**Mysterious drones spotted in 4 Colorado counties | FOX31 Denver**

WASHINGTON COUNTY, Colo.--Law enforcement officials in at least 4 Colorado counties are looking for the source of some mysterious drone sightings.

Sheriffs in Phillips, Lincoln, Yuma, and Washington Counties all confirm unusual sightings over the past week.

In most cases, those drones have been flying in formations, between 6-10 P.M., according to Washington County Sheriff Jon Stivers.

"I had reports of anywhere from 6 to 12," he says. "One person believed it to more than 12, close to 30. It seemed like several of them were flying together, in 3 or 4 pairs,"

The FAA says they have "No FAA drone reports in Colorado matching this location or description." They declined to answer further questions, referring FOX31 to military media relations.

### Imprecatory Prayer – Psalm 64 – Gods Judgment on Wickedness – A Christians 'Door of Hope'

By Dr. Scott Johnson | August 12, 2007

This is a very important teaching regarding imprecatory prayers and why the judgment of God on wickedness, has always been a Bible believers "Door of Hope". We will explore many scriptures to validate this but this is not a teaching that is usually ever heard or preached on in the modern day churches of America. If we as Bible believing Christians can get a hold of this Biblical concept, the Lord will be able to work through us (individually and collectively) in a mighty way. Beyond salvation this is one of the most important issues that the modern day Bible believer needs to understand, and hopefully this will be a big encouragement to you as well.

We will also be exploring the various things that can hinder our prayers and what the prerequisites are for the Lord to hear our prayers. I will be giving my personal testimony regarding these issues as well, as the tenets of this teaching have totally changed my life for the better.

This teaching was originally inspired by Pastor John Weaver's sermon: 'A Door of Hope' See link below.

**More Signs Of Something Sinister Unfolding As Mysterious Drones Flew Over 5 Colorado Counties That All Voted Heavily Conservative/Republican, With 3 Voting To Secede From Colorado - Are 2nd Amendment Sanctuaries Being Spied Upon By Globalists Preparing For A Massive 'Event'?**

**While authorities in 5 different Colorado counties are calling the sightings of mysterious drones, some with 6-foot-wingspans, flying grid patterns over large swath's of land at night 'weird and concerning' according to**

globalists needing an 'end game false flag event' to finalize their coup over America & fully cement tyranny into place, prepare to defend your families and loved ones", a story which [Tyranny News had republished here](#), if Democrats can't 'control' society, they'll instead destroy it.

And while that 'event' hasn't yet arrived in America, possibly bringing with it an unfolding of tyranny of the worst nature, a tyranny sure to be heavily 'resisted' by tens of millions of well-armed Americans, we may have recently gotten a small hint of what that 'event' might be with globalists/leftists happy to use 'false flag terrorism' to accomplish their goals, with false flags getting nations into global wars dating back decades.

Perfectly seen in now declassified ['Operation Northwoods' which stated.:](#)

Operation Northwoods was a proposed false flag operation against the Cuban government that originated within the U.S. Department of Defense (DoD) and the Joint Chiefs of Staff (JCS) of the United States government in 1962.

The proposals called for the Central Intelligence Agency (CIA) or other U.S. government operatives to commit acts of terrorism against American civilians and military targets, blaming them on the Cuban government, and using it to justify a war against Cuba.

The possibilities detailed in the document included the possible assassination of Cuban émigrés, sinking boats of Cuban refugees on the high seas, hijacking planes, blowing up a U.S. ship, and orchestrating violent terrorism in U.S. cities. The proposals were rejected by President John F. Kennedy.

With [this December 22nd story by JD Heyes over at Civil War News reporting](#) the globalists may be preparing to attempt to ban the 1st Amendment in America as well by banning the 'reporting upon' the growing 2nd Amendment Sanctuary movement in Virginia, it's long been warned that a widespread attempt to take down the independent media would be a sign to watch out for that indicates the globalists full-scale implementation of tyranny in America.

So should this Civil War News story be correct and the independent media suddenly see themselves as victims of tyrants attempting to shut down truth from getting out to the masses, Americans nationwide will have more evidence our nation has fully fallen into tyranny.

### 13 States Planning to Join Virginia Governor Northam

At least 17 large drones spotted flying search patterns over northeast Colorado, baffling sheriffs. Baffled authorities can't explain where they are from or who is flying them. This story has received international attention as the [Guardian](#) incompletely addressed this issue. I have heard from several present and former law enforcement officials from Eastern Colorado. Some see this for what it is. Most believe that this will end up be an offensive action against gun owners. Confiscation will not part of the plan, but rather summarily executing gun owners will be. The notion is to maximize the violence and a desired civil war begins. The government is maintaining plausible deniability. The Federal Aviation Administration had no information on the drones, while the Air Force said it is not one of theirs and the DEA denies any involvement in the mysterious sightings,

the Denver Post said. Denver TV station, KUSA, reported that one drone got close to see through a window of a house. The Denver Post is reporting that at least 17 drones, 6 feet wide, have been conducting reconnaissance on a nightly basis for a week.

'If any of these drones fly onto your property or are looking into windows, please call the communications center immediately,' the Phillips County Sheriff's Office posted on its Facebook page Saturday. What a joke!

If Colorado is going to be the headquarters for the new regime because DC lies in ruins, gun confiscation, in order to halt any resistance is needed, at least that is what makes sense. However, as stated, this is just a precursor to widespread violence to perpetuate a civil war..

From people in the know, I have learned that the rural areas would be disarmed first and then the circle of confiscation would be contracted to the cities. I do have come to believe that this will be the plan, but only after the successful commencement of a civil war.

## **+2+ Pro-Second Amendment Billboards Pop-Up in Virginia as More Counties Declare Themselves “Sanctuaries”**

by Raven Clabough TheNewAmerican.com Saturday, 28 December 2019

Virginians are campaigning hard against the onslaught of anti-Second Amendment measures expected to be rolled out by the incoming Democratic-controlled state legislature with pro-Second Amendment billboards throughout the Commonwealth, the Daily Wire reports. The billboards began popping up in the same week two more Virginia counties have declared themselves pro-Second Amendment “sanctuaries,” bringing the total number of sanctuary counties to 87 of the Commonwealth’s 95.

In an effort to increase awareness of the impending anti-Second Amendment measures, the National Rifle Association Institute for Legislative Action has posted billboards throughout Virginia. One such billboard reads, “The Northam/Bloomberg Gun Confiscation Plan Starts Jan. 8. 2 Weeks.”

The Daily Wire observes the anti-gun efforts in Virginia are being backed by billionaire Michael Bloomberg, founder of the far-left Everytown for Gun Safety anti-gun group.

Northam outlined his anti-gun agenda during a November Cabinet meeting, in which he proposed “universal background checks, banning the sale of [semi-automatic firearms] and high-capacity magazines, restoring the law that limits purchases to one gun a month, and a red flag law that would empower a court to temporarily remove a gun from a person deemed to be a risk to himself or others,” the Washington Post reports.

Unfortunately, Northam was not merely making empty promises. SB 16 and SB 18 propose to ban semi-automatic “assault weapons,” raise the minimum purchase age to 21, and impose background checks for private firearm transfers. SB 64 strengthens current state law against so-called “paramilitary” activity by vaguely declaring an individual to be guilty of unlawful activity if he or she has the “intent” to intimidate a person or group. Democrats have also proposed unconstitutional “red flag” laws that would permit courts to remove firearms from any individuals deemed as a danger to society or to themselves.

When asked specifically about gun confiscation, Northam responded “that’s something I’m working [on] with our secretary of public safety.”

Saturday, December 28, 2019 By Paul Martin by Dave Hodges

This article has several moving parts. **First, in support of our investigation on the intentions of the Deep State in Virginia, I interviewed Paul Martin with regard to intel he possess about UN troops in Cuba and their potential involvement in Virginia. Secondly, this article is going to take a look beyond the organization structure of the Deep State that is managing most the artificial crises being visited upon America. If you have wondered how deep the threat runs against Americans, and for that matter, all of humanity, this article will introduce you to these concepts.**

**As an introduction to the serious nature of the threat we face from the UN and places like Virginia, we start with an interview with Paul Martin as he reveals confidential information he has received from military personnel regarding a 250,000 United Nations force which has just relocated to Cuba. One of Martin's sources has revealed that the Florida government is aware and has increased surveillance of the shorelines. Martin's other source has been dispatched to Cuba, not GITMO, as a reconnaissance intelligence gathering team to assess mission status and objectives of the UN force. I have suggested that I have preliminary information which suggests that the final destination may be Virginia.**

### UN Moves Towards Handing Dictatorships Power to Control the Internet

Paul Joseph Watson [Summit.news](#) 28 December, 2019

The United Nations wants to hand power to dictatorial regimes like China to control the Internet, prompting fears of a massive new free speech purge. The General Assembly has approved a resolution sponsored by China and Russia to set up a committee of “international experts” whose role would be to stop “the use of information and communications technologies for criminal purposes.”

However, many caution that the move is merely a back door for authoritarian regimes to further censor dissent.

“The United States, European powers and rights groups fear that the language is code for legitimizing crackdowns on expression, with numerous countries defining criticism of the government as “criminal,” reports AFP.

Human Rights Watch said the list of sponsors for the resolution is “a rogue’s gallery of some of the earth’s most repressive governments” and “gives countries legal cover for internet blackouts and censorship, while creating the potential for criminalizing free speech.”

Governments like China already censor and turn off the Internet during times of civil unrest while doling out ‘social credit score’ punishments for those who criticize the state.

The Communist country is also rolling out a plan to force its citizens to pass a facial recognition test to use the Internet. Criticized the authorities? No Internet for you.

We predicted that all this would come to fruition nearly 10 years ago in an article entitled ‘Cybersecurity Measures Will Mandate Government “ID Tokens” To Use The Internet’.

“Under the guise of “cybersecurity,” the government is moving to discredit and shut down the existing Internet infrastructure in the pursuit of a new, centralized, regulated world wide web,” I wrote in June 2010.

The fact that the United Nations is attempting to legitimize this framework by handing oppressive regimes more power to define certain types of speech as criminal is part of a long term agenda.

As we previously highlighted, the United Nations global compact on migration expanded the definition of ‘hate speech’ to make it a crime to criticize mass immigration.

## **'The Bible Is Banned' – China Shuts Down Churches, Threatens Christians**

**China's crackdown on the booming house church movement continued this fall, with government officials raiding worship services and even telling Christians they could no longer read the Bible.**

**By law, churches in China must register with the government and join either the Three-Self Patriotic Movement (if they're Protestant) or the Chinese Patriotic Catholic Association. But because such churches face severe restrictions, millions of Christians have joined illegal, unregistered house churches.**

In October, a house church in Jinan, Shandong province was ambushed by a group of local officials, according to the watchdog [Bitter Winter](#).

**"From now on, you are not allowed to meet here, nor are you allowed to read the Bible," a local government official told the church members. "According to orders from the central government, the Bible is banned. You're designated as a target of the campaign to 'clean up gang crime and eliminate evil.'"**

## **'It's Unbiblical and UnChristian': Zambian President Resists Trump Admin's Push to Legalize Sodomy Under Threat of Losing Aid**

By [Heather Clark](#) on December 26, 2019 [79 Comments](#)

**LUSAKA — The president of Zambia is continuing to resist the Trump administration’s campaign to decriminalize homosexual sex acts worldwide, as U.S. Ambassador Daniel Foote threatened to pull aid to the African nation after two men received lengthy prison terms. President Edgar Lungu defended the sentence by declaring that homosexuality is “unbiblical**

**and unChristian,” and “we don’t want it.” Foote has now reportedly been recalled from the country as Lungu refuses to work with him, and a replacement is not expected anytime soon.**

**“We have complained officially to the American government, and we are waiting for their response because we don’t want such people in our midst,” Lungu advised on ZNBC-TV on Dec. 15. “We want him gone.”**

**“You cannot ask a government to make a decision at gun point, [saying that] ‘because we are giving you aid, we want you to do this.’ You can’t,” Foreign Minister Joseph Malanji also remarked.**

**Foote, who was appointed in 2017 by the Trump administration, recently criticized the Zambian government after two men who were caught in the act of having sexual relations “against the order of nature” were sentenced to 15 years in prison.**

**Section 155 of the penal code in Zambia states that “[a]ny person who ... has carnal knowledge of any person against the order of nature; or ... permits a male person to have carnal knowledge of him or her against the order of nature is guilty of a felony and is liable to imprisonment for fourteen years” to life in prison.**

**“We know that there could be people who are homosexual in Zambia. But we don’t want to promote it, because we frown upon it — the practice. Most of us say it’s wrong. It’s unbiblical, un-Christian and we don’t want it,” Lungu told Sky News on Dec. 2, “Why should we be forced to do it ...**

**Lungu also remarked that the country would rather remain poor than have its financial aid being conditioned on such a matter.**

**“If that is the how you are going to bring your aid, I’m afraid that the West can leave us alone in our poverty and we will continue scrounging and struggling and see how we can get going,” he stated.**

### **IT’S HAPPENING: Colorado public schools now requiring students to role play child sacrifice “poems” as part of rape training indoctrination**

**The greatest challenge in covering the actual events taking place in our world today is that most people still don’t recognize the level of depravity, perversion and evil that has overtaken demon possessed liberal left. So they can’t mentally grasp the reality of what’s actually happening all around them because it’s “unthinkable.”**

**So when a 16-year-old Colorado girl was “violated” by sexually explicit role playing assignment in public school — where she was required to role play rape and sodomy**

concepts while the teacher demanded she read out loud lines like: **(Cannot even say to explicit)** — most people dismiss the reality because they can't fathom it being real. But it is real. And it just happened in Steamboat Springs, Colorado.

Here's the picture of the girl, Skylar Cason, and her father Brett:

Skylar is 16 years old and attends public school in Colorado. **Her teacher required Skylar to role play sexually explicit rape and sodomy scenarios in front of the class, where she was required to read out vulgar lines from a poem known as "Howl," which include explicit words and phrases like: (Cannot even say to explicit)**

**As Fox News reports, "In another assignment students were asked to review a song that talked about sexting and offering sexual favors to a teenager, something that "blindsided" school officials when they found out about it from Cason."**

***"Then said he unto the disciples, It is impossible but that offences will come: but woe unto him, through whom they come! It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones." Luke 17:1,2 (KJV)***

***He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD.***

**FROM CHURCH MILITANT: The Austin Independent School District (AISD) Board of Trustees voted October 28 for a "sex education" program which exposes 3rd–8th grade children to content that a number of parents are objecting to as inappropriate and harmful.**

Protesters gathered to "[Stand Up for Children](#)" at the meeting, gathering to address the crowd, but were interrupted by pro-curriculum advocates, including a black transgender who screamed in front of the podium, harassing the crowd. Other protestors used loudspeakers and instruments to drown out the speakers, one waving a rainbow flag and another wearing a shirt saying, "I MET GOD. THEY'RE QUEER Y'ALL."

As many as 126 citizens came to the board meeting to voice their concerns. But the Board of Trustees was undeterred, and at the end of the meeting, which ran over five hours, the school board voted unanimously to pass the curriculum — to the applause of LGBT advocates.

**DOCTOR: Burger King's 'Impossible Burger' Has 18 Million Times More Estrogen Than Regular Whopper--Burger King's Impossible Burger will cause men to grow breasts**

by [Tom Pappert](#) [December 24, 2019](#)

Writing for TSLN.com, Dr. James Stangle [explains the chemical process](#) used to create Burger King's Impossible Burger, and alludes to the possibility that the engineered vegetable burger may be less healthy than a regular Whopper.

The doctor goes on to explain the process used to make the Impossible Burger have the look of meat, writing that the beef-like appearance of the vegetable-based burger is a product of genetic engineering.

According to Stangle, the red appearance of the vegetable patty comes from genetically splicing a soybean and yeast:

Finally, the doctor explains the radically high amount of estrogen featured in each burger.

"The impossible whopper has 44 mg of estrogen and the whopper has 2.5 ng of estrogen," wrote Stangle. "That means an impossible whopper has 18 million times as much estrogen as a regular whopper."

He went on to compare the level of estrogen in the Impossible Burger to soy milk, writing that eating four of the vegetable burgers daily would result in a human male growing breasts:

Just six glasses of soy milk per day has enough estrogen to grow breasts on a male. That's the equivalent of eating four impossible whoppers per day. You would have to eat 880 pounds of beef from an implanted steer to equal the amount of estrogen in one birth control pill.

In short, the Impossible Burger is a genetically modified organism filled with calorie-dense oils that can make a man grow breasts if eaten in sufficient quantity.

### **Chick-fil-A Put Obama And Hillary Supporter Rodney Bullard In Charge Of The Money And Has Transformed Company To Now Support Social Justice And Diversity Agenda**

Now the fig leaf is gone and the reality is that the Chick-fil-A Foundation is just another corporate leftist charity that lavishes cash on organizations linked to local Democrats and assorted diversity causes

The organization that controls the money is called the **Chick-fil-A Foundation**, and its executive director is a man named **Rodney Bullard**. He came to Chick-fil-A in 2011 with a Washington pedigree and a White House resume, **a resume that includes** giving money to the Democratic Party as both an Obama and Hillary donor. With the tacit approval of Chick-fil-A CEO Dan Cathy, Rodney Bullard has transformed the company from one involved with charity, to one that is involved with social justice, gender identity, and diversity. Your local Chick-fil-A restaurant may still be, for now, closed on Sunday, but at the corporate level they seem to be open for business 7 days a week.

**Chick-fil-A gives huge amounts of money to Democratic and Leftist organizations and gives comparatively small amounts of money to Christian organizations and Christian causes.** Shouldn't it be the other way around? Why is Chick-fil-A giving buckets of cash to causes that champion social justice, and scraps and pocket change to Christian organizations who minister with the gospel? Not at Chick-fil-A where they are now more interested in 'social responsibility' than the saving message of the **gospel of the grace of God**.

### **Chick-fil-A Money Is Funding Drag Queen Story Hour At Covenant House And Far-Left Democratic Attack Group Southern Poverty Law Center**

**It is painful to watch Chick-fil-A follow the same trajectory of other corporations attempting to adopt a politically correct attitude.**

So now that the gloves are off, and **Chick-fil-A** no longer has to *pretend* that they are still a Christian company, the truth is rushing to the surface with stupefying swiftness. Chick-fil-A is out of the closet, pun intended, as a proud sponsor of not only the **pro-LGBTQ+ Covenant House**, they are also doing buckets of cash to the Far Left Liberal

attack group, the **Southern Poverty Law Center**. The same SPLC, longtime NTEB readers will recall, that put us on their "**anti-government hate group**" list back in 2016.

**The Covenant House is one of the WICKED organizations Chick-Fil-A have chosen to start supporting!!!!**

*"For such are false apostles, deceitful*

*workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works."* **2 Corinthians 11:13-15 (KJV)**

**In 2012, NTEB wholeheartedly supported Chick-fil-A but who would have thought that, just a mere 7 years later, Chick-fil-A would be funding pro-LGBTQ+, pro-abortion and Leftist attack groups? And now Chick-fil-A is proxy funding Drag Queen Story Hour?? Are you kidding me?? It is shocking, it is staggering, and it is really happening. [#BoycottChickfilA](#)**

**FROM BREITBART NEWS: Fast-food chain Chick-fil-A continues to be mired in controversy after the discovery of its donations to the far-left Southern Poverty Law Center (SPLC) and also Covenant House, an organization that celebrates LGBTQ pride and hosted a Drag Queen Story Hour in New York.**

Mr. Duffy (at the Family Research Council) said "the biggest shock" was the discovery that Chick-fil-A has donated to SPLC, a group that labels Christian individuals and groups as "haters." According to Duffy:

*This is the same group that, in 2012, inspired a gunman to storm into the headquarters of my organization, the Family Research Council, and attempt to murder my colleagues and me and smash Chick-fil-A sandwiches on our faces.*

*The domestic terrorist shooter, Floyd Corkins, told the FBI he had picked the Family Research Council as a target from the Southern Poverty Law Center's website. He was angered by the Chick-fil-A Appreciation Day held recently, in which huge crowds lined up at Chick-fil-A's restaurants to show support for its president, Dan Cathy, who had expressed support for marriage defined as between a man and woman.*

Duffy praised the businesses that have held their courage and fought to practice their faith beliefs in the marketplace – Hobby Lobby and Jack Phillips' Masterpiece Cakeshop are just two he mentioned.

**"Religious freedom is the right to live out your faith in every area of life, including the workplace," Duffy said. "But that freedom is under assault. We can defend**

this freedom by exercising it. However, that requires courage, which comes through a relationship with God and reverence for his Word.” [READ MORE](#)

### **Iowa Man Gets 16 Years for Burning LGBT Flag**

As leftists are free to torch U.S. flags across the nation, an Iowa man is paying a heavy price for burning a rainbow LGBT pride flag.

Adolfo Martinez of Ames was sentenced Dec. 18 to a whopping 15 years in prison for the hate crime of arson, according to [The Associated Press](#), after his five-year sentence was tripled due to his status as a habitual offender.

Martinez had previously been convicted of two felonies, details of which were not immediately available, and was thus considered a [habitual offender](#) as regards his sentencing.

In addition to spending a decade and a half in prison for burning the [LGBT flag](#), the 30-year-old Martinez also will be serving an additional year for his use of fire and 30 days for harassment.

Martinez was arrested in June after taking the rainbow flag from the United Church of Christ in Ames.

The act was considered a hate crime because the flag represents a sexual orientation.

Shockingly, the same charges don't seem to stick to those who burn the red, white and blue flag of the United States.

As the [Iowa City Press-Citizen](#) reported in 2017, protesters there were able to not only burn multiple American flags but insult the very country that guaranteed them the freedom to do so without being persecuted.

**The California State Assembly has passed a resolution telling pastors to affirm homosexuality in violation of their biblical beliefs.**

Assemblyman Evan Low and three dozen other lawmakers pushed the resolution in the state Assembly Judiciary **Committee that's aimed at telling religious leaders in California what they should preach from their pulpits.**

The measure passed this week, thanks in part to the help of Dr. Kevin Mannoia, Azusa Pacific University chaplain and the former head of the National Association of Evangelicals.

Liberty Counsel says Mannoia "has become a prop for the LGBT agenda by directing pastors and counselors to reject biblical views of sexuality and deny counseling for those struggling with unwanted same-sex attraction or gender confusion."

According to a press release by Liberty Counsel, "Mannoia recently testified before the judiciary committee in favor of ACR 99 and directed pastors and counselors to affirm LGBT behaviors. In a letter submitted to legislators, Mannoia wrote, "On behalf of some Christian pastors and church leaders, I write to

express various levels of support for the Resolution ACR 99 dealing with Conversion Therapy and LGBTQ persons."

### **Biblical Passages About LGBT Loving Pastors and Heretics!!**

**Titus 1:15b-16:** "...unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled. **They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate.**

**II Corinthians 11:13-15:** For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

**II Peter 2:17-19:** "These are wells without water, clouds that are carried with a tempest; to whom the mist of darkness is reserved for ever. For when they speak great swelling words of vanity, they allure through the lusts of the flesh, through much wantonness, those that were clean escaped from them who live in error. While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage."

**Jer 23:1** Woe be unto the pastors that destroy and scatter the sheep of my pasture! saith the LORD.

**Jer 23:2** Therefore thus saith the LORD God of Israel against the pastors that feed my people; Ye have scattered my flock, and driven them away, and have not visited them: behold, I will visit upon you the evil of your doings, saith the LORD.

**Eze 34:7** Therefore, ye shepherds, hear the word of the LORD;

**Eze 34:8** As I live, saith the Lord GOD, surely because my flock became a prey, and my flock became meat to every beast of the field, because *there was no* shepherd, neither did my shepherds search for my flock, but the shepherds fed themselves, and fed not my flock;

**Eze 34:9** Therefore, O ye shepherds, hear the word of the LORD;

**Eze 34:10** Thus saith the Lord GOD; Behold, I *am* against the shepherds; and I will require my flock at their hand, and cause them to cease from feeding the flock; neither shall the shepherds feed themselves any more; for I will deliver my flock from their mouth, that they may not be meat for them.

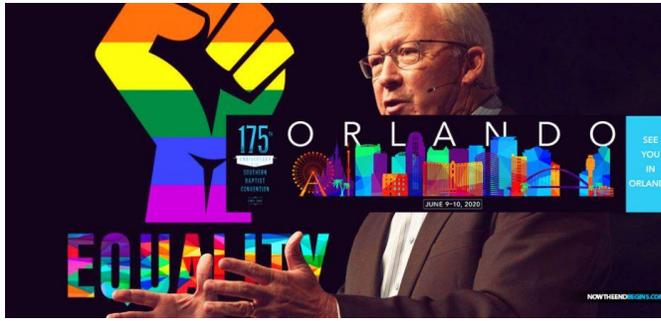

**Eze 34:11** For thus saith the Lord GOD; Behold, I, *even I*, will both search my sheep, and seek them out.

**Eze 34:12** As a shepherd seeketh out his flock in the day that he is among his sheep *that are* scattered; so will I seek out my sheep, and will deliver them out of all places where they have been scattered in the cloudy and dark day.

**THE SBC HAS FALLEN: Southern Baptist Convention Appoints Gay-Affirming Pro-LGBTQ+ Pastor David Uth As President Of 2020 Pastor's Conference**  
by [Geoffrey Grider](#) December 16, 2019

Today we sadly add the Southern Baptist Convention to this list of corrupt compromisers as they now seek to bring the LGBTQ+ into the church. It is not outreach to the LGBTQ+ that's the problem, because the gospel should go to

them. The problem is they're not giving them the gospel, they are confirming them in their sin.

*“Woe unto them! for they have gone in the way of Cain, and ran greedily after the error of Balaam for reward, and perished in the gainsaying of Core. These are spots in your feasts of charity, when they feast with you,*

*feeding themselves without fear: clouds they are without water, carried about of winds; trees whose fruit withereth, without fruit, twice dead, plucked up by the roots; Raging waves of the sea, foaming out their own shame; wandering stars, to whom is reserved the blackness of darkness for ever.” Jude 1 11-13 (KJV)*

The fall of the Southern Baptist Convention, who have been flirting with compromise for many years now, is going to be tragically spectacular. It is the Baptist church that has been the last mainstream holdout against the rising tide of end times heresy and compromise, who have maintained adherence to the King James Bible, and who have preached and taught proper Bible doctrine.

**FROM PULPIT & PEN:** The Southern Baptist Convention chose David Uth, pastor of First Baptist Church in Orlando, as the president of the Pastor’s Conference for the next year’s annual meeting. Many should be reminded about who Uth is, **and** ask the question whether or not SBC leadership will be making strides for LGBTQ+ inclusion along with the rest of their latest compromises.

David Uth hosted a gay-affirming LGBTQ event in the wake of the Orlando gay nightclub shooting at his church, FBC Orlando. In case you have forgotten, #LoveOrlando was a gay-straight hug fest that happened at the church in the shooting’s aftermath. Taking the stage at that event was pastor Larry G. Mills, who said the following:

*“We’re not peculiar because of race or gender or creed. But in Orlando we are peculiar because of E. Pluribus Unum. Out of many come one. We are peculiar because we have leadership that knows how to fight....We are peculiar because we know how to let theological differences and disputes and factions not get in the way of love and Christ. We are peculiar...because we believe in the Word, and what others would have against us, what others would show as a stumbling stone, we’ve elevated to be the head of the corner, and right now, no matter what people might think, that LGBTQ area is the head cornerstone, and we are here to lift up and magnify, and allow them to know, that regardless of people’s opinion, regardless of where we are, love triumphs over evil.”*

In the wake of widespread criticism of this abominable, gay-affirming event (the church then asked homosexuals to come forward to be anointed and have hands laid upon them), David Uth prayed that God would strike discerning Christians dead if they criticized him. **[READ MORE](#)**

### Gay Male Sodomite Life Span Only Average 39 Years!!!

Pro      The fear of the LORD prolongeth days: but the years of the wicked shall  
10:27      be shortened.

Research by The Family Research Institute (FRI) of Colorado has discovered that the average lifespan of the male homosexual is only 39 years. Where 80% of married men lived past 65, only 2% of the homosexuals lived that long, as shown in the accompanying chart.

FRI found that sodomites "...were 116 times more apt to be murdered; 24 times more apt to commit suicide; and had a traffic-accident death-rate 18 times the rate of comparably-aged white males. Heart attacks, cancer and liver failure were exceptionally common. Twenty percent of lesbians died of murder, suicide, or accident—a rate 487 times higher than that of white females aged 25-44."

In their web site at <http://www.familyresearchinst.org/Default.aspx?tabid=73>, FRI details the disgusting and unsanitary sexual practices that contribute to this early death sentence. The "outing" of the homosexual lifestyle in our culture has unleashed over 50 sexually transmitted diseases (STDs).

## End Times Heretic (& Trump's Main Spiritual Advisor) Paula White On Jim Bakker Show Says Christians Are 'Mandated By God' To Give Fellow Heretic Jim Bakker A Million Dollars

Paula White is to the evangelical world like the old, seasoned prostitute who wants to dispense with all the formalities and small talk and get right 'down to business'. Her only

goal when she speaks is make sure that the money keeps coming in, and she can look straight into the camera and prostitute herself without a trace of shame or self-doubt. I thought it was beyond outrageous with her Easter pitch on [John 11:44](#), see video below, but this Heaven's Department of Treasury is without a doubt a new low even for Paula

White.

On an October episode of The Jim Bakker Show, "Pastor" Paula White (President's Trumps Min Spiritual Advisor) made an appearance and touted the benefits of the Prosperity Gospel, which she claims to not be a proponent of. Nevertheless, she told the audience that if they donate to help Jim Bakker build a new TV studio, they'll be rewarded by Heaven's "Department of Treasury." Right now, someone is about to send you that million dollar check, in the name of Jesus," White said.

***"But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition. For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows. But thou, O man of God, flee these things; and follow after righteousness, godliness, faith, love, patience, meekness." 1 Timothy 6:9-11 (KJV)***

Towards the latter portion of the show, Bakker lamented how hard it is to raise money these days — an especially challenging problem since God told Bakker to build a new 'Voice of the Prophets' studio. Bakker dropped a few hints regarding donations he'd like to receive — \$10,000, maybe even a check for \$1 million — and White chimed in to remind the audience that they stand to be rewarded if they help Bakker out.

Presidential spiritual adviser Paula White says Christians "are mandated by God" to send thousands of dollars to help Jim Bakker build a new TV studio and their donations will be counted by "a Department of Treasury in Heaven" that will determine their eternal reward. ## ONE WORLD RELIGION: Pope Francis Traveled To Thailand And Presented Buddhist Supreme Patriarch With 'Declaration On Human Fraternity' Peace Covenant Of Chrislam

We showed you how Pope Francis travelled to Abu Dhabi earlier this year and entered into a covenant with Sheikh Ahmed al-Tayeb, the ruling leader in Sunni

Islam. That peace covenant led to the formation of a Chrislam interfaith council, which then led to the stunning announcement that a Chrislam headquarters would be open in Abu Dhabi by 2022. Now Pope Francis has travelled to Thailand where he met with the ruling Buddhist leader there, and as in Abu Dhabi, presented him with a copy of his Declaration On Human Fraternity', the Vatican manifesto of the One World Religion.

"Pope Francis is building his One World Religion called Chrislam, but it will not be limited to simply an alliance between the Catholics and the Muslims. No, it will include all the major faiths with one notable exception. It will not contain biblical Christianity, but rather the Laodicean Christian church that is so disgustingly lukewarm. In the video below you will see a number of things I would like to point out. You will see Pope Francis praising Buddhism and extolling its virtues. You will see Pope Francis giving and receiving blessings under the watchful gaze of pagan statues. And you will see Pope Francis present the Supreme Patriarch of Buddhism with a copy of his Declaration On Human Fraternity manifesto of the coming One World Religion"

Gaga began by asking the crowd, "Are you ready to f\_\_\_\_\_ing party tonight?" In the crowd were Joel and Victoria Osteen, who were indeed ready to party. The event was hosted to celebrate gay pride at the Apollo theater and the pastor of the nation's largest 'church' was in attendance.

<< Victoria and Joel Osteen on the red carpet at the Gaga gay pride event. Gaga calls her fans "little monsters" and

they were in full excitement as it was the performer's first appearance at the famous Harlem theater. The entire event was oriented around gay pride.

Also with Joel and Victoria Osteen were celebrities Amy Pohler, the Season 2 winner of RuPaul's Drag Race, a cross-dresser named "ThunderFu\_k," Catherine Zeta-Jones and Michael Douglas, and gay actor, Neil Patrick Harris.

The event was basically a theatrically performed representation of the Biblical city of Sodom, and the crowd couldn't be gayer to be there.

Songs were interspersed with tributes to various homosexual leaders in the gay rights movement. Gaga also lectured the crowd that throughout the evening they would need to pay close attention to using the right gender pronouns, an

overture to the "trans community," because "we are all in this together."

<<Here are two attendees at the event, who operate a group called "Drag Coven." They attended the event alongside Joel and Victoria Osteen. Reports say that "Gaga performed a selection of her most beloved hits dancing around, in a most homoerotic latex fantasy, dropping F-bombs..."

### What the Bible Says About Separation from Unbelievers and the World

**James 4:4:** "Ye adulterers and adulteresses, **know ye not that the friendship of the world is enmity with God?** whosoever therefore will be a friend of the world is the enemy of God."

**Luke 12:51-53:** **Jesus Said:** "Suppose ye that I am come to give peace on earth? I tell you, **Nay; but rather division:** For from henceforth there shall be five in one house divided, three against two, and two against three. **The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law against her daughter in law, and the daughter in law against her mother in law.**"

**II Corinthians 6:14-18:** "**Be ye not unequally yoked together with unbelievers:** for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? **or what part hath he that believeth with an infidel?** And what agreement hath the temple of God with idols? **for ye are the temple of the living God;** as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people. **Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you,** And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty."

**James 4:4:** "...know ye not that the **friendship of the world is enmity with God?** whosoever therefore will be a friend of the world is the **enemy of God.**"

**Mark 10:28-31:** "Then Peter began to say unto him, Lo, we have left all, and have followed thee. And Jesus answered and said, Verily I say unto you, There is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands, **for my sake, and the gospel's,**

But he shall receive an hundredfold now in this time, houses, and brethren, and sisters, and mothers, and children, and lands, **with persecutions;** and in the world to come eternal life. But many that are first shall be last; and the last first."

**Revelation: 18:4&5: "And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities."**

### **Prosperity Heretic Joel Osteen Mocks People Without Wealth, Calling Them 'Poor, Broke And Defeated' As He Brags About His 'Overflow' Abundant Life**

**When I first received** this video today, I was skeptical at first because in the version I was watching it was pretty small, and the audio didn't match the video. But as I listened to what sounded like Joel Osteen's voice, I started out annoyed, quickly grew mad and then became enraged at what I was hearing. I thought to myself that this had to be a DeepFake or something, because Joel was not only bragging about his wealth, but was mocking poor people! There is no way this could be true, I thought, not even a heretic like Joel Osteen could sink that low. But guess what? I was wrong.

**After a short** but diligent search, I found a crystal-clear copy of the sermon that I have entitled 'Poor, Broke and Defeated', and present it to you here today so you can hear it for yourself.

**Now in contrast**, let's take a look at the main writer of the New Testament and arguably the greatest Christian who ever walked the face of the earth, the apostle Paul. Listen as Paul talks about what it was like to be handpicked by Jesus Himself to be an apostle: ***"For I think that God hath set forth us the apostles last, as it were appointed to death: for we are made a spectacle unto the world, and to angels, and to men. We are fools for Christ's sake, but ye are wise in Christ; we are weak, but ye are strong; ye are honourable, but we are despised. Even unto this present hour we both hunger, and thirst, and are naked, and are buffeted, and have no certain dwellingplace; And labour, working with our own hands: being reviled, we bless; being persecuted, we suffer it: Being defamed, we intreat: we are made as the filth of the world, and are the offscouring of all things unto this day. I write not these things to shame you, but as my beloved sons I warn you."*** **1 Corinthians 4:9-14 (KJV)**

**Match those verses up against the relentless prosperity preaching of Joel Osteen, and then you tell me who is telling the truth and who is lying to you. Joel Osteen says over, and over and over again that "God wants you to be rich" and in the context Joel is absolutely talking about material possessions and earthly wealth. So if this is God's plan for all Christians, looks like Paul and the other apostles got the short end of the stick, doesn't it? All the apostles were poor, all of them were broke, and from Rome's point of view, absolutely defeated. And that's because the "riches" that the Bible talks about are spiritual riches, and not numbers on the balance sheet. Joel Osteen seems unable to differentiate between the two.**
