With President Trump warning that '[Iran has made a very big mistake](#)' following Iran admitting to shooting down a US drone, hinting to Americans that [we'd soon find out if military action will be taken against them](#), Russian's President Vladimir Putin has himself warned that war would have '*catastrophic consequences*', something that every American now reading this should think about, especially with [Russia's most modern warships and their escorts now having entered the Caribbean Sea](#) as this June 18th story over at The Drive had reported. The world may be heading towards conflict within the next 10 days with Senator Lindsey Graham urging President Trump to take out Iran's Navy or bomb their oil refineries if there are any more attacks upon American interests, also claiming his '*red line*' is any more disruptions of the shipping lanes in the vital Strait of Hormuz, [Iran warns they are ready for war](#) despite claiming they had no intentions of war with any particular country.

[Massive Misdirection Now Ongoing On Iran: Experts Warn Iran Has Probably Had Nukes For Well Over 10 Years And Barack Obama Was 'Woefully Deceived' \(Or 'Part Of The Plan!'\)](#)

Back on June 14th, we [published this story on ANP titled "As Middle East Heats Up To The Boiling Point, Expert Warns Terror Attacks By Iranian Sleeper Cells Embedded Across America Could 'End Our Freedom Of Movement', For YEARS!"](#) within which we added a very important update, an update that we're going to be emphasizing within this new story as if it is true, it's an absolute game changer. Back on January 22nd of 2018, Quartz India published [this story titled "For Islam And Against America: What Fuelled Pakistan's Nuclear Black Market?"](#) within which they hinted that Iran's nuclear program may be FAR BEYOND what the world believes it to be due to deals it made on the black market back in the 1990's with nuclear armed Pakistan.

As we had reported as an update within that June 14th story, ANP received the email above ([See the main report at the link above](#)) that was dated all the way back on January 17th of 1999 which reported a nuclear detonation had been detected in Iran by satellites in the hills of Northwestern Iran. While neither the White House nor the Pentagon had any comment on the matter, as a spokesperson for the Department of Enhanced Satellite Technology stated, "*we are pretty sure this was an intended nuclear explosion*".

As Dr. Peter Vincent Pry had reported on The Hill back in December of 2018 in this story titled "[Don't Trust The Intel When It Comes To Iran's Nuke Program](#)", "*Washington officialdom believes Iran does not yet have nuclear weapons based on little more than wishful thinking.*" Warning that Iran probably has had nuclear weapons going back years, and likely due to their dealings with Pakistan in the 1990's, this ANP story IS NOT a call to war with Iran as some might think but instead, a call to restrain from war with Iran as they're already probably armed with nuclear weapons, thus assuring nuclear war should war break out with them.

[US to Hit Iran with 'Major' New Sanctions Monday](#) -- Trump "We are putting major additional Sanctions on Iran on Monday," Trump tweeted--President Donald Trump said Saturday that the United States would impose "major" new sanctions

on Iran in two days — a move sure to exacerbate tensions with the Islamic republic inflamed by the downing of a US spy plane.

#### [USA strikes Iranian military computers...](#)

**U.S. military cyber forces launched a strike against Iranian military computer systems on Thursday** as President Donald Trump backed away from plans for a more conventional military strike in response to Iran's downing of a U.S. surveillance drone, U.S. officials said Saturday.

Two officials told The Associated Press that the strikes were conducted with approval from Trump. A third official confirmed the broad outlines of the strike. All spoke on condition of anonymity because they were not authorized to speak publicly about the operation.

The cyberattacks — a contingency plan developed over weeks amid escalating tensions — disabled Iranian computer systems that controlled its rocket and missile launchers, the officials said. Two of the officials said the attacks, which specifically targeted Iran's Islamic Revolutionary Guard Corps computer system, were provided as options after Iranian forces **blew up two oil tankers earlier this month.**

#### [President Trump warns of 'obliteration like you've never seen before'...](#)

President Donald Trump warned the United States may launch a devastating military attack on Iran unless it comes to the negotiating table and drops its bid to develop nuclear weapons. "I'm not looking for war, and if there is, it'll be obliteration like you've never seen before. But I'm not looking to do that. But you can't have a nuclear weapon. You want to talk? Good. Otherwise you can have a bad economy for the next three years," Trump said during an interview with NBC's "Meet The Press" airing Sunday.

[Lawmakers in Iran chant 'Death to America'...](#) **Iranian lawmakers chanted "Death to America" during a parliament session on Sunday after a speaker accused the United States of being the "real world terrorist", amid escalating tension with Washington following the downing of an unmanned U.S. drone.**

**Iran said on Saturday it would respond firmly to any threat against it.**

**"America is the real terrorist in the world by spreading chaos in countries, giving advanced weapons to terrorist groups, causing insecurity, and still it says 'Come, let's negotiate'," said the Iranian parliament's deputy speaker at the start of a session broadcast live on state radio.**

Hi Dr Johnson. **My oldest son is deployed in Qatar.**

**Today, just before 12:30 pm, he informed me they were put on FPcon Charlie.**

**If you feel led, you can use this info. Thank you**

Sprint LTE 12:44 PM 100%

protect the DoD elements, personnel resources and interests. To help the commanders, the FPCON system is divided into five levels defined as:

- **FPCON NORMAL:** Applies at all times as a general threat of terrorist attacks, hostile acts, or other security threats always exists in the world.
- **FPCON ALPHA:** Applies to a non-specific threat of a terrorist, of a terrorist attack or hostile act directed against DoD elements and personnel.
- **FPCON BRAVO:** Applies when an increased or more predictable threat of terrorism attack or hostile act exists and is directed against DoD elements and personnel.
- **FPCON CHARLIE.** Applies when a terrorist or hostile act incident occurs within the commander's area of interest or intelligence is received indicating a hostile act, some form of terrorist action or targeting DoD elements, personnel, or facilities.
- **FPCON DELTA:** Applies when a terrorist attack or hostile act has occurred or is anticipated against specific installations or operating areas.

The FPCON level is set by each major command and it is applied to their theater of operations. They use all available threat intelligence to help make an informed decision.

Since the Marxist Democrats now fully control both the Oregon Senate, the Oregon House, and all elected office, except the RINO we have as Secretary of State, the reign of terror is now underway. Our bi-sexual bigot of a Governor has now unleashed the power of the state upon the Republican Party. It is nothing less than A MARXIST REIGN OF TERROR. As such, we should have no illusions the Marxist death squads are in the wings. **Oregon Senate session canceled after militia threat**

**by Steve Benham, KATU.com Staff Friday, June 21st 2019**

**PORTLAND, Ore. — Senate floor sessions were planned for this weekend, but Saturday's session was canceled after militia groups threatened to show up at the Capitol in Salem, state Sen. Elizabeth Steiner Hayward tweeted Friday evening.**

Oregon State Police confirmed to KATU that Saturday's session was called off. The Associated Press reported a spokeswoman for Senate President Peter Courtney said state police recommended the Capitol be closed Saturday. For the last two days, **Senate Republicans have staged a walkout in protest over a controversial cap and trade bill Democrats say is needed to curb human-caused climate change.** The walkout has denied the Senate a quorum. In her tweet, Steiner Hayward, a Democrat, attached a text message informing members to stay clear of the Capitol. After media began reporting on her tweet, **Steiner Hayward deleted it.** But before she did, KATU News had grabbed a screen capture of it. <https://www.zerohedge.com/news/2019-06-21/come-heavily-armed-oregon-senator-threatens-violence-governor-hunts-down-lawmakers>

**“Come Heavily Armed”: Oregon Senator Threatens Violence As Governor Hunts Down Lawmakers--06/21/2019**

**A standoff between Republican and Democratic Oregon state senators escalated on Friday after Governor Kate Brown (D) authorized state police to track down Republican lawmakers who have stalled a vote on carbon credit legislation by walking out and refusing to vote.**

Under the proposed cap-and-trade bill, Oregon would put an overall limit on greenhouse gas emissions and auction off pollution “allowances” for each ton of carbon industries plan to emit. Those opposed to the cap-and-trade plan say it would exacerbate a growing divide between the liberal, urban parts of the state and the rural areas. **The plan would increase the cost of fuel, damaging small business, truckers and the logging industry.** –[ABC13](#)

While Oregon Democrats have a rare 18 to 12 supermajority in the House and Senate, they cannot approve the bill without at least two Republicans present. After several days of heated debate between the two sides, **eleven GOP members mutually agreed to boycott the vote.**

**THE WAIT ALMOST OVER FOR THE WEST COAST? UNPRECEDENTED! 6 Quakes Hit Cascadia Subduction Zone off Oregon;The Big One' Coming? GET READY**

Since 8:43 AM eastern US time Saturday, **SIX earthquakes have struck in the dangerous Cascadia Subduction Zone (CSZ) off the coast of Oregon, and THREE of those quakes were higher than Magnitude 5.0. "The Big One" might be coming soon! This earthquake fault system is considered to be "the most dangerous in the world" because its location and the type of earthquakes this system can create, in relation to its location near heavily populated areas, means it can generate devastating earthquakes which could kill tens of thousands and destroy entire cities.**

**Making the system even worse is its location in the ocean. A Mega-Thrust earthquake from this system (the type of quake that subduction zones typically**

cause) would generate a TSUNAMI WAVE that would move at 600 MPH into the US West Coast, obliterating almost everything west of Interstate 5.

A Mega-Thrust earthquake from this very system, would generate HORRIFIC Tsunamis that would not only wipe out much of the US (and Canadian) west coast, but would hit every other coastline in the Pacific Ocean hours later. The damage and death toll would be unimaginable!

- ICE had been set to begin dawn raids in ten cities to round up illegal immigrants
- Cities to be included in the raids were: New York, Los Angeles, San Francisco, Chicago, Houston, Miami, Baltimore, Atlanta, Denver, and New Orleans

**Trump Caves Again on Deportation Promises To Pursue Amnesty Deals with Dems**

For National Release | June 22, 2019

Share & Discuss this release and meme on ([FACEBOOK HERE](#)) .. ([TWITTER HERE](#)) .. ([GAB HERE](#)) .. ([ALIPAC HERE](#))

Americans for Legal Immigration PAC ([ALIPAC](#)) **was the only national news source to accurately predict that President Trump's latest threat to deport millions of illegal aliens was another lie and a tactic to pressure Democrats to agree to a legislative Amnesty deal for millions of illegal immigrants and has been proven correct by today's headlines detailing Trump's reversal on deportations.**

**ALIPAC is now warning as many Americans as possible that only Trump voters rising up and pressuring the President away from signing another Amnesty for illegals into law can save their own influence in future US elections from being permanently displaced by millions of illegal immigrants given a pathway to the ballot box in the next two weeks.**

**Four days ago, the mainstream and alternative news sources were abuzz with Trump's announcement he would start mass deporting illegal immigrants starting tomorrow on Sunday, June 23.**

**ALIPAC put out an immediate press release accurately refuting Trump's claims titled "Trump's new threat to deport millions of illegals Likely a Lie" ([View Here](#))**

The release pointed out that ALIPAC is already tracking more than 10 lies from Trump on the immigration issues that elected him ([View List](#)) and that Trump already told this same lie to America many times before during his campaign in 2016.

[Jas 1:8](#) *A double minded man is unstable in all his ways.*

[Pro 24:20](#) *For there shall be no reward to the evil man; the candle of the wicked shall be put out.*

[Pro 24:21](#) *My son, fear thou the LORD and the king: **and meddle not with them that are given to change:***

[Pro 24:22](#) *For their calamity shall rise suddenly; and who knoweth the ruin of them both?*

[2Pe 2:17](#) *These are wells without water, clouds that are carried with a tempest; to whom the mist of darkness is reserved for ever.*

[2Pe 2:18](#) *For when they speak great swelling words of vanity, they allure through the lusts of the flesh, through much wantonness, those that were clean escaped from them who live in error.*

[2Pe 2:19](#) *While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage.*

ALIPAC's press release was treated with silence by the mainstream media and conservative news sources such as Breitbart News, World Net Daily, Daily Caller, and Drudge Report while [many Trump supporters accused ALIPAC of lying about Trump on social media. \(View Here\)](#)

Now the [media is confirming that ALIPAC's prediction was correct!](#) Trump lied again and has [announced a two-week delay in his fake deportation ploy in an effort to pressure Democrats to come up with legislative Amnesty for illegals that will grant them reprieve from the current immigration laws of the United States which require their deportation.](#)

"Trump already broke his promise to mass deport illegals and many other important promises. Why should anyone believe him now?" asked [William Gheen](#), President of ALIPAC. "Instead of deporting illegals, fining employers, and deporting illegals as he promised, Trump has focused on working to pass Amnesty legislation with his lifelong Democrat son-in-law and Sr. White House advisor Jared Kushner. Obama secured the border, deported illegals, and fined employers more than Trump, unfortunately for us all!"

ALIPAC has been fighting hard to [warn Trump voters of the Trump-Kushner-Graham-Durbin Amnesty trick afoot in which Republicans talk about tough legislation on border security only to sneak Amnesty into the bill at the last minute where Donald J Trump has signaled he will sign it.](#)

Many Trump supporters have no idea this is happening, and they refuse to believe that Trump would ever sign such an amnesty deal since Trump's numerous lies and posturing has caused mass confusion among his remaining base.

[1Co 14:33](#) *For God is not the author of confusion...*

Recent news reports indicated that the Trump administration has fined fewer employers of illegals than Obama, with only 11 fined last year, which follows

reports Trump's hotels and golf courses have continued to hire illegals long after he became President.

**Noah Webster 1828: HYPOCRITE:**

1. One who feigns to be what he is not; one who has the form of godliness without the power, or who assumes an appearance of piety and virtue, when he is destitute of true religion.

2. A dissembler; one who assumes a false appearance.

[Job 34:30](#) *That the hypocrite reign not, lest the people be ensnared.*

[Pro 11:9](#) *An hypocrite with his mouth destroyeth his neighbour: but through knowledge shall the just be delivered.*

[Job 17:7](#) *Mine eye also is dim by reason of sorrow, and all my members are as a shadow.*

[Job 17:8](#) *Upright men shall be astonished at this, and the innocent shall stir up himself against the hypocrite.*

[Job 17:9](#) *The righteous also shall hold on his way, and he that hath clean hands shall be stronger and stronger.*

[Job 27:8](#) *For what is the hope of the hypocrite, though he hath gained, when God taketh away his soul?*

Obama's deportation numbers were higher than Trump's as well, and fewer illegal immigrants entered America yearly under Obama than the new historic levels being assisted into America by the Trump administrations Border Patrol and DHS resources.

ALIPAC is racing to inform Trump voters about how Donald J. Trump has betrayed them all and seeks to displace millions of them in future US elections, with illegal immigrants converted into Democrat voters by the Trump-Kushner-Graham-Schumer Amnesty plot of 2019.

For more information about the effort to stop Trump from signing a new sneaky Amnesty bill like the one he signed in the secretive budget bill HJ Res 31 on February 15, 2019, please visit [www.ALIPAC.us](http://www.ALIPAC.us).

### **New Vaccines Will Permanently Alter Human DNA--Why is the government so maniacal about injecting vaccines?**

by **Jon Rappoport**--Consider this article in light of the accelerating push to mandate and enforce vaccination across the planet.

The reference is the New York Times, 3/9/2015, "**Protection Without a Vaccine.**" It

describes the frontier of research. **Here are key quotes that illustrate the use of synthetic genes to "protect against disease," while changing the genetic makeup of humans.**

This is not science fiction: "**By delivering synthetic genes into the muscles of the [experimental] monkeys, the scientists are essentially re-engineering the animals to resist disease.**"

**“The sky’s the limit,”** said Michael Farzan, an immunologist at Scripps and lead author of the new study.”

**“The first human trial based on this strategy — called immunoprophylaxis by gene transfer, or I.G.T. — is underway, and several new ones are planned.”**

**“I.G.T. is altogether different from traditional vaccination. It is instead a form of gene therapy. Scientists isolate the genes that produce powerful antibodies against certain diseases and then synthesize artificial versions. The genes are placed into viruses and injected into human tissue, usually muscle.”**

**Here is the punchline:**

**“The viruses invade human cells with their DNA payloads, and the synthetic gene is incorporated into the recipient’s own DNA. If all goes well, the new genes instruct the cells to begin manufacturing powerful antibodies.”**

**Read that again: “the synthetic gene is incorporated into the recipient’s own DNA.”** Alteration of the human genetic makeup. Permanent alteration.

**The enormous tonnage of propaganda about vaccines, and the resultant mandatory laws that enforce vaccination, create a powerful channel along which re-engineering is eminently possible.**

**Synthetic genes injected into billions of humans would form a grand experiment to create an altered species.**

**Kind of like Genesis 6?:**

**Gen 6:1 And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,**

**Gen 6:2 That the **sons of God** saw the daughters of men that they were fair; and they took them wives of all which they chose.**

**Gen 6:3 And the LORD said, My spirit shall not always strive with man, for that he also *is* flesh: yet his days shall be an hundred and twenty years.**

**Gen 6:4 There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare *children* to them, the same became mighty men which were of old, men of renown.**

**Gen 6:5 And GOD saw that the wickedness of man was great in the earth, and *that* every imagination of the thoughts of his heart was only evil continually.**

**Gen 6:6 And it repented the LORD that he had made man on the earth, and it grieved him at his heart.**

Obviously in these two verses the “sons of God” are listed as distinct & separate when compared to “the daughter of men”. In other words they are not humans. **This is very similar to this verse also in reference to fallen angels, but in this case during the end times we are living in:**

**Dan 2:43 And whereas thou sawest iron mixed with miry clay, **they shall mingle themselves with the seed of men:** but they shall not cleave one to another, even as iron is not mixed with clay.**

**Job 1:6 Now there was a day <sup>3117</sup> when the sons <sup>1121</sup> of God <sup>430</sup> came <sup>935</sup> to present <sup>3320</sup> themselves before the LORD <sup>3068</sup>, and Satan <sup>7854</sup> came <sup>935</sup> also among <sup>8432</sup> them. □**

**Job 2:1 Again there was a day <sup>3117</sup> when the sons <sup>1121</sup> of God <sup>430</sup> came <sup>935</sup> to present <sup>3320</sup> themselves before the LORD <sup>3068</sup>, and Satan <sup>7854</sup> came <sup>935</sup> also among <sup>8432</sup> them**

to present <sup>3320</sup> himself before the LORD <sup>3068</sup>. □ How could humans present themselves before the Lord with Satan to dialogue with God?????????????

Now look at the full context of Job 38:7:

Job 38:4 ¶ **Where wast thou when I laid the foundations of the earth?** declare, if thou hast understanding.

Job 38:5 Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it?

Job 38:6 Whereupon are the foundations thereof fastened? or who laid the corner stone thereof;

Job 38:7 **When the morning <sup>1242</sup> stars <sup>3556</sup> sang <sup>7442</sup> together <sup>3162</sup>, and all the sons <sup>1121</sup> of God <sup>430</sup> shouted <sup>7321</sup> for joy?**

How could this be in reference to humans when the time frame was when God laid the foundation of the earth in the 7 day creation?

**Of course regarding this genetic alteration of humans DNA, there is no informed consent. The human guinea pigs have no knowledge of what is being done to them.**

**And what would be the objectives of this lunatic research program? They would vary. On a simplified level, there would be two. Create weaker and more docile and more obedient and more dependent humans.**

**On the other side, create stronger and healthier and more intelligent and more talented humans. Obviously, the results of the latter experiments would be applied to the “chosen few.” And clearly, some of this research will be carried on inside the military.**

Secrecy is easier to maintain, and the aim to produce “better soldiers” is a long-standing goal of the Pentagon and its research arm, DARPA.

A global vaccine experiment of the type I’m describing here has another bonus for the planners: those people who fall ill or die can be written off as having suffered from various diseases and disorders which “have nothing to do with vaccines.” This is already SOP for the medical cartel.

The numbers of casualties, in this grand experiment, would be of no concern to the Brave New World shapers.

**As I’ve documented extensively, the US medical system is already killing 2.25 million people per decade (a conservative estimate), as a result of FDA-approved drugs and mistreatment in hospitals. Major media and government leaders, aware of this fact, have done nothing about it.**
