+1+ Multiple Mass Shootings: El Paso Walmart Shooting Blamed (As Usual) on Lone White Racist Gunman—But eyewitnesses saw 'three to four armed men running in... dressed in all black...shooting'--20 killed and 26 injured, SECOND MASS SHOOTING IN 12 HOURS BY ANOTHER LONE WHITE GUNMAN!--9 DEAD IN OHIO

According to police--ALL THE MANCHURAIAN CANDIDATES ARE BEING ACTIVATED, AS THE PUSH FOR TOTAL GUN BANS AND CONFISCATION GOES INTO OVERDRIVE!

By [Shepard Ambellas](#) - August 3, 2019 ([INTELLIHUB](#)) — Twenty people were killed at a Walmart in El Paso Texas on Saturday reportedly by the hands of a single suspected gunman who was identified by various news sources as Patrick Crusius, 21, of Allen, Texas. However, information received by *Intellihub* may tell a different story.

Remarkably, several eyewitnesses to the shooting, a mother and her daughter, were captured on video recounting how three men dressed in all black entered through the front doors of the store as the shooting started.

"That's when my mom is like 'no it is an actually shooting' and she saw three men that went in and they were all dressed in black," a young girl named Britney explained. "...that's when my mom said 'drop down, go down to the floor.'"

Britney admits that neither she nor her mom actually saw anyone shot or wounded **but said the three men were, in fact, holding guns and acknowledged the men were shooting.**

So this is yet one more false flag shooting designed to get a race war underway!! Why are mainstream sources and officials reporting only one shooter when eyewitnesses claim that they saw 3 to 4 armed men dressed in all black enter the store and start shooting?

— Jeff DeRiso (@JeffDeRiso) [August 3, 2019](#)

Britney's mother Adriana was near the checkout area at the front of the store with both her children when the shooting started and claims to have seen three or four male shooters dressed in black enter through the front doors.

Adriana and her two children were inside near the cash register when the shooting started. She says she saw 3 or 4 men in black as shooters.

To boot, El Paso Mayor Dee Margo originally told media sources that three suspects were taken into custody.

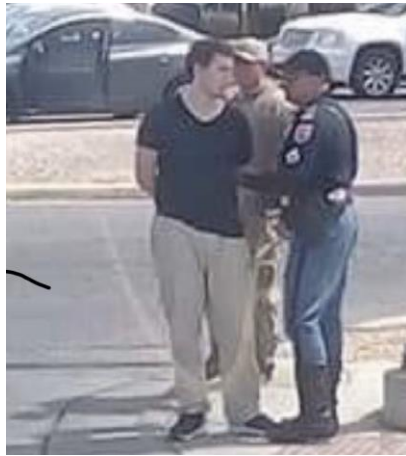

UPDATE 6: El Paso police have told media reporter Mike Ikahihifo that the attack was "gang-related terrorism" — however they are now saying they do not yet know the shooter's motive.

— Michael Ikahihifo (@Mike_Ikahihifo) [August 3, 2019](#)

Witness Ray Holgin told CBS News that he was about to go into the Walmart when he heard at least 10 gunshots, and said he thought he spotted at least two people with guns.

The left has also begun circulating the shooter's alleged identity, named Patrick Crusius, and a manifesto he had written similar to the Christchurch shooter Brendan Tarrant.

SECOND MASS SHOOTING IN 12 HOURS BY A LONE (SURE TO BE FOUND BIGOTED RACIST) WHITE MAN!--9 DEAD IN OHIO

The 21-year-old, who posted a horrifying anti-Mexican manifesto just 20 minutes before storming the store, **killed 20 people after mowing down those inside aisle-by-aisle.**

A further 26 people were injured in what has become the deadliest mass shooting of 2019.

And just 12 hours later, a gunman wearing body armour opened fire in an Ohio bar, killing nine..

The Ohio shooter was formally named as Connor Betts, 24 years old, from Bellbrook.

Police haven't established a motive as they named all nine victims - including his own 22-year-old sister Megan Betts. Six of the nine victims were African-American.

Mexico vows to take legal action against USA after El Paso shooting because a White Man Was Targeting Hispanics...

Mexico on Sunday threatened to take legal action against the United States for failing to protect its citizens after this weekend's mass shooting in the border city of El Paso.

Of the 20 people gunned down at a Walmart at the Cielo Vista Mall, **at least three were Mexican citizens (which is only 15% of the 20 slain!!!)**, and Foreign Minister Marcelo Ebrard promised Mexico City will act.

Ebrard called Saturday's shooting an "act of barbarism."

— Marcelo Ebrard C. (@m_ebrard) [August 4, 2019](#)

Of the 26 injured in the attack, at least nine were Mexican nationals **(So 34.6% of those that were injured were Mexican, I wonder how many were here illegally?)**,

according to the government.

El Paso, America's 22nd-largest city with an estimated population of 682,669, **is more than 80 percent Hispanic or Latino, according to U.S. census data. El Paso sits just across the Rio Grande from Ciudad Juárez, which has a population of 1.3 million.**

The shooter appears to have been targeting Hispanics and authorities are investigating it as a hate crime

"The president has instructed me to ensure that Mexico's indignation translates into ... efficient, prompt, expeditious and forceful legal actions for Mexico to take a role and demand that conditions are established that protect ... Mexicans in the United States," Ebrard said in a video posted on Twitter.

El Paso County sheriff says: 'This Anglo man came here to kill Hispanics'...

The sheriff of El Paso County said in a Facebook post that the suspect in a Saturday mass shooting that killed at least 20 people "came here to kill Hispanics."

"This Anglo man came here to kill Hispanics. I'm outraged and you should be too. This entire nation should be outraged," Sheriff Richard Wiles, who is also the former chief of the El Paso Police Department, wrote on his Facebook page.

"In this day and age, with all the serious issues we face, we are still confronted with people who will kill another for the sole reason of the color of their skin," he added.

Democratic Devil Candidate Kamala Harris calls for house to house searches to confiscate firearms

Sen. Kamala Harris, the presidential candidate who wants to take away your private insurance, has a lot of other things she wants to take away from you, **such as your gun. In the wake of two awful mass shootings in El Paso and Dayton, she's called for gun control on Twitter.**

*Last week it was Gilroy. Today it's El Paso. How can our country tolerate this? My prayers are yet again with families who are grieving and my thanks are with the first responders, **but that is not enough. We must act.***

— Kamala Harris (@KamalaHarris) [August 3, 2019](#)

She's also in favor of this, described by the New York Times last April:

At a town hall hosted by CNN, Ms. Harris said that, if elected, **she would sign an executive order mandating background checks for customers of any firearms dealer who sells more than five guns a year. The executive actions would also include more stringent regulation of gun manufacturers that could result in revoked licenses or prosecution, as well as an attempt to close the loophole that allows some domestic abusers to purchase guns if their victim is an unwedded partner.**

"There are people in Washington, D.C., supposed leaders," Ms. Harris said on CNN Monday evening, "who have failed to have the courage to reject a false choice which suggests you're either in favor of the second amendment or you want to take everyone's guns away."

"We need reasonable gun safety laws in this country, starting with universal background checks and a renewal of the assault weapon ban," she added, "but they have failed to have the courage to act."

She said she would introduce the executive actions if Congress did not pass gun control legislation in the first 100 days of her presidency.

Now in remarks to the Washington Examiner, **she says she intends to achieve gun control through house-to-house searches, something she's done in the past. When asked by the Washington Examiner if her plan would include legal gun owner databases or gun confiscation via law enforcement visits to residents who own banned firearms, she replied, "I'm actually prepared to take executive action to put in place rules that improve this situation."**

She continued, "I also have as part of my background and experience working on this issue, when I was attorney general [of California], and we put resources into allowing law enforcement to actually knock on the doors of people who were on two lists — a list where they had been found by a court to be a danger to themselves and others."

 What have the artists said about the song?

The fixation that our country is so endangered by Central America; like, why aren't we focused on gun control? That's the real danger, that's a way bigger problem than people crossing the border. I can't believe he (Donald Trump) is so focused on his d wall in Mexico.***

Via [DrownedMadonna](#)

What has Madonna said about the music video?

I want to draw attention through my platform as an artist to a problem in America that is out of control and is taking the lives of innocent people. This crisis can end if our legislators act to change the laws that fail to protect us all. This is your

wake up call. Gun violence disproportionately affects children, teenagers and the marginalized in our communities ... Honor the victims and demand GUN CONTROL. NOW. Volunteer, stand up, donate, reach out. Wake up and insist on common-sense gun safety legislation ... Innocent lives depend on it."

Via [RollingStone](#)

What are Madonna's thoughts on guns and US gun laws?

(Sternly) I would like guns to be illegal in America and I feel very strongly about that. And I think that what's happening right now in America is just crazy. We have a President who's consumed with building a wall between America and Mexico because he's concerned for our safety, but he doesn't seem to be concerned about how easy it is to buy a gun at a Walmart...

+2+ OPERATION GLADIO: El Paso and Dayton Targeted with False Flag Mass Shootings to Further Terrorize the American People into Giving Up Their Guns-- NWO Cabal Will Not Stop Staging the Mass Shootings Until all the Guns Have Been Taken Away

Posted on [August 3, 2019](#) by [State of the Nation](#)

"THE AMERICAN PEOPLE ARE UNDER CONSTANT ATTACK BY DARK FORCES BOTH FOREIGN AND DOMESTIC...AND THEY DON'T EVEN KNOW IT!"

— Intelligence Analyst & Former U.S. Military Officer

[State of the Nation](#)

Clearly, *Deep State* is creating every opportunity between now and Election Day to make serious gun control the number campaign issue for the Democrats.

The spate of weekend mass shootings is obviously being carried out by **Operation**

Gladio. This is exactly how they do it.

[GLADIO: Yet Another False Flag Mass Shooting Designed into Terrorize the American People to Gutting the Second Amendment](#)

[Why the Staged Mass Shootings Last Weekend Were Carried Out to Wound as Many as Possible Was the Brooklyn block party mass shooting a planned 'gun control' black operation?](#)

<<BATTLE OF ARMS...

The single best way for the *Deep State* globalists to compel the Democrats to make "gun control" the number campaign issue for the 2020 election cycle is

to force it upon them.

Note that all 3 of the recent alleged mass shootings were conducted in Democrat controlled cities.

What better way to blow up this hot button issue than to carry out one mass casualty event (MCE) after another right in the middle of the Democrat's POTUS debate series.

Really, the timing could not be any better for the *New World Order* globalist cabal that is determined to remove guns from the U.S. citizenry.

Today's shooting in El Paso also serves the purpose of inflaming the gun debate

in the great state of Texas which has traditionally had one of the strongest "Right to bear arms" movement in the nation.

<< Why is it that the only crime photos law enforcement authorities ever publish are those with the shooter carrying a prominently displayed assault weapon?

KEY POINT: Because The USA Is The Military Arm Of The New World Order the Shadow Government will

do whatever is necessary to control the populace. Toward that end, Obama signed illicit NDAA legislation that wrongfully permits the US government to perpetrate false flag operations against the citizenry. Unless the POTUS immediately signs an Executive Order rescinding that illegitimate law, these state-sponsored mass shootings will continue. See: ["FALSE FLAGS" are LEGAL PROPAGANDA Produced by the Department of Defense](#)

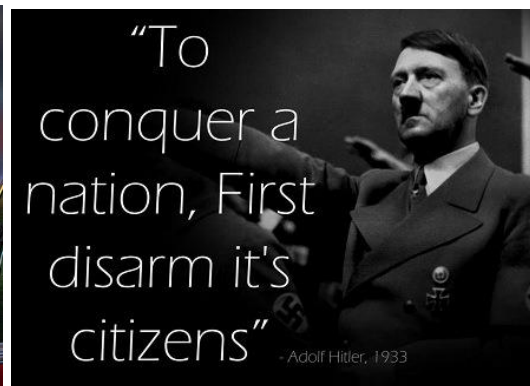

Special Note: The Shadow Government knows that the best way to impose draconian gun control on the entire nation is to have a Republican POTUS lead the charge. For this reason, *Deep State* will attempt to use the Trump administration toward this end by forcing the issue, with so many horrible acts of gun violence, most of them purposefully committed with automatic or semi-automatic assault rifles such as the much feared AK-47. Much feared by the elites because they know that the US citizenry poses a formidable fighting force, heavily armed as they are with so many guns and so much ammo at the ready. The critical point here is that it's much easier for TPTB to foist strict gun control measures on the country with a President who is respected by many of the gun-owning *Right*, than by a Leftist POTUS like any of the closeted communists who are presently competing for the Democratic nomination. In light of these stark realities, the globalist cabal will try to cunningly use President Trump to implement a key component of the NWO agenda—the unconstitutional removal of the right to bears arms.

Conclusion

The only unfortunate conclusion any analyst can come to is that the criminally insane psychopaths who are ordering these Gladio-directed black operations will not stop until the 2nd Amendment has been effectively repealed.

KEY POINT: It's crucial for every American to understand that Operation Gladio (OG) is the terrorist arm of NATO, known as the *North Atlantic Terrorist Organization* throughout intel circles. OG provides the muscle for the globalists as needed around the world. The Zionist-controlled MOSSAD routinely uses Gladio black ops to further their *Greater Israel* project among other schemes to attain world domination. However, it is the *Black Nobility* of Northern Italy that first institutionalized terrorism worldwide as a means of exerting strict enforcement for the *International Banking Cartel*. Communist Propaganda Poster: Comrades, Turn In Your Weapons!

Gun control advocates claim historical gun grabs by tyrannical regimes are a “myth” but this 1918 Communist propaganda poster from the Russian civil war serves as yet another reminder **that tyrannical regimes throughout history have always sought to disarm their populations through gun control.** The poster shows Russian citizens turning in their rifles, handguns and even swords as a communist soldier looms over them with the words, “Comrades, turn in your weapons” appearing in front of a

Crime Rates Plummet After Law Required Firearms for Residents in Kennesaw, GA

NEWS BRIEF: "25 years murder-free in 'Gun Town USA':

Crime rate plummeted after law required firearms for residents", World Net Daily, April 19, 2007

"As the nation debates whether more guns or fewer can prevent tragedies like the Virginia Tech Massacre, a notable anniversary passed last month in a Georgia town that witnessed a dramatic plunge in crime and violence after mandating residents to own firearms. In March 1982, 25 years ago, the small town of Kennesaw – responding to a handgun ban in Morton Grove, Ill. – unanimously passed an ordinance requiring each head of household to own and maintain a gun."

Now, that is a dramatic requirement, don't you think? Of course, opponents of such a drastic action predicted grave results, 25 years ago. What has really happened?

"Since then, despite dire predictions of "Wild West" showdowns and increased violence and accidents, not a single resident has been involved in a fatal shooting – as a victim, attacker or defender."

Amen! Results speak for themselves. As this one person, quoted above, said, "60,000,000 gun owners in America shot no one..."

Biblical Resistance to Tyranny

Protection of our families is part of providing for our families:

1Ti 5:8 But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.

In the context of this verse the Noah Webster's 1828 defines the word 'Provide' as: *PROVIDE*, v.i. To procure supplies or means of defense; or to take measures for counteracting or escaping an evil.

Psalm 82: ¹ God standeth in the congregation of the mighty... ² How long will ye judge unjustly, and accept the persons of the wicked? Selah. ³ Defend the poor and fatherless: do justice to the afflicted and needy. ⁴ Deliver the poor and needy: rid them out of the hand of the wicked.

Pro 24:10 If thou faint in the day of adversity, thy strength is small.

Pro 24:11 If thou forbear to deliver them that are drawn unto death, and those that are ready to be slain;

Pro 24:12 If thou sayest, Behold, we knew it not; doth not he that pondereth the heart consider it? and he that keepeth thy soul, doth not he know it? and shall not he render to every man according to his works?

Trump To Address Nation Monday Over Mass Shootings, Says More Gun Control May Be Needed

In the wake of multiple mass shootings over the weekend, President Trump told reporters in Morristown Airport before departing for the White House on Sunday that "hate has no place in our country and we're going to take care of it."

As The Hill reports, Congressional Democrats, 2020 presidential candidates and others have rushed to draw comparisons between the motives of the El Paso shooter and Trump's immigration rhetoric and suggested he helped fuel the environment that led to the attack.

But, the president ignored shouted questions about whether the El Paso shooter's anti-immigrant manifesto shared similarities with his rhetoric and said the shootings are part of "a mental illness problem."

The president then added that he had spoken to Attorney General William Barr, FBI Director Christopher Wray, the Ohio and Texas governors as well as members of Congress.

"We have to get it stopped," he said.

"This has been going on for years, for years and years in our country."

He added that "perhaps" more needs to be done with respect to gun control.

Government Insider Leaks, Atmosphere Collapsing, Possible Mini Ice Age Started, Secret Blackhawk Program Over DC

Secret Blackhawk Program Over D.C. Exposed, Things Will Get Worse, Safezones & Mobile Off Grid Security. Lee Wheelbarger is a Former Government Contractor with multiple patents and major connections.

We are going to discuss the latest data pointing to an Mini Ice Age, could last 40 years. Crops will become more difficult to grow in many places, food prices are already rising.

I'm all over this country as a truck driver, and I'll tell you this. I see things most people don't see. We see more in a few years than most do in a lifetime. I've seen the north west and east get really cold. I've seen (and do see now) crops not growing and a lot of flooding. A lot of people think its nothing. Yet if you take a closer look you'll see this. R.W.

Black Hawks to Evac DC? New Madrid Flooding Pending

Saturday, August 3, 2019 5:50

<https://www.thedrive.com/the-war-zone/29101/whats-the-deal-with-arm...>

July 22, 2019--**The U.S. Army has been quietly conducting a new classified operation involving at least 10 UH-60 Black Hawks in and around Washington, D.C., for months.**

This mission came to light after the service asked Congress to shift \$1.55 million in funds from one part of its budget to another in order to support the operations and maintenance of the helicopters.

The mission had begun early in the 2019 Fiscal Year, which started on Oct. 1, 2018, and had an “undetermined” end date. The \$1.55 million would also pay for the construction of a new “Sensitive Compartmented Information Facility,” or SCIF, at Davison Army Airfield, which is part of Fort Belvoir in Virginia.

Is Trump moving the government out of Washington? 5 things to know

July 19, 2019

<https://www.yahoo.com/gma/trump-moving-government-washington-5-thin...>

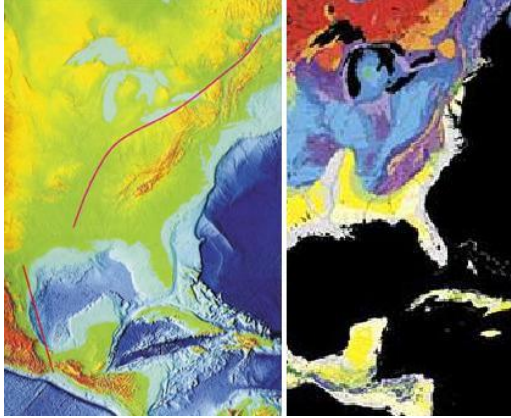

The Trump administration wants to move hundreds of employees across the country. The administration is moving offices at two of the government's largest agencies — the Department of Agriculture and Department of Interior — hundreds of miles across the country.

The administration announced this week that the Bureau of Land Management, which oversees public lands and issues permits for oil and gas drilling, would relocate the majority of its D.C.-based employees to offices around the country. 85% of the federal

workforce is already outside DC.

Roughly 14% of the more than 2 million federal workers are based in the D.C. area. The BLM headquarters will move to Grand Junction, Colorado, and maintain an office separate from the regional office there.

Is there a nexus between the secretive classified training missions, helicopters over Washington DC, and the decision to expedite the exit of federal workers out of DC? Where the media focuses on earthquakes on the West Coast, as we have repeatedly emphasized, the big worry is the New Madrid Fault Line. This is overdue for a major adjustment, and where in 2010 we described this as being a series of steps, relatively minor quakes at first and then the big one.
