**++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:**

**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

**II Chronicles 7:14:** "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Psalms 101:3:** I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

**Psalms 11:5:** The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

**1 Cor 15:33:** Be not deceived: evil communications corrupt good manners.

**Lexicon Strong's G3657--Outline of Biblical Usage of the Word:**

"Communications": companionship, communion

**Psalm 91:4-6:** "He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler. **Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; Nor for the pestilence that walketh in darkness;** nor for the destruction that wasteth at noonday."

**Psa 56:1** (David, when the Philistines took him in Gath) **Be merciful unto me, O God: for man would swallow me up; he fighting daily oppresseth me.**

**Jeremiah 1:17-19:** "Thou therefore gird up thy loins, and arise, and speak unto them all that I command thee: be not dismayed at their faces, lest I confound thee before them. **For, behold, I have made thee this day a defenced city, and an iron pillar, and brasen walls against the whole land, against the kings of Judah, against the princes thereof, against the priests thereof, and against the people of the land. And they shall fight against thee; but they shall not prevail against thee; for I am with thee, saith the LORD, to deliver thee.**"

**Proverbs 29:25:** "The **fear of man** bringeth a snare: but whoso putteth his trust in the LORD shall be safe."

**Proverbs 22:3:** "A prudent man **foreseeth the evil, and hideth himself**: but the simple pass on, and are punished."

**Proverbs 3:5&6:** "Trust in the LORD with all thine heart; **and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.**"

**Ephesians 6:11-19:** "Finally, my brethren, be strong in the Lord, and the power of his might. **Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world,**

**against spiritual wickedness in high places.** Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your **loins girt about with truth**, and having on the **breastplate of righteousness**;

And your feet shod with the preparation of the gospel of peace; Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit, **which is the word of God**: Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints; And for me, that **utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel...**"

**Romans 13:14:** "But put ye on the Lord Jesus Christ, and **make not provision for the flesh**, to fulfil the lusts thereof.

[Coronavirus found to have up to 24-day incubation period; CDC releasing Wuhan evacuees in Texas, Nebraska and California after just 14 days](#)

The CDC has already flown hundreds of American evacuees from Wuhan, China to various cities across the United States, including San Antonio, Texas and Omaha, Nebraska. There, evacuees are being quarantined for 14 days, after which they will be released to return to their homes.

This 14-day quarantine is based on an assumption that this nCoV coronavirus has a maximum 14-day incubation period. But what if that assumption was wrong?

What if some patients actually experienced a 24-day incubation period before showing symptoms?

If that were the case, the CDC would be releasing people into the population 10 days too early, effectively contributing to the outbreak.

Guess what? That's exactly what's happening, according to a science paper published on the MedRxiv website, backed by the British Medical Journal and Yale. The study, entitled, "[Clinical characteristics of 2019 novel coronavirus infection in China](#)," is noted as a "preprint" which "has not been peer-reviewed," but the study notes that incubation periods for the coronavirus vary from zero days to 24 days.

A [recent tweet](#) from a Chinese advocacy group known as Himalaya Global eerily warns that **the communist Chinese government is beginning to impose harsh new penalties for Chinese people who fail to report recent travel to Wuhan, the epicenter of the novel coronavirus outbreak.**

The video announcement was made by a Chinese judge who explains that **all recent travelers from Wuhan must now report to the appropriate authorities or else be guilty of endangering public safety. At a *minimum*, violators could face up to 10 years in prison. At a maximum, they could face life in prison or even the *death penalty*.**

## Recommend Protocol For The Corona Virus

Corona Virus or SARS: (Severe Acute Respiratory Syndrome):

Invive 5000ppm (or preferably 10,000 ppm if you can afford it) - 15 cc (= 1 "measuring" TABLEspoon), every 4 hours till asymptomatic.

++Invive 5000ppm Mild Silver Protein ++ When combating an advancing presentation of Corona Virus or SARS within the subject individual, it is "MANDATORY" to maintain a "STEADY STATE" of Silver in your bloodstream every 4 hours = 6 times per day for adults of 120 lbs and up, (but reduced for children via percentage of their bodyweight in relation to 120 lbs.).

AND "at the same time:

1 cc per 40 lbs. body weight I.V., every 48 hours  
= 160 lb. man gets 4 cc of 5000 ppm in 1000 cc drip.

*NB: Re Dosage= we used the 10,000 ppm: The above dosage "is" the dosage that saved our patient in Beijing, but whose Doctor died, and 16 of 16 of the Hospital nurses also died, but our patient survived.*

*Then the Premier of China wanted to know "why" our patient was alive and the 16 nurses were dead.*

*The Premier sent their Chinese representative Mr. Djueng and a Diplomatic Courier to our Doctor's Office in Los Angeles, and our silver was flown DIRECTLY to the Premier of China's office, in a diplomatic pouch bypassing Customs for them to "inspect" and "examine" our cure.*

*BTW:*

*We didn't get a penny, as they just copy catted our formula.*

*But they couldn't discover the molar ratios of certain ingredients, so they could not stabilize if for longer than 6 months.*

*Scott,*

*1.) The Chinese will just cheat you, will copycat our formula again, because that is their proven nature and TRACK RECORD with all products they find.*

*2.) Plus the USA government wants to kill off the Chinese, just like*

*3.) they are killing off the Africans with AIDS.*

*So the USA government will STOP you from shipping anything to China to save the Chinese.*

*The USA government STOPPED US before and turned back our shipments to save Africa.*

*Welcome to the real world/Satan's World.*

**Invest in a "personal nebulizer"** as the M.S.P. can be put into this device and atomized into the lungs and nasal passages. Use **100ppm** Invive Mild Silver Protein strength for nebulizer use.

**Colloidal silver is has the amazing ability to fight and destroy antibiotic-resistant super-pathogens**

**[While employed at UCLA Medical School in the 1980s, Larry C. Ford, MD, documented](#) that silver can actually kill over 650 bacteria, fungi, parasites and molds that have the potential to sprout diseases. At the same time the tests established that silver has no known side effects.**

**[Martin Hum, from the Institute for Optimum Nutrition,](#) lists silver as one of the natural remedies to stop viruses. It is thought to work by interfering with the enzymes that enable viruses, bacteria and fungi to utilize oxygen. In other words, it suffocates and kills them.**

**Small amounts taken daily can boost your immune system and help to prevent colds and flu's. In 2011 the NIH took 100 children under the age of 12 suffering from the common cold and nasal congestion and assigned them into two groups; the first group was treated with a solution of silver and beta glucan, and the second group with saline solution. Even though both groups benefited from the treatment, 90% of the people in the silver group completely recovered.**

Silver Purifies water: **Using two teaspoons of silver with a potency of over 30 ppm can purify one gallon of water shown at recent studies at UCLA.**

Research has shown that consuming silver daily is both safe and effective for boosting and maintaining a healthy immune system.

When an individual uses too much antibiotics over a course of time they can develop a resistance to it. Silver, doesn't create resistance or immunity in the organisms that are killed by it.

The [Centers for Disease Control and Prevention \(CDC\)](#) recently reporting that more than 2 million people in the U.S. suffer illness every year as a result of antibiotic-resistant infections and 23,000 die from these infections. **With this said, individuals should seriously consider looking into using silver as possible substitute for antibiotics.**

With the movement toward fighting disease and infections with natural substances, many are turning toward silver supplements as an alternative to conventional medicine.

**The Citizens of the United States Are Under Medical Martial Law and Your Freedom May Come to an Immediate End Very Soon**

**Dave Hodges--February 4, 2020 - 14:37.**

**In October 2014, I published the essential elements of medical martial law. I am republishing the critical elements here. **(Comment: Go to the link at the end of this report to see that material).** An individual named Celeste has expanded upon this work and a clarification of policies is also presented. Celeste is a former**

insider and her background as a whistleblower will become apparent in this article.

Celeste Solum updated and expanded upon my discoveries from over 5 years ago; here is content, which is derived from excerpts from a video Celeste made 2 days ago. **The most notable difference has to do with how in the last five years we went from written administrative law, to where this material is actually going to be acted upon, and everything you are going to read is now operational. America, you are in the dawn of losing your civil rights.**

**Celeste Solum - "The World As You Knew It Is Over: Medical Martial Law" - Patrons Update 2/2/20**

***Dave Hodges--The HHS and the United Nations are in charge of what amounts to medical martial law. Celeste Solum produced a video in which she laid out many of the elements, from the Federal Register that I covered over 5 years ago. However, Celeste has information which is newer and more detailed than what I originally listed above.***

***America is now under medical martial law because the Novel Coronavirus meets the "preconditions" necessary for this declaration. When one listens to Celeste describe these preconditions, Editor's Note: America is under medical martial since and has been since 2015 (HHS and UN document EFS #8) and one could argue as Celeste does, this dates back to executive orders in 2003. The differences between what Celeste is saying and what I have said are intramural differences only. I want to emphasize, we are under medical martial law and all of us have lost our rights as US citizens.***

***These are some points she covers: A person can be apprehended on the street. There will be forced medical exams. Public health prevention measures to detect virus. Most commonly located at travel centers. Checkpoints to detect health conditions, anywhere, and could include places like in front of your church, end of your block, etc.....***

***Fifth Amendment rights to avoid self-incrimination will not be allowed. Must answer all questions from the government***

***Federal orders of isolation.... You are in quarantine. It will be in writing. Quarantine can include home confinement (like what's happening in China). Permit to travel will be needed and granted or denied by the government. Travel permits will be hard to get and the detail is stunning. The CDC will be the deciding body when it comes to granting the right to travel.***

***Can come to your home and enter without a warrant. Incarceration can be immediate.***

***Celeste talks about the killing of our pets can be required. This is already happening in China.***

***Your insurance will be forced to pay the bulk of transport, testing, and any treatment.***

***There will be no constitutional protections. The CDC will totally have control over your fate.***

***America is already in the status of "precondition to infection". This gives the authorities the ability to control all Americans. Orders of quarantine can be applied to all by all 3rd party notification. Chances are, most of you would never***

**know. But snatch and grabs would still be in effect. If you don't know about quarantine rules, ignorance is not an excuse and criminal penalties will be applied and they are severe**

**In the remainder of her video, Celeste covers the penalties and enforcement related to these policies. They are draconian to say the least. I would recommend that Celeste's video be listened to in its entirety.**
