Forceful Opposition Is Critical Against HB 1296 "The Great American Holocaust Bill"

August 16, 2019--HB 1296 is the most dangerous legislation in the history of the United States. This bill, when passed, will leave Americans, for all intents and purposes, defenseless against a tyrannical government. For one, I will not comply because I know what history teaches about such actions perpetrated by government. Paul Martin and myself were discussing the ramifications of this bill and it is clear that this will lead to a civil war and this is EXACTLY what the establishment wants. Millions of Americans will see this for what it is and they will not comply. This, again, will lead to a civil war and that is the desired end game of the globalists.

Republican Senators and even President Trump have abandoned their conservative base. It is bad enough that these so-called conservatives have not moved to curtail the illegal damage being done to the conservative Independent Media by their inaction against Big Tech. Now, these two groups, supposed defenders of American conservatism, are once again abandoning their mandate to protect the people from the government. Your government is engaging in action that is a direct threat to the lives of every American. Before going any further, please keep in mind that Thomas Jefferson wrote the Second Amendment to not protect the people from Britain and France, but rather to protect the people from their own government. Clearly, El Paso, for reasons previously discussed was a poorly planned false flag attack. However, the Left has successfully used this event to make a major move on our guns. HR 1296 takes all guns away from

the American people except low-threat pistols. And one can bet that the pistols are next. However, to get ALL guns it is important that note that another series of false flags are needed.

I recently had a Federal (LEO) tell me that his agency is expecting another 9/11 of Oklahoma City Bombing. Mike Adams and myself were recently discussing that a series of false flag events are coming and they are designed to frame conservative Americans as a prelude to total gun confiscation. Mike Adams and myself both believe that social media, big tech will be the likely target of the next false flag. Right wing conservatives with a phony manifesto, or diary, will be found post-mortem, which will serve to frame the "conservative" perpetrator(s). This will produce a series of events that will lead to "The Great American Genocide". In support of this bold statement, here are some irrefutable facts compiled by the University of Hawaii regarding death by government and gun confiscation:

From the University of Hawaii Democide (death by government) Project:

- 1900-1987: 169,198,000 murdered [1]

Please bear in mind that this is only a drop in the proverbial bucket for the mountains of research that exists that states that government is your biggest enemy. Further, after the government takes the guns, the people are next. America is about ready to enter a very dangerous period that could and probably will lead to genocide of its people., particularly conservative Christians. EVERY GENOCIDE IS PRECEDED BY GUN CONFISCATION. THERE ARE NO EXCEPTIONS. WHEN THE GOVERNMENT COMES FOR YOUR GUNS, THEY ARE ULTIMATELY COMING FOR YOU!!!

It is time to remind President Trump to stay loyal to his Second Amendment base of supporters who put him in the White House along with the Independent Media who he has done nothing, to date, to protect. We must insist that the President will *not take ANY* executive action to ban so-called "assault weapons."

In the Presidential address to the nation yesterday, the President called on Congress to push so-called red flag laws. This is the modern-day equivalent of the Salem Witch Trials. This unconstitutional action will result in law-abiding Americans losing their guns. In fact, many Americans will be killed because they will refuse to surrender their rights. Some Americans, knowing their history which demonstrates that every confiscation has and will result in genocide by government, will fight back. Mark my words, there will be a civil war. In fact, if one wants to confiscate guns, let's begin with the groups who kill the most people, namely, the police and the military.

In the President's tweets today, the President is calling for "stronger background checks which will undoubtedly lead to Universal Background Checks, which will lead to universal gun registration and gun registration always precedes gun confiscation.

We need to flood the White House in-boxes and mailboxes to be sure that we law-abiding citizens are the loudest voice heard by President Trump during the next few days.

Remind the President that the only people who will turn in their guns will be law abiding citizens. The criminals will not turn in their guns. With an estimated 400

million hand guns in America, gun will still be readily available to anyone who will pay the money to obtain one.

CALL THE PRESIDENT, NOW!!!!

Immigration Reform & Gun Control Come From Same Globalist Power Groups

The term "Immigration Reform" equals Amnesty for millions of illegal aliens. We know this because every single immigration reform bill in Washington ALIPAC has helped defeat since 2004 has contained Amnesty for illegal aliens. So when you hear a politician say they support or want Immigration Reform, it means they want Amnesty for millions of illegals.

ALIPAC's focus is on immigration issues, not gun rights, although a large majority of our supporters are gun owners and/or Second Amendment

supporters.

The reason we are telling you about gun rights is that in the 15 years we have been holding the globalist legislative agenda at bay in most states and in DC, **we have read many articles and white papers created by the power groups behind the illegal alien invasion of America like the Council on Foreign Relations (CFR). The CFR and other illegal immigration supporting groups have made it clear that open-borders, global and regional governance over America, Amnesty for illegals, and full gun confiscation are their top agenda items.**

Ten years ago, we watched them debate whether to go for immigration reform Amnesty or gun control first, and they decided to do immigration first so they could then hire illegal aliens to help with the gun seizures.

Talk about a job Americans won't do!

When the US Congress returns from their summer break in a few weeks, you are going to hear a lot of talk and a push for both "immigration reform" and "gun reform."

WE NEED ALL ALIPAC SUPPORTERS TO KNOW THAT THESE TWO GLOBALIST AGENDA ITEMS HAVE BEEN HELD BACK BY YOUR ACTIONS AND SUPPORT FOR 15 YEARS!

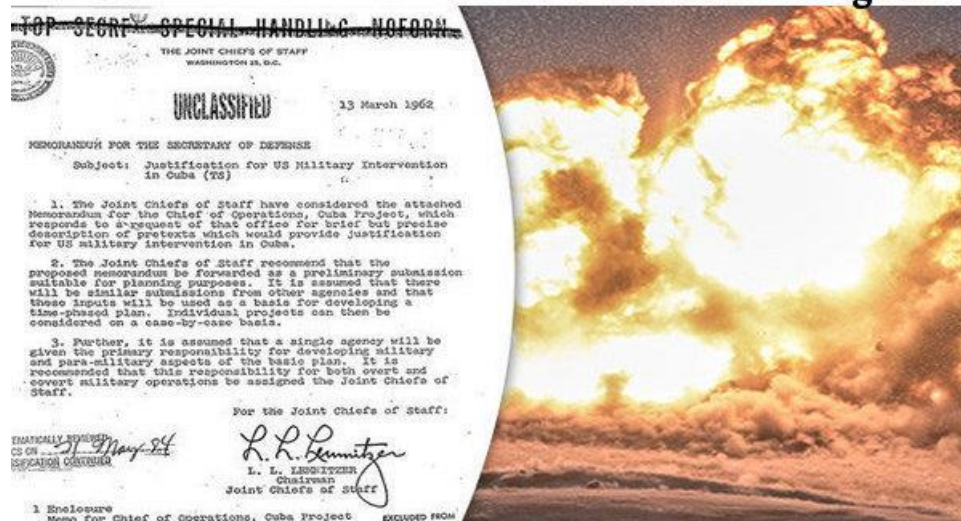

The same power groups and politicians behind both immigration reform Amnesty and new gun laws are one and the same, and all are working on the same elitist plans to turn America into an open borders totalitarian state under the rule of evil men like George Soros.

MEMORANDUM FOR THE SECRETARY OF DEFENSE
Subject: Justification for US Military Intervention in Cuba (TS)

1. The Joint Chiefs of Staff have considered the attached Memorandum for the Chief of Operations, Cuba Project, which responds to a request of that office for brief but precise description of projects which would provide justification for US military intervention in Cuba.
2. The Joint Chiefs of Staff recommend that the proposed memorandum be forwarded as a preliminary submission suitable for planning purposes. It is assumed that there will be similar submissions from other agencies and that these inputs will be used as a basis for developing a time-phased plan. Individual projects can then be considered on a case-by-case basis.
3. Further, it is assumed that a single agency will be given the primary responsibility for developing military and para-military aspects of the basic plan. It is recommended that this responsibility for both overt and covert military operations be assigned the Joint Chiefs of Staff.

Over the past two years following several different mass shooting events, we have published numerous stories on ANP that have reported about 'MKUltra'(the top-secret CIA mind control program which was confirmed by documents released back in 2018) and that it could be used upon large crowds and may still be ongoing now; as well as the warnings given by a former US Navy Intelligence officer who warned in a 1991 book of a plan to do away the 2nd Amendment in America by inflaming the masses with a series of mass shooting events that would push the middle class into doing away with the rights of Americans to own guns.

As we had reported on ANP back on December 9th, according to former US Navy Intelligence officer Milton William Cooper in his book "Behold! A Pale Horse", America's 'secret government' would be using 'mind controlled shooters' across America to carry out their dirty work.

Cooper's warned back in 1991 of a sinister plot that had been ongoing for decades to undermine American sovereignty, the US Constitution and to bring in a totalitarian dictatorial 'new world order' to America. Adding even more credibility to his argument that the 'deep state' would be using mind-controlled 'patsies' to carry out horrific crimes upon America.

In fact, if you somehow believe that the US government would NEVER terrorize Americans, by using patsies to carry out horrific events upon Americans; you've obviously never heard about Operation Northwoods. So let's start there before we delve much more deeply into the MKUltra government sponsored false flag terrorism, using drugged out 'patsies' and Cooper's 1991 warning in light of [these horrific, recent events](#). [From Wikipedia](#):

Operation Northwoods was a proposed false flag operation against the Cuban government that originated within the U.S. Department of Defense (DoD) and the Joint Chiefs of Staff (JCS) of the United States government in 1962. The proposals called for the Central Intelligence Agency (CIA) or other U.S. government operatives to commit acts of terrorism against American civilians and military targets, blaming them on the Cuban government, and using it to justify a war against Cuba. The possibilities detailed in the document included the possible assassination of Cuban émigrés, sinking boats of Cuban refugees on the high seas, hijacking planes, blowing up a U.S. ship, and orchestrating violent terrorism in U.S. cities. The proposals were rejected by John F. Kennedy.

Communists led by Fidel Castro had taken power in Cuba in 1959, which aroused the concern of the US military due to the Cold War. The operation proposed creating public support for a war against Cuba by blaming it for terrorist acts that would actually be perpetrated by the U.S. Government. To this end, Operation Northwoods proposals recommended hijackings and bombings followed by the introduction of phony evidence that would implicate the Cuban government. It stated:

The desired result, from the execution of this plan would be to place the United States in the apparent position of suffering horrible grievances from the rash and irresponsible government of Cuba, and to develop an international image of a Cuban threat to peace in the Western Hemisphere.

Several other proposals were included within Operation Northwoods, including

real or simulated actions against various U.S. military and civilian targets. The operation recommended developing a "Communist Cuban terror campaign in the Miami area, in other Florida cities and even in Washington".

Since we now know as fact that the United States government was preparing to use false flag terror upon innocent Americans to achieve an agenda, is there anybody at all reading this who thinks that they wouldn't try so again? As **Guns In The News reports in this new story**, these latest shootings have all the markings of being part of the globalists gun control agenda with them now pushing confiscation and 'red flag laws'. Just as William Cooper warned us would happen here in America nearly 30 years ago.

While many would argue that **President Trump was absolutely correct in recent remarks** he made about these mass shooters being mentally ill, as have many mass shooters going back throughout US history, **this February of 2018 story over at the Last American Vagabond** reported the bombshell that President

Trump obviously has no clue about. With that story confirming the warnings given by William Cooper in his book "*Behold! A Pale Horse*" seen above, first take a look here at Cooper's warning before reading the excerpt from the American Vagabond story below it. First, from Cooper's ever so important book:

"The government encouraged the manufacture and importation of firearms for the criminals to use. This is intended to foster a feeling of insecurity, which would lead the American people to voluntarily disarm themselves by passing laws against firearms. Using drugs and hypnosis on mental patients in a process called Orion, the CIA inculcated the desire in these people to open fire on schoolyards and thus inflame the anti-gun lobby. This plan is well under way, and so far is working perfectly."

Now, let's take a look at an extended excerpt from this Last American Vagabond story titled "**PARENTS CATCH FBI IN PLOT TO FORCE MENTALLY ILL SON TO BE A RIGHT WING TERRORIST**"

THE PARENTS OF A SEVERELY MENTALLY DISABLED MAN ARE SPEAKING OUT ON HOW THE FBI GROOMED HIM AS A RIGHT-WING TERRORIST, KNOWING HE'S PARANOID SCHIZOPHRENIC.

It's become a near-weekly occurrence. Somewhere in some state, the FBI will announce that they've foiled yet another terrorist plot and saved lives. However, as the data shows, the majority of these cases involve psychologically diminished patsies who've been entirely groomed, armed, and entrapped by FBI agents. Simply put, the FBI manufactures terror threats and then takes credit for stopping them.

While many of these cases have garnered attention and been exposed in the alternative media, a recent case out of Oklahoma sets a new low for FBI and exposes how insidious these plots can be.

Through the hundreds of 'foiled terror plots' the FBI has 'busted' over the years, many of them have been focused on people of Middle Eastern descent or people associated with ISIS or al-Qaeda. This time, in the case of Jerry Drake Varnell, the 23-year-old diagnosed schizophrenic accused of attempting to bomb a bank; the FBI fomented terror from a right wing dialogue.

In a June meeting with the agent, according to FBI documents, Varnell described

himself as a believer in “Three Percenter” ideology, a right-wing group claiming to be committed to standing against and exposing corruption and injustice.

According to federal documents, Varnell drove what he believed was a stolen van containing a 1,000-pound ammonium nitrate bomb on Saturday morning to blow up an Oklahoma City bank.

However, if we backtrack just a bit, to when the FBI began grooming their would-be right-wing militia terrorist, the vileness comes directly from the government.

“The FBI knew he was schizophrenic,” Varnell’s parents declared on Wednesday in an open letter bravely published by NewsOK.

“Underneath his condition, he is a sweet-hearted person and we are extremely shocked that this event has happened. However, what truly has us flabbergasted is the fact that the FBI knew he was schizophrenic. The State of Oklahoma found

him mentally incompetent and we, his parents have legal guardianship over him by the Court. These documents are sealed from the public, which is why no news

media outlet has been able to obtain them. The FBI clearly knew that he was schizophrenic because they have gathered every ounce of information on him.”

Yet they knowingly continued to groom him, despite the clear immoral implications.

When they began grooming him, according to the family, the FBI knew that Varnell was declared mentally unfit to live by himself and that he was a paranoid schizophrenic. Without their criminal informant and the FBI tactics playing mind games with this vulnerable man, the idea of him committing an act of terror would have likely never materialized.

“What the public should be looking at is the fact that the FBI gave our son the means to make this happen. He has no job, no money, no vehicle, and no driver’s license, due to the fact that he is schizophrenic and we; his parents do everything we can possible to keep him safe and functional..... He has suffered through countless serious full-blown schizophrenic delusional episodes and he has been put in numerous mental hospitals since he was 16 years old. The FBI came and picked him up from our home, they gave him a vehicle, gave him a fake bomb, and every means to make this happen none of which he had access to on his own.”

The parents noted that during the setup, they suspected something was going on and Jerry’s father told the informant to stay away from their son. However, according to the parents, the informant “continued to sneak onto our residence. The FBI paid him to continue this operation and I believe they have cleared his criminal record.”

Knowing a sane person would likely never attempt to blow up a bank, the FBI deliberately targeted a severely delusional and mentally ill person. This is wrong on so many levels. Will the next mass murderer they groom come directly from a mental institution?

used to sexually blackmail powerful politicians when they were only nine years old.

They claim to have been undergoing these experiments in government run laboratories along with several other young children.

The 1995 [Human Radiation Experiment's](#) final report can still be found on the C-SPAN archives, **but there is no archive of the child victim testimony.**

Fortunately, the [victim testimony was uploaded in 2015](#) to the YouTube “kollyvades” channel, entitled: “Mind Control Hearings from the President’s Advisory Committee on Human Radiation Experimentation.”

And the [written transcripts](#) are still available at the National Security Archive.

Subject: Staged Black-op False Flag Attacks by the Government are Legal

For anyone who hasn't seen this, it is a link worth keeping. It's a clear explanation in a public meeting that a law was passed several years ago making it legal for our government to use psychological warfare tactics like false flag attacks (complete with crisis actors and fake blood) against the US public without our knowledge and without ever admitting it.
