks to this commemorative coin, the Masons have just officially verified what their spokesmen vehemently denied as they testified in "Riddles In Stone".

The first commemorative coin on the left in the above symbols simply restates the truth, that Global Illuminized Freemasons ("Illuminati") has created a global plan to move all nations to a worldwide dictatorship, a worldwide economy, and a worldwide religion, and then stage their Masonic Messiah! As discerning watchers of current events now fully well, this Masonic plan fulfills Bible prophecy exactly and it is nearly completed.

[The Masonic History of George Washington](#)

By [Dr. Scott Johnson](#) | September 9, 2006

This teaching will start by giving a detailed, historical, documented, freemasonic chronology of the first US President George Washington. (Please view the PDF below in totality before you dismiss this material.) The evidence is absolutely overwhelming. You cannot bow the knee to Baal (Freemasonry) and God (Bible believing Christianity). No man can serve two masters. Ask yourself if it is possible for Washington's Christian testimony to UNDO all this evidence. We will be examining the 333 foot "George Washington Masonic Memorial" in Alexandria, Virginia, which houses a large part of his personal Masonic regalia. We will see how the Masonic religion is one of the closest modern day examples we have to the ancient Babylonian Mystery religions. We will then explore some of the blasphemous, hidden symbology of the Masons like the Square and Compass, the Luciferian meanings of the symbols on the one dollar bill and the lambskin aprons they wear. Then we will explore the shocking, true meaning of the Triquetra symbol that appears on the cover of the New King James Bible. We will then hear some sounds clips of Benny Hinn cursing all those that would oppose his demonic ministry and see how he has mastered the art of "hypnotic Induction" to deceive his followers. Lastly we will explore the subject of persecution and Christianity.

**The Ebola Outbreak in Congo Is Close to Becoming a Global Emergency...”This Ebola outbreak has no end in sight.” As Media Ignites Panic Over Measles?!**

Last week, the World Health Organization issued a statement on the ongoing Ebola outbreak in 2 provinces of the Democratic Republic of the Congo.

If this Ebola outbreak isn't stopped soon, it could become a global threat.

The recent spike of cases increases the threat that the deadly virus will spread to other countries and efforts must be redoubled to stop it, the WHO said last Friday after a meeting of its expert committee.

On April 12, the WHO claimed that while the ongoing Ebola outbreak in Congo is of “deep concern” the situation does not yet warrant being declared a global emergency.

**All Signs Point to UN Imposed Medical Martial Law Coming to the Southern Border...”What Is Going to Happen When One of These New Illnesses Is Ebola?”**

Steve Quayle once stated on The Common Sense Show, **that a civil crisis will be manufactured in America and it will be followed by a military attack upon the United States. And after reading this article, it will become apparent that the attackers, whether they be Chinese or Russians will be wearing blue helmets. It starts here and is coming to a city near you. With each successive wave of caravan migrants, comes an increased risk of deadly pandemic outbreaks for which Americans have no immunity. A mysterious polio is sweeping the country. Border Patrol agents are growing increasingly concerned about the diseases, for which Americans have no immunity are coming across the border. We already know that people from Africa make up part of the caravans. Are we naive to think that more serious illnesses are not on the way?**

**What Is Going to Happen When One of These New Illnesses Is Ebola?**

**It's too late, Ebola has already arrived at the border. From Breitbart (1):**

**“A public health official in Laredo, Texas, said 20 Congolese migrants were monitored for Ebola and other diseases in shelters in his city and across the Mexican border in Nuevo Laredo. Shortly after his announcement during a Laredo City Council meeting, the World Health Organization (WHO) considered declaring**

**a “global emergency” in response to a massive outbreak of Ebola in the Democratic Republic of the Congo.**

**This is all part of the plan as I have previously reported that Monsanto (2), or Monsatan as many call them, has partnered with the Department of Defense to use a proxy third party company to develop a vaccine against Ebola. The seed money began at \$1.5 million. The value of the deal could grow to an estimated \$86 million dollars. The company’s name is Tekmira Pharmaceuticals Corporation, a leading developer of RNA interference therapeutics. “TKM-Ebola, an anti-Ebola virus RNAi therapeutic, is being developed under a \$140 million contract with the U.S. Department of Defense’s Medical Countermeasure Systems BioDefense Therapeutics (MCS-BDTX) Joint Product Management Office”. As breaking and shocking of a news story as this has the potential to be, the real story is that this is not the most important part of the Ebola threat which has invaded the United States. The truth of the matter is that these unholy and untrustworthy associations, when it comes to “fighting” the Ebola virus, represent the mere tip of the iceberg. The more one digs into who is behind the creation and the development of vaccines for treating Ebola, the more the conspiracy networks widen. The most amazing fact is how incredibly easy it was to locate this information. I want to be clear on this point, Ebola was invented, and a vaccine for Ebola has existed for over 10 years, and some government sponsored institutions as well as some of the global elite have positioned themselves to profit enormously from the spread of the virus and the development of and dissemination of mandatory Ebola vaccines and the imposition of total martial law in the process.**

**Here is the proof:**

**Human Ebola virus species and compositions and methods thereof CA 27415Chin23 A1**

**Amazingly, the CDC owns “the” patent on Ebola and all future strains. The “SUMMARY OF THE INVENTION” section of the patent document also clearly claims that the U.S. government is claiming “ownership” over all Ebola viruses that share as little as 70% similarity with the Ebola it “invented”: Why would a government organization claim to have “invented” this infectious disease and then claim a monopoly over its exploitation for commercial use? It is clear that the CDC plans to claim royalties on Ebola vaccines. This certainly increases the likelihood that the vaccines will become mandatory, thus increasing the profit potential for the patent holders.**

Clearly, and has been suspected for decades, Ebola is man-made and this patent proves this intention of the CDC to profit from a future pandemic. Why does the CDC need to own the patent on Ebola? Perhaps, we should ask Bill Gates why he previously donated \$50 million to the UN and the CDC in the name of fighting Ebola. The CDC has partners in the fight against Ebola, namely, [Crucell](#), the National Institute of Health (NIH) and the U.S. Army Medical Research Institute of Infectious Diseases (USAMRIID) and, of course, Bill and Melinda Gates. Since when would Gates not expect a return on his investment? Gates and Michael Bloomberg have already contributed large sums of money to numerous vaccination causes such as the [Global Polio Eradication Initiative](#) originally launched in 1988 by the World Health Organization (WHO), Rotary International, Centers for Disease Control and Prevention (CDC), and the United Nations Children's Fund (UNICEF). The return on investment has been impressive.

**Why Are So Many Levels of Government Pushing for Mandatory Vaccinations?**

There are lies of commission and lies by omission. The media, for over a decade has been lying to the American people by omission. The work on an Ebola virus sanctioned by the holder of the patent for the vaccine, the NIH), has been ongoing since 2004 with clinical trials in 2006. **This explains why the CDC and the NIH will be bringing Ebola patients into the country to treat. The moment that an Ebola patient crosses the U.S. border, they become the intellectual property of the CDC, NIH and Bill and Melinda Gates! How can we not believe that this is the Hegelian Dialectic run amok in a case of problem creation, solution to the problem and reaction to the problem?**

The involvement of the USAMRIID is noteworthy because the Army has long been rumored to have created Ebola and, for purposes of experimentation, implanted the artificial virus in Zaire in 1977. When an unsuspecting public is finally told of the existence of an Ebola vaccine, the [Global Fund](#) will be in charge of the distribution of the vaccine. Interestingly, Bill Gates has donated a total of \$560 million dollars to the Global Fund. The Global Fund has also positioned themselves to be in charge of the distribution of the "newly developed", and not yet announced vaccines for TB and HIV. Since the goal is the vaccination of every man, woman and child on the planet with multiple vaccines, Gates' \$560 million contribution to the Global Fund is chump change compared to the **expected ROI**. However, on deck is the Ebola virus. The question in the subtitle can now be answered. **The push for mandatory vaccinations is preparing the public for the final vaccination: The Ebola Vaccine. However, that is not the endgame. The CDC and the NIH will profit enormously, as will Bill Gates when**

Ebola spreads through America. Mandatory vaccinations are a goldmine of profits. However, the end game is the political objective. The Ebola crisis will set the stage for a United Nations takeover of the border under the guise of humanitarian aid.

#### UN Sponsored Medical Martial Law

During such events, the CDC could screen people at airports and other transport hubs, apprehend those they suspect of being ill for three days, and potentially quarantine or isolate them pending a medical review.

Excerpts from *The Atlantic* (a consistent mouthpiece for the Trilateral Commission)

*The (CDC) is already authorized to detain people suspected of carrying diseases like plague, Ebola, and (somewhat improbably) smallpox. But the new rule does away with a formal list. It extends the same powers to any "quarantinable communicable disease," and uses wider range of symptoms (from a list that federal agents can update as the need arises) for defining "ill" people. .... James Hodge Jr, a professor of public-health law and ethics at Arizona State University, ...It allows the CDC to detain travelers indefinitely before deciding whether to quarantine them, saying only that the agency "doesn't expect" such apprehensions to last for more than 72 hours. It doesn't make provisions for legal counsel if people can't afford a lawyer themselves. And it puts any reviews of the agency's decisions under the auspices of its own employees, rather than a neutral third party. Using the rule, "a future administration could hold travelers in government custody for days or weeks without providing an explanation or an opportunity for the individuals to challenge their detentions," write Emma Roth and Kyle Edwards from Yale Law School. The rule also gives the CDC ultimate authority to carry out medical tests and treatments, stating that "the individual's consent shall not be considered as a prerequisite to the exercise of any authority."* These revelations from *The Atlantic* are concerning enough. However, the CDC policies are simply expanding the power of medical martial law and when one examines the fine points, it is a license to remove "undesirables", "deplorables", and political opponents from society and can do so under the guise of protecting the public. This is where America will truly learn the finer points of FM 39.4 (ie FEMA camps) as the issue of medical martial law was decided under the Obama administration.

As Ebola is beginning to spread once again throughout Africa, the Atlantic would have you believe that the CDC is scrambling to come up with containment and legal policies designed for quarantine, etc. Nothing could be further from the truth. The issue was decided in 2014 when the CDC enacted now pandemic policies. The new policies are draconian and they represent the back-door implementation of martial law and the removal of undesirables. As previously referenced, multiple times on *The Common Sense Show*, that thanks to Obama, the United Nations can unilaterally impose a state of "medical martial law" and assume control. In fact, the smoking Resettlement regulations (ie FEMA Camp Army regulations), known as FM 3-39.401-5 states that foreign troops will eventually occupy FEMA camps referred to as resettlement camps. This section

of the paper is the smoking gun for medical martial law as per the UN takeover of handling a medical crisis.

Army document, FM 3-39.40 1-5, speaks clearly to the fact there is absolute intent to use foreign military assets to imprison American citizens. How will these foreign assets be utilized? When Ebola, or some other pandemic strikes, the changes in the handling of Ebola patients have already been planned for through a series of legal actions, most of them are Executive Orders. For example, the Executive Order, entitled Revised List of Quarantinable Communicable Diseases, amends Executive Order 13295, passed by George W. Bush in April 2003, which allows for the, "apprehension, detention, or conditional release of individuals", and Ebola is specifically mentioned.

And even if medical martial law does not completely result in the defacto takeover of the US by the UN, there is always the Kigali Principles which will all a UN military action to take place to "rescue" a country in crisis/

From [The Common Sense Show](#):

Does anyone think that it is very strange that the UN is taking over the training for the newly formed Mexican National Guard (1) which is replacing the Mexican government's Federales? In an April 9, 2019 Washington Post story, the WAPO thinks that is endeavor is perfectly fine with the ultimate intention to flood the United States with crippling blow with a number of incoming immigrants to be so great, that America will never recover.

The United Nations claims that it is taking over "human rights" training for a domestic military force. This is double talk to cover the fact that the UN is taking over Mexican law enforcement. And why would the United Nations be interested in taking over Mexican law enforcement? I can give 160 million reasons on why the UN is taking over this so-called "training" role because the UN has set the number of illegal immigrants designed to enter the United States in the next 2 years at 160 million newly invited guests for dinner.

That is a lot of disease that can cross our southern border.

Let's take another look at the organization structure of the soon-to-be medical isolation camps. Here are the member agencies as listed by Human Health Services:

The Ebola Detainment Centers (FEMA Camps) Have No Real Medical Facilities

Look at the participating partners in the "hospital" detainment centers in the EFS #8 document. This list is very revealing as to the intended purpose of these camps.

Department of Agriculture

Department of Commerce

Department of Defense

Department of Energy

Department of Homeland Security

Department of the Interior

Department of Justice

Department of Labor

Department of State

Department of Transportation  
Department of Veterans Affairs

## Conclusion

I cannot shake a story that the late Larry Grathwohl told me regarding a conversation he had with Bill Ayers. Larry's conversation took with Ayers while he was serving as a FBI special informant sent to investigate Ayers organization, the Weatherman Underground. Ayers is also the man who launched President Obama's political career from the living room of his Chicago area home.

Grathwohl revealed, on my talk show, that he asked Ayers, the then leader of the radical group the Weathermen Underground, in a meeting of about 25 well-to do fellow Weatherman, most with advanced degrees from Ivy League Universities, what the Weathermen planned to do when they achieved their goal of a communist take over the government. **Grathwohl stated that Ayers paused for a moment and then said that it was likely that about 50 million Americans will have to be re-educated in concentration camps located in the American Southwest and that about 25 million would have to be eliminated, meaning that they would have to be murdered. The potential implications are stunning.**

**One one hand, the UN is preparing on one side of the border. And on this side of the border, the CDC, NIH and Bill Gates are posturing to make enormous profits.**

**Update From Invive Silver: (Comment: I recommend you print this whole section below)**

The 10,000 PPM is MANDATORY, meaning the correct protocol in a life and death situation where death is "IMMINENT" within 72 hours. If you do not think you will die in 72 hours, then take the 5,000 PPM. Some Ebola patients die in 48 hours and some die in 21 days. If you are already bleeding from orifice, then the Ebola has advanced and you MUST use the 10,000 PPM.

**Tell your people:** Ebola Can kill within 48 hours to 21 days,

It takes a minimum of 3 days to ship the Invive from our factory because our Manufacturing is in a small town where it is delayed by USPS for 1 day; for the Silver to travel to the Airport in the next larger City. That is why we ship Priority, because if we shipped Express overnight it would "still" take 2-3 days to arrive. In

the case of a worst case Ebola infection by the time the Silver is delivered to them in 3 days, they could be dead.

So they must purchase in advance and have the silver on hand to be safe. That is just a plain actual fact.

I myself have 3 bottles of 10,000 PPM with me wherever I am/travel.

That is barely enough meaning the minimum to attack the Ebola, while waiting for more silver to arrive.

So they should have at least 3 bottles of 10,000 stockpiled in advance. (Assuming the USPS trucks are still running during an Ebola outbreak and that the Cities are not locked down with no one allowed to enter or leave, including the Courier Trucks.

## EBOLA

(Note 5000ppm is mentioned here but in an advanced case 10,000ppm should be used-**see above for more clarification**)

**Invive 5000ppm Mild Silver Protein ++** When combating an advancing presentation of Ebola within the subject individual, it is "MANDATORY" to maintain a "STEADY STATE" of Silver in your bloodstream every 4 hours = 6 times per day for adults of 120 lbs and up, (but reduced for children via percentage of their bodyweight in relation to 120 lbs.).

**"UPDATED '2014' PROTOCOL"**

1) If you have been (or suspect you have been) exposed to Ebola take this dosage:

**\*\*\* 5,000 ppm 5 cc/1tsp. 4 times a day or every 6 hours.**

2) If you are starting to display symptoms take this dosage:

**\*\*\* 10,000 ppm 5 cc/1tsp. 4 times a day or every 6 hours.**

3) If you are in full blown Ebola symptoms going to terminal take this dosage:

**\*\*\* 10,000 ppm 5cc/1 tsp of 10,000 every hour.**

Go to: <http://www.dr-johnson.com/>

**Note: Selenium** has been found to be almost totally depleted from the soils where Ebola is prevalent in Africa and has been found to be very helpful in the prevention of Ebola.

**I recommend: Selenium - 90 tablets** See below and far below

Computational genomic analysis of **hemorrhagic fever viruses**. Viral selenoproteins as a potential factor in pathogenesis:

<http://www.ncbi.nlm.nih.gov/pubmed/9152513>

They talk about **Ebola being a "viral selenoprotein"** and "Biosynthesis of this protein **could impose an unprecedented selenium demand on the host**, potentially, leading to severe lipid peroxidation and cell membrane destruction, and **contributing to hemorrhagic symptoms.**" It is well documented **that selenium plays a significant role in the regulation of blood clotting** via its effects on the thromboxane/prostacyclin ratio, and effects on the complement system.

Subject: Fw: Vitamin C & the Ebola treatment - trade fear for knowledge

Importance: High

In addition to the Invive Silver, a Ebola patient need high doses of Vitamin C. The Invive Silver stops the Ebola Virus, **but you MUST put the Vitamin C back in their body, that the Ebola has taken away.**

Again for clarity: The INVIVE Medical Journal Silver wipes out/eradicates the Ebola Virus but excerpt: *Here is what Ebola does that is fatal: It causes the complete removal of all vitamin C from the body. No one actually knows what mechanism is involved in doing this, other than a malfunction that is not permanently destructive to whatever is triggered to remove all vitamin C. All the researchers know is that vitamin C drops to zero and all the symptoms of ebola are consistent with a complete loss of vitamin C.*

-----  
From the report at: <http://jimstonefreelance.com/> we read:

**The actual way ebola kills is by causing a severe cytokine release in blood vessel walls, which if already irritated by a viral assault, will rupture from the irritation caused by a strong cytokine release. With regard to ebola, the exact cytokine is called IL-6, which is inhibited by 41 percent with adequate vitamin C present. This means, that from this mode of action alone, vitamin C will reduce the impact of ebola by 41 percent. If you combine this with the fact that vitamin C will strengthen the blood vessel walls as well, the two ways vitamin C helps will work in combination to prevent death from ebola, especially if ebola, which removes all vitamin C weakens the blood vessel walls by removing vitamin C to begin with.**

-----  
**Comment:** So taking a true, natural, vitamin C is a major factor in fighting off Ebola especially considering Ebola chief action of fatality is causing the blood vessels to rupture through the body where you bleed out of every orifice. Vitamin C (full spectrum source with the bioflavonoids, from a plant source) strengthens the blood vessels.

**I highly recommend: [Vitamin C-400 - 180 tablets](#) or [C Complete Powder 81 G](#) or [Bio-C Plus 1000™ \(100 T\)](#)**
