+1+ When 1776 Meets 1941--Are You Prepared for the End of "Amerika"?"

Tuesday, May 21, 2019--**Other than a meaningless Attorney General's investigation that will produce no indictments, arrests or convictions, what has President Trump done recently which demonstrates he is in charge of the White House?**

CNN and Fox News are playing good cop/bad cop on the issues, but in reality, little good has happened since his first year in office. The economy still remains in a miserable state.

- **60% of America lives paycheck to paycheck**
- **25%+ of Americans do not have a bank account**
- **75% of Americans cannot handle a \$400 car repair bill**
- **The number of Americans who are working fulltime are still outnumbered by the unemployed and underemployed.**

His inaction on key issues far outnumbers his accomplishments. The President has failed to address the following:

- 1. Ending the foreign wars of occupation**
- 2. Ending the omnipresent power of the military industrial complex**

3. Failing to defend the First Amendment by ending the illegal censorship of social media
4. Failing to secure the border by all means necessary
5. Stopping the weather wars and other suspicious phenomenon that threatens America's food supply
6. Failing to prosecute even one member of the globalist-controlled-Deep-State.

America, prepare to defend yourself because the threats to our collective well-being are growing exponentially. We are living in a time when 1776 is about to meet 1941 because we now find ourselves in the dubious position, of facing a domestic terrorism on an unprecedented scale, a Red Dawn invasion force is being imported into this country as we speak and we are about ready to be destroyed by china and Russia as I write these words.

This is the first of a multi-part series in which it is chronicled that America has been set up to be utterly destroyed. Whether Trump's intentions were pure when he was elected no longer matters as the globalists forces (that dominate the Deep State) are much more powerful and are omnipresent in their opposition to any form of American populism. This is a global phenomenon. For example, in Australia, conservative political parties are having their cars blown up and their politicians and supporters violently attacked. The beginning of this revolutionary harassment are beginning to appear in America.

Outline of the Series of "When 1776 Meets 1941"

This series will be divided up into the following parts:

1. Introduction along with a retrospective look what America will look like when our defeat is final. The casualty reports and destruction of our economy has already been determined.
2. The 1776 Revolutionary Forces Committed to the Destruction of America's Culture and Constitutional Republic.
3. The "1941" calamity that awaits our military. After reading this part, you will never let your sons and daughters serve in the military, it is have been set up to be slaughtered.
4. The aftermath of defeat. This part will examine life in the post-war, and post-revolution defeat of America.

The outcome, the final body count and the destruction of America's military and economic standing has already been determined. It was foretold in something called the Deagel Report.

When I first wrote about Deagel, the concept was not well-received. However, since the actions of the elite have grown more ominous, some in the Independent Media are taking a second look and they are not liking what they are seeing and for very good reason.

Just who or what is Deagel? The power and influence of the corporation that few have ever heard of, is staggering. This is the modern day Zapata Oil, which was a CIA front corporation run by George H. W. Bush which in turn facilitated much of the Air America "drugs for guns" program in Latin America in the 1980's when Iran-Contra became a nationwide scandal.

My sources tell me that Deagel is the same exact kind of organization as Zapata Oil. Deagel ran guns through the Ambassador Chris Stevens and subsequently delivered them to al-Qaeda in Libya and in Syria at the time of Stevens' death. Deagel was intimately involved in Benghazi in ways that will be revealed in a later article. Deagel is not just a gun running/drug running/child sex trafficking organization, they are also intimately connected with the business as "Open source intelligence links". This means that Deagel and their partner (affiliations listed below) serve as marketing companies for the CIA and sell intelligence information to the highest bidder. Stratfor and Deagel provide the CIA with a minimum of two degrees of separation from nefarious operations which could taint the U.S. government and in particular, the CIA. These activities will be the topic of a future article. *The focus of the remainder of this article is the destruction and depopulation of the United States.*

Deagel is a group that gets their hands dirty and they play both sides of the fence. Please note the publicly available list of Deagel partners, listed below. They do business with the Russian Defense Procurement Agency, but they are largely an American contractor with ties into the U.S. Navy, the NSA and the CIA, through Stratfor. From the following information, we get a strong indication of how the U.S. is going to be depopulated. To further examine this possibility, take a look at a partial list of Deagel partners. The following list clearly shows that Deagel is "locked in" when it comes to the power centers on this planet. Please note that the time frame of these projections runs from 2014-2025. We are already half-way there and the evidence supporting this plan will be made very clear in subsequent parts of this series.

A Partial List of Deagel Partners

National Security Agency - <https://www.nsa.gov>

North Atlantic Treaty Organization (NATO - OTAN) - <https://www.nato.int/>

Organisation for Economic Co-operation and Development (OECD) -

<https://www.oecd.org>

OSCE - <https://www.osce.org>

Russian Defense Procurement Agency

Stratfor - <https://www.stratfor.com>

The World Bank - <http://www.worldbank.org>

United Nations (UN) - <https://www.un.org/>

In the beginning of 2014, Deagel published a projected demographic shift for every nation on the planet. The projections are noteworthy. **As one of the most prolific arms dealers and sellers of intelligence information on the planet, Deagel would be in a unique position from which to make projections with regard to coming world events as well as being able to anticipate dramatic shifts in global power. Not surprisingly, Deagel has made such a projection and the news is not good for the United States. Below is a list of projected changes for the United States during the time frame covering 2014-2025.**

United States of America Projected Changes from 2014-2025

Year: 2013

Population: 316 million

Gross Domestic Product: \$17 trillion

GDP per capita: \$52,838

Budget: \$5.8 trillion

Military Budget: \$726 billion

Forecast 2025

Population: 69 million

Gross Domestic Product: \$921 billion

GDP per capita: \$13,328

Military Budget: \$8.0 billion

Please note the how the changes in U.S. population covering an 11 year period mirror what I previously wrote in the America 2050 article. **The projected and dramatic**

downward shift in America's population are nearly identical when one compares the America 2050 documents and the Deagel projections.

There is another striking projection which should alarm every American. In 2013, the U.S. military budget was \$726 billion dollars. However, the projected 2025 projected budget is only \$8 billion dollars. This clearly points to the fact that the CIA, through Deagel, is projecting that the United States is going to be militarily conquered within the next 10 years. The mere \$8 billion dollar projected 2025 military budget speaks to a domestic martial law type of occupation force. *With this kind of budget, the U.S. would not even be able to engage in regional conflicts.*

Conclusion

No doubt that many Americans will be angered by what they are reading here. It is hard to imagine the total defeat of our nation. By 2025, it is projected that our military will be obliterated and economy will lie in ruins. Many of us will be hunted because we will be living in an occupied country. This is why I wrote the predictive programming piece about the TV show, Colony (1).

What about the lock and load mentality of many Americans. You can bet there will be very still resistance. However, it will quickly morph into an different kind of resistance that we have not seen since Washington led our revolutionary army.

The next part of this series will deal with the treason, betrayal and infiltration of America and the role that they will play in contributing to the demise of "Amerika

US intercepts Russian bombers, fighter jets off the coast of Alaska

US F-22 stealth jets intercepted four Russian bombers and two Russian Su-35 fighter jets off the coast of Alaska on Monday, according to a statement from North American Aerospace Defense Command.

The Russian nuclear capable long-range bombers flew into the Air Defense Identification Zone, which extends approximately 200 miles off Alaska's western coast.

The Russian bomber flights are seen by US military officials as part of Moscow's effort to train its military for a potential crisis while simultaneously sending a message of strength to adversaries.

Did President Trump Convert to Judaism? & Could Jared Kushner be President Trump's Vice President Pick for the 2020 Presidential Race?

This actually makes sense once you really think about it! Many people have wondered if Jared is actually the antichrist that will make a peace covenant in the Middle East. Add the fact that POTUS has never asked Jesus for forgiveness, and a Christian is 'known by his fruits', obviously Trump is not a Christian.

Trump has reportedly told close senior White House associates that he wants Jared Kushner on the presidential ticket in 2020. Two senior sources said the President has expressed he would prefer Kushner as Vice President over Mike Pence, in part due to the fact Trump believes Kushner is the Jewish "Messiah" or Moshiach. The sources added that Trump said he generally likes the job Mike Pence has done, but that "things are moving so quickly with our plans in Israel, that we need Kushner closer to power." The quote was provided by a source who said that Trump said this, verbatim, word for word. The source did not speculate on what the President meant by "plans in Israel" or why Kushner would need to be closer to power.

+2+ FEDS TO GAS PRISONERS DURING MARTIAL LAW--A Very Telling Suicide Note

First reported on 8 May 2016 A 42-year-old ICE officer shot himself with a 40 caliber service pistol inside Pier 40 in Hudson River Park at around 11 am. Sources that I have consulted with have cautioned me to not necessarily buy into the suicide explanation as the cause of death. The information is sparse but I feel compelled to say that there is not enough evidence on either side of the debate to determine whether this agent was

suicidal or a whistleblower that was murdered. Here are some **excerpts** from the alleged suicide note:

"The America I grew up in, and cherished, has been murdered by its own federal government. Our Constitution has become meaningless and our laws politicized so badly, they are no longer enforced except for political purposes" the note said. "Our elected officials are, to a person, utterly corrupt and completely devoid of any love or respect for the country which pays them. To them, everything is about getting and keeping power, and making illicit money from backroom deals."...

... "If the American people knew what this government is planning, they would rise-up and overthrow it. If I or anyone else in the federal government revealed what is coming, we would be killed anyway, so now I will reveal what I know.

We in federal law enforcement have been drilling for several years to control riots and uprisings from a coming financial collapse and widespread bank failures. The drills involve life-sized images of American men, even women and children, whom we are told to shoot for "practice" and to "get used to it."

..

A couple of days ago, I authored an article that was based on an anonymous email I was sent regarding the mechanics of gun confiscation. The context made it clear that the email came from someone inside of DHS. I want to repost an excerpt so that the reader can clearly see how the dots connect between these two sources.

Related excerpts from *The Common Sense Show*: *I am not totally on board with what I have been training to do with regard to Americans and their Second Amendment gun rights. I am eligible to retire in three years and my protests will accomplish nothing and I would lose my retirement. So you could say that I go along to get along. ... There are people in our government who are determined to take your guns.... ... We have trained in mock cities on how we will accomplish this feat... ... Our support vehicle trains its guns on the house. the assault teams consist of a dozen men each. The armored support vehicle has orders to immediately fire upon anyone appearing in a window with anything that could be construed as a gun... If the occupants are nonresponsive, we enter after knocking down the front door. Before going in, we have already viewed the schematics of the target house. Yes, we have the blueprints for virtually every house in America. We go in hot and are trained to use deadly force against any any all perceived resistance. We don't use tear gas, we are trained to shoot any resisters... ... Upon entering the house we are trained to identify ourselves and order everyone out of the house under gunpoint. We have trained on mock houses in which guns were hidden in the attic, under the bed, in a safe and even in underwear drawers. If the seized guns are legally registered, we seize the guns and let the family return. If the guns are illegal or not registered, we take*

the entire family into custody. **We have practiced transporting families to differential holding facilities re children, men and women are held in different facilities...**

...One of the reasons that I am writing to you is because you have identified **Camp Grayling as a detention facility during the Jade Helm drills**. During that time my team trained foreign soldiers at the camp in the art of securing new prisoners. My training of foreign nationals makes me suspect that future gun confiscation efforts will be conducted under the auspices of the United Nations although I have not been told that. **This is where I part company with my employer. I will not participate in such an operation...** The dead ICE agent said the same thing. Back to the "suicide note:.

...**We have been told that the economy is terminally ill and will fail... We are also told the banks are all insolvent and the FDIC doesn't have nearly enough funds to bail out depositors. We are told these events are unavoidable and it is imperative that the government survive when people rise-up over this....**

...**When the collapse takes place, detention camps created under the FEMA REX-84 program in the 1980's to house illegal aliens whom we were going to deport, will instead be used to imprison American Citizens whom the government feels constitute a "threat." American citizens will be rounded-up without warrants and imprisoned without trial for God knows how long.**

These camps have been equipped to carry out Hitler-scale killings! An actual "purge" of Americans citizens by the very government which they, themselves, created and pay for! I cannot be party to this."...

...**The government knows the military will rise-up to stop this, so our military is being deployed overseas and intentionally involved in foreign fights so they cannot be here to help Americans! This is why certain ammunition and weaponry has been removed from state-level National Guard Armories and over a Billion rounds of hollow point ammunition has been bought by the federal government. The states themselves have been disarmed of military-grade firepower so they cannot defend themselves from the federal activities. This is also why local police departments have been militarized and provided with armored vehicles and weapons of war...**

Interestingly, I interviewed the first female guard at San Quentin prison, Barbara Peterson, and she validated the following statement in the so-called suicide note:

Every federal prison has been outfitted with lethal gas systems. When things go bad, all prisoners in all prisons will be placed in their cells on lock-down. Prison staff will depart the facility, and a certain designated person will trigger a lethal gas system. All federal prisoners, regardless of their crime or their sentence, will be gassed to death in their cells. Once the gas clears, the dead will be removed and the prisons will then be used to house citizens who fight against the federal onslaught.

The note also makes mention about Priests, Rabbis and Clerics from various religious denominations having been recruited and trained to quell resistance: **"So intent is the government to succeed they have recruited priests, rabbis and clerics from various religions to quote appropriate Scriptures about "obeying government." They are being trained to tell people not to fight back and that their best hope is to pray."**

EXECUTIVE ORDER 13603

The suicide note goes to great lengths about Executive Order #13603 signed by President Obama on March 16, 2012. The note details:

Executive order 13603 about “National Defense Resources Preparedness.”

This 10-page document is a blueprint for a federal takeover of the economy.

Specifically, Obama’s plan involves seizing control of:

- * “All commodities and products that are capable of being ingested by either human beings or animals”

- * “All forms of energy”

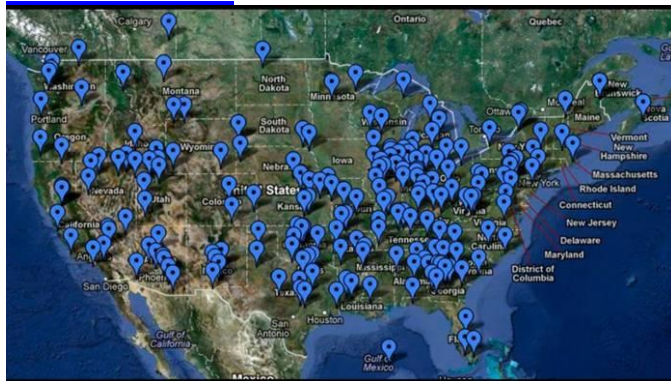

- * “All forms of civil transportation”

- * “All usable water from all sources”

- * “Health resources – drugs, biological products, medical devices, materials, facilities, health supplies, services and equipment”

- * Forced labor (or “induction” as the executive order delicately refers to military conscription)

Read More: [FEMA Concentration Camps | Location And Executive Orders | The Road To Hell...](#)

Federal officials would “issue regulations to prioritize and allocate resources.

This Executive Order from the Government Printing Office (GPO) web site and, sure enough, everything contained in the Officer’s suicide note about this Executive Order is true!

Much of this language has appeared in national security executive

orders that previous presidents have issued, but more than previous national security executive orders, Obama’s 13603 seems to describe a potentially totalitarian regime obsessed with control over everything.

Obama’s executive order makes no effort to justify the destruction of liberty, no effort to explain how amassing totalitarian control would enable government to deal effectively with cyber sabotage, suicide bombings, chemical warfare, nuclear missiles or other possible threats.

There’s nothing in executive order 13603 about upholding the Constitution or protecting civil liberties. In what circumstances, one might ask, would a president try to carry out this audacious plan? Executive order 13603 says with ominous ambiguity: during “the full spectrum of emergencies.”

DATABASE OF PREPPERS

The suicide note touches on the subject of “Preppers.”

“We in federal law enforcement have also been told that the government has a full database of all so-called “Preppers.” Those people will be dealt with first by armed federal agents coming to take their guns, then their food stocks, so food can be re-distributed as the government sees fit.”

Conclusion

Please note the commonalities between the suicide note and the email I was sent from a suspected DHS agent. I believe as they events unfold, we are going to see more and more revelations like these. At some point, a critical mass of information will be reached. However, one hopes that when the majority of Americans become aware of their betrayal, it is not too late act.

Bible Verses on Worry and Anxiety

Philippians 4:6: Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God.

7 And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

Outline of Biblical Usage: Careful

1. to be anxious

1. to be troubled with cares

Matthew Chapter 6

25 Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?

26 Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?

27 Which of you by taking thought can add one cubit unto his stature?

28 And why take ye thought for raiment? Consider the lilies of the field, how they row; they toil not, neither do they spin:

29 And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these.

30 Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, [shall he] not much more [clothe] you, O ye of little faith?

31 Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?

32 (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things.

33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

34 Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. **Sufficient unto the day [is] the evil thereof.**

Philippians 4:13 - **I can do all things through Christ which strengtheneth me.**

1 Peter 5:7 - Casting all your care upon him; for he careth for you.

2 Timothy 1:7 - For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

Philippians 4:19 - But my God shall supply all your need according to his riches in glory by Christ Jesus.

[Isaiah 26:3](#) - Thou wilt keep [him] in perfect peace, [whose] mind [is] stayed [on thee]: because he trusteth in thee.

[Psalms 23:1-6](#) - 1 (A Psalm of David.) The LORD [is] my shepherd; I shall not want. 2 He maketh me to lie down in green pastures: he leadeth me beside the still waters. 3 He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. 4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou [art] with me; thy rod and thy staff they comfort me. 5 Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. 6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD for ever.

[John 16:33](#) - These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.

[Romans 8:28](#) - And we know that all things work together for good to them that love God, to them who are the called according to [his] purpose.

Biblical Resistance to Tyranny--Bible Verses Regarding Defending & Protection of the Innocent & Children

Protection of our families is part of providing for our families:

1Ti 5:8 **But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.**

In the context of this verse the Noah Webster's 1828 defines the word 'Provide' as: *PROVIDE, v.i. To procure supplies or means of defense; or to take measures for counteracting or escaping an evil.*

[Psalm 82](#): ¹ God standeth in the congregation of the mighty... ² How long will ye judge unjustly, and accept the persons of the wicked? Selah. ³ Defend the poor and fatherless: do justice to the afflicted and needy. ⁴ Deliver the poor and needy: rid *them* out of the hand of the wicked.

[Pro 24:10](#) *If thou faint in the day of adversity, thy strength is small.*

[Pro 24:11](#) *If thou forbear to deliver *them that are drawn unto death, and those that are ready to be slain;**

[Pro 24:12](#) *If thou sayest, Behold, we knew it not; doth not he that pondereth the heart consider *it*? and he that keepeth thy soul, doth *not* he know *it*? and shall *not* he render to every man according to his works?*

[Matthew 18:10](#) - Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven.

[Mark 9:37](#) - Whosoever shall receive one of such children in my name, receiveth me: and whosoever shall receive me, receiveth not me, but him that sent me.

[Psalms 127:3](#) - Lo, children [are] an heritage of the LORD: [and] the fruit of the womb [is his] reward.

Hebrew 11:23: By faith Moses, when he was born, was hid three months of his parents, because they saw *he* was a proper child; and they were not afraid of the king's commandment.

Mark 9:42 - And whosoever shall offend one of [these] little ones that believe in me, it is better for him that a millstone were hanged about his neck, and he were cast into the sea.

Proverbs 14: ²⁵ A true witness delivereth souls: but a deceitful witness speaketh lies. ²⁶ In the fear of the LORD is strong confidence: and his children shall have a place of refuge. ²⁷ The fear of the LORD is a fountain of life, to depart from the snares of death.

Pro 31:8 Open thy mouth for the dumb in the cause of all such as are appointed to destruction.

Pro 31:9 Open thy mouth, judge righteously, and plead the cause of the poor and needy.

The KJV translates Strong's H483 in the following manner: **dumb** (6x).

Outline of Biblical Usage: mute, silent, dumb, **unable to speak**

A Warning Message For Everyone Listening: You're In Unusual Danger

Radical Left endorses widespread violence and assaults on conservatives and Christians... death squads the next step?

The radical Left has now jumped the shark, with calls for violence against conservatives and Christians now being made by mainstream media outlets and commercial businesses run by “progressives.” This normalization of demanded violence against conservatives is the latest escalation among progressives who appear to be part of a dangerous authoritarian cult that demands the silencing and extermination of all political opponents.

For example, a [Nigel Farage bus tour was just threatened](#) by masked protesters. A CBS News [broadcast an endorsement](#) that called for progressives to engage in acts of violence against conservatives. The View’s [Joy Behar has called for all Republicans to be jailed](#) for daring to support Trump, and [CNN has a long history of calling for violent acts](#) against political opponents.

While the lunatic Left claims to stand for “diversity” and “tolerance,” in truth Leftists are increasingly and openly calling for acts of violence — including murder — against conservatives and Christians.

The truly shocking realization is that this escalation will sooner or later lead to left-wing death squads being unleashed to mass murder conservatives, Christians, Trump supporters and gun owners. Based on the escalating rhetoric and increasingly violent actions already being committed by deranged Leftists today, this escalation isn’t far off.

Once the left-wing death squads are unleashed, no one on the Left will speak out against them, obviously. We know that because there’s virtually no one on the Left that is speaking out against the silencing of conservatives or the physical attacks taking place against conservatives right now. In other words, nobody on the Left thinks there’s anything wrong with silencing, defaming, de-platforming, de-monetizing or just flat-out murdering their political opponents.

The Left has become lawless, irrational and insane. Leftists respect no laws, no rules, no logic, no evidence, no reason and no real diversity at all.

This is the new radicalism of the runaway Left, which has morphed into an authoritarian cult that’s afflicted with mass mental illness. This authoritarian cult demands absolute obedience on everything, including transgenderism, climate change, vaccine compliance, open borders and everything else imaginable. It’s gotten so insane that if you don’t celebrate the mass murder of babies *after* they’re born (infanticide), you are demonized by the left.

It's Not OKAY To Be White Anymore! The World Says: “All Whites need to Die!!!!!!!!!!”

It’s not okay to be white, according to New Zealand’s Human Rights Commission.

The commission, backed by the New Zealand government’s [Ministry of Justice](#), condemned shirt company Trade Me for printing shirts that say “It’s Okay To Be White.” “Material of this nature is not likely to meet the high threshold set out in section 61 and section 131 of the Human Rights Act,” a Human Rights Commission spokesperson [told The New Zealand Herald](#) on Wednesday.

“However, this phrase is known to be associated with white supremacist groups around the world. Despite what the advertisements say, it seems likely that the stickers and t-shirts are intended to convey a message of intolerance, racism and division. There is no place for that in New Zealand.”

The seller, vjm_publishing, describes the shirts as a way to “counter-signal the Marxists and other anti-white bigots with these decals, featuring the most successful /pol/ meme of 2017!”

“An ‘It’s okay to be white’ T-shirt will let people know that you are not a racist who thinks that a child can be born into sin if others with the same skin colour have acted badly in the past.”

“Wear this shirt as a white person to troll your local Communists, or wear this shirt as a brown person to troll stuck-up middle-class urbanites. Either way it’s funny!”

How saying that it’s okay to be white is intolerant or divisive is unclear, but it’s certainly ironic given the constant barrage of [anti-white](#) and [anti-Semitic](#) tropes and rhetoric coming exclusively from the mainstream media.

Trade Me has since caved to the left and removed the listing despite the fact it didn’t violate company rules.

American retail chain Target recently donated \$100,000 to a non-profit whose founder praised a NAMBLA advocate and teaches students and teachers in schools grades K-12 about “sexual orientation, gender identity, and gender expression.”

The group, GLSEN, was founded by [Kevin Jennings](#) in 1990 with a plan to be “the leading national education organization focused on ensuring safe and affirming schools for LGBTQ students.”

Jennings was President Obama’s Assistant Deputy Secretary of the Office of Safe and Drug Free Schools at the U.S. Department of Education from 2009 to 2011 where he [continued pushing](#) a pro-homosexual agenda in American schools.

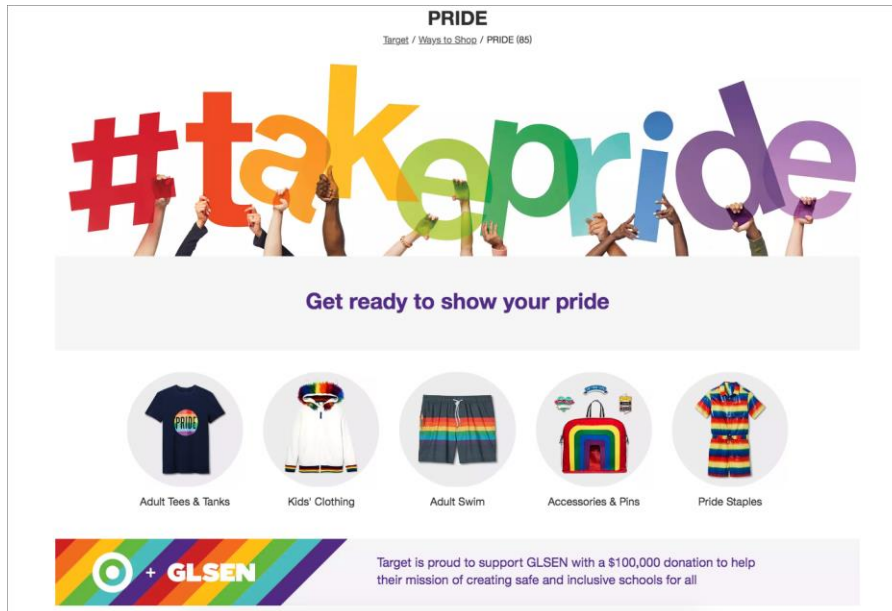

As a part of the government’s Common Core initiative, GLSEN teaches elementary school children in grades 3-5 about “gender identity and expression,” and “gender-neutral” pronouns according to a [lesson plan](#) on their website.

In 2009, [Jennings was under fire](#) for failing to report a 15-year-old sophomore student in his school who told him about his sexual relationship with an older man.

The GLSEN founder was also criticized for praising [Harry Hay](#) who frequently defended the North American Association for Man-Boy Love Association (NAMBLA).

Target’s Executive Vice President, Chief Marketing and Digital Officer, Rick Gomez happens to be on [the board of GLSEN](#), as promoted on the department store’s website.

In addition to the generous donation, Target has [started selling](#) its own line of LGBTQ products, including kids and baby clothes.

The kids clothing includes rainbow-clad shirts reading, “Love my dads,” “Love my moms,” “Come out and party,” along with other slogans.

IKEA Canada raises rainbow flag to mark pro-LGBT ‘Day Against Homophobia’

IKEA locations in Canada raised a rainbow flag today to commemorate the pro-homosexual “International Day Against Homophobia Transphobia and Biphobia.” IKEA Canada president Michael Ward said raising the pro-homosexual flag symbolizes IKEA’s commitment to “diversity and inclusion.”

"At IKEA, caring for people, diversity and inclusion are embedded in our vision and in our values," he said. "We strive to have a diverse and inclusive work environment where

co-workers feel valued for their uniqueness, recognized for their diverse talents and where they can be themselves."

The British, European Commission, and Canadian governments, along with several other global corporations, also commemorated the day in concert with the United Nations.

Pope Makes 'Antichrist Covenant' & Summons New World Order

During a recent speech he made before the *Pontifical Council for Justice and Peace* in Rome on December 3, Pope Benedict XVI, the current leader of the Roman Catholic Church, called for what can only be described as a unified world government, which he dubbed a "new evangelization of society" that aligns with the spirit of visions brought forth by previous popes.

While addressing the council, Pope Benedict XVI made numerous references to this "new evangelization" as an integral part of the Roman Catholic Church's world mission. And when defining what this phrase actually means, Pope Benedict XVI spoke about how individualism must be transformed into a type of communalism marked by interconnectedness and "family formation" on a global scale.

Part of this entails the "construction of a world community," as translated from the original speech, which was given in Italian. And to guide this world community will be a "corresponding authority" whose purpose it is to serve and promote the "common good of the human family." In other words, a "New World Order," in no uncertain terms, is the ultimate goal of the Roman Catholic Church.

Contrary to so much false reporting, 5G has NOT been canceled by Trump nor has its harmful effects been eliminated because that's impossible

Posted on [May 22, 2019](#) by [State of the Nation](#)

<<The various carriers have promised 5G deployments in cities around the country. This map shows some of the announced locations.

SOTN has received numerous emails from our extremely concerned 5G audience about the YouTubers* who have been saying that President Trump cancelled 5G. He did NOT cancel 5G and he has been the nation's biggest promoter of this

technology platform because of what it really means in the escalating competition with China.

In point of fact, all the major *Big Telecom* providers are in a race to see who can deploy 5G quicker than their competitors.

Not only that; but Trump himself has on several occasions, portrayed himself as an unabashed 5G supporter. He has even deputized Ivanka to assist with the U.S. Federal Government's piece of the 5G roll-out. Both Jared Kushner and Ivanka Trump have played integral roles in coordinating the government's part in this nakedly unlawful roll-out.

Not only that, but Trump has said that he cannot wait for 6G... and then 7G.

SOTN has previously addressed this deadly serious matter in an open letter to the POTUS.

[5G ROLL-OUT CATASTROPHE: An Open Letter to President Donald J. Trump](#)

Truly, there are so many examples of indisputable evidence about the ongoing 5G roll-out across America, that to deny it is a product of extreme self-deception... .. which is often the result of a life-long addiction to deception in general.

Much more importantly for the American people is that such an absurd collective denial will create the circumstances fit for a future devastating 5G calamity to transpire across the USA. We're talking about a continuous cataclysmic event on an order of magnitude of a many times greater than the 9/11 terrorist attacks. See [The 5G Roll-out is Trump's 9/11](#)

Now that this deliberate "No 5G" psyop has been exposed, what's critical for everyone to understand is where the actual roll-out is taking place AT THIS VERY MOMENT. As follows:

- [More cities just added to ATT's 5G roll-out list for 2019](#)
- [These are the cities with 5G or getting 5G in 2019](#)

Now that we have that settled, let's take a much closer look at the emerging **5G super-hotspots**. It's becoming quickly apparent that these **5G Super-Hotspots** will soon be the most dangerous places on Earth.

It ought to be intuitively obvious to all 5G monitors that the highest profile venues in the major metro areas are being stealthily set up as **5G super-hotspots**. For those who lack the awareness, or who have yet to educate themselves about the now pervasive WiFi electro-pollution, the link below breaks down the swiftly unfolding **5G super-hotspots** crisis.

5G Super-Hotspots: You better know where the “kill zones” are located!

In light of these grim realities, it really is necessary for every concerned resident of the 50 states to know their hometown real well wherever 5G has been publicized as being activated.

Which brings us back to the purposeful disinfo campaign on the Internet that’s putting out this dangerously misleading information.

So many folks here in the Sunshine State, who have climbed on board the “[Stop 5G in Florida](#)” movement, have expressed grave concern about the other types of fake news regarding this roll-out.

Even many *Alt Media* websites have published utterly ridiculous articles stating that Team Trump has ensured that the 5G used in the United States will be stripped of any destructive electromagnetic frequencies and harmful microwave radiation. Oh, really?!?!

These ignorant agents of *Deep State* are that clueless about the very definition of the 5G platform as it has been fastidiously developed as the fifth generation of cellular network technology that provides broadband access.

In other words, it’s the significantly higher EMF ranges and stronger microwave radiation output that constitute the much more powerful 5G energy grid which is absolutely necessary to power up the *Internet of Things*.

Which brings us to the real reasons for this military deployment of 5G throughout the country. Please watch the video below for further edification.

5G WEAPONRY: Microwave Radiation Technology Being Deployed as Depopulation Warfare, Full Spectrum Dominance & Total Human Control (Video)

Play to 3:25: <https://youtu.be/ol3tAxnNccY>

Many of the same folks who claim 5G has been canceled have also claimed that the chemtrails were terminated by President Trump.

Not only has this NOT occurred, the chemtrail spraying across the USA has been worse than ever since Trump first took office. The incessant ‘trails have gotten

so bad that our sister site published this open letter to the president. If President Trump is really in charge, then why are the chemtrails worse than ever?

As further proof that the chemical geoengineering regime has substantially intensified since Trump’s election, catastrophic weather events have likewise increased in number and severity. In fact, there have been so many weather-related disasters and so much climate chaos that every region of the nation has undergone a unique type of devastation. For example:

HURRICANE MICHAEL: A Geoengineered Superstorm

Targeting Tallahassee and Florida Panhandle—Why!

OPERATION TORCH CALIFORNIA: A Special Report on the Firestorm Terror Operation

WEATHER WARFARE: Midwest Flooding Catastrophe Caused by the Same Geoengineering Scheme as the Great Flood of 1993

So, there's no question that the chemtrail operations have been amped up nationwide; especially in the capital cities like Tallahassee Florida. See: **THEY'RE PUTTING THE CHEMTRAILS ON SUPER STEROIDS**

What's really strange about these various disinfo plots is that people everywhere can look up and see the chemtrails sprayed in real-time. They can then watch the chemclouds form as their forecasted perfectly sunny day is rapidly transformed into overcast via chemcloud cover from horizon to horizon.

There is one last reason why the deployment of 5G continues unabated—Israel! The state-of-the-art 5G technology was developed in Israel. President Trump has a very special relationship with Israel and is unusually close to Prime Minister Benjamin Netanyahu. Bibi as he is known to many, is no friend of the American people as seen from his own words. See **Prime Minister Netanyahu speaks candidly about Israel's true intentions towards America?**

When one also considers the fact that Israel has banned 5G and that they presently utilize a 3G energy grid, it begs the question “WHY ? !”

Here's why 5G is NOT allowed in Israel where it was developed

Conclusion

When the FCC approved the 5G national deployment and did so in a manner that state, county and city governments cannot stop it, you know this government-corporate juggernaut has been set in motion by forces much greater than the White House. After all, the chemtrails are still being sprayed like never before in broad daylight; why, pray tell, would the same perps discontinue the 5G roll-out? Of much greater importance, however, is the proven fact that 5G has never been sufficiently tested for safety and/or adverse health effects. The rigorous testing that has been conducted has provided much irrefutable evidence showing just how perilous this technology really is—for both humanity and the biosphere.

Perhaps it's time for every community in America to launch their own lawsuits that will piggyback on this vital anti-5G legal initiative: **5G Roll-out Facing \$1 Trillion Class Action Lawsuit**.

+4+ Iran President: "U.S. Blocking our Ships from ALL Countries for 10 days . . ."
26 May 2019

President of Iran Hassan Rouhani told the Iranian people via television today that the United States has blocked ALL Iranian vessels from ports in ALL countries for the past ten days.

"We haven't encountered a similar situation in 40 years of revolution history. We won't surrender" he said.

He went on to say the United States tracks all Iranian vessels via satellite and when it appears a vessel is heading to a particular port, the US either sends a military vessel into that port, or US officials contact the port, to remind them of Sanctions, which causes the port to REJECT the Iranian vessel from docking.

This is having a devastating effect upon Iran economically. Unable to sell its domestically produced products or raw materials (like oil), the country is rapidly going broke.

They will soon reach a point where they have to negotiate an end to sanctions, go to war, or succumb to national bankruptcy.

Rouhani was clear "We will not surrender."

In the meantime, US troops stationed in north Eastern Poland had a day off celebrating Memorial Day in states, and hit local towns for some R&R.

Local bar owners had a busy day filled with Americans. One cab driver told me he heard the troops say they're shipping out of Poland within days heading to the Middle East.

Looks like war is on the menu between the US and Iran.

+5+ Alex Jones: Working With “The Disinformation Company” Which Is Owned and Controlled by Satanists

08/16/2015-- **The work of right-wing loud-mouth alternative media celebrity Alex Jones, including a number of documentaries, like *Endgame: Blueprint for Global***

***Enslavement and New World Order*, and his book *The Answer to 1984 Is 1776*, were distributed and or published by Satanist and Crowleyite Richard Metzger’s “The Disinformation Company”, which connects technopagans and transhumanists. Metzger was the host of the TV show Disinformation, the Disinformation Company and its website Disinfo.com, featuring the tagline**

“everything you know is wrong,” that focuses on current affairs titles and seeks to expose alleged conspiracy theories, occultism, politics, news oddities and purported disinformation.

Metzger admits that from an early age he identified himself as a “warlock,” and that, “through a careful study of [Kenneth] Anger’s work and through this influence, in part, I continued to move towards combining my career ambitions of working in film, television and publishing with my private magical interests.”^[1] Anger, the notorious producer of Crowley-inspired underground films, was the key figure around which swirled the network of Laurel Canyon musicians, occultists, and members the Manson Family and the Church of Satan. Ultimately, Metzger considers the Disinformation Company to be a “magick business,” and explains:

Magick—defined by Aleister Crowley as the art and science of causing change in conformity with will—has always been the vital core of all of the projects we undertake at The Disinformation Company. Whether via our website, publishing activities or our TV series, the idea of being able to influence reality in some beneficial way is what drives our activities. I’ve always considered The Disinformation Company Ltd. and our various activities to constitute a very complex spell.^[2]

In 2003, Metzger put together *The Book of Lies*, named after Aleister Crowley’s book of the same name. Subtitled *The Disinformation Guide to Magick and the Occult*, the book is an anthology of occultism that features almost the entire pantheon of its modern-day exponents, from Discrodians, technopagans to transhumanists. According to the book’s description:

Disinformation’s “wicked warlock” Richard Metzger gathers an unprecedented cabal of modern occultists, magicians, and forward thinkers in this large format Disinformation Guide. Just as Russ Kick’s Guides focusing on secrets and lies

from the mainstream media, government, and other establishment institutions rethought what a political science book could look like and whom it would appeal to, *Book of Lies* redefines occult anthologies, packaging and presenting a huge array of magical essays for a pop culture audience.

Libertarianism Exposed as Unbiblical

Alex Jones shares a belief with the Satanists: libertarianism; which is effectively, is founded on the satanic tenet of "do what thou wilt." Comment: Apart from God obviously Libertarianism can quickly degenerate into some very evil:

Libertarianism (from Latin: *libertas*, meaning "freedom") is a collection of political philosophies and movements that uphold personal liberty as a core principle.^[1]

Libertarians seek to maximize political freedom and autonomy, **emphasizing freedom of choice, voluntary association, and individual judgment.**^{[2][3][4]} Libertarians promote individual liberty and seek to minimize the role of the state.

Proverbs 14:12 & 16:25: "There is a way which seemeth right unto a man, but the end thereof are the ways of death."

Proverbs 28:26: "He that trusteth in his own heart is a fool: but whoso walketh wisely, he shall be delivered."

Jeremiah 17: 9 & 10: "The heart is deceitful above all things, and desperately wicked: who can know it? I the LORD search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings.

The abortion debate is mainly within right-libertarianism between cultural liberals and cultural conservatives as left-libertarians generally see it as a non-issue as they support legal access to abortion as part of their general support for individual rights, especially in regard to what they consider to be a woman's right to control her body.^[1] Libertarians are also supportive of LGBT rights which will ultimately strip the rights of Christians away if left unchecked, see:

https://en.wikipedia.org/wiki/Libertarian_perspectives_on_LGBT_rights

2Co 6:14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

2Co 6:15 And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

To say that Jim Wallis inspires controversy is a bit of an understatement. From his 22 arrests for civil disobedience to his feud with Glenn Beck, Wallis isn't shy about saying what's on his mind. According to Wallis, libertarianism is "a political philosophy that holds individual rights as its supreme value and considers government the major obstacle. It tends to be liberal on cultural and moral issues and conservative on fiscal, economic, and foreign policy."

Ultimately, however, the libertarian movement in the United States is a front for the CIA and World Bank, through its promotion of the economic theories of the Mont Pelerin Society, which is associated with the occult tradition of synarchy.^[13] MK-Ultra agent Timothy Leary was also a libertarian and supported the candidacy of Ron Paul for president in 1988 as leader of the Libertarian Party. A floppy disk was sent out as an invitation to a Ron Paul fundraiser hosted by Timothy Leary at his home in Benedict Canyon. See: ^[14]

Alex Jones Trannygate Explodes! You Decide!

Did God expose Alex Jones and his lies this week when a camera shot of his iPhone showed he was watching some sick type of Tranny porn? Well something's going on because apparently from what I read on 4chan, there was an attempt by infowars to change the raw footage and say the original footage was hacked! But I guess that wasn't working so infowars abandoned that effort and Alex admitted to the Tranny porn on his phone!

Glenn Canady Said: "Alex also lies and says there are two types of people – "People that look at porn and those that lie about it!" This is another lie because not everybody looks at porn! I don't and know many people who do not do this. We're tired of him having a 30 million man army he refuses to send door to door with weekly flyer drops on doorsteps because his masters won't allow it! Alex could send 30 million people out there with 1,000 flyers each and basically wake up most of the planet! He could give weekly prizes for those who spread the most flyers on the Federal Reserve, chemtrails, vaccines and much more. Plus he would make a fortune in product sales but he WILL NOT DO IT! See for yourself, email him at showtips@infowars.com and watch him run from you too! I know Alex won't ever mobilize his army door to door because I personally put up a \$1,000 reward and had people call into his show and he hung up on them! If George Washington was in command and discovered Alex Jones was intentionally not mobilizing his 30 million man army door to door (only thing that can't be censored), he would hang Alex Jones for treason!"

Liberals Are Pressing Hard To Make Pedophilia Legal In Preparation Of Islamic Sharia Law In America

UPDATE MAY 20 2019: *This article was written exactly 4 years ago today. So where do we stand on the subject of Liberals, Islam, pedophilia and Sharia Law? It's worse than you might think. True, the Islam-loving **Barack Hussein Obama** is no longer president, Donald Trump is. But the wheels set in motion during Obama's presidency remain largely in motion in 2019. In just a few short years, the Democratic Party has*

gone waaaay to the Left and become Socialist, and already elected two Muslim women to Congress. The LGBTQ+ is more aggressive than ever, and with each passing day they grow closer to adding the 'P' for pedophile to their umbrella of protection.

Original article from 2015 follows here below:

I know that the greater percentage of readers of NTEB are Christian, and the content of that article was so disgusting – I told people to stop reading if they could not handle knowing what the Muslims do. **It's all from the Qu'ran. Muhammad literally wrote the book on perversion.**

I wrote on the practice of Islamic female genital mutilation. I also wrote about grown men having sex or foreplay with girls younger than nine years old. **Oh yes! Even the Ayatollah summed up the guidelines of how men are to derive sexual pleasure with young girls and boys according to their book: Warning Mature Content: Khomeini's Book – Sex with Children and Animals**

The leader of the Iranian Revolution in 1989, Ayatollah Ruhollah Khomeini, wrote extensively on Islamic Jurisprudence. A two-volume book, which was published originally in Arabic, was called 'Tahrir al Wasilah'. Translated into Farsi, the book is called "Tahrirolvasyleh." (read entire text here.) Khomeini also had another treatise on Islamic rules for living, called in English, "The Little Green Book." (see entire text here.) It is useful to understand what an esteemed Islamic leader such as the Ayatollah teaches his followers.

Here are some excerpts from "Tahrirolvasyleh" which Muslims probably don't want you to know about Islam:

"A man can have sexual pleasure from a child as young as a baby. However, he should not penetrate vaginally, but sodomising the child is acceptable. If a man does penetrate and damage the child then, he should be responsible for her subsistence all her life. This girl will not count as one of his four permanent wives and the man will not be eligible to marry the girl's sister... It is better for a girl to marry at such a time when she would begin menstruation at her husband's house, rather than her father's home. Any father marrying his daughter so young will have a permanent place in heaven." -Ayatollah Khomeini Tahrirolvasyleh, fourth edition, Qom, Iran, 1990

A man can have sex with animals such as sheep, cows, camels and so on. However, he should kill the animal after he has his orgasm. He should not sell the meat to the people in his own village, but selling the meat to a neighbouring village is reasonable.

If one commits the act of sodomy with a cow, a ewe, or a camel, their urine and their excrement become impure and even their milk may no longer be consumed. The animal must then be killed as quickly as possible and burned.

If a man sodomises the son, brother, or father of his wife after their marriage, the marriage remains valid..

This is the real Islam that they try to keep secret.

After reading that, can you understand that men in Islamic culture, consider boys, girls and women to be "property" and not a person. And can you believe that the greatest

cheerleaders of these perverts are the liberal press and our liberal politicians?
Liberalism IS a form of demonic possession. I'm convinced of that.

Ok, now stay with me: The goal of the Muslim Brotherhood and all of its minions, is world domination. That is, to instate Sharia law in every country. We are seeing this in America right now. The Islamization of Dearborn, MI, AKA Dearbornistan, is so blatant, that Americans tread lightly there, and some are in a constant state of fear. We are seeing it in Texas. There are outcries by Americans, but the Islamists are bound and

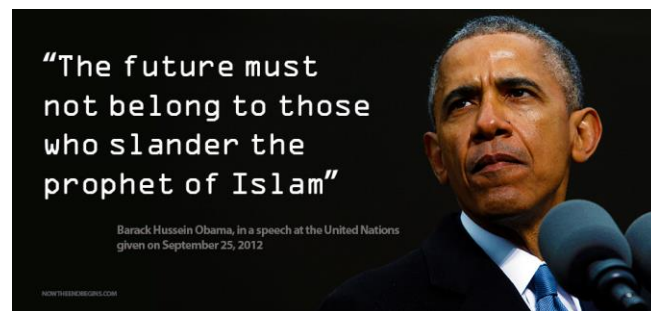

determined to see America with Sharia law in all 50 States. But in order to achieve this lofty goal of Sharia Law, something MUST be done about those pesky pedophilia laws in every state. Enter NY Times.

"Hey remember when crazy right wingers predicted that gay marriage would lead to legalizing polygamy? Well that happened. Also they predicted that the next step would be to seek the same civil rights protections for pedophiles. And that's happening in no less a forum than the New York Times.

How can you possibly make child rape sympathetic? Liberals always find a way. This is the liberal playbook.

1. Make evil seem relatable and sympathetic
 2. Project its actions as uncontrollable due to persecution
 3. Suggest that understanding evil will prevent it from committing more abuses
- All three are present here.

PEDOPHILES ARE NOW CALLING THEMSELVES 'MINOR ATTRACTED PERSONS' AND WANT INCLUSION IN LGBTQ MOVEMENT

Okay I'm done. Will the last one still subscribing to the New York Times please use it to clean this up. That says it all. [\[1\] – source](#)

So you see, this is the newest liberal goal. They must make pedophilia normal and not a crime! These knuckleheads are so pro

Muslim/Sharia law/and Jihad, they are willing to allow these twisted, animalistic perverts, to hurt our children for the sake of their great cause.

[Terror-Tied Rep. Ilhan Omar Attacks Christians On House Floor This week, Omar attacked and mocked those of the Christian faith who would dare to call for the](#)

abolition of abortion and the criminalization of those that engage in the murder of the unborn.

OMAR RANT: CHRISTIANS IMPOSING BELIEFS ON SOCIETY

Muslim Democratic congresswoman Ilhan Omar, who demonstrates her adherence to strict Islamic law through the wearing of a hijab, accused Christians in a speech on the House floor of imposing their beliefs on society through abortion laws.

Referring to new laws in Alabama and other states, she said “religious fundamentalists are currently trying to manipulate state laws in order to impose their beliefs on an entire society.”

The new laws are efforts “to criminalize women for simply existing, to punish us when we don’t conform to their attempts to control us.”

“But because it’s happening here, with the support of the ultra-conservative religious right, we call it religious freedom,” she said.

“I am frustrated every single time I hear people speaking about their faith,” said Omar.

The Gateway Pundit pointed out it was Omar who had Congress change its rules so she could wear her Muslim hijab to work.

And her critics note she’s been silent about the Shariah-based subjugation of women in her native country, Somalia, and the Muslim world along with issues such as female genital mutilation

In the name of Allah the merciful an Muhammad peace will be upon Him
To my Muslim brother :

In this days when our Muslim brothers are fighting all over the world to Islamic world domination we the Muslim of Australia should do our best to bring the word of Allah the merciful to the people of Australia so they will accept the religion of Islam as the only religion and accept sharia law as the law of Australia and state law. (it will be good to everybody if Australia become another Islamic country).

This is what you should do:

1) In the next election vote for one of the left wing parties in the Australian parliament (like the green party or the labour party). Put pressure on the government to bring more refugees to Australia most of these refugees are Muslim, that's will increase aura number in Australia and will help to bring even more Muslims to Australia in the future.

If people talk bad about the Islam tell them that they are racist, people in Australia are sensitive when you call them racist and that will shut them out. The most of the people in Australia are not smart tell them that the realign of Islam is religion of peace and the trouble and the Middle east are because of the British and the French colonialism.

2) If you are not married try to marry Australian women, But make sure that she will convert to Islam' tell here that Islam is religion of peace and respect to women (remember Taquia principle) most of the women in Australia are not very smart and are ready to believe everything that you tell them. After marriage make a lot of Muslim children's and take a lot of money from the government, remember that this is your right as Muslim to take everything from the infidels, Include they Wemen

3) If people will ask you about the jihad tell them that it is struggle of the Muslim with himself and not war with the infidels (remember the battle of Khaybar and the rules of taqua).

Remember this is our duty to make Australia and the all world Muslim, so copy this letter and send it to more Muslim brothers, Pick up Muslim names from the phone book and send them copy of this letter.

Inshalla everybody will be Muslim so order us the prophet Muhammad (peace be upon him)

"Our tormentors confiscated our present," he said, "while seeking to wipe out our history and destroy our future. In Iraq there is no redress for those who have lost properties, homes and businesses. U.S. School Fails Student for Refusing to Recite Islamic Prayer

Tuesday, May 21, 2019--**Another grievous violation of the establishment clause in the cause of Islam. Anywhere American law and Islamic law conflict, it's American law that must give way. In case you haven't been paying attention, Islam has been continuously creeping into schools across America.**

This is a continuation of public school as documented in my book: **Stop the Islamization of America: A Practical Guide to the Resistance**

U.S. school fails student for refusing to recite Islamic prayer

Also taught Muslims' faith is stronger than Christians'

By **WND**, May 20, 2019:

"Most Muslims' faith is stronger than the average Christian."

"Islam at heart is a peaceful religion."

Jihad is a “personal struggle in devotion to Islam, especially involving spiritual discipline.”

“To Muslims, Allah is the same God that is worshiped in Christianity and Judaism.”

The problem is that those statements were part of the instruction in a public school in Maryland, and one of the students in the classroom now is asking the U.S. Supreme Court to condemn such religious lessons funded by taxpayers.

The Thomas More Law Center has submitted a petition asking the high court to take up the case of student Caleigh Wood

“As a Christian and 11th-grader at La Plata High School in Maryland, Caleigh Wood was taught that ‘Most Muslims’ faith is stronger than the average Christian.’ She was also required to profess in writing, the Islamic conversion creed, ‘There is no god but Allah, and Muhammad is the messenger of Allah.’ Ms. Wood believed that it is a sin to profess by word or in writing, that there is any other god except the Christian God. She stood firm in her Christian beliefs and was punished for it. The school refused her request to opt-out or give her an alternative assignment. She refused to complete her anti-Christian assignment and consequently received a failing grade,” the legal team explained Wednesday.

Lower courts have given a free pass to the school district to teach Islam, and so TMLC filed the request with the Supreme Court to decide “whether any legal basis exists to allow public schools to discriminate against Christianity while at the same time promote Islam.”

“Under the guise of teaching history or social studies, public schools across America are promoting the religion of Islam in ways that would never be tolerated for Christianity or any other religion,” said Richard Thompson, TMLC’s president. “I’m not aware of any school which has forced a Muslim student to write the Lord’s Prayer or John 3:16: ‘For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life,’” he said.

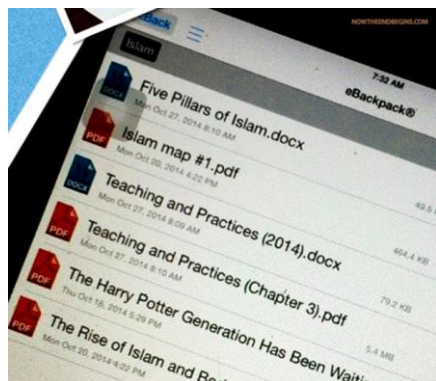

“Many public schools have become a hot bed of Islamic propaganda. Teaching Islam in schools has gone far beyond a basic history lesson. Prompted by zealous Islamic activism and emboldened by confusing court decisions, schools are now bending over backwards to promote Islam while at the same time denigrate Christianity. We are asking the Supreme Court to provide the necessary legal guidance to resolve the insidious discrimination against Christians in our public schools,” he said.

And how do those concepts align with “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof”?

The lessons “taught Islamic principles as if they were true facts, while Christian principles were treated as mere beliefs,” the filing states.

Wood refused to write that the Muslim god is the only god, and was failed for her faith.

The lower courts discounted Wood’s religious convictions and gave the school the go-ahead.

WND has reported in just the past few weeks on a legal team that dispatched cease-and-desist letters to several Washington state school districts that were promoting Islam through a Ramadan policy of giving Muslim students special privileges.

One district ordered employees to greet Muslim students in Arabic.

But in recent months the resistance to Islam indoctrination has been growing.

One group that has fought it, the Freedom of Conscience Defense Fund, regularly has opposed Islamic teachings in public schools.

Granted that the true essence of the Globalists/Zionists/Luciferians is more aligned with the Democratic party than the Republicans. However BOTH Parties are Pro-death seeking power to murder with impunity, both internationally and at home, which is like a CENTRAL tenet of LUCIFERIANISM. The GREATER TRUTH is that BOTH parties are for all intents and purposes 100% Infiltrated by the Zionists. Robert David Steele stated in a very recent interview that the most important issue facing US citizens is choosing between USA or Israel(SoS), which is one of the most PROFOUND things he has EVER said (he also claims that establishment Republicans are more heavily into pedophilia blood drinking than are establishment Democrats).

"We do not have a greater friend than Donald Trump," Israeli Prime Minister Benjamin Netanyahu told reporters after a meeting with the president at the White House in February.

And of course we have all heard Donald Trump publicly declare "I speak to you today as a lifelong supporter and true friend of Israel. I am a newcomer to politics, but not to backing the Jewish state."

Donald Trump is the most renowned President EVER for saying things that Patriots like to hear. But as you will see below, both Trump and Hillary are working for the same people, the Globalist Zionist Luciferian Adrenochrome Addicted Cannibals. ALL ZIONIST Politicians, regardless of political party need to be tried for Treason, INCLUDING Donald Trump!

Sadly, most politicians are Zionists, including Donald Trump, and even the ADL admits that Zionists are NOT PATRIOTS:

What is the Main Goal and True Definition of Zionism?: "The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfilment is so apparent, it behoves us to increase our efforts and our caution tenfold.

I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a king and every Gentile a slave.

We will openly reveal our identity with the races of Asia and Africa.

I can state with assurance that the last generation of white children is now being born.

Our control Commissions will, in the interest of peace and wiping out our interracial tensions, forbid the whites to mate with white.

The white woman must cohabit with members of the dark races, the white men with black women.

Thus the white race will disappear, for mixing the dark with white means the end of the white man, and our most dangerous enemy will become only a memory.

We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a world of dark

people."
