++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov**ed are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalms 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil **communications** corrupt good manners.

"Communications": companionship, communion

+1+ Biblical Resistance to Tyranny--Bible Verses Regarding Defending & Protection of your Family, the Innocent & Children

Psalms 82: ¹ **God standeth in the congregation of the mighty...** ² **How long will ye judge unjustly, and accept the persons of the wicked? Selah.**

³ **Defend the poor and fatherless: do justice to the afflicted and needy.** ⁴ **Deliver the poor and needy: rid them out of the hand of the wicked.**

Pro 24:10 **If thou faint in the day of adversity, thy strength is small.**

Pro 24:11 If thou forbear to deliver them that are drawn unto death, and those that are ready to be slain;

Pro 24:12 If thou sayest, Behold, we knew it not; doth not he that pondereth the heart consider it? and he that keepeth thy soul, doth not he know it? and shall not he render to every man according to his works?

Protection of our families is part of providing for our families:

1Ti 5:8 But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.

In the context of this verse the Noah Webster's 1828 defines the word 'Provide' as: PROVIDE, v.i. To procure supplies or means of defense; or to take measures for counteracting or escaping an evil.

Psalms 127:3 - Lo, children [are] an heritage of the LORD: [and] the fruit of the womb [is his] reward.

Hebrew 11:23: By faith Moses, when he was born, was hid three months of his parents, because they saw he was a proper child; and they were not afraid of the king's commandment.

Proverbs 14: 25 A true witness delivereth souls: but a deceitful witness speaketh lies. ²⁶ In the fear of the LORD is strong confidence: and his children shall have a place of refuge. ²⁷ The fear of the LORD is a fountain of life, to depart from the snares of death.

Pro 31:8 Open thy mouth for the dumb in the cause of all such as are appointed to destruction.

Pro 31:9 Open thy mouth, judge righteously, and plead the cause of the poor and needy.

The KJV translates Strong's H483 in the following manner: dumb (6x).

A Bible Believer Responds To John Piper's Call For Christians To Not Be Armed

What the Bible Says About Trusting in the Sword

In context with the Biblical materials we have just covered; Guns, knives, weapons are mere tools, and none of these things can guarantee protection, any more than owning a fire extinguisher guarantees that your house won't burn down.

Psa 44:5 Through thee will we push down our enemies: through thy name will we tread them under that rise up against us.

Psa 44:6 For I will not trust in my bow, neither shall my sword save me.

Psa 44:7 But thou hast saved us from our enemies, and hast put them to shame that hated us.

Psa 44:8 In God we boast all the day long, and praise thy name for ever. Selah.

We see in Nehemiah 4:13 & 14 that the people were armed and willing to use their weapons, but they were also trusting in the Lord:

Neh 4:13 Therefore set I in the lower places behind the wall, and on the higher places, I even set the people after their families with their swords, their spears, and their bows.

Neh 4:14 And I looked, and rose up, and said unto the nobles, and to the rulers, and to the rest of the people, Be not ye afraid of them: remember the Lord, which is great and terrible, and fight for your brethren, your sons, and your daughters, your wives, and your houses.

Do not put your trust in weapons. They are tools that are useful, but they are only dead, inanimate tools, at the end of the day.

Psa 33:16 There is no king saved by the multitude of an host: a mighty man is not delivered by much strength.

Psa 33:17 An horse is a vain thing for safety: neither shall he deliver any by his great strength.

Psa 33:18 Behold, the eye of the LORD is upon them that fear him, upon them that hope in his mercy;

Psa 33:19 To deliver their soul from death, and to keep them alive in famine.

Psa 33:20 Our soul waiteth for the LORD: he is our help and our shield.

Psa 33:21 For our heart shall rejoice in him, because we have trusted in his holy name.

Psa 33:22 Let thy mercy, O LORD, be upon us, according as we hope in thee.

1Sa 17:45 Then said David to the Philistine, Thou comest to me with a sword, and with a spear, and with a shield: but I come to thee in the name of the LORD of hosts, the God of the armies of Israel, whom thou hast defied.

1Sa 17:46 This day will the LORD deliver thee into mine hand; and I will smite thee, and take thine head from thee; and I will give the carcasses of the host of the Philistines this day unto the fowls of the air, and to the wild beasts of the earth; that all the earth may know that there is a God in Israel.

1Sa 17:47 And all this assembly shall know that the LORD saveth not with sword and spear: for the battle is the LORD'S, and he will give you into our hands.

Comment: Paul Seebach: After reading many of the comments, I see that no one is mentioning the fact that if this actually happens, every other state in the union is watching, waiting to see the outcome. If the State is victorious, everyone else will be in the same boat. So heads up people, when this starts, every other state capitol better be surrounded by rifles as well in a show of force that will drive home the point that if they try anything, we are all ready. It's not just VA on the line here. So it better be the people of VA that are the victors.

Attorney General's response to 2nd Amendment sanctuary resolutions: 'Gun safety laws will be followed'

Virginia Attorney General Mark Herring has responded to the trend of Virginia counties passing Second Amendment sanctuary resolutions ahead of next year's General

Assembly, saying they are being "ginned up by the gun lobby" and that any new gun laws passed will be enforced.

Following the November's election, which saw Democrats take control of both the state House and Senate, the expectation is lawmakers will pass a number of gun control measures in 2020 for Democratic Governor Ralph Northam to sign. Northam has said that Democrats would start with the legislation he introduced for a special session on gun control this past summer.

In response to this expectation, Republican-leaning counties around Virginia have passed resolutions declaring themselves to be Second Amendment sanctuaries and voiced opposition to any future laws that may infringe upon Second Amendment rights.

VIRGINIA GOVERNOR REPORTEDLY ORDERS PLANS TO CUT ELECTRIC, PHONES, INTERNET FOR GUN CONFISCATIONS!

[Nation News Desk](#) 13 December 2019

The Governor of Virginia has allegedly ordered a small cadre of staffers to begin the process for determining how to cut off electricity, telephones/ FAXES, Cellular phones AND DATA, as well as the Internet, in areas where he plans to send Virginia National Guard Troops to forcibly seize guns when the Democrat legislature convenes in January!

The order was allegedly given to a very small and trusted group of staffers, some of whom it turns out, do not agree (at all) with this idea.

So put simply, the Democrats in Virginia want to confiscate certain privately (and lawfully) owned firearms, take them by force if they have to, and forbid their citizens from TEACHING OR LEARNING OR TRAINING WITH firearms, or any other method of physical force which can be used to hurt or kill someone (think Karate, Judo, Ju-Jitsu, Boxing, etc.) They want Virginians disarmed and ignorant. Virginia has 95 Counties. Of those, at least 75 have passed "Second Amendment Sanctuary" Resolutions saying they will protect citizens Second Amendment rights. Some counties have also passed Resolutions calling-up their local Militias! *(The unorganized militia consists of all able-bodied males from the age of 16 to 45. Some states also include females.)*

Hearing of these Resolutions, the Governor apparently realizes if he and his Democrat legislature actually try this, there will be widespread resistance. So he apparently has it in his head that he will use force to achieve what he wants, and possibly send the Virginia National Guard to forcibly TAKE the guns.

If the situation were to come to that, the Governor seems to think that citizens will need to be cut off from their electric, telephones, faxes, cellular phones and cellular data, and the Internet, so they cannot tell anyone what's taking place and cannot call other citizens for help.

In a Wednesday meeting with reporters, Northam offered a veiled threat to sanctuary jurisdictions that have promised to not enforce unconstitutional gun

laws [stating](#), “If we have constitutional laws on the books and law enforcement officers are not enforcing those laws on the books then there are going to be some consequences...”

Northam’s allies in Richmond have [proposed firearm confiscation legislation](#) that would prohibit the sale and possession of commonly-owned semi-automatic firearms like the AR-15. The governor has stated that he intends to push legislation that would ban such firearms but grandfather possession by gun owners [who register their firearms with the government](#).

Northam’s attempt to portray his Bloomberg-sponsored gun ban as constitutional is an absurd and transparent attempt to forestall the surging Virginia grassroots gun rights movement. Virginia’s gun owners have every reason to take defensive action against Northam and Bloomberg’s unconstitutional gun control agenda. All Virginia gun owners must organize to fight against unconstitutional Bloomberg-backed gun control in the Old Dominion. Please contact Gov. Northam and let him know you oppose his unconstitutional gun control measures. You can contact Northam using the Governor’s Office contact form below or call his office at 804-786-2211.

Stay tuned to www.nraila.org for updates. And, in the meantime, please [sign up to volunteer](#) to help defeat Northam and Bloomberg’s gun control legislation.

You can prepare for the coming troubles by making sure you have the following: Body Armor, an emergency generator for electric, emergency fuel for that generator, emergency heat, communications gear.

+2+ VA National Guard Issues Statement Over Calls To Enforce Gun Control
Democrat Congressman Donald McEachin’s comments about [using the National Guard to enforce Governor Ralph Northam’s proposed gun control laws in Virginia](#) has caused a storm of controversy in the state, to the point that the Adjutant General of the Virginia National Guard has issued a [statement](#), after scores of phone calls and emails from concerned citizens and curious media figures. WSL5-TV in Roanoke was the first to report on the comments by Major General Timothy P. Williams.

“We have received multiple questions regarding proposed legislation for the 2020 General Assembly session and the authority of the Governor of Virginia to employ the Virginia National Guard in a law enforcement role. Please make sure you share this message with your all of your personnel.

*We understand and respect the passion people feel for the U.S. Constitution and 2nd Amendment rights. **We will not speculate about the possible use of the Virginia National Guard. I encourage everyone to be patient while we allow our elected officials to work through the legislative process.***

We have not received any requests from the Governor, or anyone on his staff, about serving in a law enforcement role related to any proposed legislation.”

For those who were hoping that Maj. General Williams was going to come out swinging with a “H* no we’re not taking anybody’s guns”, it wasn’t going to happen. He can kick this can down the road, at least until and if Northam actually**

requests that the National Guard go into rural counties to confiscate firearms and enforce all the other draconian aspects of this legislation that is expected to be approved in early January.

If Northam were actually dumb enough to do that, I suspect what he'd find is yet another crisis of public confidence on his hands. **Not only would he have to deal with dozens of counties and cities that have said "no" to unconstitutional gun control laws, he'd create a crisis within the Virginia National Guard, whose members swear to uphold the Constitution. Many of those National Guardsmen are gun owners and Second Amendment supporters as well, and I suspect there would be a genuine fracturing of the organization over the issue.**

In fact, if you read between the lines of the adjutant general's statement, **it's clear that McEachin's comment is already causing a stir within the Guard itself. The men and women of the Virginia National Guard signed up to defend freedom, not establish a police state on American soil where soldiers search for those who refuse to register their rifles with the Virginia State Police (among many other even more draconian aspects of what is being proposed).**

First County to Form Militia in Response to New Virginia Gun Laws

December 8, 2019 / Jim Talbert--TAZEWELL, Va. — Tazewell County joined the ranks of "Second Amendment Sanctuary" counties on Tuesday — and took it one step further.

Before a crowd of more than 200, the Board of Supervisors unanimously passed two resolutions during their meeting on Tuesday night. The Second Amendment Sanctuary resolution and a resolution promoting the order of militia within Tazewell County both passed to loud cheers from a crowd that overflowed the 189-seat board room.

Subject: Re: **Listener Comment: Virginia Situation**

...I TOTALLY believe they are trying to start the second war of succession; they need a solid reason to give them the right to declare martial law and send in military troops. It is why they are picking a "hard target" like true Virginians. The

mentality of Virginians in most of the state is radically different than the 'NOT Virginians' (northern Virginia where I thankfully don't work anymore and I am leaving shortly). Those people are not just democrat and liberal republicans, because of all the immigrants (Hispanic, Muslim and Asian) but the Caucasians there are also not native Virginians, anyone who comes here can tell by their accents before any serious discussion takes place. Native Virginians that I have met hate DC, hate big government, hate outsiders and totally hate to be told what they are going to do on their property and with their property, and they know their history. I could totally see these people starting an armed uprising over this. More so than (I am sorry to say tame) South Carolinians where I am from.

Illegal Aliens Pack New York DMVs After State Allows Driver's Licenses For All'-- This is all a power grab for the ballot box in New York, trying to give illegals the right to vote,' says NY clerk

Jamie White | Infowars.com - December 16, 2019

Massive droves of illegal aliens are lining up at DMVs across New York to obtain newly-minted driver's licenses after the state passed a law allowing illegals to obtain them.

The so-called Green Light Law, signed by Democrat Gov. Andrew Cuomo earlier this year, allows anyone to apply for a driver's

license regardless of immigration status and does not require a Social Security number.

Check out the line outside of the DMV in Queens!

Most are illegals who are now allowed to apply for a driver's license thanks to the green light law!

The law also prohibits employees at auto bureaus from reporting illegal aliens attempting to obtain driver licenses to Immigration and Customs Enforcement (ICE).

Erie County Clerk Michael Kearns argued that the new law allowing illegals to obtain driver's licenses was an unconstitutional "power grab" that Democrats will leverage to commit voter fraud.

“This is all a power grab for the ballot box in New York, trying to give illegals the right to vote,” Kearns told Fox News on Saturday.

“So we are going to have voter fraud in New York state, and now New York state has given the clerks an edict to stand down. I’m not standing down. I will do whatever I can to stop voter fraud.”

New calls emerge for “anti-vaxxers” to be thrown in re-education camps while their children are kidnapped and their homes seized

Monday, December 09, 2019 by: [Mike Adams \(Natural News\)](#) **If you disagree with the medical establishment’s lies about vaccines, you have no right to exist in society at all, say pro-vaccine authoritarian tyrants. In case you were wondering what the real plans are for people who oppose the quack science dogma of the vaccine industry and its child murdering vaccine advocates, look no further than today’s rant from anti-Trump neocon Rick Wilson.**

“Anti-vaxxers are a scourge and a strong argument for re-education camps, the immediate seizure of their property, and putting their children into protective custody,” tweeted Rick Wilson ([@TheRickWilson](#)), a neo-con Republican strategist

This demand sums up the medical police state tyranny and anti-human authoritarianism that characterizes vaccine advocates, almost all of whom are “medical child molesters” who maim children for profit. They quite literally seek to throw parents in concentration camps if they refuse to have their children injected with nearly a hundred toxic vaccines that contain neurotoxic substances such as aluminum, squalene, mercury, aborted human fetal tissue, formaldehyde

and even complete DNA sequences of aborted human babies whose genes were genetically engineered to cause cancer.

Rick Wilson is a creature of the criminal-minded Bush administration, which engineered the 9/11 attacks to put in place Patriot Act expansions of deep state surveillance to spy on the American people in the name of “national

security.” As [explained by Pulpitandpen.org:](#)

Wilson is best known as being the Republican strategists who served as George W. Bush’s Florida campaign chief during the hotly contested 2000 Florida presidential campaign re-count. Wilson was an appointee to the Department of Defense by then-Defense Secretary, Dick Cheney. He has also serve Rudy Giuliani’s mayoral campaigns...

Rick Wilson's desire to have the state seize the homes of "anti-vaxxers," kidnap their children and throw the parents into concentration camps is indicative of the deranged medical violence and tyranny that characterizes the entire vaccine industry. Wilson isn't an aberration; he's a "centrist" among vaccine pushers who almost universally share support for pedophilia, open borders child trafficking and medical child abuse, by the way. The same people pushing vaccines also push LGBTQ – pedophilia – including "Drag Queen Story Hour" perversions.

I warned about this last year, stating in a Brighteon.com video that the vaccine deep state was taking steps to "criminalize all vaccine skeptics." See the full warning video here:

Play to 7:20: <https://www.brighteon.com/5991683887001>

Rick Wilson is apparently voicing the beliefs of California State Sen. Richard Pan, also known as the "Vaccine Joker," who accepts campaign bribes from Big

Pharma to force his medical violence upon the children of California through various vaccine mandates such as SB 277. Richard Pan has all the characteristics of a medical molester and chemical violence child abuser, insisting that parents have no rights to protect children from his medical violations of children's bodies.

Make no mistake: The vaccine industry is an authoritarian, anti-human rights "Ministry of Truth" medical cartel that believes it owns your body and can force you to be injected with literally *anything*

they call a "vaccine," regardless of what it contains.

These beliefs are irreconcilable with fundamental human freedom and civil rights, yet they are being pushed aggressively by delusional tyrants who are true sociopaths that reflect the very same philosophies exhibited by Adolf Hitler, Joseph Stalin and other heinous mass murderers. If you disagree with them, they claim the right to throw you in a concentration camp and kidnap your children. Rick Wilson even adds that the government should steal your private property, which includes your home, your bank accounts and all your assets.

This is literally what these people believe. They are not joking. This is what they demand.

And since the vaccine industry now has **total immunity** in the courts, in the press, and also complete protection by the tech giants who ban and de-platform all alternative views, **there is nothing the vaccine industry won't attempt to silence dissent and force its brain-damaging poisons on all children** in America and across the world.

We are witnessing the true desires of the vaccine industry now on display, so thank you, Mr. Wilson, for finally admitting what all the other vaccine pushers have been demanding behind closed doors.

Watch Vaxxed 2 and get ready for the launch of our new "vaccine truth" search engine at Webseed.com
