Psa 94:20 Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law?

Comment: The KJV also translates the root word for "Frameth" as: fashion, form, & make & also translates the root word of "Mischief" in the following manner: iniquity, misery, painful, perverseness, sorrow, toil, travail, trouble, wearisome & wickedness

Psa 94:21 They gather themselves together against the soul of the righteous, and condemn the innocent blood.

Psa 94:22 But the LORD is my defence; and my God is the rock of my refuge.

Psa 94:23 And he shall bring upon them their own iniquity, and shall cut them off in their own wickedness; yea, the LORD our God shall cut them off.

Pro 29:4 The king by judgment establisheth the land: **but he that receiveth gifts overthroweth it.**

[Romans 13 & Unlimited Subservience to the Government: Where should a Bible Believing Christian Draw the Line?](#)

Do Christians who use Romans 13 to teach that we should not oppose government or any other political leader, really believe that civil magistrates have unlimited authority to do anything they want without opposition? For example, what if our President decided to resurrect the old monarchical custom of Jus Primae Noctis (Law of First Night)? That was the old medieval custom when the king claimed the right to sleep with a subject's bride on the first night of their marriage. Would our sincere Christian brethren sheepishly say, 'Romans Chapter 13 says we must submit to the government'? I think not. And would any of us respect any man who would submit to such a law? So, there are limits to authority. All human authority is limited in nature. No man has unlimited authority over the lives of other men. (Lordship and Sovereignty is the exclusive domain of Jesus Christ.) Did John the Baptist violate God's principle of submission to authority when he publicly scolded King Herod for his infidelity? Did Simon Peter and the other Apostles violate God's principle of submission to authority when they refused to stop preaching on the streets of Jerusalem? Act 5:29: "Then Peter and the other apostles answered and said, **We ought to obey God rather than men.**" So, even the great prophets, apostles, and writers of the Bible (including the writer of Romans Chapter 13) understood that human authority—even civil authority—is limited.

The USA Building a Case for WWII -- The All Too Convenient "Tanker Attacks" as US Seeks War with Iran

Saturday, June 15, 2019 Tony Cartalucci [21st Century Wire](#)

...it would be far more preferable if the United States could cite an Iranian provocation as justification for the airstrikes before launching them. Clearly, the more outrageous, the more deadly, and the more unprovoked the Iranian action, the better off the United States would be. Of course, it would be very difficult for the United States to goad Iran into such a provocation without the rest of the world recognizing this game, which would then undermine it. – Brookings Institution, "Which Path to Persia?" 2009

The **Brookings Institution** is an [American](#) research group founded in 1916 on [Think Tank Row](#) in [Washington, D.C.](#)^[2] It conducts research and education in the social sciences, primarily in economics, metropolitan policy, governance, **foreign policy**, and global economy and development.^{[3][4]} Its stated mission is to "provide innovative and

practical recommendations that advance three broad goals: strengthen American democracy; foster the economic and social welfare, security and opportunity of all Americans; and secure a more open, safe, prosperous, and cooperative international system."²¹

For the second time since the United States unilaterally withdrew from the Iran Nuclear Deal, Western reports of “suspected attacks” on oil tankers near the Strait of Hormuz have attempted to implicate Iran.

The London Guardian in an article titled, [“Two oil tankers struck in suspected attacks in Gulf of Oman,”](#) would claim:

Two oil tankers have been hit in suspected attacks in the Gulf of Oman and the crews evacuated, a month after a similar incident in which four tankers in the region were struck.

The article also claimed:

Gulf tensions have been close to boiling point for weeks as the US puts “maximum economic pressure” on Tehran in an attempt to force it to reopen talks about the 2015 nuclear deal, which the US pulled out of last year.

Iran has repeatedly said it has no knowledge of the incidents and did not instruct any surrogate forces to attack Gulf shipping, or Saudi oil installations.

The article would note US National Security Advisor John Bolton would – without evidence – claim that Iran “was almost certainly involved.”

This news of “attacked” oil tankers near the Strait of Hormuz blamed by the US on Iran – comes all too conveniently on the heels of additional steps taken by Washington to pressure Iran’s economy and further undermine the Iranian government.

The US just recently [ended waivers for nations buying Iranian oil.](#) **Nations including Japan, South Korea, Turkey, China, and India will now face US sanctions if they continue importing Iranian oil.**

Coincidentally, one of ships “attacked” this week was carrying “Japan-related cargo,” the Guardian would report.

Comment: One of the tankers was Japanese and the Iranian’s were coincidentally meeting with the Japanese Prime Minister at the exact same time the supposed Iranian attacks took place.

AP in a May 2019 article titled, [“President Trump Warns Iran Over ‘Sabotaged’ Oil Tankers in Gulf,”](#) would claim:

*Four oil tankers anchored in the Mideast were damaged by what Gulf officials described as sabotage, though satellite images obtained by The Associated Press on Tuesday **showed no major visible damage to the vessels.***

Two ships allegedly were Saudi, one Emirati, and one Norwegian. The article also claimed:

A U.S. official in Washington, without offering any evidence, told the AP that an American military team’s initial assessment indicated Iran or Iranian allies used explosives to blow holes in the ships.

And that:

*The U.S. already had warned ships that “Iran or its proxies” could be targeting maritime traffic in the region. **Comment: Planting that thought over and over and then when something does happen Iran is instantly blamed by the US. America is deploying an***

aircraft carrier and B-52 bombers to the Persian Gulf to counter alleged, still-unspecified threats from Tehran.

This more recent incident will likely be further exploited by the US to continue building up its military forces in the region, applying pressure on Iran, and moving the entire globe closer toward war with Iran.

The US has already arrayed its forces across the Middle East to aid in ongoing proxy wars against Iran and its allies as well as prepare for conventional war with Tehran itself.

It is also a continuation of long-standing US foreign policy regarding Iran put into motion over a decade ago and carried out by each respective presidency since.

Continued sanctions and the elimination of waivers are part of Washington's unilateral withdrawal from the Joint Comprehensive Plan of Action (JCPOA) or the "Iran Nuclear Deal." The deal was signed in 2015 with the US withdrawing in 2018.

While the decision is portrayed as political differences between former US President Barack Obama and current US President Donald Trump – in reality – the plan's proposal, signing, and then withdrawal from by the US *was planned in detail as early as 2009 as a means of justifying long sought-after war with Iran.*

In their 2009 paper, ["Which Path to Persia?: Options for a New American Strategy Toward Iran" \(PDF\)](#), the corporate-financier funded Brookings Institution would first admit the complications of US-led military aggression against Iran (emphasis added):

...any military operation against Iran will likely be very unpopular around the world and require the proper international context—both to ensure the logistical support the operation would require and to minimize the blowback from it.

The paper then lays out how the US could appear to the world as a peacemaker and depict Iran's betrayal of a "very good deal" as the pretext for an otherwise reluctant US military response (emphasis added):

*The best way to minimize international opprobrium and maximize support (however, grudging or covert) is to strike only when there is **a widespread conviction that the Iranians were given but then rejected a superb offer—one so good that only a regime determined to acquire nuclear weapons and acquire them for the wrong reasons would turn it down.** Under those circumstances, the United States (or Israel) could portray its operations as taken in sorrow, not anger, and at least some in the international community would conclude that the Iranians "brought it on themselves" by refusing a very good deal.*

And from 2009 onward, this is precisely what the United States set out to achieve. First with President Obama's signing of the 2015 Iran Nuclear Deal, up to and including President Trump's attempts to backtrack from it based on fabricated claims Iran failed to honor the agreement.

The 2009 policy paper also discussed "goading" Iran into war, claiming (emphasis added):

*With provocation, the international diplomatic and domestic political requirements of an invasion [of Iran] would be mitigated, and **the more outrageous the Iranian provocation (and the less that the United States is seen to be goading Iran), the more these challenges would be diminished.** In the absence of a sufficiently horrific provocation, meeting these requirements would be daunting.*

Unmentioned directly, but also an obvious method for achieving Washington's goal of provoking war with Iran would be the US simply staging an "*Iranian provocation*" itself.

As the US had done in Vietnam following the Gulf of Tonkin incident, or US fabrications regarding "weapons of mass destruction" Washington claimed Iraq held in its possession, the US has a clear track record of not just simply provoking provocations, but staging them itself.

The alleged sabotaging of oil tankers off the shore of the UAE in May and now additional "*attacks*" this month could be the beginning of a series of staged provocations aimed at leveraging the recent listing of the IRGC as a "*terrorist organization*" coupled with increased economic pressure as a result of US sanctions re-initiated after the US' own withdrawal from the Iran Deal.

The US has already attempted to leverage allegations in May of "*Iranian sabotage*" to further build its case against Iran. Washington hopes that either war – or at least the impending threat of war – coupled with crippling economic sanctions, and continued support of political and armed sedition within Iran itself will create the synergies required for dividing and destroying Iran's political order.

Subject: Bilderberg Attendees--Disturbing Discovery

Dr. Johnson:...I was dismayed today to find a list of Bilderberg attendees for this year's meeting, starting tomorrow, May. 31st 2019. The Trump Administration is heavily represented (Mike Pompeo, Jared Kushner, representatives of the Department of Defense and National Security Agency, and on it goes). This is especially troubling, since Trump has differentiated himself as a Nationalist, anti-Globalist, pro-Constitution patriotic person. The Bilderberg Group, run by the Rothschild central luciferin bankers, represents the worst of Globalism, who meet in secrecy each year, chart out the way to manage the public for their own selfish interests, strip people of their rights, promote the wickedness and wars they represent, and the way to handle those who think they actually have God-given rights. The event itself has every manner of decadent self-indulgences offered....it is a love fest for the wicked. I think besides praying for a President who perhaps is misrepresenting himself to us, we need to pray for the end of groups like this and other cabals that foster most of the world's suffering. I enclose several links with the attendees, because the first three I looked at were later censored, leaving off Pentagon employees and Mike Pompeo. See:

Hundreds of Illegal Aliens From Ebola-Stricken Congo Who Arrived in San Antonio Last Week Quickly Fan Out Across Country

Saturday, June 15, 2019--Hundreds of illegal aliens from ebola-stricken Democratic Republic of Congo were dumped in the streets of San Antonio, Texas last week. Now it is being reported that these hundreds of illegal aliens from Africa have dispersed across the country with no real plans to survive except for 'hope'. San Antonio officials also stated that local organizations expect migrants from Africa to keep arriving to the city. But nothing is being done to stop the invasion and the illegals coming from the Ebola-ravaged areas of Africa aren't even screened for diseases.

WHO Refuses To Declare Ebola Outbreak 'International Emergency' As At-Risk Migrants Pour Into Texas--Migrants from Congo busing into San Antonio unvetted

Infowars.com - June 15, 2019

The World Health Organization (WHO) has decided not to declare an international health

emergency over the Ebola epidemic in the Democratic Republic of Congo that has now spread to Uganda, the organization announced Friday.

After an independent panel of medical experts on WHO's Emergency Committee met Friday to discuss the possibility of declaring the worsening Ebola epidemic in Africa an

"international emergency," the committee concluded that despite the "extraordinary event" of Ebola spreading into Uganda, the level of response would remain unchanged.

Several experts had recommended that WHO should declare an international public health emergency.

So far, the death toll as result of the current Ebola outbreak, the second-largest in history, stands at over 1,300.

WHO's announcement comes only days after it was documented that there were hundreds of unvetted Congolese migrants being bused into San Antonio, Texas, which the mainstream media still refuses to cover.

Shock as Trump signs executive order that drops regulations on GMOs

Sad news today, friends: President Trump has just signed an executive order that would eliminate nearly all regulations on GMOs and genetically engineered crops. This is a huge win for Monsanto / Bayer, but a horrible defeat for ecology, clean food and consumer safety. Frustration with Trump is increasing among health-conscious individuals as the President seems to be all-in for 5G telecomm, vaccines and now GMOs. See my full report here. As reported by the Associated Press, this executive order directs federal agencies to reduce or eliminate

regulations and oversight mechanisms that might help ensure the safety of genetically engineered crops.

In other words, President Trump just ordered the federal government to turn American into a massive GMO experiment where anything goes.

Thank you President Trump!!!: GMO "IS" NOW Legal: GMO-ing the United States Food Supply AUTHORIZED by EXECUTIVE ORDER NO. 13874

It seems obvious why the weather weapons have been used, accelerated and directed to destroy farming communities in the heart of the "farmlands" in the United States, and worldwide.

Farmers cannot survive the weapon attacks that are creating droughts and massive severe flooding, preventing the planting of crops, water contamination, lowering the value of foods which is wiping out the ability for farmers and ranchers to stay in business.

This IS the Goal. - to wipe out the rural land occupiers - anyone and everyone that resides outside the city growth boundaries.

This is a well planned and forced migration of populations, and demonstrates how the people will be managed by the technologies of weather weapons, and more.

This comment is not even describing the impact of the orchestrated trade wars furthering the collapse and centralizing control of all food delivery systems. Replacing HOW our food is grown, scientifically created and distributed will CONTROL the populations and force mass relocation off rural farm land into designated and designed human settlement zones.

All white people are being removed from history as revisionists rewrite science, medicine and technology to eliminate pioneers based on the color of their skin

Monday, June 10, 2019 by: [Ethan Huff](#)

([Natural News](#)) In case you haven't noticed, **anti-white racism is rapidly becoming an accepted cultural norm throughout the United States and much of the Western world.**

Mainstream entertainment, news, education, and even science and medicine, have all but completely been infiltrated and subverted by nefarious entities that are hellbent on pushing endless, white-hating propaganda and revisionist, anti-white history on the masses – their goal being, well, you can probably figure it out.

It's suddenly no longer okay to be white in countries where white people are the majority, as the subverters (that now control the narrative) have successfully brainwashed and indoctrinated a sizable segment of their populations into believing that being white automatically means that you're evil, and being black or brown automatically means that you're good.

Using lies and deception as their catalysts for change, these wicked subverters have successfully poisoned the well. They've convinced a disturbing number of people, many of whom are white themselves, that all white people are inherently racist against black and brown people, and have systematically taken advantage

of these people groups all throughout history in order to build thriving civilizations.

But this is what's being taught to the next generation of "open" minds through movies, television, and in the classroom, with little resistance from guilt-complexed whites, many of whom seem to be accepting the lie that they're evil because of the color of their skin.

As horrific as the situation has become for white people living in the U.S. who don't hate themselves for having white skin, it's in many ways even worse for white people living in Western Europe – and especially in Scandinavia, which is being completely taken over by white-hating, brown "migrants."

Native white people living in places like Scandinavia are becoming increasingly fearful about reporting crimes committed against themselves by brown migrants because they don't want to be falsely accused of committing a "hate crime."

That's right: If you're victimized as a white person by a brown or black person while existing in Sweden, you could be accused of "racism" for reporting it and seeking justice.

We can expect this same type of anti-white racism to eventually reach the U.S., should things continue on as they've been going without organized pushback. Schoolchildren are already being taught lies about American history that paint white people as the sole racist aggressors responsible for black slavery, when in fact it was actually other blacks, Jews, and various other non-whites who were, in many cases, the real perpetrators.

"Black studies avoids the fact that the British sea captains who brought African slaves to the British colonies that later became the United States purchased the black slaves from the black king of Dahomey, who captured his fellow blacks in slave wars against other black tribes," Roberts explains.

"The United States has raised entire generations on the fake history that white people hated blacks and decided to capture them in Africa and make slaves of them in order to beat and abuse them."

Be sure to read Roberts' full article, "White Peoples and Their Achievements Are Headed for the Trash Bin of History," at [this link](#).

Texas mayor goes ballistic over 'dumping' of illegal aliens in his town

... Some of These Illegal Invaders Have 'Rolls of \$100 bills'... & They Get Very Defensive When Asked "How They Got Here"!!!!

Our federal government is so concerned about the desires of bogus asylum-seekers, and now even masses of illegal aliens who aren't even seeking asylum, that they are failing to take into account the needs of local American communities. It's not just right-wing cowboys upset about it. Liberal Democrat border town officials have had enough as well and are demanding federal action.

On June 8, Del Rio Mayor Bruno Lozano laced into staffers of Sen. John Cornyn at special meeting of local officials for not touring the city and taking a more proactive role in protecting border towns from the effects of illegal immigration. "I asked that you go see firsthand and walk through what the Border Patrol is walking through, walk through the system of release, walk through the coalition [of nonprofits and churches], walk through the judicial process, because the senators aren't here," said Lozano. He accused Texas' two senators of not showing up. "They need to see firsthand what's going on. They need to understand the frustrations that the commissioners, or that the city council, the school board, the hospital officials are managing [and] having to deal with."

In another report: The "poor huddled masses" coming across the southern border may not be so poor after all. Swiss journalist Urs Gehrigier recently visited African migrants who breached the border and hung out on the streets of San Antonio, Texas, waiting to go elsewhere in the country, and he met hostility from people who didn't want to share details about their experiences, conflicted each other, and had rolls of \$100 bills. Also in a recording played on Fox News, Gehrigier asks a migrant from Congo how she got to America. She refused to say. All told, 350 Africans arrived that week.

City officials say CBP told them another 200-300 would be arriving later. One migrant told a reporter via Google translate that he came to America "for security reasons" and once he made it, "with the help of the USA, I can get it back," referring to his family that stayed behind.

We need to learn where the money is coming from and get rid of them. But our government won't tell us who is funding these people. Tell us who is giving them money. I know for a FACT that the Catholic Church is helping house these people when they arrive and helping deposit them (quietly) into small communities. Stop donating to your local Catholic Church, and stop supporting ANY Catholic charity where they can divert those funds to support invasion. Where else is the money coming from? Tell us.

Big Pharma, Forced Vaccinations and Population Control

In 1986, The National Vaccine Injury Compensation Program was established to protect the Vaccine manufacturers from any liabilities.

This program insured that the taxpayer would pay for all injuries the public suffered from Vaccines.

Once this protection was set in place, the government took control of the vaccine industry and Big Pharma profits increased by over 600%.

Is it all about money? Or is there something more nefarious at play?

+4+ Iran Arrests "CIA AGENTS"

17 June 2019--Iran has dismantled a CIA-run "large US cyber-espionage" network, the Islamic Republic of Iran Broadcasting (IRIB) reported citing the secretary of Iran's Supreme National Security Council.

"Based on the cooperation between the Islamic Republic of Iran and other countries in creating an 'international organization to counter American espionage', we provided our partners with information that led to the disclosure and dismantling of a network of CIA officers, as well as detention and punishment of several spies in different countries", the senior official said.

The report comes a few days after the Iranian mission to the UN urged the United States to stop "warmongering" and false flag operations in the region after Washington accused Tehran of being behind attacks on two oil tankers in the Gulf of Oman.

The Iranian side has vehemently denied the allegations and called on the US to stop the "blame game".

Iran nuclear deal: Enriched uranium limit will be breached on 27 June

17 June 2019--Iran has announced it will breach on 27 June the limit on its stockpile of enriched uranium that was set under a 2015 nuclear deal with world powers.

Its atomic energy agency said it had quadrupled production of the material, which is used to make reactor fuel and potentially nuclear weapons.

But it added there was "still time" for European countries to act by protecting Iran from reinstated US sanctions. Iran has complained that European powers have failed to abide by their commitments to mitigate the effects on its economy of the sanctions that US President Donald Trump reinstated after abandoning the nuclear deal last year.

The UK, France and Germany have warned Iran not to violate the deal.

They have previously said they will have no choice but to reimpose their own sanctions, which were lifted in return for limits on the Iranian nuclear program.

Lesbian 'Compassion' On Full Display--Ghastly New Details Emerge About Lesbian Couple Who Forced 'Gender Re-Assignment Surgery' on 9-Year-Old Boy—Little boy had his genitals torn off and replaced with a "fake female sex organ" before being beheaded

17 June, 2019 [Paul Joseph Watson](#) **Ghastly new details have emerged about the tragic case of the Brazilian boy who was subjected to forced 'gender re-assignment surgery' by a lesbian couple who later beheaded him.**

As we previously reported, 9-year-old Rhuan Maycon was murdered by his mother, Rosana Candido, and her lesbian partner Kacyla Pessao on May 31st.

This was all the result of a botched gender re-assignment operation performed by the pair with no medical supervision after his mother decided he "wanted to become a girl".

Following the arrest of the couple, macabre new details about exactly what they did to the poor victim

have emerged.

Candido and Pessao are accused of "ripping off" the boy's penis before allegedly sewing "a fake female sex organ onto the body because he 'wanted to be a girl' before scraping the boy's skin off his face."

After Candido stabbed her son a dozen times the pair tried to gouge out his eyes with a knife. The boy was eventually beheaded by Candido "because he reminded her of father, who allegedly abused her," according to reports.

Candido also said she felt "hatred" and "no love" for the boy because he was a "burden" and a "hindrance" to her lesbian relationship

The mother ran away with the boy 5 years ago after his father lost custody and attempted to impose her warped ideology on him using the most brutal methods imaginable.

After failing to burn the boy's body on a BBQ, the pair hastily stuffed his remains in a suitcase and dumped them in a sewer.

"She killed her son, quartered, decapitated, plucked the skin and tried to get rid of the body. It was a very terrible case," Police chief Guilherme Melo told O Tempo.

Pastor Jailed During 'Drag Queen Story Hour,' SWAT Team Snipers Positioned Atop Library Roof -- STILL THINK THERE IS NO WAR AGAINST CHRISTIANS? READY TO SWAT (KILL) PASTOR FOR EXERCISING FREE SPEECH-

SPOKANE, Wash. — A Baptist pastor was arrested and jailed on Saturday after refusing to move across the street from the Spokane, Washington Public Library while exercising his free speech against a “Drag Queen Story Hour.” The event had a significant militaristic police presence, including camouflaged snipers positioned atop the roof to oversee the large crowd that stood both for and against the men dressed like women reading stories to children.

Afhsin Yaghtin of New Covenant Baptist Church was arrested for obstructing an officer as he contended with police that the South Hill Library is public property and that he should be able to speak adjacent to the facility instead of being required to stand across the street.

Play: https://www.youtube.com/watch?time_continue=52&v=K-VgEgPXC_E

Video footage posted to social media shows police telling Yaghtin that if he does not support the event, he needs to stand on the other side of the street, away from the library — though those defending the drag queens were permitted to be on the same side.

According to [The Spokesman-Review](#), an estimated 40 police officers were stationed outside of the library. Those who supported the event — approximately 400 in all — stood adjacent to library property, and those opposed to the “Drag Queen Story Time” — about 200 concerned residents — were asked by police to stand on the other side of the street.

One [photo posted to social media](#) shows a man in camouflage standing atop the South Hill Library. The Charles Carroll Society also posted photos on its website of men on the roof holding binoculars. See [here](#) and [here](#). Sgt. Terry Preuniger of the Spokane Police Department told reporters that the police had thought people were going to bring

firearms to the library.

“From looking at online conversations, police expected to see people armed on both sides, which resulted in a strong police presence on Saturday, he said, but no civilians showed up openly carrying guns,” The Spokesman-Review states.

“They had snipers on the roofs. They wouldn’t allow us into the library,” Anna Bohach of 500 Mom Strong told the outlet.

A law enforcement dispatcher supervisor through Spokane County 911 confirmed to Christian News Network that those atop the library roof were snipers “most likely” with the Spokane Police Department SWAT team as opposed to the county SWAT team.

Other photos of the event show three drag queen supporters dressed as “angels” with sheets for wings, appearing to do so to

block out the opposition. Some present held signs such as “All hail the queens,” “God is love; why do you hate” and “Oh, look a guy in a dress reading to kids” with a drawing of Jesus surrounded by children.

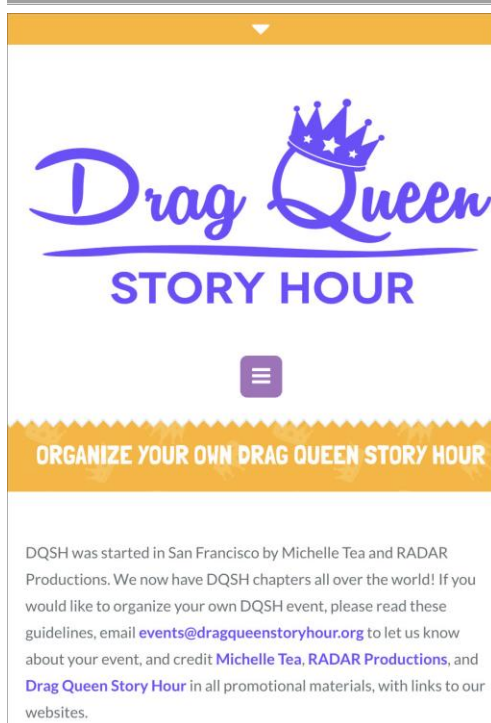

“If Jesus was around today, He would be on this side,” one man who brought his son and daughter to the Story Hour claimed. His son wore a dress to the event.

One drag queen, who goes by the stage name Katie Rockswell, read a book to the children entitled “A Family Is a Family Is a Family.” The short story is about children having different parental situations, as some have a mom and a dad, some have two “dads,” some live with their grandmother, and some are split between both parents.

Those who opposed the event preached in the open air, held signs or sang songs. Signs included, “Teach your kids to love their DNA. Gender fluidity is a lie,” “Read the Bible,” “Drag = misogyny” and “Only Jesus saves sinners from Hell.”

According to reports, an estimated 50 children attended the event with their parents.

“May God use this for His glory and His glory alone,” Yaghtin said of his arrest on social media following his release. “God bless all my supporters and friends and those who inspire me to stand strong for the Lord Jesus by their godly example!”

+5+ Shocking Number of Transgender Drag Queen Story Hour Events Announced All Across the Globe!!!

Far-left “art” group Radar Productions and liberal author Michelle Tea have created an organized and far-reaching Drag Queen Story Hour campaign that stretches across the globe, catalogued by their website dragqueenstoryhour.org.

The Drag Queen Story Hour website celebrates that its “chapters” are now “all over the world” to influence children, and describes how the “program” works should one be interested in starting a new chapter.

“The program lasts about 45 minutes. One drag queen reads at each event. The drag queen reads two or three picture books, interspersed with simple songs and movement activities, for 20-25 mins,” the website states.

“Then the drag queen leads children in a craft

activity (decorating wands and crowns are popular crafts), and parents/guardians may choose to take pictures of their children with the drag queen. We end with a dance party.”

Dozens of Drag Queen Story Hour events are now popping up all across America, from California to Michigan, with even international events in Sweden and Japan.

<<**A statement about this read:** Homosexuality is not something the president should celebrate. It's unnatural, unhealthy and immoral behavior. We hope he will continue to stand firm against the so-called Equality Act (H.R. 5) and any legislation that threatens religious freedom. Such legislation will use the full force of the federal government to punish Americans who don't embrace the LGBT political agenda.

Trump reveals 'LGBTQ for Trump' T-shirts for Pride

The report on this reads: As Pride month approaches and corporations get in on the Pride action with rainbow-colored products galore, Donald Trump has now unveiled his own Pride merchandise. The shirt, described as an “exclusive equality tee,” features the words “LGBTQ for Trump” written in white font over a rainbow background. The T-shirts are available in sizes S to 3XL and retail for \$24.

In 2016, Trump vowed that he would “do everything in my power to protect our LGBTQ citizens from the violence and oppression of a hateful foreign ideology.”

Trump supports ‘Pride Month,’ again pledges to overturn laws criminalizing homosexuality worldwide

WASHINGTON, D.C., June 4, 2019 ([LifeSiteNews](#)) – **U.S. President Donald Trump has signalled that he believes the month of June is dedicated to homosexual rights and asked the world to “stand with” same-sex attracted people in countries where homosexual conduct is illegal.**

In tweets he published on Friday, May 31, Trump also recalled that his administration is working for homosexual rights worldwide.

Trump’s campaign to overturn foreign laws criminalizing sodomy began this February in Berlin with a “strategy dinner” with European LGBT activists sponsored by the U.S. embassy to Germany. The homosexual American

ambassador to Germany, Richard Grenell, is Trump's pick to spearhead the effort.

In May, Trump underscored his support for same-sex "marriage" when in an interview with Steve Hilton, aired on Fox News, he said he believed it was "great" that it seemed "normal" for Pete Buttigieg for campaign with his same-sex "spouse."

"I think it's absolutely fine, I do," he said. "I think it's great...Perhaps some people will have a problem with [it]; I have no problem with it whatsoever. I think it's good."

President Trump!!!: THE WORD OF GOD HAS SPOKEN REGARDING HOMOSEXUALITY

I. "GOD formed man of the dust of the ground." Gen. 2:7

II. God said, " It is not good that the man should be alone; I will make him an help meet for him." Gen. 2:18

III. God made a woman and "brought her unto the man." Gen. 2:22

IV. God said " Therefore shall a man leave his father and mother and shall cleave unto his wife: and they shall be one flesh." Gen. 2:24

V. God said it was a sin for a man to lie with another man as he does a woman. Lev. 18:22, Rom. 1: 24, 26 & 27

VI. The cities of Sodom and Gomorrah committed sinful acts of homosexuality and God destroyed both cities by fire and brimstone. Gen. 19:24 & 25, Isa. 13:19, Luke 17: 28 & 29

VII. Because of the sin of homosexuality (Sodomy), God commanded the sodomites to be put to death. Lev. 20:13

VIII. God blessed King Asa for obedience. "He took away the sodomites (homosexuals) out of the land. " I Kings 15:12, God also blessed King Josiah. " And he brake down the houses of the sodomites." II Kings 23:7

IX. All sin can be forgiven, even sodomy (homosexuality), if a person will come to Jesus Christ by faith and repent of their sins and trust Jesus to save them. John 3:16, Luke 3:3, Rom. 10: 9 & 10

X. If a person refuses to repent, then they will perish forever in the flames of eternal Hell fire. I Cor. 6:9 & 10, Gal.5:19 21, Rom. 10:9 & 10, Luke 13:3&5, Rev. 21:8
Prepare to meet thy GOD--Amos 4: 12

Corinthians 6:9-10: "Know ye not that the unrighteous **shall not** inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, **nor effeminate, nor abusers of themselves with mankind**, Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

Romans 1:26-28: For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient...**Romans 1:32:** "Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them."

Leviticus 20:13: If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them.

Lev 18:22-30: Thou shalt not lie with mankind, as with womankind: it is abomination. Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion. Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you: And the land is defiled: therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants. Ye shall therefore keep my statutes and my judgments, and shall not commit any of these abominations; neither any of your own nation, nor any stranger that sojourneth among you: (For all these abominations have the men of the land done, which were before you, and the land is defiled;) That the land spue not you out also, when ye defile it, as it spued out the nations that were before you. For whosoever shall commit any of these abominations, even the souls that commit them shall be cut off from among their people. Therefore shall ye keep mine ordinance, that ye commit not any one of these abominable customs, which were committed before you, and that ye defile not yourselves therein: I am the LORD your God.

Luke 17:26 And as it was in the days of Noe, so shall it be also in the days of the Son of man.

Luke 17:27 They did eat, they drank, they married wives, they were given in marriage, until the day that Noe entered into the ark, and the flood came, and destroyed them all.

Luke 17:28 Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded;

Luke 17:29 But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed [them] all.

Luke 17:30 Even thus shall it be in the day when the Son of man is revealed.

Jud 1:6 And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.

Jud 1:7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.

Job 4:8: Even as I have seen, they that plow iniquity, and sow wickedness, reap the same.

Job 4:9: By the blast of God they perish, and by the breath of his nostrils are they consumed.

Psa 37:38: But the transgressors shall be destroyed together: the end of the wicked shall be cut off.

Psa 101:8: I will early destroy all the wicked of the land; that I may cut off all wicked doers from the city of the LORD.
