2020 STRATEGIC WARFARE PRAYER!!!!

Father God in the name of Jesus Christ we nullify, dismantle, cancel and forcefully oppose all satanic operations, maneuvers, manipulations, subversions, strategies, tactics, plots, plans and ploys, which are designed to hinder, prevent, frustrate, foil, deny or delay God's original plans and purposes, from their quick, swift and speedy manifestation taking place in their correct time and season. (Daniel 7:25) **We rebuke and dismantle satanic alliances and confederations. Arrest them and stop them**

by the Spirit. Let every covert and clandestine effort and endeavor fail. Cause the news media to be caught in their lying and manipulation so that only the truth is manifested. (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We decree that every satanic strategy of inhibition, prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We declare all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Confound the devices and evil plans of the enemy that they have crafted, so that their hands are not able to perform their enterprise. Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; let them fall into their own pits they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed destroy all of God's creation and defile the world. For this reason, was the Son of God made manifest that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19; 1 John 3:8) **We overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood.** (1 Timothy 1:18-20) **We overthrow spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17. We reverse the curses associated with all these ceremonies, rituals, utterances and plans to bring about a chaotic bloody revolution in America to usher in Martial Law and the New World Order. We decree and declare that: Their plans shall be uncovered and shall not prevail; & their plans shall be frustrated and unable to achieve any impact; & their threatening's and violent verbal dealings are returned to them one hundredfold.** **FATHER, WE HUMBLLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events leading to the destruction of Your righteous seed.** (Isaiah 44:25; 2 Timothy 3:8) **Send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of warring angels to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelation upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom to come upon them.** (James 1:5) **Cause him to be a trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided; when they communicate let it be incoherent and misunderstood.** (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every spirit that is released from their diabolical assignment to be cast into the abyss, until which time they be cast into the lake of fire.** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) **Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they hit the bull's eye.** (Psalm 57:4) **Let the laws that govern this prayer and all spiritual warfare**

strategies and tactics, be binding by the Word, the Blood and by the Spirit. (1 John 5:7)

We ask you to dispatch legions of your warring angels in full battle array, fiery swords drawn to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. This is a very powerful prayer against Witchcraft...with fasting even more powerful.. *This prayer can shut down Witches and Satanists forever.*

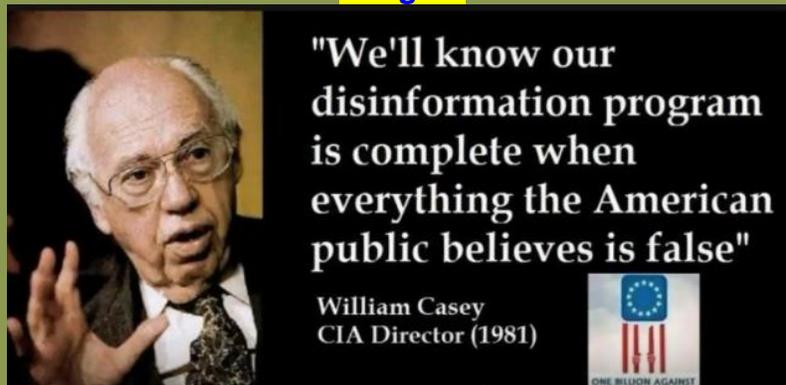

Father, In the name of Jesus Christ of Nazareth, I plead the precious uncorruptable blood of Jesus over myself and my family and everything that belongs to us. I ask for giant warrior Angels (or whatever kinds of angels are necessary) to be loosed from Heaven to surround and protect us. As your war club and weapons of war I break down, undamn, and blow up all walls of

protection around all witches, warlocks, wizards, satanists, and the like, and I break the power of all curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death, destruction, sickness, pain, torment, psychic power, psychic warfare, prayer chains, and everything else being sent my way or my family members way, and I return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and I BIND it to them by the blood of Jesus!

Father, I pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have been set against themselves.. In the name of Jesus Christ of Nazareth I now loose them from all mind control of Satan!.. Father I also ask that you Bind the Holy Spirit to their hearts as a guide to your Son Jesus.. So they may be set free from the bondages of Satan.

In Jesus name I pray...Amen

++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them

that turn aside; it shall not cleave to me.

Psalm 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil **communications** corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:
"Communications": companionship, communion

Coordinated Luciferian Marches For One World Government across nation on June 21st Summer solstice high satanic unholy day

We are the Disciples of Lucifer. And we are here to fulfill the Prophecies of Revelations and start the foundation of forming a One World Government.

You mean like this prophecy of Revelation?:

Rev 20:11-15: "And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them.

And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works.

And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged

every man according to their works. And whosoever was not found written in the book of life was cast into the lake of fire."

We are calling on every citizen of Earth to stand in support of the formation of The One World Government. So on June 21st, 2020 we're calling on every citizen of the Earth to start marches all over the place in support of forming a one world government. Where does it start it starts with you how can you help create your own chapter in your town plan marches and spread the word of forming a one world government tell your friends your family your co-workers and random people on the streets the time to form a One World Government is now the time to fulfill the prophecy is now. Stunning Revelations About the True Nature of the Organizations That Are Destroying America

Submitted by Dave Hodges on Saturday, June 13, 2020 **The attempt to eviscerate the republic of the United States is beginning to take shape. To the average person, they see a montage of unrelated events which are making life miserable.**

The intent of this terrorist-inspired barrage of unnatural events on the American people is as follows:

- 1. To destroy law and order as well as promote extreme social instability.**
- 2. Remove the Constitution as the ruling authority.**
- 3. Release inmates to swell the ranks of Antifa's terrorists as well as promote an atmosphere of extreme societal danger.**

4. Remove executive control of the government from the President to Big Pharma.
5. Remove the military from under the control of the President, thus making a coup or assassination much more likely. This is the same strategy used on JFK before his assassination where JFK lost control of the Joint Chiefs as well as the CIA. JFK never had control of the CIA. And part of the revolution is being directed by the CIA and the Mossad with regard to Antifa and Black Lives Matter.
6. Promote depopulation strategies through 5G and mandatory CV-19 Bill Gates vaccines.
7. Covid-19 has created so much fear among the masses that we see people wearing face masks while driving along in their cars. This is the greatest psyop in world history!
8. The cumulative effect of these events is to weaken America until and external attack can succeed. The military is playing right into the hands of the globalists. In the final days of the overthrow and subsequent invasion of the United States, the military and political leaders of this country will be executed. I call it the "Brown Shirt Effect" in which traitors to a previous regime are cast aside when they no longer serve the role of "useful idiots". If you think I am forecasting the execution of Pelosi, Schumer, Schiff and all the Joint Chiefs, you are correct. Nearly every revolution casts aside their original supporters because of some of them will invariably get cold feet as they witness the unfolding of the massive purge that will eventually consume America after it is conquered. In short, Brown Shirt traitors cannot be trusted, they can only be used until their mission is complete.
9. In ravaged areas of America, both present and future, we will witness the rise of the Somalian-style war lords as we descend into a state of complete anarchy which will provide the excuse for the United Nations to enter our country with a multi-national force under the pretense of following the Kigali Principles. In occupied Seattle, we are already seeing a war lord ruling over the occupied territory.

The strategies of control have morphed into an identifiable pattern. There is no way that the following sequences, which overlap, could be the result of random events:

1. The coronavirus, which to illegal and unconstitutional lockdowns, has destroyed the economy and wrecked millions of American lives. The destruction of the economy has a national security component to the event. In a prolonged war, peacetime industries must be converted into wartime industries in order to replenish war supplies. With America's economy in a tailspin, we have lost the capacity to fight Russia and/or China in a prolonged conflict.
2. As soon as the lockdowns began being eased, and not coincidentally, America went directly into race riots. Clearly, the George Floyd incident provided the impetus for Black Lives Matter and Antifa to spring into action. The terrorists from Antifa launched a well-orchestrated and massive set of riots all across this country, primarily in Democratic Party controlled

cities, where the Democratic mayors and governors committed criminal negligence by forcing all levels of law enforcement to stand down in the face of the mayhem and murder. This has produced the beginning of the end for America. America is being drained of her strength.

3. Now that the race riots have somewhat lessened, we have another false flag brewing. Fauci has announced a "second wave" and it will again be used in many "blue" areas to subjugate the masses which putting the finishing touches upon the country. Between these three phases of attacks upon the American people there was never any respite. This is because these attacks were artificially controlled from a central authority.

4. The dissident groups are all externally controlled by outside, globalist forces seeking the destruction of the United States. Most know that Antifa is the product of crisis actors hired, many of them are the prisoners released under the COVID-19 scare. Black Lives Matter is masquerading as an independent civil rights group. Nothing could be further from the truth. BLM is an arm of the Democratic Party and their political agenda cannot be separated from America's new Communist Party. Much of BLM donations go to "ActBlue" has several entities under the overarching name ActBlue. The terms and conditions of the charity arm of the organization mention "Campaign Finance Laws":

When you research the expenditures of the ActBlue PAC, all of their contributions are directly going to top [DNC campaigns and candidates](#):

COULD IT BE ANYMORE CLEAR THAT WE ARE WITNESSING AN ORCHESTRATED COUP AND THE DEMOCRATS ARE THE ON-THE-GROUND-OPERATIVES?

Thanks to the chief researcher for the CSS, Alexandra Daley for uncovering this hidden gems contained within the Democratic Party.

There are some notable events which have taken place in the past 10 days:

1. The occupation of the center of Seattle in which the police were ordered to evacuate. This allows Seattle to become an open hub of international travel. At one time, the embedded CHICOM troops that illegally entered the United States, came in undetected through the Long Beach Port, which until recently, was under the control of the CHICOMS.
2. The announcement that Colorado is about to pass a mandatory COVID-19 bill which will mandate required "RE-EDUCATION" of parents who refuse to vaccinate their children with the future (does not yet exist) covid-19/Bill Gates induced vaccine.

As Steve Quayle says "what is coming is no longer coming, it is already here". I have written about these coming events based on previously available documentation and now this documentation is being operationalized.

Tulsa Police Major Says Cops Across Country On Verge Of Quitting' SQ: UN POLICE FORCE WAITING IN THE WINGS AS THE COMMUNISTS INITIATE LOCAL LAW ENFORCEMENT TAKE DOWN TO BRING IN PEACE KEEPERS!

A Tulsa, Oklahoma police major says he's "extremely concerned" that cops across America are on the verge of quitting amid global protests against law enforcement.

"Every department, every officer you talk to is looking to leave," Maj. Travis Yates told *Fox News*' "Tucker Carlson Tonight," adding that he is "extremely concerned" for the future of law enforcement.

Yates told Carlson that he felt morale among law enforcement officers "was really low" following the 2014 shooting of Michael Brown by then-Ferguson, Mo. police officer Darren Wilson.

"As everybody knows, President Obama's administration found no evidence of wrongdoing in Ferguson even though the narrative is quite different ...," he said. "We were making a resurgence in recent years and this [George Floyd's death and the aftermath] has been devastating. This has been Ferguson times 1,000. Every department, every officer you talk to is looking to leave." -[Fox News](#)

Yates published a column last Friday on the website [LawOfficer.com](#) titled "America, We Are Leaving."

In it, he recalls growing up in a law enforcement family - and characterized police as "Men and women of all races with the same mission, to make the community safer."

27 years has passed and if you would have told me the condition of law enforcement today, I would have never believed you.

The mentally ill used to get treatment and now they just send cops. Kids used to be taught respect and now it's cool to be disrespectful.

Supervisors used to back you when you were right but now they accuse you of being wrong in order to appease crazy people.

Parents used to get mad at their kids for getting arrested and now they get mad at us.

The media used to highlight the positive contribution our profession gave to society and now they either ignore it or twist the truth for controversy to line their own pockets. -[Travis Yates](#)

"I wouldn't wish this job on my worst enemy," wrote Yates. "I would never send anyone I cared about into the hell that this profession has become ... I used to talk cops out of leaving the job. Yates told Carlson that "officers are afraid to speak out, they are afraid to talk," adding "You are only your next call away from being canceled or destroyed, and so officers feel very limited. I think citizens do, too, and we had just as many citizens comment on that article and send us emails."

"The officers with 15 years on can't leave yet," he said, adding "I've heard from hundreds of people that are discouraged. They love the job, they love the community, they love the people, but all this chaos is wearing them every single day."

Last Tuesday, NYPD union boss Mike O'Meara railed against the MSM for 'vilifying' the police, saying "Stop treating us like animals and thugs and start treating us with some respect."

The Atlanta police officer who fatally shot Rayshard Brooks has been terminated, Atlanta police spokesman Carlos Campos told CNN Saturday. A second officer involved has been placed on administrative duty, Campos said.

The announcement about the two officers comes as protesters flooded streets of southeast Atlanta Saturday night, angry over the fatal shooting of Brooks, an unarmed black man who was killed by Atlanta police Friday night.

The protesters surrounded the Wendy's where Brooks was shot and then made their way to nearby Interstate 75/85, bringing the major thoroughfare to a standstill.

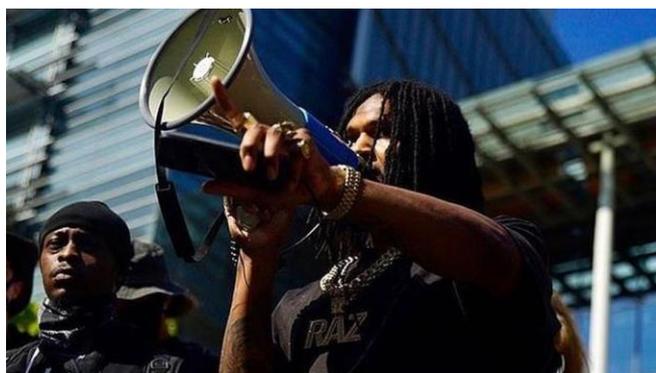

The Wendy's where Brooks lost his life was in flames Saturday night, and a crowd also set fire to automobiles near the fast-food restaurant. Earlier in the day, police used tear gas and a flash bang to try to clear the crowd there.

The chaos came after Atlanta's police chief stepped down and the mayor called for the officer who shot Brooks to be fired.

Brooks was shot in the Wendy's parking lot Friday night after he scuffled with officers and ran away with one of their stun guns, according to the [Georgia Bureau of Investigation](#).

United States of America, the power vacuum didn't last very long. Now, an actual warlord has risen to power there — since Democrats hate police, remember? — and according to online comments, he's, "a man who beats women, forces them into sex work and punishes them if they do not obey."

As [BigLeaguePolitics](#) reports:

A Seattle rap artist appears to be establishing his authority as the de facto "warlord" of a self-styled leftist state in the city's downtown. Reports from the scene of the Capital Hill Autonomous Zone indicate that Raz Simone, a Seattle rapper, has increasingly staked himself out as something of an authority figure within the jurisdiction. Witnesses describe Simone as asserting his authority over graffiti artists that attempted to paint over existing graffiti, threatening to shoot the street artists if they failed to obey his commands regarding new graffiti.

[#SeattleAutonomousZone](#) now has a warlord. It's been 2 days.

— RHGR (@RHGR) [June 10, 2020](#)

This is the new rule of law in Democrat-controlled cities, and Governor Inslee has today declared that he has no knowledge that six city blocks in downtown Seattle were seized. Democrats are suddenly learning what happens when you don't say "no" to Black Lives Matter protesters who seize buildings (or city blocks) and issue a list of demands. As long as you allow the terrorists to control everything, they will keep asking for more. Hey white liberals living in Seattle, bow down to your new leader. When you demanded abolishing the police, this is what you get instead:

As BLP explains:

ANTIFA operatives describe seeing Simone assault individuals present within the autonomous zone at least two times. One claimed that he is "becoming the very thing people didn't want to begin with." Video footage of the incident seems to have been caught on camera. Chaz appears far more willing to engage in the use of force than many of the American police the Seattle leftists are pointing to as their oppressors.

There appears to be no body cameras, reports, or oversight and accountability in this new Satanic zone.

In left-wing Seattle, run by spineless Democrats, the rule of law has been replaced with a third world country warlord scenario, much like Mogadishu. Notice that there's no call among the Mayor or the Governor to send in a SWAT team and shoot these terrorists? If the terrorists were white, they would have already been shot and killed by authorities.

That's why this bizarre scene is "black privilege" on parade.

Meanwhile, homeless people who were invited to CHAZ stole all of their food. Antifa are calling for vegan supplies...

72 hours after the establishment of the [#CapitalHillAutonomousZone](#), there are apparently already food shortages. pic.twitter.com/HBICynDQYH

— Andy Ngô (@MrAndyNgo) [June 11, 2020](#)

“Gotta say I’m impressed, it usually takes Marxists at least 3-4 months to achieve starvation,” said one Twitter user.

Inhabitants of the “CHAZ” are calling for defunding the Seattle Police Department as well as other demands published in a 30-point list online.

“This is no simple request to end police brutality,” organizers wrote. “We demand that the City Council and the Mayor, whoever that may be, implement these policy changes for the cultural and historic advancement of the City of Seattle, and to ease the struggles of its people.”

But amazingly the governor of Washington doesn’t even know that a six-block area, in the largest city in his state, was seized by Antifa after driving the police and National Guard out following a violent confrontation Sunday night.

Let the Democrats in Seattle experience a week or two under the rule of a woman-beating warlord, completely absent any police

response or police accountability; & find out how quickly everybody becomes pro-Second Amendment.

Let them find out what happens when you give up your right to arm yourself in self-defense, only to find yourself surrounded by violent gang bangers while your elected Governor (a Democrat, of course) pretends the whole thing isn’t actually happening, because he’s a clueless white fool who can’t stand up to obvious terrorists because of the color of their skin.

Let them see with their own eyes what happens when you abandon the rule of law and allow deranged groups of thugs and hoodlums to seize control over society while making demands for reparations and the abolishing of police.

This is a teachable moment for America, and we should all watch and observe how this chaos unfolds in Seattle (and now spreading to Portland) because this is a sign of things to come if Democrats gain political power.

**National Guardsman Sickening Eyewitness Account of the Seattle Riot Situation
and "CHAZ"**

**14 June 2020--The following is an eye witness account of what previously took
place in Seattle, WA prior to, and leading up to the CHAZ autonomous zone being
formed. It was written by a Washington State national Guardsman who was
deployed to the scene. This is gut-wrenching, first-hand testimony of the
situation, which is out of control...**

***Per order of the Governor of Washington State, Jay Inslee, the Washington Army
National Guard went into Seattle COMPLETELY UNARMED. We had NO way to
defend ourselves and HAD TO rely upon the SEATTLE POLICE DEPARTMENT to
protect us... Not all of us had vests or plates that would stop rifle bullets. In the***

beginning, most of us didn't even have shin guards... A few Soldiers didn't have batons... Shields were hit or miss, but we ended up sharing where we could...

As I was scanning, I saw a male protester point out and move towards an African-American Police Officer.

The protester proceeded to yell, asking why the Officer was on the "white-man's side." He called the Officer an "Uncle Tom," a "pretender," a "race traitor," and a N-word I'd prefer not to use. Every fiber of my being wanted to lash out. How can you use racist terms and protest racism while using it in a derogatory manner towards someone else? How can you even find fault in someone that is remaining peaceful, that is protecting your rights, and is obviously concerned for the community?! I was furious as the protester continued berating the Officer... We then got replaced by another squad for relief.

During their "protest" I observed multiple people tell others to "shut up" because of their "white privilege." I also saw two protesters almost get into a fight because one wasn't "letting the black man speak." Another protester, when a male had a megaphone, yelled "Listen to him! He's black!" I was raised, under the impression, that equality means treating everyone equally... Race won't cease to be an issue until we stop talking about it. All my brothers and sisters are one color: green. It's cool to honor your heritage, but no one gets special anything due to their skin tone... Everyone is treated the same and everything is equal. How is this (equality) a hard concept?

So, the same escalating confrontations with Antifa continued for almost two weeks... The "protesters" would assault SPD Officers and Guardsman and SPD would use LESS-LETHAL means to disperse the riot. The rioters then used politics to their advantage. They began petitioning the Mayor of Seattle, Jenny Durkan. Durkan, in all her wisdom, caved to all demands... the curfew was lifted, and she BANNED the use of CS gas, the ONE thing that quickly de-escalated the violent confrontations... SPD had no choice but to view CS gas as a last resort, to only be deployed by SWAT.

Fast forward to the day before the most HUMILIATING and DEMORALIZING thing Durkan could have done...

SPD must have had some really good intelligence, or they were anticipating Antifa's response from Durkan's concessions. They installed permanent metal barriers at the intersection of 11th St and Pine St. A second line of barriers was also in place in between us and the initial barriers at the intersection. Everything kicked off per usual, with the "protesters" trying to provoke us with their words, umbrellas, and signs. This time, though, we didn't give them an audience. We all stayed inside the East Precinct, as they did their normal agitation methods at the first barrier.

Suddenly, we were told the "protesters" began jumping the first barrier, heading towards us. We rushed out to the road and staged roughly 1/3 of the way up the block from the intersection of 11th St and Pine St, creating a large safety buffer between us and the "protesters" who had jumped the fencing. They were warned to return over the barrier, which they didn't. They then began disassembling the barrier. They were warned not to disassemble the barrier, but they continued. They then walked towards us. They were

warned to stop, but they didn't. They continued walking towards us. They were warned again, but they continued. They reached the second barrier.

We later found out they brought a plasma cutter (blow torch) to cut through the barriers... (not that they are the provocateurs, or are planning to escalate, right?!) They began cutting barriers so they could be used as weapons against us. They were warned about cutting the barriers, but they continued. They then picked up the second barriers and began walking towards us. They were warned again not to move the barriers, but they continued. They then jumped the last barrier. They were warned again to turn back, but they continued towards us. As they continued to approach, they were continuously warned. **HOW MANY WARNINGS DOES IT TAKE?!**

It started to get dark... The portable lights were turned on. The "protesters" then produced foil covered signs and were trying to blind the Officers and Guardsman. They were warned again, but they continued. They then threw a glass bottle at a Guardsman, the glass bottle shattering on a riot shield. They were warned again, but they just booed at us. They continued to walk slowly towards the Officers until they were within 2-3 feet. They then started using their umbrella's and other objects, putting them in the face of the Officers. They were warned again to not do that.

As expected, objects were then thrown at us. They amplified things, this time. Instead of throwing glass bottles containing urine and other bodily fluids, they began throwing glass bottles full of gasoline. They then lit and threw fireworks at us, trying to light us on fire!!!!!!!

FINALLY the SPD Administration gave the green light and LESS LETHAL forms of riot control were deployed. As objects were continued to be thrown at us, SWAT finally deployed CS gas. The "protesters" proceeded to start vandalizing everything in the area. They smashed business windows, burned U.S. flags, lit dumpsters and other items on fire, and threw things on fire at us. We pushed them back in all directions about half a block but for some reason, we stopped pushing them back. They then regrouped and continued to vandalize the area with spray paint, breaking windows, and lighting things on fire. Around that time, the Guard was pulled back and we left East Precinct.

I returned the very next day at East Precinct, ready to continue the daily fight with these anarchists and communists. When I arrived, they were boarding up East Precinct. City employees were removing all the barriers and taking everything they could out of the precinct. We were ordered to about-face and leave. We went to a different precinct where it was announced that Durkan had decided to abandon East Precinct and to give it to the "protesters." As we watched, Antifa took over the East Precinct and they erected walls at the adjacent intersections with the barricades we had used. They armed themselves, proceeded to vandalize the East Precinct with spray paint, and they declared Capitol Hill a Cop-Free, Autonomous Zone (CHAZ). It was hard enough for me to watch, but I saw Officers that were assigned to the East Precinct for decades, shield their faces, and walk out of the room in tears. The Capitol Hill area of the City of Seattle, to include East Precinct, was surrendered by its elected officials to the terrorists...

I spent the next couple days stewing in Seattle... just waiting for any elected official to grow some b* and tell us to move back in... to take over the ground they surrendered... but it never happened. We were then told the Guard was losing its support from SPD. CHAZ was the new norm of Seattle. The terrorists won and it was time to go home. We expressed our frustration among ourselves, lowered our heads, sympathized for the SPD Officers, packed our rucksacks, and went home angry. (source)***

COLLAPSE of Democrat-run cities now imminent as TRUCKERS say they will refuse delivering to cities with de-funded police--Truckers Halting Service to Seattle and any other city which defunds police

13 June 2020--American truck drivers are already talking amongst themselves about the ongoing riots and other troubles in several large cities, and they are REFUSING TO MAKE DELIVERIES into those cities! Trucking service into Minneapolis is halting. Service into Seattle is halting too. Without trucks, food deliveries will not take place. You know what that means!

The truckers have very valid reasons NOT to deliver to lawless cities like Minneapolis and Seattle. Here's a scene from a "peaceful protest" last week that did not end well for the trucker. The mob yanked him from his cab and beat him senseless.

Truck driver dragged out of his vehicle into the road and attacked by a mob of savages in Minneapolis. pic.twitter.com/yLxkgZ0cba

— Jack Dawkins (@DawkinsReturns) [June 1, 2020](#)

From Commercial Driver Life (CDLife):

As cities across the country are discussing defunding or disbanding their police departments, truck drivers are voicing concerns of safety. Seventy-seven percent of truck drivers say they will refuse to deliver freight to cities with defunded police departments.

Truck driving is historically ranked as one of the most dangerous jobs in the country. In 2018, U.S. Bureau of Labor Statistic reported truck driving as the most deadly job in the country.

Truck drivers have spent the last year on the front line of a global pandemic and protests. Now many are fearful of what might happen if police departs disband or are defunded.

Truck drivers have been voicing their concerns on the CDLLife App. After reading about their concerns, CDLLife posted a poll on the app.

We asked drivers on the app, "Would you pick up/deliver to cities with defunded or disbanded police departments? Why or why not?"

To date, 77% of drivers say they will refuse loads to cities with disbanded or defunded police departments.

Truckers are the lifelines to cities, bringing food, fuel, medicine and other essential items into cities (which are artificial constructs that depend on imports just to survive). Sadly, truckers get little credit for their crucial role in keeping society running, and truckers put their lives at risk when they roll into Democrat-

run cities that are collapsing into Black Lives Matter chaos and terrorism. (BLM is now understood to mean Burn, Loot and Murder.)

The mad violence, looting and “reparations” demands of lunatic Left-wing terrorist groups means that trucks full of supplies are among the high-risk targets. Just yesterday, the city council of Minneapolis voted to completely disband the police department. Once implemented, this will plunge Minneapolis into a third world scenario of lawlessness and total chaos, perhaps making Ilhan Omar feel right at home as she successfully brings the lawlessness of her home country to America. (Fact: Minneapolis, with an enormous number of immigrants from Somalia, is now the No. 1 radical Islamic terrorism recruitment city in America.)

As [I wrote in January of this year in an important story that warned about a “super supply chain crisis” hitting America’s cities:](#)

Radical left-wing domestic terrorism groups such as Antifa routinely stage physical assaults on Trump supporters across America, using deadly weapons and mob violence to commit acts of intimidation against their political opponents. The idea that these radical left-wing groups might quickly escalate their tactics into city-wide chaos, murder and mayhem is no stretch of the imagination. This seems to be their plan.

Yes, I wrote that in January. So don’t believe those who say, “Nobody saw this coming.” We saw this coming!

Without truck loads full of goods, every city collapses into total chaos within 96 hours.

By de-funding or abolishing police, radical left-wing Democrats (“DEMONcrats”) are deliberately pushing their own cities toward collapse and chaos so they can then blame Trump for all the problems they caused themselves.

Every city in America collapses into chaos inside of 96 hours if the trucks stop rolling. Grocery stores, for example, only stock enough food for about 2-3 days of normal grocery shopping. Once the deliveries cease, the sudden increase in purchasing from the locals will wipe out grocery store shelves in less than 24 hours.

If you thought the George Floyd riots were bad, that was just a tiny taste of what you’ll see once deliveries of food, fuel, medicine and consumer goods are halted.

It also begs the question: Who would be crazy enough to drive trucks full of goods into left-wing cities that have collapsed into chaos and “warlord” autonomous zones where police are banned? **Nobody, of course.**

Perhaps the city council members who voted to abolish the police can try to find an available rig and deliver a few truckloads of products themselves, but *it won’t be enough*. Cities need a steady supply of large volumes of trucks to restock the shelves at grocery stores and big box stores like Home Depot and Lowe’s. Imagine the total panic when cities like Los Angeles run out of toilet paper and frozen burritos.

And now with [Walmart now donating \\$100 million to left-wing terrorism-linked groups](#), it seems that even corporate America is so stupid that they will empower the very terrorists who are going to destroy the cities and gut their own retail stores (which will be mercilessly looted).

Behold your new liberal “utopia” depicted in this video, as looters ransack the local Target store. This is what’s coming to every city in America that’s run by terror-supporting democrats:

All the links to these videos are here: <https://www.naturalnews.com/2020-06-13-truckers-refuse-delivering-to-cities-with-de-funded-police.html>

And here’s a scene from the Oakland riots from a few years ago, when looters ransacked a truck and set fire to buses. This is just a small taste of what’s to come across America’s democrat-run cities.

This underscores the critical urgency of getting out of the cities while you still can

By destroying the rule of law, Democrats are making their cities unsafe for the execution of basic functions (such as commercial deliveries) upon which the citizens rely for basic survival. A city without police protection, run by left-wing warlords and Black Lives Matter terrorist gangs, is a city that cannot function. Yet this is exactly what Democrats are doing quite deliberately, including the Mayor of Seattle and the Governor of Washington, both of whom are *actively* supporting rogue left-wing terrorist cells that have already seized six city blocks of downtown Seattle and declared themselves to be a new sovereign nation.

The critical takeaway from this is that every person living in a U.S. city needs to double down on their efforts to bug out from those cities as quickly as possible. This is not a temporary weekend getaway; it needs to be a permanent relocation out of the cities and into a low-density rural area. The cities are rapidly collapsing into a level of lawlessness that will soon lead to a collapse of food supplies. And once that happens, everything descends into chaos and gang warfare. The police will be unable to protect you. Heck, they can’t protect you now.

Democrat city “leaders,” if you can even call them that, have already proven that they will side with left-wing terrorists rather than protect their own citizens. Even though Americans who live in cities are paying sky-high property taxes that are supposed to provide services such as a 911 police response, the police are now being de-funded and abolished. Some sections of the cities — such as in Seattle — are being completely surrendered to terrorist groups like Black Lives Matter, which openly advocates the killing of police and executions of white people. Thus, even if you are paying the city property taxes, you aren’t getting city services. Instead, your cities are being handed over to terrorist cells with names like Black Lives Matter and Antifa, both of which are radical extremist terrorist organizations.

Only rural America will fight back (and shoot back) against left-wing terrorist groups

Since you can’t rely on clueless Democrats to assert the rule of law, your only play at this point is to get out of the cities and create physical distance between yourself and the hoards of starving looters who will soon be attempting to scour the countryside, looking for food and shelter.

Once the Black Lives Matter terrorists exit the cities and leave the protections of the corrupt Democrat mayors, they will enter rural counties where they will be met with an overwhelming kinetic response from armed rural citizens and sheriff’s departments. The Black Lives Matter terrorist groups can’t survive in

rural America, because rural Americans will shoot back and hold their ground, unlike left-wing city dwellers who have been disarmed and transformed into weak-willed “white guilt” jellyfish who bow down and lick the boots of black extremist terrorist groups like BLM.

If you wish to survive the collapse of the cities — something I’ve been warning about for many years — your window of opportunity to get out is rapidly collapsing.

In 2017, we published, “[ANALYSIS: The big cities most likely to collapse into violence and social unrest.](#)”

In 2015, we published, “[America’s cities will collapse into utter chaos the day the EBT cards stop working.](#)”

Early this year, I wrote about the “super supply chain crisis,” talking about how, “[America’s cities may collapse into war zones.](#)” From that story, published in January, before the pandemic was even news:

James Lab issued a Dec. 17th press release in which he warned of “nationwide riots that will impede truckers’ ability to make deliveries of products for Americans’ consumption.” Those supplies include food, fuel, medicine, ammunition and other supplies on which Americans depend each day.

Developing--"Bikers for Trump" To Take Out ANTIFA Commie "Autonomous Zone"

[Nation News Desk](#) 14 June 2020--Bikers for Trump, a H U G E group of motorcyclists, is heading to Seattle, WA to "take out" the ANTIFA Communists

who seized 6 city blocks from Seattle, Kings County, Washington state - and from the United States.

The bikers will arrive in Seattle by July 4.

On that date, since local, county and state authorities have utterly failed to re-establish the rule of law in that so-called Capital Hill Autonomous Zone (CHAZ) ANTIFA will be dealt with by regular, average Americans.

The ANTIFA Communist "Capital Hill Autonomous Zone" will be physically dismantled. The streets

will be re-opened, rental tenants, property, and businesses in those 6 blocks, will once again be free.

Resistance by ANTIFA is expected and has been factored-in to plans for liberating the area.

Any use of force by any single ANTIFA communist, will be put down.

<<By these Americans

Any effort by the formerly duly-constituted authorities to protect the Communist insurgents, will be deemed "giving aid and comfort to the enemy" and will also be summarily dealt with by what means are necessary.

Tens of thousands of Bikers are reportedly preparing to go to this situation, to restore liberty.

Update: Members of both the Hells Angels and Oath Keepers, though not any official chapter yet, have joined the event to ride with members of bikers for trump to liberate the Antifa autonomous zone in Seattle. Members of multiple chapters have signed up on the event page.

American patriots from across the country have vowed to ride, drive and run into Seattle from across the nation and liberate the city's Capitol Hill Autonomous Zone from Antifa radicals who have blockaded themselves in the district.

Letter from Las Vegas: ANTIFA Coming to the suburbs . . . arm-up and be ready
Nation News Desk 14 June 2020

The following is a letter supplied by a private homeowner in a suburb of Las Vegas. It speaks for itself. Those of you who live in suburbs are URGED to read it. Trouble is coming. Bad trouble. Arm yourselves and be ready to fight.

" Ok I was not going to post this as I'm sick of the lies on social media but all of you

need to hear what happened here last night.

*At about 4pm we started getting notices that our outside shopping district Downtown Summerlin was suddenly closed and evacuated. About an hour later we saw online postings shared through the community that said **the hell with downtown Las Vegas let's go to downtown Summerlin and loot and let's go to the local neighborhoods and destroy them.***

About 400 heavily armed police

showed up and blocked the Downtown Summerlin district and started covering the surrounding streets where we live.

We saw postings online that specifically called out our neighborhoods for attack. Residents were terrified we all have seen what's happening on TV etc. as a neighborhood we took action.

We organized and set up a watch on the Main Street from downtown into our three neighborhoods.

Yes we were armed and heavily armed but we kept the weapons in our cars.

A police officer came by and asked if we were locals. We said yes, she asked if we

were protecting the neighborhood we said yes. She asked if we were armed we said yes heavily and she asked open carry and we said yes.

She then proceeded to tell what to do. She said we were targets of the antifa they were going to try and enter the neighborhood and burn as many cars as possible and damage and loot as many homes as they could. She asked us to tell everyone get cars off the streets and take in anything that could be used as a weapon against a home like potted plants in planters etc.

She told they had found huge piles of bricks all around downtown and our neighborhood as well as they arrested someone setting up a food and water camp in the desert nearby.

She said the road was heavily covered by the sheriffs department but if we saw a mob coming to us that meant something bad happened and do not let them into the neighborhood. She was serious. She also said they may try to flank us and come around the back way so keep our eyes open.

As we waited and watched we noticed the typical antifa punks in their black outfits and helmets. One kept driving by in a car another was on a skateboard and another on a bike. We had another walking they were walking through the neighborhoods and we had lookouts in all three. 704 homes banded together to protect our families and property.

We finally decided after bike boy and walking guy made five passes to show them what we got. At that point we took out our weapons and held them down or strapped them to our shoulders.

We got their attention that's for sure. Within a few minutes they disappeared. At this point I got notice that one of these peaceful protesters was filling up 8 pallets of glass bottles at the chevron station with gas up the street. People realized he was making a lot of Molotov cocktails and confronted him and he took off.

Soon after our show of force the protesters went to a Main Street and got picked up and left except a few who went to nearby neighborhood and attempted some home break ins and were caught.

So when I see idiots on social media saying that these are peaceful protesters. I say how dare you.

Your ignorant stupid blind hatred is disgusting. Never in my life did I think I would have to take up arms to defend my home and my family.

These were not right wing militias or any of them other crap you always blame these were hard core anti America socialists intent on causing as much damage as possible.

This is not TV or social media I was there and I am angry and getting angrier by the day. The majority of what we saw was 20 something white spoiled punks with CA plates on their cars.

How dare you socialist antifa pieces of ****s attempt to come into my neighborhood and threaten extreme violence. I can tell you if they had gotten in and started destroying things not one would have made it out. We had about 20 other homeowners who wanted to be with us but I feared accidental violence and said if we need you we will call.

Every one of these antifa we saw all dressed the same and all had backpacks and we knew they had bricks in those backpacks. In a split second one of us could

have been hit with one of those bricks and it would kill you. The only reason it did not happen is they knew they would be shot.

I am disgusted by those on social media saying these are peaceful protesters being harassed by the police. Grow the **** up and stop the BS. One Molotov cocktail would take out multiple homes in Vegas in the heat this place is a tinder box.

Our neighborhood is on the far west side of town a mile from open desert we have nothing to do with anything going on. All of the postings online were kill the rich let's burn their homes.

Share this with anyone people need to know the truth of who and what these people are. This is antifa we have their postings we saw it for ourselves they were coming for us and we would have shot every last one of them to protect our families. We got lucky but it will happen in some city soon people will fight back.

DOUGLAS KRAFT

Start talking with your neighbors. NOW. Don't wait until these Communist thugs are already on their way. Make plans. Prepare.

[As U.S. Cities Crumble, Demand For Rural And Suburban Properties Is Soaring](#)

Have the events of 2020 caused you to consider moving somewhere else? If so, you are definitely not alone. The COVID-19 hoax pandemic, a historic economic downturn and extremely violent riots in major cities all across America are fueling a sudden surge in interest in rural and suburban properties. This represents a major shift, because prior to 2020 we had seen a tremendous boom in real estate prices in large cities such as New York, San Francisco and Seattle. Now a lot of those buyers have become very motivated sellers, but there just isn't a lot of demand for tremendously overpriced homes in core urban areas that are currently being torn to pieces by rioters.

Meanwhile, prices for rural and suburban homes are being pushed up as an increasing number of Americans seek to get away from the major cities.

At first, it was the coronavirus pandemic that was the primary reason why so many people wanted to move. According to Redfin, page views for homes in rural communities and small towns were way, way up in March.

A report from Redfin (NASDAQ: RDFN) highlights this trend, showing that by late March, the seven-day average change in page views of homes in rural and small towns was up 115% and 88%, respectively.

Of course now the worst civil unrest in decades has been added to the equation, and this has caused even more city dwellers to consider a change in residence. In fact, one poll found that approximately 40 percent of all city dwellers "are considering leaving"...

[FALSE FLAG ALERT: Obama Foundation tweeted about George Floyd on May 17th, a week before his supposed murder – UPDATE - NaturalNews.com](#)

We have now confirmed that the Obama Foundation was tweeting about George Floyd on May 17th, more than a week before the day Floyd was reportedly killed by police in an act of violence that sparked the worldwide riots we're all witnessing.

George Floyd was killed on May 25th. So what was the Obama Foundation doing tweeting about Floyd on May 17th, when nobody knew who he was?

The answer, of course, is that the whole thing was planned in advance. Just like on 9/11 when the media was reporting that the WTC 7 building had collapsed even while it was still standing in the frame directly behind them, it looks like the Obama Foundation got its wires crossed and accidentally started tweeting about George Floyd a week in advance.

UPDATE: *Some people are saying that Twitter retroactively alters images from the history of your timeline when the source URL changes its image. However, what investigators have already confirmed is that the Twitter URL validator was used by the Obama Foundation to validate this image on May 17th, in advance of releasing it publicly. Thus, the image was VALIDATED more than a week before Floyd's claimed death. This, combined with the new video analysis that claims George Floyd's death was faked using crisis actors, raise serious questions about the authenticity of this event, which appears to have been planned and carried out for political purposes, right in time for the 2020 election. The Obama Foundation Twitter picture is only a tiny fragment in the larger picture that is now emerging of a pre-planned false flag event.*

Once the first tweet accidentally went out, they couldn't delete it without raising suspicion about it, so they just left it up and are relying on Big Tech's censorship to make sure nobody learns the truth that **this was all planned in advanced and rigged as public theater.**

We've already documented the fact that actors are now posing as cops as part of a rioting psyop (psychological operation) that's being used to brainwash more people into supporting the communist uprising.

YouTube is now banning all videos that discuss the Obama Foundation tweet about George Floyd on May 17th, and Facebook has made sure that no one can share any link from NaturalNews.com as a further suppression of truthful, independent reporting. Watch these two videos to confirm this news for yourself:

Mayor Frey seeks federal, state aid for Minneapolis looting & riot damage--with early estimate showing at least \$55M in damage

With at least \$55 million in estimated damage and far more to come, Minneapolis will need state and federal aid as it attempts to rebuild hundreds of structures after the riots following George Floyd's death, Mayor Jacob Frey said.

City officials are still putting together a complete tally of the destruction and cautioned that estimates are likely to rise significantly. Gov. Tim Walz and members of Minnesota's congressional delegation are trying to get government assistance to offset that cost.

[Minneapolis City Council Unanimously Approves Pledge to Abolish Police Department](#)

The Minneapolis City Council on Friday unanimously approved a pledge to seek the replacement of its police department with a so-called community-led public safety system amid a pressure campaign spearheaded by Black Lives Matter activists and far-left Democrats to defund law enforcement in the wake of protests and riots over George Floyd's death.

“The murder of George Floyd on May 25, 2020, by Minneapolis police officers is a tragedy that shows that **no amount of reforms will prevent lethal violence and abuse by some members of the Police Department against members of our**

community, especially Black people and people of color,” the five city council members wrote in the resolution.

The vote follows a veto-proof majority of the council members voting to disband the department.

SURRENDER: Nancy Pelosi And Other Democratic Lawmakers Take A Knee On Capitol Hill To Show Solidarity With Black Lives Matter Movement

House Speaker Nancy Pelosi and Senate minority leader Chuck Schumer were joined by two dozen lawmakers/Luciferians in Congress' Emancipation Hall -- named in honor of the slaves who helped erect the US Capitol in the 18th century.

They knelt for eight minutes and 46 seconds to mark the length of time a white police officer pinned his knee on the neck of the 46-year-old Floyd, whose death in Minneapolis May 25 unleashed mass protests against racial injustice. The clueless Democrat Senators wearing “Kente” garb for CNN’s cameras were actually wearing the symbols of an African tribe that sold its own members into slavery. Kente is an indigenous Ghanaian textile, made of interwoven cloth strips of silk and cotton. They were, in truth, honoring African slavery, not American freedom. This is likely not an accident. Democrat lawmakers absolutely feel like they “own” blacks in America, as was obvious when Joe Biden said to a black radio host that, “You ain’t black” if you don’t vote for me. The real slave masters in America are Democrat elitists who deliberately trap black Americans in a cycle of poverty in order to exploit their votes via victimization.

There is a movement across the country right now that is seeking to bring America literally to her knees, a movement by the radical Left in this country, and

it gains power and speed with each passing day. Even Piers Morgan in the UK has demanded that President Trump surrender on live television and ‘take a knee’ in solidarity with the Black Lives Matter radicals. This is how insane things have gotten, with no signs of abating anytime soon. Now it’s Nancy

Pelosi leading the surrender.

Of course, the age-old rule is that you can never satisfy your tormentors, because as George Orwell so beautifully wrote in his dystopian novel of the future, our time, that “the object of torture is torture, and the object of power is power”. The more ground you cede, the more they take until you have nothing left. Black Lives

Matter was never about ending racism in America, it has always been about making white people the slaves. Amazingly, deluded and deceived white people are only too willing to bow down to their new oppressors.

Far-Left Laodicean Magazine 'Christianity Today' Demands That America's Christian Churches Pay Reparations To Blacks For Slavery!!!!

Christianity Today says it's time for white evangelicals to confess that we have not taken the sin of racism with the gravity and seriousness it deserves. The deep grief and anger over the death of George Floyd is about more than police brutality. It's about a society and culture that allowed for the abuse and oppression of African Americans over and over and over again. We have been a part of that society and culture, and sometimes we have been the last to join the

fight for racial justice. Christianity Today is calling on churches to "lead the way in biblical restitution" for racial sin, claiming that "repentance is not enough." Champions of the far-Left Laodicean Church, a magazine called Christianity Today and started by Billy Graham, has decided to throw their hat into

the ring surrounding the discussion on racial tensions and domestic terror organization, Black Lives Matter. Their solution? America's Christian churches need to pay reparations, or financial compensation, to descendants of black slaves from the 18th and 19th centuries. When all else fails, pay people off. "Reparations is a scheme to extract money from people who were never slave owners, and give it to people who were never slaves" – Larry Elder

Reparations are not a bad idea for the generation who was victimized, but when you get decades and centuries down the road, reparations are virtually impossible to rightly calculate. But that's not the only problem with reparations. Many blacks now living in the United States are not descended from US slaves, and as such, they would receive nothing. Imagine the outbursts of rage and riots from the people who, in their mind, deserve compensation because they're black, receive none, and then have to watch as friends and neighbors do. Then the ones who receive compensation will immediately say it is not enough, no matter how much it is, to compensate for 'incalculable pain and suffering'. It was just be a money grab given to angry black people in the hopes of stopping the riots. A nonsensical idea at best.

Also no black person living in America today was ever a slave, and no white person ever owned slaves. That history is centuries old, but according to the radical Left, people living today are guilty for the sins of their ancestors... but only white people qualify for this guilt, not black people like Kamala Harris whose ancestors actually owned slaves, but according to the radical Left, having dark skin pigmentation *releases you from the sins of your forefathers*. Thus, black skin has magical powers... i.e. "black privilege."

As [Paul Craig Roberts reveals in this important interview](#), universities have institutionalized racism and bigotry against whites by teaching anti-white hate in "black studies" courses. When Leftists claim they believe in "tolerance" and oppose "hate," they are lying to themselves. They actually teach hate and despise tolerance, as is obvious in the way they so aggressively seek to destroy any person with whom they disagree.

& most people in America have no idea that George Floyd was a long time drug addict & porn star, a violent felon, and a career criminal with a record of violence against women. The media covers that up and presents Floyd as a heroic, almost god-like figure. But as Candace Owens points out, only black culture celebrates its most vile thugs and low-life criminals.

The attacks on those who state the higher truth that "ALL lives matter" reveals the utter bigotry, hatred and anti-white racism of the progressive Left, which is now working overtime to teach white children that they are born in sin because of the color of their skin. You can't have a society rooted in equality when everyone is being taught that white children are guilty the moment they're born.

Speaking of births, nearly all the Leftists who claim "black lives matter" are abortion advocates, and abortion centers are largely focused on black communities across America, where millions of pre-born black human beings have been systematically murdered, sometimes for profit (i.e. organ harvesting and the body parts trade). Recently, Planned Parenthood tweeted about its support for "black lives." Not a single Democrat spoke out against that absurd hypocrisy.

Those who say "black" lives matter is progressive while claiming that anyone who says "ALL" lives matter is racist, are themselves a racist bigot. The only reason black lives matter is because blacks are humans, and HUMAN lives matter. All humans: black, white, asian, latino, etc. Even the lives of cops matter, too. Yet the entire Black Lives Matter movement is inherently racist and bigoted

in claiming that only black lives matter, but no one else. In fact, BLM openly supports the abortion of black babies, which means that even inside BLM, the lives of unborn blacks actually *don't* matter at all. Thus, their entire philosophy crumbles under the weight of just one question: Why do you support the abortion of millions of black babies?

Subject: [Listener Comment From a Law Enforcement Officer](#)

Dr. J, First of all, thank you for your service to The Lord's people. I'm a LEO in metro.... I've been in law enforcement for over two decades, and it's true we have been targeted by domestic terrorists scum. An officer in my department had his windows broken out at his home. Two other officers that live on the same street had someone watching their houses. I pray each night that loosed holy angels protect all of our homes including yours and your listeners. We haven't been disarmed, but it's been discussed by non-leo personnel. Just know there are still many Christian officers that will do the right thing. Also, I am a black male, and I think BLM is a disgrace to all people. I agree society is trying to make whites look like the enemy. As long as Satan can divide us, it's easier for his minions to conquer us. Thank you again for what you do. Be blessed, and God Speed!

[Federal Debt Tops \\$26 Trillion for First Time; Jumps \\$2 Trillion in Just 63 Days! Unsustainable!](#)

Those of you receiving government checks every month, MUST prepare to lose those monthly funds. The debt of the federal government topped \$26 trillion for the first time on Tuesday according to data released today by the Treasury Department. This amount of debt is unsustainable. The government does not have enough funds to pay the interest, never mind pay down the debt. The United States Government is heading for complete economic collapse. When that collapse takes place, there will be no money to pay any federal program: No Social Security, No Medicare, No Food Stamps, No Section 8 Housing, . . . nothing.

The federal debt had topped \$24 trillion for the first time on April 7, 2020.

It then climbed another trillion dollars in just 28 days, topping \$25 trillion for the first time on May 5.

Only 35 days had elapsed from when the debt topped that \$25-trillion threshold on May 5 to yesterday, when it topped \$26 trillion for the first time.

["Second Wave" Of Covid-19/Lies Coming To America To Put the Final Nail in Her Coffin!!!](#)

The proponents of mandatory vaccines and enhanced surveillance are trying to blackmail the American people by arguing that the lockdown cannot end unless we create a healthcare surveillance state and make vaccination mandatory. The accumulating death toll lies from Covid-19 can be seen minute-by-minute on cable news channels. But there's another death toll few seem to care much about: the number of poverty-related deaths being set in motion by deliberately plunging millions of Americans into poverty and despair.

American health care, as we call it today, and for all its high-tech miracles, has evolved into one of the most atrocious rackets the world has ever seen. By racket, I mean an enterprise organized explicitly to make money dishonestly. The Globalists are behind the CoronaVirus, It Is a Man-Made Bioweapon That Vastly Underperformed Worldwide, but that is not stopping Satan's henchmen from shoving this lying narrative down our collective throats on a daily basis!!

Covid-19 Fact Sheet

Breaking: World Health Organization (WHO) says there is virtually no spread by asymptomatic Covid-19 carriers--Vaccines and Masks Pointless--In stunning news, after five months of claiming the coronavirus could spread via "asymptomatic carriers," necessitating the lockdowns, the mask policies and mandatory vaccines, the WHO has now declared there is virtually no spread at all through asymptomatic carriers. **All at once, the WHO just obliterated any last shred of any argument in favor of mandatory vaccines, masks, lockdowns, quarantines or contact tracing. This announcement should end all lockdowns and terminate vaccine research. It's all pointless now, since the WHO says covid-19 can only be spread by people with obvious symptoms who are very easy to spot (and avoid).** Read this bombshell breaking news here:

US Surgeon General Doubles Down: Face Masks Increase Virus Risk

Tuesday, 31 March 2020 08:48 AM—"US Surgeon General Jerome Adams Tuesday doubled down on his advice against healthy people wearing face masks to protect themselves from coronavirus, **saying that wearing one improperly can "actually increase your risk" of getting the disease.**

"What the World Health Organization and the CDC have reaffirmed in the last few days is that they do not recommend the general public wear masks," Adams told [Fox News' "Fox and Friends."](#) "There was a study in 2015 looking at medical students. **And medical students wearing surgical masks touch their faces on average 23 times. We know a major way that you can get respiratory diseases like coronavirus is by touching a surface and then touching your face.**" <https://www.newsmax.com/us/surgeon-general-adams-masks/2020/03/31/id/960679/>

++ Face masks do not protect the wearer from transmission by others--The American Medical Association just released a position paper on masks: **Face masks should not be worn by healthy individuals to protect themselves from acquiring respiratory infection because there is no evidence to suggest that face masks worn by healthy individuals are effective in preventing people from becoming ill.** (*Journal of the American Medical Association (JAMA); April 21, 2020 Volume 323, Number 15* <https://jamanetwork.com/journals/jama/fullarticle/2762694>)

++ Face masks restrict the elimination of virus, recirculating the virus into the nasal/sinus and upper respiratory passages--"By wearing a mask, the exhaled viruses will not be able to escape and will concentrate in the nasal passages, enter the olfactory nerves and travel into the brain." Article by **Russell Blaylock M.D., published May 14, 2020 in Technocracy News & Trends.** Dr. Blaylock is a prominent retired neurosurgeon and author of health-related books.

++ Constantly wearing a face mask causes you to breath in your own CO2 (carbon dioxide) at a far higher rate than if you were not wearing a mask. This will eventually cause respiratory acidosis: Respiratory acidosis is a condition that occurs when the lungs can't remove enough of the carbon dioxide (CO2) produced by the body. Excess CO2 causes the pH of blood and other bodily fluids to decrease, making them too acidic. Initial signs of acute respiratory acidosis include: **Headache, anxiety, blurred vision, restlessness, confusion.** Respiratory acidosis is also a form of stress that will cause your body to secrete higher levels of Cortisol, **which will weaken your immune system!!!** Without treatment, other symptoms may occur. These include: sleepiness or fatigue, lethargy, delirium or confusion, shortness of breath, coma.

++ Also virus particles like Covid-19 are far too small to be filtered out by the standard face masks people are wearing. Relying on a mask like this to filter out virus particles **would be like putting up a chain link fence to keep out a swarm of mosquitos.** The best (yet unpractical) way to do this would be **to wear a full face mask (as the Covid-19 virus can enter in through the eyes as was proven by MD's in China)** with a NBC filter and a rubber gasket seal to the face, for example like the ones at this website: <http://approvedgasmasks.com/mask-gas.htm> **but if you look at the facts below in 99.9% of the time this is not necessary.**

From SWPRS.org ...

👏📊 According to data from the best-studied countries and regions, **the lethality of Covid19 is on average about 0.2%**, which is in the range of a severe influenza (flu) and **about twenty times lower** than originally assumed by the WHO

👏📊 **The median or average age of the deceased in most countries (including Italy) is over 80 years old!** and only about 1% of the deceased had no serious preconditions. **The age and risk profile of deaths thus essentially corresponds to normal mortality.**

👏📊 In most Western countries, **50 to 70% of all extra deaths occurred in nursing homes**, which do not benefit from a general lockdown. Moreover, in many cases it is not clear whether these people really died from Covid19 or from extreme stress, fear and loneliness.

👏📊 Even in so-called "Covid19 deaths" it is often not clear whether they died from or with coronavirus (i.e. from underlying diseases) or if they were counted as "presumed cases" and not tested at all. However, official figures usually do not reflect this distinction. **Particularly when doctors where financially incentivised to put CV 19 as the cause on death certificates.**

++ Minnesota Senator and Medical doctor blasts 'ridiculous' CDC coronavirus death count guidelines: *Dr. Scott Jensen, a Minnesota family physician who is also a Republican state senator, told "The Ingraham Angle" Wednesday that the Centers for Disease Control and Prevention's (CDC) guidelines for doctors to certify whether a patient has died of coronavirus are "ridiculous" and could be misleading the public.* **Dr. Jensen said: Right now Medicare has determined that if you have a COVID-19 admission to the hospital they will get paid \$13,000. If that COVID-19 patient goes on a ventilator, the hospital gets \$39,000!!!; three times as much.** *Nobody can tell me, after 35 years in the world of medicine, that sometimes those kinds of things [have] impact on what we do.* <https://www.foxnews.com/media/physician-blasts-cdc-coronavirus-death-count-guidelines>

🗳️ Countries **without** curfews and contact bans, such as Japan, South Korea or Sweden, **have not** experienced a more negative course of events than other countries. Sweden was even praised by the WHO and now benefits from higher immunity compared to lockdown countries.

🗳️ **The number of people suffering from unemployment, psychological problems and domestic violence as a result of the measures has skyrocketed worldwide.** Several experts believe that the measures may claim more lives than the virus itself. **According to the UN millions of people around the world may fall into absolute poverty and famine.** But make no mistake - those in power - those giving directives from falsified information were privy to advice from unbiased scientists and lawful politicians, but stayed true to pushing a one sided narrative that propels their media fueled agenda. What about giving them vitamin C, D, Zinc, Selenium and Colloidal Silver, and if indicated the medication hydroxychloroquine.

❑ **EVERYONE IN THE ENTIRE COUNTRY NEEDS TO READ THIS AND ABSORB IT**

▲ "CDC admitted they screwed up COVID19 infection counts and intentionally misled the public and have apologized, clarifying that the amount of people truly infected is much lower than what was originally reported -- an error so egregious it made the director of the Harvard Global Health Institute say "how could the CDC make this mistake? This is a mess."

▲ The American Coronavirus Task Force also admitted to fudging the National COVID19 death count when Dr. Birx said the deaths are people who died "with" COVID19 not "from" COVID19, thus making the real death count much lower than what is currently being reported.

▲ Dr. Anthony Fauci admitted masks won't help against the virus and mask manufacturers are now including warnings that their products do not deter COVID19.

▲ Fauci also said that continuing to close the country could cause irreparable damage.

▲ CDC backtracked their initial claim that led governors to shutdown their states & clarified that COVID19 does not spread easily on surfaces.

▲ Governor of New York Andrew Cuomo confirmed a recent health study showing that 70% of new infections actually originate at home, thus making stay at home orders one of the most dangerous mandates currently in place.

▲ The curve is flattened, the CDC, WHO, Dr. Fauci, our governors, and many more were completely wrong about the potential threat of this virus.

▲ Even California is opening up sooner than anyone expected because the evidence contradicts the long standing and inaccurate narrative still upheld by the extremely dishonest & corrupt media.

▲ If you are still living in fear, Don't be. The media, global organizations, the government, and its agencies "mislead" the public.

▲ People called those of us who knew this all along conspiracy theorists, but it turns out we were just following the facts!

▲ **Open up your businesses, churches, and homes. Don't fall for the lies any longer. If you fell for the lies this time, wake up and join the army of truth seekers fighting on the front lines.**

❑ The [#CDC](#) just confirmed a 0.2% death-rate for [#COVID19](#) ...

For that, we have:

- Added nearly 6 trillion to national debt
- Laid-off or furloughed 50 million workers
- Placed 60 million on food stamps
- Gone from 3.5% to 14.7% unemployment
- Crippled the petroleum industry
- Ruined the tourism industry
- Bankrupted the service industry
- Caused an impending meat and protein crisis
- Threatened, fined, and arrested church leaders
- Exacerbated mental health problems
- Shut down schools and colleges
- Given unbridled power to unelected officials
- Increased suicides higher than COVID deaths
- Delayed surgeries and treatments for profound illnesses
- Infringed upon countless important civil liberties
- Placed 300 million Americans on house arrest

These consequences are largely due to two things:

- The first is our view of government as a god that can control Providence and plagues. In our hubris, we increasingly view the government as a deity who can stop acts of nature.
- The second is our sniveling, 21st-century commitment to safety. Our desire to be “safe” ruined our fiscal, physical, medical, food, energy, and national security.

[Depopulation globalist Melinda Gates already pushing experimental COVID-19 vaccines on “people of color” as the target group to vaccinate first –](#)

A friend texted me a short message this morning. “You called it!” That’s because just a few days after I said the COVID-19 vaccine would be used to target black people with a depopulation “kill switch” injection, Melinda Gates came right out and stated that the new vaccines should be administered with a priority preference for “people of color.” (See source below.)

Right from the start, it’s a bigoted assertion. If vaccines are safe and effective, then Melinda Gates is essentially saying, “white lives don’t matter.” But if vaccines are risky and dangerous — which this new covid-19 vaccine is almost certain to be — she’s essentially saying it’s okay to run medical experiments on black Americans to find out what happens.

Black people are almost always the guinea pigs for the medical experiments of the globalists, of course. You don’t even have to look very hard to see [the history of government-backed Big Pharma and vaccine experiments on black soldiers, black prisoners and black civilians, both in the United States as well as across Africa.](#)

Seeing the very same people who promote [global depopulation](#) — Bill and Melinda Gates — now suddenly urging COVID-19 vaccine “equality” efforts to make sure all the black people are vaccinated first should be raising eyebrows

across black America. The clock is ticking. Black people may have only till the start of next year before they will be hunted down with “contact tracing” enforcers and forcibly vaccinated with a dangerous, experimental coronavirus vaccine that bypassed nearly all the usual safety protocols typically required by the FDA.

But first, they’re coming for the doctors... and then blacks

In an interview published by TIME.com, Melinda Gates says that health care workers (i.e. doctors) should all be vaccinated first. This will ensure the deaths of many doctors and nurses who would normally respond to a pandemic, making sure that the next wave of the depopulation bioweapon is highly successful. After the doctors are vaccinated, they’re coming for the blacks next. As Melinda Gates explains, “In the U.S., that would be black people next, quite honestly, and many other people of color. They are having disproportionate effects from COVID-19.”

Just yesterday, I interviewed a resident of California who was stalked by a “contract tracer” who came to her house, peeked through her windows and demanded she submit to a highly invasive covid-19 contact tracing surveillance operation. She has never even been tested for, or diagnosed with, covid-19. This door-to-door surveillance operation is being beta tested in California and will soon be rolled out across the entire country. What it means is that all across the black-dominated inner cities of Chicago, Detroit, Houston, Baltimore, Atlanta and every other city, black Americans will be tracked and surveilled by vaccine-toting “health care” enforcers who will flag vaccine resisters as “dissidents” to be hauled away to FEMA quarantine camps.

Make no mistake: This is coming. This is why I’ve repeatedly urged black Americans to “know your real enemy.” It’s not the racist white cop nearly as much as it’s the genocidal white lab-coat wearing devils who run the vaccine industry and want you dead.

The WHO just obliterated every argument for mandatory vaccines or contact tracing by declaring asymptomatic carriers don’t spread COVID-19

June 08, 2020 by: [Mike Adams](#) ([Natural News](#)) Today the WHO declared that COVID-19 almost never spreads through asymptomatic carriers, all at once wiping out the entire justification for mandatory vaccines and contact tracing. As [CNBC.com](#) reported:

“From the data we have, it still seems to be rare that an asymptomatic person actually transmits onward to a secondary individual,” Dr. Maria Van Kerkhove, head of WHO’s emerging diseases and zoonosis unit, said at a news briefing from the United Nations agency’s Geneva headquarters. “It’s very rare.”

Asymptomatic spread was the entire reason why world authorities demanded lockdowns, social distancing and masks, too. It was also the underlying justification for demanding mandatory vaccinations and contact tracing. After all, if the spread of coronavirus were limited to only those who obviously showed symptoms — and could therefore be easily identified and avoided — there would be no logical need for lockdowns, social distancing, masks, contact tracing or mandatory vaccines, since spreaders of the pandemic could be easily identified and avoided (or isolated with selective stay-at-home orders only for the symptomatic).

All at once, the WHO has just exploded all these narratives that were so aggressively pushed by the CDC, Democrat governors, Dr. Fauci at the White House and even the WHO itself. Now, based on the WHO's new admission, not only should every lockdown be immediately ended; any government effort to initiate new lockdowns should be vehemently rejected as being utterly groundless and anti-science.

Mandatory vaccines are no longer needed when asymptomatic carriers present near-zero risk

Now that the WHO is claiming there's virtually no risk of catching the coronavirus from someone who isn't showing any symptoms, mandatory vaccines are impossible to medically justify since symptomatic carriers can be easily identified and isolated from others.

Simultaneously, the argument that the lockdowns need to continue "until there's a vaccine" have just been decimated, too. In reality, the WHO just admitted that lockdowns aren't necessary at all, except among those who are actively showing symptoms (which is a very tiny percentage of the population, probably far less than 1% on any given day).

TRUTH REPORTING - CORRUPTION ABOUNDS - What Happened to Trump's Vaccine Safety Commission? ANSWER FROM KENNEDY: TRUMP WAS PAID \$1 MILLION FROM PFIZER AND THE COMMITTEE WAS NIXED.THIS IS HOW YOU GET BRAINWASHED TO THINK VACCINES ARE SAFE

Excerpt from: "Robert F. Kennedy, Jr. Explains Well-Known Hazards of Coronavirus Vaccines"

"When President Trump was elected, he contacted Kennedy and asked him to run his Vaccine Safety Commission. Unfortunately, the Safety Commission never got off the ground:

"I [Kennedy] agreed to do it, **but immediately after that, Pfizer wrote a \$1 million check to his [Trump's] inauguration committee. He [Trump] then appointed a Pfizer lobbyist, Alex Azar, to run the HHS, and he handpicked a Pfizer insider,**

Scott Gottlieb, to run the U.S. Food and Drug Administration. As soon as they got in there, they shut down the Vaccine Safety Commission and any other questioning of vaccines,” Kennedy says.

“I think a lot of people were telling him [Trump], ‘You shouldn’t be doing this,’ and [Bill] Gates was one of them. But I think once he took the money from Pfizer and put in their guys, [the commission] was dead in the water.”

EXCLUSIVE: Bill Gates Negotiated \$100 Billion Contact Tracing Deal With Democratic Congressman Sponsor of Bill Six Months BEFORE Coronavirus Hoax Pandemic

The Bill and Melinda Gates Foundation helped negotiate who would score a \$100 Billion government-backed contact tracing contract in August 2019 — six months before the ‘pandemic’ arrived in the United States and four months before it swept through China.

The shocking revelations were unveiled on the [Thomas Paine Podcast](#) and the [Moore Paine Show on Patreon](#) by the two investigators who blew the whistle on the massive Clinton Foundation tax fraud during a Congressional hearing in 2018. John Moynihan and Larry Doyle testified in Congress, detailing the fraud and schemes utilized by the Clinton’s to avoid paying up to \$2.5 BILLION in federal taxes.

The investigative duo, in their first interview since that bombshell Congressional testimony, revealed to Paine that representatives from the Gates Foundation met with U.S. Congressman Bobby L. Rush at a sit down in Rwanda, East Africa in mid August 2019 to hash out who would score the windfall from a government contact tracing program. And just last month — nine months after the meetings with the Gates Foundation in Rwanda — Rush, a Democrat from Illinois, introduced the \$100 BILLION H.R. 6666, the COVID-19 Testing, Reaching and Contacting Everyone (TRACE) Act!!!!!!

Rush’s bill would establish a program run by the Centers for Disease Control and Prevention (CDC) for national coronavirus testing and contact tracing.

Paine has since learned Congressman Rush traveled to Rwanda with his spouse from August 12th to 19th, 2019 to take part in talks and a week-long event underwritten by the Bill and Melinda Gates Foundation and the Rockefeller Brothers Fund.

But how can you negotiate the byproducts of monitoring a pandemic six to seven months before the outbreak of the virus even happens?

House Democrats Sneak Forced Vaccination Bill Through Committee on Sunday June 8, 2020 Citizen Press Staff

Denver, CO – House Democrats snuck the forced vaccination bill through committee on Sunday, despite thousands of protesters and many people testifying in opposition. Senate Bill 163 creates a one-size-fits-all exemption form for

vaccines with a database for exemptions, forces schools to collect and publish data on student vaccination rates, and requires medical professionals to sign off on exemptions.

This anti-liberty bill gives the state more control over families and their freedom to make medical decisions.

The House Committee on Health & Insurance limited the debate, allowing only 90 minutes of testimony from each side. This is not in the spirit of committee hearings, which are intended for the people to weigh in on legislation.

However, Democrats in control of the committee rushed the hearing with an abuse of power that limited testimony.

Previous reports stated the bill would not come back when the legislature resumed after the break for COVID-19. Obviously, Democrats lied to Coloradans (again) about their intentions.

Polis announced his support for this anti-liberty bill before the legislature closed, and Polis shut down the entire state with executive orders.

Lawmakers need to balance the budget and boost our economy by reducing crippling regulations and letting Coloradans go back to work.

Instead, they are rushing oppressive laws that infringe on personal liberties through the legislature.

Scott Johnson's Response: That's the thing, they are going to try to require this Covid-19 testing and ultimately the vaccine as the gateway for being able to do anything in society. I have been documenting this over and over in my last few teachings. This is why I have been so big on trying to educate others on what a joke this whole thing is (see the attachment). Meet the husband and wife team behind Australia's "Terrifying" new wave of anti-vaxxers – and their three-stage plan to defy compulsory flu jabs

21 May 2020--An anti-vaxxer husband and wife are encouraging Australians to protest compulsory flu jabs by sending letters to politicians.

Anthony Golle and his wife Kate launched Facebook group 'Empowered Lifestyle Revolution' about two weeks ago and have

already garnered more than 17,000 members.

The couple welcomed their members to the online community in a video on May 2 and encouraged members to take back their power by sending letters to oppose compulsory vaccination.

'We're a week into this journey. A week ago, we started to follow a process to start writing letters to take back our power,' Mr Golle said.

The couple are encouraging Australians to protest compulsory flu jabs by sending letters to politicians

Ms Golle said the couple created the group to give people 'tools and solutions and things you can be doing for yourself and your family.'

The mum-of-three said there were three waves of letters members would be sending and began to show viewers the process via her screen.

'This is the non-consent set-up for you to have all the letters you need to send to the ministers to be able to start taking action to get your power back,' she said. The Facebook group links to a 'Vaccine Non Consent Account Setup' on the

Solutions Empowerment website, where users can fill in their information to receive letters they can send.

Ms Golle encouraged members to donate \$5 for the three rounds of letters.

CLOSING YOUR BUSINESS PROVEN TO BE UNCONSTITUTIONAL

Posted by [SSBAmerica.com](https://www.ssbamerica.com) | May 5,

CHECKMATE: I've spent the majority of my day on the phone with one of the TOP constitutional lawyers in the country. When I say TOP, I mean he has been teaching all the other constitutional lawyers about law for 30 years.

(Big difference between Constitutional Lawyers and B.A.R. Attorneys)

This guy:

☞ Prior Special Forces who had a \$9600/month pension allowed to him and turned it down when he removed himself as a citizen of the Corporation of The United States effectively becoming a sovereign citizen.

☞ He has died 7 times, been lifeflighted 3.

☞ He went back to his right of being a free American and not property of the global corporation that was set up in DC in 1871.

☞ He has taken on some of the BIGGEST cases in the country and won against life long criminal politicians.

☞ He is a true patriot.

☞ Friends with Stewart Rhodes: President and Founder of Oathkeepers

☞ Friends with Rick Mack: President of the Constitutional Sheriffs and Peacekeepers Association

☞ Friends with Robert David Steele – ex CIA (youtube)

And too many more to mention.

When I tell you that he doesn't give a rat's ass about any governor, law enforcement officer, business owner or anyone else who tries to tell you that you cannot do something...

He has taken on the biggest of the beasts. He will answer your questions FOR FREE...He will defend you. He is having a prosecutor in Oregon arrested for being UNCONSTITUTIONAL.

He knows every law of our land and calls judges out who will not enforce the oath they took.

He has a lot of lawyers that will also fight. And all the Sheriffs...

So if you think that some stupid Governor can enforce ANYTHING, you are sadly mistaken.

Here are just 3 of the cases that he will cite (and you can too) in ANY attempt to close you down or threaten your liberty:

Cruden v. Neale

"There, every man is independent of all laws, except those prescribed by nature. He is not bound by any institutions formed by his fellowmen without his consent." Cruden v. Neale, 2 N.C. 338 (1796)

Meyer v. Nebraska

"The term 'liberty' ... denotes not merely freedom from bodily restraint but also the right of the individual to contract to engage in any of the common occupations of life, to acquire useful knowledge, to marry, to establish a home and bring up children, to worship God according to the dictates of his own conscience.. . The established doctrine is that this liberty may not be interfered with, under guise of protecting public interest, by legislative action." Meyer v. Nebraska, 262 U.S. 390, 399, 400.

Marbury v. Madison, 5 U.S. (1 Cranch) 137 (1803), was a U.S. Supreme Court case that established the principle of judicial review in the United States, meaning that American courts have the power to strike down laws, statutes, and some government actions that violate the Constitution of the United States. Decided in 1803, Marbury remains the single most important decision in American constitutional law.[1] The Court's landmark decision established that the U.S. Constitution is actual "law", not just a statement of political principles and ideals, and helped define the boundary between the constitutionally separate executive and judicial branches of the American form of government.

He ALSO stated, that you need to look at your business license because it does NOT state that you can get it taken away for ANYTHING that they are trying to say or do to you. Send us a copy or the verbiage to review in the comments.

I suggest that EVERY American business owner, sign up for free at our SSBAmerica.com site and I will send you what he sent me, a copy of the Sheriff's Constitution Handbook (pdf) that you can show to ANYONE who tries to limit your liberty. And then, we will go after them.

Stay tuned Patriots, we are all in this together. DO NOT WAIT on any governor or illegal enforcement agency. The Law of the Land and those who are here to protect it are behind you!
