+1+ The Replacements-160 Million Immigrants In the Near Future-600 Million Migrants Long-Term

Submitted by [Dave Hodges](#) on Saturday, April 27, 2019

A recently retired ARSOF officer told me that we are not getting the real immigration numbers. The present numbers are understated by 1000%, at least! I was told that the initial number of illegal immigrants will total 160 million. This is enough to permanently cripple our infrastructure. These are the "replacements" and it signifies the death by a 1000 cuts approach. However, the takeover will be

complete when 600 million migrants make their way across a collapsed border. This will signify the death of America as we know it.

[The Cartel Takeover of Local American Communities](#)

April 23, 2019 - 12:07.

There is a new business model which is sweeping America and this new business model threatens to take over much of America. This article reflects the changing political and law enforcement landscape of the "New America". The Common Sense Show has decided to make

reporting on drug cartel activities within the United States, that are disruptive to the local law enforcement and local political control of duly elected government officials, a priority in its reporting endeavors.

The reasons behind this emphasis in reporting has to do with the fact that the cartels are following an established Agenda 21 model, which is based on local control of a political process, which results in dramatic bottom up control.

Agenda 21, now morphed into Agenda 2030 focuses on replacing local LEA's (Law Enforcement Agencies) in favor of new, and friendly, "on the payroll" personnel. Also, we are seeing obscure individuals brought in from other communities in order to assume positions of leadership in the LEA/local political community.

Since I covered the takeover of Humboldt County, CA. by the cartels, many first-hand accounts have come my way. Upon investigation, what we at CSS have discovered is that in Humboldt County, and for that matter, in several other communities across America ranging from Ohio to Florida to New Mexico and to California, is that there is compelling evidence of cartel control of many local communities.

The following copy of an email the CSS recently received, and is typical of over a dozen of emails like this with regard to the Sinoloas and their complete control over many local communities. This new business model is exploding across the country as evidenced by the following communication.

Every little village in NM has a cartel rep in residence, is what the locals/natives tell me and they all know who that person is. The individual keeps an eye on what is going on in the village and attitude toward cartel, and notes any talkers. My friends who evangelize in MX told me that's also the way they operate in all the little villages in MX, so no one dares say a word against/about the cartel. In NM, anyone who gets crosswise with the cartel tends to disappear. It's just like MX here: no one wants to be on the roads at night when it's mostly drunks, poachers, or cartel very late and/or very early hours. I'm sure it's the same situation all across the rest of the U.S..

Since the cartel moved into this county, most of the long time deputies at the SO (Sheriff's Office) have left and been replaced by new/young guys. A couple are married to women from the cartel families. It's assumed the SO is compromised, and residents don't report/share any problems.

I've been reading on FB all the comments about the recent border incidents by people far away from here, people who are clearly unfamiliar with the character and culture of NM. NM has always had a kind of lawless, outlaw culture; consequently nearly everyone is armed for self-defense. Concealed carry requires a permit, open carry is totally lawful. It's not uncommon in rural areas to see people with sidearms, and it's a good bet any pickup contains a loaded weapon within driver's reach. In fact, an NMSP officer was adamant that I needed to have a gun on my person any time I went outside my house, even in my own horse pasture because it's too dangerous not to! That patriot camp near Sunland only has 4-6 people on rotation at a time so of course they need to have effective weapons handy: right across the river is coyotes and cartel with their own army and lots of automatic weapons and they operate when it's dark. They may be getting reamed by the media, but those guys are pretty brave to be there at all, let alone facing hundreds of border crossers at a time of unknown character. Those patriots wear camouflage and ghillie suits for a reason, they aren't just playing army.

With MLG and her AG making such a fuss about anyone stopping the crossers where the fence ends near Sunland, I figure they are smoothing the way for the invasion.

I addition to this report I also spoke with a Sheriff's Deputy in Southern New Mexico under a condition of anonymity. He told me that the cartels have their own representatives in play in his department. One has to be careful, at work, with regard to opening up and getting to know any Deputy not previously known. He also told me that my interview with Marilyn Rugar caused him to come forward. He begged me to not identify his community because he was certain that this would be traced back to him. He told me that several, at least four people, have moved into their community and have assumed leadership positions in the community despite the fact that nobody at the local level knows who these people are. He informed that he no longer has access to the "evidence lockers" where seize drug evidence is seized, prepared for entry as material witness exhibits in court cases against the cartels. However, on the way to court, the evidence mysteriously disappears.

For decades, the Chinese controlled much of the drug trafficking in Central and South America. However, to maintain respectability, the Chinese began to employ local gangsters in Central America to control drug, gun and child trafficking. As a DEA agent told me nearly five years ago, the Chinese found it more efficient to set up an "Air America" type of operation. In doing so, the Chinese were able to expand their reach by using local thugs. The drug cartel wars (in places like Mexico) is an outgrowth of fighting for local control by the cartels. However, the Chinese are sitting at the head of the table and letting nature take its course. As trafficking of all kinds began to make its way into the United States, the Chinese, through employing groups like the Sinoloa Cartel, were able to maintain plausible deniability.

The proof for this unholy alliance is in evidence in the CALEXIT movement which is designed to remove California from the United States and operate as a protectorate under the United Nations. Such a move would devastate the economy of the United States. Contained in the membership of CALEXIT are the Chinese and every drug cartel operating within California. This is not a spurious relationship. When we talk about the Sinoloa drug cartel controlling drug and sex trafficking operating out of Humboldt County, we are talking about Chinese control of the process. Remember, the Bank of China is involved in CALEXIT. This is indeed the new business model. I would also dare anyone to state that Senator Dianne Feinstein's Chinese spy on her staff was a coincidence. Of course it wasn't but the MSM simply swept this criminality under the rug. Another issue that is no coincidence has to do with Feinstein's husband, Richard Blum, buying up distressed California farm land and selling it to communist Chinese buyers for pennies on the dollar as the Chinese ship California agriculture to China. This is how a senator begins her service as a millionaire and will leave office as a billionaire. <https://thecommonsenseshow.com/agenda-21-economics-immigration/cartel-takeover-local-american-communities>

Revelations From Insider Sources Reveal How Close America Is to Simultaneous Civil War and World War III (Part One)

Over the past several weeks, Alexandra Daley, Marilyn Rupar and myself have been exposing the new criminal business model that is growing exponentially in this country **in which criminal elements and their political allies are overtaking American communities from the bottom up. This article is more direct as it will reveal that an external threat is underway to bring down this country. The approach is "death by a thousand cuts", and it has been very effective in the early stages. My previous articles are causing known sources and new sources to appear with intelligence information which confirms that both an internal and external threat are simultaneously underway.**

Over the past several days, I have had several communications with a long-time source from the DEA. Also, I have been in communication with an agent of a well-known alphabet soup agency who requested agency anonymity, for all the obvious reasons. Many do not like the use of anonymous sources. To these people, I would say that if we used your logic, witness protection list testimony would never be used and whistleblower journalists would never break cases, like the Watergate scandal, etc. However, if my refusal to put a bullseye on the back of two informants, who love America, bothers a reader, then I would suggest that person move on to the next source. By the way, I have read two articles in the last 24 hours, where similar information to what I am about ready to reveal, was talked about in cryptic terms. The following information will soon be out, people just need to decide if they want to receive the information early enough to act on it.

The source from the anonymous agency which we will call, AG for short, **is most concerned about the new drones being flown by the cartels. Agents from the AG have personally seen the new drones, however, their Deep-State serving supervisors refuse to let them shoot these drones down. I digress, but along the same lines, I was told that "we know where the cartels are, we know where the child-sex factories are, we know where the meth labs are, we know what they are**

armed with, we could easily take them out, but some force inside of our organization refuses to let us do our jobs". These are the Deep State holdovers from the Obama administration.

The drones have super-hacking abilities, as long as there is wi-fi signal they can tap into, they can fly by a court or a police station and lift all the files from computer data bases. For example, they can lift the names and addresses of all officers and agents. Soon, law enforcement will be compromised just like it is in Mexico, where arresting officers and potential witnesses in court, will be killed to prevent court testimony against cartel members. Further, the hacked databases could contain witness protection information as well. In addition, tactical plans, with operation names and coordinates could be obtained. The DEA agent told me that on at least two occasions, individuals attempting to cross the border have been caught with fake uniforms from various agency and law enforcement personnel that one would find on the border. The story reminded me of how, before the Battle of the Bulge in World War II, the Germans recruited highly competent soldiers who spoke English and had lived inside the United States. These soldiers were outfitted with Military Police Uniforms. They infiltrated American lines and cut communications, changed road signs and killed high ranking officers when the opportunity presented. The Battle of Bulge was nearly won by the Germans because the American high command was unable to communicate and their intelligence information was incomplete. Some historians believe that if the Germans had fully won the battle, the fortunes of war could have been reversed.

The historical precedent is set and if these drones remain unchecked, the effect on American security could be devastating. The DEA agent also told me that these drones can fly by stealth and they have facial recognition capability. These drones could conceivably carry out MS-13 style assassinations. I asked the DEA agent this question and he responded that what he had revealed to me was not expressly classified. His answer to my question about assassination capabilities of these drones was met with "you will have to do a little digging Dave, because I will not answer that question".

In the previously mentioned area, the DEA agent provided complementary information. He stated that the new drones are also weaponized. He was not specific but said that the drone could carry highly lethal weapons and the casualty rates could enter the "tens of thousands". The AG stated that as many as 300,000 people could be killed by one of these drones, He stated that the drone carries basic light infantry weaponry. However, it can also carry chemical and/or biological weapons. The example he used was anthrax dropped over densely populated area and the end result could be 300,000 deaths.

Additionally, the drones can help paramilitary personnel enter the US without being detected because the tracking devices on the drones can hack into the GPS devices of any personnel from any agency, including the military, while operating on the border.

No doubt that many people reading this article have seen the motion-sensor videos (that disappear quickly from the internet) of heavily armed guards escorting what appears to be regular migrants (ie non cartel and terrorist) across the border. The videos are strange and deviate from past practice.

To both agents, I raised the question of whether or not this a probing maneuver, risking low exposure and resources, **in order to test out border defenses and response times as a prelude to invasion. Both agents agree and are aware of this and their colleagues have reached the same conclusions; so the indicators that America is being primed to be attacked, Red Dawn style, continue to grow.**

Conclusion

In the second part of this series, I will be covering more Red Dawn indicators in which I cite real troop number estimates of foreign troops on our soil.

Part II will reveal just how many nations are involved in the coming attempted takedown of the United States. **And there is always the question of the loyalties of military and political leadership in the country. Many, as has been revealed since the dawn of the Trump presidency are loyal to the globalists, especially in military leadership positions. When Obama purged the military leadership to the tune of firing 400+ command level officers, the military became decidedly less patriotic. There is such division in the military that when one has the facts; one can easily see how close to all-out civil war this is. And when the civil war breaks out, we will be attacked by the Russians, the Chinese and their Latin American allies. There are also new biological and chemical threats to large segments of the United States. I have broken this presentation up into at least two parts. I have distributed the information to people outside the Independent Media for all the usual reasons.**

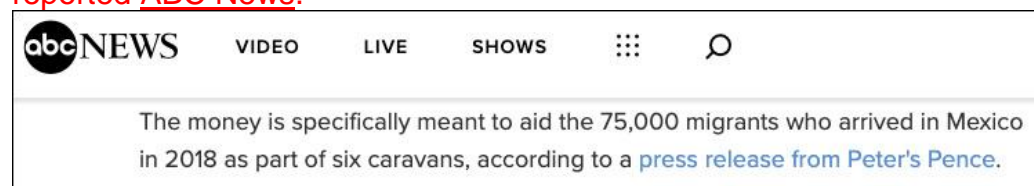

Never before have I been electronically attacked like I am now. Two weeks ago, I interviewed Paul Martin about the fact that elite Special Forces were occupying a CDC facility on Highway 114 outside of Ft. Collins, CO. The pre-recorded interview disappeared from my drop box after I had listened to it. Last night, the interview reappeared to previously empty drop box. You have an opportunity to prepare by stockpiling resources. This is the main message of this article, get ready for what is coming in all areas, namely, spiritually, physically and materially. I have also concluded that it is highly likely that we will be in a civil war and World War III at nearly the same time.

+1.5+ Number of the Beast: Catholic Pope Pledges \$500,000 to 75,000 Illegal Aliens Invading the US – That’s \$6.66 Per Invader!

Over the weekend the Vatican announced it would donate \$500,000 to migrants traveling to Mexico to reach the US.

“The money is specifically meant to aid the 75,000 migrants who arrived in Mexico in 2018 as part of six caravans, according to a press release from Peter’s Pence,” reported [ABC News](#).

The screenshot shows the ABC News website interface. At the top, there is a navigation bar with the ABC News logo, and buttons for VIDEO, LIVE, SHOWS, a menu icon (three dots), and a search icon (magnifying glass). Below the navigation bar, a video player is visible, displaying a news headline: "The money is specifically meant to aid the 75,000 migrants who arrived in Mexico in 2018 as part of six caravans, according to a [press release from Peter's Pence](#)."

While the money will be spread among various projects and congregations, one can't help notice the math (\$500,000 divided by 75 thousand migrants) derives the number \$6.66 – a number associated with Satan in the bible and Christianity. The number was also adopted by satanic pervert Aleister Crowley, who called himself "The Great Beast 666."

Over Two Million Prepaid Debit Cards Given to Muslim Invaders – Official

More than two million prepaid debit cards worth over \$1.6 billion have been distributed to migrants by international governing bodies and organizations, according to a top Hungarian official.

In November, 2018, Infowars Europe helped bring to light revelations that migrants were using preloaded MasterCard debit cards bearing insignias of the EU and UN to pay for goods and services along their journeys.

"Over two million people have received anonymous migrant cards, and the equivalent of 500 billion forints (1.55 billion euros) has been spent in this manner," said György Bakondi, Chief Security Advisor to the Prime Minister, during an interview on Hungarian television, MTI reports.

Bakondi expressed his administration's belief that the E.U. has no intention of slowing illegal migration, but instead is working to facilitate it.

"The Hungarian government had warned that these anonymous, prepaid debit cards posed a security risk," wrote Zoltan Kovacs, Secretary of State for International Communication and Relations. "After initial denials, the Commission finally

admitted that the United Nations and the European Union have been distributing these cards to migrants who have reached the territory of the E.U. Some 64,000 debit cards were distributed to migrants in January alone."

"Reports say that they received a monthly payment of 500 EUR on this debit card. That's well over today's gross minimum wage in Hungary."

Hungarian officials subsequently demanded an "urgent answer" from the E.U. regarding how many other potential terrorists may have received the cards.

The measles outbreak is a massive false flag; nearly all outbreaks are caused by infected Illegal Alien Invaders, not American children

"Think about how cold-blooded it is, that the bureaucrats and the UN and the globalists that control our government, opened our borders and told the entire Third World, filled with diseases, to pour into our nation," reports Alex Jones in a bombshell new video called "The Measles Outbreak is a Giant False Flag and Hoax."

He continues:

Then the CDC reports from local health departments across the country that it's the illegal aliens, called "migrants," that are spreading the measles, the mumps, the rubella, the pertussis, and all these record-level diseases hitting Europe and the United States... and then we're told that those of us who haven't taken the hundreds of mandated vaccines are to blame.

This whole thing is a false flag... the measles are real, but the admitted cause is the illegal aliens and the government not testing them at the border... this is outrageous and this is criminal... this is a national health emergency.

Our government has opened the borders and allowed these plagues to come in, and then tells us dangerous vaccines are the answer to what they have brought into the nation.

He's right, of course. It's the disease-ridden illegal aliens that are bringing infectious diseases into America, but the CDC and the obedient national media blame "anti-vaxxers" while pushing toxic, deadly vaccines on all Americans via new vaccine mandates that amount to nothing less than medical rape.

America's Super-Vaccination Agenda is put on Super Steroids—Why now? FALSE FLAG MEASLES PSYOP "It's all fake; it's all staged to compel vaccine compliance!"

"It's all fake; it's all staged to compel vaccine compliance! Every one of the recent measles outbreaks is the result of weaponized human carriers. Most of these illegal alien bio-weapons were deliberately transported across the Mexican border not knowing they were carriers. Then they are directed by their stateside handlers toward various sanctuary cities and states that are targeted for an engineered outbreak. This is how the globalists always trigger epidemics and pandemics in order to corral the masses into the pen of vaccine compliance. The worldwide super-vaccination agenda schedule is a critical part of the social engineering process being implemented across the USA by covert agents of Cultural Marxism."

— Intelligence Analyst & Former U.S Military Officer

There you have it in a nutshell. Now let's paraphrase it:

The sheer mania revolving around measles today is being purposefully manufactured across America with the explicit intention of coercing parental compliance with the utterly cruel, dangerous and inhumane childhood vaccination schedules.

Every parent ought to re-read the preceding paragraph as many times as it takes for it to really sink in.

Then, they ought to refrain from even considering submitting their fragile, sensitive, infants and children to such a barbaric medical practice as vaccinations, inoculations and immunizations.

For those who need more convincing, please read the following exposé. You will never get another vaccine again after understanding this nefarious scheme ... and certainly will not poison your precious children with these toxic time bombs.

Insanity Has Taken Over!!!: [Over 1,000 quarantined in measles scare at LA universities](#)

LOS ANGELES (AP) — More than 1,000 students and staff members at two Los Angeles universities were quarantined on campus or sent home this week in one of the most sweeping efforts yet by public health authorities to contain the spread of measles in the U.S., where cases have reached a 25-year high .

By Friday afternoon, two days after Los Angeles County ordered the precautions, about 325 of those affected had been cleared to return after proving their immunity to the disease, through either medical records or tests, health officials said.

The action at the University of California, Los Angeles, and California State University, Los Angeles — which together have more than 65,000 students — reflected the seriousness with which public

health officials are taking the nation's outbreak.

Lies!!!!: "Measles actually kills people, so we have to take that really seriously," said Dr. Armand Dorian, chief medical officer at USC Verdugo Hills Hospital.

Those under the quarantine were instructed to stay at home and avoid contact with others. They also were barred from traveling by public transportation, including planes, trains, buses or taxis. If they must travel for an emergency, they were told to notify public health officials first.

"This is a legally binding order," the county's public health director, Dr. Barbara Ferrer, told reporters.

Anyone who violates it could be prosecuted, she said, but added that it appears everyone is cooperating so far. She didn't describe what penalties those who don't could face.

The number of measles cases in the U.S. has climbed to nearly 700 this year, including five in Los Angeles County and 38 altogether in California. The surge is blamed largely on parents not getting their children vaccinated because of misinformation about the supposed dangers.

Those possibly exposed at Cal State-LA were located by tracking the records of people working in the library and those who logged on to its computers during the four hours the infected student was there.

Health officials at a news conference repeatedly urged people who haven't been exposed to measles to get vaccinated, saying the vaccine is safe and effective.

"Ninety percent of people who are not immunized or haven't had measles before, when they're exposed to measles are likely to get measles," Ferrer said.

+2+ Revelations From Insider Sources Reveal How Close America Is to Simultaneous Civil War and World War III (Part 2)

Before launching into Part II of this series, I wanted to answer the critics who state that there is no censorship with regard to The Common Sense Show and the country of New Zealand. Historically, and according to my analytic data, **New Zealand has occupied fifth place on the list of countries where citizens are visiting The Common Sense Show.** As of 6AM, Pacific, there are presently 347 people currently on the website at the precise moment that I am writing this. Presently, there is not one person from the country of New Zealand that is on my site. New Zealand, with their new-found totalitarian censorship policies that rival Communist China, have left the west and are behaving as a Middle East country with extreme radical views and compromised leaders.

Over the past 72 hours I have had several conversations with two high-ranking officials from America's alphabet soup agencies. The two men do not know each other. Yet, their stories coincide in content and timing.

The mainstream media did not get right, they never get it right, if it does not fit into their globalist agenda. This article expands upon the sensitive information released in **Part One of this series (1).**

The troops that were captured by the Mexican National Guard, now under the control of the United Nations were not National Guard Members as previously reported in the mainstream media. They were special operations forces who were suddenly outgunned and outmaneuvered. There is not a border-related personnel that I have spoken with, regardless of agency that I have spoken with who does not believe that these two captured individuals were not targeted as a distinctive show of force.

As reported, in yesterday's article, it was revealed that the cartels are using sophisticated drones that can penetrate American GPS systems and actually see real time images of LEA's. The seizure of these two special operations officers is being viewed as a real-time demonstration of power. The move is designed to intimidate. Now, as far as the technology, the Americans have equal and superior technology. However, as I am told, the Deep State agents who are often supervisors in these agencies, will not budget for the advanced equipment, thus leaving American LEA personnel in a highly vulnerable position. If this is not a case for treason against these Deep State minions, I do not know what would constitute such an action. We have traitors in our midst and they are serving in supervisory roles in the various alphabet soup agencies.

Both agents revealed in different ways, that 20 Congolese were, at one time, being detained for Ebola.

One confidential informant agent (previously referred to as AG), revealed that three detainees tested positive for Ebola. However, nobody knows where the three individuals are. The seemingly have just been released into the night thus endangering any population group that they come into contact with.

The DEA agent received a general memo detailing cartel activity and in something this agent has never seen before, the three Ebola positive detainees were

reported missing and the information strangely accompanied the cartel report. Somebody, within the DEA wanted this information leaked because of the danger posed to the public.

In a seemingly unrelated article, Mike Adams posed the question on his website as to whether the Deep State is planning a fake pandemic outbreak. This was the exact same conclusion reached by the DEA agent.

I have previously covered the existence of HHS/UN plans for fake medical quarantine camps (ie FEMA camps). In these camps, arising from an Obama Executive Order, none of the 17 participating agencies have anything to do with medical intervention at any level. They are FEMA camps. And given the fact that the UN has taken over the training of the Mexican National Guard, we should presume that all of these events are related and the Mexicans will serve as the camp guards as per FM 39.4. The details for this plot are laid out in this [CSS Article \(2\)](#).

Conclusion

Since I published Part One of this series, my phones have blown up with confirming information from a variety of sources. I am in the process of fact-checking and there will be a Part Three as well.

Part one also attracted the attention of Steve Quayle. We briefly spoke yesterday and decided to set aside two hours for an interview this coming Sunday as we will compare notes on these critical issues connected to border security.

Quayle Alert: From Federal Leo on Border Most Urgent Warning Yet on Border Invasion & the Real Purpose of Allowing Sick Immigrants In

Comment: Don't fear, see the Biblical remedy at the end of this report

Friday, April 26, 2019 **Steve Quayle Alert--** This is what's going on. The border is being flooded by an invading army that are potentially carriers "infections" of deadly pathogens. This is soon to become one of many dominos falling into position to take away your rights and freedoms. I firmly believe the government will push a nationwide mandatory vaccination after one of these bioweapons is successfully loosed in our cities and towns.

Listen people, this hysteria about measles or the flu has put many not so bright sheep into a panic. Many in our nation willfully comply to these dangerous "vaccines". Take a look at Brooklyn, NY for example. Forced vaccine or pay the fine and or time in jail. What about your Constitutional rights? Well, in that community of Brooklyn, NY you have no rights apparently. What about religious exemptions? Nope, you dont have that either I guess. (If you take a quick look at the beginnings of Nazi Germany, your going to find a lot of similarities.)

What about my 2nd Amendment rights that's stops the government from forcing their rules (which are against the US Constitution) on my person or family? Well, New York has all but killed the second amendment and your ability to say no to the government. Does anyone else notice that this is going on in New York **and not** Texas, Kentucky, Tennessee, the Carolinas, Georgia, Idaho, Wyoming, Montana, the Dakotas?...you get the point.

This ladies and gentlemen is a trial run for what's coming. Medical Tyranny, and let me tell you what I see unfolding. When you force medical tyranny on the population, most will comply, the few who resist will be dealt with by the government and fined, arrested and incarcerated. Probably sent to an encampment where the other non-vaccinated will go (which soon maybe built). Does that sound too far out? Well, it gets better. Let's say, a nasty virus, plague, bacteria or bioweapons are wreaking havoc across the states and many are getting sick and some are dying, but not really enough for a state of emergency to be declared but yet, just enough for the media to overwhelm the screens with scenes of horrifying what "ifs" and other fear mongering stories. And they bring all the "experts" who try their best to scare you into the medical offices for that hopefull cure. But you dont want to go?

Little Timmy next door gets sick, then little Sally down the block gets sick. Then all the parents of the neighborhood rush their kids to the doc for the vaccine. But they noticed you didn't go? Then the social media rumor spreading starts ramping up, suddenly you get that knock on the door from CPS and the local County Health officer who has a police escort. (Your own family members will rat you out)

They question you as to why you didn't get your child vaccinated and you're putting them in danger? And you say but my children are home schooled and our

faith prohibits taking such vaccines or you say, I prayed about it, I prayed over my child, and I don't want the vaccine because I've researched how harmful these vaccines are to children.

They respond with, oh your one of those, Christian's or whomever, that wants to play the religious exemptions card? Well here's a court order, see you in court, this is for putting your child in danger. Think that won't happen? It did in Texas about 4 years ago. Well let's say you decide, "no I won't do it". What do you think happens next? How many people do you think would defend their children from the government, with their guns, from taking this forced vaccine? I know plenty. "Shot in the arm, shot in the head, either way you end up dead"-Steve Quayle.

Do you remember how bad it got when Trump was elected to President? Families literally split apart and became enemies over night! Well, what do you think happens when those same leftist leaning kinfolk hear that you didn't vaccinate your kid to protect them from these dangerous diseases? They will report you to the proper authorities (with a smile on their faces like if they are really helping the cause).

Biblical Revelation deals with families turning on each other. Eventually, the churches will be involved as part of a community outreach to get your kids vaccinated.(to point you out in the crowd or to give the government your address). That's when you'll find out which Christian's are truly following Jesus Christ. Most of the churches in the country..... and I want to say at least 60% of them.....will turn on their own flocks and believe they are doing the right thing. Research 501C3 Churches who agreed to help the government during a time of "crisis". (These are the same churches that speak of everything expect for repentance and hell fire).

[Feds Train 501c3 Clergy To 'Quell Dissent' During Martial Law – Part 3](#)

During the reign of Adolf Hitler, three prominent Protestant theologians were dramatically successful in convincing German Protestants to cooperate with Hitler and his genocide of 18 million 'Devalued People'. The Illuminati here in America is using this same tactic, and will most assuredly get the same cooperative response, from the 501c3 corporate churches (who were given their very right to exist via the government/IRS) who are not versed properly in the true meaning of Romans 13 to know when they are being deceived. Most likely much of the reason genuine Christians will be turned in to authorities is because church leaders (unquestionably submissive to the government) will turn them in. If you are a genuine Christian pastor, are you prepared for officers of Homeland Security to enter your sanctuary, to sit down on your front row — dressed in intimidating official clothing — and to listen to your sermon and your announcements? Are you prepared to have them arrest you after the service for not adhering to official government guidelines as to what you can and cannot say? Pastors need to remember the era in which they are living, and not succumb to the temporary political and religious pressure from your Illuminist government,

but keep their minds focused on the eternal. Proverbs 25:26: 'A righteous man falling down before the wicked is as a troubled fountain, and a corrupt spring.

"The Worldwide Church of God" has refused to divulge how many of its pastors are now on the FEMA payroll, after a member expressed concerns about religious leaders being used to condition their congregation to accept the declaration of martial law. In a May 2006 a story first broke (& has since been confirmed) the shocking news that FEMA was training pastors and other religious representatives to become secret police enforcers who teach their congregations to obey the government in preparation for a declaration of martial law, property and firearm seizures, and forced relocation.

A KSLA news report confirmed that 'Clergy Response Teams' are being trained by the federal government to quell dissent and pacify citizens to obey the government in the event of a declaration of martial law.

My friends, what's coming from our southern borders is not just the tired, the poor and the hungry wretches looking for a better life. **Some of them truly are but not all. Some of these people are weaponized carriers of the plague or worse...**

I heard a nasty rumor at work. San Antonio, Houston, Fort Worth, Dallas and Austin, will have hold over facilities created to house these "immigrants". Still just a rumor but it's not the first time I've heard this rumor and wouldn't be the first time it's ever happened. Obama relocated thousands of migrant children a few years ago into the North East of the US. I know, I worked the gig. They were placed in government owned warehouses and old colleges that were empty. I know, my guys guarded the places.

So what am I getting at here? **Well, DHS says 100,000 immigrants will cross into our nation this month alone. You see, the leftists want you to see these people as innocent and harmless good people wanting a better life.**

Many of them want that too, **however there not mentioning the thousands of gangs members, murders, rapist, narcotics dealers, cartel hitmen, child sex slaves, women and children sold into slavery, terrorists or just your everyday previously multiple deported criminals who drink and drive and slam into cars killing families and loved ones, or those who shoot a gun into a crowd, or have violent criminal records.....& to boot the majority of these people carry diseases that rival military bio weapons.**

However, this is also a magnificent time to move said criminals, gang members and terrorists into our country because they will be needed later.

Port Directors on the border have disclosed to me how many of their staff have become sick, or that they quarantined an illegal who had a diseases that CDC had no clue of or how to treat them? So, how many of these people have made their way across the border? Enough to be effective at their goal; which is (in part): spread disease, cause mischief and commit crimes, kill Americans citizens and live freely off the government.

The southwest border and below to our neighboring countries are like a petri dish for wildfire like diseases, viruses and bacteria. They are a walking plague and the left wants you to let them in and live amongst you and go to school with your children or serve you dinner. While the elite sit in their fancy houses with their tall walls and iron gates.

Only the blood of Jesus Christ and constant prayer over your loved ones will protect you when this starts. But that doesn't mean we don't take precautionary measures. Tactical discretion should be used for now on, in reference to vaccinations. I would rather people not tell the truth about being vaccinated over taking the shot and dying anyways.

If you look back in history, most people die from disease due to poor hygiene and unsanitary living conditions, along with having compromised immune systems. Here's what I'm seeing coming. Medical tyranny, which leads to violence in the house holds which flows onto the streets, which brings in the red flag laws and gun confiscation (which is what this is really all about). The government and their ilk, who secretly run our country, know that Americans are naturally rebellious and love their guns and freedoms. But, they also know how overly cautious and manipulatable the parents are when it comes to their kids health.

Americans willfully get vaccinated and never research what was just injected into them. Sometimes it's a better safe than sorry attitude or it's a: I would rather get a shot then get the sniffles once or twice a year (which is bound to happen anyway). Some people make it a family event and others are just peer pressured into. Most public schools won't allow your child to attend class or play sports without the vaccine records. Just you wait till the outbreak starts. A manufactured panic.

So, they will take away your rights, take away your guns, force vaccinate, take away your social media and give you the Chinese social credit score system. Then you will be officially, CONTROLLED. It's almost comical in a way. This is like a bad scifi movie. But the American people are conditioned to take orders from the government.

Gone are the days when men lead their families in prayers, boys were shown how to hunt and tend to fields. Gone are the days when women held their husbands and children accountable, and made home place worth coming home to. Gone are the days when men held their government and elected leaders accountable for every word and every law.

Why are these days gone? Because the plan to distract you the people with meaningless garbage has worked, flawlessly. You now put your phone first in your hand when you wake up instead of praying to God and thanking him for the breath of life you were given. American has thrown in towel.

We have become like Rome. We are complicit and fat, overwhelmed with meaningless burdens and complacent to the liberties we have willfully given up. We have willingly given them up our freedoms to an over reaching, over regulating, too powerful, constantly expanding government who has made themselves into an elite class of rulers.

Your senators and Congressional leaders are no longer servants of their constituents. They are lords of the small towns, Barons of counties and kings of

the cities. America, we have lost our will to fight and keep ourselves free from the tyranny that we fought against in 1776 and beyond.

But there is still a chance. You can still ride this storm out. It starts with repentance. It starts and ends with our relationship with Jesus Christ. Food, water, medicine, guns, training, and a safe place to move to. You can still prepare for this. If you still care to.

God be with you all-WARRIOR AT THE BORDER!

The Biblical Remedy For what Is Coming--Psalm 91

1: He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.

2 I will say of the LORD, *He is my refuge and my fortress: my God; in him will I trust.*

3 Surely he shall deliver thee from the snare of the fowler, *and* from the noisome pestilence.

4 He shall cover thee with his feathers, and under his wings shalt thou trust: his truth *shall be thy* shield and buckler.

5 Thou shalt not be afraid for the terror by night; *nor* for the arrow *that* flieth by day;

6 *Nor* for the pestilence *that* walketh in darkness; *nor* for the destruction *that* wasteth at noonday.

7 A thousand shall fall at thy side, and ten thousand at thy right hand; *but* it shall not come nigh thee.

8 Only with thine eyes shalt thou behold and see the reward of the wicked.

9 Because thou hast made the LORD, *which is my refuge, even the most High, thy habitation;*

10 There shall no evil befall thee, neither shall any plague come nigh thy dwelling.

11 For he shall give his angels charge over thee, to keep thee in all thy ways.

12 They shall bear thee up in *their* hands, lest thou dash thy foot against a stone.

13 Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet.

14 Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name.

15 He shall call upon me, and I will answer him: *I will be with him in trouble; I will deliver him, and honour him.*

16 With long life will I satisfy him, and shew him my salvation.

How To Pass From Curse to Blessing by Derek Prince

Play: <https://www.youtube.com/watch?v=Nj5xbqqluE8>

Deliverance prayer and PDF with another prayer and extra teaching at bottom of description!!! Derek teaches how YOU can be free from curses that can affect your life. It turns out God has a lot to say about blessings and curses. And there is a way for us to enter into Gods blessing. This message shows 3 things . 1 what the symptoms are of being under a curse, 2 where curses can come from ,and 3 how to be free. It is very practical and down to earth. (I could not find this message anywhere else so I have uploaded it here . The audio is out of sync for a few moments in a few places but it catches up , no audio is missing) contains all 10 parts in one file extra summary and PRAYER AT END OF VIDEO (thanks Mark) The following was transcribed by me (Mark Bellanco) for the convenience of those who want to recite the following prayer to themselves or others offline which is presented at the end of this video to release persons from curses in the name of the Lord Jesus Christ: From "How to Pass from Curse to Blessing" -- by Derek Prince 4 Principles: Recognize Repent Renounce Resist

7 Steps: 1) Establish a clear scriptural basis. 2) Confess faith in Christ. 3) Commit to obedience. 4) Confess any known sins of self or ancestors. 5) Forgive all other persons. 6) Renounce all contact with the occult and get rid of occult objects. 7) Release yourself in the name of Jesus. PRAYER: "Lord Jesus Christ, I believe that you are the Son of God and the only way to God, that you died on the cross for my sins and rose again from the dead. I renounce all my sins, and I turn to you, Lord Jesus, for mercy and for forgiveness, and I believe you do forgive me. And from now on I want to live for you. I want to hear your voice and do what you tell me. In order to receive your blessing, Lord, and to be released from any curse over my life, first of all I confess any known sins committed by me or by any of my ancestors or others related to me. Lord, I thank you that I believe you have forgiven everything that I confess. And, Lord, now I want to say that I also forgive all other persons who ever harmed me or wronged me. I forgive them all now as I would have God forgive me. In particular I forgive....(name the persons).... Furthermore, Lord, I renounce any contact by myself or any related to me with Satan or occult power in any form or any kind of secret society. Also, Lord, I commit myself to remove from my house any kind of occult object that honors Satan and dishonors Jesus Christ. With your help, Lord, I will remove them all. And now, Lord Jesus, I thank you further that on the cross you were made a curse, that I might be redeemed from the curse and might receive the blessing. Galatians 3:13 (KJV) Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed *is* every one that hangeth on a tree:

And because of what you did for me on the cross, I now release myself from every curse and every evil influence and every dark shadow over me or my family from any source whatever. I release myself now in the name of Jesus. Amen." PDF of a different Deliverance prayer and some teaching here is a link I found. I find it helpful to think of the "conditions to meet" that they list as possible keys to freedom. If you find one of them particularly applies to you then ask Jesus for help in that area. and then continue with the prayer.. Jesus sets us free.... we dont have to free ourselves first and then He helps us after that. PDF with another prayer and extra teaching

<http://www.straitwaytruth.com/straitwaytruth-resources/Deliverance-From-Evil-Spirits-Derek-Prince.pdf>

Second: Regarding deliverance what you would need is to go through this session (it is two parts) as many times as necessary till you are not manifesting any signs of expelling demons. He gets into all you need to know this in the video: <https://www.youtube.com/watch?v=HsVLS89YkVA&feature=youtu.be>

After that if you feel like you still need more help you will be in a much better position to proceed with further deliverance one on one. I have done this myself and I feel like a totally different person (in a good way). If you need further help here is a map of one on one deliverance ministers from the most trusted network I know of. Message: Good evening Dr. Johnson, With divorce rates almost 70% and monogamy not being as much of a thing as it used to, Listener Question: How is a Christian supposed to approach sex outside of marriage? Should we absolutely avoid it at all cost, or just sleep with one particular person, and not sleep around with everybody we see?

Scott Johnson's Response: Well of course we have to avoid sex outside of marriage, as it is fornication, and the Bible is very clear on this subject:

[1Co 6:9](#) Know ye not that the unrighteous shall not inherit the kingdom of God?

Be not deceived: **neither fornicators**, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,

[1Co 6:10](#) Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

[1Co 6:11](#) And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.

[1Co 6:15](#) Know ye not that your bodies are the members of Christ? shall I then take the members of Christ, and make *them* the members of an harlot? God forbid.

[1Co 6:16](#) What? know ye not that he which is joined to an harlot is one body? for two, saith he, shall be one flesh.

[1Co 6:17](#) But he that is joined unto the Lord is one spirit.

[1Co 6:18](#) Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body.

[1Co 6:19](#) What? know ye not that your body is the temple of the Holy Ghost *which is in you*, which ye have of God, and ye are not your own?

[1Co 6:20](#) For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's.

[Mat 7:20](#) Wherefore by their fruits ye shall know them.

[Mat 7:21](#) Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; **but he that doeth the will of my Father which is in heaven.**

[Mat 7:22](#) Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works?

Note: These would be considered very advanced level Christians by today's standards

[Mat 7:23](#) And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

[Mat 7:24](#) Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock:

[Mat 7:25](#) And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock.

[Mat 7:26](#) And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand:

[Mat 7:27](#) And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.

["The devil has blinded so many people in this world, REPENT and turn away from your evil ways. Turn to Jesus Christ who will set you free,"](#) Folau said in another post.

Folau, star of the Wallabies rugby team in Australia, **is set to face a three-person panel at Rugby Australia headquarters in Sydney on May 4 after being charged with a high-level code of conduct breach for the social media post.**

Australia's Director of Rugby, Scott Johnson, **supports Rugby Australia's stance on firing Folau over the post, saying, "I want to make it really clear I am very supportive of where Rugby Australia is in this stance."**

Johnson, who helped Wales star Gareth Thomas **come to terms** with being a homosexual when he coached the team in 2006, **says he wants "a game that includes everyone," while actively trying to destroy Folau's career.**

["It's obviously a decision that's in the process right now but I believe in a God that's in control of all things,"](#) Folau told the [Sydney Morning Herald](#). ["Whatever His will is, whether that's to continue playing or not, I'm more than happy to do what He wants me to do."](#)

Australian tennis great Margaret Court, who previously **spoke out** against same-sex marriage, sympathizes with Folau, arguing, **"the penalty he's receiving is very severe."**

“He really just wants people to come to Christ. I don’t think he should be penalized because really there’s a truth there,” she [continued](#). “What he is saying about repenting is straight out of the Bible. My heart goes out to him because he’s being persecuted.” Former Wallabies coach [Alan Jones](#), now a popular radio personality, also defended Folau, proclaiming, “It’s got nothing to do with Israel, or rugby, or religion, or homosexuals.”

“Where are we in this country on free speech?” Jones [asked](#), after commending Folau for his “conviction and Christian commitment.”

Australians will soon find out if their country will trample on Folau’s free speech or if Australian Rugby is, like Director Scott Johnsons said, “a game that includes everyone.”

Subject: [Listener Question About Watching Porn & Not Stopping](#)

I've been having problems of the flesh, watching porn for a very long time, and I have been struggling to stop. I feel like I am programmed to watch it or something. This has been going on over 15 years now on top of being single. I have a cellphone, tablet, laptop and desktop. I know it would help to put them all away, but I need my laptop and desktop to work on.

I do believe in prayer and fasting. The problem is, I'm having the hardest time sticking to my fast. I can't seem to make it past two days with rice and water. I know I can't go without eating at all. I've tried that too. What would you suggest? I have started praying more, but I find myself repenting just as much. I thought I could handle this problem on my own. I guess not.

Thank you, M

Scott Johnson’s Comment: In all humility, this is super dangerous scripturally, see this report that just broke: <https://www.infowars.com/worlds-top-rugby-player-in-danger-of-losing-career-over-christian-faith/> You need more fear of God.

You need to get deliverance of this ASAP, See:

https://www.youtube.com/results?search_query=deliverance+from+porn+lust+ and then either get some kind of Bible based porn blocker (you can research this on the internet).

But first Do This:

How To Pass From Curse to Blessing by Derek Prince

Play: <https://www.youtube.com/watch?v=Nj5xbgqluE8>

Deliverance prayer and PDF with another prayer and extra teaching at bottom of description!!! Derek teaches how YOU can be free from curses that can affect your life. It turns out God has a lot to say about blessings and curses. And there is a way for us to enter into Gods blessing. This message shows 3 things . 1 what the symptoms are of being under a curse, 2 where curses can come from ,and 3 how to be free. It is very practical and down to earth. (I could not find this message anywhere else so I have uploaded it here . The audio is out of sync for a few moments in a few places but it catches up , no audio is missing) contains all 10 parts in one file extra summary and PRAYER AT END OF VIDEO (thanks Mark) The following was transcribed by me (

Mark Bellanco) for the convenience of those who want to recite the following prayer to themselves or others offline which is presented at the end of this video to release persons from curses in the name of the Lord Jesus Christ: From "How to Pass from Curse to Blessing" -- by Derek Prince 4 Principles: Recognize Repent Renounce Resist 7 Steps: 1) Establish a clear scriptural basis. 2) Confess faith in Christ. 3) Commit to obedience. 4) Confess any known sins of self or ancestors. 5) Forgive all other persons. 6) Renounce all contact with the occult and get rid of occult objects. 7) Release yourself in the name of Jesus. PRAYER: "Lord Jesus Christ, I believe that you are the Son of God and the only way to God, that you died on the cross for my sins and rose again from the dead. I renounce all my sins, and I turn to you, Lord Jesus, for mercy and for forgiveness, and I believe you do forgive me. And from now on I want to live for you. I want to hear your voice and do what you tell me. In order to receive your blessing, Lord, and to be released from any curse over my life, first of all I confess any known sins committed by me or by any of my ancestors or others related to me. Lord, I thank you that I believe you have forgiven everything that I confess. And, Lord, now I want to say that I also forgive all other persons who ever harmed me or wronged me. I forgive them all now as I would have God forgive me. In particular I forgive....(name the persons).... Furthermore, Lord, I renounce any contact by myself or any related to me with Satan or occult power in any form or any kind of secret society. Also, Lord, I commit myself to remove from my house any kind of occult object that honors Satan and dishonors Jesus Christ. With your help, Lord, I will remove them all. And now, Lord Jesus, I thank you further that on the cross you were made a curse, that I might be redeemed from the curse and might receive the blessing. Galatians 3:13 (KJV) Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree:

And because of what you did for me on the cross, I now release myself from every curse and every evil influence and every dark shadow over me or my family from any source whatever. I release myself now in the name of Jesus. Amen." PDF of a different Deliverance prayer and some teaching here is a link I found. I find it helpful to think of the "conditions to meet" that they list as possible keys to freedom. If you find one of them particularly applies to you then ask Jesus for help in that area. and then continue with the prayer.. Jesus sets us free.... we dont have to free ourselves first and then He helps us after that. PDF with another prayer and extra teaching

Second: Regarding deliverance what you would need is to go through this session (it is two parts) as many times as necessary till you are not manifesting any signs of expelling demons. He gets into all you need to know this in the video: <https://www.youtube.com/watch?v=HsVLS89YkVA&feature=youtu.be>

After that if you feel like you still need more help you will be in a much better position to proceed with further deliverance one on one. I have done this myself and I feel like a totally different person (in a good way). If you need further help here is a map of one on one deliverance ministers from the most trusted network I know of. Subject: **+4+ Listener Comment: Please do a study on forgiveness but what about forgiving the wicked?**

Name C

Message: *Thank you for your hard work and dedication to Christ and all of us. You're a safe harbor in this storm. It's terrible out here, meaning, "in the world."*

Please do a study on forgiveness. But also, I know that we are commanded to forgive our brethren. But Leviticus speaks of the wicked. Other Scriptures do too but I'm not an expert. I do know that He said some only know the whip and that we are not to pray for God's enemies. That the wicked are not our brethren.

So I pray to Jesus constantly about forgiveness. I've been up against people that are even my family, my now ex-husband, my now no longer beloved friends. I can't believe what is revealed about them. Seriously, I'm in utter shock and disbelief.

But it's all true. They have done things that can only be described as wicked; I'm not judging.

Something has changed, drastically. It began in 2012. But based on prophecy, the division of wheat and tares has occurred and is finished or is about to wrap up.

I don't know. But this is all signs of something radical happening.

Still though, I'm left in a sea of bitterness and unforgiveness. I asked Jesus to help me to forgive as I cannot do it myself.

Please do a study about this. Please help those of us so desperately afraid that we are on the wrong track.

And time is truly running out. Sincerely, C

Scott Johnson's Reply: C...I would try to forgive everyone (instantly if possible—if you feel you cannot and especially if you are in bitterness, **you need deliverance in this area—see below for the steps to follow**) Also when you are done with the steps below go to this link and pray about which ones the Lord would have you go through:

https://www.youtube.com/results?search_query=deliverance+unforgiveness+bitterness) We need to forgive if they are saved or unsaved as Jesus did: [Luk 23:33](#)

And when they were come to the place, which is called Calvary, there they crucified him, and the malefactors, one on the right hand, and the other on the left. [Luk 23:34](#) **Then said Jesus, Father, forgive them; for they know not what they do.**

And they parted his raiment, and cast lots. [Luk 23:35](#) And the people stood beholding. And the rulers also with them derided *him*, saying, He saved others; let him save himself, if he be Christ, the chosen of God. [Luk 23:36](#) And the soldiers also mocked him, coming to him, and offering him vinegar,

[Mat 5:43](#) Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine enemy.

Mat 5:44 But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;

Mat 5:45 That ye may be the children of your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust.

Mark 11:25 - And when ye stand praying, forgive, if ye have ought against any: that your Father also which is in heaven may forgive you your trespasses.

Matthew 6:14 & 15 - For if ye forgive men their trespasses, your heavenly Father will also forgive you: **But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.**

1 John 1:9 - If we confess our sins, he is faithful and just to forgive us [our] sins, and to cleanse us from all unrighteousness.

Matt. 18:15 Moreover if thy brother shall trespass against thee, go and tell him his fault between thee and him alone: if he shall hear thee, thou hast gained thy brother.

16 But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established.

17 And if he shall neglect to hear them, tell it unto the church: but if he neglect to hear the church, let him be unto thee as an heathen man and a publican.

Matt. 18:21-22: Then came Peter to him, and said, Lord, how oft shall my brother sin against me, and I forgive him? till seven times? Jesus saith unto him, I say not unto thee, Until seven times: but, Until seventy times seven.

23 Therefore is the kingdom of heaven likened unto a certain king, which would take account of his servants.

24 And when he had begun to reckon, one was brought unto him, which owed him **ten thousand talents.**

25 But forasmuch as he had not to pay, his lord commanded him to be sold, and his wife, and children, and all that he had, and payment to be made.

26 The servant therefore fell down, and worshipped him, saying, Lord, have patience with me, and I will pay thee all.

27 Then the lord of that servant was moved with compassion, and loosed him, and forgave him the debt.

28 **But the same servant went out, and found one of his fellowservants, which owed him an hundred pence: and he laid hands on him, and took him by the throat, saying, Pay me that thou owest.**

29 And his fellowservant fell down at his feet, and besought him, saying, Have patience with me, and I will pay thee all.

30 **And he would not: but went and cast him into prison, till he should pay the debt.**

31 So when his fellowservants saw what was done, they were very sorry, and came and told unto their lord all that was done.

32 Then his lord, after that he had called him, said unto him, O thou wicked servant, I forgave thee all that debt, because thou desiredst me:

33 **Shouldest not thou also have had compassion on thy fellowservant, even as I had pity on thee? <<Comment: This is the key. This is the mindset we need to always have.**

34 And his lord was wroth, and delivered him to the tormentors, till he should pay all that was due unto him.

35 So likewise shall my heavenly Father do also unto you, if ye from your hearts forgive not every one his brother their trespasses.

James 5:16 - Confess [your] faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.

Luke 6:27: But I say unto you which hear, Love your enemies, do good to them which hate you,

28 Bless them that curse you, and pray for them which despitefully use you.

29 And unto him that smiteth thee on the *one* cheek offer also the other; and him that taketh away thy cloke forbid not *to take thy* coat also.

30 Give to every man that asketh of thee; and of him that taketh away thy goods ask *them* not again.

31 And as ye would that men should do to you, do ye also to them likewise.

32 For if ye love them which love you, what thank have ye? for sinners also love those that love them.

33 And if ye do good to them which do good to you, what thank have ye? for sinners also do even the same.

34 And if ye lend *to them* of whom ye hope to receive, what thank have ye? for sinners also lend to sinners, to receive as much again.

35 But love ye your enemies, and do good, and lend, hoping for nothing again; and your reward shall be great, and ye shall be the children of the Highest: for he is kind unto the unthankful and *to the evil*.

36 Be ye therefore merciful, as your Father also is merciful.

37 Judge not, and ye shall not be judged: condemn not, and ye shall not be condemned: forgive, and ye shall be forgiven:

38 Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.

Colossians 3:13 - Forbearing one another, and forgiving one another, if any man have a quarrel against any: even as Christ forgave you, so also [do] ye.

Hebrews 12: ¹⁴Follow peace with all *men*, and holiness, without which no man shall see the Lord: ¹⁵Looking diligently lest any man fail of the grace of God; lest any **root of bitterness** springing up trouble *you*, and thereby many be defiled;

Ephesians 4: ²⁹ Let no corrupt communication proceed out of your mouth, but that which is good to the use of edifying, that it may minister grace unto the hearers.

³⁰And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption. ³¹Let all **bitterness**, and wrath, and anger, and clamour, and evil

speaking, be put away from you, with all malice: ³²And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you.
