Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise,

Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalms 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

The United States is deploying military forces to the Middle East after Saturday's drone attacks on major oil sites in Saudi Arabia that the administration of President Donald Trump has blamed on Iran.

"The president has approved the deployment of U.S. forces which will be defensive in nature and primarily focused on air and missile defense," U.S. Secretary of Defense Mark Esper said at a news conference Friday.

SAUDIS, ISRAEL ATTACK PRO-IRAN MILITIAS ON SYRIA-IRAQ BORDER 'Saudi fighter jets have been spotted along with other fighter jets that have attacked facilities and positions belonging to Iranian militias.'

Both Israel and Saudi Arabia have been blamed for recent air strikes targeting pro-Iranian militias in Syria near the border with Iraq, according to Arab media. The attacks resulted in a number of deaths and injuries and the destruction of weapon storage facilities and rocket launchers.

"Saudi fighter jets have been spotted along with other fighter jets that have attacked facilities and positions belonging to Iranian militias," said an unnamed source to the *Independent* in Arabic.

Iran issues 'battlefield' warning to its aggressors...

Any country that attacks Iran will become the "main battlefield"; the Revolutionary Guards warned Saturday after Washington ordered reinforcements to the Gulf following attacks on Saudi oil installations it blames on Tehran. Tensions escalated between arch-foes Iran and the United States after last weekend's attacks on Saudi energy giant Aramco's Abqaiq processing plant and Khurais oilfield halved the kingdom's oil output.

Yemen's Huthi rebels have claimed responsibility for the strikes but the US says it has concluded the attacks involved cruise missiles from Iran and amounted to "an act of war".

NEW JERSEY MAN - IRAN'S HEZBOLLAH "SLEEPER" - ARRESTED SCOUTING NYC SITES FOR TERROR ATTACKS

On Wednesday evening's Hal Turner Radio Show, we warned Americans that "Sleeper cells" with ties to Iran are already here in our country, and would likely ATTACK AMERICANS HERE AT HOME if war breaks out with Iran in the Middle East. Today we find out our worst fears are true: They're here and already scouting locations to attack!

A New Jersey man has been indicted on charges he supported Islamist militant group Hezbollah - a proxy funded by Iran - by scouting possible targets for an attack.

Police said Alexei Saab, of Morristown, NJ has been indicted in federal court for scouting locations in the city and sending information back to Lebanon, according to federal documents to be unsealed Thursday.

Iran to Now Conduct a Naval Drill With China, Russia!!!...

Iran said it will stage a naval drill with Russia and China in international waters after the U.S. announced plans to send troops to the Middle East, according to Tasnim, a semi-official news agency.

"The joint drill will be held in the north of the Indian Ocean and the Sea of Oman," The joint exercise will be the first by Iran, China and Russia in the Indian Ocean.

The announcement comes less than 24 hours after the U.S. said it would send a “moderate” number of American troops to the region and additional missile defense capabilities to Saudi Arabia in response to last week’s strikes on the kingdom’s oil facilities.

FALSE FLAG: Neocon Zionist warmongers behind missile attacks on Saudi Arabia’s oil refineries carried out to...blame Iran as well as to jack up the price of oil? But there’s much more to this plot!--Trump Administration Being Used By Israel to Wage War on Iran

State of the Nation

FALSE FLAG TERROR OPERATION: Pompeo Declares Iran Guilty of Attacks on Saudi Oil Refineries Before Any Evidence Presented

“The global geopolitical chessboard is being stealthily set up by the Neocons to trigger WW3. The Zionists are determined to take out Iran. They don’t even care that Russia and China will not stand for it. This false flag drone attack on Saudi Arabia was an obvious attempt to accuse Iran as a pretext to an American invasion. Of course, the price of oil will also spike as the CIA perps planned. The bottom line is that the warmongers have a long-range plan that looks like: Market Crash, Dollar

Collapse & World War III — Intelligence Analyst & Former U.S. Military Officer

How many times do we need to watch these transparent false flag attacks executed by Israel, the United States and United Kingdom before they are exposed as juvenile attempts to start unprovoked wars of naked aggression? Who doesn’t know by now that the Neocon Zionists are determined to start a war with Iran come hell or high water? And, that they will use any false flag operation necessary to start that war. That includes blowing up half of Saudi Arabia’s oil refining capacity.

This tribe of Neocon Zionist warmongers is totally insane—a cabal of criminally insane psychopaths to the extreme! And false accuser and frontman Mike Pompeo does not even hold a candle to most of those Neocon warmongers.

This incorrigible tribe of corrupt banksters will do whatever it takes to spike the price of oil as well! After all, it was their same Mafia that pulled off the 9/11 false flag attacks in broad daylight. See: **INDISPUTABLE EVIDENCE CONFIRMS: 9/11 was both an “Inside Job” and “Mossad Job”**

KEY POINT: With the Israeli elections looming, PM Benjamin Netanyahu will do whatever it takes to steal the election. However, this obvious false flag attack on Saudi Arabia just may produce the necessary chaos and insecurity for Israelis that they will re-elect their fear-mongering prime minister.

+2+ California Senate Passes Resolution ACR-99 Telling Christian Pastors To Stop Preaching Against The LGBTQ+P For Pedophile Ideology And Embrace It Even if Doing so Violates Their Christian Beliefs

One of the most amazing things about watching the Democratic Primaries is listening to all the demon possessed Democrats talking about how important "God is" in their daily lives. Open homosexual Pete Buttigieg talks incessantly about his Roman Catholic-lite Episcopal faith, the same faith that tells

him that God has blessed his same-sex union with his husband. My point is that biblical Christianity is considered hate speech in 2020, and it is being replaced by the B.Y.O.G (bring your own god) ideology that tells you to live anyway and every way that your black, little heart desires.

"But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God." Acts 20:24 (KJV)

The California Senate has just passed ACR-99, a resolution we told you about a few months ago, and now is state law in CA. The old sin-cursed world is no longer going to allow pastors, evangelists and street preachers to continue preaching the gospel of the grace of God openly. It needs to shut that down to make room for the end time religion of the Antichrist who is getting ready to rise. ACR-99 sets the stage to criminalize Bible preaching. And it is not just the Liberals and atheists who are welcoming the LGBTQ+P for Pedophile, it's Baptist pastors also.

Christian, you better be really, really, really sure about what you believe about the Bible, because you're about to be tested.

FROM CBN NEWS: Assembly Concurrent Resolution 99 (ACR-99) was introduced by Democratic state Assemblyman Evan Low of San Jose on June 4 as a way to gather support for LGBTQ identity and behaviors.

CBN News previously reported that more than two dozen doctors, counselors, former homosexuals, and other Christian leaders signed a letter condemning the resolution, which they said violates religious freedom.

The resolution also condemns counseling for unwanted same-sex attraction or gender confusion, known as conversion therapy.

The bill says "California law recognizes that performing conversion therapy on young persons is ineffective, unethical, and harmful. Conversion therapy has been rejected as ineffective, unethical, and harmful by leading medical, mental health, and child welfare organizations in the United States."

Several Christian leaders are speaking out against the resolution saying it infringes upon their free exercise of religion.

Russell Willingham executive director of New Creation Ministries told CBN News, "I believe ACR-99 sets the stage for future laws that will criminalize pastor caregivers like

me who provide such a resource – resources that offer an option for those who don't want what the state is telling them they must accept."

"We have actual patients and clients who have benefited from therapy to help them with their unwanted attractions. We've helped them change their lives," Roger Gannam, vice president of legal affairs for Liberty Counsel said.

The resolution also seeks to reduce the stigma that society,

therapists, and religious groups allegedly inflict upon those within the LGBTQ community.

ACR-99 proclaims that stigmatizing has caused "disproportionately high rates of suicide, attempted suicide, depression, rejection, and isolation amongst LGBTQ and questioning individuals. The State of California has a compelling interest in protecting the physical and psychological well-being of minors, including LGBTQ youth."

Supporters of the resolution assert that religious liberty does not apply here as it amounts to discrimination. They also argue that such counseling from faith-based groups is "psychological torture" and "mental health malpractice," according to *The Christian Post*.

At the same time this is all happening a BAPTIST PASTOR WROTE IN USA TODAY THAT THE BIBLE CAN'T BE TRUSTED, AND THAT THE CHURCH MUST ACCEPT OPEN LGBTQP MEMBERS IN ORDER TO SURVIVE

Teen Girls Can Now Walk Around Topless in Colorado, Thanks to 'Feminists'

A Colorado city's decision to discontinue a legal battle to bar women from appearing topless in public has effectively legalized the risqué fashion statement in six western states

Most people are not aware that the nascent campaign for women to be able to appear topless in public was started by feminists in the LGBTQ+P for Pedophile Movement in America, and now has quickly spread out to receive support from many other groups as well. So why after 6,000 years of human existence is this such a big deal? Because public nudity and open immorality are part of what life will be like in the time of Jacob's trouble under Antichrist, that's why. The Bible refers to this dark people as the 'days of Lot' when Lot lived in Sodom, so it is no coincidence that the sodomites are behind the current push to go topless.

"Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all. Even thus shall it be in the day when the Son of man is revealed." [Luke 17:28-30](#) (KJV)

Six states now allow women to be topless in public, with many more if not all of them to follow. As America doubles down on her resolve to embrace the LGBTQ+

agenda, morals are being tossed out right out the window. If any of the current Democratic candidates running for their party's nomination win in 2020, this state of immorality will proceed at a pace that will make your eyes bleed. And don't forget one thing. In all this new found sexual 'freedom' that people are embracing right now, just remember that the LGBTQ+ is going to add the "P" for pedophile to their umbrella as well. Women will now be able to go topless in Colorado, Kansas, New Mexico, Oklahoma, Utah and Wyoming because of the decision.

The 21st Century Crusades Have Commenced As the Democrats Usher In Communism While the Pope Is Ushering In Global Satanic Worship

Submitted by [Dave Hodges](#) on Wednesday, September 18, 2019

This Pope is on the record of having said he would baptize aliens & don't forget about Vatican's Lucifer telescope on top of Mt. Graham. This position, alone, should have been enough to wake up Catholics everywhere.

Did the world need any greater proof than the cover-ups that have taken place in the multiple and never-ending sexual and ritualistic abuse of our children at the hands of the Catholic hierarchy? The links between these heinous and largely unpunished, and more importantly unrepentant acts of abuse, and child sex trafficking are beginning to appear. As if this ongoing evil was not bad enough, the Pope is now organizing a modern-day set of crusades against fundamentalist Christian beliefs and those who earnestly practice them.

Do you remember when the Imams recited an Islamic prayer at the Vatican. It was clear then, that this Pope was trying to create a one-world religion. On June 6, 2015, were you aware that the Pope allowed members of the Islamic faith to pray at the Vatican and he further broadcasted the event? More Chrislam which serves to destroy the Lord's message and leads people astray.

[LifeSiteNews](#) is reporting that the Vatican (ie the Pope) is holding a thematic conference entitled 'Reinventing the Global Educational Alliance". The event consists of the Pope inviting leaders of major religions and key politicians, leaders in economics and academia to attend a meeting whose obvious intention is to destroy Christianity by combining the religions into a form of Chrislam, and this will be accomplished by signing a "A Global Pact on Education" which is a thinly veiled education policy to deceive future generations of students and will collectively turn children against Jesus Christ. The Pope even cited Hillary's work on the notion that "Takes a village to raise a child". Please allow me to remind the reader that it is not a secret that Hillary is a 4th Degree Coven Witch. Do I need to say more?

Let's connect two dots, the Pope's planned 2020 religious and educational consolidation conference and the Pope's professed allegiance to Agenda 21 and the rise of it perverted religion often referred to as GAIA.

Does it bother anyone else that this Pope is so inline with the United Nations on such issues as climate change and immigration? He further supports the United Nations Agenda 21 for education as well which is dedicated to the destruction of Christianity. Chrislam is merely a transition piece to ready the world for its one

and final religion, GAIA and education is the tool for the implementation of this Agenda 21.

Chapter 36 of Agenda 21 states that the globalists plan to “reorient” worldwide education toward sustainable development (ie the transformation of the world's economies to satanically inspired communism). Reform of the nation’s standardized objectives is merely a smoke screen for the true intent of the program which is to promote acceptance for Agenda 21 policies. Subsequently, the Agenda 21/UNESCO documents clearly state their intention to turn each student into a globalist who will accept smaller living space, residing in the stack and pack cities of the future, acceptance of drastic energy reduction and the loss of Constitutional liberties which would also include the loss of the part of the 1st Amendment related to "freedom of religion".

This is about total control of the person. IF the person can be controlled to such a tight degree, then it is easy to control the belief system and eradicate Christianity and Christians from the face of the earth.

And what will Christianity be replaced with? Anyone who has read the Agenda 21 documents in earnest understands that the replacement for Christianity has been groomed for decades, and the ultimate replacement is the pagan religion called GAIA. GAIA will ultimately replace Chrislam (that the Pope is presently installing) and will be the final step in the spiritual enslavement of the planet. GAIA changes the Christian world view significantly. Christians fundamentally believe that God gave dominion over the earth to man with the remainder of the hierarchy consisting of animal, fish, plants and finally, the earth. GAIA teaches that the earth reigns supreme followed by animal, fish, plants, and man in last place. This is a decidedly anti-human agenda. The undeniable conclusion that in the future, it is clear that your children will receive cleverly crafted lessons designed to lessen the appreciation for their own worth as a human being. This is the beginning of a spiritual enslavement paradigm which will accompany the already implemented policies of economic enslavement presently being thrust upon the American people through the acquisition of massive debt created by the globalists. When Common Core was fully implemented in 2016 and your child began being assessed on the PARCC and Smarter Balanced assessments, your child became an Agenda 21 globalist minion in training.

The Sin of Silence, Apathy and Neglect (Plus Bible Study)

by Coach Dave Daubenmire--Webster's 1828 dictionary defines sin “*To depart voluntarily from the path of DUTY prescribed by God to man; to violate the divine law in any particular, by actual transgression or by the neglect or non-observance of its injunctions; to violate any known rule of DUTY.*”

Did you know that it was possible to passively sin? Most of us have been taught through our religious upbringing that sins are something that we actually commit. When we lie, or steal, or engage in sex outside of the bounds of marriage we have an understanding that we have engaged in, committed, a sin by our actions.

All sinners understand that and the more we sin the more seared our conscience becomes. Soon, we find ourselves engaging in fornication regularly but are not bothered by the clear violation of our conscience. Once our conscience is seared, or hardened, we become much more comfortable in our active violation of those standards with which we have been raised.

A seared conscience makes one helpless in the face of mounting temptation. The only way to be able to turn from sin is by a conscious decision to say “NO” to the temptation. This requires the infilling of The Holy Spirit.

My mother always said to me “let your conscience be your guide,” and it worked perfectly until my conscience began to become dull. Overwhelmed by temptation and without the ability to combat it, I found myself doing a lot of things that I would never want my mother to know I did.

How many times have you done something that you knew that you shouldn't do and found yourself sliding down a trail you never intended to get on in the first place? Sin makes for a slippery foundation.

But the Christian world is slow to criticize one of the most dangerous of sins. The sin of OMISSION is just as evil and just as destructive as any other carnal sin that you may find yourself engaging in. However, the sin of OMISSION is not as easily recognizable because it is not as blatantly obvious.

Get in a religious discussion today (if that is even possible in this greasy-gracy world we live in) and you will find that most people still understand the notion of sin, but are quick to rationalize WHY their particular sin was not as diabolical. Justification of sin is the heating of the hot iron that will eventually cauterize the guilt from the clearly sinful actions.

The road to hell is paved with good intentions...

But it is the sin of OMISSION that is just as deadly in today's world. The idea that, as the Bible teaches, to know to do good AND NOT TO DO IT, is also sin. This willful silence is the American Church's greatest failure.

Just this week 2246 “fetal remains” were discovered in the home of a paid assassin in South Bend, Indiana. It seems a mass murderer masquerading as a doctor had accumulated a strange collection of dead human beings in his home that were discovered after his own death. The horror was not that he had killed 2246 human beings, but that he was ghoulish enough to keep them in his home...much like a deer hunter does with a set of antlers. And just what are “fetal remains?” Would that be toes, or fingers, or ears, or 2246 complete and distinct people? Thank God most “good” abortionists only murder babies and sell their bodies for research.

You probably haven't read much about it because the media would not like to awaken your conscience. But what if it had been 2246 born children? Or illegal immigrants? Or school children? Or puppies? Why does the slaughter of 2246 unborn children not horrify every Christian in America? Why are not pastors leading their congregations into the streets and demanding the end to this carnage? Their silence like a cancer grows...

It seems we are more outraged that he took the babies home for his collection than we are that he killed them. Seared consciences, cowardice and compromise are the new unholy trinity.

Don't we understand that silence is consent and that our silence permits sin to spread like a black mold? Can't we recognize the fact that God placed His Spirit IN us to destroy the forces of darkness? 1Jo 3:8 *For this purpose the Son of God was manifested, that he might destroy the works of the devil.*

Sin, in all of its forms is destructive. Look at the "fetal remains" littering this once great nation.

You see, it is not the LGBT-P that is destroying this nation, but rather the acceptance of it (primarily by the church).

Psalm 94:16&20: "Who will rise up for me against the evildoers? or who will stand up for me against the workers of iniquity?... Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law?"

Titus 1:15b-16: "...unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled. They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate.

II Corinthians 11:13-15: For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

Jer 23:1 Woe be unto the pastors that destroy and scatter the sheep of my pasture! saith the LORD.

Jer 23:2 Therefore thus saith the LORD God of Israel against the pastors that feed my people; Ye have scattered my flock, and driven them away, and have not visited them: behold, I will visit upon you the evil of your doings, saith the LORD.

Jude 3&4: "Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints. For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ."

John 9:4: "I must work the works of him that sent me, while it is day: the night cometh, when no man can work."

I Timothy 4:1&2: "Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies in hypocrisy; having their conscience seared with a hot iron..."

Matthew 12:37: "For by thy words thou shalt be justified, and by thy words thou shalt be condemned."

Proverbs 17:15: "He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD."

Isaiah 5:20: "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!"

The US Supreme Court did not destroy marriage; marriage was on the ropes long before that. The legalization of no-fault divorce ushered in the tsunami of alternative marriages. The church's acceptance of such marriages opened the floodgates

and the deluge washed away the natural family.

Every great moral evil that has cascaded down on the American society met very little resistance from the Christian clergy who had been called to stop it. The SCOTUS removed prayer from our schools and the church did little to stop it. They removed the Bible from the schools and mum was the word. Abortion, removal of the 10 Commandments, and the destruction of marriage roared over the hill like Niagara Falls with only a cursory complaint from most men in the pulpit. Exposing evil is the DUTY of Christians.

Every evil enveloping us today was done with the approval and acceptance of the majority of the American Church.

Silence is consent. Consent with evil is cowardly and treasonous to Christ.

America is paying a heavy price.

The American pastorate has traded their black robes for yellow ones. Silence isn't golden. Silence is yellow. Silence is sin.
