+1+ The COVID-19 Destruction of America Is the Not the End Game & Hosea 4

To those of you that understand your Biblical history, particularly in Genesis, this series will not surprise you, but instead will deepen your understanding on how Satan is trying to destroy humanity before the Second Coming. The Biblical literate crowd understands the meaning of Demons, Fallen Angels, and the Giants. To those of you that are Biblically ignorant, these writings will seem quite insane. Remember, "my people people perish because of a lack of knowledge".

Lets take a look at those verses more carefully:

Hos 4:1 Hear the word of the LORD, ye children of Israel: for the LORD hath a controversy with the inhabitants of the land, because *there is* no truth, nor mercy, nor knowledge of God in the land.

Hos 4:2 By swearing, and lying, and killing, and stealing, and committing adultery, they break out, and blood toucheth blood.

Hos 4:3 Therefore shall the land mourn, and every one that dwelleth therein shall languish, with the beasts of the field, and with the fowls of heaven; yea, the fishes of the sea also shall be taken away...

Hos 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

Hos 4:7 As they were increased, so they sinned against me: *therefore* will I change their glory into shame.

COVID 19 is not about controlling an illness as much as it is about destroying a culture. The American economy is being destroyed! Our need to be social creatures is destroyed by the concept of social distancing. This is the most effective psyop in the history of mankind. The MSM local newscasts contain the same elements, night after night after night! First, there are the respects paid to first responders by the broadcasters. "These are our heroes and our lockdown has meaning" says the news media. Before COVID, the news reported nothing but bad news. But there has been a shift, Heart-warming and tear-jerking stories dominate the news and at the end of each story is an admonishment to "social distance". Then, the over-stated, fear-porn, COVID numbers are presented. Then is followed by a commercial showing people in lockdown having fun. Show a little weather and then repeat the pattern. The names on the new stories may change, but the story is the same.

Remember, six evil Illuminati corporations own 98% of the media and they are unified on many points ranging from being former friends of Zionist blackmailer Epstein, to establishing global governance. In the latter process, they see to destroy America and ultimately want to destroy the human race. We are all too aware of the plot on the physical plane with our 33% unemployment. The Deep State and their Democratic Party minions are behind the unnecessary lockdowns. All that we have built as a nation is being destroyed. However, what most of us are missing is the spiritual warfare that has been thrust among us.

The evil entities, mentioned in the Bible, are hard at work to destroy America and ultimately the human race. Satan would like to have controlled our soul. However, they were not able to crack the code and they are left with one option, genocide. Is there any indication this is what is coming? The answer is a resounding yes. Satan plans to commit genocide against all those that cannot be converted away from their Christian faith. And under the cover of COVID 19, it appears that these plans are moving forward with great rapidity.

I wish to begin this series with a summary of several letters I have received in the past four months. In this first communication, it is clear we are talking about constructing a massive prison system, stocked with guillotines.

This communication came on May 18, 2020.

“Dave a little heads up, this is interesting. I’m a flat bed truck driver, in just the last week every ounce of re-bar in the country is headed to Denver, CO and I don’t mean small stuff. I’m not talking about #3, 4, and 5 bar, I mean super heavy duty grade 60 and 70 big stuff. It would denote a very, very substantial Capitol works project. Do you know of any in Denver right now? I have 49,000# of grade 70 41'-6” x #9 (1.128 inch) bar. One truck after another after another. Something really substantial and really rugged is being built and you and I can’t see what it is. Also, freight volume and rates have UTTERLY COLLAPSED, the larger trucking operations still running must be being backstopped by some entity for now to keep the illusion alive, that all is well. Trucking companies are heavily dependent on commercial lines of credit for day to day operations, and it’s all coming down buddy. What I see on my day to day travels driving is utter collapse. Mass starvation and unfathomable chaos will reign by this time next year.

From the following communications and others like, it is clear that a deep underground prison system is being constructed at the Federal Center in Lakewood, CA. This communication arrived on March 20, 2020.

“Dear Dave, I have to be vague because I do not want to have to be discovered. But I can tell you that at the Federal Center in Lakewood, CO., we are constructing a deep underground prison. The material coming in is happening at night. However, it is massive and it is not normal. Why would the government need a massive underground prison to incarcerate people? It is 100% underground.....

This communication came to me in February of 2020.

“Hello, I wanted to tell you that I have been delivering parts from my truck to the Federal Center in the Denver area. I have been picking up shipments from a base that I am not going to identify for apparent reasons. I have been driving these loads to the Federal Center in Colorado. I have been given explicit instructions to not look at the cargo. When I arrive on site, the truck is taken from me and I hang out at snack room and in about an hour, my truck is returned.

In my last trip, and I do not care who believes this story, I had an opportunity to look at the cargo. I had issues with my truck not riding correctly so I opened up the back to see if anything shifted. What was strange was the shipping crates were not marked. I had this overwhelming fear that I was transferring drugs for someone in the federal gov. I was not going to be the fall guy so I opened one of the crates at a rest area. There were no drugs. **There was an unassembled something. But I did not find drugs, I found a huge blade, a motor, pulleys. I swear I was looking at an unassembled guillotine. I counted the boxes and there were 20. That means I probably had transported around 100 of these to the Federal Center. I was recently called to do a delivery and I said I was too sick. Did you know this s* was going on? I never want to drive again ...****

[Listen to: Imprecatory Prayer – Psalm 64 – Gods Judgment on Wickedness – A Christians ‘Door of Hope’ By Dr. Scott Johnson | August 12, 2007](#)

This is a very important teaching regarding imprecatory prayers and why the judgment of God on wickedness, has always been a Bible believers “Door of Hope”. We will explore many scriptures to validate this but this is not a teaching

that is usually ever heard or preached on in the modern day churches of America. If we as Bible believing Christians can get a hold of this Biblical concept, the Lord will be able to work through us (individually and collectively) in a mighty way. Beyond salvation this is one of the most important issues that the modern day Bible believer needs to understand, and hopefully this will be a big encouragement to you as well.

We will also be exploring the various things that can hinder our prayers and what the prerequisites are for the Lord to hear our prayers. I will be giving my personal testimony regarding these issues as well, as the tenets of this teaching have totally changed my life for the better.

This teaching was originally inspired by Pastor John Weaver's sermon: 'A Door of Hope' See link below:

Biblical Keys to Deliverance & Protection (2 parts)3/23/2008 Regarding the endtimes that we are moving into, many Christians are very apprehensive and concerned about the well being of their families and themselves. Biblically there are many answers and remedies regarding this subject. In this teaching we will be looking at the Bible verses that pertain to this subject

[Biblical Keys to Deliverance & Protection-Part 2](#)

I know exactly what is going on because I know how this started. In 2009, I was contacted by two separate law enforcement officials, both of whom, I had known in my childhood. They had both been part of a drill run by DHS in two different locations in the state of Colorado during that last so-called "pandemic" in the H1N1 scare. The drills took place outside of 1-25 outside of Trinidad and on 1-70, west of Grand Junction. In this drill, volunteers would be pulled over in a DUI type of roadblock. **The driver would be asked for permission to scan their arms for a biometric sign that they had received required vaccinations. The scanning device was fake at that time. There were chase cars stationed on the flanks to run down evaders. If the occupants of the car refused to test positive for mandatory vaccinations, they were offered an opportunity to correct their oversight and take the vaccines. If they refused, the men were forcibly taken from the car and boarded on one bus, women on another and children, regardless of gender, were put on another. In actuality, nobody got transported. The intent of the drill is very obvious.**

I had actually interviewed the late Greg Evensen on this event. He was very much aware of it. At the time of the drill, there was no serious talk of mandatory vaccines.

There was no talk of a biomarker scanner to detect if one had taken the required vaccination(s). **However, today, the internet is filled with these discussions.**

Please allow me to set the tone for this presentation: America has been conquered, but not yet occupied. Resisters will indeed meet their end in camps and guillotines will be the enforcement mechanism. Evidence for the domestic

tyranny that is about to be unleashed on the country is everywhere. I want to emphasize that I do not like writing this story. Although there is a enough information to go forward with this story, it is such a paradigm shift, people will not believe it. I have not learned what will be in the vaccines, but I remember the research on the attempted H1N1 vaccines. The adjuvants contained in each injection, were voluminous. They were permeated with squalene which attacks the central nervous system and could cause premature death.

If one thinks that collaboration will yield favorable results from the new powers that be, think again. There is no doubt in the minds of people I speak with that a cocktail of substances like squalene will be injected into your body, change your DNA, change you mentally and attack your central nervous system over time. It is an injection for short-term control and long-term premature death.

The two law enforcement people I knew that participated in the 2009 Colorado event were horrified and said they would not participate in a live event under these circumstances.

In the process of researching information related to this series, I learned that the proposed contact tracers are part of this process. In the old days, we knew there was a red list, a blue list, etc of people that would be done away with in a takeover of the government by the very forces that are emerging in this tyrannical lockdown of America. I have learned that contact tracers will not be contact tracing for CV-19. Rather, they are trained intelligence gatherers. They will be coming to your door. They will be seeking information about guns and attitudes. An uncooperative attitude will one day get you put on a bus. I was told that Christians are being targeted as well. So are journalists like myself. Contact tracing is an attempt to update the Red Lists.

The lockdowns and the subsequent loss of rights and economic catastrophe is not the end game. We are preparing to enter the Tribulation, the Mark of the Beast unimaginable hell on earth, until Jesus returns.

When I started researching this topic, I set out to disprove it because I did not want to believe it. However, my research produced the opposite results. I will be presenting my findings in the next few installments.

May 16, 2020--CDC eugenics exposé--The speaker is Dr. Carol Baker, M.D., Professor of Pediatrics, Molecular Virology, and Microbiology at Baylor College of Medicine in Houston. This racist rhetoric incites violent acts to murder all White People. The doctor didn't say she would lead by example. It's a rabbit hole that starts with a newly surfaced, 10+ year old video of the head chair of CDC's vaccine policy openly pitching racial genocide of hundreds of millions as her "solution" to increasing compliance with medical tyranny. As you keep looking

into her awards, positions, co-authors on papers, etc. the rabbit hole reveals an inter-connectivity of government, academia & medicine... and there are some skeletons in their closets' for sure. The military academia pharmaceutical complex reeks of genocide and mass murder.

Why Epstein would want dirt on powerful people, other than for his own personal gain, is a mystery. We can only conclude that he was gathering dirt on behalf of some other party, likely the Mossad and/or for Israel's desk at the CIA.

Investigators into the Epstein child-sex scandal turned up a contact book that contained the names and contact information for many prominent people, some of which included New York lawyer Alan Dershowitz, Donald Trump, liquor baron Edgar Bronfman, and former U.S. President William Jefferson Clinton. Will government mandate COVID-19 vaccinations? Apparently, it can — and it might

By Merrill Matthews, Opinion Contributor — 05/20/20--**If the Satanic government determines that vaccinations are essential to stemming the spread of the disease, would it – could it – mandate vaccination compliance? Apparently, it can — and it might.**

Many paid off medical “experts” believe that developing one or more COVID-19 vaccines is the key to reopening the economy and returning to our normal lives. For example, the Mayo Clinic says, “A vaccine to prevent coronavirus disease 2019 (COVID-19) is perhaps the best hope for ending the pandemic.”

The pharmaceutical industry has shifted into overdrive to find a vaccine effective against the coronavirus. Drug maker AstraZeneca hopes to have 30 million doses of its vaccine available in the U.K. by September. And Moderna just announced very promising results from its initial clinical trials.

But here’s the Satanic problem: The majority of U.S. adults delay or skip vaccinations.

The Centers for Disease Control and Prevention (CDC) encourages adults to be immunized for a range of diseases. The flu vaccine leads the CDC’s list that includes tetanus and diphtheria every 10 years, shingles, pneumonia and several others.

Consider the flu vaccine. It is one of the most affordable and accessible vaccines available, and yet the CDC reports the adult vaccination rate over the past decade has ranged between 40 and 45 percent.

Fortunately, the same 10-year graph shows a much higher flu vaccination rate among older Americans: Between 65 and 68 percent for seniors. But only about 30 to 35 percent for 18-49 year-olds.

Children typically have much higher vaccination rates because all states require them – with certain exemptions – before children can enroll in public schools.

While a small percentage of Americans oppose vaccinations on religious or medical grounds, most of the unvaccinated apparently just choose not to.

Will a coronavirus vaccine see a higher uptake rate? Maybe. There is a lot of fear among the public, and that may persuade most adults to be vaccinated.

Costs probably won’t be a barrier, either. About 91 percent of the population has health coverage. The Affordable Care Act requires public and private insurance to

cover the entire cost of preventive care, which includes vaccines. And the government may ultimately cover vaccination costs for the uninsured. Even so, it isn't clear that enough adults will choose to be vaccinated to [create a "herd immunity"](#) — i.e., when roughly 60 to 80 percent of the population has developed immunity to a disease either by vaccination or having been infected and recovered. Epidemiologists say that's what's needed to end an epidemic. [If the COVID-19 vaccination rate is low, will the federal or, more likely, state governments step in and mandate vaccination?](#) [The Congressional Research Service says the U.S. Supreme Court has ruled that "The states' general police power to promote public health and safety encompasses the authority to require mandatory vaccinations."](#) <https://thehill.com/opinion/healthcare/498641-will-government-mandate-covid-19-vaccinations>

Double Minded and Untrustworthy Trump says coronavirus vaccine will NOT be mandatory at the federal level, but governors might force vaccinations at the state level

Tuesday, May 19, 2020 by: [Mike Adams \(Natural News\)](#) **President Trump has confirmed that, from a federal perspective, coronavirus vaccines will not be forced upon people who don't want them. In statements made last Friday, he said that, "Not everyone is going to want to get it" and that the vaccine would only be for those who do want it, [reports LifeSiteNews.](#)**

This is relief, for now, as Trump had previously announced he was going to mobilize the military to distribute and administer the vaccine. Using the military to administer vaccines sounds like *coercion* would be involved at some point, since there's no shortage of civilians in America who can and will administer vaccines (pharmacists, nurses, doctors, etc.) without needing any help from armed soldiers.

Even if Trump does not push for mandatory vaccines at the federal level, governors may require vaccines at the state level. And this means America will likely be divided into "vaccine SLAVE states" vs. "anti-vaccine FREE states." In the vaccine slave states, your body is owned by the state which can demand you submit to an unlimited number of forced injections, no matter how risky or dangerous the vaccine might be. (Operation Warp Speed guarantees that vaccines will be released while still in the experimental phase, transforming Americans into human guinea pigs for Big Pharma's mad medical experiments.) In the anti-vaccine free states, governors will respect the individual decisions of citizens who are recognized as the rightful owners of their own bodies. Anti-vaccine free states will likely be states that lean more conservatives, while vaccine slave states will of course be the states run by Democrats and progressives.

This means that citizens who live in "progressive" states like California and New York are about to experience the full meaning of "progressivism," which essentially requires you to surrender your individual freedoms, liberties and even your body to the whims of the corrupt state. In centuries long ago, kings asserted

their “divine right” to rape anyone they chose, and today, Democrat governors will assert the same right to *medically rape* anyone living under their jurisdiction.

CORRUPTION and GREED: Trump’s vaccine czar raking in millions in stock profits following public relations propaganda claiming coronavirus vaccine research progress

Monday, May 18, 2020 by: [Mike Adams \(Natural News\)](#) After previously backing away from vaccines as the “cure all” for America’s pandemic woes, President Trump is now back to pushing a coronavirus vaccine being created by Moderna, and he now absurdly claims this vaccine will save the U.S. economy. Even more disturbingly,

Trump’s own “vaccine czar,” a former executive of the criminal felon corporation GlaxoSmithKline — which admitted to high-level felony crimes and a massive, nationwide bribery scheme — is now cashing in with millions of dollars in stock valuation profits after Moderna released some public relations propaganda about its vaccine trials, which are only in phase 1 and only involved 8 participants. (We previously reported the trial involved 45 patients but have since learned it was only 8.)

Since none of those 8 people died yet, Trump is now convinced Moderna’s vaccine will save the world.

Breitbart.com added to the propaganda, absurdly claiming the vaccine, “was also shown to be safe and well-tolerated.” Breitbart doesn’t seem to realize that phase 1 trials involving only 8 people cannot possibly establish that the vaccine is “safe.” So since 8 people didn’t die in a few days, Breitbart thinks the vaccine is ready to inject into *billions* of people with unknown long-term consequences? This is why you have to be careful following reporting from pro-Trump publishers who are desperate to catapult good news but don’t know how medicine works. By Breitbart’s standards, crack cocaine also works great because it gives you incredible energy during the phase 1 trials, and all the trial subjects reported feeling awesome. Anyone who thinks the “economy” is going to bounce back from 36 million people being unemployed — most of whom are being *paid* to stay unemployed — is smoking crack, by the way.

Following the propaganda release, the stock price of Moderna soared 34% on Monday, pouring \$3.4 million into the pockets of Moncef Slaoui, Trumps vaccine czar, reports NY Daily News

Talk about corruption... why does Trump have a former Moderna board member and GSK executive running his “vaccine czar” operation that looks set to try to push mandatory vaccines across America in order to enrich Big Pharma and keep the coronavirus pandemic going?

Trump has now characterized the Moderna vaccine trial results as “staggeringly good.” His exact quote:

You’re seeing it maybe today for the first time where not only are the markets up tremendously, but we’ve had tremendous, tremendously good and positive information on therapeutics, on cures and on vaccines... I think you’re going to have the ‘v’... “I think it’s going to be terrific.

Yes, Trump is still clinging to the delusion of a “v-shaped recovery” for the economy, and he’s now convinced that Big Pharma’s toxic vaccines are going to save America (and perhaps his presidency).

It is a fact that vaccine manufacturers have spiked human blood samples with animal antibodies in order to win FDA approval for vaccines that didn’t work. Two virologists from Merck filed a False Claims Act document with the federal government several years ago, claiming they were ordered by Merck management to falsify antibodies tests for mumps vaccines. The FDA does not conduct its own testing on vaccines and relies entirely on vaccine manufacturers to run their own tests — obviously a gross conflict of interest and a complete abandonment of anything resembling real “science.”

In fact, Moderna and the vaccine industry are rushing this coronavirus vaccine in exactly the same way Boeing rushed the 737-max airplane, resulting in catastrophic consequences for passengers and the company. But now, Trump is betting the entire US population and the US economy on an unproven, fast-tracked vaccine produced by an industry that has a long, repeated history of science fraud, felony crimes and totally dishonest clinical trials. Is this really the broken race horse upon which Trump is betting his presidency?

Peter Maybarduk of Public Citizen warned that Slaoui’s biased decisions due to his conflicts of interest with Big Pharma could “hurt or kill millions of people.”

Of course, that’s the whole point. If these coronavirus vaccines were actually intended to be safe and effective, they would have to go through at least 2-3 years of long-term clinical trials. The fact that they’re being frantically rushed into production via “Operation Warp Speed” tells you they aren’t even intended to be safe or effective.

The whole charade is a total junk. This isn’t science, and it isn’t medicine. It’s *immunization smoke and mirrors* and the consequences could be catastrophic. According to some critics, these vaccines are actually intended to spread the coronavirus pandemic and cause mass fatalities from the “cytokine storm” effect caused by a secondary exposure to a new infectious strain after being vaccinated against the coronavirus. This is explained in detail by Dr. Judy Mikovits in this new interview, at the link below:

It seems that Trump and all his advisors currently have the following hierarchy of priorities:

Priority #1: Make more money for the vaccine companies and Big Pharma.

Priority #2: Pump up the inflated stock market and pretend the economy is good even as real production is falling off a cliff.

Priority #3: Protect Big Tech to keep the stock market propped up even higher, regardless of the fact that Big Tech is clearly run by communist China and is censoring all speech about the coronavirus that exposes China or the WHO.

Priority #4: Protect the American people (the last priority).

It's sad. And it increasingly looks like Trump has sold out America to the vaccine companies, all while the FDA, FTC, CDC and tech giants ensor natural solutions that are saving lives and curing patients right now. All treatments that work are being suppressed, while all vaccines that have never been proven to work are being pumped up as cure-alls for the entire world. Talk about quackery, you can't get deeper into the world of quacksterism than what Trump and the vaccine companies are pushing right now.

It's sick, and it ought to be criminal. Correct me if I'm wrong, but it sure looks like we are all being betrayed by Trump who has obviously sold out to Big Pharma and Big Tech.

AstraZeneca ready to vaccinate half of Great Britain for the Bioengineered Covid-19 Virus by SEPTEMBER!!!!

Sunday, May 24, 2020 by: [Ethan Huff \(Natural News\)](#) **Where will the first vaccines for the Wuhan coronavirus (COVID-19) be unleashed? In Great Britain, assuming a scheme hatched by the British government to vaccinate half the population by September is a success.**

Reports indicate that drug giant AstraZeneca has been contracted by the United Kingdom to turn an **experimental** Wuhan coronavirus (COVID-19) vaccine developed by scientists at the University of Oxford into 30 million commercial doses of the jab before the fall.

United Kingdom Business Secretary Alok Sharma recently announced that a global licensing deal worth £130 million (\$160 million) has been signed between Oxford and AstraZeneca. And the aim is to vaccinated half of the entire U.K. population by the end of summer.

If this test vaccine can be "proven" to provide protection against the Wuhan coronavirus (COVID-19), the plan is to have AstraZeneca produce another 70 million doses of it for a total of 100 million doses. And Sharma wants to see this happen "as soon as possible."

To help move things along even more quickly, Sharma has allotted another £84 million (\$103 million) in taxpayer monies to supply both Oxford and Imperial College London, which is also working on the project, with the funds they require to ramp up production on their "groundbreaking potential vaccines."

These Unthinkably Evil Criminals Reportedly Among 4.5K Inmates Freed In Illinois!!!!

One of the more troubling ways states are responding to the coronavirus pandemic is by releasing thousands of dangerous criminals back out into society before they would normally be eligible for release. Some of these offenders have been accused of serious crimes including crimes against children, drug

trafficking, assault, and various murder-related charges. Now, they've been set free all in an attempt to stop the spread of the coronavirus. States like New York, California, and Illinois have been releasing thousands of dangerous criminals since the beginning of March. Even more concerning is that among the thousands of inmates being released many of them are convicted sex offenders.

Breitbart reports that of the 4,500 inmates released in the state of Illinois between March 1 and May 6, nearly 150 of them have been convicted of sex crimes.

Breitbart gives the details on three of these dangerous, now free, criminals: Steven Haberkorn, 31-years-old, is one of the child sex abusers who was allowed to parole out of prison on March 2. Around 2011, Haberkorn was convicted of predatory criminal sexual assault and aggravated criminal sexual abuse. At the time of the incident, Haberkorn was 21 years old and his victim was nine years old.

Gustavo Covarrubias, a 59-year-old child sex abuser, was also allowed to parole out of prison on March 24. Around 2014, Covarrubias was convicted of predatory criminal sexual assault. At the time of the incident, Covarrubias was 53 years old and his victim was 11 years old.

Likewise, 47-year-old Charles Shumard was allowed to parole out of prison on March 9. Around 2016, Shumard was convicted of aggravated criminal sexual abuse. At the time of the incident, Shumard was 43 years old and his victim was 15 years old.

Breitbart reports that of the more than 4,500 inmates released in Illinois, 520 of them have been convicted of "Class X" felonies. These felonies are the most serious violent crimes a person can be convicted of **aside from first-degree murder**. Now, these violent and dangerous criminals are back out on the streets. That should help Illinois residents sleep at night.

Meanwhile, Illinois Governor J.B. Pritzker (D) has said violators of the state's stay-at-home orders could be taken into custody, charged, and prosecuted. We can't help but wonder how exactly releasing these dangerous criminals early is supposed to slow the spread of the virus. This is beyond lawlessness. It's sheer insanity.

Subject: **Liberty Counsel Update: Disorderly conduct citations for attending church--Our client, Logos Baptist Ministries of Niles, IL, received two "Disorderly Conduct" citations this week for peacefully worshipping the Lord**

When we hear of someone receiving a "disorderly conduct" citation, we typically think of wild parties, violent shouting matches or pushing and shoving. But in all my years of ministry and legal service, I never imagined that attending a worship service at a Baptist church could be seen as "disorderly conduct."

Yet, in Gov. J.B. Pritzker's locked-down state of Illinois, acts of solemn worship have been deemed a crime and our client Logos Baptist Ministries was on the receiving end of not one, but two "disorderly conduct" citations...for opening the church for peaceful worship and prayer.

Gov. Pritzker and Chicago Mayor Lori Lightfoot want to criminalize church attendance while expanding mass surveillance.

We CANNOT ALLOW OUR GOVERNMENT TO SPY ON US OR OUR CHURCHES! Logos Baptist Ministries, a church that serves mainly Romanian immigrants in Illinois, came to Liberty Counsel for help along with Elim Romanian Pentecostal Church shortly after Gov. Pritzker made it clear that Illinois churches could not expect to re-open for at least 12 to 18 months.

Like Elim Romanian Pentecostal, many of the members of Logos Baptist once lived under Communist Romanian rule. They remember all too well the injustices wrought by Communist tyrants as they sought first to control, then to eliminate Christian churches.... including using heavy-handed tactics like pressuring citizens to turn on neighbors and report stubborn worshippers to government authorities.

That is exactly what Gov. Pritzker and Mayor Lightfoot are trying to do now.

Gov. Pritzker announced that Illinois churches will remain largely shut down until, among other things, a proper mass surveillance system is put in place to "monitor" citizens – a process the Governor says may take 12 – 18 months, hopefully by the time a vaccine is widely available.

In the meantime, Gov. Pritzker is calling on citizens to report anyone who dares defy his unconstitutional orders, asking them to call the police or "311" *until an automated mass surveillance system can be implemented.*

Per the Governor's comments on May 1, that system is already being developed and tested. And Mayor Lightfoot is doing her part by repeatedly declaring that every "report" will be investigated and fines of up to \$10,000 per incident may be leveled against the "offender."

Gov. Pritzker and Mayor Lightfoot are not alone. In fact, it would seem that tyranny has strong roots in Illinois, because IL Rep. Bobby Rush has introduced HR 6666 into the US House of Representatives — a bill which seeks to level the full power of the federal government, underwritten with \$100 *Billion* in funding, to track and surveil what used to be a free people.

The list of potential collaborators Rep. Rush would like to enlist in his "paid snitching" scheme is deeply disturbing because it includes targeting our churches and our schools.

Both the Nazi Germans and the Soviet Communists used just these sorts of tactics to quell disobedient voices of freedom. Jews were offered special perks if they reported other Jews and became known as "judenrats."

Neighbors who exposed non-compliers in their neighborhoods were given the government's favor, even as they watched the neighborhood churches burn as a result of their reports. And who can forget the Hitler Youth, born of German schools' constant instruction to report even parents and siblings "for the good of the country." People who refused to report their neighbors, family and friends were punished.

Meanwhile, Gov. Pritzker has banned all church services of 10 people or more, no matter what social distancing and sanitizing services the church has implemented and regardless of the size of the building. While Home Depot and Walmart can have hundreds of people in their buildings, churches may not. The 10-person limit is both ridiculous and unconstitutional!

This past weekend in Chicago, police towed the cars of residents who surround Elim Romanian Pentecostal in an apparent effort to raise hatred against the church and to punish area residents who might support the church. But the church does not use the street parking. Police then blocked the entrances of the church's privately contracted parking lot. And Logos received "disorderly conduct" citations.

Our clients will not cower in the face of Gov. Pritzker's intimidating warnings and tyrannical actions. These churches are standing fast on the Word of the Lord, *and* their Constitutional right to freedom of religion!

But other American citizens need to fight for our rights, as well. We cannot allow the growth of a rapidly developing police state that spies on its citizens' every move and eliminates our Constitutional freedom.

WE CANNOT ALLOW OUR GOVERNMENT TO SPY ON US OR OUR CHURCHES!

[Select here or the button below to take a stand now.](#)

DON'T SPY ON ME!

Tyranny almost always attacks churches first, then turns to mass surveillance as its preferred method of intimidation and control. Punitive enforcement always follows and grows more draconian when citizens fail to push back.

The restrictions being placed on our churches — the only entities deserving to be

deemed "essential" according to the Constitution — along with mass surveillance by petty tyrants on local, state and federal levels, portend a trend toward the loss of all American rights.

Tyrants start with churches and synagogues, progress to surveillance, incorporate snitching and end with destruction of liberty. This is America and we cannot allow this deadly progression to continue!

Please, take a stand NOW and tell our elected officials we will NOT tolerate mass surveillance, citizen spying and the destruction of our unalienable, God-given, constitutionally protected rights!

Cardiac Arrests up 800 Percent: Doctors Warn Lockdowns Doing Much More Damage Than COVID

A new grassroots organization of doctors is telling the nation it needs a second opinion about the way to handle this pandemic medically and mentally.

During a media call, several of these doctors spoke of horrible medical results for people because of excessive panic over the coronavirus. They also told of harm done to ill or injured people because the medical world has been largely cut off to them while almost all resources have been redirected to deal exclusively with COVID-19.

Dr. Simone Gold is an emergency room physician documenting these harms as she's contacted fellow medical professionals across the country and helped form this new group A Doctor A Day.

Gold shared. "We're so worried about the fact that patients believe that they are going to get sick if they show up for medical tests. But they're actually hurting themselves."

They're avoiding hospitals even during emergencies.

"There are all these patients out there not showing up to emergency departments," Gold stated, saying where she works, "The volume in the emergency department is incredibly low. Maybe 60 percent of what it usually is. And this is across the nation. Everybody's had the same experience, excluding the New York metropolitan area."

"Actually, it's quite empty," she reported, saying of her own hospital, "I got a letter just this last week that we are firing 50 percent of our technicians."

Layoffs have been widespread in hospitals across the country since the pandemic hit.

Subject: *Dr, Scott, This is for Elaine. Actually I have quit caring my cell phone, a 3G flip phone, that will not permit anyone to text me, when I am out and about in public, because I DO NOT want to risk that thing being tracked and accused of having this illness. Actually I was instinctively doing this before Dr Scott talked about this.. (I do have shielding bags but I can't find them at the moment.) I very rarely use it in any case, and unless I am somewhere where I believe I may need the phone I take it then. I don't like 3G, I have become sick when speaking to my aunt on this phone I have had for years (she can easily spend two hours on the phone) and I do not want to upgrade to 4G (I am talking about 4G here not even 5G). I don't want the forced upgrade to 4G coming next year. I am considering going cell phone free when they do this. Also, Dr. Scott, myself and everyone else who is smart phone free, we are ALL DOING JUST FINE. I am not retired, I work in a hospital, full time, with a critical job, that I was blessed to still be working all of my hours during this lock down, where everyone else around me was having my hours reduced or eliminated. I work in a industry where everyone thinks they are so important they need a smart phone and instant communication. I now use my cell phone so seldom, I know I can easily go cell phone free, easily. There are other ways to do everything they are forcing you to do everything you use your smart phone for, and right now, no one will deny you access to the post office, if you tell them you don't have a smart phone.*

You just need to communicate with everyone and all your friends you do business with that you do not have a smart phone any more, and you CAN NOT RECEIVE TEXT, sometimes that part has to be repeated for them to get it. BTW, I am old enough that I remember when no one had a cell phone and we all did just fine. Just consider this... Do not let them track you, for any reason, and quite frankly I don't know how it is possible for them not to track your location when you have any kind of cell phone. That cell phone still has to ping against the towers for it to work.

Patricia: I will forward this to her but if you get a Green 8 sticker for the phone you should see a big difference when talking on the phone (I know I do) and try to only talk on speaker phone so the phone is not up against your head.

5 signs the coronavirus 'contact tracing' texts you're getting are a scam

By James Gelinas, Komando.com May 20, 2020

COVID-19 is exposing the dark underbelly of the web for all to see, and millions of people are suffering because of it. You have to be pretty twisted to try and scam people out of their savings during the worst economic crisis in the past 50 years, but that's exactly what these cybercriminals are doing by leveraging the pandemic to their advantage.

Millions of jobs may have been lost in the past few months, but recovery efforts are already kicking into gear. Financial relief like stimulus checks have been put into motion, **and new jobs like contact tracing are opening up. Unfortunately, scammers are paying attention to the news, too. And now, the vital work performed by contact tracers is being hijacked by enterprising scammers desperate for your cash. They're impersonating contact tracers as they try to steal your info, and they're pulling out all the stops to seem as convincing as possible. Will anybody trust a call from real contact tracers after dealing with these scammers?**

The FTC has issued a warning regarding the rise of a new kind of scam that's just timely enough to damage American recovery efforts. By posing as contact tracers, these fraudsters are tricking people into ponying up personal information and breaking the trust in real contact tracers that can help keep the country safe and healthy.

Here's how it works: Scammers will send you a text message with a generic boilerplate spiel about how you were exposed to someone who tested positive for COVID-19. The message will include a link where you can supposedly learn more or sign up for testing.

But clicking the link is extremely dangerous. These text messages contain malicious links that can install tracking software on your device capable of stealing personal information. Some may even include links to phishing websites where you'll input the information yourself, which makes it even harder to catch the people responsible.

Ultimately, the FTC says it fears this new effort may make people wary to take real contact tracing efforts seriously as the pandemic drags on.

"Thankfully", the FTC issued detailed guidelines on what to expect from legitimate contact tracing efforts. Messages from local health departments will

not include links whatsoever, and will instead give you a heads up that a call is coming your way — complete with the phone number it will come from. As of now, scammers haven't caught on to this yet.

When a real tracer calls you, they won't ask you for any financial or identifying information like a Social Security Number. What they may ask you for is whether or not you want to enroll in text alerts going forward. Any caller who asks for personally identifying information aside from that is a scammer, and you should hang up immediately. <https://www.komando.com/security-privacy/signs-of-contact-tracing-scams/739389/>

[How to manage COVID-19 exposure notifications on iPhone](#)

[Michael Potuck](#)

- May. 19th 2020 3:30 am PT--Apple and Google have partnered on offering a [secure and private coronavirus contact tracing implementation](#) on iOS and Android. Follow along for where to find the on/off toggle for COVID-19 contact tracing on iPhone in iOS settings.

Update 5/6: Apple has redesigned the iOS settings portion for Exposure Notifications that gives users more clarity on the feature. The toggle is turned off by default and needs an authorized app to turn the feature on with user permission. See below for how it looks.

Update 5/20: [iOS 13.5 is now available](#) to the public. Stay up to date with our [list of which U.S. states are going to offer supported apps here](#).

Anonymous COVID-19 contact tracing via Bluetooth (not GPS location) is [available with iOS 13.5](#).

Contact tracing is called “Exposure Notifications” on iPhone and is turned off at the system level by default. You’ll have to download an app from your local health authority that will require your explicit permission to use anonymous Bluetooth data for it to work when phase one of the rollout starts in May.

Apple and Google have said that phase two of the contact tracing software will allow it to work without a third-party health authority app, but that won’t happen until later this year.

Apple and Google have done a great job [highlighting how contact tracing is built on privacy and security](#), read more about that [on Apple’s website](#). But if you still want to change your contact tracing settings, here’s how to find it in iPhone system settings.

Note: The “COVID-19 Exposure Logging” toggle is disabled by default in iOS 13.5. This does not collect any data without you installing and authorizing a local health authority app, which will be available soon. Apple and Google’s exposure notification system will be completely opt-in.

How to turn on/off COVID-19 contact tracing on iPhone

1. On iOS 13.5 and later, head to Settings on your iPhone
2. Swipe down and tap **Privacy**
3. Now choose **Health**
4. Tap **COVID-19 Exposure Logging** at the top
5. For now, you’ll need an authorized app before Exposure Notifications can be turned on. But then you can tap the toggle to turn notifications on or off
6. You can also delete the exposure logs manually at any time at the bottom of the settings
7. Follow along [here for when apps from health authorities become available](#)
