++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he

saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Psalm 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalm 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

+1+ NEW YORK ISSUES GAG ORDER TO POLICE AND E.M.S. - NO TALK TO ANYONE ABOUT CORONAVIRUS CASES

URGENT: NATO /U.N. Troops Being Called-up for "QUARANTINE OPERATIONS" IN USA; Will Offer to "Buy" Weapons, or take them by **killing**** if opposed**

Americans are about to get a taste of full-out, absolute, murderous tyranny under the guise of the "coronavirus" outbreak. NATO Troops are already being called-up to be used for military Quarantine Operations inside the United States. But this has a twist to it: Troops will be given wads of cash to offer to "buy" weapons in possession of citizens. If they sell -- and reveal WHO ELSE OWNS GUNS-- they will be paid more cash. Those who refuse, WILL BE ATTACKED AND KILLED.

Military strike teams will go to each home where they know guns are owned and offer to "buy" those weapons. If the person refuses, the teams will then attack that home and take the guns by force. Anyone who shoots back will be killed.

Here are the statements from an actual SOLDIER who has been notified of the CALL-up:

I am very experienced and can give you insight on Military Martial Law what really happens.

Army - Tours:

1990-1991 - Desert Shield/Storm/Provide Comfort

1992-1993 - South Korea

1994-1995 - U.N. Mission in Haiti

1996-1998 - Bosnia U.N./NATO Mission IFOR/SFOR

1999-2000 - South Korea

Q. If a Martial law goes into effect for a small city, will people get warning to get home?

A. Yes they are announced in advance, usually 1-2 days with a local time for compliance. Also curfew times and things of this nature are added to the order.

Q. If you are called up when (not if) Marital Law is imposed, will you report? If so and you are ordered to shoot Americans who do not obey, will you shoot them? Have you heard of and what do you think of "Oath Keepers"

How many others in the military, whether active duty or reserves, in percentage terms do you think will refuse to report or desert at the first opportunity and join the "Resistance" when (again not if) martial law is declared?

A. Oath Keeper's are a good group I would suspect. I have seen first hand what people who talk about being a "Bad-Ass" or some kind of Hero, usually they are the first to break-down mentally and have to be sent back to the rear.

The U.S. Military currently is made up of Non-Americans, Millennial's and Generation Z. They will comply with their orders.

The resistance most likely is currently already infected, so there may be 1 or 2 lone-wolfs, which once they start firing at U.N. Soldiers will be terminated with extreme prejudice.

I believe they (TPTB) have been infecting American's for a solid week now

Q. What exactly happens in a Martial Law situation? I understand basic curfews but what else goes down?

Will Vegas' casinos be shut down completely?

How will non-preppers get food and pay bills if businesses are closed? Note that many bars & restaurants rely on nighttime customers.

What will happen to the homeless in various cities?

A. Martial Law's will depend on the Mission requirement. Situations like the Virus outbreak are treated differently in each Country. Medical Martial Laws work for Asian Countries, because the are generally Disarmed and Compliant.

America will be a different bag of chips. We have Gun's & Ammo, many have prepped well, We have Militias and we are use to freedoms no other Country has ever had.

I see Medical Martial Law here first where they 100% shut down and Quarantine just like China.

Then I immediately see Martial Law with Patrols from All Military Branches and many, many Contracted Individuals. American's are not use to Militarized lock-downs so this will not go well at all.

This is why I think they started infecting all of America 1 week ago. Any day now I see people Nationwide complaining of symptoms

Q. What happens to legally owned class III weapons, suppressors, full auto, short barrel rifles, etc? Does the ATF confiscate them ?

A. **The first "Trick" is (Weapons For Cash). I would patrol thru town with cash \$2,000 at a time (In America it may be (\$15,000 - 20,000) asking locals to sell me their weapons. The one's who do, I tell then to give me a list of other's who have weapons and I pay them extra.**

Once all weapons are bought, then we move in with Patrol's going to Suspected homes and offer the opportunity to comply. Those who don't, it will not end well for them.

Make no mistake, this is no virus, it is a bio-weapon and this is a Depopulation Operation.

HISTORICAL REMINDER: *And how we burned in the camps later, thinking: What would things have been like if every Security operative, when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say good-bye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling with terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand?... The Organs would very quickly have suffered a shortage of officers and transport and, notwithstanding all of Stalin's thirst, the cursed machine would have ground to a halt! If...if...We didn't love freedom enough. And even more – we had no awareness of the real situation.... **We purely and simply deserved everything that happened afterward.***

Aleksandr I. Solzhenitsyn , The Gulag Archipelago 1918–1956

Q. How will authorities make known the Confiscation of guns door-to-door?

A. Government connected speakers in every town in America, already, that started in 2008 or 2010. These were installed as **Warning Sirens on telephone poles**, but they're SPEAKERS not mechanical sirens. They can make a siren sound and also put out verbal information (i.e. "Tornado, take cover")

Q. IF THIS DISEASE IS AFFECTING SO MANY AMERICANS THAT QUARANTINE AND MARTIAL LAW MUST BE PUT IN EFFECT, WHERE WILL THE TROOPS COME FROM WHO ARE NOT ALREADY SICK?

A. Countries "Not Hit by Corona" will most likely be the U.N. Soldiers
Look at the corona map Africa and South America look like likely choices for U.N. Personnel

... **At this point, the Soldier declined further questions.**

[COVID-19: US military prepping for coronavirus pandemic--An Executive Order Has Initiated 'Department Of Defense Global Campaign Plan For Pandemic Influenza And Infectious Diseases 3551-13'](#)

It appears that the U.S. military is taking this coronavirus outbreak extremely seriously. **U.S. Northern Command is executing plans to prepare for a potential pandemic of the novel coronavirus, now called COVID19, according to Navy and Marine Corps service-wide messages issued this week. An executive order has been issued which has initiated the implementation of "the Department of Defense Global Campaign plan for Pandemic Influenza and Infectious Diseases 3551-13". We don't know all of the details of the plan, but we do know that it instructs U.S. military officials "to prepare for widespread outbreaks".** Many in the mainstream media continue to try to convince us that this virus is not much more dangerous than the common flu, **but if that is true then why is our military taking such a dramatic step? The following comes from [a Military Times article](#)...**

An executive order issued by the Joint Staff and approved by Defense Secretary Mark Esper this month directed Northern Command and geographic combatant commanders to initiate pandemic plans, which include ordering commanders to prepare for widespread outbreaks and confining service members with a history of travel to China. The Navy and Marine Corps messages, issued Tuesday and Wednesday, respectively, reference an executive order directing U.S. Northern Command to implement the Department of Defense Global Campaign plan for Pandemic Influenza and Infectious Diseases 3551-13.

For now, we are not being told the specific details of this plan, and when Northern Command was asked about it they issued a very vague statement...

"We coordinate with other combatant commands to assess potential impacts in the event of a pandemic and we ensure the U.S. military is poised to respond as required," said Northern Command in a statement emailed to Military Times. "The military profession fosters a culture of planning, and the fact that we are coordinating planning efforts across the geographical combatant commands is consistent with how we prepare to respond, if directed."—Military Times

'It's Coming': CDC Director Warns Coronavirus To Become Widespread Throughout United States, 'Probably Beyond 2020'

February 14, 2020--The extremely virulent coronavirus which is sweeping through China's Hubei province like wildfire will eventually gain a foothold in the United States – becoming a 'community virus' this year or next, according to CDC Director Dr. Robert Redfield.

"We don't know a lot about this virus," Redfield told CNN's Dr. Sanjay Gupta.

"This virus is probably with us beyond this season, beyond this year, and I think eventually the virus will find a foothold and we will get community-based transmission."

"Right now we're in an aggressive containment mode," said Redfield.

STAGED CORONAVIRUS PANDEMIC: An International Criminal Conspiracy of Epic Proportions—CORONAVIRUS—CHEMTRAILS—VACCINES & 5G The Most Premeditated and Highly Organized Depopulation Scheme in World History

Wuhan coronavirus pandemic STAGED to cover-up the public health crisis caused by the intensive 5G roll-out in Wuhan in 2019

SPECIAL NOTE: It's of vital importance for every bioweapon expert, medical researcher, bioengineering scientist and investigative journalist to comprehend the true complexity of this global depopulation scheme and major move toward global governance. That's why the following extensive report is a very long read indeed, which will get even longer with each successive update. The Wuhan coronavirus pandemic is actually an immense and convoluted series of black operations that are taking place on several levels each with multiple layers, in different dimensions and on every continent. This is not 5D chess, its 12D chess; and it's been planned for many decades for this very moment in time. Only with this correct understanding will folks come to apprehend how various furtive operations, which appear to be working at cross purposes, are really ordained by the same plotters. Some of the weightiest explanations articulated below may even seem to be mutually exclusive—they aren't. Some of the most radioactive info/data is only now being emailed to us, as it will continue to be for the foreseeable future; after all, the more time that goes by, the more the hard truths will surface. Therefore, it's the "Updates" posted at the bottom of this page that will contain the most current and sensitive intelligence. The final point here is that "staged" does NOT mean this is a hoax; only that many pieces of this op are choreographed and carried out to have maximum effect on the targeted populations.

QUESTION: Is the bioengineered coronavirus pandemic being purposefully propagated globally in order to further facilitate the military deployment of 5G worldwide?

The answer to that critical question is of paramount importance to every person on the planet because of how forcefully the 5G juggernaut is moving across the land.

We all knew they were going to do something big—VERY BIG!

But the rapidly unfolding depopulation scenario that utilizes the Wuhan coronavirus, 5G, forced vaccinations and chemtrails is quite ambitious by any standard.

There's nothing more sacred to the implementation of the *New World Order* agenda — WORLDWIDE — than the meteoric military deployment of 5G and subsequent build-out of the *Internet of Things* (IoT).

Truly, this absurdly impossible project represents the capstone of the nefarious NWO conspiracy to stealthily inaugurate a **One World Government**.

Nonetheless, the NWO globalist cabal has gone completely mad and they will try whatever they can to set up their long-planned *Global Control Matrix*, which requires a fully operational 5G energy grid as a prerequisite to a fully functioning *Internet of Things*.

Wuhan City was established as an official 5G Demonstration Zone in 2019. The Chinese government planned on using that major metropolis as a showcase for all the 'dazzling' benefits that a 5G energy grid is supposed to offer wireless IT users. Then they planned on setting up Wuhan City as an urban flagship for the *Internet of Things*. **Wuhan City Was expected to have 10,000 5G base stations operating by the end of 2019**

Make no mistake about it: **The activation of a major 5G energy grid in a megalopolis like Wuhan City will inevitably have HUGE health and environmental impacts.** The second they flipped the switch on 5G in Wuhan, the entire populace was immediately exposed to extremely harmful electromagnetic frequencies and microwave radiation.

In point of fact, the specific radio-frequency signal ranges and microwave radiation output necessary to power up a working 5G power grid are well known to be inordinately unsafe and dangerous to human health. As follows:

MILITARY INTEL REPORT Proves Government Has Known 5G Radio-frequency Ranges & Microwave Radiation Are Harmful to Human Health

Not only has the U.S. Military scientifically documented the adverse health effects associated with 5G (as well as 4G and 3G), there is now hard evidence that proves the U.S. Federal Government has knowingly lied about those numerous health hazards for decades. As follows:

Hard evidence proves US gov't lied about 5G. Navy research report confirms numerous health dangers.

Which brings us to the single most perilous aspect of the military deployment of 5G—**KILL ZONES.**

All the scientific evidence available in the public domain now indicates that wherever 5G infrastructure is located in the greatest concentration generating the most powerful EMF and microwaves, those **5G Super-Hotspots** will effectively function as kill zones. As follows:

5G Super-Hotspots: You better know where the “kill zones” are located!

In order to fully grasp the highly destructive and deadly potential of these rapidly emerging **5G Super-Hotspots**, the following video exposé presents a scenario where the most powerful “directed energy weapons” will be located within these 5G kill zones.

5G WEAPONRY: Microwave Radiation Technology Being Deployed as Depopulation Warfare, Full Spectrum Dominance & Total Human Control (Video)

Now, this is where the plot thickens.

The Zionist Government of Israel has made it a global mission to commandeer the military deployment of 5G throughout the world community of nations. Because the future capital for the planned One World Government is Jerusalem, the ruling Zionists know that they must control the entire 5G roll-out, just as they are presently (and unlawfully) doing in the USA. There is no greater promoter of 5G than President Donald Trump, which is why he has even stated with great pride that he can't wait for 6G in the United States!

All of this rabid 5G development and IoT build-out surreptitiously overseen by Tel Aviv **demands an answer to why 5G is not permitted in Israel.**

Answer: **Here's why 5G is NOT allowed in Israel where it was developed**

(Source: **The Secret Agenda Behind the Trump Mideast Peace Plan**)

When you follow the BIG money behind Huawei (*which is the largest telecommunications equipment manufacturer in the world*), it becomes clear that the largest Chinese multinational technology company is really owned and operated by the *International Banking Cartel*.

It's crucial to understand that "*Huawei has deployed its products and services in more than 170 countries. Huawei overtook Ericsson in 2012 as the largest telecommunications equipment manufacturer in the world, and overtook Apple in 2018 as the second-largest manufacturer of smartphones in the world, behind Samsung Electronics*".[1]

Publicly-traded corporations the size of Huawei are only permitted to acquire so much market share with the blessing of the *International Banking Cartel* (IBC). The IBC is in turn overseen by the **Khazarian Mafia** whose headquarters happens to be in Tel Aviv. This is precisely why China was awarded Israel's Port of Haifa contract in 2019 which will actually force the U.S. Sixth Fleet to dock elsewhere. See: [How did China ever win Israel's Port of Haifa contract over the US?](#)

The relatively hidden state of affairs between China and Israel has obscured the profound influence that Tel Aviv exerts over Beijing. That well-concealed relationship developed as a result of China being released from the throes of the Cultural Revolution that ended in 1976 when it was permitted to transition to a market-oriented economy by the *International Banking Cartel*.

"Since the introduction of [economic reforms in 1978](#), [China's economy](#) has been one of the world's [fastest-growing](#) with annual growth rates consistently above 6 percent." [2]

In the case of China, what was imposed by the Western banksters was a novel form of predatory capitalist-imposed slavery after the yoke of communism was removed by the IBC. **That's why there are so many sweat shops all over China today. That's also why 5G has been rolled out in some of the largest Chinese cities without even an iota of safety testing. Powerful transnational corporations (like Huawei) have been granted slaveowner power by the IBC to run corporate plantations all over China.**

The essential point here is that communism was first used by the banksters in China to establish an enormous archipelago of concentration camps for slave-workers nationwide, which were then converted into corporate plantations after the entirely staged 'fall' of communism. For example, Apple, Inc has been frequently blasted for running inhumane factory operations (aka sweatshops) which depict the corporate plantation conditions.

***The Chinese people are exceptionally computer literate, digitally connected and hooked into the wireless paradigm—to their great detriment. Many years of exposure to these destructive energies have addicted them to their various information technologies and devices. It has also rewired their brains in ways they are totally unaware and quite damaging. The same is true in every other nation on Earth where technology rules, but the Chinese are extreme in this regard.**

Wuhan, China was specifically chosen to be ground zero for both the 5G roll-out and the coronavirus pandemic. No one can dispute that Wuhan City has been transformed into a desolate, dystopian 5G demonstration zone where the citizens are literally being used as guinea pigs.

[Why is Huawei setting up 5G base stations all over Wuhan to help fight the coronavirus?](#)

However, these cruel human experiments involve much more than 5G and the coronavirus; they also make use of chemtrails and specific types of industrial pollution generated throughout Hubei Province. China has a well established reputation for wanton environmental degradation, and Wuhan will surely become a post-apocalyptic wasteland when they are finished with it. See: [What in the world are they spraying all over Wuhan City?](#)

Known as “China’s Thoroughfare”, Wuhan occupies a very special place in Chinese history as well as in regard to the astonishing economic boom occurring since the mid-1970s. Whatever happens in Wuhan can deeply affect the rest of the nation as the coronavirus panic has graphically demonstrated. It’s as though the producers of this ‘disaster movie’ quite intentionally chose the capital of Hubei Province to be the epicenter of their NWO horror flick so that all of China would tune in. And so they have!

Wuhan today is considered the political, economic, financial, commercial, cultural and educational center of [Central China](#).^[17] It is a major transportation hub, with dozens of railways, roads and expressways passing through the city and connecting to other major cities.^[23] Because of its key role in domestic transportation, Wuhan is sometimes referred to as “the [Chicago](#) of China” by foreign sources.^{[3][4][5]} The “Golden Waterway” of the [Yangtze River](#) and its largest tributary, the [Han River](#), traverse the urban area and divides Wuhan into the three districts.

Into this Kafkaesque context, enter the fastidiously bioengineered Wuhan coronavirus. There are several high-integrity authorities, as well as scientific research studies, which have described what makes this unusually fatal virus, a lab-produced bioweapon. As follows:

[CORONAVIRUS BIOWEAPON UPDATE: Unique HIV-1 Signatures Confirmed by Team of Indian Scientists](#)

[WUHAN CORONAVIRUS BIOWEAPON: Bioengineered with Virulence Associated Protein \(Video\)](#)

There’s no question that this bioweapon was purposefully bioengineered to target the indigenous Chinese people. In particular, individuals born from that traditional Asian gene pool and bloodline are affected much more profoundly by coronavirus infections. See: [BIOWARFARE: Wuhan Coronavirus is likely another race-targeting bioweapon strategically unleashed throughout China by U.S. military labs](#) Suffice it to say that what the whole world is now witnessing in Wuhan is yet another depopulation event and citizen relocation exercise.

Let’s face it: it didn’t take a rocket scientist to figure out that the very day 5G was activated in Wuhan alongside a recently release virulent flu strain targeting racially susceptible individuals, that people would start dropping like flies. Such an assault on the immune system is guaranteed to take out a big number of city dwellers in a day and a night.

What has really put the coronavirus outbreak on super-steroids is the ongoing chemtrail operations (Comment: Plus all the street and building spraying/disinfection and the crematoriums going 24/7, burning all those PVC bodybags) that put the whole

province under a dark noxious cloud. Chemtrails are commonly used to soften up the residents below by introducing various toxic chemicals and pathogenic biologicals into the ambient atmosphere. Once the bioterrain of any individual has been sufficiently cultivated with triggering toxins and pathogenic micro-organisms, the individual is easily preyed on by highly contagious diseases like the Wuhan coronavirus. See: [CHEMTRAIL SYNDROME & FLU: A Global Pandemic Of Epic Proportions](#)

Few are aware but Wuhan, in particular, is notorious for its year-long episodes of debilitating industrial pollution. Some of this atmospheric engineering is undertaken with purposeful design via specific chemical releases from industrial smokestacks. Exactly what toxic brews and waste products these discharges are composed of is anyone's guess. Nonetheless, industrial airborne effluents in China have reached a whole new plateau of pollution that is also affecting nations near and far.

**When toxic chemtrail aerosols are sprayed on the residents below, who are already exposed to a highly infectious coronavirus while glued to a powerful 5G device after receiving their exceedingly toxic annual flu vaccination, what could possibly go wrong?!*

Let's not forget that the Chinese people have been conditioned (read: socially engineered to get their annual flu shots) to VACCINATE, INOCULATE & IMMUNIZE themselves over many years by the regular serious flu outbreaks which have started in some of the largest metro areas, especially Hong Kong, Shanghai and Guangzhou. With each successive influenza panic, the populace is corralled into the pen of flu vaccine compliance as a means of 'preventing a mass epidemic'. It is their civic duty, they are told, to vaccinate the whole family so as to not spread the latest flu bug to the rest of the neighborhood or to larger community.

[5G is a kill grid that will lead to forced vaccinations! \(Video\)](#)

Undoubtedly, this Wuhan epidemic was set up for years just waiting for the perfect moment for the Satanic powers to press the button.

Undoubtedly, the single most important piece of this captivating psyop is the worldwide initiative to develop a vaccine that will supposedly serve as a prophylactic measure to contracting the coronavirus. Never has there been such a highly coordinated international effort to produce a vaccine in the wake of any previous epidemic or pandemic.

As always, the dangerously untrustworthy World Health Organization (WHO) is leading the global charge to develop a vaccine that is likely impossible to create within the stated time frames. What this really means is that *Big Pharma* has already secretly manufactured massive amounts of a so-called 'Wuhan coronavirus vaccine' (which treats the WHO-named COVID-19) that is ready to be injected worldwide, especially wherever the World Health Organization and Bill Gates have set up their countless vaccination centers in Third World countries.

See: [Bill Gates Accused Of Starting Ebola Outbreak In African Village By Putin](#)

As always, the poorest and least educated nations will be victimized by this meticulously designed psyop. Something so HUGE as this Western-manufactured coronavirus pandemic provides a unique opportunity for the reptiles at the very top of the food chain

to conduct a mass casualty depopulation event the likes of which the world has never seen.

Every person on the planet needs to be aware that this represents only one component of this swiftly manifesting psyop. Surely, this NWO psychological operation will morph and mutate according to the reactions of each national populace on all 7 continents. Then, each [HARDWIRED] locale will be responded to by the authorities in a manner so that sufficient consent is manufactured in order to lock each place down ... **until the whole place is locked down.**

Such draconian measures are already being taken in the rich, industrialized nations such as the United Kingdom. See: [Look at how they're locking down the UK because of the coronavirus!](#)

Given these draconian developments worldwide, particularly with respect to unprecedented police powers being given to law enforcement everywhere, this staged pandemic has all the hallmarks of a classic "Problem~Reaction~Solution" black operation being run by the global intelligence community with the C.I.A., MOSSAD and MI6 taking their usual lead.

There is perhaps no more effective way to foist a totalitarian **One World Government upon the world community of nations than to scare every inhabitant of planet Earth into demanding it. Of course, coronavirus fearmongering appears to be the path forward for the perps at peak of the world power pyramid, and now that they have started the giant snowball rolling down the hill toward global depop, there may be no stopping it.**

There's a very curious connection (and disconnection) between the three most prominent leaders on the world stage today regarding this pandemic which demands further treatment if this important analysis is to withstand legitimate scrutiny.

First, there is President Donald Trump.

It's quite unlikely that Trump knows anything of substance about the real pandemic plot. He simply could not be trusted by the real perps. However, that does not mean Trump is not being used all day long to send messages and make pronouncements that serve the various Zionist agendas, and there are several. What follows is an illustration of his being used as a transparent tool in this way

Both Father Trump and Daughter Ivanka have already demonstrated their zeal for all things 5G, and especially how important it is for the U.S. to stay way ahead of the Chinese in this regard. Why it's so urgent for the US government to fry its citizens before the Chinese government does the same has never been adequately addressed by Trump ... or anyone else in his administration.

Contrary to so much false reporting, 5G has NOT been canceled by Trump nor has its harmful effects been eliminated because it's impossible.....5G is currently undergoing a large-scale military deployment nationwide.

The key point here is that Trump has always placed MIGA over MAGA. He has done the bidding of Israel as no other POTUS in American history. Toward that end, Trump has made the 5G roll-out a major priority throughout his term in office **because it's Israel's top priority.** Not only will Israel gain considerably from the 5G and IoT economic boom, it will provide them with financial independence, which they have been desperately seeking for decades, from every country they routinely fleece and swindle.

Trump's main thrust (and complaint to his antagonists) is that he wants the USA to lead the worldwide 5G revolution, not China. He has taken his vicious 5G war against Huawei to Europe and beyond, even threatening every national Huawei customer with economic and/or financial sanctions. Trump has quite recklessly done all of this after coercing Canada to arrest Huawei's CFO in order to extradite her to the U.S. to face prosecution for violating the his illegal sanctions against Iran—WOW!!! [Here's Why Canada Arrested Chinese CFO for Trump Admin](#)

If ever there was a prez sitting in a roiling stew pot, Jinping is it. While the Chinese president's story is way too complicated to understand in any meaningful way in this short assessment, an accurate understanding of his true predicament will reveal the most radioactive back story of all.

What can be said about Jinping is that he seems to be a typical Chinese leader who places the advancements of information technology over the good health of the citizenry. Just as Beijing has always put China's industrial prowess even over the well-being of the residents living in the capital itself, so, too, is the military deployment of 5G more sacred than the safety of the populace. That the air quality in Beijing is consistently rated one of the worst in the entire world stands as a smoggy testament to this fact.

Clearly, it's way too early to form firm conclusions about Xi Jinping; but how this tragic drama unfolds will certainly reveal the main plot in Beijing, as well as several Chinese sub-plots. In the meantime, the whole world is held captive by the **Wuhan coronavirus pandemic which has all the elements necessary to collapse the *Global Economic & Financial System*. That, too, may be one of the primary objectives of this diligently staged horror show.**

Lastly, there is President Vladimir Putin

Putin has made no bones about the fact that 5G and IoT will be fully integrated within the Russian military to whatever extent necessary to stay ahead of the rest of the world, especially the U.S. military. This stated intention appears to be quite true as Putin knows that existential threats lurk around every corner, and the Russian Motherland has a lot of corners to protect and boundaries to defend.

Putin has not made 5G such a priority for Russian civil society, however. The corporate sector may be developing 5G networks and IoT infrastructure to gain advantage in the global marketplace, but Moscow seems to be relatively uninvolved. The Kremlin is well

aware of the deleterious effect of the 5G paradigm and only appears to promote it when absolutely required—as a defensive psyop tool.

Putin has been on the forefront of so many vital issues where it concerns human health and environmental protection that it would only make sense that he would not endanger the Russian people with a nationwide 5G roll-out; besides, it's impossible to do with any level of integrity in a vast country the size of Russia. Let's not forget the Brits.

As always, the US-UK Empire stands together when the West takes on the East. However, the very nature of the so-called special relationship is that London uses Washington, D.C. to do all of its dirty work. The British are always very careful to elude blame, especially for matters of such great import as they did with the creation of the coronavirus. While there were several parties involved in that genocidal enterprise, the prime mover was most definitely "The Crown" as seen by the very name — "Coronavirus" — *where corona literally means crown*. They did not even try to hide it. As follows:

[CORONAVIRUS was funded and patented by Wellcome Trust \(UK, fake sold to GlaxoSmithKline\), Bill & Melinda Gates Foundation, DARPA, DEFRA \(UK\), World Health Organization, European Commission \(EU\) via THE PINBRIGHT INSTITUTE \(UK\)](#)

Bottom Line: The unintended benefit of all this manufactured chaos by the highest level of the *World Shadow Government* regarding 5G is that it has brought a LOT of awareness — GLOBALLY — to what is now the single greatest threat to humanity and the biosphere. Truly, the exceedingly dangerous military deployment of 5G represents an ongoing event with worldwide apocalyptic consequences.

As always, the NWO cabal looks for ways to distract the entire planetary civilization. Really, is there any better way to do this than with a VERY scary coronavirus pandemic?

At the end of the day *We the People* will be deceived into believing that only global governance can solve this 'dire matter'. And, that only a One World Government can prevent such plagues and pandemics from ravaging humankind in the future.

In this way, the 5G roll-out will proceed forthwith. Even though the 5G energy platform represents the worst and biggest part of the problem, it's being slyly covered up by coronavirus hysteria. The Chinese government is even singing the praises of the now accelerated 5G roll-out in Wuhan and other major cities as a means of battling the coronavirus! See: [Why is Huawei setting up 5G base stations all over Wuhan to help fight the coronavirus?](#)

Really, is there a more efficacious strategy for the perfidious perps to execute their diabolical plan toward total world domination? What better way to accomplish their ultimate objective of global population lockdown via the dictates of a tyrannical technocracy?

There's no quicker way to collapse the *Global Economic & Financial System* than to purposely propagate a highly contagious virus with an alarmingly high mortality rate. The daily headlines have already prove that business and

commerce — **EVERWHERE** — is being radically affected by this intensifying pandemic. See: [BLACK SWAN EVENT = WUHAN CORONAVIRUS PANDEMIC](#)
What is indisputable is that the Wuhan coronavirus bioweapon has all the necessary elements to effectuate of a truly devastating pandemic that can penetrate every sphere of life throughout the entire planetary civilization. Clearly, it was designed this way. Now we wait and see if the Deep State perps will actually pull that “Kill Switch” as a means of carrying out [THEIR FINAL SOLUTION: Market Crash, Dollar Collapse & World War 3.](#)

Conclusion

The preceding narrative is long and complicated, we know. The distillation of this very real multi-decade conspiracy as well as the unending associated scandals is this: that the military deployment of 5G worldwide is the central pillar of the NWO agenda which the globalists will not allow to be put in jeopardy or slowed down by popular protests. Hence, the globalists have conducted the Wuhan coronavirus pandemic scare as a means of misdirecting the medical investigators so that the coronavirus symptoms will instead be blamed for all 5G-induced medical ailments and health conditions.

The worsening plight of the Chinese people has predictably created the context for yet another racially targeted vaccine to be administered first, to the Wuhan control group, and secondly, to the rest of China, and then, throughout the world-at-large. Not only are the medical authorities closely monitoring those who have submitted themselves to past vaccination schedules, they will soon be experimenting with the new series of coronavirus vaccines that specifically address 2019-nCoV.

The other two pillars of this complex depopulation event are **chemical geoengineering** and **industrial pollution**. Not only has Wuhan suffered from a tremendous amount of air pollution due to the extraordinary concentration of industries in the greater metro area, the local population has been subjected to various formulations of chemtrail aerosols, each being sprayed with purposeful design.

5G--Weaponizing the Frequencies: The Coming Tidal Wave

October 17, 2018 [Waking Times](#)

Psychotronic millimeter wave weaponry is coming to a street near you, with the potential to unleash disease on a mass scale. Welcome to the new fifth generation of wi-fi called 5G, where the speed to send full-length, high-definition movies to your ipad is ten times faster.

The Consequences

The *need for speed* has the consequence of going from moderate to severe health effects in record time. Note that 4G operates at 2.5 GHz or oscillates about 2.5 billion times per second. This frequency mimics water molecules in your body, and was chosen specifically for broadcasting services and equipment under government license. This means that all company products must meet this

frequency or be deemed illegal. **For what purpose is matching the human body's frequency, you may ask, other than for weaponization?** Good question.

The higher frequencies of 5G–100 GHz and beyond–will use small-scale wireless refrigerator-sized boxes, placed in front of every 2-10 homes on every street, in every city. As you watch the latest Hollywood movie, you will bask, unaware, in microwave emissions that **oscillate at the same rate as your blood and oxygen molecules.** These frequencies can cause burning sensations on your skin, impact fertility, as well as alter the electrochemical waves of your brain to affect consciousness.

Because 5G frequencies affect oxygen molecules, they affect all biological systems, including DNA, circadian rhythm, heart function, hormonal regulation, and immune system. Hundreds of scientists have expressed concern that humans may experience serious health risks including increases in blindness, cataracts, retinal degeneration, hearing loss, male infertility, cancers, peripheral nervous system damage, impacts on immune cells, red blood cells leading to low cellular oxygen, and impaired transport of nutrients into cells. Impacts on birds and plants may be more severe than the impacts on humans.

Coronavirus Vitamin Solution Not Revealed by the Mainstream Media or Government Health Agencies

Wednesday, February 12, 2020 ([NaturalHealth365](#)) As you may know, we have been a proponent of vitamin C for a wide variety of infectious diseases. Naturally, many of our readers have been quite concerned about the most recent news about the coronavirus outbreak in China.

Well, today, I have some very good news – about **a way to protect yourself naturally** – coming from our friends over at the Orthomolecular Medicine News Service (OMNS). The editor, Andrew W. Saul, PhD has outlined a scientifically valid way to keep your immune system strong. Enjoy the read!!

Press Release: OMNS January 26, 2020

The coronavirus pandemic can be dramatically slowed, or stopped, with the immediate widespread use of high doses of vitamin C.

Physicians have demonstrated the powerful antiviral action of vitamin C for decades. There has been a lack of media coverage of this effective and successful approach against viruses in general, and coronavirus in particular. It is very important to maximize the body's anti-oxidative capacity and natural immunity to prevent and minimize symptoms when a virus attacks the human body. The host environment is crucial. Preventing is obviously easier than treating severe illness.

But treat serious illness seriously. Do not hesitate to seek medical attention. It is not an either-or choice. Vitamin C can be used right along with medicines when they are indicated.

“I have not seen any flu yet that was not cured or markedly ameliorated by massive doses of vitamin C.” (Robert F. Cathcart, MD)

The physicians of the *Orthomolecular Medicine News Service* and the International Society for Orthomolecular Medicine **urge a nutrient-based method to prevent or minimize symptoms for future viral infection. The following inexpensive supplemental levels are recommended for adults; for children reduce these in proportion to body weight:**

Vitamin C: 3,000 milligrams (or more) daily, in divided doses.

Vitamin D3: 2,000 International Units daily. (Start with 5,000 IU/day for two weeks, then reduce to 2,000)

Zinc: 20 mg daily

Selenium: 100 mcg (micrograms) daily

Vitamin C [1], Vitamin D [2],..., zinc [4], and selenium [5] have been shown to strengthen the immune system against viruses.

The basis for using high doses of vitamin C to prevent and combat virus-caused illness may be traced back to vitamin C’s early success against polio, first reported in the late 1940s.[6] Many people are unaware, even surprised, to learn this. Further clinical evidence built up over the decades, leading to an anti-virus protocol published in 1980.[7]

It is important to remember that **preventing and treating respiratory infections with large amounts of vitamin C is well established.** Those who believe that vitamin C generally has merit, but massive doses are ineffective or somehow harmful, will do well to read the original papers for themselves. To dismiss the work of these doctors simply because they had success so long ago sidesteps a more important question: Why has the benefit of their clinical experience not been presented to the public by responsible governmental authorities, especially in the face of a viral pandemic?

+3+ Recommend Protocol For The Corona Virus

Corona Virus or SARS: (Severe Acute Respiratory Syndrome):

Invive 5000ppm (or preferably 10,000 ppm if you can afford it) - 15 cc (= "measuring" TABLEspoon), every 4 hours till asymptomatic.

++Invive 5000ppm Mild Silver Protein ++ When combating an advancing presentation of Corona Virus or SARS within the subject individual, it is "MANDATORY" to maintain a "STEADY STATE" of Silver in your bloodstream every 4 hours = 6 times per day for adults of 120 lbs and up, (but reduced for children via percentage of their bodyweight in relation to 120 lbs.).

++ For More Information or to purchase the Invive Silver go to: <http://www.dr-johnson.com/>

NB: Re Dosage= we used the 10,000 ppm: The above dosage "is" the dosage that saved our patient in Beijing, but whose Doctor died, and 16 of 16 of the Hospital nurses also died, but our patient survived.

Then the Premier of China wanted to know "why" our patient was alive and the 16 nurses were dead.

The Premier sent their Chinese representative Mr. Djueng and a Diplomatic Courier to our Doctor's Office in Los Angeles, and our silver was flown DIRECTLY to the Premier of China's office, in a diplomatic pouch bypassing Customs for them to "inspect" and "examine" our cure.

BTW:

We didn't get a penny, as they just copy catted our formula.

But they couldn't discover the molar ratios of certain ingredients, so they could not stabilize if for longer than 6 months.

Scott,

1.) The Chinese will just cheat you, will copycat our formula again, because that is their proven nature and TRACK RECORD with all products they find.

2.) Plus the USA government wants to kill off the Chinese, just like

3.) they are killing off the Africans with AIDS.

So the USA government will STOP you from shipping anything to China to save the Chinese.

The USA government STOPPED US before and turned back our shipments to save Africa.

Welcome to the real world/Satan's World.

(Note 5000ppm is mentioned here but in an advanced case 10,000ppm can be used)

Calcium & Vitamin D-3 Is Vital For Your Immune System

Most people are not aware of the role that **calcium** plays in our immune system. It is actually one of the chief fuels upon which our immune system runs on. White blood cells are the main tool our immune systems use to destroy foreign infectious invaders. **White blood cells use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis.** If we don't have enough usable calcium in our body, our immune system cannot ramp up, get to and kill these foreign infectious invaders. It's like having a guided missile, with no way of getting it off the ground. Consequently, if you have a low amount of usable calcium in your system, forget about having a strong immune system. It won't happen because it can't happen. And calcium is not something that can be manufactured in the body unless we leach it from our own bones, which over time would lead to osteoporosis. **One of the main signs we are deficient in Calcium during the throws of an infection, is a high body temperature or fever.** One of the things that got me into the alternative health field was a poorly functioning immune system. I have found one of the main components in building a strong immune system is keeping calcium reserves high in the body. The best product to accomplish this is [Davinci Labs CAL MAG 180 tablets](#) or [Davinci Labs CAL-MAG CITRATE POWDER 30 Servings 4.9 oz. \(139.2 grams\)](#). As sufficient stomach acid is essential for the breakdown of not only calcium but protein, iron and several other trace minerals. If low stomach acid is a factor, [Hydro-Zyme \(90 T\)](#) or [Hydro-Zyme \(250 T\)](#) should be taken with the Calcium and with food. Or as an alternative taking 1-2 tsp. with the calcium should do the trick. One other thing that is important when talking about calcium is the Omega-3 fatty acids which are high in flaxseed oil. You see the omega-3 fatty acids in flaxseed oil are necessary for healthy cell membranes and to transport calcium into the white blood cells, where the calcium is used to support cell motility (movement) and phagocytosis (killing the foreign infectious invaders). Of the Omega 3 good fats, flax seed oil is very important. For this I recommend [Genestra Organic Flax Oil Capsules 90 Softgels](#), as flax is a very volatile oil and spoils very easily. It is a risky proposition buying flax oil off the shelf as usually there is no way to verify quality. This is also an excellent protocol for skin protection as Calcium and Omega 3 fatty acids are essential in preserving and protecting the skin. Now if I feel I may be getting run down, I will increase my dosage of these two products until my system is back in balance. If these products are taken in

conjunction with a good whole food multi-vitamin mineral product like **Intramax or the Innate Once Daily formulas** you should be in pretty good shape.

While it is true that fewer illegals are crossing America's southern border in recent months following the largest wave of illegal crossings in America's history during Trump's first three

years in charge of the border, **most Americans are unaware that the Trump administration is paying Mexico billions of taxpayer dollars to hold on to illegals till the election.** ([View Source HERE](#))

Mexico to Receive Billions in Aid From U.S. to Help Solve Immigration Issues

Americans for Legal Immigration PAC is pointing out that President Trump made at least two false statements about America's borders and illegal immigration during his State of the Union speech of February 4, 2020.

President Trump falsely claimed:

"Our borders are secure."

and

"My Administration has ended Catch-and-Release. If you come illegally, you will now be promptly removed. We entered into historic cooperation agreements with the Governments of Mexico, Honduras, El Salvador, and Guatemala. As a result of our unprecedented efforts, illegal crossings are down 75 percent since May — dropping 8 straight months in a row. And as the wall goes up, drug seizures rise, and border crossings go down."

William Gheen of [ALIPAC.us](#) had this reaction:

"President Donald J. Trump lied during the State of the Union speech when he claimed our borders are secure and his catch-and-release of illegals policy has

been ended.

"Illegals still cross our borders each day and night, more than twenty million illegals still roam and work freely in America with little or no fear of deportation, there is no new deportation force as he promised, there is very little wall, and Trump continues Obama's unconstitutional DACA Amnesty while seeking mass Amnesty deals with Democrats.

"While some illegals are sent back to Mexico now, he has not issued any publicized orders to rescind his catch-and-release policies as many illegals continue to flow into America on his watch. More illegals have entered America under President Trump than during any prior time in American history.

"While Trump promised us Mexico would pay for a border wall, instead, he is paying Mexico billions to detain illegals till the election because the historic wave of illegals coming into America under his watch was proving very embarrassing and detrimental to his reelection chances."
