## A CHRISTIAN CALL TO ARMS

A call to prayer and a call to action, for the followers of Jesus Christ. Nero fiddled while Rome burned showing his lack of concern. Flames are lapping at our door will you pray or will you ignore? Though the times seem to be trying and warnings are troubling, for the believer these are days of action. Our hope is built on nothing less than Jesus blood and righteousness.

## COVERT INTEL - IRAN -- SERIOUS

25 June 2019--**Within some circles at the UN in Switzerland and among diplomats - there is talk (and not just rumors) - to a small audience - of (unspecified) described acts by Iran and an (eyes only) chain of events being released to a very select few Diplomats.**

**In other words, scripted levels of Iranian reprisals against US assets via Proxy attacks, and against US allied Interests, in retaliation for ongoing US Economic Sanctions.**

**Intelligence professionals from OUTSIDE the USA have told me directly today there is very serious trouble coming.**

**Hence, this very blunt and direct warning today from President Trump:**

**...Iran's very ignorant and insulting statement, put out today, only shows that they do not understand reality. Any attack by Iran on anything American will be met with great and overwhelming force. In some areas, overwhelming will mean obliteration. No more John Kerry & Obama!**

— Donald J. Trump (@realDonaldTrump) [June 25, 2019](#)

**Military Intelligence people from the USA are telling me there is severe concern that something from Iran is in motion.**

**In the past 48 Hours in Seoul, South Korea and in Brussels, Belgium, they tried to attack or were interrupted preparing for an attack on US embassies.**

**Today, there has been an official alert for Iranian attacks on US and UK embassies.**

**Lots of talk about a couple of hundred terrorists trained in Africa. Most likely targeting African embassies but some could have traveled.**

(One intelligence agency) is referring to this as: terror group(s) for hire - with no detectable links to Iran - even **Sunni** militants might be involved

Further, June 27 --- **in 2 days** --- Iran will publicly exceed their Enriched Uranium past the Nuclear Agreement limit. They announced this last week. Once they breach that limit, it is widely expected that all of Europe will leave the nuclear agreement, implement sanctions and that Iran will unleash hell on everyone.

The level of stress and tension over Iran is palpable throughout the corridors of power in Washington. **Asked by media if he has an exit strategy if war breaks out with Iran. President Trump replied, without elaborating, "I won't need one."**

**Think about what THAT means. . .**

**It is without doubt (throughout Intelligence circles) that if war erupts, there absolutely, positively WILL be Iranian Sleeper Cell attacks here in the USA and in Europe. No idea what the targets might be. PREPARE!**

**Actually what is upon us are God's judgments. He has said that He is tired of telling people to repent and having His warnings ignored. He is in control of all things and He is using the satanic NWO to bring some of His judgments upon us. They want to destroy America and kill Christians and God is going to allow a lot of it because even the Christians are lost in willful sin. No one will survive the Great Tribulation without Jesus. Please repent and turn to Jesus today.**

**I've been in Iraq and around Muslims, and you just can't trust them, when the call goes out. Smiling at you one day and the next they're trying to kill you. And with all the converts, we'd really be in a bad way because it could literally be anyone ready to act. Worst of all, is the fact most everyone here in America is not ready or believing this could ever happen here.**

### **Top Iran military adviser threatens to 'erase' Israel if war breaks out**

**A top Iranian defense official said the Americans are fully aware that their assets in the Middle East can be destroyed by Iran's missiles and know that should war break out in the region, it would not be a "walk in the park."**

**In a June 20 interview on Iraq's Alnujaba TV, former Iranian defense minister Gen. Hossein Dehghan said Iran's military could destroy US military bases in the region and annihilate Israel.**

**"Our missiles can totally obliterate those bases," Dehghan said. "Israel knows that Iran will erase its entity and uproot it from existence in case of a war."**

**Dehghan said US President Donald Trump and his country fear the outbreak of war because they are unable to get global legal legitimacy for an attack or assemble an international coalition against Iran. He warned that if war broke out, America would find itself in the "garbage bin of history."**

## [Iran: New US sanctions are 'permanent closure' of diplomacy \(That Leaves Open only War\)](#)

**“Imposing useless sanctions on Iran’s Supreme Leader and the commander of Iran’s diplomacy is the permanent closure of the path of diplomacy,”** Foreign Ministry spokesman Abbas Mousavi tweeted, according to [Reuters](#).

**“Trump’s desperate administration is destroying the established international mechanisms for maintaining world peace and security,”** he added.

[President Trump](#) on Monday signed an executive order that placed sanctions against Iran's supreme leader, [Ayatollah Ali Khamenei](#), and other officials. Sanctions against Foreign Minister Mohammad [Javad Zarif](#) are expected to be imposed this week.

Iranian President Hassan Rouhani [said in speech](#) that sanctioning Khamenei wouldn't do anything **because he doesn't have foreign assets**, according to Reuters.

**“The White House actions mean it is mentally retarded,”** Rouhani said. **“Tehran’s strategic patience does not mean we have fear.”**

+2+ Does America’s next civil war begin in Oregon? Gov. Kate Brown orders state police to round up Republican lawmakers at gunpoint--Oregon Militias

Supporting GOP Carbon Credit Standoff--Capitol Closed for Safety

[\(Natural News\)](#) This story is getting very little coverage in the legacy media for obvious reasons. **Just like California, Oregon has gone full authoritarian in trying to force its fake science “climate change” agenda on everyone. Over the last few days, Oregon’s Gov. Kate Brown has ordered the gunpoint rounding up of Republican lawmakers in order to force a vote on a climate change “cap and trade” scheme (HB 2020) that only enriches corrupt Democrat insiders.**

As [BigLeaguePolitics.com reports](#), the Oregon Three Percenters appear to be getting involved to protect the citizens of Oregon from the authoritarian tyranny of the corrupt Democrats:

*The Oregon Three Percenters, who participated in the armed takeover of a wildlife refuge in 2016, was one of many groups to support the Republican legislators'*

*defiance. Apparently this, along with support for the legislators by other right-wing groups, was unsettling to law enforcement. The State Capitol was closed Saturday “due to a possible militia threat,” according to a spokesman for Senate President Peter Courtney.*

*Wall Street Journal On Thursday, the Three Percenters, a group that joined the armed takeover in the Malheur National Wildlife Refuge in 2016, said it would do whatever was necessary to keep the Republican senators safe. The Republicans said they wouldn’t accept the group’s help.*

The real threat in Oregon, of course, is the tyrannical governor and her authoritarian Democrat jack-booted thugs (i.e. the Oregon State Police) who are now hunting down Republican lawmakers at gunpoint in order to shove their destructive law through the legislature. As The National Sentinel reports, “Raising the cost of production and doing business (cause) will have predictable effects: Loss of jobs, loss of revenue, higher prices, higher energy costs. And for some in Oregon — farmers, truck drivers, loggers — the law would decimate their industries. And worse, there is no real consensus that human activity is causing the climate to change. In fact, the Left’s predictions of doom and gloom are routinely debunked by reality. In particular, Republicans say that gas prices alone would rise 22 cents a gallon almost immediately, and much more over the long haul.”

Does the Oregon citizens’ militia have a duty to arrest Gov. Kate Brown? It all begs the question: If the radical left-wing governor of Oregon is willing to dispatch armed hunting squads to round up Republican lawmakers at gunpoint,

don’t the citizens of Oregon have the right (and possibly the duty) to arrest Gov. Kate Brown and charge her with abuse of power and making threats of violence against lawmakers? Dispatching armed police to round up your political opponents is surely a crime. Is it a crime that will be tolerated by the citizens of Oregon?

“The State Police Superintendent just informed the Senate president of a credible threat from militia groups coming to the Capitol tomorrow,” reads a text message sent out to senators on Friday. “The Superintendent strongly recommends that no one come to the Capitol.”

It is unclear what the threats were, as the state’s Democratic leadership did not provide evidence of their claim.

The bill, HB 2020, would make Oregon the second state in the country to set up a cap-and-trade system for all sectors of the economy. California was the first, after passing a similar bill in 2016.

Democrats had scheduled a vote on the bill Thursday, but all 11 Republican senators fled the state. At least 20 senators must be present for a quorum, so

Democrats need at least two Republicans present to hold a vote. -[Wall Street Journal](#)

After Governor Brown (D) authorized state police to hunt down and wrangle the absentee GOP lawmakers, Sen. Brian Boquist (R) said he was prepared for a bloody standoff if state troopers show up – warning “Send bachelors, and come heavily armed; I’m not going to be a political prisoner in the state of Oregon, it’s just that simple.”

The eleven senators are also being hit with a \$500 daily fine for each day they refuse to show up for the vote. They say they won’t come back until Democrats agree to major changes in the bill, which they have argued would cripple manufacturing and other industries in the state.

“This bill needs to be referred to the voters” due to its profound impact on Oregon’s

economy, said Republican senate leader Sen. Herman Baertschiger Jr., speaking by phone *from outside the state*.

Sen. Michael Dembrow, one of the Democratic architects of the bill, said manufacturers had already been given major exemptions under the bill and that Republicans were only stalling to kill the bill. He said the Democrats’ resolve had been strengthened by the Republicans’ flight from the state. “The last thing we can do is make this kind of behavior the norm, because then it’ll happen every session,” Mr. Dembrow said. -[Wall Street Journal](#)

Democratic legislators say they will return to the Senate floor Sunday whether or not Republicans had returned.

Millions More Illegals and Paramilitary Troops Will Soon Be Here-Red Dawn Is Taking Shape

There is another development on our southern border that I am very concerned about and that is the fact that the Mexicans put 15,000 newly formed “National Guard” troops on southern border. Americans have such a short memory. These troops, as described in a Washington Post article published on April 9, 2019, stated that the UNITED NATIONS was training the force which was designed to replace the Federales. The stated purpose of the training was for “humanitarian” purposes. And I will one caveat for the possible humanitarian reasons behind the training. The Oroville Dam nearly failed yesterday as they lost one of the gates and massive amounts of water is escaping. The DWS is working through through the night to try and repair. This earthen dam is 4 feet away from overtopping. This is what bothers me about the 15,000 troops on the southern border. There are only 6,000 Mexican troops on their border with Guatemala. Shouldn’t we have

the numbers reversed? Isn't the need greater from OTM's coming from Central America? Let's further connect some dots here as look at the following facts:

1. Millions of immigrants are coming north from soon-to-be war torn areas in Central and South America.
2. Embedded within these migrants are the paramilitary troops that will be coming along side. This is an invasion force and every source I speak with is concerned about this.
3. In this scenario, the ultimate purpose of the Mexican troops is not catch illegal immigrants, it is to facilitate a Red Dawn invasion breakthrough. And if people think this is far-fetched, haven't we already seen the Mexican military cross our border and take two American military personnel hostage before releasing them (dress rehearsal related to probing our defenses)?
