## **+1+ State Legislators in Kansas Put on NATIONAL GUARD BUSES and taken to Military Base for DHS "Security Briefing"**

14 January 2020--**Something absolutely dire is going on and it is being kept very tightly under wraps by the federal government. Today, the Speaker of the Assembly in Kansas cancelled all activities of the Legislative body and directed all state legislators to board National Guard buses for a DHS Briefing on a military base!**

According to sources, speaker Ron Ryckman has cancelled all afternoon committee meetings so lawmakers could be shuttled to

Forbes Field inside the 190th Air Refueling Wing's portion of the airfield.

A spokesperson for the Adjutant General's department says Adjutant General Maj. Gen. Lee Tafanelli presented the briefing at the request of Gov. Laura Kelly.

House members were **ALLEGEDLY** given "an overview of homeland security in Kansas" **including information applicable to the security of the state and its citizens.**

**This description is not accurate. Sources in Kansas are saying the "briefing" was a "life-altering" event which "utterly horrified" attendees.**

**In fact, the subject matter was so dire, Kansas Deputy Attorney General Jay Scott Emler sent a letter to Speaker Ron Ryckman Tuesday saying that the DHS briefing should be given in a closed Party Caucus, one for Democrats, the other for Republicans. This way, no one had to comply with any Freedom of Information Act (FOIA) or Open Public Meetings disclosure requests!!!!**

Reporters and staffers were not allowed on the buses.

The Kansas State Senate will get a similar briefing this Thursday. A lid is clamped down so tight on this that it is VERY hard to get info.

Some of the mysterious drones running grid type patterns in Colorado and Nebraska were also

reported in NW Kansas. Definitely looking for something.

I await the news as to what this potential threat actually is. However, one thing that's unique about Kansas, is that they currently have a Level IV bio research facility located there, which is quietly replacing the Plum Island, NY facility. Plum Island is known by many, to be where some of the most dangerous and perverted biological (and other experiments) to have ever taken place were accomplished. It is known that Plum Island also had samples of some of the most dangerous natural and engineered diseases on the planet contained there.

The replacement facility is run by K-State and located in Manhattan, KS. It is officially not scheduled to be fully operational until 2022, but who knows if that's true. I find it interesting, that a lab which bills itself as a \*National Bio and Agro-defense Facility\*, would be deliberately located in the middle of America's bread basket, where any accident could cause a disaster of epic proportions.

### **Virginia: Huge Pro-Gun Crowd Shows Up To Protest – Legislature Pulls Gun Confiscation Bill**

**January 15, 2020--Even as Virginia Governor Ralph Northam engages in propaganda against the citizens of Virginia in declaring a state of emergency because "armed militia groups plan to storm the capitol," which is pure nonsense, the fact is that those pawns in the legislature backed down from their tyrannical gun confiscation legislation when hundreds, if not thousands of Virginians showed up in protest.**

**The Washington Free Beacon reports:**

***Thousands of NRA supporters turned out at Virginia's capitol building on Monday in a show of opposition that pushed Democrats in the state legislature to moderate or abandon some of their strictest gun-control proposals.***

*“We are beyond impressed by today’s turnout,” D.J. Spiker, Virginia state director for the NRA’s Institute for Legislative Action, told the Washington Free Beacon. “You can see the passion and enthusiasm that the citizens of Virginia have in joining us in this fight.”*

*The presence of gun-rights supporters at the state Senate judiciary committee hearing appeared to have an impact, as Democrats formally withdrew S.B. 16—a hotly-contested bill that would have effectively confiscated AR-15s and similar firearms—and moderated several other proposals. The NRA, however, said the changes were not enough and promised to continue to oppose the bills as they continue to move forward in the coming weeks.*

*“While there were some improvements to some of these bills, overall, it’s still bad legislation,” Spiker said. “Putting in more regulations and making it more onerous on the law-abiding citizens of Virginia is not something we stand for.”*

While the NRA as an organization is largely a joke, which has sold out the rights of the American people for decades and has been embroiled in corruption scandals, many of the people who are members of the NRA are American patriots and they are what is needed, not the NRA, to fight against the tyranny that is attacking their God-given and constitutionally protected rights.

- [Whose Side Is the NRA Really On?](#)

Virginia is a testing ground. If Commie gun grabbers like Northam and company can win there, they can win anywhere. And the people know it.

Virginians are saying “No!” to these would be tyrants.

This is awesome news. I think Bloomberg poked a sleeping bear, and now the [#Virginia](#) legislature is scared. Hopefully firearm enthusiasts will be united, for all of America.

**This isn’t the first tyrannical move in Virginia this week.**

An extremely popular Facebook post that has been shared thousands of times reads:

*So Virginia introduces a bundle of radical laws to destroy 2A rights, militias, sale transfer and registration bills, and the People of Virginia says no, and we’re going to vote you all out next term.*

*Virginia government responds by introducing a bill to eliminate voter ID.*

*Virginia says we’re not going to wait, we’ll petition your removal from office and gets almost a 3rd of the 240K signatures to remove the governor and starts petitions to remove delegates.*

*Virginia government responds by introducing a bill to raise the amount of signatures from 10% of the prevailing vote, to 25%.*

*Folks, this is the a textbook example of tyranny. “We’re the government, and we’ll do anything we want, whether you like it or not. We won’t let you vote us out, we won’t let you remove us from office.... And if you can’t possess the weapons that a militia would need to force us out, of office, then there’s absolutely nothing you can do about it” [\(source\)](#)*

**Iran intends to go MUCH farther in attacking the United States**

09 January 2020

Covert Intelligence from inside Iran indicates the present lack of hostilities is only temporary, and that Iran intends to go MUCH farther in attacking the United States; specifically, killing "thousands" of U.S. troops in the near future.

Several very high ranking military leaders in Iran feel that delaying their full scale attack only strengthens the USA, allowing Americans to transfer more troops and equipment to the region.

Those military leaders understand that Iran cannot face down a fully prepared USA, and they wish to strike and inflict as much damage as possible BEFORE Americans can gear up.

The military thinking is that a sufficiently deadly attack, slaughtering "thousands" of US troops, would serve to immediately demoralize the Americans into NOT wanting to strike back.

These military leaders are being held back by the civilian counterparts and this is causing extreme friction within the Iranian government.

Intel indicates the Iranians are determined to SINK one or more US Navy vessels in or near the Strait of Hormuz. They are actively tracking US naval vessels in the area of the Persian Gulf and in the Gulf of Oman.

**Very substantial US troop numbers are still being moved into the region; far, FAR, more than is being publicly revealed.**

**While publicly, it may appear that tensions are easing, behind the scenes tensions and preparations are soaring. Severely.**

**As of today, January 9, 2020, Iran has not only prepared and fielded 16,000 missiles, they are actively readying a total of eighty-thousand (80,000).**

**Intel and military analysts conclude "This is not something done when tensions are easing, this is preparation for major battle."**

### **'Harsher revenge': Revolutionary Guards commander vows it's not over after Iranian missile strikes on US forces in Iraq**

A senior Iranian military commander has promised further action against the United States, a day after Tehran launched missiles at two bases housing US troops in Iraq. Islamic Revolutionary Guard Corps (IRGC) commander Abdollah Araghi said that Iran would take "harsher revenge soon," without specifying what that might entail.

**The deputy head of the IRGC, described Iran's missile attacks on US forces as a display of the Islamic Republic's military capabilities, claiming that the Americans "couldn't do a d\*\*\* thing" about the strikes.**

Earlier, President Hassan Rouhani said that Iran's ultimate goal is the complete removal of US forces from the region.

Iran's supreme leader described the missile strike as a "slap in the face" for the US, but said that the attack was not "sufficient" to remove "the corrupting presence of America in the region."

### **Here We Go: Hezbollah Leader Orders "Operations" To Begin Against US Military**

Hassan Nasrallah, the current Secretary General of the Lebanese political and paramilitary party Hezbollah has publicly declared today to be the commencing of operations against the US military, to drive them from the Middle East.

Stating bluntly that the "Iranian strike on U.S. base in Iraq is 'not the end', he said **"In the coming days and weeks, US must leave this region. This is an absolute decision in the Resistance Axis. It is a matter of time that we won't give up on. We won't forget this great crime, (Re: The U.S. killing of Iranian General Soleimani) not in the coming weeks, months or years. We are talking about a new era."**

Bolstering his intent to do deadly harm, Nasrallah went on to say if US forces don't leave region in coming weeks, they will leave **"dead in coffins"** **"This is an absolute decision of the Resistance Axis."**

Attacks against US Military will apparently not be limited to Iraq. Nasrallah continued by saying **"THE WORLD will become very unsafe for (Israelis and Americans)."**

**IRAN PLANS TO LURE US IN . . .**

10 January 2020-- Covert Intelligence from inside Iran has revealed their latest brainstorm: **Close the Strait of Hormuz to LURE IN United States naval vessels, then SINK THEM in the Strait!**

The US Navy is no longer operating any vessels inside the Persian Gulf. So the IRGC has come up with a plan they feel will **COMPEL** the US Navy to come: Shut Down all shipping into and out of the Persian Gulf by sealing the Strait of Hormuz.

**The US is pledged to protect commerce in that area because upwards of 35% of the worlds oil travels through that Strait. If the route were sealed-off by a hostile power, the economic effects on the world, via instantly higher oil prices . . . perhaps \$10 per gallon gasoline . . . would cripple most countries.**

**Armed Iranian Arrested Near Mar-a-Lago**

**An Iranian man with a machete and knives has been arrested on a bridge in West Palm Beach, just north of Mar-a-Lago.**

Police say they responded to Flagler Memorial Bridge Friday morning for reports of a suspicious person. **During the investigation, it was discovered that the person is an Iranian national and was in possession of a machete, pick axe and two knives.**

The person also had \$22,000 of U.S. cash.

According to police, Masoud Yareilzoleh was given a notice to appear in court for the concealed weapons and he had a vehicle parked at Palm Beach International Airport.

Security experts who have examined the airport garages, say the lack of cameras in the parking garage means there is no record of this person's movements in the garage and what happened with car in between it being dropped off and towed by police.

"It also means that they don't know if he met or coordinated with anyone in the garage or how long he stayed in the car," said Tim Miller, a former Secret Service agent. "It is huge that they don't have this type of information given the seriousness of what occurred."

**This fits what many have been warning Americans about for years: Iranian "sleeper cells" here in the United States intent on doing us harm, here. It's beginning.**

**Citizens in the US are URGED IN THE STRONGEST POSSIBLE TERMS to prepare themselves.**

**The Iran Conflict and the terrorists who walk freely among us!**

Our archives at [ALIPAC](#) are filled with reports documenting that the Iranian backed Hezbollah terrorist group has been active on America's tattered border for many years.

We have every reason to believe that nations like Iran, North Korea, and others have already fully infiltrated the US and have military assets in place in our communities awaiting orders to attack or conduct sabotage here in America. From spreading wildfires to conducting murders/assassinations, gathering intelligence, influencing public opinion, or even one day attacking one of our nuclear power plants... America's enemies walk freely among us due to unsecured borders and unenforced immigration laws.

**What Does the Bible Specifically Say About the Anunnaki and How to Battle Them**  
**Num 13:30** And Caleb stilled the people before Moses, and said, Let us go up at once, and possess it; for we are well able to overcome it.

**Num 13:31** But the men that went up with him said, We be not able to go up against the people; for they are stronger than we.

**Num 13:32** And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a land **that eateth up the inhabitants thereof; and all the people that we saw in it are men of a great stature.**

**Num 13:33** And there we saw the giants, the sons of Anak, *which come of the giants:* and we were in our own sight as grasshoppers, and so we were in their sight.

The word "Anakims" is used 9 times in the KJV. Outline of Biblical Usage:

1. Anakims = "long-necked"

1. a tribe of giants, descendants of Anak, which dwelled in southern Canaan

There are several occurrences of Giants in Deuteronomy.

In Deuteronomy we read:

**Deu 1:28:** Whither shall we go up? our brethren have discouraged our heart, saying, **The people is greater and taller than we;** the cities are great and walled up to heaven; and moreover we have seen

the **sons of the Anakims there.**

**Deu 1:29** Then I said unto you, Dread not, neither be afraid of them.

**Deu 1:30** The LORD your God which goeth before you, he shall fight for you, according to all that he did for you in Egypt before your eyes;

**Deu 2:10** The Emims dwelt therein in times past, a people great, and many, and tall, as the Anakims;

**Deu 2:11** Which also were accounted giants, as the Anakims; but the Moabites call them Emims.

## Outline of Biblical Usage [?]

1. Emims = "terrors" as they caused great terror upon their worshippers

1. ancient inhabitants of Moab

**Deu 2:21** A people great, and many, and tall, as the Anakims; but the LORD destroyed them before them; and they succeeded them, and dwelt in their stead:

**Deu 9:2** A people great and tall, the children of the Anakims, whom thou knowest, and of whom thou hast heard say, Who can stand before the children of Anak!

**Deu 9:3** Understand therefore this day, that the LORD thy God *is* he which goeth over before thee; as a consuming fire he shall destroy them, and he shall bring them down before thy face: so shalt thou drive them out, and destroy them quickly, as the LORD hath said unto thee.

**Heb 13:8** Jesus Christ the same yesterday, and to day, and for ever.

### **Ebola Airborne? Even the Washington Post Says Its True**

**Ebola is airborne and this nightmare scenario is soon to be visited upon the United State and the world as a whole. This article will validate this claim.**

**In Part One of this series, I noted the following:**

- 1. Ebola is crossing the border in infections as evidenced by multiple insider reports.**
- 2. Seriously ill patients are being directed to LA.**
- 3. The Ebola vaccine should be avoided at all costs. It contains Ebola.**
- 4. Ebola is much more contagious than the government is telling the people and the available science speaks clearly to this fact. In fact, EBOLA IS AIRBORNE AND THIS HAS BEEN KNOWN BY THE CDC AND ITS PARTNERS FORM MORE THAN A DECADE.**
