Lexicon Strong's G3657--Outline of Biblical Usage of the Word:

"Communications": companionship, communion

+1+ The UN and AMLO Are Transforming Mexico Into a Military Enemy of the United States

July 7, 2019 - Dave Hodges and Marilyn Rupar--**Recently, I received the following communication from an anonymous Mexican official. He is concerned that his government and military are being taken over by the United Nations. This is not a farfetched claim as it was announced in the media that the Mexican National Guard was being trained by the United Nations..**

Mr. Hodges,

I have been following your work in relation to Central America both in Mexico and our neighbors to the south. I used to work in different parts of the Mexican government. I will not be more specific at this time for obvious reasons.

I can say that I can I can tell that much of your information comes from the DEA and Homeland Security as well. Much of what you have said is true. There are some claims that I would take exception with. You are placing blame for Mexico's ongoing corruption at the feet of the one you call AMLO. Andrés Manuel López Obrador is commonly referred to by his initials AMLO, is a Mexican politician serving since 2018 as the 58th President of Mexico. He is nothing but a puppet. He is like your Alexandra Ocasio Cortez because he was recruited to being doing what he is doing. He is handed the script of policies and like a puppet he reads and follows the script and he is willing to do so because he is bribed and rewarded well.

International forces are now ruling Mexico. Many of the political and media executions are carried out on the orders of these international forces. We became

used to American imperialism but this goes far beyond the domination of one nation over another. **The United Nations is attempting to control our military.** I know you reported that the UN was training our National Guard in its formative phases. You should know that the National Guard is actively training for martial law near our border with Guatemala but they are not training for martial law in Mexico, but in America. The effort was preceded by recruitment of English speaking soldiers. Our government is involved in secret talks with China who I despise. The Chinese built warm water ports in Mexico on the Pacific and have funded our nefarious paramilitary factions related to the cartels. Your Obama administration was also a partner in this.

I am writing to you because I want it exposed that millions of Mexicans are going to die in what is coming and for what is planned. Our national elite have been told that Mexico will be the leader in a regionalized economic system **after the United States has been defeated militarily and economically.** I am among several who no longer serve in government who know we have been lied to by our own. Our best path to prosperity is through establishing a working relationship and sound foundation of trade with the United States. For Mexico to become a regional leader in Central America, we would have to develop our oil fields and convert our illicit businesses to a legitimate status. Mexico is decades away from realizing this. I have reason to suspect that some of our leaders are secretly paid to stand down in the internal economic development of Mexico because it would take away from the narco business and too many international interests are making large sums of money from this business. **We are also building an army which will invade your country when the time is right. The Chinese are involved with the cartels who will play a role and the United Nations is involved in our political leadership and military restructuring. Our military is being turned into mercenaries for the United Nations.**

You have written **that in Honduras various criminal gangs are conscripting young boys into their service. The same is happening here with both our Guard and the Federal Police and they are abducting many immigrant males into cartels who work for the military or into the military itself. It is planned that the average soldier in the National Guard will be a brutal person capable of anything. It is the mentality that is needed to enforce martial law and carryout mass executions of your people in the occupation stage. Because Mexico is on the frontlines, Mexicans will suffer the most casualties. Our nation will be the most forward of the invading troops and will suffer terrible casualties. Mexico is being used to serve the purpose of international forces, not our own. Again I want to stress that Mexico does not benefit from a war with the United States but many in government do not see it this way.**

If you print this, I believe others will come forward as there is much discontent in our government. Journalists are being murdered in this country who speak out against these alliances.

Mr. Hodges your people are in danger for the same reasons that my people are in danger. Many of us have sons in the military and we do not want their lives wasted on behalf of these international forces and I am sure you are aware, we have our own deep state interests the same as you do.

I hope this letter makes it clear that our people need not be enemies. We are both being used and we need to try and stop it before there is no turning back.

I received this communication on the evening of July 5th. There is a personal reason that this person reached out to me, but I cannot at this time reveal the reasons why. Much of what he said, Marilyn and I are in the process of discovering. The story is in process.

There is another compelling reason to believe **why UN is training Mexican invasion forces.**

The migrants that MX is now arresting and forcing into their invading army are, technically, soldier prisoners and will be executed if they do not follow the commands of the UN forces training them for war. The UN will use the cartels to do the executions.

Subject: Listener Intel Regarding Necrotizing Fasciitis--Also called flesh-eating bacteria

Vibrio bacteria can cause necrotizing fasciitis, other types, especially streptococcus (group A strep) are the more common culprits, the CDC says. Klebsiella, clostridium, E. coli, Staphylococcus aureus, and Aeromonas hydrophila can also lead to necrotizing fasciitis.

It's back in the news because of several cases popping up after people going swimming.

Check this out. I have seen it kill a person in slightly over 24 hours.

The bacteria gets on your skin and causes a red, spreading wound, sometimes open and weeping.

Any wound that spreads, is red, painful...The bacteria actually dissolve skin, fascia, muscle and it stinks!

It causes a fever. The danger is it can spread in your bloodstream and cause organ shutdown., septicemia.

Invive Mild Silver Protein Protocol for: MRSA STAPH INFECTIONS AND Necrotizing Fasciitis/FLESH EATING BACTERIA:

Adult Dosage: 1-2 tsp of **10700ESppm** Invive Mild Silver Protein every 4 hours until asymptomatic. Hold each dose in the mouth 3-4 minutes before swallowing. The 10700ESppm silver should also be applied every 2-4 hours topically over the staph infection alternated with Lugols Iodine. **Oregano Oil can also be used topically and internally.**

Dr. Johnson Comment: MRSA is the strongest super stain I know of so it requires 10700ES ppm.

Invive stated: Give them the 10,700ES to put full strength on any severe infected wounds and cuts. They will be "AMAZED".

The 10,700 "IS" remarkable/"AMAZING" when applied T.I.D. directly on the wound, and applied directly on the bandage also, using a knife to cut every 1/8" into the bandage pad, so that the bandage pad is full of silver.

The March 1978 issue of Science Digest, in an article, 'Our Mightiest Germ Fighter,' reported: . . . "An antibiotic kills perhaps a half-dozen different disease organisms, but silver kills some 650. Resistant strains fail to develop."

"Colloidal Silver . . . killed every virus that was tested in the lab,"

Invive Mild Silver Protein: The Ultimate Immune System Product For Colds, Flu's and Infections. **For more information go to: <http://www.dr-johnson.com>

Proactive Measures Colds, Flues and the Immune System

With the recent advent of the Flu epidemic an ever increasing importance has been put on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harms way (that is if you can help it) and #2) building up your own immune system as much as possible. In this email I am going to attempt to show you how to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors below and than talk about the measures we can take to respond to a contagious infection if we have already been exposed.

Most people are not aware of the role that **calcium** plays in our immune system. It is actually one of the chief fuels upon which our immune system runs on. White blood cells are the main tool our immune systems use to destroy foreign infectious invaders. White blood cells use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis. If we don't have enough usable calcium in our body, our immune system cannot ramp up, get to and kill these foreign infectious invaders. It's like having a guided missile, with no way of getting it off the ground. Consequently, if you have a low amount of usable calcium in your system, forget about having a strong immune system. It won't happen because it can't happen. And calcium is not something that can be manufactured in the body unless we leach it from our own bones, which over time would lead to osteoporosis. **One of the main signs we are deficient in Calcium during the throws of an infection, is a high body temperature or fever.** One of the things that got me into the alternative health field

was a poorly functioning immune system. I have found one of the main components in building a strong immune system is keeping calcium reserves high in the body. The best product to accomplish this is [Davinci Labs CAL MAG 180 tablets](#) or [Davinci Labs CAL-MAG CITRATE POWDER 30 Servings 4.9 oz. \(139.2 grams\)](#). As sufficient stomach acid is essential for the breakdown of not only calcium but protein, iron and several other trace minerals. If low stomach acid is a factor, [Hydro-Zyme \(90 T\)](#) or [Hydro-Zyme \(250 T\)](#) should be taken with the Calcium and with food. Or as an alternative taking 1-2 tsp. with the calcium should do the trick. One other thing that is important when talking about calcium is the Omega-3 fatty acids which are high in flaxseed oil. You see the omega-3 fatty acids in flaxseed oil are necessary for healthy cell membranes and to transport calcium into the white blood cells, where the calcium is used to support cell motility (movement) and phagocytosis (killing the foreign infectious invaders). Of the Omega 3 good fats, flax seed oil is very important. For this I recommend [Genestra Organic Flax Oil Capsules 90 Softgels](#), as flax is a very volatile oil and spoils very easily. It is a risky proposition buying flax oil off the shelf as usually there is no way to verify quality. This is also an excellent protocol for skin protection as Calcium and Omega 3 fatty acids are essential in preserving and protecting the skin. Now if I feel I may be getting run down, I will increase my dosage of these two products until my system is back in balance. If these products are taken in conjunction with a good whole food multi-vitamin mineral product like [Intramax or the Innate Once Daily formulas](#) you should be in pretty good shape.

For the adult multivitamins I carry see below:

It contains 71 trace minerals along with other health promoting “super foods”, herbs, fruits, vegetables, probiotics, amino acids, and much more. “intraMAX® is the most scientifically advanced, clinically proven, health promoting organic nutritional supplement available today!”

Now the last point I wanted to mention is regarding [Colloidal Silver](#). Colloidal Silver acts much like a [second immune system](#) in our body. But it is *not* a substitute for the raw materials that build your own immune system (which are the products I mentioned in the preceding paragraphs). But Colloidal Silver is an excellent addition to any immune system enhancing protocol. Again quality is everything in regarding to what Colloidal Silver product you ultimately use. The finest quality colloidal silver I know of is [Invive Mild Silver Protein](#) at: www.dr-johnson.com In my research regarding colloidal silver I have found this company to be head and shoulders above the rest. They were instrumental in guiding me toward factual, unbiased research in regard to Colloidal Silver.

Beyond what I have mentioned bear in mind there are many things you can also do to keep your immune system strong. Many of these things have been covered in previous newsletters like: Drinking 8-10 glasses of purified a day. Avoiding refined processed carbohydrates/sugars and "trans"/partially hydrogenated fats in the diet, getting at least 7 hours of sleep per night, fasting 2-4 days per month to aid in detoxification, some type of daily exercise activity(the mini-tramp/rebounder being the best), etc.. So in this newsletter I have given you some of the key tools to develop a strong immune system. It is my hope this information will be a blessing to you and your families. Until next time!

Natural Remedy for the Flu: Over the Counter Hydrogen Peroxide

++ Note: [Pneuma-Zyme™ \(Lung Conc.\) \(100 T\)](#) For any lung infection

For **lung infections** nebulize 100ppm InVive Mild Silver Protein directly into the lung fields for 3-4 minute intervals several times per day. If you want to make a 100ppm solution (and you have a 5000ppm bottle) just divide 5000 by 100 to get: 50. So you would add 50 parts distilled water to 1 part 5000ppm to make a 100ppm solution.

Now with a **sinus infection** the best way to directly go after this is to get any nasal spray atomizer bottle (**Like this one:**

<http://sparknaturals.com/index.php/accessories/1oz-blue-glass-nasal-sprayer.html>) and add 500ppm silver to the bottle. Now to make the 500ppm just add 10 parts distilled

water to one part 5000ppm. This will be the strength you use in a nasal spray bottle. One drop of eucalyptus oil to this 500ppm solution is also very good for nasal use. When you use the 500ppm in the nasal spray bottle make sure you tip your head back and spray 3-5 times per nasal passage. You can do this several times per day. You would also want to take 1/4 tsp. of the 5000ppm held under the tongue 3 times a day until you are doing better.

For **Otitis Media (ear infections)** (if your ear drops are not ruptured) you need to dilute the Invive Silver to 500ppm for the ear drops. To make this strength from 5000ppm just add 10 drops of distilled water to every one drop of 5000ppm. Use 3-4 drops in each ear 2-3 times per day till better. In reality I really like just plain old 3% Hydrogen Peroxide for ear infections 2-3 drops in each ear. Tilt the head and hold this dose in each ear for 1-2 minutes before tilting your head back. It will bubble and be quite loud and may burn a little so sometimes children are afraid of the Hydrogen Peroxide whereas the silver should not bubble or hurt at all.

For an 8 year old I would administer the 5000ppm silver under the tongue 15-20 drops 3 times a day (hold for 2-3 minutes then swallow) to treat the ear infection internally as well.

Proactive Measures In the Event of a Pandemic

5000 Mild Silver Protein (M.S.P.) Suggested Therapeutic Dosing Guidelines

1tsp.-1tbsp. for every 30 lbs. of bodyweight per day; if you have been exposed or if you have a virulent virus/Pandemic. The 1 tbsp. dosage would be used for life threatening situations. This dosage should be equally broken up and taken in 3 hour intervals. Stay at home and avoid contact with the populace till the outbreak passes. If taking the M.S.P. drink at least 8, eight ounce glasses of purified water per day. M.S.P. can be used topically with DMSO over an infectious site. Because the 5000 PPM M.S.P. is only available in 4 ounce bottles it would be wise to keep at least a few bottles for each adult family member and 1-2 for each child in your household. View this like an insurance policy that hopefully you will never have to use. Even if you don't use this product in the event of a pandemic, it can be diluted and taken on an everyday basis to keep the immune system strong.

Invive Silver Dosing Chart for children/babies

Maximum dosage in case of a severe infection: 5 cc's of the 5000ppm Invive Mild Silver Protein per 30 lbs Bodyweight. 5cc = 1tsp.

That means a 30 lb. child receives 5 cc in total per day, **in divided doses** of 1.2 cc q.i.d. (or 4 times a day)

A 10 lb. baby receives 2 cc **in total per day**, in divided doses of 1.6 cc total per day.

In this case (2cc's) that means 7 (drops) Q.I.D.(or 4 times a day)
Q.I.D.= 28 drops total per day divided by 4 = 7 minims (drops) sublingually every 6 hours.

++ Because Invive Silver is so stable it has a 15 year minimum shelf life. Currently the expirations dates are 2028. There is no colloidal silver in any form that can even come close to their shelf life or potency; **nor has there been one case of Argyria (turning gray) reported from taking Invive Silver.**

Dollar Will Be Sliced in Half - Bill Holter & Jim Sinclair."prepare yourself and prepare your family. Have extra food. Have a way to purify water. Make a plan where you can go it alone"

By Greg Hunter USAWatchdog.com July 10, 2019

Near the beginning of this year, legendary investor Jim Sinclair and his business partner Bill Holter said the reset would start in June. Is the recent jump in gold prices confirming this? **Sinclair says yes and predicts a two-tier reset in the next few years. . . . The first will be a devaluing of the dollar. Sinclair explains, "The reset has already started. . . . The only thing holding up the dollar is its universal use as a contract settlement mechanism in Russia and China and everywhere else, and that simply is not happening anymore. . . . The dollar is going lower. . . . In the first reset, the dollar will get sliced in half. That means the little guy will get sliced in half in terms of his buying power. You need to look at gold, not a speculation, but as a savings account. If the dollar gets sliced in half, you basically double the value (of your gold) if not more. I think much more. . . . In the second reset, that will take gold to a price where it will balance the ability to pay global debt. That's the major move coming forward.**

The people who are running this understand this as much as we do, and the system is going to go down. So, why not create a false flag and kick the table over so you can point at it and say our policies would have worked if it wasn't for whatever event they come up with."

Can they put this off until after the 2020 election? Holter says, "It just might be one big last kick of the can . . . but prepare yourself and prepare your family. Have extra food. Have a way to purify water. Make a plan where you can go it alone for a couple of weeks or a couple months or more. That is what is coming for us all. Trump is going to preside over a bankruptcy. When he was elected, we predicted that he would preside over the bankruptcy of the United States. . . .The math says it is guaranteed."

Sinclair says, "He is a master at bankruptcy..We have been warning people to be their own central banks and be able to take care of themselves for no less than 90 days."

We are sorry to report that the globalists have won another major battle in the US House where 140 RINO Republicans, including Minority Leader McCarthy, just voted to help Democrats pass a bill that will give more green cards to India and China.

This marks ALIPAC's second major legislative defeat in 2019 as it becomes more clear that illegal immigrants and legal immigration expansion supporters are doing better than ever during Trump's first term.

Our opposition is celebrating today and their morale is high. [Andrew Moriarty](#) of Facebook's pro-Amnesty power group FWD.us said, "This is a very important bipartisan effort that we strongly support... If this passes, it will join the Dream and Promise Act as two pieces of commonsense but CRUCIAL immigration legislation passed by the House this year, waiting only for a vote in the Senate."

It appears that with President Trump now leading the deception movement on immigration issues and the conservative base is being divided between those who will and will not hold Trump accountable for his broken immigration promises, so the globalists are in a strong position to take it all!

Liz Crokin supports Trump and knows he's real because of the massive increase in pedophile arrests happening since he took office. I will always support Trump!

Yes, he does make mistakes because of lack of knowledge and evil scum around him.

Do not listen to those who say he is "one of the THEM". He has his faults which God told me all about when I was told he would win months before the election but he is God's chosen and our only hope to change anything!

*We must tell him when he messes up **but we must support him to the end and get him a second term or we're all in trouble!***
