+1+ That's NOT Jeffrey Epstein! Ears And Nose Do Not Match – Fake Suicide-- Guards in Epstein Jail Told to LEAVE AREA 3 Hours early due to "Maintenance" Before Epstein Found Allegedly DEAD

It is time to laugh at the biggest joke in the world today as we line up the pictures of what is alleged to be Jeffrey Epstein (after his alleged suicide) shows his nose and face do not match that of the real Jeffrey Epstein proving this to be the most fakest news on earth right now. See for yourself:

This puts William Farrington's photographs into controversy as it appears we are being lied to on a major scale and William was front line of that lie. Here is another close up of the man's ear on the bed being taken into hospital and reported to be Jeffrey Epstein, anyone with eyes can see it is not the same ear. For more on Mr. Farrington go to:
<https://beforeitsnews.com/v3/alternative/2019/3696024.html>

It is 100% safe to say this is a total facial recognition failure on all levels.

Here is his ear again in a picture of him next to Trump, do these ears match the ear identification methods we know are as valid as fingerprints to identify a person? No.

With a suicide watch protocol in jail this suicide is highly unlikely. Remember he is alleged to have made an attempt on his own life at least two weeks ago, so how

he managed this whilst on suicide watch, in a padded cell, with special clothing is virtually impossible. But the two guards at the MCC who normally have the overnight shift (that watches over suicide risk inmates) were both told to leave the area 3 hours earlier for scheduled "Maintenance" to jail cells and hallways. And the security cameras were conveniently shut down. See: [The two prison guards who failed to check on Jeffrey Epstein every 30 minutes were both](#)

[working long overtime shifts at the understaffed jail' on the night he killed himself, sources claim](#)

The same morning Epstein was supposedly found dead, what a crazy coincidence.

The New York prison which held Epstein was under the watch of Attorney General William Barr, who was hand chosen to head the Justice Department by Donald Trump. Barr and Trump are reported to be associates of

Epstein.

“ Trump specifically asked for me because I reminded him of Ivanka, He said, 'She's 13 as well' ”

Not saying anything after this pls do not try to dox me but last night after 0415 count they took him medical in a wheelchair front cuffed but not 1 triage nurse says they spoke to him. Next thing we know a trip van shows up? We do not do releases on the weekends unless a judge orders it. Next thing we know, he's put in a single man cell and hangs himself? Heres the thing, the trip van did NOT sign in and we did not record the plate number and a guy in a green dress military outfit was in the back of the van according to the tower guy who let him thru the gate. You guys i am shaking right now but i think they switched him out

“I have direct experience of providing medical care to prison inmates held on suicide watch. “The inmates are monitored on videotape and each 15 minutes one-to-one check is documented.

It's virtually *impossible* for inmates on suicide watch to successfully achieve a suicide.

<< A twitter post early this morning, which had to come from inside the prison went like this, it has since been deleted.

So at 4:15 AM Epstein was taken to a holding cell reserved for transportation.

At about the same time a white van pulled up to the transfer dock with a driver. All the cameras go down, what a coincidence. The guards who's job it is to check those on suicide watch every 30 minutes forgot to do the job they had been doing for years. Now the good stuff so at 4:15 he's O.K. ready to be moved but around 7Am he's found dead in his cell. where he hung himself. Hmm.. But since he's dead for a long time lets give him oxygen. By this time he was long gone. Now I have had the occasion to be in that jail for about 6 hours visiting a client. No way could anyone hang themselves in an 8 by 8 cell. BECAUSE NOTHING IS ON THE CEILING BUT A LIGHT.

Was Epstein Fake Suicided Into the Mossad's Witness Protection Program
Prison staff found Pedophile Handler, Blackmailer and Recruiter Jeffrey Epstein dead in his prison cell in a Manhattan Federal Holding Center that is notorious for its in-house video monitoring of inmates. Apparently inmates that are on suicide watch can't even use the toilet without being watched on camera. Yet, somehow Epstein was able to (apparently) choke himself to death. If Jeffrey Epstein was truly an 'asset' to the Synagogue of Satan Zionists (by having Epstein blackmail high level targets by videotaping them having sex and other 'things' with minors) then there is NO WAY that they would let this asset harm himself or be harmed. So most likely he has been placed under the Mossad Witness Protection Program

BREAKING NEWS: CHINA BEGINS MILITARY INVASION OF HONG KONG--
THIS may be the China-US provocation spiral that is scripted to take down the global financial system in September...

11 August 2019

The Chinese government has begun moving troops across the Shenzhen Coastal Expressway Bridge into Hong Kong minutes ago, in a military operation to put down protests against the government of Beijing. Hundreds of military trucks carrying soldiers and guns are moving at this hour across the Bridge into Hong Kong.
<< Enormous Columns of

military trucks are entering the city

The protests have gone on for weeks as citizens of Hong Kong refused to accept a new law allowing them to be extradited to mainland China for "crimes" against the state.

Demonstrators numbered in the MILLIONS and authorities in Hong Kong and Beijing were aghast at the open defiance and public resistance.

They warned demonstrators to stop, but the protests continued. Now, the People's Liberation Army (PLA) is moving into the city to stop the protests by force.

UPDATE 9:24 AM EDT --

<< Army Columns have entered the city downtown

Covert Intel Sources are telling me these are Anti-Riot Shock Troops and that the protesters in Hong Kong are going to get their heads busted open by these troops.

Extreme force is already authorized; the government in Beijing seems to be going Full dictatorship.

UPDATE 10:06 AM EDT --

Hong Kong is *supposed* to have self rule until 2047 under terms of transfer from Britain to China. Looks like that agreement is being forcibly thrown away today . .

COVERT INTELLIGENCE

I have been briefed on what is ACTUALLY behind this situation and the world is entering an "End Game" right now. Very severe implications. This is COVERT INTELLIGENCE from my former colleagues with the FBI Joint Terrorism Task Force, with whom I worked on National Security Intelligence from 2003-2008. People in foreign government service briefed me directly just moments ago that THIS is the China-US provocation spiral that is scripted to take down the global financial system in September...

- 1) China invades Hong Kong "to restore order."
- 2) With a military response out of the question, Trump responds with "shock and awe" tariffs and financial sanctions intended to make the Chinese back off.
- 3) The Chinese defiantly continue the Hong Kong operation and double-down by mobilizing invasion forces across from Taiwan. Meanwhile, their economy and banking system start a hard crash.
- 4) To divert public anger away from the crashing economy and the Communist Party, Xi whips up a patriotic frenzy and launches a Taiwan invasion.
- 5) Treaty-bound to defend Taiwan, Trump intervenes with either conventional military forces or the Secret Space Program, depending on the scripting.
- 6) At some point during Steps 2-5, the global financial system collapses.

If you have business interests in China, you need to IMMEDIATELY commence obtaining alternate sources for goods and services. It is possible that ALL trade

between the US and China may face stoppage if sanctions are used over this Hong Kong situation. If all trade is stopped and you rely on production inside China, YOU will be out of business. Make alternate plans RIGHT NOW. Additional updates will appear here as news develops . . .

UPDATE 11:46 AM EDT --

Hong Kong has fallen into violence amid the 10th straight week of protests, as police fire tear gas on thousands of demonstrators donning yellow helmets and black clothing.

The protests were sparked by outrage over a controversial extradition bill which would have allowed suspects to be transferred to mainland China to face trial. In response, the government shelved the bill - however much like France's Yellow Vest movement, Hong Kong's demonstrators have expanded their cause into a general anti-government

protest despite Beijing's dire warnings that a nearby military contingent will use deadlier measures to control the situation.

Trump Leading the Way to Gun Confiscation!!!--'Red Flag' Gun Control Bills Pick Up Momentum With G.O.P. in Congress

WASHINGTON — Congressional Republicans, under pressure to respond to this weekend's massacres, appear to be coalescing around legislation to help law enforcement to take guns from those who supposedly pose an imminent danger — a measure that, if signed into law, would be the most draconian gun legislation enacted in 20 years.

With President Trump endorsing the idea, a number of Republicans — including Senator John Thune of South Dakota, the No. 2 Republican — are embracing the concept. Mr. Thune said that he was “confident Congress will be able to find common ground on the so-called red flag issue.”

“Senate Republicans are uniting around [Sen.] Lindsey Graham’s bill that would effectively end your 2A rights,” [Ammoland noted in a Thursday post](#) following reports that the South Carolina Republican had ‘struck a deal’ with Sen. Richard Blumenthal (D-Conn.) for a red flag bill POTUS Donald Trump’s own daughter, Ivanka, is pushing.

Congress should enact Red Flag laws/ Extreme Risk Protection Orders in EVERY state and increase resources dedicated to mental health support.

<https://t.co/YWgccND8dH>

— Ivanka Trump (@IvankaTrump) [August 4, 2019](#)

Graham’s legislation is also sinister because it wouldn’t create a red flag law, per se, but rather fund a federal “bribe pot” of money to ‘encourage’ states to pass

red flag laws — like states were ‘encouraged’ to pass “RealID” and ‘encouraged’ to pass a 55-mile-per-hour speed limit once upon a time and ‘encouraged’ to lower alcohol blood levels. The Feds ‘encourage’ state compliance by bribing them with funds, as Graham’s bill does, or *depriving* them of money needed to fix roads and highways and bridges (even though the state’s taxpayers contributed money for such upkeep and repairs).

“To add insult to injury, Lindsey Graham is downright lying to the American people when he says that this bill would recognize due process,” GOA says, noting that red flag laws, by their very nature, must violate due process because guns are removed from homes and from gun owners without trials, without evidence, and without a crime ever having been committed.

Congress is not currently in session, but we expect this bill to be waiting for lawmakers when they return from their summer recess.

And the Senate Republican leader, Mitch McConnell, has asked three committee chairmen to “reflect on the subjects the president raised” and hold bipartisan talks of “potential solutions.”

Senator Richard Blumenthal and other Democrats are also demanding that Mr. McConnell bring the Senate back from its August recess to pass two House bills to expand background checks to internet and gun show purchases, and to allow the F.B.I. more time to investigate a would-be gun buyer flagged by the current background check system.

“The measures that have been passed by the House are absolutely necessary,” Mr. Blumenthal said. “A red flag statute is by no means enough.”

The evidence for whether red flag laws work to prevent gun violence is inconclusive, according to a study by the RAND Corporation of the effectiveness of gun safety measures.

NOT ONE MORE INCH! The GOP Attacks Our Bill of Rights

Play: <https://www.youtube.com/watch?v=MMlp2HGDDw0>

Breaking: President Trump Calls for “Red Flag” Gun Confiscation

Shortly after I finished this email, **we learned that Republican Senator Lindsey Graham has struck a deal with the Democrats and President Trump to pass national “Red Flag” gun confiscation.**⁵

Please read my important message below and take action now.

Many thought the war on the Second Amendment was “over” when Donald Trump defeated Hillary Clinton.

Now we are shocked and saddened by President Trump’s remarks from yesterday that he is personally calling for “Red Flag” gun confiscation laws.

Here’s exactly what Trump said:

“I have called for Red Flag laws, also known as ‘Extreme Risk Protection Orders.’”¹

By definition, “Red Flag” laws allow SWAT teams to burst into your house with orders to seize your firearms without due process, all based on nothing more

than anonymous accusations.

Last year, a 62-year-old man was shot and killed in his own home in a Baltimore, MD suburb when police knocked down his door at 5:02 am.

The Republican surrender-monkeys in the U.S. Senate have already proposed this same “Red Flag” law, federally.

Lindsey Graham (R-SC) and Marco Rubio (R-FL) are working hand-in-hand with Dianne Feinstein (D-CA) and Richard Blumenthal (D-CT) to pass a “Red Flag” gun confiscation law similar to that of Maryland and other states.

Now, President Trump is calling for this very legislation, nationwide.

Unfortunately, President Trump did not stop with just one gun control proposal yesterday.

In an early morning tweet, the President also pushed for a “deal” on background checks (aka gun registration).²

Here’s the President’s full tweet:

The so-called “background check” legislation is the same failed proposal made by President Obama, which would NOT have stopped either the El Paso or Dayton shootings.

It also would BAN PRIVATE FIREARM SALES and mandate all gun sales be registered and pre-approved by the government.

President Trump further reminded us on National TV yesterday morning that: ¹

*** HE banned “bump stocks,” and

*** HE signed the FIX-NICS gun control database into law

And just a few weeks ago, HE said he’s “seriously looking” to ban firearm suppressors.

So President Trump doesn’t sound like a pro-gun President anymore.

He sounds more like Nancy Pelosi, Chuck Schumer and the gaggle of Democrat presidential hopefuls who are also demanding more gun control.

And Trump’s call for full-on “Red Flag” gun confiscation and gun registration throws the doors wide open for the anti-gun zealots to push even more garbage like bans on accessories, magazines, and even the so-called “assault weapons” ban.

If this ill-advised behavior of abandoning gun owners continues, I’m afraid the

consequences will be dire.

Making matters worse, the NRA has issued a statement “welcoming” the President’s bad ideas, instead of condemning “Red Flag” gun confiscation. Pelosi and Schumer are also demanding Congress come back from August recess to pass gun control.

Republican Senators like Pat Toomey (R-PA) and Graham have already released statements of their own calling for these same gun control laws too.³

And TWO gun control bills (H.R. 8 and H.R. 1585) have already passed the House and are before the Senate for Consideration at ANY time.

So that means it’s up to us again.

Here’s what you can do to help stop this rush to gun control: Call the White House at (202) 456-1111 to politely insist the President withdraw his support for “Red Flag” gun confiscation and gun registration.

Your message can be as simple as this:

*I am urging President Trump to withdraw his support for “Red Flag” gun confiscation and universal background checks.
More gun control is not the path forward. Stop abandoning gun owners ahead of a critical 2020 election.*

Then, if you have time please also call {{sen1_name:Sen. Chuck Schumer}} at {{sen1_phone:(202) 224-6542}} and {{sen2_name:Sen. Mitch McConnell}} at {{sen2_phone:(202) 224-2541}} and tell them to OPPOSE any gun control, even if it’s backed by President Trump.

Remind them that good guys with guns prevented the attacks in El Paso and Dayton from becoming much worse, and restricting the Second Amendment will make these attacks more deadly, not less.

"Red Flag Laws" Will Lead to Soviet Style Gun Confiscation, Incrementally by Expanded Mental Health Issues for All That Oppose a Communist Takeover in America

Most would agree, ‘Red Flag Laws’ could be very effective when a neighbor, family member or a loved one of sorts, displays an immediate threat to the safety of others and it is known he/she owns a weapon.

Here’s the real problem.....

A majority of psychologists tasked with evaluating the individual suspect of a [possible] thought crime, are approximately 52% non-conservative and are likely anti-gun health officials, while a very small percentage are supporters of the Right to Bear Arms.

Also....the “Red Flag Law” opens the door for false claims by ex-wives, neighbors, and their own children....no Due Process until after the gun confiscation event.

How about our military veterans that are mostly Republicans? PTSD or other minor issues could easily become their own nightmare. What can happen as a result of any anti-gun health or psychological questioning...”do you think you have PTSD?” Those that do might very well say no....

Note: If there is a particular segment of society in America the Democrat Communist Party do NOT want armed....the military veteran can and would be very dangerous during a [Hot] Civil War.

If WE allow ‘Pandora’s Box’ to be opened....the end result is ALWAYS misuse of *that* power of which can easily expand and re-written by a Democrat Communist controlled government in the future to the extent of outright confiscation under the guise of mental illness.

The Soviet Union used mental illness as the excuse to confiscate weapons and wouldn’t you know....the Soviets declared that all dissent against the government was a mental disease. Sound familiar as this same ruse is evolving now in the U.S.?

As you have noticed, the population hears about a mass shooting and before the dead are buried, there is an immediate rush to know the shooter’s party affiliation. As we just witnessed, the El Paso shooter’s social media postings were edited immediately after the shooting, showing his party affiliation as Democrat before the shooting and changed to Republican accordingly.

That also brings into question about his lengthy manifesto that many say could not have been written by this mentally disturbed kid.

Therefore if we combine all the recent false flag Manchurian candidate shootings, with the outcry by the Communists for gun control, and Trump submitting to the Dems with “Red Flag” laws....we can easily see where it’s all headed.

ALIPAC Rebukes Trump's Call To Pass Amnesty for Illegals In Response to False Flag Mass Murders

[Americans for Legal Immigration PAC](#) is rebuking President Trump's call for Congress to work in a bipartisan fashion to restrict American gun rights and pass immigration reform Amnesty for millions of illegal aliens in response to recent shootings.

At 6:54 am ET today, Trump tweeted ([View](#))

*"We cannot let those killed in El Paso, Texas, and Dayton, Ohio, die in vain. Likewise for those so seriously wounded. We can never forget them, and those many who came before them. Republicans and Democrats must come together and get strong background checks, perhaps marrying.....**this legislation with desperately needed immigration reform**. We must have something good, if not GREAT, come out of these two tragic events!"*

The term "immigration reform" has referred to Amnesty legislation in DC that has been defeated by groups like ALIPAC and the American public ten times since 2004. The term "immigration reform" and Amnesty are politically synonymous.

"President Trump's true globalist and Democrat colors are really showing today as he simultaneously advocates curtailing our Second Amendment gun rights

and giving Amnesty to illegal immigrants in the same Twitter breath," said William Gheen, President of ALIPAC. "Shame on Trump for trying to use these violent tragedies to push the globalist immigration reform Amnesty agenda he promised to oppose during his 2016 campaign."

ALIPAC would like to point out that America already has gun background checks and if Trump sincerely wanted to help end the violence he would mention the fact that most of America's mass shooters have taken SSRI (Selective serotonin reuptake inhibitors) psychotropic drugs which have the rare yet known side effect of suicidal and homicidal tendencies. Global pharmaceutical companies make billions of dollars through over-prescribed SSRI drugs with known violent side effects that have been a factor in most of America's high profile mass murders with long barrel guns.

The elites who have supported and facilitated the illegal immigrant invasion of America have pushed for gun restrictions and Amnesty as their two main legislative agendas for the last decade and President Trump is their agent, not the American public's defender.

President Trump was registered as a Democrat for 8 of the 16 years prior to running for President where he won the race by talking tough about illegal immigration after reading Ann Coulter's book Adios, America.

Trump now disavows Coulter and recently admitted on spanish language media Telemundo that he has always supported working out an Amnesty deal for DACA (View) and Dreamer illegal aliens, a shocking fact Trump concealed during his 2016 campaign for President.

Ann Coulter reported on April 17, 2019 that Trump's life-long Democrat son-in-law, and immigration legislation surrogate, Jared Kushner told -- "hundreds of New York bankers and businessmen on Dec. 16, 2016, Jared admitted that Trump was "easy to hate from afar." But not to worry, he said, Trump wouldn't be keeping his campaign promises -- especially on immigration." (View)

ALIPAC originally endorsed and supported Trump but withdrew the organization's endorsement five months after Trump broke his first immigration issue promise by refusing to end Obama's unconstitutional DACA Amnesty on day one as promised.

Now, ALIPAC is keeping track of Trump's numerous broken promises such as...

- failing to secure the border,
- failing to end Obama's DACA Amnesty,
- failing to end birthright citizenship,
- failing to build new miles of border wall,
- failing to oppose Amnesty for illegals,
- failing to oppose legal immigration increases,
- failing to stop illegal alien caravans,
- failing to end catch and release Presidential policies,
- failing to stop sanctuary cities and illegal voters,
- and failing to mass deport illegal immigrants as he promised voters last month, three months ago, and in 2016.

For more information about how elites have been using illegal immigration and hyper legal immigration combined with a legislative push for Amnesty and gun

rights restrictions to force America and Americans into a more globalist form of control and governance, please visit www.ALIPAC.us.

The prophecy had said so.

This prophet, this reserved man of God, was retired firefighter Mark Taylor. The word given by the Holy Spirit was delivered on April 28, 2011, years before Trump's victory.

Deuteronomy 13:1-3,5: ¶ If there arise among you a prophet, or a dreamer of dreams, and giveth thee a sign or a wonder, And the sign or the wonder come to pass, whereof he spake unto thee, saying, Let us go after other gods, which thou hast not known, and let us serve them; Thou shalt not hearken unto the words of that prophet, or that dreamer of dreams: for the LORD your God proveth you, to know whether ye love the LORD your God with all your heart and with all your soul...And that prophet, or that dreamer of dreams, shall be put to death; because he hath spoken to turn you away from the LORD your God."

The election, however, was only the beginning.

In this UPDATED AND EXPANDED release of The Trump Prophecies, Defender Publishing revisits what the Lord revealed to Mark Taylor in both the celebrated "Commander-In-Chief Prophecy" that played such a key role in bolstering Trump's 2016 win, as well as many other messages the Holy Spirit inspired Taylor to write about what would transpire next for the most powerful nation on earth today.

Fast forward... Halfway into Trump's first term, have Taylor's prophecies come true? Is Trump who he said he was, and is he delivering on the promises he made during his campaign? And what of the other prophecies God gave Mark regarding economics, criminal justice, leadership turnover in the Supreme Court, and several other specific details? Have all of these inspired writings carried equal reliability as "Commander-In-Chief"?

So far, Mark Taylor is batting a thousand.
