**+1+ California declares statewide emergency: More than 180,000 people ordered to flee their homes as 'historic, extreme winds' continue to fan fires, and power is shut off to 2.3 million people to prevent it spreading**

- **California Governor Gavin Newsom of California declared a state of emergency on Sunday**

- It came after around 180,000 people was ordered near a Northern California wildfire on Sunday
- That order was issued after the state's largest utility, PG&E, shut power off to 940,000 homes
- By Saturday night, 90,000 people had already been ordered to evacuate. The order encompasses a huge swath of wine country
- The expanded evacuation order now covers parts of Santa Rosa, a city of 175,000 that was devastated by a wildfire two years ago
- Some gusts this weekend could reach up to 80mph and could lead to 'erratic fire behavior', officials warned
- PG&E said the new wave of blackouts started Saturday evening, affecting 38 counties for 48 hours or longer
- Gov. Newsom said Saturday: 'The next 72 hours is going to be challenging. I can sugarcoat it, but I'm not'

**OPERATION TORCH CALIFORNIA: Hard Evidence Proving Wildfires Started by Arsonists (Videos)--New World Order Globalist Cabal Throws More Fuel On The California Wildfires--Geoengineered California Firestorms Triggered by Deliberate Acts of Pyro-Terrorism (Videos)**

State of the Nation As expected and predicted, the California Fall wildfire season was “exploded” with geoengineering precision and pinpoint arson attacks. For those uninitiated in the convoluted workings of the complex criminal conspiracy behind these intentional acts of pyro-terrorism, the following exposé provides the necessary background and history:

**CA POWER SHUTDOWN: “First they predict the fires, then turn off the power, then start the fires, next they spread the fires....”**

Every resident of California ought to be deeply familiar with the well-established dynamic expressed by the preceding post title. Likewise, every person traveling through the now charred *Golden State* should know exactly where they are going to and staying regarding the targeted areas that are being burned down on purpose by this state-sponsored criminal conspiracy. *Your life may depend on it!*

What follows is a video of just one wildfire site in Northern California that was just arson-attacked by a fire-triggering DEW\*. Below the video is a screenshot which shows the size of that conflagration relative to the California coastline.

\*DEW = Directed Energy Weapon

**50 miles wide! (Video)**

For a better frame of reference, the following map of Northern California indicates the area of this particular conflagration in Mendocino County (indicated above), which is west of Sacramento and just east of the coastline where it juts out into the Pacific.

## **+2+ THEY DONT WANT YOU TO SEE THIS! WIND WEAPONS**

**WEATHERWARFARE—US Government Openly Admits It has Had Weather Warfare Technologies For Many Decades!!**

**Play to 4:11:** <https://youtu.be/GMLmUOoaofg?t=41>

- **Senator Claiborne Pell, US Senate Intelligence Committee member, commenting on a USA/USSR treaty signed in 1978 said:**

"Now that **we can control** the weather, create earthquakes and tidal waves and use it as a weapon of war we do not need a treaty."

### **So what treaty was this Senator in reference to?**

- "The Convention on the Prohibition of Military or Any Other Hostile Use of **Environmental Modification Techniques**"
- This government treaty is currently posted online at the "U.S. Dept. of State" website at: <http://www.state.gov/t/ac/trt/4783.htm>
- This treaty was Signed in Geneva, Switzerland on May 18, 1977, and Entered into force October 5, 1978

- **Quoting from the first and second paragraphs of this treaty we read:**  
 "Use of **environmental modification techniques** for hostile purposes does not play a major role in military planning at the present time (1977). Such techniques **might be** developed in the future, however, **and would pose a threat of serious damage unless action was taken to prohibit their use...**

- "...In **July 1972** the U.S. Government renounced the use of **climate modification techniques** for hostile purposes...Both the **U.S. Senate and the House of Representatives held hearings**, beginning in 1972, and the Senate adopted a resolution in 1973 calling for an international agreement **prohibiting the use of any environmental or geophysical modification activity as a weapon of war...."**

- Now the word “**geophysical**” is defined as “The physical processes and phenomena occurring especially in the earth.” **This would include processes like earthquakes, volcanoes & tidal waves.**
- So in other words **the government has possessed technology to manipulate both climate and geophysical (earth) patterns for many decades.** 
- **Bill Schneobelen-Prophecy Club Russia's Secret Weapon To Defeat USA**

- **CHINA LAKE WEAPONS DIGEST**

- Here it is appropriate to quote ex **Defense Secretary William Cohen**, who on April 28th 1997 said, “...Others are engaging even in an eco-type of terrorism whereby they can alter the climate, set off earthquakes, volcanoes remotely through the use of electromagnetic waves.” Conference on Terrorism, Weapons of Mass Destruction and U.S. Strategy; University of Georgia, Athens 
- **Further Weather Modification Evidence:**

Kincade, CA offers the kind of low-density population locale and type of terrain for wildland fires that the *New World Order* globalists are dead set on burning out and burning down, respectively.

**“California is using the “Firegeddon” meme to fear-monger, and terrorize red county residents off their land. First they predict the fires, then turn off the power, then start the fires, next they spread the fires.... Yes, there’s much more to this power shutdown, but that’s the gist of it.”**

— **Intelligence analyst & Former U.S Military Officer**

Here’s how they first geengineer the most conducive conditions in which to start the ‘wildfires’, and then widely proliferate them with a pyromaniac’s vengeance.

Atmospheric Aluminum via Chemtrails,  
 HAARP Frequencies,  
 Weaponized SMART Meters,  
 Specific EMFs Disseminated from  
 Cellphone and Microwave Towers,  
 Localized 5G EMP,  
 Directed Energy Weapons Fired from Drones,  
 Satellites, Air Force Aircraft, Naval Ships,  
 Arsonists Disguised as Firefighters,  
 Fire-starting Incendiary Devices,  
 Gross Mismanagement of California Forests,  
 Overloaded PG&E Power Lines, and Other Geoengineering and  
 Weather Modification Techniques Are All Used in a Highly Coordinated Fashion  
 to Fabricate a Very Conducive Environment for Isolated Firestorms to be  
 Triggered and then Spread like Wildfire in Targeted Communities Throughout  
 California

**KEY POINT:** Not only are there prepositioned fire accelerants strategically placed  
 throughout these arson crime scenes, the heavy spraying of chemtrails widely  
 disseminates one of the most powerful accelerants—chemically mobile aluminum. See:

The Rothschilds MOB City of London Criminals owns all the HORSES in the elections. Remember the parties and the MEDIA are just the SOAP OPERAS to drain our energies and DIVIDE AND CONQUER Americans! Like 911 the Rothschild's had this election in the bag all the time. It is time for Americans to UNITE, drop the cowardly lion routine and cut off the head of the snake! The inner circle is around a dozen criminals and if eliminated could provide some short-term relief, but the entire cabal is in the thousands covering university think tanks, as well as Government think tanks, and a criminal Corporate Class that also must be rooted out to save humanity. Once the awareness is there, this MOB's members are easily dealt with, in a manner of our choosing.

The Presidential Election Flipping of 2016 proves NO ONE can reach the Oval Office without Rothschild's blessing. The Rothschild MOB made elections a scam with their media controlling TV appearances, campaign managers, trainers, coaches, peroxided panelists and stage-managed off-the-peg questions and answers.

**Hi friends, A warning to those who may go into hospital for minor procedures.**

**One of my work mates recently went in to hospital to get a benign lump out of her breast. When she was discharged from hospital the doctor informed her that he put a chip in. My chin nearly hit the floor with shock. I suggested that she go back to the doctor and demand it to be taken out at their cost as it should never have been put in without her permission. So be careful when you go into hospital. You may have to tell them...no chip! Otherwise they may just put one in.**

You see this? What truth is there to this? More importantly, what can you do to stop them?

Published on Nov 9, 2012

A must see video/radio interview by ICAACT leaders Lars Drudgaard and Jesse Beltran, HD-version. Do not hesitate to share, like and distribute this video to everyone.

**Implants do not only have tracking capabilities, but they also have the ability to affect, monitor and change the carrier's brain functions and biological functions, to a degree that it can only be compared to torture. The torture can lead to death or suicide.**

Lars Drudgaard and Jesse Beltran are interviewed by a Dutch radio host in Brussels October 5. They talk about the work of ICAACT, **which involves finding factual evidence of implants in the victims' bodies. An important part of this is to scan the victims for Radio Frequency emissions from their bodies. Another is to be of help to victims when they interact with doctors or authorities, who are prone to claim (without doing any investigation) that the victim suffers from a psychological disorder. ICAACT helps victims to prove these professionals wrong, & also to help them deal with this "new type" of problem in today's technologically advanced society. Traditional treatments and diagnosis might be obsolete in some cases.**

Lars Drudgaard talks about the development of **these chips and their use on prisoners, a little bit about old CIA experimentation documents.**

Jesse Beltran talks about the **very specific places on the human body where RF is emitted, suggesting that the implantation of many individuals isn't random.**

Both Beltran and Drudgaard speak about how the implants work, **using changing magnetic fields that power them up, and also a bit about the different types of implants that now exist and that are constantly becoming smaller and smaller, more difficult to find, Another subject is how these implants can be easily introduced in the human body and the fact that some people only emit a radio frequency from a specific spot on their bodies, where they either had an operation done or the flu vaccine.**

**Vaccines now being used to harvest biometric identities of everyone; Big Brother merges with Big Pharma**

October 23, 2019 ([Natural News](#)) **It's all happening, just as we predicted. Big Pharma is officially partnering with the tech industry to pair "immunization" with digital biometrics, meaning humans will soon be microchipped, tracked, and ultimately controlled through a**

The ID2020 Alliance, as it's being called, is a digital identity program that aims to "leverage immunization" as a means of inserting tiny microchips into people's bodies. In collaboration with the [Global Alliance for Vaccines and Immunizations](#), also known as GAVI, the government of Bangladesh and various other "partners in government, academia, and humanitarian relief," the ID2020 Alliance hopes to usher in this mark of the beast as a way to keep tabs on every human being living on Earth.

Similar to how cattle are marked with ear tags, this globalist alliance wants all humans to be "vaccinated" with digital tracking chips that will create a seamless monitoring system for the New World Order to manage the populations of the world with ease.

"We are implementing a forward-looking approach to digital identity that gives individuals control over their own personal information, while still building off existing systems and programs," says Anir Chowdhury, a policy advisor at a2i, the Bangladesh government's "Access to Information Program."

"The government of Bangladesh recognizes that the design of digital identity systems carries far-reaching implications for individuals' access to services and livelihoods, and we are eager to pioneer this approach," he adds.

For more related news about the coming one world government and its biometrics component, be sure to check out [PopulationControl.news](#).

ID2020 microchips are also being "vaccinated" into the bodies of homeless people in Austin, Texas

While the ID2020 program's testing grounds are primarily in the Third World, the group says it's also now working with governments here in the United States to start microchipping homeless people through vaccination.

In Austin, Texas, for example, the homeless population is now being exploited as a collective guinea pig for ID2020's microchip vaccination program, which the group claims will help to "empower" homeless people by supposedly giving them "control" over their personal identity data.

"The City of Austin, ID2020, and several other partners are working together with homeless people and the service providers who engage with them to develop a blockchain-enabled digital identity platform called MyPass to empower homeless people with their own identity data," writes Chris Burt for [BiometricUpdate.com](#).

ID2020 is also jabbing refugees with its microchip vaccinations through two inaugural pilot programs known as iRespond and Everest. According to reports, iRespond has "improved continuity of care" for more than 3,000 refugees receiving drug treatments for chronic illness. Everest, on the other hand, has "assisted with the provision of access to critical energy subsidies and a range of additional services with secure and user-centric digital identities without relying on a smartphone," Burt writes.

All of this is priming the public for an eventual *mandate* of microchip vaccinations, which will be required for every individual in order to buy and sell goods. Chowdhury openly admitted this in stating that digital identity systems will be necessary for "individuals' access to services and livelihoods."

In other words, the Bible is right: A global identification system is in the works that will eventually be required for people to function in society, and ultimately

survive. Without these microchips in their bodies, people won't be able to work, let alone eat, and it's all happening right before our very eyes. Keep in mind that ID2020 is a part of the so-called "REAL ID," which will soon be required for those who wish to travel. REAL ID will also be used as a backdoor method of implementing mandatory vaccination policies for adults.

**Vaccine industry now running provocateur false flag ops with fake blood to generate headlines painting "anti-vaxxers" as violent terrorists**

Monday, September 16, 2019 ([Natural News](#)) Remember the Disneyland measles outbreak from a few years ago? According to numerous sources who analyzed the timing of events; that was actually false flag operation run by the vaccine industry. They literally incubated measles tissue in low-tech labs then ran around Disneyland smearing measles materials on all the railings and surfaces in order to cause a pandemic. Meanwhile, California State Senator Richard Pan was openly bribed by Big Pharma to have SB 277 ready to roll out, calling for vaccine mandates in the aftermath of the Disneyland outbreak.

It was all staged. The infections were real, but it was *caused* by the vaccine industry in order to achieve a political purpose.

Now, the vaccine industry has pushed another false flag psyop in California, dropping a provocateur into an "anti-vax" protest with instructions for her to assault California lawmakers with fake blood. (It wasn't actually blood, but the media never reports that.) This gave CNN and other pharma-controlled news networks the narrative they needed to paint all vaccine skeptics as violent nut jobs. In truth, it's the vaccine industry that routinely commits violence against infants and children, causing millions of children to be brain damaged, made autistic, hospitalized or even killed in America.

As Breitbart.com reports, [a California woman has been arrested after throwing what she pretended was menstrual blood onto state senators in Sacramento:](#)

*[A woman] was taken into custody after she tossed a menstrual cup, which she said was filled with blood, from the public gallery as senators finished taking a vote at about 5:14 p.m. Notably, even Breitbart got the headline wrong, claiming the woman was*

arrested “for throwing menstrual blood” on Senators. But it wasn’t menstrual blood at all.

State Senators and the left-wing media took this opportunity to paint all “anti-vaxxers” as violent terrorists, in precisely the same way they paint all gun owners and Trump supporters as terrorists.

Here’s the thing: The woman apparently isn’t known by anyone who opposes vaccines... she was a plant, witnesses believe

We checked with our contacts in the vaccine truth movement in California, and no one has ever seen this woman before. She’s not part of any known vaccine truth group or movement, according to our sources.

She was spotted at the event, though, by observant vaccine skeptics who noted that something was wrong with the woman:

*I saw her on Wednesday. She appeared high on drugs. Nobody knew who she was. She was mumbling and trying to agitate people. Hype people. She’s an AGENT. Provocateur government.*

Although not yet proven, it is widely believed among vaccine truth advocates that this protester was likely a provocateur put there by the vaccine industry to carry out this false flag attack so that the media could paint all “anti-vaxxers” as lunatics.

Natural News has also learned that **there are 2-3 other moles working to infiltrate the “anti-vaxxer” movement** and stage similar acts of violence in order to discredit the movement.

It works for gun control, after all. Stage a few school shootings, kill a lot of real children and then claim all gun owners are violent people. Now, the vaccine industry is using the same tactic by staging assaults on legislators, then pointing the finger at vaccine skeptics.

Natural News has learned that the “blood” used in the so-called attack wasn’t blood at all. But the media refuses to report that fact. And the so-called “feminine hygiene” object that was said to contain the blood was nothing more than a fruit cup, according to sources. In fact, the entire episode smacks of being staged for the cameras (and to push Big Pharma’s narrative).

**Nothing you see in the media is real. It’s all staged. It’s all designed to push a narrative and demonize the opponents of the depopulation pushers who are actively using vaccines to cause widespread infertility and annihilate humankind. The vaccine agenda is an agenda of mass genocide and murder, but of course it’s all hiding behind a veil of “saving children,” even as vaccines destroy the lives of millions of children every year around the world.**

Want to know the truth about the depopulation agenda that seeks to annihilate humanity through vaccines, pesticides, fluoride, geoengineering and terraforming? See the new website [OblivionAgenda.com](http://OblivionAgenda.com), which features video lectures revealing the truth about the agenda to annihilate humankind.
