Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Just another blatant example of when you live in a world where evil is now totally out of control, never trust anyone in any position of authority or their media propagandists. In my own opinion, I'd say a more likely scenario, is that this is a deliberately created storm to cause a mass casualty event as a distraction to all the inconvenient truths leaking out of Washington DC right now. Of course, if you want to kill the maximum number of people possible, you can't tell them the truth and have them evacuate from the kill zone.

U.S. Unleashes Satanic DARPA Military to Fight "Fake News" Disinformation

August 31, 2019 (Bloomberg) -- Fake news and social media posts are such a threat to U.S. security that the Defense Department is launching a project to repel "large-scale, automated disinformation attacks," as the top Republican in Congress blocks efforts to protect the integrity of elections.

The Defense Advanced Research Projects Agency wants custom software that can unearth fakes hidden among more than 500,000 stories, photos, video and audio clips. If successful, the system after four years of trials may expand to detect malicious intent and prevent viral fake news from polarizing society.

Subject: Speaking of Fake News--Newest Texas Mass Murder Shooting--More Multiple Shooters but Predictably its Already Down it's Down To One White Male Shooter—Trump is Coming For the Guns!!!!

Hello Scott, Once again multiple shooters. As the usual all the stories have changed. Found the one below that says another story.

[NATION-WORLD](#)

Multiple people shot after shooters reported in Midland and Odessa, Texas
Police believe two suspects were in two separate vehicles, a small Toyota and a hijacked mail truck.

Published: 3:07 PM PDT August 31, 2019

ODESSA, Texas — One suspect is in custody and police are searching for another after reports of multiple active shooters in Odessa, Texas, Saturday

afternoon, according to the Midland Police Department. Police say there are "multiple gunshot victims."

The Midland, Texas, Police Department said Saturday that one of the suspects is believed to be driving a gold-colored vehicle and has a rifle, The Associated Press reported. Authorities in Odessa, Texas, say the other shooter is believed to be driving a U.S. Postal Service vehicle.

Police believe two suspects were in two separate vehicles, one a gold/white small Toyota truck and the other a U.S. mail carrier truck, according to the Midland and Odessa police departments. MPD believes the suspects traveled to Home Depot and switched vehicles to a stolen mail van and the small Toyota truck.

The suspect in the mail truck has not been apprehended.

There appear to be multiple shooting locations, including Loop 250 in Midland.

Police have asked drivers to stay off the road and stay inside.

Multiple areas were on lockdown, including [UT Permian Basin](#).

All law enforcement is currently searching for the suspect and more information will be released as soon as it becomes available.

This is a breaking news story that will be updated.

President Donald Trump tweeted "Just briefed by Attorney General Barr about the shootings in Texas. FBI and Law Enforcement is fully engaged. More to follow."

Vice President Mike Pence later said that President Trump is "absolutely determined" to work with lawmakers to "confront this scourge of mass atrocities in our country."

The shooting comes less than a month after another lone white gunman shot dead 22 people in El Paso, Texas. A separate mass shooting the following day left nine dead in Dayton, Ohio.

Comments:

++ I know how to ABSOLUTELY, POSITIVELY stop these mass shootings! We need to pass strong laws against murder, shooting from moving vehicles, use of a gun in the commissions of a crime, shooting innocence bystanders, etc. (O-wait a minute...) Well the NEXT law we pass will FOR SURE be respected and obeyed by these mass murderers! And the next law, and the next law, and the next law...

++ The problem here is that one Perp used a USPS delivery truck and the other used a Toyota truck. If there were no USPS delivery trucks and no Toyota trucks then the problem would be solved.

MSM Ignores Mass Shooting at Friday Night Football Game Because Shooter Is Black-- Shooting that left 10 injured doesn't fit media's 'white supremacy' narrative

Infowars.com - August 31, 2019 [42 Comments](#)

The media has been strangely silent after a 17-year-old was arrested for shooting nine people Friday at a football game in Mobile,

Alabama.

Deangelo Parnell, 17, has been charged with nine counts of attempted murder after turning himself into police on Saturday morning, according to a spokesperson for the Mobile Police Department.

Footage from the stadium shows hundreds of attendees scattering as multiple shots are fired.

Users on social media were quick to point out the media's silence on this attack.

Rick Wiles - Tru News - Warning

Scott Johnson's Comment: Tru News is very pro Muslim if you really watch their broadcasts, and while I agree with a lot of what they say, they tend to totally ignore all the wickedness the Muslims are doing and just focus in on the Jews; lumping them all into the same category as being evil. There is very little Biblical balance in their broadcasts and this is extremely common among most ministries. Be careful with them and just glean.

Hey brother Scott, I have been researching for a video on "Together 2016" and I noticed that "TRU NEWS" has a positive article on the event. I have been noticing for years that he calls Catholics Christians and refuses to call out Pope as AN antichrist. For this reason alone, Rick Wiles is SHADY! Beware.

Regarding Rick Wiles I did not realize the information below till I heard it with my own ears and please hear it for yourself as I provided the audio link below (The things I cite below are said in the first 5 minutes of the interview). **Comment: 5-14-12--I just checked Tom Horns website and was once again sickened by all he Catholic Pope praise. Also this guy (Rick Wiles) on Tru News** who interviews Horn is also no better as he goes out of his way to make it clear he has many Catholic listeners and is not here to offend any of them. He also promotes the Catholic Jesuit Priest Malachi Martin's book at the start of the interview and says it was basically one of the foundations of his current world view. It is truly disgusting to see him and other supposed Christians lick the Pope's boots over and over again **when they should be warning Catholics they are all on their way to hell if they keep trusting in this works based death cult for salvation and not pointing Catholics to the true Jesus Christ in the Word of God.** Here is for yourself at: [RICK WILES & TOM HORN DISCUSS PETRUS ROMANUS \(MP3\):](#)

[Academics argue: Mothers should be allowed to kill their newborns, it's morally the same as abortion](#)

Killing newborn babies is morally the same as abortion, a publication in The British Medical Journal argued back in 2012.

According to the paper, authored by Monash and Melbourne University academics, the “moral status of the infant is equivalent to that of a fetus”. The authors, however, go on to suggest that “neither can be considered a ‘person’ in a morally relevant sense.”

The authors argued that “after-birth abortion” can be justified on the basis that the baby is not missing out on a life he or she cannot contemplate. Furthermore, considering that one-third of infants with Down syndrome are not diagnosed in the womb, the authors suggest a mother should have the chance to end the child’s life post-birth.

Zombie-Like Woman Bites Uber Driver During Shocking Rampage

An Atlanta-based Uber driver was victim of an attack and vicious biting by a crazed woman described as a ‘zombie’ by onlookers.

Yasser Hadi says he had just dropped off passengers when the woman ambushed him on the street, climbing onto his vehicle and screaming at him while breaking his windshield wipers.

“She’s acting weird, she’s acting wild, and she’s on the car hitting it, telling me I need to die, to kill me,” Hadi told **Fox 5 Atlanta**.

Pro 8:36 *But he that sinneth against me wrongeth his own soul: all they that hate me love death.*

The woman then forced her way into the driver’s seat of Hadi’s car and proceeded to thrash around while he dragged her back out into the street.

Enraged, the woman reportedly sank her teeth into Hadi’s ribcage.

“The pain, I said, ‘God, just let her take my flesh, I don’t care,’” said Hadi. “I want her to go away from me.”

“She was like an animal to me. A dog doesn’t bite like this.”

“Last night i witnessed the zombie apocalypse,” wrote Twitter user Rico, who originally shared video of the attack.

Police say Campbell, who already had two probation violation warrants out, later urinated on the floor at the station, while also banging her head against the wall.

Hadi says he is disappointed bystanders did not intercede to help him.

“The people watching, they do nothing,” Hadi said.

Subject: **Listener Comment About Report on Bigfoot, Dogman and Two Other Evil Creatures**

Message Body: *Here’s the link to a video, caution some strong language, Wes Germer of Sasquatch Chronicles confirmed what the elders had said regarding bigfoot. He mentioned that the former spirit medium had told two brothers that dogmen and sasquatches are coming out of the earth. And they will attack humanity. And according to Wes, the former witch had told them that the demon (an entity) presents itself as a homeless woman.*

My comment: *more dangerous monsters and cryptids will come out of the earth to attack humanity. Monsters that are meaner and nastier than sasquatch. They're referenced within the passages of the bible. According to my elders, sasquatches go underground during winter where it's warm, but occasionally they would go up to the surface. I suspect that scouts were sent out hunting for food. You can't go where they're at, you will fall down on the stoney ground, from heart palpitations or from terror.*

Another thing, unrelated to the video, there's one terror whose name I will only mention once. The Ojiskijoo aka the Wendigo is a cannibal/man-eating monster that was once a man. When a trapper or a warrior is caught in a snowstorm, sometimes they driven insane from starvation. He bites off his lips, fingertips, hands, forearms and skin is ripped from his torso. No man can go near it because of his sheer monstrosity and towering height. When you see somebody at the distance, you will see it as a man, but when the fiend walks closer towards you. Then your courage and strength will fade as you drop to the snow covered frozen ground. He can't go near to where there's lighting that intrudes his dark domain. Only a medicine man or a shaman skilled in the craft can vanquish the wintery terror. A man of God sanctified by God Almighty through the hand of God can vanquish it also. Alone a human being can't kill it, a man or woman would have to focus on the Son of God to strengthen and fortify him/her.

Scott Johnson's Response: We as Christians were created for such a time as this!!!!

Dan 11:32 And such as do wickedly against the covenant shall he corrupt by flatteries: **but the people that do know their God shall be strong, and do exploits.**

Luk 10:19 Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

Isa 59:19: So shall they fear the name of the LORD from the west, and his glory from the rising of the sun. **When the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him.**

Jer 51:20: Thou art my battle axe and weapons of war: for with thee will I break in pieces the nations, and with thee will I destroy kingdoms;

Psa 60:12 & 108:13: Through God we shall do valiantly: for he it is that shall tread down our enemies.

Isa 54:17: No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the LORD, and their righteousness is of me, saith the LORD.

Jer 23:29: Is not my word like as a fire? saith the LORD; and like a hammer that breaketh the rock in pieces?

Psalm 91:13: Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet.

These are principles Henry Gruver uses to take authority over animals that try to attack him prayer walking:

Gen 9:1 And God blessed Noah and his sons, and said unto them, Be fruitful, and multiply, and replenish the earth.

Gen 9:2 And the fear of you and the dread of you shall be upon every beast of the earth, and upon every fowl of the air, upon all that moveth upon the earth, and upon all the fishes of the sea; into your hand are they delivered.

Deu 11:25 There shall no man be able to stand before you: for the LORD your God shall lay the fear of you and the dread of you upon all the land that ye shall tread upon, as he hath said unto you.

Lev 26:7 And ye shall chase your enemies, and they shall fall before you by the sword.

Lev 26:8 And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight: and your enemies shall fall before you by the sword. According to Henry Gruver this is the order these procedures need to be done in; through the name of the Lord Jesus Christ (authority), through His Blood (for the remissions of sins that were committed there and/or by the person you are focusing on) and His Body (for the body of those that transgressed and were violated there) and the Mind of Jesus Christ (for the sinful minds of the transgressor & those that were violated there) and His Spirit (for the spirits of the transgressor & those that were violated there). When you go to an area where sins were committed you claim the above mentioned points as a payment for the debt/transgressor and those that were violated.

Subject: **+3+ Listener Comment: DIY Anointing Oil & Spiritual Warfare**

Hi brother Scott, I really don't know where to start or what to say!, praise God Jesus!

The oil works, I didn't have a pure bottle of oil last weekend for the heathen festival so I strained a big pot of Olives that the Holy Spirit said was important to buy the week before, and prayed over it for the short time I had and played the audio bible through it.

Well Scott I prayed and fasted whilst at work next to the festival, I squirted the oil over everything even the weird banner symbol. After I squirted it on the banner it started to droop, so I squirted more on their main entrance to the festival and they closed that entrance and opened another entrance further away haha praise Jesus!

I have bought a bottle of olive oil now and I am squirting it everywhere at work which is a wedding venue. it's weird you know Scott, it seemed to work instantly, everyone seems happy and calm, I can't really explain it but it's awesome!

One more thing, when I was praying and fasting I also mentioned to God that I was going to be made homeless at the end of the month...Anyway God found me a place today, it had the strangest name ever and the Holy Spirit said to look up the name meaning. The name meaning is "The Gift of Grace".

I praise God Jesus for yours and Taylor's lives.--Ian

Ian: This is from my listener/deliverance minister in Tasmania.

This is a very powerful prayer against Witchcraft.. with fasting even more powerful.. This prayer can shut down Witches and Satanists forever. Being that this prayer basically shuts down the senders of the hexes and vexes by returning their evil

to them sevenfold.. I turned this prayer into a blessing that they would need to turn to Jesus for their own curse to be removed.. This would be saving them from HELL and being saved from HELL is a blessing.

Father, In the name of Jesus Christ of Nazareth, I plead the precious uncorruptable blood of Jesus over myself and my family and everything that belongs to us. I ask for giant warrior Angels to be loosed from Heaven to surround and protect us. As your war club and weapons of war I break down, undamn, and blow up all walls of protection around all witches, warlocks, wizards, satanists, and the like, and I break the power of all curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death, destruction, sickness, pain, torment, physic power, psychic warfare, prayer chains, and everything else being sent my way or my family members way, and I return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and I BIND it to them by the blood of Jesus!

Father, I pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have now been set against themselves.. In the name of Jesus Christ of Nazareth I now loose them from all mind control of Satan!.. Father I also ask that you Bind the Holy Spirit to their hearts as a guide to your Son Jesus.. So they may be set free from the bondages of Satan.
In Jesus name I pray..Amen

This message shows 3 things . 1 what the symptoms are of being under a curse, 2 where curses can come from ,and 3 how to be free. It is very practical and down to earth. (I could not find this message anywhere else so I have uploaded it here . The audio is out of sync for a few moments in a few places but it catches up , no audio is missing) contains all 10 parts in one file extra summary and PRAYER AT END OF VIDEO (thanks Mark) The following was transcribed by me (Mark Bellanco) for the convenience of those who want to recite the following prayer to themselves or others offline which is presented at the end of this video to release persons from curses in the name of the Lord Jesus Christ: From "How to Pass from Curse to Blessing" -- by Derek Prince 4 Principles: Recognize Repent Renounce Resist 7 Steps: 1) Establish a clear scriptural basis. 2) Confess faith in Christ. 3) Commit to obedience. 4) Confess any known sins of self or ancestors. 5) Forgive all other persons. 6) Renounce all contact with the occult and get rid of occult objects. 7) Release yourself in the name of Jesus. PRAYER: "Lord Jesus Christ, I believe that you are the Son of God and the only way to God, that you died on the cross for my sins and rose again from the dead. I renounce all my sins, and I turn to you, Lord Jesus, for mercy and for forgiveness, and I believe you do forgive me. And from now on I want to live for you. I

want to hear your voice and do what you tell me. In order to receive your blessing, Lord, and to be released from any curse over my life, first of all I confess any known sins committed by me or by any of my ancestors or others related to me. Lord, I thank you that I believe you have forgiven everything that I confess. And, Lord, now I want to say that I also forgive all other persons who ever harmed me or wronged me. I forgive them all now as I would have God forgive me. In particular I forgive....(name the persons).... Furthermore, Lord, I renounce any contact by myself or any related to me with Satan or occult power in any form or any kind of secret society. Also, Lord, I commit myself to remove from my house any kind of occult object that honors Satan and dishonors Jesus Christ. With your help, Lord, I will remove them all. And now, Lord Jesus, I thank you further that on the cross you were made a curse, that I might be redeemed from the curse and might receive the blessing. Galatians 3:13 (KJV) Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed *is* every one that hangeth on a tree:

And because of what you did for me on the cross, I now release myself from every curse and every evil influence and every dark shadow over me or my family from any source whatever. I release myself now in the name of Jesus. Amen." PDF of a different Deliverance prayer and some teaching here is a link I found. I find it helpful to think of the "conditions to meet" that they list as possible keys to freedom. If you find one of them particularly applies to you then ask Jesus for help in that area. and then continue with the prayer.. Jesus sets us free.... we dont have to free ourselves first and then He helps us after that. PDF with another prayer and extra teaching

Second: Regarding deliverance what you would need is to go through this session (it is two parts) as many times as necessary till you are not manifesting any signs of expelling demons. He gets into all you need to know this in the video: <https://www.youtube.com/watch?v=HsVLs89YkVA&feature=youtu.be>

After that if you feel like you still need more help you will be in a much better position to proceed with further deliverance one on one. I have done this myself and I feel like a totally different person (in a good way). If you need further help here is a map of one on one deliverance ministers from the most trusted network I know of. Just click on your state to see there deliverance minsters: <http://www.spiritualwarfareteam.com/home.html>

1) Get at least one King James Bible CD and play it 24/7 where ever you are. If you don't think there is a difference in versions please go to: [The True Preserved Word of God](http://www.av1611.org/kjv/fight.html#fight2) at: <http://www.av1611.org/kjv/fight.html#fight2>

I know this might not always be feasible, but in your house is the most crucial area. These evil entities cannot stand the Word of God. From what I have heard, they particularly don't like the Book of Revelation. Most likely because it reminds them of where they are going to end up: "The Lake of Fire". The Lord said "I have exalted my Word above my name." So the Word of God is our most powerful weapon. Jesus himself would only quote Scripture to Satan when dealing with him, and it worked. I have done this for years and can attest to its effectiveness. You can even leave it playing at a low level, but the "bad guys" will know it is there.

I have done this for years and can attest to its effectiveness. You can even leave it playing at a low level, but the "bad guys" will know it is there.

2) That brings me to the next point. Ephesians 6: 11: "Put on the full armor of God, that ye may be able to stand against the wiles of the devil." So I would advise everyone to memorize and repeat this portion of Scripture daily:

Eph 6:10 Finally, my brethren, be strong in the Lord, and in the power of his might.

Eph 6:11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high [places].

Eph 6:13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

Eph 6:14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;

Eph 6:15 And your feet shod with the preparation of the gospel of peace;

Eph 6:16 Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

Eph 6:17 And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

Eph 6:18 Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;

A Believers Authority In Christ and Warring in the Spirit

Psa 91:13 Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet.

2 Timothy 1:7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

2Cor 10:3 For though we walk in the flesh, we do not war after the flesh:

2Cor 10:4 For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;

2Cor 10:5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

2Cor 10:6 And **having in a readiness to revenge all disobedience**, when your obedience is fulfilled.

1John 3:8 ...**For this purpose the Son of God was manifested, that he might destroy the works of the devil.**

Luk 10:17¶ And the seventy returned again with joy, saying, **Lord, even the devils are subject unto us through thy name.**

Luk 10:18 And he said unto them, I beheld Satan as lightning fall from heaven.

Luk 10:19 **Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.**

Luk 10:20 Notwithstanding in this rejoice not, that the spirits are subject unto you; **but rather rejoice, because your names are written in heaven.**

3) Apply the "Blood of Jesus" over your house, your property, your cars, your family, yourself, etc... Rev 12:11 And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

4) Pray for the Lord's angels to encamp around you, your family, your house and property, etc... But remember: Psalm 34:7 The angel of the LORD encampeth round about them that fear him, and delivereth them. So the "Fear of the Lord" is connected with angelic protection. So I pray for "The fear of the Lord" for my family and myself.

5) As a saved believer in Jesus Christ the Holy Spirit lives inside us. When petitioning the Lord, use the example of the Lord's Prayer by petitioning the Father, in the name of the Lord Jesus Christ for whatever our prayer requests are. But remember: Psa. 66:18 "If I regard iniquity in my heart, the Lord will not hear me..." In this case iniquity would be unconfessed/unrepentant sin. So make sure you are right with the Lord especially before going to bed. Ask the Father in the name of the Lord Jesus Christ to guard us through the Holy Spirit (this would be in addition to all the other things I have already mentioned in regard to prayer.) Go to: [The Biblical Keys To Answered Prayer & Overcoming, Protection, Meekness, Answered Prayer, Faith, Fear of the Lord](#)

6) Pray. Particularly the Lord has led me to pray the Psalms. Psalm 64 in particular, and Psalms 91 and 94. These Psalms are regarding the Lord dealing with our enemies and for personal protection. Also listen to: [Imprecatory Prayers & Gods Judgment on Wickedness-A Christians 'Door of Hope'](#)

Also in regard to prayer there is a spiritual principle that the Lord has made mention to in the following verses:

Deut. 32:30: "How should one chase a thousand, and two put ten thousand to flight, except their Rock had sold them, and the LORD had shut them up?" Now we don't want to build a dogmatic doctrine around this one verse, but the spiritual application seems to be that two Christians in unity can accomplish much more than one alone. We should really be praying for each other and if you have a spouse or prayer partner that seems to amplify the effect greatly.

Remember Jesus said: Matthew 18:20: For where two or three are gathered together in my name, there am I in the midst of them. So this verse appears to validate the verse I quoted above, in regard to amplification of our efforts where at least two Christians are joined together in unity.

7) Comment: This is from my listener/deliverance minister in Tasmania.

This is a very powerful prayer against Witchcraft.. with fasting even more powerful..

This prayer can shut down Witches and Satanists forever. Being that this prayer basically shuts down the senders of the hexes and vexes by returning their evil to them sevenfold.. I turned this prayer into a blessing that they would need to turn to Jesus for there own curse to be removed.. This would be saving them from HELL and being saved from HELL is a blessing.

Father, In the name of Jesus Christ of Nazareth, I plead the precious uncorruptable blood of Jesus over myself and my family and everything that belongs to us. I ask for giant warrior Angels to be loosed from Heaven to surround and protect us. As your war club and weapons of war I break down, undamn, and blow up all walls of protection around all witches, warlocks, wizards, satanists, and the like, and I break the power of all curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death, destruction, sickness, pain, torment, physic power, psychic warfare, prayer chains, and everything else being sent my way or my family members way, and I return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and I BIND it to them by the blood of Jesus!

Father, I pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have been set against themselves.. In the name of Jesus Christ of Nazareth I now loose them from all mind control of Satan!.. Father I also ask that you Bind the Holy Spirit to their hearts as a guide to your Son Jesus.. So they may be set free from the bondages of Satan.

In Jesus name I pray..Amen

8) Stop any and all sexual sins Go to: [Biblical Sexual Prohibitions](#)

In this teaching we will be looking at a subject that is rarely (if ever) preached on in modern day churches: The sexual prohibitions outlined in Leviticus 18 & 20. This is a very important study and especially needed by Christians in the day and time we live in. Truly much of the Body of Christ is being destroyed for lack of knowledge due to NOT knowing the material covered in this teaching.

Unfortunately there are many things that modern day Christians are doing (many times unknowingly) that are affecting them adversely in both a spiritual and physical way. Much of what we will get into was common knowledge 100 years ago but has been slowly repressed since then. We will look at the shocking WHOLE definitions of sodomy, fornication and intercourse and also the New Testament text some use to justify any sexual action regarding the marriage bed. We will also see how Biblically these types of sins defile a person in a way that other sins do not.

[Contraception & the Bible](#)

[link to http://www.abortiontv.com/](http://www.abortiontv.com/)

In this teaching many will be shocked at the way many birth control methods actually work. From "The Pill", to "The Patch" to IUD's all are potentially "Abortifactive" according to the companies that make them. [Gen 1:28](#): "And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it..." [Gen. 9:7](#): "And you, be ye fruitful, and multiply; bring forth abundantly in the earth, and multiply therein." From the apostles to 1930 no true Christian group ever sanctioned this

practice, and it was Christian state legislatures across the country that made the trafficking of contraceptives illegal until the Supreme Court intruded in *Griswold v. Connecticut*, paving the way for *Roe v. Wade*. So in other words 75 years ago this message would not have been necessary because the topic was not a topic worthy of debate. Contraception was considered by Christians a grievous sin, and that fact was a foregone conclusion that was not even debated by Christians. Did you know the word "contraception" is not even listed in the Webster's 1828 dictionary.

9) **CLEANING YOUR HOUSE CURSED OBJECTS (OF DEMONS)**

While I don't agree with everything on this website it does have some good overall guidelines

<http://www.demonbuster.com/cyh.html>

BOYCE and BOICE are two demons that interfere with any electronic equipment, i.e., phone, computer, printer, automobile, etc. If something malfunctions, command these two demons to leave your equipment, in the name of Jesus. We get many emails saying this worked.

Scott Johnson's Comment: We had been going through a pretty rough spot for a few years now in ministry and I think it is because the witches that were trying to kill me were failing to do so, so they changed their tactics somewhat and started going after my finances and I had done no deliverance to pray against it, so it was working. **We'll all I can say is since I have done the deliverances above (twice now) we have had more funds come to us (in a few week period) than I can remember in a long time. I mean it is miraculous. This is not 'name it a claim it'/get rich quick stuff, but I do believe the devil will always try to target a true Christian finances so we are limited in our ability to pay our bills (among many other things). I do about the first 10 minutes of the Win Worley mass deliverance here:**
<https://www.youtube.com/watch?v=mVG3ow2-MR0> (which puts the devil on notice and sets the stage for any deliverance session) and then I do the poverty ones or any other deliverance you may feel you need.

12) Super Charged 'Do it Yourself' Anointing Oil

<<The picture to the left is of my anointing oil. I have it sitting on my audio player that plays the KJV Bible through it all night on most nights, except when I forget to turn it on. When I was first saved I was starving for the Word. I could read for hours the Bible and that still wasn't enough. I would play the New Testament Bible CDs at night on repeat next to my bed and would wake up singing to God and feeling joy and peace. If I felt a sickness or cold and flu at night I would put the Bible on and in the morning I would feel

fine. I had told myself and believed that God doesn't want me sick and so my shield of faith was active all the time. And rarely did I get sick. There was a period of several years where I never got sick once. I trusted my God for protection and I do know that He did that for me and still is. And also I believed that in the spoken Word going out through our house via the audio players was also putting up some sort of invisible shield that the demons hated and could not stand in it for too long, and would flee. And I have watched for evidence of this assumption as I have told others to do this also.

First when playing the Bible audio, there comes an inner resistance to the Word and then, usually after a couple of weeks on average things settle down and the resistance slows up. There is no doubt in my mind that the demonic entities within the person who embarks on this adventure of faith are tormented and those without legal rights will flee. So an invisible wall is placed around that home and occupants and the whole house is soaked with the Word of God.

Heb 4:12 For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

I believed this as a young believer and 20 years later I still believe it.

So my oil had sat on my player for years soaking up the vibrations from the KJV Bible playing all night and I do believe that this had imparted more fire into it, and we were using it for healing according to this Word.

Mat 3:11 I indeed baptize you with water unto repentance: but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: **he shall baptize you with the Holy Ghost, and with fire:**

Jas 5:14 **Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord:**

Jas 5:15 And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him.

As sickness can be caused by Demonic spirits then the two can fit together easily. So here in the next scripture is what I'm talking about here.

First the Blood, then the Oil.

First Repentance, then the Holy Spirit (by the spoken word and by the Oil) can be applied.

Mar 6:12 And they went out, **and preached that men should repent.**

Mar 6:13 **And they cast out many devils, and anointed with oil many that were sick, and healed them.**

I had read a book by Bill Schnoebelen called Blood on the Doorposts when I was a very young Christian that explained the use of anointing oil in the home and on doors and windows and things. He said it appeared in the spirit realm as a fire, and the demons hated it.

So I tested that out and coming out of a background of witchcraft, although not as severe as Bills ever was, there was a few entities coming and going that I could test this theory out on. And if it was something that the wicked entities hated it then I was interested. And I definitely did feel a difference after anointing our house with the oil that I prayed and blessed myself.

I didn't have to buy the most holy and pure stuff that was squeezed from the more righteous trees on the hills of the Mount of Olives and that was blessed by the most Holy Reverend of the church of all saints in Jerusalem, or whatever they are selling on the internet. And although I looked into this, I am glad that I couldn't afford this at the time and had to rely on my own faith in my own God to answer my own prayers for my own oil, and for everything else also. So I did and that was a big step ahead in faith for me instead of handing it to someone else whom I thought more qualified.

Heb 11:6 **But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.**

So I was using it now and again in a bit of a smear here and a bit there and a few drops around the house for protection. It seemed to last a few months then I would redo the places again. Also we used it on other peoples places and they could feel results too. Although almost impossible to measure, we had to receive by faith. And I did have faith to believe that my God could do this.

Mat 9:29 **Then touched he their eyes, saying, According to your faith be it unto you.** And as for praying for people I usually used it at the end. As a weapon against sickness and disease, but back then it didn't matter if the oil was forgotten and left home, I hadn't the revelation of its importance in the battle, but that was coming.

I know when I first seen it used at the start of deliverance it would make the devils manifest so much quicker than usual and that excited me. And they would be trying to wipe it off and cursing it and the workers and God.

So I started to use it in deliverance. And it definitely would bring torment to the tormentors quickly. Sometimes you would apply the oil and the demons would dive for cover and other times their cursing was music to our ears, because of the reactions of the spirits, it was no secret that they were in agony.

And this was no clearer than when we were involved with a woman who was the High Priestess of a large Satanic coven here in Tasmania. Now this coven was trying to take over the state and would have a satanic festival every year on the winter solstice called Dark Mofo. And to show you an example of how much influence they have, here is a picture of one of three, 20 meter high inverted crosses they set up in the capital of the State with little local council or political backlash at all. They were actually paying for some of this. And some Christian identities in the city even said it didn't matter and didn't mean a thing.

So these people weren't little teeny boppers lighting candles and reading tarot cards. Some of the people involved were associated with the highest witchcraft powers in the USA. For example Marina Abramovic was here doing witchcraft rituals disguised as art, who was exposed by Wikileaks for the spirit cooking and connections with the Podesta Bros. And John Podesta was Hillary Clintons right hand man. No small fish here. So during the deliverance of the now Ex High Priestess, which was like the exorcist movie, with demons coming up that had mentions in the Holy Bible as well as demonic scratches and bite marks and blowflies coming out of the blue it was like Nebuchadnezzars furnace for a few months. We would use the oil as soon as we started to pray and there was no waiting. It was on within seconds.

We prayed that the oil would not only represent the Blood of Jesus and the Fire of the Holy Ghost but that the devils would actually feel it as if it was fire and the Blood like acid. And we also added lots of other prayer into it. The all Consuming Fire of God, the fire of Elijah that burned up the 50s and their Captains, the fire of Jotham which was the division and civil war that was sent between Abimelech and the men of Shechem, which turned them against themselves. And also the Resurrection and Abundant Life, Peace, Joy, Hope, the Love of God and other things that would destroy yokes of bondage and slavery, break chains and heal

and restore the broken and wounded. So like a sharp double edged sword, cutting both ways.

The results in this deliverance were astounding. We prayed for her numerous times and she said the oil burnt like acid, which was obvious to us as the demons screams were letting us know. And we put it on her feet once and after the spirit left she said it felt like nails going through her feet and nailing them to the floor; which was handy, because a lot of time the spirits had her up and trying to grab anything to use as weapons or scratching and kicking and biting and spitting and whatever else they could try to do to wound and destroy. But things were moving out quick and the scene would change lots.

Also as an added bonus we would put the oil on the hands and when the demons try to grab us the hands would slip off easily.

Now it wasn't just the oil obviously, the Name of Jesus is the Name above all names, and it was by that name that the devils were ordered to go. The oil was an advantage we found that got them moving quicker. And that we used as an accessory. Not as the be all and end all.

When she was going ok, when all the spirits that had surfaced in deliverance had been dealt with and we could return the three and a half hour drive back to our home, I gave her some oil to anoint some of her unsaved husbands stuff when

she could and put around the house, and a Satanist knocked on the door and she looked through the peephole and knew the power in the oil so grabbed it and threw some on him, around a dessertspoon full. She said he reacted like a bucket of scorpions was thrown on him and straight away he ran away screaming; which greatly encouraged us to ramp up the oil defences around her house. And our own, because these people didn't have to visit in the flesh to be about.

So as the battle continued over some months and the witches that were trying to kill her, curse her, kidnap her and destroy her family continued, so did our prayers and deliverance and

experimentation with the oil.

They were constantly putting things in her letterbox and she was constantly going out and opening them and getting hit by them. Whether wicked curses or cursed items of gold and expensive jewellery.

So we anointed the letterbox and the surrounding area and they slowed down.

We put the anointing oil on her front porch and we found that during bouts of deliverance when the demons were near the surface she couldn't even put one toe on the oil because she said it felt like red hot nails going in and even when she wanted to have a cigarette she couldn't even sit near where they oil was spread around and had to

go out the back where it wasn't at. Also when she was in this state she couldn't hold the Bible or the oil or say the name of Jesus. But could say God and Lord no problem, it showed us that 'Jesus' is the name the enemy hates above all others.

And the Satanists who had been dripping blood on her steps and stuffing curses in her door and writing blood curses on her car were slowing down also. Not to mention the sickness attacking her body. We found some cursed jewellery in the garden in a nice little box and gift wrapping when we visited that we surmised was thrown towards the front steps and missed because their access was blocked by the oil. Or the wall of fire that we now believed was coming from the oil.

So when I could see that advantage it was giving us I went and got a few litres of it, prayed and went out on the road believing that even if they drive over the oil it would cause some pain for the enemy that was infesting them. And it may have because the satanic traffic slowed greatly.

She was out the back of her house one evening having a cigarette and she heard her name being called out so she went to the fence and the two Satanists said this to her, among other things.

This was her text to me the next day.

Pete PLEASE stop whatever you are doing!!!! Went out for smoke, Garry &

Karrwen promised the oppression would stop if my mate (being you, backed off) They weren't joking.

And I rang and she said that they were yelling from the other side of the road. They couldn't cross the oil line I left around her house on the road as in the picture.

I knew it was causing troubles for them so I went and put a lot more oil up my road and around my house and thought I'd done a good job. But the one spot where I missed making the wall which I never thought important was in a dream that night with the High Priest Warlock walking there, near our lounge room window. So the next day I went around the house and concentrated on that spot I missed and heard a voice speak and say, "Aww aren't you going a bit

far now" as soon as I was plugging up the gap in my oil line. I thought that was a stupid thing to say, but have noticed that when the enemy is desperate then lots of foolishness comes from them.

They had taken to flying paper planes into her backyard with their attacks.

And during all this one day after around 40 minutes of prayer the anointing oil turned blood red after I was praying with a friend warfare and blessings for Tasmania. I had never seen this in the few years or so it had been sitting in this same spot. You can see it in the first picture. This is why I'm writing this account. God definitely got me interested in claiming back the ground for Him, and the oil will not wash off and will remain for a long long time. The oil was used to make things Holy.

Exo 40:9 And thou shalt take the anointing oil, and anoint the

tabernacle, and all that is therein, and shalt hallow it, and all the vessels thereof: and it shall be holy.

And there is a reference where the Spirit of the Lord was in the oil.

1Sa 16:13 Then Samuel took the horn of oil, and anointed him in the midst of his brethren: and the Spirit of the LORD came upon David from that day forward. So Samuel rose up, and went to Ramah.

Then we moved to the capital city in Hobart from a small quiet country town of 80 or 90 population and no crime and no need to lock the doors, to a city of a 220,000 population. And it was a massive change for us.

The Satanists soon knew we were there and welcomed us with cursed mail arriving. And whether they were doing the burnouts out the front or not it was like every second day they were happening.

This is a picture from our lounge room window of straight outside our house. The half circle

closest is a line of oil. And there are others there in amongst the madness too. I took this picture yesterday.

And there is a brothel in one of the units over the road, continuous parties, yelling and screaming and a car was burnt a hundred and fifty meters away or so and blokes walking around with cricket bats and cops raiding the places. All this could be seen from our window. I thought it was better than TV for a while but my wife was a little fearful.

I had already went around our house after the first night the side gate was bent mysteriously.

And then I decided to experiment and I was in the perfect environment to do this. By now I had not been putting just smudges of oil but was buying it by the litre. Now we shop for the 4 litre can on special.

I went up and down the footpaths and around the court and poured it out both ends of our road and up and down the road and we noticed things were definitely calming down. Every two or three weeks I would spread more. Now I'm not just giving credit to the anointing oil. There was a lot of prayer going out. **But we could see and hear the results. The wheelies and the screaming and the parties and the loud music seemed to slow down dramatically.**

I heard a diff or gearbox blow one night and a couple of culprits close by are now walking. And we met some Christians nearby and asked them if things had calmed down in the last couple of months and they said quickly, "Yes, the burnouts have slowed and the drug dealer two doors over from us has stopped having all night parties all the time.

The traffic in the middle of the night to the brothel slowed down to almost non-existent and actually today as I'm writing

this the police were over there carting some woman away. Interesting. She wasn't happy.

So we know that the prayers and the oil have had an effect that could be measured. By us and others who were not stuck in the cycle of the worldliness.

All in around two to three months. Also in Hobart the witches have covered a vast majority of power poles and communication boxes and signs and parks and all sorts of places with hexes. Here is 3 examples on power poles. They do it to cause accidents, sickness, disease, torments death and destruction and concentrate in an area and the spirits are assigned to that area.

So we now are armed with a weapon to administer the anointing oil. A weapon we used in the battle with demons who got lively in deliverance and sometimes to shoot them in the mouth with the blood of Jesus and the fire of the Holy Ghost when their

mouhths were running off a little too much.

It is good also for open places and discreet. Once quick squirt on the hexes would nullify them totally we believed no doubt.

Prayer first, stand in the gap and repent (Scott Johnson's Comment: remit and sins over the land grant redemption over the land—See the end of this PDF for a full document on this), that's the blood, remittance of sins, breaking the curses and pray fire into the oil and go and administer. No need to make a big thing of it. The Ex Witch told me when they were in the astral form they could see the areas and the streets they had cursed as rivers of darkness.

So it's time to Light up the Darkness. You can do this to. You can make a difference, especially in your own area.

2Ch 7:14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

And in the larger areas of the high places we would just tip it out of drink bottles slowly as we wandered around as tourists. The enemy had shed their blood and cursed the grounds. We were taking back the land and believing this.

Jos 14:9 And Moses swore on that day, saying, Surely the land whereon thy feet have trodden shall be thine inheritance, and thy children's for ever, because thou hast wholly followed the LORD my God.

And the oil would not be washed away. I can still see it on the road where we have put it around the city, months later. Do it on a warm dry day and it sticks.

And other places to do are reservoirs, parks, schools, accident spots on roads, entrances to shopping centres, underground car parks, water supplies, new age and porno shops, hotels, wherever the enemy has gained ground and has a stronghold. I believe that every time a demonized person walks or drives on or over the oil the demons within know it. And we pray that they will be hit hard by it. And believe they are.

We heard that the Satanists here are cursing the source of rivers also, and they believe that the blood they shed to pollute them goes down the river and even curses the land through irrigations and not to mention people drinking it.

Also communication towers are cursed to affect what is passing through internet and phones.

These people are highly organized and serious.

But if God can do this for us,

Eph 3:20 Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,

And now there are some others who have the oil out doing their own areas and are hearing the demons trying to put them off and discourage them too.

At one high place we travelled to that was at the other end of the state I could hear them telling me "You shouldn't be doing this" even as we were still in the car driving and "Who do you

think you are?" But when the oil was being sprinkled over this area I heard them screaming and saying "You're out of your Jurisdiction."

That is a word I have never used in my life. So I laughed and soldiered on.

This is a work God has led us into.

Eph 2:10 For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.

I believe we can make things extremely hard for the enemy to operate. And if every church in every place, big or small, it doesn't take too many, would go and take back the High Places, and the strongholds in even just our own towns then it could become a quicker work.

One small squirt of anointing oil at a cursed object may cause a big drama for the Devil in the second heaven. Do you believe this? I do.

Peter McMaster.

UPDATE

Two days after writing this we found this on signs 50 meters down the road, at an intersection near the bus stop. The Satanists must be trying to claim back their territory.

The satanic cursed blood then clear enamel paint over the top so it doesn't wash off. But with a bit of elbow grease we removed it.

There was no kick in this curse at all. Powerless. But looked bad.

No drama. I asked another neighbour if things had quietened down and he said without having to think too long, "Yes they have".

Praise the Lord!!!

Great testimony. The demons hate it. Thanks for sharing. I'm sure there'll be more.

We did the steps of Mona ferry service to the museum and a lot of the waterfront that they frequent. Mona is now losing money. They ordered

this ferry, see attached, 12 months ago. Naked women as camo colors.

So we just keep plugging away. I pray that God will encourage you and others for praying over the enemies strongholds. Thanks for helping people to join in the fight Scott. I'm excited.

God bless you.

Subject: ++ Amazing First Hand Testimonials About This Anointing Oil

Pete: I sent some of my little remaining oil (that I had made with olive oil and some of the essential oils mentioned in the Bible) to one of my listeners. This is the one I have had in front of my Bible CD player for about a year. See the attachment. This is what happened to him. This man (John) is a TI (targeted individual) he gets harassed virtually every day with guys waiting for him when he walks out his front door, to when he is driving, to interfering with like every aspect of his life.

TY & God bless!

Oil smells like heaven itself!!! I'm very impressed. . Just wanted u to see i got it.. bro for real this means so much!!! I immediately anointed my car and then i went inside my place and began to anoint all the doors and windows i then anointed myself and began to violently throw up after i felt as if a weight off my shoulders!! Bro within 2 min of applying the oil after commanding any evil spirits lurking in my flesh to come out and be bound, 2 min later i was running to the sink throwing up.. but felt major peace after this and then went forward with anointing all my windows and entrances to place and car and wheels.. all with prayer and healing i am blown away with how i puked it is such a major sign of deliverance!!

Bro this is so sweet, it is going to protect and heal.. you could not give me a better gift!!! God bless ur heart scott man god bless...

Hi Scott, So my husband and I listened to your audio this past Sunday. We set up the audio

bible of Revelations and started our oil with essential oils of Frankincense, Myrrh, Rose of Sharon, Rosemary, and Hyssop. Praying to begin the anointing of our home in 7 days we feel our home needs a cleansing. God Bless

Message Hello Brother Scott. Currently listening to your latest teaching on anointing oil and I'm interested in this tool for spiritual warfare. One issue you discussed was getting the oil to high places. As a drone enthusiast, I can confirm that a pint could be mounted along with a valve to a DJI Phantom 4 and delivered to any water tower, cliff, roof etc.. Imagine the coverage with four rotors blowing the anointing oil all over a target!

Thanks for all you do,

Message Dr. Scott i just listened to your messages on anointing oil & feel convicted to do this to drive out demons from loved ones & others. I would really want to make sure i am making it correctly. I bought a bottle of virgin olive oil & two 9oz bottles off of ebay with caps. I am planning on pouring the olive oil into the 2 empty 9 oz bottles & playing revelations 8 hours a day over the bottles. My question is do i have to buy frankincense oil to mix with the olive oil? Thank you for any help

From: Scott Johnson

No, that is optional but I just found this one which is a blend of a whole bunch of Biblical essential oils which would be great to add in:

<https://www.rockymountainoils.com/oils-of-the-bible.html> I found another company but the prices were a lot more expensive.

13) Fasting: "But this kind does not go out except by prayer and fasting."

Matthew 17:21

Breaking Demonic Strongholds

by Bobby

"Not only did the fast enable the eviction of the demons, but I started to feel the presence of the Holy Spirit within."

I have been a Christian for less then a year and still deal with a lot of bondage due to a traumatic past which included a long list of foster homes. I had endured abuse and was raped at the age of five. The cruelty turned me cold and resentful causing me to become an abuser. This in turn resulted in a broken marriage, drug addiction, alcoholism, and a depraved sex life. In search of the answer I fell into the hands of cults who used brain washing and hypnotism. Their methods opened the doors for demonic activity.

A friend prayed with me to break the result of this manifestation and bring me to a knowledge of Christ. There efforts were unsuccessful, after which fasting was

suggested. I was told about the power and potency of prayer that can be obtained during a fast.

Not only did the fast enable the eviction of the demons, but I started to feel the presence of the Holy Spirit within me. Exciting and wonderful things started to happen after the third day of the fast. God actually used me to help put a marriage back together. I could feel the Holy spirit directing me on what I must do and say. Now I fast regularly to keep my spirit attuned with the Lord.

[**Transhumanism & Eugenics: Scientists Reveal Jeffrey Epstein's Plan To Create Breakaway Civilization--New Mexico Preparing To Seize Land At Epstein's 10,000 Acre Zorro Ranch**](#)

Several scientists spoke to [*The New York Times*](#) to detail run-ins they had with Epstein at dinners and events in their attempts to acquire start-up money for their scientific projects, and according to them, **Epstein was fascinated with eugenics, transhumanism, artificial intelligence, and cryogenics.**

"On multiple occasions starting in the early 2000s, Mr. Epstein told scientists and businessmen about his ambitions to use his New Mexico ranch as a base where women would be inseminated with his sperm and would give birth to his babies, according to two award-winning scientists and an adviser to large companies and

wealthy individuals, all of whom Mr. Epstein told about it," The Times reported Wednesday.

Jaron Lanier, a virtual reality expert, details a dinner conversation his colleague had with Epstein over his baby-farming plot, which other scientists called "far-fetched and disturbing."

"Once, at a dinner at Mr. Epstein's mansion on Manhattan's Upper East Side, Mr. Lanier said he talked to a scientist who told him that Mr. Epstein's goal was to have 20 women at a time impregnated at his 33,000-square-foot Zorro Ranch in a tiny town outside Santa Fe."

"According to Mr. Lanier, the NASA scientist said Mr. Epstein had based his idea for a baby ranch on accounts of the Repository for Germinal Choice, which was to be stocked with the sperm of Nobel laureates who wanted to strengthen the human gene pool."

Lanier went on to say that "he had the impression that Mr. Epstein was using the dinner parties — where some guests were attractive women with impressive academic credentials — to screen candidates to bear Mr. Epstein's children."

New Mexico Attorney General Hector Balderas found that Epstein, whose 10,000 acre ranch was a combination of private and state-owned property, improperly leased land from the government to increase privacy. "Having fully reviewed the referral from the State Land Commissioner in connection with my office's investigation into criminal conduct related to Jeffrey Epstein in New Mexico, I am issuing a determination that the State Land Commissioner should immediately retake State trust lands and cancel leases that were improperly given to him," Balderas said in a statement.

"The original leases to Epstein appear to have no beneficial use justification to the State, but rather appear to simply have been taken by him to increase privacy and the landmass surrounding his estate. This sweetheart deal must be canceled and reassigned to a New Mexico ranching family."

Leasing documents from the 90s indicated that Epstein would use the federal land to graze cattle, according to the New York Post.

However, no evidence of Epstein owning any cattle was found.

WHAT CAN WOMEN DO FOR THE LORD? & Women Pastors?—The Biblical Qualifications for Pastors, Elders, Deacons and Spiritual Overseers

What Can Women do for the Lord?-Part 1

By Dr. Scott Johnson | February 3, 2008

What Can Women do for the Lord?-Part 2

In this study we will primarily be looking at the subject of: **WHAT CAN WOMEN DO FOR THE LORD? & Women Pastors?—The Biblical Qualifications for Pastors, Elders, Deacons and Spiritual Overseers**

We will also be taking an in depth look at most common arguments some use to authorize women having Biblical offices that only men are supposed to hold; that being Deborah of Judges, The daughters & handmaidens who prophesize in Acts 2:17 & 18 & the Daughters of Philip Acts 21:8&9. There are two errors among Christians in regard to the woman's ministry: (1) Some teach that women can do anything, which is not Scriptural. (2) Others teach that women can do almost nothing, which is also is not Scriptural. Godly women have a large role in the work of God. Though they have limitations and there are some restrictions upon their work, these are restrictions given by the Word of God; and in this study we will be endeavoring to present these with the rationale behind why these restrictions have been given by the Lord.

The Cornuto Hand Sign/El Diablo/Devil's Horns/Diabolicus/Hook 'em Horns/ I Love you?

By Dr. Scott Johnson | December 31, 2006--We will start off this teaching by going over the much talked about Cornuto sign. The Mano Cornuto or Horned Hand is an ancient symbol used to protect against the evil eye. In Italian, mano means 'hand' and corno means 'horn'. This symbol also represents the Horned God of the Witches. Also called the Diabolicus, the sign of the horned devil, can actually be tracked all the way back to Babylon. On the great wall of Babylon, adjacent to Ishtar's Gate, was a mosaic image of a horned bull, representing the sun god. The horns were symbolic of the Babylonian god's power over the hearts of men. Later, in Imperial Rome, Caesar's military legions and millions of common people worshipped the sun god, Mithras. Mithraic initiates were baptized in the blood of a horned bull, slain and sacrificed by temple priests. The Knights Templar, predecessor to today Scottish Rite Freemasons, worshiped the grotesque horned goat god, Baphomet. It is believed that many Illuminists continue to sacrifice to this unspeakable deity to this very day. Reportedly, the Illuminati take great delight in seeing the masses adopt their ancient symbol of satanic worship on such a vast scale. We will also explore occultist Helen Keller's role in the development of the modern day hand sign system for the deaf and how this relates to the Cornuto sign.

Evangelical Leader Jerry Falwell Jr is totally cool with Trump's Playboy Magazine Cover Picture

June 22, 2016 |

<< Donald Trump with Jerry Falwell Jr. and his wife, Becki Falwell, during a meeting in New York City.

A top evangelical leader dismissed social-media loudmouths as holier-than-thou for taking him to task for posing with Donald Trump near a framed copy of Playboy.

The flap started when Jerry Falwell Jr., the president of Liberty University and the son of the Southern Baptist pastor, [tweeted the picture](#), saying he was “Honored to introduce @realDonaldTrump at religious leader summit in NYC today! He did incredible job!”

The March 1990 Playboy — featuring Trump and model Brandi Brandt on the cover, a permanent fixture in the mogul's Manhattan office and one of several framed magazines featuring The Donald — was spotted behind Falwell's wife, Becki Falwell.

“Literally a framed pic on the wall of the candidate and a porn star, as a major evangelical leader endorses him,” [wrote Nathan Lino](#).

[Another person joked](#), “I could literally hang a porno on the wall, and I wouldn't lose any evangelical endorsements.”

To Those Who Think Donald Trump Is a Christian

Monday, June 24, 2019

Soon after announcing his presidential bid, Trump described the experience of taking Communion as, “When I drink my little wine — which is about the only wine I drink — and have my little cracker.” In that same interview, Trump remarked that he wasn't sure he had ever asked God for forgiveness.

Even the person considered to be Trump's closest spiritual confidant — Florida

pastor Paula White — has said it would simply be “futile” and “staged” for Trump to try to publicly discuss his faith.

Shortly before his apparent recent assassination, Rabbi David Goldberg stated that Trump converted to Judiasim 3 years ago and he believes Jared Kushner is the Messiah or Moshiach:

Irrefutable PROOF that Zionist Talmudic Judaism is the exact OPPOSITE of what most Christians THINK [not sharing allegiance to the Christian's "God the Father!"] – Now updated with some of the BEST PROOF EVER straight from the Talmud including:

* "If a 'goy' (Gentile) hits a Jew he must be killed." (Sanhedrin 58b)

* "The 'goyim' are not humans. They are beasts." (Baba Mezia 114b) [The basic Talmudic doctrine includes more than a "super-race" complex. It is an "only" race concept]

* "Even the best of the 'goyim' should all be killed." (Soferim 15)

* "Yashu' (derogatory for 'Jesus') is in Hell being boiled in hot excrement." (Gittin 57a)

* Even a Christian who is found studying the Law of Israel [Talmud] merits death:

"Rabbi Jochanan says: A Goi who pries into the [secret Luciferian Talmud] Law is guilty to death." (Sanhedrin 59a)

* Michael Hoffman (historian): The main tenet of Judaism is Jewish self-worship. Judaism has as its "god," not the God of Abraham, Isaac, and Jacob, but the worship of the Jewish people. [Sanhedrin 58b " Jews are Divine. To box an Israeli on the ear, is like to box on the ear of God.

Hear Rabbi Jonathan Cahn's False Evil Lying Prophetic Word to President Trump at His House (Mar A Lago)

Play to 2:37: <https://youtu.be/QKazoPb9RrE>

JONATHAN “Con Job” CAHN'S FALSE PROPHETIC WORD TO PRESIDENT TRUMP

This website reads: DEAR VIEWER: I AM A FORMER MEMBER OF PASTOR CAHN'S CHURCH BETH ISRAEL. I UNFORTUNATELY DEFECTED FROM HIS CHURCH BECAUSE AFTER MANY YEARS WHILE SITTING UNDER HIS TEACHINGS, I REALIZED THERE EXIST SERIOUS ERRONEOUS DOCTRINES REVOLVING AROUND HIS APOLOGETICS. THIS BLOG WHICH I CREATED NEARLY 5 YEARS AGO HAS SOUGHT TO ADDRESS SOME OF THOSE ISSUES. BELOW I AM SHARING THESE ARTICLES AND VIDEOS BECAUSE I SINCERELY BELIEVE THAT **THIS SO CALLED PROPHECY BY JONATHAN CAHN IS FALSE BASED UPON THE EVIDENCE PRESENTED. KEEP IN MIND THAT GOD DOES NOT VALIDATE THE WORK/WORDS OF FALSE PROPHETS.**

Preface: *Now, a new star has risen, a quite unlikely one at that. The crowds are also thronging to hear him, and his followers are convinced that this man, their man, Donald Trump, will single-handedly make America great again. The political system is corrupt, say his loyal supporters, and America has become a shell of what she used to be, both nationally and internationally.*

Donald Trump will save the day. Donald Trump knows how to get it done. Donald Trump will not back down. Donald Trump is the alpha male we need. Some even claim that God Himself has raised up Donald Trump for such a time as this (AS JONATHAN CAHN SO BOLDY CLAIMS IN THE ABOVE VIDEO)!

Mr. Cahn brings his **BOGUS MYSTERIES** fully into the social-media age: many of his fans first saw him on Facebook; hundreds of posts and reposts of his sermons are uploaded on YouTube, slipped into the corners of the web where esoteric religion and conspiracy theories overlap.

Into this mix came Mr. Cahn's latest book, “The Paradigm,” which could be his most polarizing, **tying his bogus prophetic work to the election of Donald Trump. The book, published in the months after Trump's win, again likens America to the ancient nation of Israel — two peoples, Mr. Cahn says, who have a unique relationship with God. He then argues that all sorts of figures in contemporary politics have biblical counterparts. Bill Clinton and Hillary Clinton, for example, are the modern-day analogues to wicked Ahab and Jezebel. Trump is the warrior-king Jehu, who took control of the nation and cast idols out of the capital. “Jehu also sought to drain the swamp,” Mr. Cahn said.**

Trump, “like his ancient predecessor,” Mr. Cahn writes in his book, was a “flawed vessel” being used by God. “The unlikely and controversial warrior was destined to become the new ruler of the land,” Mr. Cahn goes on. According to Mr. Cahn:

“The template would ordain that Donald Trump would become the next president.”

In what appears to be a well-meaning effort to buttress this paradigm Mr. Cahn takes the ancient Biblical types and attempts to show how specific actions and dates are paralleled in their modern American political anti-types. This takes the subject from type and anti-type into the realm of prophetic speculation. Most of the paradigms are based on no specific cross scriptural reference to other passages of the Holy Text. They serve only to define whatever point Cahn wishes to make about future events, corresponding to past events and usually can be readily matched to the future person. You can read the rest of his thesis by going to the following link: <https://christinprophecyblog.org/2018/11/a-biblical-blueprint-for-america-jehu-as-trumps-paradigm/>.

These absurd claims by Mr. Cahn is nothing more than prophetic speculation. <https://seraphimre.blogspot.com/2019/07/donald-trump-has-challenged.html>

Why Heretic Jonathan Cahn, His Mysteries, Keys and Revelations Must Be Exposed

Rabbi Jonathan Cahn has been bothering me with his The Harbinger and now The Mystery of the Shemitah ‘revelations’. Who is he exactly? Is he a born again Christian or is far worse than just your plain run of the mill false teacher?

He calls himself a Rabbi yet the bible says:

[Matthew 23:8](#) “But be not ye called Rabbi: for one is your Master, even Christ; and all ye are brethren.”

He has been labelled a modern day prophet as he brings a prophetic message with The Harbinger where he connects [Isaiah 9:10](#) to America: “The bricks have fallen, but we will build with dressed stones; the sycamores have been cut down, but we will put cedars in their place.” The Harbinger was published by [FrontLine](#), an imprint of [Charisma House](#) which used to be known as Strang Communications run by Steve Strang who is part of the New Apostolic Reformation.

The main problem with The Harbinger is that Jonathan Cahn equates America to be a replacement of Israel, a New Israel. He says in his book: “But there was **one other civilization also conceived and dedicated to the will of God from its conception . . . America. In fact, those who laid its foundations . . .”**
“No, long before the Founding Fathers. Those who laid America’s foundations saw it as the new Israel, an Israel of the New World. And as it was with ancient Israel, they saw it as in covenant with God.”

This is unbiblical. Jonathan Cahn is claiming that the Pilgrims (America's founders who were Puritans – Calvinists) constituted America to be in a covenant relationship with God like Israel is in a covenant with God. This is of course a lie. He claims that America replaces Israel as the new Israel for a New World...Order. But Israel is the only nation in a covenant relationship with God that was established through Abraham.

Freemasons, other occultists and unbelievers can't stand the fact that Israel is God's chosen nation and will do anything to replace Israel, literally and spiritually.

Jonathan Cahn says in *The Harbinger*:

"Some link between this city and the ancient vow," I said. "Somehow [Isaiah 9:10](#) has to be connected to Washington DC." (p.61)

George Washington – Freemason

"Solomon was the king of Israel. Washington was the first president of the United States. There was something in the linking of ancient Israel and America, as with all the other mysteries."(p.109)

[The Masonic History of George Washington](#)

By [Dr. Scott Johnson](#) | September 9, 2006

This teaching will start by giving a detailed, historical, documented, freemasonic

chronology of the first US President George Washington. (Please view the PDF above in totality before you dismiss this material.) The evidence is absolutely overwhelming. You cannot bow the knee to Baal (Freemasonry) and God (Bible believing Christianity). No man can serve two masters. Ask yourself if it is possible for Washington's Christian testimony to UNDO all this evidence. We will be examining the 333 foot "George Washington Masonic Memorial" in Alexandria, Virginia, which houses a large part of his personal Masonic regalia. We will see how the Masonic religion is one of the closest modern day examples we have to the ancient Babylonian Mystery religions. We will then explore some of the blasphemous, hidden symbology of the Masons like the Square and Compass, the Luciferian meanings of the symbols on the one dollar bill and the lambskin aprons they wear. Then we will explore the shocking, true meaning of the Triquetra symbol that appears on the cover of the New King James Bible. We will then hear some sounds clips of Benny Hinn cursing all those that would oppose his demonic ministry and see how he has mastered the art of "hypnotic Induction" to deceive his deluded followers. Lastly we will explore the subject of persecution and the Christianity.

King Solomon was appointed by God Himself to be king. George Washington was elected via vote to be President. There is a big difference between the two. George Washington was also a Freemason. When George Washington spoke of God, he was referring to the Masonic (The Great Architect of the Universe), not the God of the bible. Freemasons are besotted with claiming Israel for themselves.

Freemasons also worship King Solomon who *they* believed to be the greatest magus (sorcerer) of all time. **Is that why Jonathan Cahn connects King Solomon to George Washington because it's a satanic connection?**

"The purpose of Masonry's veneration of Solomon is not to advance an alternate view of history, but to present, however subtly, the archetype of the future human being — men and women who truly possess Solomon's Key — the power to master our own demons and redirect their destructive energy to build the Temple of our own evolving soul." —Lon Milo DuQuette, *The Key to King Solomons Keys – Is this the lost symbol of Masonry, Second Edition*

Is Jonathan Cahn a Freemason?

Who do we as Christian know that delve into Gnostic teachings such as the Kabbalah etc? A picture is worth a thousand words:

Some False Prophecies of Rabbi Jonathan Cahn

The rabbi Jonathan Cahn has been seen on numerous television programs ever since he wrote the book *The Harbinger*. He appears almost as a regular on the **Jim Bakker Show** where host Jim Bakker treats him like the Pope. He has made many prophecies that have not come true. But for those in the New Apostolic movement nearly 80% of their prophecies fail. It's almost a bad joke how these people abuse their Authority in the gospel. Here are some other failed prophecies. But to justify themselves they usually find some minor thing going on in the world that they can say happened to make people forget their error.
