**+1+ IT BEGINS: NY Gov. activates National Guard to create "containment zone" while Colorado Gov. declares State of Emergency**

Tuesday, March 10, 2020 by: [Mike Adams \(Natural News\)](#) Just as we predicted weeks ago through a series of articles, videos and podcasts that were largely mocked and ridiculed by many Trump supporters who still think the coronavirus is a left-wing media hoax, **medical martial law is quickly dropping into place across America.**

In addition to Washington State Gov. Inslee announcing today that the State of Washington would likely be placed under a quarantine lockdown, the Governor of New York has activated the National Guard there to enforce (at gunpoint) a "containment zone" around the small city of New Rochelle.

On the same day, the Governor of Colorado just declare a state of emergency.

The important thing to realize is that **medical martial law is coming to your city even if you don't believe the coronavirus is real.** Martial law gets very real very fast, and a person's opinion doesn't save them from the reality of a viral infection.

If you live in Washington, California or New York and you aren't yet ready to hunker down with a 30-day survival supply, you may have already missed the boat. Lack of preparedness has consequences, and millions of Americans are about to experience those consequences firsthand.

### What is Your Biblical Obligation to Warning Others

Proverbs 18:13: "He that answereth a matter **before he heareth it**, it is folly and shame unto him."

Galatians 4:16: "**Am I therefore become your enemy, because I tell you the truth?**"

Proverbs 26:4: "**Answer not a fool according to his folly**, lest thou also be like unto him."

Matthew 7:6: "Give not that which is holy unto the dogs, **neither cast ye your pearls before swine**, lest they trample them under their feet, and turn again and rend you."

Nehemiah 6:3: "And I sent messengers unto them, saying, **I am doing a great work, so that I cannot come down: why should the work cease, whilst I leave it, and come down to you?**"

There is a time though when the following two verses would apply (which would typically be at the beginning of a debate):

Proverbs 26:5: "**Answer a fool according to his folly**, lest he be wise in his own conceit."

Job 11:2: "**Should not** the multitude of words be answered? and should a man full of talk be justified?"

### Receiving Biblical Correction

Proverbs 9:8: "**Reprove not a scorner, lest he hate thee: rebuke a wise man, and he will love thee.**"

Proverbs 13:1: "**A wise son heareth his father's instruction: but a scorner heareth not rebuke.**"

Pro 9:7: **He that reproveth a scorner getteth to himself shame: and he that rebuketh a wicked man getteth himself a blot.**

Pro 9:8: **Reprove not a scorner, lest he hate thee: rebuke a wise man, and he will love thee.**

Pro 9:9: **Give instruction to a wise man, and he will be yet wiser: teach a just man, and he will increase in learning.**

**If anybody else had tweeted a doctored photo of President Trump playing the fiddle as the new coronavirus spreads throughout the U.S. and wreaks havoc on the U.S. and global economies, the White House would probably protest**

vociferously. But when White House social media director Dan Scavino tweeted out such a photo, saying Trump's next tune is "Nothing can stop what's coming," though, Trump retweeted it with the message: "Who knows what this means, but it sounds good to me!" <https://t.co/rQVA4ER0PV>

Another Comment read: B...Baggins · 3 hours ago--*There are many agents still loyal to Trump. He does not have a lack of intelligence reporting, it is some of the best in the world. The USG knew a couple months ago how dangerous this disease was and there is no reason why the many loyal agents would keep this from the administration. Don't forget these are the same people that believed in 'Q' and his rag tag group of patriot agents. In the end, Trump has consistently shown he has access to good intel.*

*Trump is a globalist. He feigns action and the Republicans will believe anything sold to them from the government just like the democrats will. Two sides of the same coin. The NWO is about to strike you and your loved ones yet you still believe that an 'outsider' (Trump) (who is surrounded by a shocking amount of occult symbolism) is trying real hard to save the day.*

## President's "Urgent" Press Conference Sunday . . . was about FOOD

*"Problem #2: FOOD --*

*A) CROPS -- Last year saw major and long-term flooding throughout the mid-western US, which caused farmers to plant crops very late in the season because the ground was too wet to plant earlier. That meant the "growing season" started very late last season.*

*As harvest time approached, the same mid-western US saw early arrival of Winter. Early freezes **KILLED** much of the crops while they were still in the ground.*

*B) CATTLE -- The flooding which hit the mid-western US drowned over one million head of food cattle last year. This drastically reduced the available stocks of Beef.*

*C) Poultry -- Chickens and Turkey encountered various bouts of low-pathogen Bird Flu which killed many, or forced owners to euthanize flocks.*

*D) Pork -- Pigs encountered Swine Flu, causing many to be euthanized.*

*Shortages of certain fruits and vegetables starting showing up in grocery stores around November.*

*Now, with the outbreak of Coronavirus, and Americans "stocking-up" the drastically reduced food supply is . . . well . . . there's no nice way to say this . . . . running out.*

*The President went to significant lengths in his public statement to assuage people's fears and tell them to stop buying so much. He **HAD** to tell them to slow down because the United States is now literally running out of food."*

### **TRUCKING PROVES THE POINT**

The sources went on to **PROVE** that the availability of food is the actual problem, and **NOT** the ability to get existing supplies to market. They explained:

*"Trucking companies barely have any freight to move. Thousands in that industry are being laid off. Even top carriers like FedEx are laying off drivers for lack of freight.*

*If the trouble with food was getting existing supplies to market, the trucking industry would be humming right along and hiring more drivers. But the reverse is taking place. Thus, the trouble is **NOT** getting existing food to market, the trouble is there is very little food left. There's nothing to transport!"*

The sources also told me

"CEO's with whom the President spoke on Sunday warned him "If the public starts to realize there's not enough food, the run they're making on the system now will be nothing compared to what they will start doing. There will be panic in the streets; you'll have to put tanks and troops at supermarkets to stop the swarms of people."

Yesterday, the Wall Street Journal published a story about the empty shelves in stores nationwide. In that article ([HERE](#)) the newspaper quoted Grocer Executives and this particular section and quote was very revealing:

*"Across the country, lines to get into stores snaked around corners, checkout times stretched as long as an hour and whole aisles were rendered bare this week as companies told more workers to stay home and schools began to cancel classes.*

*Food companies had been preparing for greater demand, but the surge was higher and faster than expected, executives said.*

*"We don't know how to anticipate for that," said Susan Morris, chief operating officer at Albertsons Cos., the nation's second-largest grocer.*

*She said the company spent the past two weeks adding extra stock at its more than 2,200 stores. But "you get to a point in time where products are simply not available." Albertsons said it is also carrying less variety of goods to speed up the restocking process.*

**GET READY: Ten new predictions covering what will happen in America over the next 12 weeks due to the coronavirus**

**Ten predictions of things to come... plan accordingly**

- 1. The hospitals in NYC will shortly be completely overrun. Mass death will follow.** The entire city of New York is probably less than 30 days away from a cascading collapse of hospitals followed by widespread chaos and mass death. Not long after the NYC hospital system collapses, the Seattle system will also collapse, followed by San Francisco. The dead and dying will literally spill out onto the streets.
- 2. The intensity of the desperation among the unprepared masses will soon shift from the "scared" stage to the "violence" stage.** The fist fights and stabbings we already see in the retail stores will soon escalate to shootings and then gang-style armed, organized looting much like an armed flash mob.
- 3. We will soon see entire cities locked down in the USA, or possibly just all major roads nationwide. One way or another, tens of millions of Americans are about to be ordered to essentially "shelter in place."** This will result in lawless chaos in cities like Los Angeles, of course, and infected police will be sent home, resulting in horrifying law enforcement staffing shortages that will ultimately plunge some cities into the kind of chaos that can only be managed with National Guard troops and mandatory curfews.
- 4. Unless the roads are totally locked down, within 6-8 weeks, many people in the cities will begin to flee those cities and swarm the rural areas, desperately seeking food, water, medicine and shelter. This will be a human locust wave of unprepared**

**Leftists** who, just a month ago, were mocking rural preppers as rednecks and kooks. My advice? **Guard your preps with your life** because oblivious liberals aren't coming to your community to act with anything resembling morals or ethics... they're coming to loot, steal and pillage. Beware of the knock on the door with a small child in your doorway who's crying and asking for help. The moment you open your door, there's a gun in your face (or a round coming your way from 200 yards away, which is considered short range for any experienced shooter, by the way). It's the oldest trick in the book.

**5. The run on guns and ammo will expand into runs on communications radios, binoculars and other second-tier prepper items.** Right now, most people are thinking "toilet paper" or "guns." In another week, that thinking will expand into a far more diverse range of preparedness items, including "fishing poles" or "water filters." By the way, did you ever get that night vision monocular you were looking at last year? It sure would be a good time to own some high-end night vision devices.

**6. As I've predicted in an earlier story, some Amazon fulfillment warehouses will also go under lockdown** in certain regions (namely Seattle, San Fran, NYC, Boston, Virginia, Denver, etc.). This means people who rely on Amazon deliveries will be out of luck unless Trump declares Amazon to be critical infrastructure for the nation. But if he does that, he should also declare Facebook, Twitter and YouTube to be "critical infrastructure" and order them all to **stop banning the independent media voices that predicted all this in the first place.** It might be a great time to arrest the criminal CEOs of the tech giants, seize their domain names and restore the First Amendment to America under the banner of "restoring the free flow of information" to help stop the spread of the coronavirus.

**7. It's very likely that Trump will declare UPS, Fedex and the USPS to be critical infrastructure** so that they keep rolling, although it's not clear what exactly they will be shipping if warehouse and distribution hub workers can't come to work and fill the trucks with anything. This relates to the Amazon fulfillment prediction, above. It also brings up the question of grocery stores: Who will work at the food distribution hubs that fill the delivery trucks that supply the grocery chains? [Anchorage Daily News actually published a really good story](#) on that exact topic. Here's a taste of what it says:

*The companies that feed America and provide basic staples are bracing for labor shortages as the coronavirus pandemic intensifies, which could leave them without enough workers to manufacture, deliver and unpack groceries in stores in the coming months. As the virus spreads, supermarkets and distribution facilities face a difficult choice: how to keep shelves stocked with essentials while keeping their workers safe.*

**8** A sort of related prediction to #8 above is that before long **some truckers will refuse to drive into the high-infection zones,** meaning deliveries of food, fuel, medicine and other supplies will cease.

**9.** People who are on prescription medications and who take flu shots **will die in much larger numbers** because medications strip your body of essential minerals (like zinc and magnesium) and nutrients (like antioxidants) that your body needs to fight the coronavirus. And flu shots *weaken the immune system,* making you more susceptible to respiratory invasions. Thus, we are about to witness a global moment of the mass culling of "pharma junkies" and "vaccine addicts." Consider it a global IQ test, and if you take the flu shot every year, you're too stupid to pass the test. (Trust me, that's exactly how Bill Gates views the masses. This whole thing is an engineered event to rid the

world of what globalists call “useless eaters,” which probably includes at least half of the people you know.)

**10. The United States of America as we know it today will not survive the next two years.** Something will change the landscape in a dramatic way, either a geopolitical breakup of the nation, the suspension of elections followed by civil war, a foreign invasion of the USA during our summer of chaos, or other similar events that will end the nation as we know it.

Already we must ask **does the federal government have any capacity to get anything done at all?** If the CDC can't even make test kits available to test for disease — even with a \$6.5 billion budget — we must all begin to ask whether we would be better off if the entire federal government just ceased to exist. **It serves very little purpose** other than to steal money from the taxpayers and lie to us about what it's doing with that money.

Sure, we understand the importance of national defense when facing global enemies like China and Russia, but no informed person has any faith remaining in the CDC, the FDA or even the Trump administration's handling of this exploding epidemic. Even now, Trump is saying that people who show no symptoms won't be tested... huh? For the record, about 25% of all coronavirus infections come from people who show no symptoms. So if you don't test those people, you might as well just condemn the whole country to get infected. That seems to be the federal government's current strategy for a kind of *national suicide*.

The bottom line? **Prepare to hunker down for an extended period of time.** If you still live in a high-density city, prepare for the zombie apocalypse of homeless addicts who can no longer get their fix. Expect the pharmacies to be looted and gutted almost immediately (I should have made that prediction #11), and if you depend on any critical medications, it might be a good idea to try everything you can (that's legal) to get an extra supply.

### What the Bible Says about Trusting in your Own Heart/Opinion or Man-Apart From God

**Proverbs 14:12 & 16:25:** "There is a way which **seemeth right unto a man, but the end thereof are the ways of death.**"

**Proverbs 28:26:** "**He that trusteth in his own heart is a fool:** but whoso walketh wisely, he shall be delivered."

**Jeremiah 17: 9 &10:** "**The heart is deceitful above all things,** and desperately wicked: who can know it? I the LORD search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings.

**Proverbs 18:2:** "**A fool hath no delight in understanding...**"

**Proverbs 16:2:** "**All the ways of a man are clean in his own eyes;** but the LORD weigheth the spirits."

**Jeremiah 17:5:** "Thus saith the LORD; **Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD.**"

**+2+ Top Lawyer: Trump May Destroy Civil Liberties With Interstate Travel Ban**  
President reportedly considering state-to-state lockdown to deal with growing COVID-19 threat

President Trump is preparing to announce an unprecedented interstate travel ban to combat the coronavirus outbreak, according to constitutional lawyer Norm Pattis.

Pattis joined *The Alex Jones Show* on Sunday to reveal what his sources inside the Federalist Society told him: **that Trump is readying a possibly unconstitutional interstate travel ban to mitigate the spread of coronavirus.**

**“I think this is a misplaced gesture on Mr. Trump’s part, believing that if you lock the country down, the virus can’t spread,”** Pattis said. **“It will create more panic.”**

**“What do you need to enforce that? You need an overwhelming show of force around each and every border,”** Pattis continued. **“What institution can do that? I don’t know, I’d like to think this is not a prelude to martial law, but if you’re going to have a rule that needs to be enforced, you need an enforcement agency – and I guess that would be the military.”**

**“I think the president is panicking,”** he added. **“I think that there are forecasts of enormous numbers of deaths and the federal government has been caught unprepared.”**

Pattis explained that the government’s effort to keep the American public safe shouldn’t be at the expense of our civil liberties.

**“I’m not sure we want the government trying to make life risk-free by the suspension of our civil liberties, but I fear that many Americans have come to that point,”** Pattis said.

**“People are saying such things as ‘I am preparing to sacrifice my privacy so long as I get more security.’ I guess the next step as we habituate ourselves to the loss of these things, is ‘I guess I’m now prepared to sacrifice my liberty for the sake of life.’”**

**“There was a time when the rallying cry in this country was ‘Give me liberty or give me death,’ and I think we need to reconsider those words carefully,”** Pattis added.

Setting such a precedent could be used and abused by later administrations any time a public health scare or national emergency occurs.

[BREAKING: Federal government to control and oversee grocery distribution with govt / private sector partnerships: Wal-Mart, Costco, Target, Kroger, top grocery chains to be deemed 'critical infrastructure'...](#)

The US federal government is in the planning stage of implementing a plan to protect and control grocery distribution across the United States via public / private partnerships with top grocery chains such as Wal-Mart, Kroger, HEB (Texas), Target, Costco, etc., high-level sources now tell Natural News. The effort is being made to ensure the smooth delivery of food supplies to the public as a coronavirus lockdown is about to commence on a regional basis, and food supplies are necessary to prevent social unrest, lawlessness and looting. Natural News has learned details of this plan which we are told is in the final stages of being completed, with some measure of rollout to begin as early as just a few days from now in at least one region of the country. We were also told that we got the attention of the administration when I appeared on the Alex Jones Show two weeks ago and delivered predictions numbers that closely matched the classified numbers the CDC and HHS already had, none of which had been released to the public. This "caused alarm" in certain circles, we were told, because the CDC thought they had a leak to Natural News (which apparently would be the end of the world at the CDC). They later concluded that we had reached the same conclusions based on mathematical models, not any leak. I can confirm that nobody from the CDC has leaked anything to us. The reason we have arrived at the same numbers is because I can do math and as a scientist, I understand the principles of epidemiology and exponential spread. My pandemic projection spreadsheet has accurately predicted all the recent deaths with near-perfect accuracy, by the way, and I [released it publicly on March 9th](#), revealing all the math behind the calculations.

*Watchman Johnson, Great news! I already feel a difference in my body from just a week and a half of using the supplements. I'm telling everyone I know about the vitamin C and the silver, but my sincerity to warn others is met with a dismissive attitude, particularly with my pastor and fellow church goers. This makes me so sad. Pastors are telling their flock that preparing is an act of fear. If I wasn't reading the Word for myself I might have believed the nonsense. Oh how quickly they forget that Joseph interpreted the dream to Pharoah of the famine that was to come on the land. He also instructed them to store 7 years of grain and wheat. Gen 41:35-36 Was Joseph a man of fear by reason of being a prepper?*

*Comment: [Heb 11:7](#) By faith Noah, being warned of God of things not seen as yet, moved with fear, prepared an ark to the saving of his house; by the which he condemned the world, and became heir of the righteousness which is by faith.*

**Corona Virus or SARS: (Severe Acute Respiratory Syndrome):**

**Invive 5000ppm (or preferably 10,000 ppm if you can afford it) - 15 cc (= "measuring" TABLEspoon), every 4 hours till asymptomatic.**

**++Invive 5000ppm Mild Silver Protein ++** When combating an advancing presentation of Corona Virus or SARS within the subject individual, it is "MANDATORY" to maintain a "STEADY STATE" of Silver in your bloodstream every 4 hours = 6 times per day for adults of 120 lbs and up, (but reduced for children via percentage of their bodyweight in relation to 120 lbs.).

**++ For More Information or to purchase the Invive Silver go to: <http://www.dr-johnson.com/>**

## Proactive Measures In the Event of a Pandemic

### 5000 Mild Silver Protein (M.S.P.) Suggested Therapeutic Dosing Guidelines

1tsp.-1tbsp. for every 30 lbs. of bodyweight per day; if you have been exposed or if you have a virulent virus/Pandemic. The 1 tbsp. dosage would be used for life threatening situations. This dosage should be equally broken up and taken in 3 hour intervals. Stay at home and avoid contact with the populace till the outbreak passes. If taking the M.S.P. drink at least 8, eight ounce glasses of purified water per day. M.S.P. can be used topically over an infectious site. **Because the 5000 PPM M.S.P. is only available in 4 ounce bottles it would be wise to keep at least a few bottles for each adult family member and 1-2 for each child in your household. View this like an insurance policy that hopefully you will never have to use.** Even if you don't use this product in the event of a pandemic, it can be diluted and taken on an everyday basis to keep the immune system strong.

---

### Invive Mild Silver Protein Protocols For Lung, Sinus, Ear, Eye & Topical Infections

For **lung infections** nebulize 100ppm Invive Mild Silver Protein directly into the lung fields for 3-4 minute intervals several times per day. If you want to make a 100ppm solution (and you have a 5000ppm bottle) just divide 5000 by 100 to get: 50. So you would add 50 parts distilled water to 1 part 5000ppm to make a 100ppm solution.

---

Now with a **sinus infection** the best way to directly go after this is to get any nasal spray atomizer bottle (**Like this one:** <http://sparknaturals.com/index.php/accessories/1oz-blue-glass-nasal-sprayer.html> ) and add 500ppm silver to the bottle. Now to make the 500ppm just add 10 parts distilled water to one part 5000ppm. This will be the strength you use in a nasal spray bottle. One drop of eucalyptus oil to this 500ppm solution is also very good for nasal use. When you use the 500ppm in the nasal spray bottle make sure you tip your head back and spray 3-5 times per nasal passage. You can do this several times per day. You would also want to take 1/4 tsp. of the 5000ppm held under the tongue 3 times a day until you are doing better.

---

For **Otitis Media (ear infections)** (if your ear drops are not ruptured) you need to dilute the Invive Silver to 500ppm for the ear drops. To make this strength from 5000ppm just add 10 drops of distilled water to every one drop of 5000ppm. Use 3-4 drops in each ear 2-3 times per day till better. In reality I really like just plain old 3% Hydrogen Peroxide for ear infections 2-3 drops in each ear. Tilt the head and hold this dose in each ear for 1-2 minutes before tilting your head back. It will bubble and be quite loud and may burn a little so sometimes children are afraid of the Hydrogen Peroxide whereas the silver should not bubble or hurt at all.

For an 8 year old I would administer the 5000ppm silver under the tongue 15-20 drops 3 times a day (hold for 2-3 minutes then swallow) to treat the ear infection internally as well.

---

For an **eye infection like Pink Eye** **only use the 50ppm** Invive Mild Silver Protein Strength. One drop in each eye 3-4 times a day typically works wonders.

---

To make the **AG Cream** (AKA Silver Cream) get some Aloe Vera gel and add drops of the 5,000 ppm silver to the gel to the point just before it starts to liquefy.

### **Invive Silver Dosing Chart for children/babies**

Maximum dosage in case of a severe infection: 5 cc's of the 5000ppm Invive Mild Silver Protein per 30 lbs Bodyweight. 5cc = 1tsp. That means a 30 lb. child receives 5 cc in total per day, **in divided doses** of 1.2 cc q.i.d. (or 4 times a day)

A 10 lb. baby receives 2 cc **in total per day**, in divided doses of 1.6 cc total per day.

In this case (2cc's) that means 7 (drops) Q.I.D. (or 4 times a day)

Q.I.D.= 28 drops total per day divided by 4 = 7 minims (drops) sublingually every 6 hours.

## **Calcium & Vitamin D-3 Is Vital For Your Immune System**

Most people are not aware of the role that **calcium** plays in our immune system. It is actually one of the chief fuels upon which our immune system runs on. White blood cells are the main tool our immune systems use to destroy foreign infectious invaders. **White blood cells use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis. If we don't have enough usable calcium in our body, our immune system cannot ramp up, get to and kill these**

foreign infectious invaders. It's like having a guided missile, with no way of getting it off the ground. Consequently, if you have a low amount of usable calcium in your system, forget about having a strong immune system. It won't happen because it can't happen. And calcium is not something that can be manufactured in the body unless we leach it from our own bones, which over time would lead to osteoporosis. **One of the main signs we are deficient in Calcium during the throws of an infection, is a high body temperature or fever.** One of the things that got me into the alternative health field was a poorly functioning immune system. I have found one of the main components in building a strong immune system is keeping calcium reserves high in the body. The best product to accomplish this is [Davinci Labs CAL MAG 180 tablets](#) or [Davinci Labs CAL-MAG CITRATE POWDER 30 Servings 4.9 oz. \(139.2 grams\)](#). As sufficient stomach acid is essential for the breakdown of not only calcium but protein, iron and several other trace minerals. If low stomach acid is a factor, [Hydro-Zyme \(90 T\)](#) or [Hydro-Zyme \(250 T\)](#) should be taken with the Calcium and with food. Or as an alternative taking 1-2 tsp. with the calcium should do the trick. One other thing that is important when talking about calcium is the Omega-3 fatty acids which are high in flaxseed oil. You see the omega-3 fatty acids in flaxseed oil are necessary for healthy cell membranes and to transport calcium into the white blood cells, where the calcium is used to support cell motility (movement) and phagocytosis (killing the foreign infectious invaders). Of the Omega 3 good fats, flax seed oil is very important. For this I recommend [Genestra Organic Flax Oil Capsules 90 Softgels](#), as flax is a very volatile oil and spoils very easily. It is a risky proposition buying flax oil off the shelf as usually there is no way to verify quality. This is also an excellent protocol for skin protection as Calcium and Omega 3 fatty acids are essential in preserving and protecting the skin. Now if I feel I may be getting run down, I will increase my dosage of these two products until my system is back in balance. If these products are taken in conjunction with a good whole food multi-vitamin mineral product like [Intramax or the Innate Once Daily formulas](#) you should be in pretty good shape.

Subject: **Synthetic Genes/DNA Vaccinations Are Here**

Date: Saturday, March 14, 2020 11:27 AM

Didn't know they would inject "the synthetic gene"

<https://www.organicconsumers.org/news/altering-human-genetics-through-vaccination>

"The first human trial based on this strategy — called immunoprophylaxis by gene transfer, or I.G.T. — is underway, and several new ones are planned." [That was three years ago.]

"I.G.T. is altogether different from traditional vaccination. It is instead a form of gene therapy. Scientists isolate the genes that produce powerful antibodies against certain diseases and then synthesize artificial versions. The genes are placed into viruses and

injected into human tissue, usually muscle."

Here is the punchline:

**"The viruses invade human cells with their DNA payloads, and the synthetic gene is incorporated**

### 60 Lab Studies Now Confirm Cancer Link to a Vaccine You Probably Had as a Child

In 2002, the journal Lancet published compelling evidence that contaminated polio vaccine was responsible for up to half of the 55,000 non-Hodgkin's lymphoma cases that were occurring each year.

What was it contaminated with?

SV40, a cancer-causing monkey virus. The puzzle began in 1994, when Dr. Michele Carbone, a Loyola University researcher, found the virus SV40, which had never before been detected in humans, in half of the human lung tumors he was studying. Since then, 60 different lab studies have confirmed the results, and SV40 has been found in a variety of human cancers, including lung-, brain-, bone-, and lymphatic cancer.

into the recipient's own DNA. If all goes well, the new genes instruct the cells to begin manufacturing powerful antibodies."

Read that again: "the synthetic gene is incorporated into the recipient's own DNA."

Which means alteration of the human genetic makeup. Comment: Like incorporating a cancer causing monkey virus into the human genome?

**Listener Question: Could this be what's going on in Wuhan – a testing ground for all of us??? The Chinese were all given mandatory vaccines last fall**

Posted on February 25, 2020 by David Robinson

The vaccine contained replicating, **DIGITIZED (controllable) RNA** which were activated by 60Ghz mm 5G waves that were just turned on in Wuhan (as well as all other Countries using 60Ghz 5G ) with the "smart dust" that everyone on the globe has been inhaling through chemtrails. That's why when they say someone is "cured", the "virus" can be "digitally" reactivated at any time and the person can literally drop dead. The Diamond Princess Cruise ship was **SPECIFICALLY** equipped with 60Ghz 5G. It's basically remote assassination. Americans are currently breathing in this "smart" dust through chemtrails. Think of it like this.....

add the combination of vaccines, chemtrails (smart dust), pollution and 5G; and your body becomes internally digitized and can be remotely manipulated. Could a person's organ functions can be stopped remotely if one is deemed non-compliant? Wuhan was a test run for ID2020. The elite call this 60Ghz mm 5G wave the "V" wave (Virus) to mock us. We need to vehemently REJECT the attempted "mandatory vaccine" issue because our lives depend on it.

## 'ID2020 Alliance' Will Combine Vaccinations & Implantable ID Microchips

Published on October 31, 2019--Written by Geoffrey Grider

Big Pharma is officially partnering with the tech industry to pair "immunization" with digital biometrics, meaning humans will soon be microchipped, tracked, and ultimately controlled through a global identification matrix. Comment: And this Corona Virus Pandemic will be the

lynch pin to make this all happen.

For years we've been watching as Microsoft founder Bill Gates, now retired from the company he founded (who will not vaccinate any of his 3 children), use his billions to give 'free vaccinations' to people in third world countries. Now Bill has become a founding partner in another company, this one is called the ID2020 Alliance, and its goal is to give every human being on Earth a digital id. How do they plan on accomplishing this feat? By combining mandatory vaccinations with implantable microchips. Genius, isn't it? And coming soon to a theater near you, as the saying goes.

So now you know what Bill Gates and his wife Melinda were really doing over the past 10 years, travelling to third world countries and giving 'free vaccinations' to the poor, downtrodden natives. Those "free vaccinations" were research and a live testing lab to conduct the necessary experiments required to form ID2020.

And as you will see today, this unholy hybrid of vaccinations and implantable microchips is *already happening* in Bangladesh, soon it will be Boston. A page on the Gates Foundation website says that Bill and Melinda have so far invested over \$2.5 billion dollars to this project, with no end in sight.

Can the man who put the world behind a personal computer now put a vaccination microchip digital ID into the global population? Bill Gates is absolutely positive he can, and indeed is well on his way to achieving that goal.

**2Th 2:1** Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him,

**2Th 2:2** That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.

"Let no man deceive you by any means: for *that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;* Who opposeth and exalteth himself above all that is called God, or that is

worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.” [2 Thessalonians 2:3,4](#) (KJV)

Lexicon :: Strong's G646 - *apostasia*

Transliteration: *apostasia*

The KJV translates Strong's G646 in the following manner: to

forsake (with G575) (1x), falling away (1x).

ἀποστασία, -ας, ἡ, (ἀφίσταμαι), a falling away, defection, apostasy; in the Bible namely, from the true religion:

Vaccines now being used to harvest biometric identities of everyone; Big Brother merges with Big Pharma

FROM NATURAL NEWS: The ID2020 Alliance, as it's being called, is a digital identity program that aims to “leverage immunization” as a means of inserting tiny microchips into people’s bodies. In collaboration with the Global Alliance for Vaccines and Immunizations, also known as GAVI, the government of Bangladesh and various other “partners in government, academia, and humanitarian relief,” the ID2020 Alliance hopes to usher in this mark of the beast

as a way to keep tabs on every human being living on Earth. Similar to how cattle are marked with ear tags, this globalist alliance wants all humans to be “vaccinated” with digital tracking chips that will create a seamless

monitoring system for the New World Order to manage the populations of the world with ease.

“WE ARE IMPLEMENTING A FORWARD-LOOKING APPROACH TO DIGITAL IDENTITY THAT GIVES INDIVIDUALS CONTROL OVER THEIR OWN PERSONAL INFORMATION, WHILE STILL BUILDING OFF EXISTING SYSTEMS AND PROGRAMS,” SAYS ANIR CHOWDHURY, A POLICY ADVISOR AT A2I, THE BANGLADESH GOVERNMENT’S “ACCESS TO INFORMATION PROGRAM.”

“The government of Bangladesh recognizes that **the design of digital identity systems carries far-reaching implications for individuals’ access to services and livelihoods**, and we are eager to pioneer this approach,” he adds.

Look at what is on the wall at this high-level meeting of ID2020 employees. Anyone care to guess what you’re looking at?

While the ID2020 program's testing grounds are primarily in the Third World, the group says it's also now working with governments here in the United States to start microchipping people through vaccination.

IN AUSTIN, TEXAS, FOR EXAMPLE, THE HOMELESS POPULATION IS NOW BEING EXPLOITED AS A COLLECTIVE GUINEA PIG FOR ID2020'S MICROCHIP VACCINATION PROGRAM, WHICH THE GROUP CLAIMS WILL HELP TO "EMPOWER" HOMELESS PEOPLE BY SUPPOSEDLY GIVING THEM "CONTROL" OVER THEIR PERSONAL IDENTITY DATA.

"The City of Austin, ID2020, and several other partners are working together with homeless people and the service providers who engage with them to develop a blockchain-enabled digital identity platform called MyPass to empower homeless people with their own identity data," writes Chris Burt for [BiometricUpdate.com](http://BiometricUpdate.com).

MEET THE END TIMES PLAYERS BEHIND ID2020 ALLIANCE, ALL THE USUAL SUSPECTS AND A FEW NEW ONES--VV

**accenture**  
A global management consulting and professional services firm, Accenture joined as a founding partner in June 2017. Accenture representatives participate in ID2020's Executive Board and Technical Advisory Committee.

**Gavi**  
The Vaccine Alliance  
Gavi, the Vaccine Alliance brings together public and private sectors with the shared goal of creating equal access to new and underused vaccines for children living in the world's poorest countries. Dr. Seth Berkley, CEO of Gavi, the Vaccine Alliance, sits on our Executive Board.

**THE ROCKEFELLER FOUNDATION**  
Since 1913, the Rockefeller Foundation has sought to improve the well-being of humanity around the world. The Rockefeller Foundation provided ID2020 with seed funding in 2017 and has been an ongoing supporter of ID2020's work.

**Microsoft**  
The American multinational technology company joined ID2020 in January 2018 as a founding partner. Members of the Microsoft team sit on ID2020's Technical and Program Delivery Advisory Committees.

**IDEO-ORG**  
Created by IDEO, the international design and consulting firm, to design products, services, and experiences to improve the lives of people in poor and vulnerable communities, IDEO.org joined ID2020 in 2018. IDEO.org is represented on our Program Delivery and Ecosystem & Advocacy Advisory Committees.

**ID2020 is also** jabbing refugees with its microchip vaccinations through two inaugural pilot programs known as iRespond and Everest. According to reports, iRespond has "improved continuity of care" for more than 3,000 refugees receiving drug treatments for chronic illness. Everest, on the other hand, has "assisted with the provision of access to critical energy subsidies and a range of additional services with secure and user-centric digital identities without relying on a smartphone," Burt writes.

All of this is priming the public for an eventual *mandate* of microchip vaccinations, which will be required for every individual in order to buy and sell goods. Chowdhury openly admitted this in stating that digital identity systems will be necessary for "individuals' access to services and livelihoods."

**In other words, the Bible is right:** A global identification system is in the works that will eventually be required for people to function in society, and ultimately survive. Without these microchips in their bodies, people won't be able to work, let alone *eat*, and it's all happening right before our very eyes.

Keep in mind that ID2020 is a part of the so-called “REAL ID,” which will soon be required for those who wish to travel. REAL ID will also be used as a backdoor method of implementing mandatory vaccination policies for adults. ## SuperCom introduces Big Brother biometric tracking solution to contain coronavirus

Mar 13, 2020 | [Luana Pascu](#)

SuperCom is providing a tracking biometric technology-based solution for quarantine and isolation monitoring to help governments contain infectious diseases such as the coronavirus, the company announced.

The solution is a scalable electronic monitoring and tracking platform ready for deployment. It includes a waterproof, hypoallergenic Bluetooth ankle bracelet, a smartphone and

SAAS software in the cloud, but is also customizable such as for smartphone-only monitoring. SuperCom says is already speaking with a number of government organizations to roll out the solution globally.

The system monitors patient location in any environment, including in buildings and vehicles, and supports existing healthcare containment models. It comes with smart phone integration, secure communication, advanced security, anti-tamper mechanisms, fingerprint biometrics, voice communication, unique touch screens and extended battery life.

Dubbed **PureHealth**, the solution integrated [PureSecurity](#) technology that has already been used to track and monitor people with location restrictions in the USA, Canada, Sweden, Denmark, Czech Republic, Bulgaria, Estonia, China and Latvia, among others. “Our expertise and advanced technology for monitoring of people in countries around the world uniquely positions us to aid governments in monitoring of individuals which are at risk of spreading the virus,” Our technology is ready for deployment and works within existing healthcare containment models for control and surveillance of patients with infectious disease.”
