They WANT it to spread! [Kaiser Permanente threatens to FIRE nurses for wearing their own N95 masks](#)

**Nurses working at Kaiser Permanente facilities in California face being fired for wearing their own N95 masks while treating coronavirus-infected patients, health care unions are now warning.** The story, [broken by The Intercept](#), is sending shockwaves of disbelief across the internet as people are coming to realize some health **authorities are TRYING to spread the epidemic in America.**

Via The Intercept:

***The California Nurses Association and National Nurses United sent a flyer to members noting that Kaiser had threatened nurses with firing if they wear their own N95 masks, which offer a high level of protection from airborne contaminants, to work. "Kaiser has told nurses that if they're seen wearing their personal N95 masks, they could be fired 'on the spot' for insubordination," the flyer read.***

***Close to 100 nurses and family members gathered outside Kaiser's Oakland Medical Center on Monday night to protest the new guidelines, saying that they put both patients and critical staff at risk. Staff at the center have been caring for patients from the Grand Princess cruise ship, which had at least 21 passengers test positive for Covid-19, the disease caused by the coronavirus.***

**California leaders are literally trying to spread the epidemic, because they can't be this incompetent**

What this means is that health authorities in California are *trying* to spread the coronavirus. This has become increasingly obvious with LA County previously announcing they would no longer even attempt to contain the virus. They ordered doctors to stop nearly all coronavirus testing, which also means halting all isolation attempts to stop the spread from accelerating. Not long before that, Sacramento County ended all quarantine attempts and announced that high-risk people would simply be released from quarantine directives and allowed to spread the coronavirus without limit.

USA NOW LEADS WORLD IN CASES US coronavirus death toll leaps to over 2,000 as number of fatalities DOUBLES in 2 days

**28 March 2020--Over 2,000 people succumbed to the deadly Covid-19 disease in the US, as the country has grown into the global epicenter of the pandemic with over 120,000 confirmed cases, according to the data by Johns Hopkins University.**

The new data marks a two-fold increase in fatalities in just two days. As recently as Thursday, the US crossed the grim threshold of 1,000 cases.

New York, Hawaii and North Carolina beg FEMA for “Disaster Mortuary Operational Response Teams” (DMORT)

*The requests are for HHS Disaster Mortuary Operational Response Teams, or DMORT, which “work to quickly and accurately identify victims and support local mortuary services,” according to a government website.*

*Politico reported Wednesday that the Department of Homeland Security had been briefed that New York City’s morgues were nearing capacity, citing a DHS official and another source familiar with the matter. The New York Post reported on Tuesday that a makeshift morgue was being set up at Bellevue Hospital in Manhattan, citing a source who was familiar with the operation.*

In other words, New York is rapidly running out of places to put all the dead bodies.

This never happens with “just the flu,” of course. That’s because the coronavirus is far deadlier than the regular flu, even if “pandemic denialists” haven’t yet been able to accept that irrefutable fact.

We’ve also learned that refrigeration trucks are being ordered in large quantities from US manufacturers to assist with the transportation of dead bodies. It won’t be long before the US will need to crank up mobile cremation ovens to start disposing of all the bodies of victims, just like we saw in China.

This outbreak has only just begun in the USA, by the way.

---

### Mobile Morgue Trailers Being Deployed Near Major US Cities

The photo -- show two of these trailers stashed on a farm in Joliet, IL, southwest of Chicago.

For those who still erroneously think "This is just the Flu" may we respectfully point out that never before have mobile morgue trailers been deployed for victims of flu.

**This outbreak is NOT "just a Flu."**

---

### New York City Begins Deploying "Mobile Morgues" at Hospitals

The spread of deadly coronavirus in New York City is so bad, that city officials have begun bringing in Mobile Morgue Freezer Trucks to store the dead bodies.

Two are already deployed at Bellevue Hospital in Manhattan, seen in the photo.

Several of these units were brought to 30th Street and the FDR Drive with workers in military uniforms and others in NYPD jackets setting-up tents and other gear at that location as well.

A source familiar with the operation said that additional refrigerated trailers would be brought to the site and that similar set-ups

would be built up outside other hospitals.

Both US aircraft carriers in the Pacific are taken out of action for up to a MONTH after sailors get infected with coronavirus - giving China an almost free hand in the region as Pentagon raises threat level to second highest setting

- USS Theodore Roosevelt and USS Ronald Reagan are the only two US aircraft carriers in the Pacific; both have sailors who have tested positive to COVID-19
- The diagnoses have prompted USS Theodore Roosevelt to port in Guam, where it could be held for at least a month
- USS Ronald Reagan is currently in port in Tokyo, Japan, and it is unclear whether all of its crew will now be quarantined
- China now appears to have a free hand in the Pacific - alarming news given heightened tensions between Beijing and Washington

### You Ain't Seen Nothing Yet – Crime May Explode Soon Due to COVID-19 Current Situation Regarding Police Response in Many Areas

As you may know, it's already policy in many areas, in one form or another, jails and state prisons are granting early release to prisoners who are incarcerated for non-violent crimes like DUI, petty theft, vandalism, driving under suspension, check fraud, burglary, drug possession, etc. Some prisons will also grant early release for more serious crimes like assault, menacing, dealing in narcotics, etc., and state governors can always commute a sentence for anything, including murder, if they choose.

So, what about crimes committed today or in the future. First, most states with shelter-in-place orders are already not pulling over people for speeding and minor traffic violations which also include expired license plates, burned out headlights, etc., due to fear of the officer getting infected and reducing manpower. More serious misdemeanors such as trespassing, assault without battery (physical or verbal threat without actually striking a person), burglary, theft, menacing, harassment, etc. will only be responded to over the phone and the report written up off-site. There are some departments that may show up at your home if it is burglarized for the purpose of making sure that the burglar has left, but as far as my old department, and many more around me and throughout the country, officers are not allowed to enter the homes of victims unless there is an immediate threat, or unless the crime was: murder, aggravated assault (with a weapon), rape, robbery, or violent felonies along those lines. If your gun loathing-family members or neighbors are thinking about getting "curbside service" from the police because someone just stole the stereo out of their Mercedes, they will be in for a big surprise.

I'm going to give some of you a wakeup call, so listen up, as this all applies to you and your family. Criminals are very aware of the current COVID-19 arrest procedures in place at every department in their jurisdiction, and the information

didn't just come of the local TV news. Although local news has covered the new police response procedures, **criminals have a lot of inside information**, such as: how many police are on a shift, how many patrol cars are on a shift at any given time and what areas they patrol, how many police are working on a given day (who is sick, who is off, etc.), which police officers will "work" with them as far as turning a blind eye to minor looting or theft, which shift supervisor is lazy and doesn't care what the police under them are doing, etc.

I have spoken to literally hundreds of criminals on subjects like: the crime they committed for which they are currently serving, what crimes they committed in the past, what crimes they plan to commit (yes, sometimes they actually will tell you!), why they commit crimes, why they feel they are justified in committing crimes, etc. – all of this information was obtained when performing my duties as a pod supervisor, booking officer, court deputy, prisoner transport deputy, and patrol. **Let me give you an idea into the mentality of those who commit violent street crime, and with the exception of the criminally insane, it boils down to one simple thing – they want "stuff."** Currently, there are over one million gang members in the United States, Chicago has over 150,000 and Los Angeles has at least 125,000 – those are small armies.

### Bill Gates Is Quite Confident That He Can Leverage The Coronavirus To Make Every Person On Earth Receive A Vaccination With Digital ID

Whatever you do, when Bill Gates' vaccination is ready, do not take it for any reason. Because when it comes it will come with a digital ID or digital certificate, and it will be evil from stem to stern.

All you have to do is Google 'bill gates digital id' and you will get a plethora of information regarding the very advanced work Bill Gates and his billions have been conducting with regard to getting every human being digitally identified. After you do that, then Google 'bill gates digital

vaccinations' and see what they returns for you. As you begin to do the research, it becomes clear pretty quickly that Bill Gates has a 3-pronged game plan consisting of: Billions of \$ • Vaccinations • Digital IDs by which he is going to carry out his master plan. Is this the Mark of the Beast? No, but you should still avoid it like the plague.

*"And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer." Revelation 6:1,2 (KJB)* It's not the Mark of the Beast because as of this writing, Antichrist has not been released with the opening of First Seal from Revelation 6, no Antichrist, no Mark of the Beast.

We have already shown you how Bill Gates and Microsoft are funding ID2020, and the plan to administer a digital ID with every vaccination. We showed you how Bill Gates has already stated repeatedly that he wants to use vaccinations to control the population through eugenics. But now he is exploiting the coronavirus crisis to greatly accelerate his timeline for the vaccinations and digital ID's.

Using his vast and nearly unimaginable wealth as his credentials, Bill Gates has somehow managed to set himself up as some kind of a epidemiology expert in infectious diseases, and people are listening to him because they want his money. Gates very smartly has been purchasing credibility through endowments from his foundation. It almost seems like he has been waiting for this coronavirus crisis to occur, so he could sweep in as a savior and give everyone their vaccination...and digital ID.

### Drones being used to track people

[TheFreeThoughtProject.com](http://TheFreeThoughtProject.com) March 27, 2020 New York, NY — In a matter of weeks, Americans have watched a police state unfold in front of their eyes. The

phrase “that could never happen here” has taken a back seat to “what will they do next.” Well, next up on the list is the fact that residents in New York and California are now being monitored by drones — and officials are bragging about it.

On Thursday, Police Commissioner Dermot Shea posted a video to Twitter of some of the aerial footage over multiple locations throughout the city of New York, including Carl Schurz Park, Inwood Hill Park and Juniper Valley Park.

Sadly enough, some folks took to the tweet thread to beg the commissioner to bring the drones to their neighborhood. “Come to Borough Park, my neighborhood. Not the case here!” one Twitter user wrote.

“Go to Grand concourse not the case there. Good job officers, keep on doing great things. Praying for all of you,” wrote another.

“...police in California are equipping the drones with speakers to tell people what to do.”

**Coronavirus being used as justification to implement a total surveillance society**

The changes occurring in our world due to the Wuhan coronavirus (COVID-19) pandemic are many, as you’ve surely noticed. Restaurants are closed, people are standing very far apart from one another, and the globalists can’t stop talking about herding the “sheep” into even tighter and more heavily surveilled life prisons.

The most recent “idea” to come out of the deep state’s “crisis” vault is to create a global data-sharing system to track all individuals around the world, and all in the name of stopping the spread of the Wuhan coronavirus (COVID-19).

Like some kind of 9/11 2.0, the government’s almost uniform response to the Wuhan coronavirus (COVID-19) crisis is to up the ante in terms of mass surveillance and human tracking. And mobile phone carriers, as well as the industry groups that represent them, couldn’t be more excited.

At least one mobile phone company recently indicated to the GSM Association, which sets international standards for the mobile phone industry, that it already has the capability to track individuals globally through their mobile devices. This company is said to have discussed the possibility of developing a government tracking system for keeping an eye on pretty much everyone who owns a cell phone.

**The Virus Is Only the Opening Salvo of the Planned Destruction of America**

There is a four-pronged effort to strip away the Constitution and install a totalitarian government, Soviet-style under the leadership of the Democratic Party. The four prongs consist of the following parts:

1. One of the main goals of the Coronavirus, is devastating economic and social destabilizing due to restrictions imposed because of the virus with possible riots (over food). This may be enough to facilitate a regime change

through the electoral process due to the failed economy. If this is allowed to go on long enough, the UN will assert itself on American soil through medical martial law camps. These actions do not preclude the following steps from occurring. As an aside, I was warned a week ago by a senior level federal official, that broke and hungry people are waiting outside of grocery stores and are robbing the weak as they put groceries into their car. Paul Martin just told me the same story via Larimer County Sheriff's department and a member of the Greeley Fire Department that the same thing is going on in Colorado. Beware of this when you shop.

2. Massive TET offensive perpetrated by embedded terrorists, 5<sup>th</sup> column CHICOMS, cartels and MS-13. Assassinations and massive terrorism is the order of the day. A civil war will break out in California and that day is not away.
3. A Red Dawn invasion will be launched and Americans will be attacked through both its southern and northern borders. This is very dangerous because the CHICOMS and the UN already have a foothold in this country.
4. World War III will commence.

America has been totally destabilized by the Coronavirus. The economy is in free-fall, and unless there is a change of direction by President Trump, unemployment will be over 50% and the supply chain chaos will produce economic and social conditions in the country that will make the early days of the Great Depression look like a vacation. Make no mistake about it, the Democratic Party leadership form the basis of this willful destruction of the United States. They are primarily led by most of the Democratic Party California Congressional delegation (eg Pelosi, Harris, Feinstein, Schiff) and people like Bloomberg and Schumer. Their minions, the Democratic mayors and County Commissioners have fallen into line. This group has made a mockery of the Constitution as they are systematically stripping away nearly all civil liberties as they use the virus as the pretext to engineer and launch this Bolshevik Revolution. This is all about control, communist control of all people and the elimination of private property.

## Global Pandemic Response Handing Governments Sweeping Powers They May Never Relinquish

Friday, March 27, 2020--By Paul Martin by Tyler Durden [ZeroHedge.com](https://zerohedge.com)

While the response to the coronavirus pandemic have ranged from mocking the disease (such as Brazil's Bolsonaro) to physically sealing people inside of apartment buildings in China, governments are deploying an array of legislative and technical measures to track and control citizens during the outbreak which has killed over 21,000 in roughly three months.

As the situation deteriorates, many fear that the current efforts to control the virus will have dire consequences for individual freedoms long after the danger of COVID-19 has passed, according to Bloomberg's Ian Marlow – who notes “In desperate times like these, leaders on all levels are going to extraordinary lengths to do whatever possible to contain the virus.”

*Like the 9/11 terrorist attacks in the U.S., the coronavirus pandemic is a crisis of such magnitude that it threatens to change the world in which we live, with ramifications for how leaders govern. Governments are locking down cities with the help of the army, mapping population flows via smartphones and jailing or sequestering quarantine breakers, using banks of CCTV and facial recognition cameras backed by artificial intelligence.*

*The restrictions are unprecedented in peacetime and made possible only by rapid advances in technology. And while citizens across the globe may be willing to sacrifice civil liberties temporarily, history shows that emergency powers can be hard to relinquish. -Bloomberg*

*“A primary concern is that if the public gives governments new surveillance powers to contain Covid-19, then governments will keep these powers after the public health crisis ends,” says Adam Schwartz, a senior staff attorney for the Electronic Frontier Foundation based in San Francisco. “Nearly two decades after the 9/11 attacks, the U.S. government still uses many of the surveillance technologies it developed in the immediate wake.”*

### **How This Pandemic Exposes The Truth About Gun Control**

**Play to 3:09:** [https://youtu.be/Cu\\_GZMw9gjo](https://youtu.be/Cu_GZMw9gjo)

**Leftist tyrants increasingly shutting down gun shops amid coronavirus outbreak, leaving Americans vulnerable to chaos and riots if things turn ugly**

**As more governors and mayors issue “stay-at-home” orders in the wake of the Wuhan coronavirus (COVID-19) outbreak that include mandatory orders to close “non-essential businesses,” we’ve begun to see a pattern here.**

**Most of the city and state leaders issuing the orders are from Left-wing, Democrat-run jurisdictions.**

**But we’re also seeing another pattern: Increasingly, gun stores are being placed into the ‘non-essential’ category and ordered closed, even as the virus spread threatens to get out of hand while grocery store shelves go bare and the stock market tanks — leaving Americans more vulnerable to chaos and death by disorder.**

**As local Fox11 reported Tuesday, the Los Angeles County Sheriff’s Office, acting on orders from mayors and governors, has begun ordering gun shops closed for an indefinite period of time — until the stay-at-home orders are lifted, which is impossible to know at this point.**

**CORONAVIRUS SYNDROME: The Ultimate Genocidal Bioweapon System-- The disease process caused by COVID-19 is best described by the following new disease name: COVID-5G-Hypertoxicity Syndrome**

Posted on [March 19, 2020](#) by [State of the Nation](#)

**EXECUTIVE SUMMARY**

The *Coronavirus Syndrome* is not just a simple coronavirus named COVID-19 by the World Health Organization. It's actually a far more complex pathogenic micro-organism and disease process than the medical authorities are aware of. More significantly, it is the biological etiology and environmental causation that

must be correctly understood if *Coronavirus Syndrome* is to be successfully treated.

There are 3 primary elements of COVID-5G-Hypertoxicity Syndrome as stated in the new disease name.

First, there is the pathogenic micro-organism, that was intentionally weaponized in a U.S. military laboratory as a specific gene pool-targeted bioweapon called COVID-19, which was bioengineered to mutate to elude proper diagnosis as well as morph symptomatically to evade effective treatment.

Secondly, there is the overwhelming impact of 5G, 4G, 3G and other electromagnetic frequency signal ranges and microwave transmissions on vulnerable individuals with respect to triggering COVID-19, as well as sustaining and/or intensifying the disease process.

Thirdly, there is a global chemical geoengineering regime that sprays Chemtrails, as well as a *Super-Vaccination Agenda*, which contribute considerably to the state of Hypertoxicity of each individual who contracts COVID-19, the severity of which is determined by their toxic load or total body burden.

There are several other risk factors such as medical history, overall health status, medical ailments, health conditions, age, diet, etc. involved in the development of *Coronavirus Syndrome*. However, each of those potentially weighty risk factors is patient-specific and will not be addressed in this summary with the exception of the underlying health conditions and prevailing medical ailments.

[Italian Authorities: 99% of Coronavirus Fatalities Had Other Illnesses and Underlying Conditions](#)

After the top 3 causes, the most significant risk factors concern the prevailing medical ailments and complicating health conditions of a COVID-19 patient. All the evidence has born out that those coronavirus patients with certain illnesses and conditions, prior to contracting COVID-19, had a much higher infection rate and mortality rate.

The three greatest clusters of *Coronavirus Syndrome* on each continent were located in 3 major cities which had already experienced what was essentially a military deployment of a 5G power grid. As follows:

“This is also why three of the most serious coronavirus outbreaks on 3 continents — Asia, Europe and North America — took place in major metro areas that had undergone advanced 5G roll-outs—Wuhan, China; Milan, Italy; and Seattle Washington, respectively. Each of these three “5G demonstration zones” have produced the highest COVID-19 infection rates and mortality rates in the world today.”

[\(Source: The Most Fatal Coronavirus Outbreaks and Intensive 5G Roll-outs Conclusively Correlate\)](#)

There is undoubtedly a direct correlation between the intensive deployment of 5G and the incidence of *Coronavirus Syndrome*. All the science has proven that the exceedingly powerful and harmful energies associated with a fully operational 5G system significantly weaken the human immune system. Therefore, people living in “5G Demonstration Zones” will inevitably be much more vulnerable to all the seasonal influenzas, and especially to the highly opportunistic and virulent COVID-19.

## [U.S. Government Has Known About the Serious Adverse Health Effects Associated with 5G for Decades, Hid the Scientific Research Reports from the Public](#)

Because there appears to be a bioengineered capacity for COVID-19 to mutate in vivo, the symptom set can change quickly or slowly thereby eluding proper diagnosis and effective treatment. The longer any patient is exposed to a 5G environment, the more severe the symptoms will be. Similarly, additional symptoms, some of which are quite unusual and life-threatening, will also emerge as the disease process evolves.

Not only does 5G seem to trigger the onset of the *Coronavirus Syndrome*, it also appears to cause an extraordinary mutation and morphing of COVID-19 into an altogether different coronavirus pathogen, which then lies latent in the body well after the patient has been cured. This is quite similar to Epstein-Barr virus which eventually evolves into EBV-Stage 4 after passing through Stages 1, 2 and 3 over decades of latency.

**KEY POINT:** Every SOTN visitor, especially those suffering from a seasonal flu or the coronavirus, is strongly encouraged to read this short coronavirus coaching session about COVID-19 re-infections: [FLASHBACK: COVID-19 Re-Infections Triggered by 5G, Wireless Devices and WiFi Environments — The Coronavirus Coach](#). Then, be sure to send it to everyone you know.

Incidentally, the *Coronavirus Syndrome* is emphatically not caused by a typical flu bug. COVID-19 is a highly sophisticated bioweapon that was deliberately bioengineered to be extremely opportunistic, predatory and pernicious. Hence, the best defense is to avoid infection, especially by keeping the smartphone off and hard wiring all IT devices at home and the workplace. But the most important move anyone can make is to strictly avoid all 5G super-hotspots and IoT spaces such as cruise ships

#### [The Lies of NESARA & the Coming Ascended Masters](#)

**NESARA is the economic and political program of the Antichrist. Known as the National Economic Security And Reformation Act.**

**They will promote it as a Restoration of our Constitutional freedoms, cures for illnesses and new energy sources, financial and banking improvements, removal of corrupt government officials, and the beginning of more peace on Earth and more -- all alleged improvements to begin with NESARA's announcement.**

**They will use this platform to get their feet on the earth and then once they are here they will blame their failures on not being able to implement their program on true believers of the Most High and begin a cleansing program on earth!**

**Others refer to it as "First Contact."**

**Our first official publicized contact with Space Aliens will involve a treaty that implements NESARA here in America. This will be enforced on the entire world as well. These aliens will not look like little green men. Many appear just like us and**

some as tall, angelic humanoid creatures coming as Ascended Masters, Space ship Commanders, Messiahs, those who have reached Godhood, angels, etc.... In Revelation chapter 13 the Bible describes the second beast, the False Prophet, who will enforce a worldwide economic program. NESARA will eventually implement this prophecy.

**And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom, Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. (verses 16-18).**

NESARA is a foot in the door for Satan's alien forces. If they can get people to buy this "peace and prosperity" agenda then they are getting acceptance to come on earth and implement it. **Once these devils are in control they will ratify parts 2 & 3 of NESARA that will nullify part 1 and begin their own agenda of cannibalism and murdering the inhabitants of America.**

**These supposed aliens are liars. They are incapable of telling the whole truth, and nothing but the truth about anything. They are fallen angels, Lucifer's minions spouting the "we want to help mankind" theology. They also refer to themselves as Omegans. There are two leaders of NESARA. Sananda Immanuel also known as Sananda Jesus and St. Germaine. Germaine will present NESARA, "Jesus" will try and deceive mankind he's the Jesus of the church and Christianity. The false prophets in the churches will hail him as the Jesus of the Bible. The deceptions in the last days are going to be extensive, how many would see this guy and not think he's the Jesus of the Bible that they've been conditioned to believe? They have seen this face and picture of "Jesus" all their lives. This isn't what Jesus looks like. The churches have been plastering pictures of Sananda Jesus for years deceiving their congregations that this was Jesus the Messiah who died on the cross 2000 years ago. This is a picture of Sananda Jesus. The Jesus of the Bible DOES NOT look anything like this.**

**Listen:** [Deception Afoot: Maitreya & 'Master Jesus'](#)

**\*\*These images were first portrayed to the masses (hundreds of years ago) by the Catholic Church, and is now also promoted by New Age movement as well. Now this Jesus is always portrayed with long hair and many times a halo (AKA Pagan Egyptian Sun Disk) over his head.**

**Sananda Immanuel claims/admits that Sanat Kumera is his father - Sanat Kumera is another name for Satan**

### **Shroud of Turin- Biblically Debunked**

**Also this "Jesus" doesn't line up with the Word of God:**

**1Cr 11:14** Doth not even nature itself teach you, that, **if a man have long hair, it is a shame unto him?**

**++Scott Johnson's Comment:** Please be careful with any "Jesus" images. These images were first portrayed to the masses (hundreds of years ago) by the Catholic Church, and is now also promoted by New Age movement as well. Now this Jesus is always portrayed with long hair and many times a halo (AKA Pagan Egyptian Sun Disk) over his head.

**Also this "Jesus" doesn't line up with the Word of God:**

Isaiah 53:1 Who hath believed our report? and to whom is the arm of the LORD revealed?

Isaiah 53:2 For he shall grow up before him as a tender plant, and as a root out of a dry ground: **he hath no form nor comeliness; and when we shall see him, there is no beauty that we should desire him.**

**++In other words Jesus Christ was not outwardly/physically handsome like all the pictures (see the one on the right) portray him. The word "comeliness" above is translated 4 times in the Old Testament as: beauty**

### **Sananda Immanuel Or the Master Jesus**

A New Age Site Reads: Sananda Immanuel plays the role of "Jesus" in the astral realm and near death experiences. **He's the one Michaelangelo painted a portrait of, that the churches then accepted as the picture of "Jesus."** Most churches today have pictures of this Sananda hanging in them somewhere. Most believers correlate the picture of Jesus that they see as the real Jesus when it is really this Sananda Immanuel who will come to earth playing Jesus, the Son of God. A very good deception. **The church was groomed for hundreds of years for this one.**

NESARA sounds good until you realize you're selling your soul to the devil to save a few bucks. It's just exchanging one global agenda for another. **NESARA vs. Illuminati with Satan playing both sides.**

How many will be deceived by Sananda when they realize he "looks" and "sounds" just like the Jesus of the Bible? Will they know **this is a DECEPTION?**

**"For many shall come in My Name saying, I am Christ; and shall deceive many"**  
**Matt. 24:5**

**The coronavirus survived for up to 17 days aboard the Diamond Princess cruise ship, living far longer on surfaces than previous research has shown, according to new data published Monday by the Centers for Disease Control and Prevention.**

The study examined the Japanese and U.S. government efforts to contain the COVID-19 outbreaks on the Carnival-owned Diamond Princess ship in Japan and the Grand Princess ship in California. Passengers and crew on both ships were quarantined on board after previous guests, who didn't have any symptoms while aboard each of the ships, tested positive for COVID-19 after landing ashore.

**Subject:** Recommendations and Vital ALL ENCOMPASING information regarding the nCOVID-19 Virus

5 cc (1 teaspoon) of the Invive Mild Silver Protein 5000 ppm, per 30 lbs. of bodyweight (split up dosages), per day. 5000 ppm is the "General" rule in the DDR Doctors Desk Reference for the Practitioners.

These are **GUIDELINES** and are not carved in stone, BECAUSE each case is different. But you have to start somewhere with a Guideline, and then Tailor the dosage to the event PRESENTION.

**BUT** it is ALWAYS necessary to "TAILOR" the dosage to the SYMPTOMOLOGY though, especially when dealing with life and death situations.

Hence one 71 year old man last week who was suffocating on his mucous from the Covid-19 and getting worse, had his Dosage upped from 1 teaspoon of 10,700 every 4 hours (as per the typed "Guidelines"), to 1 teaspoon of 10,700 EVERY HOUR, which (Praise the Lord! "Coincidentally") SAVED HIS LIFE and he is totally well (asymptomatic) now.

Therefore always "TAILOR" the dosage to the Symptomatology of the PRESENTATION. Use at least a 6 pack of the 5000 or better yet a 6 pack of the 10,700 if you can afford it. PS: We haven't raised our prices in 25 years, and only wish to continue SAVING LIVES.

**Symptoms of the Coronavirus can be very similar to the flu, BUT what to keep an eye out for "IS":**

**Symptoms of coronavirus can include:**

- Fever (100.4°F/38°C or higher)
- Cough
- Shortness of breath

**Incubation Period (Before you get sick):**

Will be 1-14 days "before" you have/show symptoms.

That means 2-9 days on average "before you have/show symptoms.

**Once you are sick:**

10 days is length of sickness (unless you succumb/die/pass away first).

**Total length of Sickness:**

14 days incubation

10 days of actual sickness/being ill

=====

24 days total length of sickness.

-----

30 days "still" in your bloodstream

=====

**For a total of 54 days**

**Damage still remaining after Recovery from the Corona Virus in many individuals:**

No sense of smell.

GI problems.

Loss of weight during the illness, with difficulty putting weight back on.  
Struggle breathing as in shortness of breath from damage to your lungs.

**After 24 days/once you recover, you are to take measures to:**

- 1.) Build up/build back your lung capacity/oxygen capacity.
- 2.) Build up your whole body muscle capacity.
- 3.) Because you got "KNOCKED OUT" with a Sledgehammer.

It was also sold in A.C. Barnes Company packaging in solutions of various strengths. A succession of pharmaceutical entities acquired Argyrol over the decades.**

**Yet your MD's/legislators/politicians will not tell you about it.**

**Wikipedia further states:**

**The silver protein molecule in Argyrol has been in use for over 100 years to date, with ample clinical data supporting the benefits and versatility of the silver protein molecule in medicine without the detriment of drug resistance. 1tsp.-1tbsp. for every 30 lbs. of bodyweight per day; if you have been exposed or if you have a virulent virus/Pandemic. The 1 tbsp. dosage would be used for life threatening situations. This dosage should be equally broken up and taken in 3 hour intervals. Stay at home and avoid contact with the populace till the outbreak passes. If taking the M.S.P. drink at least 8, eight ounce glasses of purified water per day. M.S.P. can be used topically over an infectious site. **Because the 5000 PPM M.S.P. is only available in 4 ounce bottles it would be wise to keep at least a few bottles for each adult family member and 1-2 for each child in your household. View this like an insurance policy that hopefully you will never have to use.** Even if you don't use this product in the event of a pandemic, it can be diluted and taken on an everyday basis to keep the immune system strong.

## Invive Mild Silver Protein Protocols For Lung, Sinus, Ear, Eye & Topical Infections

For **lung infections** nebulize 100ppm Invive Mild Silver Protein directly into the lung fields for 3-4 minute intervals several times per day. If you want to make a 100ppm solution (and you have a 5000ppm bottle) just divide 5000 by 100 to get: 50. So you would add 50 parts distilled water to 1 part 5000ppm to make a 100ppm solution.

Now with a **sinus infection** the best way to directly go after this is to get any nasal spray atomizer bottle (**Like this one:**

<http://sparknaturals.com/index.php/accessories/1oz-blue-glass-nasal-sprayer.html> ) and add 500ppm silver to the bottle. Now to make the 500ppm just add 10 parts distilled water to one part 5000ppm. This will be the strength you use in a nasal spray bottle. One drop of eucalyptus oil to this 500ppm solution is also very good for nasal use.

When you use the 500ppm in the nasal spray bottle make sure you tip your head back and spray 3-5 times per nasal passage. You can do this several times per day. You would also want to take 1/4 tsp. of the 5000ppm held under the tongue 3 times a day until you are doing better.

-----  
For **Otitis Media (ear infections)** (if your ear drops are not ruptured) you need to dilute the Invive Silver to 500ppm for the ear drops. To make this strength from 5000ppm just add 10 drops of distilled water to every one drop of 5000ppm. Use 3-4 drops in each ear 2-3 times per day till better. In reality I really like just plain old 3% Hydrogen Peroxide for ear infections 2-3 drops in each ear. Tilt the head and hold this dose in each ear for 1-2 minutes before tilting your head back. It will bubble and be quite loud and may burn a little so sometimes children are afraid of the Hydrogen Peroxide whereas the silver should not bubble or hurt at all.

For an 8 year old I would administer the 5000ppm silver under the tongue 15-20 drops 3 times a day (hold for 2-3 minutes then swallow) to treat the ear infection internally as well.

-----  
For an **eye infection like Pink Eye** only use the 50ppm Invive Mild Silver Protein Strength. One drop in each eye 3-4 times a day typically works wonders.

-----  
**To make the AG Cream (AKA Silver Cream) get some Aloe Vera gel and add drops of the 5,000 ppm silver to the gel to the point just before it starts to liquefy.**

#### **Invive Silver Dosing Chart for children/babies**

**Maximum dosage in case of a severe infection:** 5 cc's of the 5000ppm Invive Mild Silver Protein per 30 lbs Bodyweight. 5cc = 1tsp. That means a 30 lb. child receives 5 cc in total per day, **in divided doses** of 1.2 cc q.i.d. (or 4 times a day)

A 10 lb. baby receives 2 cc **in total per day**, in divided doses of 1.6 cc total per day.

In this case (2cc's) that means 7 (drops) Q.I.D. (or 4 times a day)

Q.I.D.= 28 drops total per day divided by 4 = 7 minims (drops) sublingually every 6 hours.

**Invest in a "personal nebulizer"** as the M.S.P. can be put into this device and atomized into the lungs and nasal passages. Use 100ppm InVive Mild Silver Protein strength for nebulizer use.

**Gas Mask Recommendations:** Invest in gas masks for each member of your household. But remember the gas mask is only as good as the seal to your skin, so don't put all your eggs in this basket. ### **Calcium & Vitamin D-3 Is Vital For Your Immune System**

Most people are not aware of the role that **calcium** plays in our immune system. It is actually one of the chief fuels upon which our immune system runs on. White blood cells are the main tool our immune systems use to destroy foreign infectious invaders. **White blood cells use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis.** If we don't have enough usable calcium in our body, our immune system cannot ramp up, get to and kill these foreign infectious invaders. It's like having a guided missile, with no way of getting it off the ground. Consequently, if you have a low amount of usable calcium in your system, forget about having a strong immune system. It won't happen because it can't happen. And calcium is not something that can be manufactured in the body unless we leach it from our own bones, which over time would lead to osteoporosis. **One of the main signs we are deficient in Calcium during the throws of an infection, is a high body temperature or fever.** One of the things that got me into the alternative health field was a poorly functioning immune system. I have found one of the main components in building a strong immune system is keeping calcium reserves high in the body. As sufficient stomach acid is essential for the breakdown of not only calcium but protein, iron and several other trace minerals. If low stomach acid is a factor, [Hydro-Zyme 90](#)

**T) or [Hydro-Zyme \(250 T\)](#)** should be taken with the Calcium and with food. Or as an alternative taking 1-2 tsp. with the calcium should do the trick. One other thing that is important when talking about calcium is the Omega-3 fatty acids which are high in flaxseed oil. You see the omega-3 fatty acids in flaxseed oil are necessary for healthy cell membranes and to transport calcium into the white blood cells, where the calcium is used to support cell motility (movement) and phagocytosis (killing the foreign infectious invaders). Of the Omega 3 good fats, flax seed oil is very important. For this I recommend [Genestra Organic Flax Oil Capsules 90 Softgels](#), as flax is a very volatile oil and spoils very easily. It is a risky proposition buying flax oil off the shelf as usually there is no way to verify quality. This is also an excellent protocol for skin protection as Calcium and Omega 3 fatty acids are essential in preserving and protecting the skin. Now if I feel I may be getting run down, I will increase my dosage of these two products until my system is back in balance. If these products are taken in conjunction with a good whole food multi-vitamin mineral product like [Intramax or the Innate Once Daily formulas](#) you should be in pretty good shape.
