Coronavirus is now the **3rd** leading cause of death in U.S.

Saturday, April 04, 2020

**(Natural News) We're all getting a little tired of hearing about coronavirus, but a new statistic underscores just why the disease is worthy of so much attention and concern: It is the third-leading cause of death in the U.S. at the moment. In fact, coronavirus is killing more Americans every day than diabetes, stroke, lung disease and Alzheimer's disease. Right now, 748 Americans are dying each day from coronavirus, which**

Total Coronavirus Deaths in the United States

means it is outperformed only by heart disease and cancer at 1,774 and 1,641 deaths, respectively.

[Crematoriums in New York City are so overwhelmed with bodies of coronavirus victims they are running 24/7, the same as they were in China](#)

[As \*The Wall Street Journal\* reported Friday, the volume of coronavirus deaths has gotten so high that regulators in New York City have authorized crematoriums to operate 24 hours a day, seven days a week.](#)

Before the new authorization, some crematorium operators were already working 16-hour days, the paper said, in order to process double and sometimes triple the number of bodies they normally do.

In fact, a number of operators told the WSJ they are now booked a week in advance.

The workload has become so intense that one crematorium operator had a disturbing request for the public.

“It would be good if everyone, for the public good, would explain to families not to go for a wooden casket,” Richard Moylan, president of Green-Wood Cemetery, one of four crematorium operators in the Big Apple said.

He said that cloth-covered caskets that are built using light wood or fiberboard burn faster than wooden caskets, thus making it easier for them to process more bodies on a daily basis.

“It would be better if everybody just used a simple cardboard box,” he said, the WSJ reported.

The paper adds:

*Funeral directors and cemeteries around New York City are struggling to service the spiraling number of deaths in the epicenter of the nation’s coronavirus crisis. More than 1,560 people have died so far in the city after being infected by the disease.*

*The deaths are straining services that cater to grieving families and the dead. Federal and local agencies have dispatched about 130 refrigerated trucks to serve as temporary morgues for hospitals around the state.*

**Rikers Island Prisoners Are Being Offered PPE and \$6 an Hour to Dig Mass Graves**

March 31 2020, 11:54 a.m.

[New York City](#) is offering prisoners at Rikers Island jail \$6 per hour — a fortune by prison labor standards — and personal protective equipment if they agree to help dig mass graves on Hart Island, according to sources with knowledge of the offer.

The offer comes as New York City continues to be the epicenter of the coronavirus pandemic in the United States. New York City owns and operates a public cemetery on

Hart Island, which has long been maintained by prison labor. The island was identified as a potential resting place for a surge of bodies in the event of a pandemic by a 2008 report put together [by the NYC Office of Chief Medical Examiner.](#)

The city document proposed employing the Department of Defense's "temporary mass internment method," which places caskets 10 in a row, head to foot, so as not to stack them on top of each other.

## Shocking Expose Proves Thousands Of COVID-19 Deaths Have Gone Uncounted In The US: Live Updates

[ZeroHedge.com](#) Sun, 04/05/2020

Two reporters from the New York Times purport to have found evidence that health officials, often at the local or county level, are dramatically undercounting coronavirus deaths in the US. Citing information and documents provided by "doctors, hospital officials, public health experts and medical examiners," among others, the reporters claim that potentially thousands of deaths have gone uncounted, meaning the total is probably closer to 20k – or beyond – than the roughly 10k (9,180, per JHU) reported so far.

Unfortunately, since the patients have died, there will be few – if any – opportunities for these discrepancies to be rectified, if coronavirus isn't listed as a cause of death, something that requires a positive test.

## Righteous Judgment & Prayer

**1 Corinthians 11:31-32:** "For if we would judge ourselves, we should not be judged. But when we are judged, we are chastened of the Lord, that we should not be condemned with the world."

**1 Corinthians 2:15a:** "But he that is spiritual judgeth all things..."

**Jesus** said in **John 7:24:** "Judge not according to the appearance, but judge righteous judgment."

**1 Corinthians 6:2-3:** Do ye not know that the saints shall judge the world? and if the world shall be judged by you, are ye unworthy to judge the smallest matters? Know ye not that we shall judge angels? how much more things that pertain to this life?

-----

Well Corinthians is basically a rebuke from Paul to the Cor. church. These people (for the most part) were hypocrites and as Jesus said hypocrites have no right to judge a speck in their brothers eye when they have a beam in their own. Read the next chapter (5) to see how Paul was demanding them to judge a perverse fornicator in their own church though. The Bible forbids hypocritical judgment but demands righteous judgment from both God and man.

**James 5:16:** "Confess your faults one to another, and pray one for another, that ye may be healed. **The effectual fervent prayer of a righteous man availeth much.**"

**Jeremiah 32:26-27** ¶ Then came the word of the LORD unto Jeremiah, saying, **Behold, I am the LORD, the God of all flesh: is there anything too hard for me?**

**Psalm 66:18:** "If I regard iniquity in my heart, **the Lord will not hear me**"

**Psalm 19:12-14:** "Who can understand his errors? **cleanse thou me from secret faults.** Keep back thy servant also **from presumptuous sins**; let them not have dominion over me: then shall I be upright, and I shall be innocent from the great transgression. **Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer.**"

The coronavirus pandemic is hitting Ecuador very hard, and mainly Guayaquil, the country's second city, located in the province of Guayas, in the Costa region, where 3.8 million people live.

**+2+ The President of El Salvador Says World War III Has Begun**

Dave Hodges on Wednesday, April 1, 2020

**So how do we know war is coming? Because I grew up and around military bases, and through my extensive conversations with my father and later with experts; I have become sensitized to the signs of war. Here are a couple of anecdotal examples derived from personal observations.**

1. The people west of Luke AFB, last Sunday, reported anywhere from 50-100 major troops carrier helicopters landing late at night. There could be as many 1500 to 3000 troops at Luke. They are there to defend the base. Why? Because Arizona is on the southern border, we are in what will be the next battlefield. Why were these troops brought in late at night? Simple, to avoid alerting the masses.
2. When I was on the porch with my neighbor and we were discussing community defense, we watched the F-35's fly overhead and their massive engines interrupted and delayed our conversations. The air traffic, in the past 3 weeks has increased by at least five-fold and there has been a distinct change in how often they are flying and how they are flying. Why am I sensitized to this? Because, the last time we went into Iraq, I saw the same pattern with F-16's as this was in advance of operationalizing the F-35. We are in war mode, at least as far as training is concerned.
3. I have a multitude of videos showing massive movement of armor into the Southwest.
4. I have a multitude of communications from personnel who are part of the mobilization. Although one call-up does not tell the entire story, dozens paint the picture of war.
5. Ex-Pats in both Central and South America are warning of massive importation of CHICOM civilians and military construction projects.

One would refer to my observation as being on the micro level. Mike Adams, less than one hour apart from my publishing the above video wrote an article in which he detailed three distinct reasons why he believes we are going to war. They are summarized below from [Mike Adams article](#):

**Sign #1)** *President Trump activating one million military reservists with medical skills to treat battlefield injuries. Details of this order are found in the EO text at [WhiteHouse.gov](#).*

**Sign #2)** *The Pentagon ordering high-level staffers into deep underground bunkers in Colorado. This was announced by NORAD and NORTHCOM in a Facebook town hall meeting. Obviously, you don't order military staffers into a 2,000-foot deep bunker just because of a virus.*

**Sign #3)** *Secretary of State Pompeo just ordered all Americans living overseas to return to the US "immediately." The cover story for this is that the coronavirus is collapsing international flights. But that alone would not justify all Americans returning from living overseas, since many Americans would just hunker down where they're living. But Pompeo wants all Americans to return immediately, which is the kind of thing you do before a war breaks out (with China, most likely). Via [The UK Independent](#):*

I feel that's because Pompeo doesn't want to end up negotiating for the release of American prisoners being held by the communist Chinese regime

There is some overlap in our reporting, but basically, Mike Adams is presenting the organization protocols with preparing for war on a macro level. I am reporting on a single point-in-time micro level regarding one base and its changing protocols which indicate they are training for an immediate and imminent engagement.

There is more....

**General Terrence J. O'Shaughnessy, USAF**, has exited Peterson AFB, in Colorado Springs, and has set up shop inside of NORAD. So this leader is now much better protected when or if actual war breaks out. The Coronavirus is the cover for this move, however, being on a war-footing is the real reason.

Also, this email just came to me from Colorado Springs' Ft. Carson:

*I just received notice from Department of Veterans Affairs that all construction projects have been asked to halt on Fort Carson and will be notified at a later date when we can return. We are building the new National CTC training facility and they are escorting our workers off the base today as we speak. Something is ramping up big time. I have done alot of projects on Fort Carson and seen alot of crazy equipment. But I have never seen anything like this before. They staging alot of stuff everywhere on base. Just creepy.*

Admiral Fuller, the Commander of SOUTHCOM, has disappeared. I have been told that he is in an undisclosed location, and you guessed it, underground.

Also I have seen tweets from the President of El Salvador which says "World War III" has begun. This was accompanied by a video of American military equipment being sent to El Salvador's borders to assist in their defense. Additionally, the CSS has learned in the early morning hours that members of SOUTHCOM have been dispatched to El Salvador.

While the stores still have food and basic supplies, I strongly suggest that everyone stock up, because very soon, everything is going to be in short supply.

### **In Surprise Tweet, Trump Warns 'Iran Sneak Attack' Coming - Tehran To Pay "Very Heavy Price"**

For the US administration it appears now is as good a time as any to start a major proxy war with Iran inside Iraq.

Or perhaps the distraction of yet another Middle East war is just what the doctor neocons ordered at a moment the United States and the world for that matter faces its biggest crisis since World War II in the form of the expanding deadly pandemic.

Wednesday afternoon the president tweeted out this stunner:

Upon information and belief, Iran or its proxies are planning a sneak attack on U.S. troops and/or assets in Iraq. If this happens, Iran will pay a very heavy price, indeed!

— Donald J. Trump (@realDonaldTrump) [April 1, 2020](#)

For most, the events of January which almost took the US to war with Iran after the assassination of IRGC Quds Forces General Soleimani, likely feels light-years away into the distant past.

But here we are again, with Trump suddenly threatening "Iran will pay a very heavy price" — clearly a threat of military strike. This after Pompeo and his gang of neocons and the State Department and Treasury have already ratcheted up sanctions further on the corona virus-ravaged Islamic Republic.

This also comes after last Friday **the Pentagon was been ordered by Secretary of State Pompeo to begin planning to wipe out certain Iraqi militias which they believe are Iranian proxies**

However, the administration reportedly remains divided, given it would require an influx of thousands more American troops in Iraq, at a moment the Department of Defense is barely able to get a handle on containing the coronavirus outbreak in its ranks, which it should be noted has lately [taken out a whole nuclear aircraft carrier.](#)

Subject: **Listener Feedback: Shutdown in NZ and implementation of 5G**

Message Body: I'm sure you're aware of the corona virus shutdown in NZ. Sadly NZ is often the test case for other countries. In the last 2 weeks Northpower has been putting in the 5G cables in our small rural township. I believe we've been hoodwinked with the virus and completely distracted about the dangers of the 5G that is being implemented. Most people that I talk to about 5G are ignorant to it's dangers.

On another subject, I've had a lot of trouble with my teeth the last while but using the 2000 parts per million colloidal silver is having a remarkable healing influence on my teeth, a real answer to prayer.

God bless you in the work that you are doing. With kind regards--Rachel.

With the amount of confirmed cases of

COVID-19 in the U.S. rising every day, the majority of states have issued mandatory social isolation, but does this include isolation from your own children?

Two mothers have recently spoken out about how the Coronavirus pandemic has been used to take away their children against their will, and some judges are ordering the removal of children due to potential exposure to the Coronavirus with their parents.

A mother in Oklahoma shared a post on Facebook on March 21, stating, "The police showed up on my doorstep at 10 PM and took my kids from me because I WORK IN A CLINIC."

According to the mother, and court documents shared on the social media site, a judge signed off on an *ex parte* hearing, approving the *Emergency Motion to Modify Custody and for Pick-Up Order Due to Respondent Exposure to Coronavirus*.

The mother sent this warning to first responders, "Just a heads up to nurses, doctors, firefighters, police officers, and other first responders who have children and sneaky exes... watch your backs!"

She then also posted a copy of a gag order issued by the judge on her Facebook Page stating: "Not in violation by posting; asked and verified."

**REPORT: How Surveillance and 5G Are Being Fast-Tracked Under the Pretext of Fighting Coronavirus-- CONFIRMED: 5G and related tech is being deployed at or near many schools during the lockdown—Trumps Signs Off On \$2 trillion stimulus package advances surveillance--“telemedicine” which will surely be powered by 5G ‘smart’ grid, and creates a fund for development of vaccines!! Governments using ‘smart’ phones to track in-home quarantine compliance & social distancing!!**

During this chaotic time **it’s extremely important to take note of the advancements of legislation and political maneuvers which threaten our liberty and privacy.** First, on March 23, the 5G rollout progressed even further in the USA with President Donald Trump signing a bill aimed at “securing America’s 5G infrastructure.”

The act, titled the **Secure 5G and Beyond Act**, calls for a comprehensive plan to securitize a nationalized 5G grid in “not later than 180 days.”

Combined with an additional bill, the **Broadband Deployment Accuracy and Technological Availability (DATA) Act**, which passed the House on 16 December 2019, these bills seek to nationalize 5G network control. [Read more about these two bills.](#)

Last week, after seeing video of some installations of 5G and apparent biometrics at schools during the lockdown, we asked readers to share any evidence they had regarding this apparently fast-tracked deployment in their neighborhoods. After dozens of comments, emails, and videos, we can safely say there is indeed an effort to install 5G related equipment at or near schools, and throughout cities in general.

The surveillance state is also being expanded in other ways within the 2200-page, \$2 trillion stimulus package that was signed by Donald Trump on Friday, and supported by both parties. It includes billions of dollars to the criminal Federal Reserve for a new US digital dollar, allocates funding for telehealth and telemedicine services which will surely be powered by 5G ‘smart’ grid, and creates a fund for development of vaccines.

Another new bill called the [EARN IT Act of 2020](#) will attempt to force encrypted communication providers, like Telegram and Protonmail, to give American intelligence services the ability to wiretap private chats or face steep legal penalties.

The bill was heavily debated in early March but has since stalled, however, we should remain vigilant and not allow ourselves to be distracted by the constant focus on COVID-19.

**Like other bills being fast-tracked, this law’s supporters are using the cover of Coronavirus panic to quietly advance it without much of a debate.**

**Will government agencies seek to actually track us in our homes, using our smart phones, to see if we are obeying their decrees?**

It appears that's where this could be headed, as the US government is reportedly already in talks with Google and Facebook about tracking the location of citizens using their smartphones to ensure they are practicing social distancing.

And around world, at least 11 nations are already using people's smart phones to unlawfully track them during this COVID-19 event.

See the this regularly-updated [COVID-19 Digital Rights Tracker](#).

**The context: what this all means**

As we have outlined here, there is clearly an effort to erect the final pieces of the global technocratic infrastructure while humanity is being pushed into a state of fear and panic over a virus with questionable fatality rates.

It's becoming increasingly clear that elitist criminals in government, media, and corporations are pushing forward a carefully-orchestrated agenda to establish a global society of technocracy. This agenda appears to include:

1. vaccines which may be mandatory (or coerced via digital certificates, wristbands, or social credit score);
2. a rapid, covert expansion of 5G;
3. global biometric systems (such as this) to track who has been vaccinated or recovered from COVID-19;
4. the continuing implosion of the economy to make the public dependent on the State;
5. a digital currency linked to the biometrics and 5G;
6. fear-based social control system to normalize "social distancing" and unjustified fear of other human beings.

These are challenging developments to all of us who are paying attention to the facts about 5G, and waking up to see what appears to be an orchestrated technocratic false flag agenda, unprecedented in our nation's history.

While many leaders in the battle to preserve humanity's future are understandably in the mode of research, coping and regrouping at this time, going forward we will be in touch with more information about how we can effectively and powerfully respond.

There appears to be an increasingly limited window of time to reach the masses and we must take the opportunity or risk failing to achieve a truly awakened humanity. Please make an honest effort to communicate with your friends, family, and other people you may be interacting with online or in-person.

Current industrial Wi-fi systems, Wigi systems, and 5g systems are being upgraded, tested and calibrated right now to broadcast on the 60 GHz frequency-- This is taking place right now in the schools, universities, hotels, cruise ships, airplanes, buses, trains stadiums, theme parks and all the rest of the infrastructure that is locked down

**The Fullerton Informer (Who Says "The Corona Virus is not killing anyone!!!!", but we can still glean from what he is saying.): There is a planned next phase after this massive drill subsides that will kill a massive number of young healthy children and young adults. A key component to their weapons deployment's**

efficacy will be the targeting of the individuals, specifically the head and the air intake orifices-the nose and mouth.

The wireless headsets like air pods and blue tooth devices are weaponized targeting systems designed to allow these 60 GHz transmitters to lock on and deliver a beam forming weaponized 60 GHz millimeter wave stream aimed at the mouth and nose to disrupt oxygen's ability to bind to the hemoglobin. This will create oxygen deprivation which is designed to mimic severe respiratory distress which will be labeled as THE pandemic disease. This is the plan, which is to blame the electromagnetic illness on the coming NEW MUTATED version of the outbreak that we have now. The coming event will bring on martial law, forced relocations and forced vaccinations.

Bill Gates REFUSES to recommend nutrition (zinc, selenium, iodine, vitamin D, vitamin C) and instead focuses entirely on vaccines and police state tracking  
Microsoft co-founder and outspoken eugenicist Bill Gates has a plan to tackle the Wuhan coronavirus (COVID-19) pandemic. But it doesn't involve actually supporting the human immune system through proper nutrition.

Instead, Gates wants to jab everyone with a future vaccine, as well as indefinitely force people to social distance from one another and remain in isolation for their own alleged protection.

During a recent interview with "CBS This Morning" co-host Anthony Mason, Gates divulged how he believes that the federal government needs to "set the priorities" on testing so that "we can all go back to some level of normalcy."

According to Gates, the executive branch along with so-called "experts" in public health need to be putting extreme pressure on the governors of all 50 states to

implement medical martial law, in violation of the Constitution, because this is the only way to tackle the crisis.

Failing at any point to mention the benefits of things like zinc, selenium, iodine, vitamin D and vitamin C for natural immune support, as well as any of the treatment methods successfully employed in South Korea, Gates instead spoke of harsh government restrictions, chemical vaccines and even novel Mark of the Beast microchips as the “solutions” to the pandemic situation.

Even more chilling was the response that Gates gave to the question about when things might return back to normal, or at least something that resembles normal. While schools may open sooner rather than later, he says, other “optional” activities such as “mass gatherings” could be gone for good – unless people agree to get vaccinated, of course.

“And so until you’re widely vaccinated, those may not come back at all,” Gates stated openly about the mandatory vaccination agenda that’s conveniently attached to the Wuhan coronavirus (COVID-19) crisis.

In other words, you more than likely won’t be allowed to participate in the New World Order post-Wuhan coronavirus (COVID-19) unless you agree to be vaccinated with whatever chemical jab that Gates and whomever else is scheming this all up behind the scenes dictate is “necessary” for a “safe” and “healthy” future world.

Meanwhile, Gates is already preparing for “the next pandemic,” which will surely come with its own litany of new draconian measures. After all, he “think[s] about pandemics a lot.”

### Symptoms of coronavirus infections almost perfectly mirror symptoms of zinc deficiency

Writing for LewRockwell.com, Bill Sardi writes that all the most prominent signs of COVID-19 almost perfectly mirror symptoms of zinc deficiency. From his article: *...[M]odern medicine is so steeped in its pharmacy of prescription drugs, with its blinders toward nutritional medicine, that it can’t see the obvious evidences of a trace mineral deficiency that results in the same signs and symptoms produced by COVID-19 coronavirus.*

He publishes this list of COVID-19 symptoms vs. symptoms of zinc deficiency: He further writes:

*Dr. James Robb, a pathologist who performed early experiments with coronaviruses back in the 1970s, claims that zinc lozenges are the “silver bullet against coronavirus.”*

Symptoms of COVID-19 Reported by Emergency Room Physician	Symptoms of Zinc Deficiency
Dry cough	Chronic cough
Nausea w/o vomiting	Nausea
Fever	Fever
Back pain (kidney?)	Chronic pain (low back, neck)
Abdominal discomfort	Abdominal cramping
Diarrhea	Loose stool
Loss of smell	Altered/loss of taste and smell
Loss of appetite	Anorexia (loss of appetite), weight loss
Fatigue	Apathy
Atrial fibrillation (new)	Atrial fibrillation
Low lymphocytes (white blood cells)	Decreased immunity
Lower platelets (blood clotting factor)	Low platelets
Neutrophil count/lymphocytes	Lymphocytes decline (white blood cells)
Interleukin-6 (inflammation)	Increased interleukin-6
Pneumonia (fluid filled lung)	Pneumonia
Inflammatory (cytokine) storm	Inflammation
Elevated iron storage (ferritin)	Increased storage, transport of iron
Elevated C-Reactive Protein	Increased C-Reactive Protein

**Zinc is required to maintain thymus gland function to produce life-long antibodies from T-memory cells. Zinc supplementation in the elderly, the high-risk group of coronavirus infections, lowers illness markedly. Modern medicine needs to emphasize zinc therapy, especially during epidemics.**

In summary, it looks like zinc might be the single most important preventive measure to halt the spread of the coronavirus pandemic

and get the economies of the world back to work.

And that's why the tech giants (Google, Twitter, Facebook, YouTube, etc.) as well as the corporate-run media will continue to censor all truth about zinc, because they actively hope to spread this pandemic and collapse the global economy. The best forms of zinc to consume as a dietary supplement are zinc gluconate, picolinate and acetate, by the way. Avoid zinc oxide, as it's almost impossible to absorb.

Beyond manufacturing medical masks and ventilators, we believe President Trump should order emergency production of zinc supplementation, making it widely available (perhaps at zero cost) to the entire population. This could substantially slow the spread of the virus and potentially save hundreds of thousands of lives in the USA alone.

### **Nebulizer Recommendation**

---

For **lung infections** nebulize 100ppm Invive Mild Silver Protein directly into the lung fields for 3-4 minute intervals several times per day. If you want to make a 100ppm solution (and you have a 5000ppm bottle) just divide 5000 by 100 to get: 50. So you would add 50 parts distilled water to 1 part 5000ppm to make a 100ppm solution.

Regarding nebulizer recommendations just research nebulizers on Amazon for the best ones, but this looks like a great one: [https://www.amazon.com/Crane-Rechargeable-Allergies-Congestion-Irritations/dp/B07X6873BB/ref=sr\\_1\\_3?crid=2LAEU32MI4UN3&dchild=1&keywords=nebulizer&qid=1585971367&srefix=nebuli%2Caps%2C213&sr=8-3](https://www.amazon.com/Crane-Rechargeable-Allergies-Congestion-Irritations/dp/B07X6873BB/ref=sr_1_3?crid=2LAEU32MI4UN3&dchild=1&keywords=nebulizer&qid=1585971367&srefix=nebuli%2Caps%2C213&sr=8-3)

---

Now with a **sinus infection** the best way to directly go after this is to get any nasal spray atomizer bottle (**Like this one:** <http://sparknaturals.com/index.php/accessories/1-oz-blue-glass-nasal-sprayer.html> ) and add 500ppm silver to the bottle. Now to make the 500ppm just add 10 parts distilled water to one part 5000ppm. This will be the strength you use in a nasal spray bottle. One drop of eucalyptus oil to this 500ppm solution is also very good for nasal use. When you use the 500ppm in the nasal spray bottle make sure you tip your head back and spray 3-5 times per nasal passage. You can do this several times per day. You would also want to take 1/4 tsp. of the 5000ppm held under the tongue 3 times a day until you are doing better.

---

For **Otitis Media (ear infections)** (if your ear drops are not ruptured) you need to dilute the Invive Silver to 500ppm for the ear drops. To make this strength from 5000ppm just add 10 drops of distilled water to every one drop of 5000ppm. Use 3-4 drops in each ear 2-3 times per day till better. In reality I really like just plain old 3% Hydrogen Peroxide for ear infections 2-3 drops in each ear. Tilt the head and hold this dose in each ear for 1-2 minutes before tilting your head back. It will bubble and be quite loud and may burn a little so sometimes children are afraid of the Hydrogen Peroxide whereas the silver should not bubble or hurt at all.

For an 8 year old I would administer the 5000ppm silver under the tongue 15-20 drops 3 times a day (hold for 2-3 minutes then swallow) to treat the ear infection internally as well.

---

For an **eye infection like Pink Eye** only use the 50ppm Invive Mild Silver Protein Strength. One drop in each eye 3-4 times a day typically works wonders.

---

### **Are Fevers Bad?**

**From:** P

**Subject:** if you have the virus

Dr. Scott, Do you recommend taking Tylenol to break the fever (if the fever gets too high) along with colloidal silver? Some of the other doctors are recommending this. Thank you,

-----  
**Scott Johnson's Reply:** Yes I never advise this unless the fever is above 104 for an extended period of time. Fevers are a God given attribute of our immune systems designed to kill pathogens. Things like bacteria and viruses increasingly do not do well when we have an elevated body temperature. That is why we get fevers in order to “kill the bad guys” in our bodies. Also for the Covid-19 I did a report on the people that were dying in Italy and the UK, and they had almost all been taking ibuprofen prior to the virus overtaking them and them ending up in the hospital.

### **Calcium & Vitamin D-3 Is Vital For Your Immune System**

Most people are not aware of the role that **calcium** plays in our immune system. It is actually one of the chief fuels upon which our immune system runs on. White blood cells are the main tool our immune systems use to destroy foreign infectious invaders. **White blood cells use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis.** If we don't have enough usable calcium in our body, our immune system cannot ramp up, get to and kill these foreign infectious invaders. It's like having a guided missile, with no way of getting it off the ground. Consequently, if you have a low amount of usable calcium in your system, forget about having a strong immune system. It won't happen because it can't happen. And calcium is not something that can be manufactured in the body unless we leach it from our own bones, which over time would lead to osteoporosis. **One of the main signs we are deficient in Calcium during the throws of an infection, is a high body temperature or fever for an extended period of time.** One of the things that got me into the alternative health field was a poorly functioning immune system. I have found one of the main components in building a strong immune system is keeping calcium reserves high in the body.

Proactive Measures In the Event of a Pandemic

### **5000 Mild Silver Protein (M.S.P.) Suggested Therapeutic Dosing Guidelines**

1tsp.-1tbsp. for every 30 lbs. of bodyweight per day; if you have been exposed or if you have a virulent virus/Pandemic. The 1 tbsp. dosage would be used for life threatening situations. This dosage should be equally broken up and taken in 3 hour intervals. Stay at home and avoid contact with the populace till the outbreak passes. If taking the M.S.P. drink at least 8, eight ounce glasses of purified water per day. M.S.P. can be used topically over an infectious site. **Because the 5000 PPM M.S.P. is only available in 4 ounce bottles it would be wise to keep at least a few bottles for each adult family member and 1-2 for each child in your household. View this like an insurance policy that hopefully you will never have to use.** Even if you don't use this product in the event of a pandemic, it can be diluted and taken on an everyday basis to keep the immune system strong.

### **Invive Silver Dosing Chart for children/babies**

Maximum dosage in case of a severe infection: 5 cc's of the 5000ppm Invive Mild Silver Protein per 30 lbs Bodyweight. 5cc = 1tsp. That means a 30 lb. child receives 5 cc in total per day, **in divided doses** of 1.2 cc q.i.d. (or 4 times a day)

A 10 lb. baby receives 2 cc **in total per day**, in divided doses of 1.6 cc total per day.

In this case (2cc's) that means 7 (drops) Q.I.D. (or 4 times a day)

Q.I.D.= 28 drops total per day divided by 4 = 7 minims (drops) sublingually every 6 hours.

**Invest in a "personal nebulizer"** as the M.S.P. can be put into this device and atomized into the lungs and nasal passages. Use 100ppm InVive Mild Silver Protein strength for nebulizer use.

**Gas Mask Recommendations:** Invest in gas masks for each member of your household. But remember the gas mask is only as good as the seal to your skin, so don't put all your eggs in this basket. ## **Calcium & Vitamin D-3 Is Vital For Your Immune System**

Most people are not aware of the role that **calcium** plays in our immune system. It is actually one of the chief fuels upon which our immune system runs on. White blood cells are the main tool our immune systems use to destroy foreign infectious invaders. **White blood cells use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis. If we don't have enough usable calcium in our body, our immune system cannot ramp up, get to and kill these foreign infectious invaders. It's like having a guided missile, with no way of getting it off the ground. Consequently, if you have a low amount of usable calcium in your system, forget about having a strong immune system. It won't happen because it can't happen. And calcium is not something that can be manufactured in the body unless we leach it from our own bones, which over time would lead to osteoporosis. One of the main signs we are deficient in Calcium during the throws of an infection, is a high body temperature or fever.** One of the things that got me into the alternative health field was a poorly functioning immune system. I have found one of the main components in building a strong immune system is keeping calcium reserves high in the body. As sufficient stomach acid is essential for the breakdown of not only calcium but protein, iron and several other trace minerals. If low stomach acid is a factor, [Hydro-Zyme \(90 T\)](#) or [Hydro-Zyme \(250 T\)](#) should be taken with the Calcium and with food. Or as an alternative taking 1-2 tsp. with the calcium should do the trick. One other thing that is important when talking about calcium is the Omega-3 fatty acids which are high in flaxseed oil. You see the omega-3 fatty acids in flaxseed oil are necessary for healthy cell membranes and to transport calcium into the white blood cells, where the calcium is used to support cell motility (movement) and phagocytosis (killing the foreign infectious invaders). Of the Omega 3 good fats, flax seed oil is very important. For this I recommend [Genestra Organic Flax Oil Capsules 90 Softgels](#), as flax is a very volatile oil and spoils very easily. It is a risky proposition buying flax oil off the shelf as usually there is no way to verify quality. This is also an excellent protocol for skin protection as Calcium and Omega 3 fatty acids are essential in preserving and protecting the skin. Now if I feel I may be getting run down, I will increase my dosage of these two products until my system is back in balance. If these products are taken in conjunction with a good whole food multi-vitamin mineral product like **Intramax or the Innate Once Daily formulas** you should be in pretty good shape. **For the adult multivitamins I carry see below:**

**From:** INTERNATIONAL PHARMACEUTICALS

**Sent:** Thursday, March 26, 2020 11:40 PM

**Subject:** Recommendations and Vital ALL ENCOMPASING information regarding the nCOVID-19 Virus

*5 cc (1 teaspoon) of the Invive Mild Silver Protein 5000 ppm, per 30 lbs. of bodyweight (split up dosages), per day. 5000 ppm is the “General” rule in the DDR Doctors Desk Reference for the Practitioners.*

*These are **GUIDELINES** and are not carved in stone, BECAUSE each case is different. But you have to start somewhere with a Guideline, and then Tailor the dosage to the event PRESENTION.*

*BUT it is ALWAYS necessary to “TAILOR” the dosage to the SYMPTOMOLOGY though, especially when dealing with life and death situations.*

*Hence one 71 year old man last week who was suffocating on his mucous from the Covid-19 and getting worse, had his Dosage upped from 1 teaspoon of 10,700 every 4 hours (as per the typed “Guidelines”), to 1 teaspoon of 10,700 EVERY HOUR, which (Praise the Lord! “Coincidentally”) SAVED HIS LIFE and he is totally well (asymptomatic) now.*

*Therefore always “TAILOR” the dosage to the Symptomatology of the PRESENTATION. Use at least a 6 pack of the 5000 or better yet a 6 pack of the 10,700 if you can afford it. PS: We haven't raised our prices in 25 years, and only wish to continue SAVING LIVES.*

**Symptoms of the Coronavirus can be very similar to the flu, BUT what to keep an eye out for “IS”:**

**Symptoms of coronavirus can include:**

- Fever (100.4°F/38°C or higher)
- Cough
- Shortness of breath

**Incubation Period (Before you get sick):**

Will be 1-14 days “before” you have/show symptoms.

That means 2-9 days on average “before you have/show symptoms.

**Once you are sick:**

10 days is length of sickness (unless you succumb/die/pass away first).

**Total length of Sickness:**

14 days incubation

10 days of actual sickness/being ill

=====

24 days total length of sickness.

-----

30 days “still” in your bloodstream

=====

**For a total of 54 days**

**Damage still remaining after Recovery from the Corona Virus in many individuals:**

No sense of smell.

GI problems.

Loss of weight during the illness, with difficulty putting weight back on.

Struggle breathing as in shortness of breath from damage to your lungs.

**After 24 days/once you recover, you are to take measures to:**

- 1.) Build up/build back your lung capacity/oxygen capacity.
  - 2.) Build up your whole body muscle capacity.
  - 3.) Because you got “KNOCKED OUT” with a Sledgehammer.
-
