US Surgeon General Doubles Down: Face Masks Increase Virus Risk

Tuesday, 31 March 2020 08:48 AM—"US Surgeon General Jerome Adams Tuesday doubled down on his advice against healthy people wearing face masks to protect themselves from coronavirus, **saying that wearing one improperly can "actually increase your risk" of getting the disease.**

"What the World Health Organization and the CDC have reaffirmed in the last few days is that they do not recommend the general public wear masks," Adams told [Fox News' "Fox and Friends."](#) "There was a study in 2015 looking at medical students. **And medical students wearing surgical masks touch their faces on average 23 times. We know a major way that you can get respiratory diseases like coronavirus is by touching a surface and then touching your face.**" <https://www.newsmax.com/us/surgeon-general-adams-masks/2020/03/31/id/960679/>

++ Face masks do not protect the wearer from transmission by others--The American Medical Association just released a position paper on masks: *Face masks should not be worn by healthy individuals to protect themselves from acquiring respiratory infection because there is no evidence to suggest that face masks worn by healthy individuals are effective in preventing people from becoming ill.* (*Journal of the American Medical Association (JAMA)*; April 21, 2020 Volume 323, Number 15 <https://jamanetwork.com/journals/jama/fullarticle/2762694>)

++ Face masks restrict the elimination of virus, recirculating the virus into the nasal/sinus and upper respiratory passages- "By wearing a mask, the exhaled viruses will not be able to escape and will concentrate in the nasal passages, enter the olfactory nerves and travel into the brain." Article by **Russell Blaylock M.D., published May 14, 2020 in Technocracy News & Trends.** Dr. Blaylock is a prominent retired neurosurgeon and author of health-related books.

++ Constantly wearing a face mask causes you to breath in your own CO2 (carbon dioxide) at a far higher rate than if you were not wearing a mask. This will eventually cause respiratory acidosis: Respiratory acidosis is a condition that occurs when the lungs can't remove enough of the carbon dioxide (CO2) produced by the body. Excess CO2 causes the pH of blood and other bodily fluids to decrease, making them too acidic. Initial signs of acute respiratory acidosis include: **Headache, anxiety, blurred vision, restlessness, confusion.** Respiratory acidosis is also a form of stress that will cause your body to secrete higher levels of **Cortisol, which will weaken your immune system!!!** Without treatment, other symptoms may occur. These include: **sleepiness or fatigue, lethargy, delirium or confusion, shortness of breath, coma.**

++ Also virus particles like Covid-19 are far too small to be filtered out by the standard face masks people are wearing. Relying on a mask like this to filter out virus particles would be like putting up a chain link fence to keep out a swarm of mosquitos. The best (yet unpractical) way to do this would be **to wear a full face mask (as the Covid-19 virus can enter in through the eyes as was proven by MD's in China)** with a NBC filter and a rubber gasket seal to the face, for example like the ones at this website: <http://approvedgasmasks.com/mask-gas.htm> but if you look at the facts below in 99.9% of the time this is not necessary. From [SWPRS.org](#) ...

☞ According to data from the best-studied countries and regions, **the lethality of Covid19 is on average about 0.2%,** which is in the range of a severe influenza (flu) and **about twenty times lower** than originally assumed by the WHO

☞ **The median or average age of the deceased in most countries (including Italy) is over 80 years** and only about 1% of the deceased had no serious preconditions. **The age and risk profile of deaths thus essentially corresponds to normal mortality.**

☞ In most Western countries, **50 to 70% of all extra deaths occurred in nursing homes,** which do not benefit from a general lockdown. Moreover, in many cases it is not clear whether these people really died from Covid19 or from extreme stress, fear and loneliness.

☞ Up to 50% of all additional deaths may have been caused **not by Covid19, but by the effects of the lockdown, panic and fear.** For example, the treatment of heart attacks and strokes decreased by up to 60% because many patients no longer dared to go to hospital.

☞ Even in so-called "Covid19 deaths" it is often not clear whether they died from or with coronavirus (i.e. from underlying diseases) or if they were counted as "presumed cases" and not tested at all. However, official figures usually do not reflect this distinction. Particularly when doctors **where financially incentivised** to put CV 19 as the cause on death certificates.

++ Minnesota Senator and Medical doctor blasts 'ridiculous' CDC coronavirus death count guidelines: *Dr. Scott Jensen, a Minnesota family physician who is also a Republican state senator, told "The Ingraham Angle" Wednesday that the Centers for Disease Control and Prevention's (CDC) guidelines for doctors to certify whether a patient has died of coronavirus are "ridiculous" and could be misleading the public.*

"Right now Medicare has determined that if you have a COVID-19 admission to the hospital you'll get paid \$13,000. If that COVID-19 patient goes on a ventilator, you get \$39,000; three times as much. Nobody can tell me, after 35 years in the world of medicine, that sometimes those kinds of things [have] impact on what we do." <https://www.foxnews.com/media/physician-blasts-cdc-coronavirus-death-count-guidelines>

☞ Countries **without** curfews and contact bans, such as Japan, South Korea or Sweden, **have not experienced a more negative course of events than other countries.** Sweden was even praised by the WHO and now benefits from higher immunity compared to lockdown countries.

☞ **The number of people suffering from unemployment, psychological problems and domestic violence as a result of the measures has skyrocketed worldwide.** Several experts believe that the measures may claim more lives than the virus itself. **According to the UN millions of people around the world may fall into absolute poverty and famine.** **But make no mistake - those in power - those giving directives from falsified information were privy to advice from unbiased scientists and lawful politicians, but stayed true to pushing a one sided narrative that propels their media fueled agenda. What about giving them vitamin C, D, Zinc, Selenium and Colloidal Silver and if indicated hydroxychloroquine.**

+1+ STAGED RACE WAR! Globalists Inflaming Racial Tensions After Heinous COVID-19 Crimes Exposed

Posted on [May 29, 2020](#) by [State of the Nation](#)

These are the most inflammatory RACE WAR stories that have appeared [SEEMINGLY] out of nowhere over the past month of May.

• **Black jogger Ahmaud Arbery hunted and killed by 3 White Men in Brunswick, Georgia [See MSM article [here](#)]**

- 26-year-old Black Woman EMT Sprayed with bullets in the middle of the night by White Police Officers in Louisville, Kentucky [See MSM article [here](#)]

- Black Man George Floyd murdered in cold blood by a White Police Officer while 3 other white officers looked on in Minneapolis, Minnesota [See MSM article [here](#)]
- Black reporter arrested live on air by two White Police Officers at race protests in Minneapolis [See MSM article [here](#)]

Key Point: It's quite possible that any or all of these 5 events may have been staged with crisis actors and perfectly positioned videographers; and then reported as real by the CIA's *Mockingbird Media*. *Really, is there anything that ever makes it to the front page of the New York Times or CNN prime time that isn't a hoax or scam or fraud of some sort?!* Surely, anything that knocks the coronavirus pandemic off as the top story of the week is extremely suspect indeed.

A black male is 40 times as likely to assault a white person as the reverse. These figures also show that interracial rape is almost exclusively black on white.

What Barack Hussein Obama started and egged on during his

8 years in office, Deep State globalists are determined to further expand while Donald Trump is POTUS.

But why now?

Because the manufactured coronavirus pandemic and staged panic have exposed numerous Deep State operatives, Democrat leaders and Mainstream Media co-conspirators for numerous and transparent crimes against humanity.

In point of fact, the ongoing COVID-19 crime wave washing over the USA (and the planet) has proven to be such a highly organized criminal conspiracy that the perpetrators felt compelled to do what they always do: **A Race War**

It's entirely true: nothing distracts like an irrationally violent race riot or rapidly exploding race war.

The Powers That Be know full well that whenever they need to distract US or divert our attention, a burning American city replayed by all the major networks over a few news cycles will always do the trick.

For the first time in well over 4 months, the fictitious coronavirus pandemic was moved off the front pages and abruptly supplanted by the brutal killing of a black man by a police officer in Minneapolis. (If this repugnant killing really did happen, it is outrageous and indefensible and must be

prosecuted to the fullest extent of the law.)

It's very important to note that this horrific event was filmed in a manner as though it was literally staged to be captured on video. The same goes for the other 3 racial events listed above, each of which has proved to foment racial tensions throughout the month of May.

Why, pray tell, did these five race-baiting events get filmed over the course the same month when serious coronavirus crimes committed by various Democrat governors, *Deep State* operatives in the Trump administration and *Mainstream Media* co-conspirators are being revealed?

When five governors are being called out for “**Geriatric Genocide**”, because of their official orders to nursing homes within their respective states, their hidden masters were forced to change the conversation fast—REAL FAST!

Everyone, get ready for America's hastily orchestrated and choreographed race war this hot summer of 2020!

It's not very often that *Deep State*, Democrat, Globalist VIPs such as Tony Fauci (NIH), Bill Gates (BMGF), George Soros (OSF), Deborah Birx (USDoS), Robert Redfield (CDC), Tedros Adhanom (WHO) et al. are exposed for so many egregious crimes against humanity.

What “egregious crimes against humanity”?

When so many Democrat governors in the liberal Northeast are likewise accused of crimes of genocide, especially geriatric genocide, the only way to put out the raging political fire is with a much more dramatic conflagration. And so they have! Now take a look at this coincidental connection between the fired Officer Derek Chauvin

and the black man he supposedly murdered George Floyd.

A former club owner in south Minneapolis says the now-fired police officer and the black man who died in his custody this week both worked security for her club up to the end of last year.

George Floyd and now-former Officer Derek Chauvin both worked security at the El Nuevo Rodeo club on Lake Street, according to Maya Santamaria. Santamaria owned the building for nearly two decades, but sold the venue within the last few months.

"Chauvin was our off-duty police for almost the entirety of the 17 years that we were open," Santamaria said. "They were working together at the same time, it's just that Chauvin worked outside and the security guards were inside."

5 INVESTIGATES has reached out to Chauvin's attorney and the Minneapolis Police Department, but they could not be reached for comment at the time this story was published.

IT BEGINS: Domestic Terror Groups ANTIFA And Black Lives Matter Have Begun A 20-City Campaign Of Arson, Looting And Bombing Of Businesses

by [Geoffrey Grider](#) May 29, 2020 :

Take a look at the following scenes of the terror campaign of Black Lives Matter and ANTIFA, this is war, people, and the police may or may not be able to keep you safe.

The radical Left in this country have decided to attack, and have already begun a campaign of domestic terror

that right now is playing out in over 20 American cities tonight, with many more planned in the coming days. **Black Lives Matter** has once again joined up with the **fascists of ANTIFA**, with the CNN headquarters in Atlanta surrounded by anarchists who have already set off bombs in the hopes of gaining access to the building. America is at war, this is exactly what the Democrats have been planning, and it has begun.

“This know also, that in the last days perilous times shall come.” **2 Timothy 3:1** (KJB)

Reginald Denny was a truck driver who had the bad fortune of driving his truck along the same streets where people were protesting the treatment by police of Rodney King back in 1992. Denny had nothing to do with that, he was just a commercial truck driver on his route. When he stopped his truck as the protesters formed a

line across the road, he was pulled out of his truck, and beaten into a coma. I want you to remember that as you are driving in the coming days through the streets of your city. Whatever you do, do not stop your vehicle should Black Lives Matter or ANTIFA terrorists try to block your movement. It is highly likely your windows will be smashed and you will be pulled out and beaten.

America is being attacked by an entity trying to destabilize the nation through VIOLENT civil unrest and property damage. There may not be a US election this fall. As we destroy the rule of law and civil cohesiveness in this country, China is aggressive on India, removing democratic protection for Hong Kong, and pushing the boundaries with Taiwan and coastal waters of the South China Sea. China is taking this opportunity to flex it's military muscle knowing the US is being weakened from within. The paid actors that promote and inflame the violence are not motivated by altruistic ideals but that of destruction or the American fabric. At least some people are waking up to this false flag event and sounding the alarm.

COVERT INTEL: Military Orders on Secret Internet Protocol Router (SIPR) Mention "Insurrection Act" Federal Military Deployment over Riots

With the situation already deathly serious, things took a decided turn late yesterday as President Trump asked the Pentagon to step in with a plan to quell the violence, bombings and lootings that have been ravaging Minneapolis for the past few days. The Pentagon then ordered the Army to prepare units of Military Police to enter the city if and when the order is given. As we have already shown you last night, these multi-city outbreaks of violence and domestic terror attacks are being fueled and funded by George Soros, and his Open Society Foundation who is giving money for mobilization to Black Lives Matter and ANTIFA. Right now, with the United States already under a lockdown from COVID-19, we are now also in a state of civil war pitting American patriots against the radical Left who bent on destroying us. Soros and his minions have done this multiple times over the past 8 years, but something tells me this just might be the 'big one'.

Official Presidential Orders on the Secret Internet Protocol Router (SIPR) system, involve deployment of federal military troops WITH POLICE POWERS, to cities being smashed by rioters. The authority quoted in these Orders is the "Insurrection Act." Troops at FOUR U.S. Army bases have been given "Ready-Go" Orders; instructing troops at two bases to be ready within four hours of a deployment order, and troops at the other two bases to be ready on 24 hours notice.

As unrest spread across dozens of American cities on Friday, the Pentagon took the rare step of ordering the Army to put several active-duty U.S. military police units on the ready to deploy to Minneapolis, where the police killing of George Floyd sparked the widespread protests.

Soldiers from Fort Bragg in North Carolina and Fort Drum in New York have been ordered to be ready to deploy within four hours if called, according to three people with direct knowledge of the orders. Soldiers in Fort Carson, in Colorado, and Fort Riley in Kansas have been told to be ready within 24 hours. The people did not want their names used because they were not authorized to discuss the preparations.

The get-ready orders were sent verbally on Friday, after President Donald Trump asked Defense Secretary Mark Esper for military options to help quell the unrest in Minneapolis after protests descended into looting and arson in some parts of the city.

Trump made the request on a phone call from the Oval Office on Thursday night that included Esper, National Security Advisor Robert O' Brien and several others. The president asked Esper for rapid deployment options if the Minneapolis protests continued to spiral out of control, according to one of the people, a senior Pentagon official who was on the call.

"When the White House asks for options, someone opens the drawer and pulls them out so to speak." the official said.

The person said the military units would be deployed under the Insurrection Act of 1807, which was last used in 1992 during the riots in Los Angeles that followed the Rodney King trial.

"If this is where the president is headed response-wise, it would represent a significant escalation and a determination that the various state and local authorities are not up to the task of responding to the growing unrest," said Brad Moss, a Washington D.C.-based attorney, who specializes in national security.

Minnesota Governor Tim Walz ordered 500 of his National Guard troops into Minneapolis, St. Paul, and surrounding communities.

Covert Intel also indicates that after students are removed, China will order its nationals to depart the USA as well. This will leave only deliberately positioned Chinese belligerents in the US. (HT Remark: Gee, wonder what THEY will be doing?)

US Intel is under the general impression that China is now taking steps in advance of going to war with the United States. There is also genuine belief that this move to evacuate "students" is also a "go-signal" to Chinese spies to get out.

If a war between the US and China was merely over Taiwan, or the South China Sea, there would be no reason to order students to leave the USA. There would be no plans to order nationals to leave the USA either.

Since both those orders to leave are now coming out, it is the assessment of US Intel that any war between the US and China will see hot fighting HERE; on U.S. soil. Perhaps with a Chinese first strike. That seems to be the only reason China would seek to evacuate its people. They plan to strike us.

UPDATE 9:07 PM EDT --

China will begin the evacuation flights on June 4.

President of Madagascar, Andry Rajoelina has claimed that the World Health organization, WHO, offered his country the sum of \$20m as bribe to poison COVID-19 cure, according Tanzania Perspective.

The President went on to insist that the herbal remedy called 'COVID Organics' made from Artemisia can cure COVID-19 patients within ten days.

Also appearing on France 24 News, Rajoelina said that the only reason the rest of the world had refused to take the herbal cure seriously and with respect was that it came from Africa.

“If it wasn’t Madagascar, and if it was a European country that had actually discovered this remedy, would there be so much doubt? I don’t think so,” Rajoelina said.

Meet the husband and wife team behind Australia's “Terrifying” new wave of anti-vaxxers – and their three-stage plan to defy compulsory flu jabs

21 May 2020--An anti-vaxxer husband and wife are encouraging Australians to protest compulsory flu jabs by sending letters to politicians.

Anthony Golle and his wife Kate launched Facebook group 'Empowered Lifestyle Revolution' about two weeks ago and have already garnered more than 17,000 members.

The couple welcomed their members to the online community in a video on May 2 and encouraged members to take back their power by sending letters to oppose compulsory vaccination.

'We're a week into this journey. A week ago, we started to follow a process to start writing letters to take back our power,' Mr Golle said.

The couple are encouraging Australians to protest compulsory flu jabs by sending letters to politicians

Ms Golle said the couple created the group to give people 'tools and solutions and things you can be doing for yourself and your family.'

The mum-of-three said there were three waves of letters members would be sending and began to show viewers the process via her screen.

'This is the non-consent set-up for you to have all the letters you need to send to the ministers to be able to start taking action to get your power back,' she said.

The Facebook group links to a 'Vaccine Non Consent Account Setup' on the Solutions Empowerment website, where users can fill in their information to receive letters they can send.

Ms Golle encouraged members to donate \$5 for the three rounds of letters.

Just know that if you have had the flu vax in the past few years ... you will likely test positive for corona virus—Covid-19--Corona virus was patented November 20, 2018 to be used as part of the vax (see the patent below)

Also know that across current testing, 25% of the population has already had CV-19 of which 99+% either didn't even know they had it or recovered through natural immunity with no vax. All those people now have the antibodies for life.

Another percentage of the population does not have the receptors for the virus, so will never test positive to CV-19 - unless of course you are a papaya or goat 🐐 that has tested positive - totally revealing the fraud of the Covid testing kits as unreliable. Not to mention the whole batch of testing kits that was infected with CV

Staying indoors - away from people - out of sunshine ☀️🚫 has been the worst possible directive. Flattening the curve elongates the problem - lengthens the period to create natural herd immunity. Forcing people to stop trading, stop fellowship, stop worship - our fundamental human rights.

Locking the elderly up away from loved ones right now is criminal. Ask any person locked up in an aged care facility if they would choose longevity or quality of life and you already know the answer.

Was this a mistake? I wish it was and we could forgive some poor judgement. **But** make no mistake - those in power - those giving directives from falsified information were privy to advice from unbiased scientists and lawful politicians, but stayed true to pushing a one sided narrative that propels their media fuelled agenda.

If people are asleep 😴 let them be. It is those right now that have an intuition - a gut feeling - a voice in their head shouting "this isn't right" that need to take action.

It has been a great awakening. A once in a lifetime opportunity. Those including myself who have sat dormant are being fully enabled - fully empowered - called upon from within to create the future for our next generations we desire. If we do not answer this call - it will be left to our children. Another generation of darkness for them to deal with. Children don't do as we say - they do as we do. If we do not show them how to take a stand for freedom - we are showing them through our own actions how to settle - be dulled down and bow down to false authority. If you have read this far - you know. Now it is time to do. Connect with the 100's of thousands of people around the globe who are placing the ministers and key people on notice - informing them of our will as the people. Silence is your consent.

[The CDC Slashed The COVID-19 Fatality Rate To A Fraction Of Earlier Estimate Used To Justify Lockdowns](#)
 Governments throughout the world and across the US justified extreme, draconian and unconstitutional (in

most US states) “lockdown” and stay-at-home orders on the grounds that the COVID-19 virus was exceptionally fatal.

In March, the World Health Organization (WHO) was claiming that the fatality rate was a very high 3.4 percent.

Yet as time went on, it became increasingly clear that such high estimates were essentially meaningless because researchers had no idea how many people were actually infected with the disease. Tests were largely being conducted on those with symptoms serious enough to end up in emergency rooms or doctor’s offices.

By late April, many researchers were publishing new studies showing that the number of people with the disease was actually much higher than was previously thought. Thus, it became clear that the percentage of people with the disease who died from it suddenly became much smaller.

Now, the Centers for Disease Control and Prevention (CDC) has released new estimates suggesting that the real fatality rate is around 0.26 percent.

Proponents of destroying human rights and the rule of law in order to carry out lockdowns will continue to insist that “we didn’t know” what the fatality rate was back in March. **The lack of evidence, however, didn’t stop proponents of lockdowns from implementing policies that destroyed the ability of families to earn a living, and which also created social conditions that caused child abuse and suicides to spike.**

But for more sane people, extraordinary claims require extraordinary evidence. Those who have claimed that lockdowns are “the only option” had virtually no evidence at all to support their position. Indeed, such extreme over-the-top measures such as the general lockdowns required an extreme level of high-quality, nearly irrefutable evidence that lockdowns would work and were necessary in the face of a disease with an extremely high fatality rate. **But the only “data” the prolockdown people could offer was speculation and hyperbolic predictions of bodies piling up in the streets.**

But that became politically unimportant.

The people who wanted lockdowns had gained the obeisance of powerful people in government institutions and in the media. So actual data, science, or respect for human rights suddenly became meaningless. All that mattered was getting those lockdowns. So the lockdown crowd destroyed the lives of millions in the developed world—and more than a hundred million in the developing world—to satisfy the hunches of a tiny handful of blood drinking, Luciferian politicians and technocrats.

+3+ Coronavirus Bracelets Flooding the Marketplace Are Ready to Snitch on Workers

Big Brother and Big Data name names on COVID-19: Are you safe?

 John Ransom · May 20, 2020

Public health officials in two-thirds of U.S. states are sharing the addresses of those who tested positive for COVID-19 antibodies, according to a report by the Associated Press (AP). Ten states are also sharing the names, says the AP.

The ten states are: Colorado, Iowa, Louisiana, Nevada, New Hampshire, [New Jersey](#), North Dakota, Ohio, South Dakota and Tennessee. [from theusawire.com](#)

Surveillance firms around the world are licking their lips at a once-in-a-lifetime opportunity to cash in on the coronavirus by repositioning one of their most invasive products: the tracking bracelet.

Body monitors are associated with criminality and guilt in the popular imagination, the accessories of Wall Street crooks under house arrest and menace-to-society parolees. Unlike smartphones, de facto tracking devices in their own right, strapped-on trackers are expressly designed to be attached to the body and exist solely to report the user's whereabouts and interactions to one or more third parties.

But a climate of perpetual bio-anxiety has paved the way for broader acceptance of big brother technologies, with a wave of companies trying to sell tracking accessories to business owners eager to reopen under the

egis of responsible social distancing and to governments hoping to keep a closer eye on people under quarantine.

Take AiRISTA Flow, a Maryland-based outfit that helps corporations track their "assets," breathing or not. In an April 21 press release, the company announced it would begin selling Bluetooth and Wi-Fi trackers to be worn on an employee's wrist like a Fitbit — or around their neck like a cowbell. "When people come within six feet of each other for a period of time," the company wrote in a press release, "the device makes an audible chirp and a record of the contact is made in the AiRISTA Flow software system." But the tracking goes far beyond audible chirps: AiRISTA's platform allows employers to continuously upload a record of close encounters to a corporate cloud, providing an up-to-date list of presumed social distancing violators that would double as a detailed record of workplace social interactions.

The company will also collect a history of employee interactions: "If an infection does occur, historical data from the system will allow for highly accurate contact tracing, as records can show the individuals who were near the infected party."

HT Announcement--BEFORE YOU INSTALL ANY "CONTACT TRACING" OR "COVID-19" APP - PLEASE DELETE ME FROM YOUR PHONE

27 May 2020--I am respectfully asking this of all my friends/family:

The government and media hype about this virus is grossly distorted from reality, and is being used to manipulate the public into a situation of absolute, total, control by government. I will NOT be party to that.

I suspect a good portion of you will be downloading the Covid19 app " for the greater good, for our safety, for the safety of our loved ones."

We can debate back and forth forever, but I've already decided the following:

To all my contacts who intend to install the COVID-19 app "Healthy Together" or any similar contact tracing apps please delete me from your phone contact list, as well as from Facebook, Twitter and all other social media sites BEFORE installing this or any other similar app on your smartphone. You see, these apps want permission to access to your contacts.

You DO NOT have my consent to use my phone number or facebook, twitter, or other social media outlet profile in connection with your app to identify, track, or locate me, my family, and friends with any of these apps, without my knowledge or consent.

As I understand it, all of your contacts will be known, and this will all be done without prior consent or knowledge, so PLEASE COUNT ME OUT and remove me before you download one of these apps!

Having seen what's going on in China with this program I refuse to have any part of it!!

Coronavirus Satanic digital health passport to be supplied to 15 countries including the USA!!!

Manchester-based cybersecurity firm VST Enterprises has signed a deal with digital health company Circle Pass Enterprises (CPE) to create a digital health passport designed to make it easier for individuals to safely return to work after the Covid-19 coronavirus pandemic.

The two companies have partnered to create "the world's most secure digital health passport", known as Covi-pass, and according to VST Enterprises, are committed to working with governments and "major stakeholders" to deploy the technology.

CPE will ship the digital health passports to 15 countries around the world, including Italy, Portugal, France, Panama, India, the US, Canada, Sweden, Spain, South Africa, Mexico, United Arab Emirates and The Netherlands, with the goal of supplying 50 million digital health passports. The first passports will begin shipping from next week.

VST Enterprises's VCode and VPlatform technologies will be integrated into the Covi-pass to ensure it is secure.

How the coronavirus digital health passport works:

The Covi-pass will work using a colour system of green, amber, red to indicate whether the individual has tested positive or negative for Covid-19 and relevant health information.

Firstly, the user downloads the app and enters key information such as name, address, age and verifies their identity using their fingerprint or a facial scan. They then take a Covid-19 test, administered by an authorised healthcare professional, and the results are scanned into the Covi-pass. They can then use the digital health passport to authenticate their health status to enable "a safe return to work, life, and safe travel", particularly for critical care and emergency services key workers.

[The New Normal--Nazi USA--Maui Police Asked For Public's Help To Locate Wanted Woman Who "Failed To Quarantine"](#)

The Maui, Hawaii Police Department recently took to Facebook as part of what has been described by some as a "manhunt" for a young woman who allegedly "failed to quarantine."

On May 15, the Maui PD to asked the community for help in finding 24-year-old Tara Trunfio, writing on the on the department's [Facebook page](#):

Police are requesting your assistance in locating Tara Trunfio. Trunfio is wanted

for violating the Rules and Orders for failure to quarantine. Trunfio is described as a 24 year old, Caucasian female, height 5'11", weight 155 lbs., with brown hair and hazel eyes. She was last seen in Haiku, and may now be in the Kihei area. Anyone with information is asked to please contact the Maui Police Department.

The post was updated May 16 with the following:

On May 16, 2020 at about 2:31 a.m., Tara Trunfio (23) of Colorado, was arrested for two (2) counts of Rules and Orders.

An all-points bulletin was put out for her arrest, and posted to social media. There were over 300,000 people reached with the post and over 5,000 comments, some positive and some negative.

Maui Police Department will continue to enforce the rules and orders set forth by the Governor of the State of Hawaii, Mayor of Maui County, and Hawaii Revised Statutes. Trunfio's bail is set at \$4,000.00. She remains in police custody as of May 16, 2020 at 9:45 a.m.

The Facebook post went viral after being shared nearly 3,000 times and receiving over 8,000 comments. Most of the commenters, however, were not in support of the measures taken by the Maui Police Department. Many FB users asserted

Trunfio's rights were being violated and that the police department was behaving like fascists.

Sadly, this is not an isolated incident. All over the world police departments are zealously ticketing, citing, and arresting people simply for violating draconian stay-at-home and social distancing orders handed down by authoritarian government officials.

Police Around The World Place Orders For High-Tech Surveillance Helmets That Scan for COVID-19 Fevers

The stuff of futuristic sci-fi movies is very quickly becoming our brave new normal in the midst of the worldwide coronavirus pandemic and yes, cutting-edge technology is most certainly playing a role.

In Italy, Dubai, China, and other nations around the world, police forces are putting in orders for thermal imaging helmets which can scan the temperatures of passersby, [Business Insider](#) reports.

The helmets are produced by the Chinese firm

KC Wearable and while they are effective at scanning for temperatures, experts are concerned that, considering some people may have fevers due to causes other than COVID-19 while others may carry the disease and present no symptoms, they're certainly not failsafe.

To say nothing of the gross invasion of privacy concerns that such a device, in the hands of law enforcement, poses to citizens of free nations.

It's not just temperatures, either. Any wearer of the helmet would be able to measure the temperature of a specific individual, the temperatures of people passing by in crowds, scan a person's QR code for personal data, and even recognize license plates, see people in the dark, or apply facial recognition.

The company says that any information captured by the helmet is stored within it.

If this doesn't have your liberty sense tingling, I don't know what will.

Dr. Jie Guo, the global chief of KC wearable, over 1,000 of these helmets are already in use across China.

Obama CDC Boss Who Admired China's Response Put in Charge of Contact Tracing "We can learn from China's response"

May 28, 2020--Two years ago, [the NYPD was frog-marching Thomas Frieden, Obama's former CDC boss, with his hands cuffed behind his back after he was charged with third-degree sexual abuse and forcible touching.](#)

Frieden had been accused of groping a female friend, but was shortly released without bail on his own recognizance, pled guilty to disorderly conduct, and had the charged sealed and dismissed. And that shouldn't have been surprising. **Not**

only had Frieden headed New York City's Health Department for seven years, going to war against fat and big sodas, but he had remained a close Bloomberg ally. And the billionaire was a major funder of Vital Strategies, Frieden's public health organization.

Now Governor Cuomo has announced that New York, New Jersey, and Connecticut will be launching a tri-state contact tracing program.

"Mike Bloomberg has volunteered to help us develop the program," Cuomo, whose policies may have killed over 5,000 nursing home residents, tweeted. "It will be expensive, challenging & require an army of tracers."

Bloomberg's presence means that Vital Strategies and Frieden will be at the center of the undertaking. Before going on to run the CDC under Obama, Frieden had served as the Director of Global Health for Bloomberg Philanthropies even while working as Bloomberg's Health Commissioner.

Robert F. Kennedy Jr. Vows To Bring 'Criminal' Anthony Fauci To Justice

May 24, 2020--Dr. Anthony The Snake Fauci is a "*criminal*" according to Robert F. Kennedy Jr., who has vowed to bring the immunologist and head of the National Institute of Allergy and Infectious Diseases (NIAID) to justice.

Although he became a household name in recent, Fauci has been a key figure in the U.S. public health sphere for decades **and according to Kennedy Jr. his legacy is disastrous and lawless.**

Fauci, 79, has been the head of NIAID for a very long time, becoming director in 1984. **As the director, he is responsible for a large portfolio of research on established and emerging diseases. As per his NIAID bio , Fauci's purview includes HIV/AIDS, respiratory infections, tuberculosis, malaria, Ebola, Zika and now COVID-19. He also oversees research on autoimmune disorders.**

Kennedy Jr. has vowed to bring Dr. Anthony Fauci to justice for his criminal conspiracy.

According to Robert F. Kennedy Jr., who serves as the chair of [Children's Health Defense Fund](#) , **Fauci has "committed one of the most consequential criminal conspiracies in history."**

According to Kennedy Jr., Fauci "distributes \$6b annually in research grants" and he personally ensures that "studies of autism's environmental causes never get funded."

When in 2008 NIH's Autism Coordinating Committee allocated \$16 million to study the potential links between autism and vaccines, **Kennedy Jr. says Fauci and Tom Insel , the director of the National Institute of Mental Health, killed the studies.**

"They have committed one of the most consequential criminal conspiracies in history," said Kennedy Jr. **"Children's Health Defense will bring these criminals to justice."**

Shock Video Of Bill Gates Laughing While Saying 'We Take GMO Organisms & Shoot Them Right Into Little Kids Veins' In Brussels Interview In 2015

This disgusting video shows a giddy and gleeful Bill Gates laughing as he brags about 'injecting genetically modified organisms into little kid's arms', it

is painful to watch. But as you watch it, I want you to remind yourself this is the man whose father ran Planned Parenthood, who preached the gospel of eugenics

at the Gates family dinner table, and who trained his son Bill to follow in those footprints, or should we say cloven hoofprints?

Over the years we have shown you the level of utter depravity that New World Order global elite Bill Gates operates on, and over the past few months in particular we have exposed his plan to inject every human on earth with a vaccine and a digital identification from ID2020. As if all that wasn't bad enough, today we bring you just a short little video clip from an interview Bill and Melinda gave in Brussels back in 2015. It will confirm your very worst fears about who Bill Gates really and truly is.

"But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea. Woe unto the world because of offences! for it must needs be that offences come; but woe to that man by whom the offence cometh!" Matthew 18:6,7 (KJB)

Bill Gates reportedly offered a \$10 million bribe to use Nigerian children in coronavirus vaccine experiments

The left's most beloved "humanitarian" has been caught in yet another human rights scandal, this time involving innocent Nigerian children who were to be used as human guinea pigs in one of his forced vaccination programs.

We are talking about billionaire eugenicist Bill Gates, of course, who reportedly offered a \$10 million bribe to the Nigerian House of Representatives in exchange for gaining access to Nigerian children whom he could experiment on with a new vaccine for the Wuhan coronavirus (COVID-19).

All the House had to do was pass a bill presented by Gates that would have mandated the vaccination of all Nigerians with an experimental Wuhan coronavirus (COVID-19) vaccine created by the Bill & Melinda Gates Foundation and its drug partners.

Thankfully, opposition political parties quickly rejected this proposed eugenics and possible genocide attempt, and even threatened the Speaker of the House with impeachment if he agreed to Gates' bribe.

It was the Nigerian Coalition of United Political Parties (CUPP) that says it intercepted a human intelligence report detailing how the Nigerian House of Representatives was right on the verge of selling out its people when the scheme was unearthed, bringing it to a halt.

The House was not only poised to pass the Gates bill, but it was planning to do so outside the bounds of the traditional legislative process. In other words, it was a back-door deal done under the cover of darkness to advance the vaccination dreams of Bill Gates.
