++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of

darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalms 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil communications corrupt good manners.

Regarding the end times Jesus Warned:

Matthew 24:24: "For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect."

Mark 13:22: "For false Christs and false prophets shall rise, and shall shew signs and wonders, to seduce, if it were possible, even the elect."

I Chronicles 12:32: "And of the children of Issachar, which were men that had understanding of the times, to know what Israel ought to do; the heads of them were two hundred; and all their brethren were at their commandment."

2Co 4:3 But if our gospel be hid, it is hid to them that are lost:

2Co 4:4 In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

2Co 4:5 For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake.

2Co 4:6 For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ.

DECEPTION! "Sentinel Surveillance", "Contact Tracing" and the "New Normal"-- 'NEVER Opening America Again Plan' Hides 1 Fact That Just Changed Our Lives FOREVER!

If you missed the Presidential Press Conference yesterday you missed an event that has changed our lives forever! We, as Americans have been introduced to terms such as "Sentinel Surveillance", "Contact Tracing" and "New Normal". However, even as Orwellian horrific as that is, there was one modification that truly changed our lives FOREVER. It has extended far beyond COVID-19.

Trump and the COVID-19 Team Are Successfully Carrying Out the Most Successful Coup In World History!!!

I cannot legally go to a Christian Church with even common sense restrictions in place, such as social distancing and perhaps even wearing a face mask.

However, I can go to a Walmart, with no real social distancing and virtually nobody is wearing a mask. Meanwhile, Christians are fined \$500 apiece for worshipping Jesus, as well as risking jail time, and Walmart, as a corporation, has more rights than every citizen in the United States.

The First Amendment's right to assemble protects the multi-national corporation named Walmart. However, those same freedoms are denied to Christians. As bad as this may appear, this is the most mild of the transgressions committed against the Republic and its citizens.

The majority of Americans are being denied their right to gainful employment, the right to pay their mortgage/rent, the right buy food on an ONGOING basis, the right pursue life, liberty and the pursuit of happiness. America has allowed its economy to be destroyed. There is no coming back from this financial calamity. In the unlikely event the economy were to be opened today, it would take years to undo the heinous damage created by shutting down the economy in such a reckless fashion.

Mike Adams said it best when he pointed out that we cannot just flip a switch and the economy will come back:

The fascist government has zero interest in helping the people. The bailouts are entirely designed to bail out the wealthy corporations and the banks. The only reason why money is being mailed out to the masses is in the hopes that they will use the money to pay bank loans and credit card debts. In other words, the bailouts are the government's way of bailing out the banks via the consumers who owe money to the banks.

Even more importantly, this money isn't "free." There's no such thing as free money. All the fiat currency money printing comes out of our pockets sooner or later via taxation or confiscation.

Printing money doesn't create wealth. It destroys wealth.

Every dollar sent to a bank or a corporation as part of the bailout scheme is a dollar that must be stolen from the American people one way or another. Large-scale bailouts are really nothing more than large-scale looting of the pockets of the American workers.

Once the bailouts begin, everybody scrambles to get their share of the bailout in order to avoid being left behind. It's rational to accept bailout money if the bailouts are under way, since you need the extra cash to compensate for the erosion of the purchasing power of the dollar that's being accelerated by the bailouts themselves.

In the end, however, everyone loses as prices for consumers goods and services skyrocket due to an increased supply of fiat currency chasing a limited supply of goods. It's Economics 101.

Not to Worry, Trump and the COVID-19 Team Designed An Open America Plan People are calling me and are celebrating their perceived new-found freedom. I have to caution them, "not so fast, have you read the details of the COVID-19 Team and Trump?"

While most of America is hailing Trump as a savior for their world, because America is now going to be open for business, these people should do some fact checking.

It is true that Trump stated that he can't wait to attend a sporting event with a large crowd present. That sounded good to an enslaved nation. However, the devil is in the details as laid out by the [CDC](#).

Who Is Marina Abramovic and the Inconvenient Truth About Bill Gates | IF YOU ONLY KNEW

Play with sound off and read the words: <https://youtu.be/1roOtZ7eIUg>

Microsoft Partners With 'Performance Artist' Marina Abramovic Who Is Actually A New Age Witch Who Engages In 'Spirit Cooking' And Satanism

Marina Abramovic is a New Age witch who hides behind performance art to promote Satanism, witchcraft, and all the rest of her demonic nonsense. So with that, let's take a look at what Microsoft, the same company who is funding ID2020, is doing with

Abramovic. Of course, me writing all these words are actually completely unnecessary, because when you watch the promotional video Microsoft has produced to promote her, it's lights out and case closed.

Microsoft is the company that funds Mark of the Beast digital

identification company ID2020, and now they are promoting New Age witch Marina Abramovic who is best known for the satanic practice of spirit cooking. Is this really someone you would want to enter into holographic mixed reality with?

I suppose you can get away with just about anything if you call yourself a 'performance artist' instead of what you actually are, in this case we are talking about a High Priestess of modern-day Satanism, Marina Abramovic. She is a wicked woman whose 'performance art' usually revolves around snakes, pig's blood, images of Baphomet, and all the rest of that garbage. But nothing to see her, people, Marina is just an 'edgy performance artist', that's all. Yeah, right.

***"And he caused his children to pass through the fire in the valley of the son of Hinnom: also he observed times, and used enchantments, and used witchcraft, and dealt with a familiar spirit, and with wizards: he wrought much evil in the sight of the LORD, to provoke him to anger."* [2 Chronicles 33:6](#) (KJB)**

Take a look at an article published by the UCLA Center for European and Russian Studies back in 2018, where they calmly and rationally discussed the rise importance of witchcraft in Hollywood. It's not simply enlightening, it's a stunning eye-opener, and of course we see Marina Abramovic featured prominently in it.

"We seem to be living in bewitched times. Witches are everywhere, or rather: victims of alleged witch hunts pop up all over the place, preferable on Twitter or other social media outlets. Pop-stars perform as witches, like Katy Perry in her performance at the 2014 Grammy awards, where she appeared in a long hooded cloak before a crystal ball, while later dancing with broomsticks as poles. Beyoncé's visual album "Lemonade" (2016) made several explicit references to black witchcraft rituals. Azealia Banks proclaimed on Twitter that she practiced "three years' worth of brujería" (witchcraft) and tweeted, while cleaning the blood-smeared room used for her animal sacrifices. (2016).

Marina Abramovic's performance piece "Spirit Cooking" (1996) was used in the infamous Pizzagate conspiracy theory of 2016 accusing Abramovic and the Hillary Clinton campaign of practicing witchcraft rituals and occult magic. Meanwhile, thousands of people coordinate binding spells against political leaders (#bindtrump) and Silvia Federici's seminal book "Caliban and the Witch" moved from the bookshelf to the bedside table for many art professionals." So with that, let's take a look at what Microsoft, the same company **who is funding ID2020**, is doing with Abramovic. Of course, me writing all these words are actually completely unnecessary, because when you watch the promotional video Microsoft has produced to promote her, it's lights out and case closed.

Now if you have any discernment, after everything we present to you here, the last place you want to be is in a virtual world with a New Age witch known for satanism, gore and cannibalism. But this is where evil end times company Microsoft wants to take you, don't go.

Performance artist Marina Abramovic breaks new ground—in mixed reality
FROM MICROSOFT: Marina Abramovic is likely the most acclaimed performance artist living today. Known for risky performances that push the limits of human endurance, it's difficult to overstate her importance within the art world and pop culture at large.

So on Good Friday Bill Gates' new Microsoft ad dropped featuring prominent satanist Marina Abramovic who makes "art" out of blood, gore and cannibalism.

— Joslyne Raquel (@joslyne_raquel) [April 13, 2020](#)

<<Ahh, the beauty of 'performance art'

*"Any **medium**—visual, aural, even material—is really just a conduit for the energy of the artist to reach the understanding of the audience. In mixed reality we've achieved the first **medium** capable of presenting a recorded performance as an event happening now."*

Marina's most recent piece, The Life, further solidifies her unconventional and innovative approach to performance art—it's her first artwork to harness mixed reality. Brought to life with the HoloLens 2, the 19-minute performance follows Abramović, whose phantom-like virtual image appears in a vibrant red dress as she explores the space and its

borders. Viewers become mesmerized by her mindful movements, her virtual image dissolving as she interacts with the installation's borders.

For the first time, viewers are able to experience performance art without boundaries—and without the artist technically being "present." As soon as they don the HoloLens 2 headset, Abramović's fully realized form takes shape before their eyes.

Prepare Yourself For The One World 'Together At Home' Hollywood Freak Show Brought To You By Global Citizen And The World Health Organization

Regular readers of Now The End Begins are already well aware of the Global Citizen people, they came on our end times radar last year. **You will recall we told that Global Citizen is controlling billions of dollars to promote a One World Agenda and last year are used Hollywood satanists like John Legend as frontman on an Illuminati All-Seeing Eye stage set. Yeah, those people. Is anyone surprised to**

find the evil World Health Organization on the same bill with Global Citizen for the One World concert this weekend? We're not.

Take a long, hard look at the image of Lady Gaga in the main graphic, are you getting the message their sending you? By their own words, it is a One World concert whose headliner is a New Age Illuminati satanist, and it's being funded by

a group called Global Citizen. And just so you know, the Lady Gaga pic was taken from official One World 'Together At Home' branding.

"And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon

his heads the name of blasphemy. And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority."

[Revelation 13:1,2 \(KJB\)](#)

I am fully expecting to see multiple pitches from the performers prompting them to take the vaccine when it is ready, and to accept the digital identification from ID2020. Maybe a cameo or two from [Bill Gates](#). The One World 'Together At Home' New World Order music fest will be broadcast this Saturday evening April 18th starting at 8:00 pM EST.

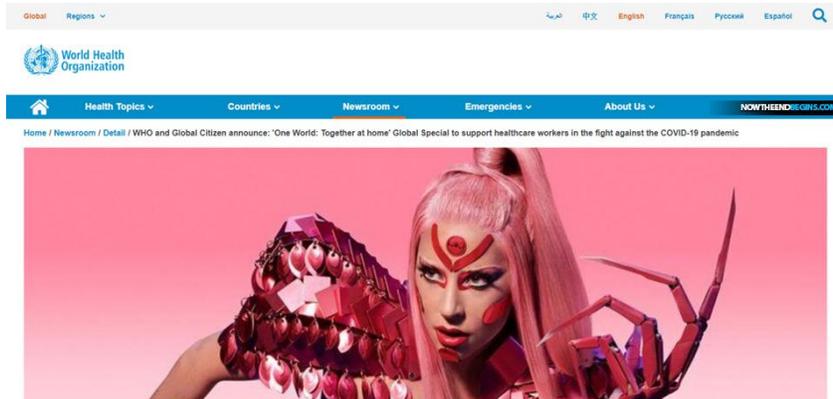

Careful observers will note in the video below that the main icon for Global Citizen is a satanically-inspired swirling red circle, the main image in their marketing is a completely red-covered planet, and the top and bottom open hands over a home imagery is giving your the "as above, so below" found in Illuminati Hollywood and Freemasonry. Take another look at Lady Gaga, a long hard look.

What is One World: Together At Home?

The UN and the World Health Organization (WHO) asked Global Citizen to support their COVID-19 response by bringing the world together through music and inspiring everyone to take action. With an exceptional group of artists, Global Citizen is now

launching One World: Together At Home.

THE END TIMES ARE IN FULL SWING AS YOU CAN CLEARLY SEE FROM THIS OFFICIAL ANNOUNCEMENT FROM THE WORLD HEALTH ORGANIZATION, THE SAME GROUP WHO ALONG WITH BILL GATES WANTS TO

WHO and Global Citizen announce: 'One World: Together

VACCINATE AND CHIP YOU.

Get your Satanic Brainwash on at!!!!: One World: Together At Home is a historic, cross-platform global special that will celebrate and support healthcare workers and others on the frontlines, and the World Health Organization (WHO) as they lead the fight against the COVID-19 pandemic. The broadcast will include leading global health experts alongside exciting performances by the world's top artists and comedians.

Luciferian & Satanist 'Bill Gates is continuing the work of Monsanto', Vandana Shiva tells FRANCE 24

Our guest is Vandana Shiva, a world-famous environmental activist from India. Her latest book is entitled "One Earth, One Humanity vs. the 1%". She tell us about more her opposition to big multinationals such as Monsanto for their nefarious influence on agriculture. But Shiva also singles out billionaires like Bill Gates and Mark Zuckerberg for criticism. "When Bill Gates pours money into Africa for feeding the poor in Africa and preventing famine, he's pushing the failed Green Revolution, he's pushing chemicals, pushing GMOs, pushing patterns", she tells FRANCE 24's Marc Perelman.

**White House Petition Passes 100K Signature Threshold To Have Bill & Melinda Gates Foundation Investigated For Connections To Wuhan Outbreak
Public concerned about Gates' depopulation agenda, vaccine and virus patents, and microchip ID scheme**

Infowars.com - April 19, 2020--**A White House petition calling for the investigation of the Bill & Melinda Gates Foundation has amassed nearly 300,000 signatures, triple the threshold that requires an official government response.**

The petition that began last week, called "[We Call For Investigations Into The 'Bill & Melinda Gates Foundation' For Medical Malpractice & Crimes Against Humanity](#)" reads as follows:

As we look at events surrounding the "COVID-19 pandemic," various questions remain unanswered. On Oct. 18th of 2019, only weeks prior to ground zero being declared in Wuhan, China, two major events took place. One is "Event 201," the other is the "Military World Games," held in none other than Wuhan. Since then a worldwide push for vaccines & biometric tracking has been initiated. At the forefront of this is Bill Gates,

who has publicly stated his interest in "reducing population growth" by 10-15%, by means of vaccination. Gates, UNICEF & WHO have already been credibly accused of intentionally sterilizing Kenyan children through the use of a hidden HCG antigen in tetanus vaccines.

Congress & all other governing bodies are derelict in duty until a thorough and public inquiry is complete.

Additionally, a separate petition rejecting the use of Bill Gates' planned mass vaccinations and microchip ID technology has also accrued over 38,000 signatures in a week.

"ID2020 is a plan put in place by bill gates to impose mass public vaccination and show 'vaccine status' through a microchip or 'ID' injected under the skin," the petition reads.

The minimum requirement for an official White House response to "We The People" petitions is 100,000 signatures, meaning the Trump administration must address the public's concerns about Bill Gates and his connections to the Wuhan coronavirus pandemic.

New systems to track who is infected and who isn't, and where they've been, have been created or extended in China, South Korea and Singapore. And a range of other surveillance systems – some utilizing GPS location data, some gathering medical data – have been debated or piloted in Israel, Germany, the U.K., Italy and elsewhere.

The challenge: achieving the tricky balance between limiting the spread of disease and allowing people freedom to move outside their homes.

Whether the prospect on the table is “immunity passports” or cellphone-based tracking apps, the aim is to protect public health. But experts say it's also important to avoid a slippery-slope scenario where data collected to minimize the spread of disease is stored indefinitely, available without limits to law enforcement or susceptible to hackers.

JUDGE: HEALTH DEPT MUST PROVIDE ALL COVID-19 PATIENTS' NAMES TO POLICE...

The McHenry County, Illinois, Health Department (MCHD) had refused to provide the names of all coronavirus (COVID-19) patients to police – but, on Friday, Judge Michael Chmiel ruled the MCHD must do so.

The McHenry County state's attorney's office had sued MCHD to force it to begin supplying patients' names to local law enforcement, prompting the judge's ruling,

AIRLINE TESTS BLOOD OF PASSENGERS FOR COVID-19 BEFORE THEY FLY

One airline is now administering blood tests to passengers before they board flights amid the coronavirus pandemic, it announced on Wednesday.

Emirates said this week that on a Wednesday flight to Tunisia from Dubai, passengers "were all tested for COVID-19" before departing by way of blood tests conducted by the Dubai Health Authority at the airport's check-in area, and "results were available within 10 minutes."

German Lawyer Sent to Psych Ward for Organizing Protest Against COVID-19 Lockdown

German Lawyer Beate Bahner was sent to a psych ward for organizing a protest against COVID-19 lockdown. Resistance to mass house arrest is mental illness. Tyranny is here. A German lawyer was committed for organizing a protest against COVID-19 lockdown.

In the Soviet Union, activists were sent to state psychiatric wards. According to the state, any and all opposition to government policy was considered a form of mental illness.

Prior to her arrest, which she resisted, Bahner's website was shut down at the request of the Mannheim police, according to the newspaper.

In America, the state has yet to lock dissidents up in mental institutions, although police have threatened people for attending church services and disobeying social distancing mandates.

In Mississippi, parishioners were fined \$500 for attending a drive-in church service. In Massachusetts, the governor and local government control freaks ordered citizens to wear masks. The city of Lynn imposed a mandatory curfew. Authorities in Minneapolis charged twenty-three people with violating stay-at-home orders.

In Australia and Britain, police are fining citizens for daring to go outside (doing so in Queensland will result in a \$100k fine). The dictator president of the Philippines, Rodrigo Duterte, has ordered police and the military to shoot and kill all in violation of an iron-fisted lockdown.

As a nation-wide lockdown and draconian measures destroy business, jobs, and lives, people are beginning to resist.

In Michigan, protesters gathered outside the state capitol to denounce Gov. Gretchen Whitmer's lockdown.
