**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov'd are made manifest by the light:** for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest,** and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly,** not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not ignorant of his devices.**"

**II Chronicles 7:14:** "If **my people,** which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Psalms 101:3:** I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

**Psalms 11:5:** The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

**1 Cor 15:33:** Be not deceived: evil **communications** corrupt good manners.

## “Communications”: companionship, communion

God is in Control--2 Kings 6:14-18

**2Ki 6:14** Therefore sent he thither horses, and chariots, and a great host: and they came by night, and compassed the city about.

**2Ki 6:15** And when the servant of the man of God was risen early, and gone forth, behold, an host compassed the city both with horses and chariots. And his servant said unto him, Alas, my master! how shall we do?

**2Ki 6:16** And he answered, Fear not: for they that be with us are more than they that be with them.

**2Ki 6:17** And Elisha prayed, and said, LORD, I pray thee, open his eyes, that he may see. And the LORD opened the eyes of the young man; and he saw: and, behold, the mountain was full of horses and chariots of fire round about Elisha.

**2Ki 6:18** And when they came down to him, Elisha prayed unto the LORD, and said, Smite this people, I pray thee, with blindness. And he smote them with blindness according to the word of Elisha.

**With gun sales now going through the roof as the Politicians show their true gun-grabbing colors and as Americans prepare to defend their loved ones and families against whatever kind of insanity or tyranny might be unleashed in America over the next 2 to 5 years; we must remind you that according to the globalist sourced website Deagel.com, by the year 2025, America's population will be less than 100 million people. Let that sink in for a moment. While America's population in 2017 was approximately 327 million, according to a website that uses as its sources the CIA, the US Department of State, the US Department of Defense, the World Bank and the European Union as seen in the image below, America's population by 2025 will only be about 100 million. What does**

**Deagel know that we don't know? Their numbers also forecast America's financial destruction by 2025.**

**While Deagel's explanation for their bizarre forecast which you can read here emphasizes that America is about to be hit by "a confluence of crisis with devastating result".**

**One Million UN Troops Are In Place to Execute a Coup Against the United States- Military Reserves Being Called Up!**

**From Steve Quayle's Deep Cover Source--In mid-morning, Paul Martin contacted me with an incomplete report from our mutual friend, John Moore. John's trucker neighbor had just reported to him that while driving his truck that day, he encountered heavy movement of massive UN combat vehicles. While Paul was busy chasing down the leads on this topic, I began to receive reports from around the country which clearly indicated that a massive movement of both American military personnel and equipment as well as massive amounts of UN military personnel and equipment were underway.**

Subsequent to the Martin/Moore and scattered reports, **Steve Quayle's top source for intel released information to Steve that he shared with select people. The following is a reflection of the UN threat that now exists on our soil.**

I have been unable to contact **Steve Quayle** to discuss the revelations that he sent to me by email. I would copy and paste but I fear exposing a source because of the possibility of back-tracing the communications. Subsequently, I am going to summarize the major findings.

**The is a force of 750,000 to 1.2 million UN soldiers with equipment on American soil...**

**Most of the UN troops were originally spotted in geographic areas associated with Trump political support. The anticipation was that something is going to happen to the President that will put angry citizens on the street and the UN troops will be there waiting for them. (Editor's Note: Please note that this is the unfolding of the dreaded Kigali Principles I have been warning American citizens about for over three years. Obama signed these documents in December of 2016, just prior to leaving office. It grants the UN the authority to enter the United States to restore order in their image. In other words, this is a coup and a potential civil war at the same time).**

**Steve's source stated that many of these troops are now settled into known FEMA camps (Editor's Note: In the next part in this series, we will discuss what we can expect, in detail from FEMA camps, under UN rule. If one would like to get out in front of this material, go to the search engine of The Common Sense Show and put FM 39.4 into the search engine along with FEMA camps) and one will quickly see that these camps will be manned by foreign (UN) troops!).**

**Steve Quayle's revelations are more detailed, but the above captures the main idea of the severity of the threat. Off handedly, there is substance for the apparent paranoia of Dave Hodges, Paul Martin, Paul Preston and Steve Quayle. President Trump is mobilizing the reserves and this information is official and very public.**

**By the way, Do you recall when AOC recently called for the UN to police the border? I could go on and on, but I think you get the idea. This is a well-orchestrated plot that is now surfacing because Hillary Clinton, or any other Democratic Communist can win the presidency.**

**Civil War seems inevitable at this point. What I would like to know is how these UN troops got into the United States. I suspect, it is as I reported during the last Central American invasion, in that the UN was entering the US along with immigrants. I also reported that the UN asserted their authority over the border and facilitated, over the objections of the Border Patrol, the entry of gangs of MS-13 assassins into the heartland of America.**

**More to the point, Trump is mobilizing the reserves in response to the UN threat. All the naysays are now about to choke on their collective gum. Here is the public proclamation which brings in the Reserves in this country.**

**We are at war ladies and gentlemen. Here is an excerpt from the Marine Corp document that calls up the Reserves for domestic deployment.**

**+2+ U.S. Marines reserve units activated for "emergency within the United States" which "will come with little warning" – cites "threats in the Homeland"**

**[BREAKING NEWS: UNITED STATES MILITARY RECEIVES ORDERS ON DEPLOYMENT \\*\\*\\* WITHIN USA \\*\\*\\* TO ASSIST CIVIL AUTHORITIES](#)**

Things just got incredibly serious here in the United States. With widespread talk of "Civil War" potentially breaking out in America, the United States Marine Corps was issued the signed ORDER, shown below, on deploying inside the United States to assist civilian authorities in event of an "emergency."

This is the first tangible proof that people inside FedGov are extremely concerned about events taking place inside the country; and what may develop here in America. There are also rumors of a financial collapse potentially happening which would see government implode on its own debt. If that took place, government could no longer fund welfare and food stamps, and THAT could also trigger widespread troubles.

Right now, all this is speculation. I am endeavoring to get facts.

Read now, the ORDER signed yesterday, October 3, 2019 covering deployment of US Marines to assist civil authorities:

<https://haltturnerradioshow.com/index.php/en/news-page/news-nation/breaking-news-united-states-military-receives-order-on-deployment-within-usa-to-assist-civil-authorities>

BREAKING NEWS UPDATE concerning a directive involving the United States Marine Corps reserve units via MARADMINS number 550/19, signed on Oct. 3, 2019, authorized by Brigadier General Daniel L. Shipley, Director, Manpower Plans and Policy.

Notably, Brigadier General Daniel L. Shipley was nominated by President Trump for the rank of major general, according to a Jan. 16, 2019 [Defense.gov press announcement](#). Before serving in his current role, Shipley served as the deputy director, Program Analysis and Evaluation, Department of Programs and Resources for the U.S. Marines.

This new order is summarized as, "MARINES ORDERED TO ACTIVE DUTY ISO DEFENSE SUPPORT OF CIVIL AUTHORITIES." (The term "ISO" means *In Support Of*.) ([See full text of the order here.](#))

Note: There is disinfo being circulated about this order, claiming it was cancelled, but the cancelled order is 300/14, not 500/19. In fact, this new order 500/19 replaces a lot of previous orders, reestablishing the urgency of the situation and making sure any action to defend the Homeland is authorized by orders that are in good standing.

Many observers are concerned that with Democrats like [Rep. Tlaib openly talking about which prisons to use for imprisoning President Trump and his cabinet](#), and with [Hillary Clinton positioning herself to run for president](#), and with the [IG's FISA abuses report set to drop in a few weeks](#), the deep state Democrats have reached a point of desperation where they may attempt to initiate a "hot coup" (kinetic engagement, arrest or execution of the President and his Cabinet) to avoid going to prison themselves.

**This Abominable Chart Should Destroy Globalism And Launch The Biggest Tax Protest In America Since The Boston Tea Party - Americans Are Financing Globalism To A Tune Of Over \$50 Billion Every Year!**

2020 budget that US foreign aid money only makes up 3% of our total budget expenses (under 'State and International' - \$43 billion), that amount is still nearly as much as the \$44 billion we spend on financing our Housing & Urban Development Department and MUCH more than we spend on the Department of Energy and TWICE AS MUCH as we spend on each of the following US Govt Department's: Transportation, Justice and Agriculture. So when American roads are falling apart due to massive potholes and disrepair and our nation's infrastructure falls apart while our food supply dwindles, we should think about just how much money paid by the US taxpayer is being sent overseas to government's run by dictators who'll do who knows exactly what with it.

And an interesting side note to this chart and a recent ANP story. With our Department of Defense's proposed 2020 budget set at \$718 billion, 57% of all of our outgoing expenditures, Deagle's forecast for America having a military budget of ONLY \$32 billion by the year 2025 should open some eyes! As we had asked in this October 1st ANP story, "what does Deagle know that we don't know?" Deagle clearly forecasts 'the collapse' ahead, and likely by the year 2025, that most still refuse to see.

So with America spending more on propping up government's overseas and dictators who'd rather see Americans dead than alive than we do on many of our own internal US government departments as seen in the graphic from the National Priorities Project above, it's easy to see how Americans are getting the short end of the stick, especially when they're paying more money towards taxes yearly than food, housing and other basic necessities.

### Where Do Your Hard Earned Tax Dollars Really Go?

If you think the IRS is lawful & that your Income Tax goes to running the United States watch: **America: Freedom to Fascism:**

<http://www.youtube.com/watch?v=O6ayb02bwp0>

And where do the income taxes that are collected actually go? In 1982, President Ronald Reagan formed The President's Private Sector Survey On Cost Control, an independent panel of 160 of the country's top business leaders headed by Peter Grace and known as The Grace Commission, in order to find ways to cut federal spending.

In their report submitted to President Reagan on January 15, 1984, this blue-ribbon panel stated the following, quoting directly from page 12 of their report: "Resistance to additional income taxes would be even more widespread if people were aware that one-third of all their taxes are consumed by waste and

**inefficiency in the Federal government** as previously identified. With two-thirds of everyone's personal income taxes wasted or not collected, **100% of what is collected is absorbed solely by interest on the federal debt ... in other words, all individual income tax revenues are gone before one nickel is spent on the services taxpayers expect from the government.**"

#### **More Facts Regarding the IRS:**

- 1. The IRS is not a U.S. Government Agency. It is an Agency of the IMF.** (*Diversified Metal Products v. IRS et al. CV-93-405E-EJE U.S.D.C.D.I., Public Law 94-564, Senate Report 94-1148 pg. 5967, Reorganization Plan No. 26, Public Law 102-391.*)
- 2. The IMF is an Agency of the United Nations.** (*Blacks Law Dictionary 6th Ed. Pg. 816*)
- 3. The U.S. Has not had a Treasury since 1921.** (*41 Stat. Ch.214 pg. 654*)
- 4. The U.S. Treasury is now the IMF.** (*Presidential Documents Volume 29-No.4 pg. 113, 22 U.S.C. 285-288*)

**What's the big deal about the Fed? For starters, it's not (contrary to popular belief) a part of the government. It's privately owned...which means the United States does not control its own money supply.**

**The Fed was created around the same time that the US adopted such charming practices as taxing the income of working people and conscripting its citizens against their will to fight and die in overseas wars. Who really rules America? It's not who you think.**

#### **Federal income tax exposed as theater: Why the government doesn't really need your tax dollars**

(NaturalNews) It's tax season again, and much of the U.S. population is busy filling out tax forms to send their hard-earned money to Washington. The crazy thing about this bizarre ritual is that it's based on a myth: the U.S. government doesn't need your tax dollars to fund its operations at all!

In this latest episode of *Awakenings*, I explain exactly why **the government doesn't need your money** and why the tax code is actually a system of **social engineering** rather than revenue generation.

[Click here to watch the short video now](#), covering:

- **Why the idea that your tax dollars are needed to fund the government is a myth.**
- **How the federal government can -- and does -- create trillions of dollars out of nothing when it wants to (for bailing out wealthy banks).**
- **Why the real purpose of the IRS tax code is to exist as a tool of social control where behaviors can be punished or rewarded by lawmakers and special interests.**

- How money is created as a debt burden against the People.
- Why the federal income tax could be abolished overnight -- and the government would never run out of money.
- How abolishing all federal income taxes could revolutionize the U.S. economy and create millions of jobs, supporting small businesses, local jobs, investment, savings and more.
- How to government is already creating over \$1 trillion a year in new money that's handed over to wealthy banks and injected into the economy.

-----  
 One of the last things John F. Kennedy did before he was assassinated was declare his intention to reform the central banking system of the United States. No connection between these two events?

**Congressman Louis McFadden, Chairman of the House Banking and Currency Committee from 1927-33, opposed the Federal Reserve System. There were three reported attempts on his life before he finally died of "heart failure."**

Here's what he said about the Federal Reserve from the floor of Congress:

"Mr. Chairman, we have in this Country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks, hereinafter called the Fed.

**The Fed has cheated the Government of these United States and the people of the United States out of enough money to pay the Nation's debt. The depredations and iniquities of the Fed has cost enough money to pay the National debt several times over.**

This evil institution has impoverished and ruined the people of these United States, has bankrupted itself, and has practically bankrupted our Government. It has done this through the defects of the law under which it operates, through the mal-administration of that law by the Fed and through the corrupt practices of the moneyed vultures who control it."

**ABC, CBS, NBC, MSNBC, NPR, PBS All Refused to Cover Abortionist Who Kept 2,246 Aborted Babies**

**The grotesque nature of abortion and the industry that profits from it is routinely hidden by the national press beneath a gauzy layer of rhetorical blather about a "woman's right to choose." It's drummed into the public daily: Abortion is a precious civil right, a sacrament of feminism, not really death, let alone murder.**

But look no further than the discovery of more than 2,200 dead babies in the Illinois garage of a recently deceased abortionist named Ulrich Klopfer. They told us Dr. Kermit Gosnell was one of a kind in his creepy storage of dead-baby parts in jars. It turns out he was a piker. Klopfer stored each “fetus” in a plastic bag full of medical-grade preservative, put them in boxes – more than 70 boxes, from the garage

floor to the ceiling.

Indiana’s Attorney General reports that records indicate these babies lost their lives between 2000 and 2002, when Dr. Klopfer operated three abortion clinics – in Fort Wayne, Gary, and South Bend. One man told Fox News that his mother, who was Klopfer’s neighbor, always wondered what was in all those boxes. Only Fox News cared about this revolting story. CNN gave it 30 seconds on a weekend, and *The New York Times* offered one story deep inside the paper on page A-22. ABC, CBS, NBC, MSNBC, NPR, PBS? The same networks that wailed for hours about the inhumanity of illegal migrant “kids in cages” had no interest in something a thousandfold more horrific.

**CODENAME ALASKA: Planned Parenthood Opens An 18,000 Sq. Ft. Built In Secret 'Mega-Clinic' Capable Of Performing Over 11,000 Abortions Per Year**

Planned Parenthood just opened a massive new abortion facility in Illinois that is capable of cranking out a minimum of 11,000 abortions per year, and like all criminals they worked under the cover of darkness, laboring night and day in secret. They called it 'Codename: Alaska', and it is now one of the largest abortion facilities anywhere in the country. Planned Parenthood said they expect to 'start operations' (meaning mass murder of babies!!) in the next few weeks. The Nazis had cute little codenames too when they wanted to discreetly refer to the wholesale slaughter of the people they were 'processing'.

*"And thou shalt not let any of thy seed pass through the fire to Molech, neither shalt thou profane the name of thy God: I am the LORD." Leviticus 18:21 (KJV)*

We have arrived in a day and time, the biblical last days foretold in prophecy, where evil would rise and the power of darkness would envelope the land. The Planned Parenthood facility here brags about how many they can 'process' per day, and that they are willing to kill babies up to 6 months old. And those are the 'selling points' of how 'efficient' their new death camp is. And you thought the Nazis were cold blooded, if they were still around and watching Planned Parenthood, they would be asking them for pointers.

Planned Parenthood has been building a secret abortion "mega-clinic" in Illinois  
**FROM CBS NEWS:** The new location is just 13 miles away from Missouri's last remaining abortion clinic, a facility in St. Louis fighting to keep its license. Since August 2018, Planned Parenthood has used a shell company to construct the facility, leaving no public trace that the former medical office would become one of the largest abortion clinics in the country.

**Colleen McNicholas**, the chief medical officer of Planned Parenthood of the St. Louis Region and Southwest Missouri, **said the facility was built in secret to avoid protestors and delays.** Other Planned Parenthood projects had run into problems once the public realized the construction was for an abortion provider. In one instance, a communications company had refused to install telephone and data lines; in another, a cabinet maker never delivered an order, McNicholas said. In

Birmingham, Alabama, protestors targeted Planned Parenthood's suppliers, flooding their social media accounts with fake negative reviews.

"Our supporters, **our patients (they mean the future dead babies and childless mothers!!)**, the board, **everyone is so committed to the mission of being present in Missouri and taking the responsibility to provide access to abortion for Missourians in the place they live,**" she said. **"Although I am confident it will be a fight, we will continue to show up to that fight."**

"We were really intentional and thoughtful about making sure that we were able to complete this project as expeditiously as possible because we saw the writing on the wall — patients need better access, so we wanted to get it open as quickly as we could," McNicholas said during an interview with CBS News.

### THE NEGRO PROJECT: FAR LEFT LIBERALS ARE SILENT AS IT'S SHOWN THE #1 KILLER OF BLACKS IN AMERICA IS PLANNED PARENTHOOD AND THEIR RACIST AGENDA

Planned Parenthood expects the facility to begin taking patients later this month. In the meantime, the organization's St. Louis location said it planned to double its clinic escort staff on Wednesday in anticipation of increased protests. With a newly conservative Supreme Court, access to abortion has come under fire

across the South and Midwest, where state lawmakers have raced to pass laws that ban the procedure in hopes of overturning *Roe v. Wade*, the 1973 Supreme Court case that effectively legalized the procedure. [READ MORE](#)

### “PROLIFE” National Right to Life testifies AGAINST Tennessee bill to ban all abortions!!!!

NASHVILLE, August 19, 2019 ([LifeSiteNews](#)) – As Tennessee lawmakers debate their latest proposal **to end abortion in the state, America's most prominent “pro-life” lobbying group is condemning the measure as “irrational” and “foolish.”**

Like other states, Tennessee [has been considering](#) legislation to ban abortion once a fetal heartbeat can be detected. Earlier this summer it was amended into an even bolder proposal: banning virtually all abortions by defining “viability” to mean “that a male human sperm has penetrated the zona pellucida of the female ovum or the detection of a heartbeat in an unborn child.”

Starting effectively at conception, the bill would make committing an abortion a Class C felony and revoke a violator's medical license in all cases except to prevent the “death of the pregnant woman or to prevent serious risk of substantial and irreversible impairment of a major bodily function of the pregnant woman.”

However, during packed legislative hearings earlier this month, National Right to Life Committee (NRLC) general counsel James Bopp testified against the bill, the [Nashville Tennessean](#) report.

“It's not a matter of whether these judges are pro-life,” Bopp argued. “It's the reality that they have an obligation to follow precedent. And there's simply no

question that pre-viability prohibitions are unconstitutional [...] We have precedent we cannot avoid with a clever legal argument." He admonished the bill's viability provision as "irrational" language that "makes us look foolish. And I do not want to look foolish."

**Psalm 82:** <sup>1</sup> God standeth in the congregation of the mighty... <sup>2</sup> How long will ye judge unjustly, and accept the persons of the wicked? Selah. <sup>3</sup> Defend the poor and fatherless: do justice to the afflicted and needy. <sup>4</sup> Deliver the poor and needy: rid them out of the hand of the wicked.

**Matthew 18:10** - Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven.

**Mark 9:37** - Whosoever shall receive one of such children in my name, receiveth me: and whosoever shall receive me, receiveth not me, but him that sent me.

**Psalms 127:3** - Lo, children [are] an heritage of the LORD: [and] the fruit of the womb [is his] reward.

NRLC has faced criticism in the past for allegedly putting the priorities of the Republican establishment ahead of the pro-life cause, from opposing federal heartbeat legislation and putting its weight behind policies unrelated to abortion, to pressuring lawmakers and affiliates to support rape and incest exceptions, and even pro-abortion Republicans such as Sen. Lisa Murkowski (R-AK).

### "Christian" and Jewish Clergy Bless Abortion Clinic, Claim "God is Present in This Space"

Calling killing unborn babies "sacred work," a group of clergy gathered Tuesday to bless an Austin, Texas abortion facility.

The Huffington Post reports the Religious Coalition for Reproductive Choice and Texas Freedom Network organized the event at the Whole Woman's Health, an abortion chain known for numerous health and safety violations.

"The first and foremost goal was to say that we support you and the work that you're doing, especially in a state where you're constantly having to meet new regulations or deal with critics and protesters," Rev. Amelia Fulbright, a campus minister in Austin, told the news outlet.

She said they organized the "blessing" to encourage the patients as well as the abortion workers.

"As people of faith, it's not that we think we're bringing God to this place; we believe God is already present in that space," Fulbright told the news outlet. "But

it's to ask for prayers of safety, healing and peace, to infuse the space with an energy that is life-giving for women, a lot of whom are in an anxious time." The Rev. Katey Zeh, executive director of the Religious Coalition for Reproductive Choice, said they believe abortion is "sacred work." "The Whole Woman's Health clinic in Austin is also a blessed space, not only because of our ritual of blessing on Tuesday but because providing reproductive health services has always been sacred work," [Zeh wrote at the Religion News Service](#).

She said ten clergy representing Presbyterians, Episcopalians, Unitarian Universalists, United Church of Christ, Disciples of Christ and Reform and Reconstructionist Jews participated in the event.

For Fulbright, one of the most meaningful moments was nursing her infant child while "blessing" a place where so many other helpless babies are hacked up in the womb!!!!

The pro-abortion clergy claimed they hold the moral high ground, saying they want to be compassionate to pregnant women who are struggling and that compassion means supporting the brutal killing of unborn babies.

"Because our prophetic teachings emphasize caring for our neighbors, progressive faith communities are called to respond to pregnant people with compassion and affirmation," Zeh said. "We know that making reproductive decisions can be hard work spiritually and emotionally, yet we believe God accepts the decisions of conscience each person makes."

**Psalm 94:16&20:** "Who will rise up for me against the evildoers? or who will stand up for me against the workers of iniquity?... Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law?"

**Matthew 7:15:** "Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves."

**Titus 1:15b-16:** "...unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled. **They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate.**

**II Corinthians 11:13-15:** For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

**II Peter 2:17-19:** "These are wells without water, clouds that are carried with a tempest; to whom the mist of darkness is reserved for ever. For when they speak great swelling words of vanity, they allure through the lusts of the flesh, through much wantonness, those that were clean escaped from them who live in error. While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage."

One Comment read: [Ricky Mathieson](#) *I'd like to point out one important thing. This sort of propaganda relies on one thing. That those opposed to it begin criticizing the figurehead of the propaganda, which is this girl.*

*This propaganda is designed in such a way to have the opposition attacking the girl, and the other side rising to defend her. Most adults would defend a child, naturally.*

*And when someone not familiar with the science of climate change see's this, they naturally side with the child.*

*There's plenty of science showing that global warming is a hoax and a fake political ideology. We should focus more on spreading the science, rather than hating the figurehead. Because that's just playing right into their hands.*

## **Puberty-blocking drugs given to transgender kids have killed at least 6,370 of them, FDA report finds**

October 02, 2019 ([Natural News](#)) [New data](#) released by the U.S. Food and Drug Administration (FDA) **reveals that since the year 2012, more than 40,000 people have suffered adverse reactions from taking the hormone-blocking pharmaceutical Lupron, while at least 6,370 people have died since 2014 from taking the drug. Commonly prescribed to children who've been manipulated into believing that they're "transgenders"**

**in need of a chemical "sex change," Lupron has reportedly caused more than 25,500 "serious" reactions in patients just in the last five years, according to the**

FDA. Many of these adverse reactions appear to have occurred in patients who were prescribed the drug for off-label uses, such as in transgender “therapy.” The pediatric version of the drug is also largely mislabeled, as it comes with minimal warnings about long-term side effects, some of which could be irreversible. Such irreversible side effects include permanent damage to the endocrine system, which is responsible for producing the sex hormones that sustain life.

The FDA has known for at least two years that Lupron isn’t safe, especially for young children. The agency announced back in 2017 that it was “conducting a specific review of nervous system and psychiatric events in association with the use of GnRH agonists, [a class of drugs] including Lupron, in pediatric patients.”

However, nothing thus far has come out of this alleged inquiry, which first came about as a result of questions that were raised by Kaiser Health News and Reveal from the Center for Investigative Reporting, including why so many children who are being given Lupron now suffer from persistent seizures.

In the United States alone in 2017, prescriptions for Lupron raked in about \$669 million. And with gender dysphoria on the rise due to rampant transgender indoctrination, that number is likely to skyrocket even more.

## Diet Coke Exposed: What Happens One Hour After Drinking Diet Coke, Coke Zero Or Any Other Similar Diet Soda

### WHAT HAPPENS ONE HOUR AFTER DRINKING A CAN OF DIET COKE

**DID YOU KNOW?**  
“Findings from a variety of studies show that routine consumption of diet sodas, even one per day, can be connected to higher likelihood of heart disease, stroke, diabetes, metabolic syndrome and high blood pressure, in addition to contributing to weight gain.” Susan E. Swithers, a professor of psychological sciences and a behavioral neuroscientist.

**1 FIRST 10 MINUTES**  
**TRICKS YOUR TASTE BUDS & ATTACKS YOUR TEETH**  
The phosphoric acid attacks the enamel in your teeth, while the artificial sweeteners like aspartame hit your system. Aspartame may trigger taste receptors and trick your body into thinking it has just processed sugar.

**2 20 MINUTES**  
**CAN SWITCH ON FAT STORAGE MODE**  
Like regular Coke this can trigger insulin, which sends your body into fat storage mode.  
Data from a number of studies, including the Nurses’ Health Study and the Health Professionals Follow-up Study also reported greater risk of type 2 diabetes, high blood pressure and heart disease.  
Also some data indicates those who consume artificially sweetened beverages double the risk of metabolic syndrome which is related to diabetes and cardiovascular problems.

**3 40 MINUTES**  
**CAN CAUSE ADDICTION**  
The potentially deadly combination of caffeine and aspartame creates a short addictive high similar in the way cocaine works. Excitotoxins are released which may exhaust your brain by overstimulating its neuroreceptors, especially if consumed on a regular basis.

**4 60 MINUTES & BEYOND**  
**CAN DEplete NUTRIENTS, MAKE YOU HUNGRY & THIRSTY FOR MORE**  
Unlike the small amount of satisfaction you get from regular coke your body may still crave sweets. This makes you likely to reach for another soda, or worse, some other junk food you consider to be safe and the cycle continues.  
A can of diet coke provides no nourishment and would replace a more nutritious drink you could have drunk while potentially depleting your body of essential minerals.  
It will never quench your thirst as it dehydrates rather than hydrates your body. A lack of vital water can lead to brain fog, poor concentration, fatigue and feeling irritable.
