2020 STRATEGIC WARFARE PRAYER!!!!

Father God in the name of Jesus Christ we nullify, dismantle, cancel and forcefully oppose all satanic operations, maneuvers, manipulations, subversions, strategies, tactics, plots, plans and ploys, which are designed to hinder, prevent, frustrate, foil, deny or delay God's original plans and purposes, from their quick, swift and speedy manifestation taking place in their correct time and season. (Daniel 7:25) **We rebuke and dismantle satanic alliances and confederations. Arrest them and stop them by the Spirit. Let every covert and clandestine effort and endeavor fail. Cause the news media to be caught in their lying and manipulation so that only the truth is manifested.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We decree that every satanic strategy of inhibition, prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We declare all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Confound the devices and evil plans of the enemy that they have crafted, so that their hands are not able to perform their enterprise. Save those that can be saved O' Lord, but those that cannot be saved; overtake them in their own crafty and devious ways; let them fall into their own pits they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed destroy all of God's creation and defile the world. For this reason, was the Son of God made manifest that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19; 1 John 3:8) **We overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood.** (1 Timothy 1:18-20) **We overthrow spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17. We reverse the curses associated with all these ceremonies, rituals, utterances and plans to bring about a chaotic bloody revolution in America to usher in Martial Law and the New World Order. We decree and declare that: Their plans shall be uncovered and shall not prevail; & their plans shall be frustrated and unable to achieve any impact; & their threatening's and violent verbal dealings are returned to them one hundredfold.**
FATHER, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up

in the secret shadow government regarding their attempts to manipulate end time events leading to the destruction of Your righteous seed. (Isaiah 44:25; 2 Timothy 3:8) Send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of warring angels to enforce Your perfect will on the United States of America and on all the earth. (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) Release your divine strategies and revelation upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom to come upon them. (James 1:5) Cause him to be a trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided; when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every spirit that is released from their diabolical assignment to be cast into the abyss, until which time they be cast into the lake of fire.** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they hit the bull's eye. (Psalm 57:4) Let the laws that govern this prayer and all spiritual warfare strategies and tactics, be binding by the Word, the Blood and by the Spirit. (1 John 5:7) WE SEAL THIS PRAYER IN THE NAME OF JESUS CHRIST AND THE BLOOD OF THE LAMB, AMEN!

PRAYER TO NEUTRALIZE OCCULT RITUALS

Beloved Holy Savior and Master, Lord Jesus, you are the sacrifice, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father. We honor your sacrifice on the cross, and celebrate your resurrection and transfiguration volunteered for our salvation. We worship you, exalt you and magnify your name above every name. You are sovereign, supreme over all. You are worthy. You alone are worthy. We pledge our faith and love to serve you alone, forever. We claim your Word: James 4:7 "Resist the devil and he will flee from you" 1 Timothy 1:7 "God has not given a spirit of fear, but of power, love and a strong mind." We come in the authority given to us in Christ Jesus. We cover ourselves with the Blood of the Lamb. **We place a hedge of warring angels with flaming swords of fire around us continuously. We put on the whole armor of God. We lift our shields of faith to interlock, standing foot to foot and shoulder to shoulder—a solid wall that cannot be breached or penetrated. We resist and renounce Satan, the god of this earth. We rise to war in the Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of your warring angels in full battle array, fiery swords drawn to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others.** We nullify, dismantle, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agenda and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people meant for evil, you will turn it

around and use it for the good of your people. We close every evil portal that has been opened. We break every curse, hex, spell, vex, enchantment, decree spoken or unspoken sent against the Body of Christ and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, brujo, bruja, soothsayer, medium, coven and every minion of the devil working iniquity and send it back upon their own heads that they may repent and turn from their evil ways. Lord Jesus, reveal your love to them. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

This is a very powerful prayer against Witchcraft...with fasting even more powerful.. *This prayer can shut down Witches and Satanists forever.*

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reproved are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

"Communications": companionship, communion

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." Samuel Adams

"The average age of the world's great civilizations has been two hundred years. These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." GOP convention in Florida may have been cancelled because of threat of an INDOOR drone weapon deployment with fentanyl payload from China

July 25, 2020 ([Natural News](#)) You may be aware that President Trump recently [canceled the GOP convention that was planned for Jacksonville, Florida](#), saying that the risk of coronavirus infections was too high. That explanation may be just a cover story, however.

Over the last two weeks, we have learned that China may be providing weaponized drones to anti-Trump extremists, along with fentanyl “payloads” that can be dispersed indoors, poisoning thousands of people in an indoor arena or sports stadium.

The indoor air circulation actually promotes the dispersal of the toxic payload, while the walls and roof of the arena contain the toxin, allowing it to linger in the indoor environment for many hours. A miniscule amount of pure fentanyl — which is routinely manufactured by China and is already killing an estimated 60,000 Americans each year — is toxic when inhaled.

As [Breitbart.com reported in January of 2019](#), “Terrorists could potentially use fentanyl — a synthetic opioid mainly produced in China that is the primary source of the fatal overdose epidemic in the United States — as a weapon of mass destruction.” That story explains:

It would take only 118 pounds of fentanyl to kill 25 million people...

The drug is “a significant threat to national security,” Michael Morell, a former acting CIA director under former President Barack Obama, wrote in 2017. “It is a weapon of mass destruction.”

Containing a fentanyl attack would be difficult for police and emergency medical officials. Overdoses of the drug are hard to reverse with existing formulations of antidotes such as the Narcan nasal spray.

China is providing weapons and payloads in an attempt to destroy the United States. China has recently been **caught smuggling full-auto weapons upgrades into the United States**, where recent shipments were interdicted by U.S. Customs and Border Protection (CBP). They include shipments that were **on their way to Melbourne, Florida, Louisville, Kentucky and Detroit, Michigan**. CBP has issued photos and **press releases announcing these interdictions**.

What we are now being told by sources is that China's weapons smuggling operation into the United States is more vast than anyone previously knew, **and that China is successfully trafficking military-grade weapons into the United States, directing those weapons into the hands of anti-Trump, anti-America forces such as Black Lives Matter terrorist groups**. One of those weapons is a "Payload Deployment Drone" (PDD), which can carry a payload of up to nearly 1 kg, we're told (about 2 pounds), and can aerosolize that payload with a remote command.

These drones can be pre-programmed to fly along a particular GPS path, aided by visual flight path technology and object avoidance capabilities, then deploy a payload at a specific location and altitude. Importantly, **this can be done indoors**, in large arenas where large public crowds are gathered.

Several different types of payloads can be deployed by drones to cause mass casualties. Obviously, radiological payloads can consist of radioisotopes mixed with small particles that can be easily dispersed in the air. No conventional explosives are needed whatsoever. The turbulence caused by the spinning blades of the drone itself provide for very effective dispersal of the payload once released, especially if the drone is programmed to disperse along a particular flight path with a high rate of lateral speed. ("Crop dusting" maneuvers.)

The disadvantage of radiological payloads, from the point of view of the terrorist organization, is that radioisotopes are fairly easy to detect, and the U.S. government has a network of radiation detectors in place across every major U.S. city. Thus, smuggling radioactive drone weapons into arenas or stadiums might prove very difficult.

Payloads can also consist of fentanyl and other nerve agents, such as VX nerve gas, one of the most toxic substances known to humankind. The "advantage" of these substances, from the point of view of the terrorists, is that these weapons are invisible to radiation detectors and dog sniffers. They emit no signature until they are released. Fentanyl is easily atomized into tiny particles that can remain airborne for an extended period, enabling them to achieve highly effective lateral distribution across an intended target group. Chemical nerve agents, which are often liquids, can also be spray-dried onto other carrier materials, then dispersed / aerosolized by drones.

PERSONAL OBSERVATIONS FROM Hong Kong FROM AN EYEWITNESS OF WHATS TAKING PLACE THERE AND WHATS HAPPENING ON THE CHINESE MAINLAND

Dear Steve, I thought I'd write to you personally about China rather than just send videos or articles as I usually do. Please weigh what I'm going to share with you. I am an immigrant to Hong Kong and have lived here for over 20 years, understand Chinese and have a good knowledge of China.

Some years ago after Xi Jinping became President, he decided to edit the Bible and other religions' scriptures to reflect his ideology. You and I know that as far as the Bible is concerned, this is a huge no-no, and that the last few verses of Revelation warn what will happen to those who try it on. He has also ramped up the persecution of Christians; something that you don't do if you want a blessed nation.

Since that time, China has run into various problems and its economy started to decline. What has happened in Hong Kong, I'll come to a bit later as there is a strong biblical parallel at work even as I write.

Since the beginning of this year, China has run into a surprising number of serious problems all happening at the same time. These are:

1. **The CCP virus, otherwise known as Covid-19 and other names (I believe this was released deliberately from the lab in Wuhan and that there is an agenda behind it possibly involving the US Deep State, but I don't know what and I have no hard evidence to back it up)**
2. **Massive flooding caused by usually early and heavy rainfall all along the Yangtze River basin. This has caused hundreds of deaths and huge personal and public economic losses. Furthermore, many food growing areas have been damaged, with crops destroyed.**
3. **The Three Gorges Dam is warped and is releasing flood water at maximum rate, with further rainfall occurring upstream, with a huge volume of water building up behind it. If the Dam doesn't break this year, water will damage the superstructure and it will break in similar circumstances in the future. When it does break, a massive volume of water will rush downstream and destroy several large cities, and severely damage others. Some of these cities, such as Yichang, will experience 10 metres or more of fast moving flood water. Wuhan, a city of 11 million, will have at least 5 metres of floodwater. Between 400 and 600 million people will be affected in some way, and a huge amount of farmland will be flooded, destroying thousands of square miles of crops in a major food production area. Thousands will probably die as a direct result of the disaster, with many more in the aftermath. National food supply will be affected.**
4. **Locust swarms have been detected in several provinces in both the north and south, including the North-East, Shandong and Guangxi. These are also major grain producing regions, so major implications again for national food production.**
5. **A major gold scam has taken place where a company borrowed several billion yuan against its holdings of physical gold. Except that when the company couldn't repay the loans and the creditors came for the gold, they found most of it to actually be copper coated with gold leaf. I wonder how much of China's physical gold reserves are real based on this behaviour. This could collapse China's financial system.**
6. **Several regional banks are experiencing bank runs despite official denials and several provinces have mandated withdrawal limits to stop people taking all their cash out.**

7. China's behaviour over the CCP virus, border disputes and other matters have managed to annoy most of its neighbours as well as the West and other nations. Even Russia and Iran aren't particularly happy as Russia recently sold fighters to India during its border dispute. Some Chinese nationalists have also brought up the idea of reclaiming the Vladivostok region from Russia.

8. China's breach of the Hong Kong treaty has also destroyed confidence that the country will abide by its agreements.

Focusing on Hong Kong, the political status of the territory is similar to that in 2 Samuel 5:3 when David became King over the non-Judah tribes by means of a treaty. His grandson Rehoboam broke the treaty by rejecting the people's demands in 1 Kings 12, with the CCP and Carrie Lam doing exactly the same thing in Hong Kong over the last year or so. At the beginning of this year, a new slogan was heard at demonstrations: Hong Kong Independence, the Only Way Out. This matches 1 Kings 12:16-17, and I believe that this sentiment will only grow. We are now at 1 Kings 12:18, where harsh officials have been sent down to try and force submission. I believe that just as Israel stoned Adoram, so something will happen to drive these officials out of town and that HK will miraculously become an independent country in the same way that Israel did. Even using the army to try and crush this move will go the same way as 1 Kings 12, I believe. I certainly am praying along these lines...Through this crisis, many people have come to Jesus in Hong Kong, and the church I attend will have to split in two to accommodate them. I hope this is useful to you, as what happens here does affect your nation just as much as what happens in the US affects us.

Many blessings R.

Subject: [Listener Comment: Devil Seeds from China](#)

Hi Scott, I'm sure you heard about the mystery seeds from China. I am a gardener and in a few garden fb groups. There are many people in those groups who have received the seeds.

Many thought they were seeds they ordered and just forgot about and planted them. One said it looked like squash seeds and now the plant looks like a squash growing. The seeds seem to be from all sorts of different plants.

The thought by authorities is it is an amazon hacker but now people who are not gardeners who don't have amazon accounts are receiving them.

Seems like a big investment to ship thousands of seeds to the US and Europe for no reason. This is very concerning to me that it may be a weapon against our food system.

Blessings! I'm praying against whatever this may be! Steff=

Scott Johnson's Response: What???! They planted them???! I thought this would be very rare as it sounds like they are just randomly sent.

Not sure if you saw this:

[BULLETIN: CHINA MAILING BIO-MODIFIED SEEDS TO U.S.A. - ROOTSTOCK IS SELF-GRAFTING VIA SUB-SOIL; DESTROYS ALL CROPS](#)

These packages often contain seeds of unknown origin, but several packages are described as containing counterfeit US currency or pandemic protective equipment such as masks or latex gloves.

The packages, all of which contain a return address of "China Post," are untrackable under USPS tracking systems and are labeled as containing "jewelry" or "earrings."

The packages are being shipped to specific individuals in the United States, using their names, addresses and phone numbers. Yet none of these people have placed orders of such products, according to dozens of complaints that have been filed with the US Postal Service and USDA.

One package, shown below, was received by a citizen in Austin, TX:

China's mystery seeds

THE EXTINCTION PROTOCOL

The Virginia Dept. of Agriculture is warning that these seeds may pose a danger to the crop integrity of the United States of America.

We are getting reports that all the individuals who have received these mysterious seed packages so far are Amazon.com customers. It also appears that the packages may be originating from Amazon fulfillment centers, not China, since all the packages lack any export stamp from China.

In other words, even though they are *labeled* with a China return address, these packages appear to be originating within the USA, and the evidence so far —

which is not yet conclusive — is pointing back to an Amazon.com fulfillment center.

A Bulletin is expected to be issued jointly by the US Department of Agriculture and the Department of Homeland Security regarding packages from China arriving at random in the USA, containing small bags of seeds.

The bags are not labeled, or do they have a label in Chinese language.

Some Americans are throwing these bags away, or flushing them in toilets, while others __may__ be planting them. This is a potential disaster.

The seeds are bio-modified to be an invasive weed-like species, but that's not the trouble. These weed-like plants CANNOT be killed by products like ROUND-UP, they have to be physically ripped out, including the root. If the root is left underground, it will re-grow and spread.

The worst part: The rootstock is self-grafting. It grafts its own RNA/DNA onto surrounding plants, killing them ALL.

It is believed these seeds are an effort by China to kill-off American farm crops. The thinking inside the Intel Community is that the China Communist Party (CCP) is actually waging bio-warfare on the US and possibly Europe to make certain no competitor can gain advantage.

Apparently, since the means of transmission cannot be directly tied to the government of China, the Chinese are confident they won't face war over these actions.

IF YOU RECEIVE PACKAGES FROM CHINA CONTAINING ANY SEEDS, EITHER TURN THEM IN TO YOUR STATE AGRICULTURE DEPARTMENT OR BURN THEM TO ASH. LEAVE NOTHING BUT ASH.

Officials: Virginia residents should report any unsolicited packages from China that contain seeds

<<Credit: Courtesy 13News Now Viewer via Facebook

RICHMOND, Va. — Several Virginia residents have reported receiving unsolicited packages from China that contain seeds.

The Virginia Department of Agriculture and Consumer Services sent out a news release urging residents to not plant the seeds.

Officials said the type of seeds in the package is unknown at this time and may be invasive plant species.

The packages were sent by mail, and may have Chinese writing on them.

A viewer sent 13News Now photos of a package she received by mail. The photo showed a postmark from China. Inside was a plastic bag filled with black seeds. VDACS encourages anyone who has received unsolicited seeds in the mail that appear to have Chinese origin to contact the Office of Plant Industry Services (OPIS) at 804-786-3515 or email ReportAPest@vdacs.virginia.gov.

Officials said invasive species wreak havoc on the environment, displace or destroy native plants and insects and severely damage crops.

China Retaliates; Orders Closure of US Consulate - Ouster of Personnel

China ordered the United States on Friday to close its consulate in the western city of Chengdu.

The move was a response to the Trump administration's order this week for Beijing to close its consulate in Houston after Washington accused Chinese agents of trying to steal medical and other research in Texas.

"The measure taken by China is a legitimate and necessary response to the unjustified act by the United States," said a foreign ministry spokesperson, Wang Wenbin.

"The current situation in Chinese-U.S. relations is not what China desires to see. The United States is responsible for all this," Wang said. "We once again urge the United States to immediately retract its wrong decision and create necessary conditions for bringing the bilateral relationship back on track."

Also Friday, the U.S. State Department sent out a notice warning Americans in China of a "heightened risk of arbitrary detention."

"U.S. citizens may be subjected to prolonged interrogations and extended detention for reasons related to 'state security,'" the notice said.

Americans may be detained or deported for "sending private electronic messages critical" of the Chinese government, it said. The notice gave no indication of what prompted the warning.

WHOA! U.S. Makes FORCED ENTRY into China Consulate EVICTS Diplomats and Staff

American officials have broken into a former Chinese diplomatic facility in Texas, forcing their way in less than an hour after its staff was evicted from the building, which Washington ordered to close earlier this week.

Federal officials, some believed to be with the State Department, gained entry to the facility just before 5pm local time on Friday, using power tools to pry open a back door after failing to breach three different entrances.

COVID-19 Has Been Weaponized To Demoralize And Destroy The Global Population As The Elites Are Now Bringing In The New World Order

Friends, you should feel privileged to be living in such a time as this, a time that the bible calls the last days. It is coming to pass right before your very eyes.

Just days ago, Los Angeles mayor Eric Garcetti rubber-stamped nearly ten thousand unmasked rioters to protest on the streets of Los Angeles, beaming with pride at the 'long overdue social justice' demonstrations. Those people were allowed to do anything they wanted to do, but churches had to

close and small businesses of every kind were shuttered. What was his message? That social justice is good, and church and a free market economy are bad.

Remember what Dr. Birx said that anyone who died of any condition but also had COVID-19, their death would be attributed to COVID-19? That's Lie #1. Here in Florida, as in many states across the country, the infection rates are being deliberately misreported. That's Lie #2. They want you to be afraid, and they do not want you to know that COVID-19 has a less than 1% death rate. Here in Saint Johns County, we have had a ten-fold increases in COVID cases, sounds scary, right? What they don't want you to know is that only 12 people have died from it, roughly 0.6% of all cases. COVID-19 is not going away anytime soon, if ever, because it has proven itself to be exactly what the New World Order needed to roll out The Great Reset. But just remember, Henry Ford tipped us off over 100 years ago, David Rockefeller tipped us off a little over 60 years ago, and Bill Gates is tipping us off every time he opens his mouth. **We have been warned** this day was coming, just take a look and see:

- *"It is well enough that people of the nation do not understand our banking and monetary system, for if they did, I believe there would be a revolution before tomorrow morning."* – Henry Ford, 1922

- **“We are grateful to *The Washington Post*, *The New York Times*, *Time Magazine* and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But, the work is now much more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto determination practiced in past centuries.” – David Rockefeller**, founder of the Trilateral Commission, in an address to a meeting of The Trilateral Commission, in June, 1991

Chicago to churches: Comply with coronavirus mandates or have your facilities bulldozed

Tuesday, July 14, 2020 ([Natural News](#)) **Two churches in Chicago are reporting that city officials have threatened to bulldoze their churches if they do not comply with the city’s Wuhan coronavirus (COVID-19) mandates, which currently restrict their ability to hold in-person worship services.**

Mat Staver, the founder and chairman of Liberty Counsel and legal representative of the churches, **said that the city has classified his clients as “public nuisances” due to their refusal to follow some of the city’s coronavirus protocols on religious grounds.**

He further said that his clients were served a letter stating that the city has “the power and duty to cause all nuisances affecting the health of the public to be abated.” This meant that the city could do everything in its power to make sure that Staver’s clients do not hold any in-person religious services for the duration of the pandemic, including the possibility of tearing down the properties should they remain defiant.

During an appearance on the *Todd Starnes Radio Show*, Staver said that he is seeking an emergency injunction on the city’s order for his clients to cease providing their congregation with in-person worship services.

Among the churches hit with the city of Chicago’s “summary abatement” orders are the Elim Romanian Pentecostal Church, headed by Cristian Ionescu, and Metro Praise International headed by Pastor Joe Wyrostek, who told *NBC Chicago* that he was warned to no longer hold services that have more than 10 people present at his facilities. Ionescu has received similar citations from the city.

Other critics of the city’s coronavirus directives have pointed out how Chicago’s crime rate is still very high, and how the *Chicago Police Department* (CPD) is spending an excessive amount of time policing churches and not enough time cracking down on the violence plaguing the city.

Staver pointed out during the interview that, in a Facebook Live video filmed outside Ionescu’s church, **the sounds of sporadic gunfire could be heard in the distance.**

In Governor Newsom's California Even In-Home Church Gatherings Are Now Banned Due to Coronavirus--'THE CREATURES OF DARKNESS' ARE MAKING WAR ON THE SAINTS AS THE CHURCHES SIT IN SILENCE AND FEAR!

In California, Christians are now largely prohibited from participating in any aspects of church life as the state continues to lob restriction after restriction on all places where its citizens may congregate—churches not excepted. Even in-home gatherings for fellowship are banned under the state's coronavirus guidelines, effectively giving the government power to dictate what Californians can and cannot do in their own homes.

In an [editorial](#) last week, Mat Staver, chairman of religious freedom law firm Liberty Counsel, denounced California Governor Gavin Newsom's oppressive limits on churches and Christians during the pandemic.

“First, Newsom tried to limit all churches, regardless of their size, to just 10 people total in the building,” Staver wrote. “Then he banned singing and chanting. And on Tuesday, Gov. Newsom issued a new edict via the State's Public Health Officer dictating that about 80 percent of California's faithful may not gather for any worship, no matter how small the gathering.”

Staver refers to an announcement made last week by Newsom's office that indoor services are now banned in 30 counties, including in-home Bible studies and fellowship. “More counties may be added by King Newsom,” Staver went on. “In the other counties, the worship attendance is limited to 25 percent of building capacity or 100 people, whichever is less. But, singing and chanting is also banned, and this includes in-home Bible studies and fellowship meetings.” The same order that effectively bans church gatherings, Staver also noted, gives plenty of leeway for protests to continue.

“Under California's latest directive, you can engage in revolutionary riots tearing businesses and neighborhoods apart, but you cannot have a Bible study with your neighbor or friend in your own home,” Staver said.

“Liberty Counsel will be filing suit against Gov. Newsom on behalf of Pastor Samuel Rodriguez, who is president of the National Hispanic Christian Leadership Conference (NHCLC),” Staver also announced. “The NHCLC represents 42,000 churches nationwide. Sam is also the senior pastor of churches in Sacramento and Los Angeles. The suit will also include many other churches in California.”

Staver chided Newsome for using the “tired old COVID excuse as his justification for stealing the constitutional rights of California's Christians,” pointing to “empirical data from the CDC” showing that “COVID has a death rate of around 0.26% – about the same rate as a tough flu year.”

California to Release 18,000 Prisoners by End of August to 'Slow the Spread of COVID-19'--Violent criminals, pedophiles and sex offenders are being released by the thousands in California as Democrat tyrant Gov. Gavin Newsom announced his second lockdown

According to the California Department of Corrections, the state is set to release up to 18,000 prisoners by the end of August to ‘slow the spread of COVID-19.’ Officials in California say releasing prisoners will help protect the “health and safety of the incarcerated population.”

“These actions are taken to provide for the health and safety of the incarcerated population and staff,” Department of Corrections and Rehabilitation Secretary Ralph Diaz said in a news release. **“We aim to implement these decompression measures in a way that aligns both public health and public safety.”**

Violent criminals, pedophiles and sex offenders are being released by the thousands in California as Democrat tyrant Gov. Gavin Newsom announced his second lockdown. Newsom on Monday announced a complete shut down of indoor dining, theaters, bars, museums and zoos due to an increase in Coronavirus ‘cases.’ Additionally, Newsom closed churches, gyms, hair and nail salons, indoor malls in Los Angeles and 29 other counties including Orange County, Ventura, Santa Barbara, San Diego and all other counties in Southern California. There is no end date to the lockdown and Newsom said Black Lives Matter protests are allowed!

Hey Brother, I was just told last night at church from one of our church members that one of their close friend's wives here in Philadelphia went to the hospital waiting around to get a test. She had some symptoms with trouble breathing, but after a long waiting period, no one had come to check up on her. **She start to feel better, and since and nobody came over to help her she just left and went home before any testing it examination of ANY kind had ocured. She got a letter and/or phone call stating that her test result came back positive for covid-19.**

I was thinking about the terminology that's been loosely and mostly fraudulently used: presumed positive. I would venture a guess that once 5G/cell phone based contact tracing rolls out fully, with all mandatory apps in place, even if someone hasn't tested "positive", depending on their contact with others, will likely show up as presumed positive; an ambiguous fourth category along with if you have a valid certificate of vaccination, vaccinated-covid positive xx days ago or are vaccine non-compliant.

Jim Bryan: I know someone that went for the test filled out the paperwork they ran out of tests and two weeks later she got a letter saying she was positive and was never tested

John Wilson: not the least bit surprising. i think there is such an incentive to provide positive results, that they probably aren't even testing half the samples.

SUBJECT Listener Comment & Warning: She Was Covid-19 Tested Twice—But the Second Time Was Very Different Than the First Time

YOUR MESSAGE Covid testing: I have had the scamdemic test performed twice on me. The first time because I was very sick and my breathing was severely compromised. I ended up in the ER or urgent care twice in the span of 36 hours. Having moderate asthma there is always the possibility for a respiratory emergency and whatever I had was trying to take me out...

The second testing was for surgery. **The hospital here requires ALL patients to have the test done 5 days before a procedure of any type with exception to a life and death emergency before services are rendered.**

The two test were radically different though both were taken from the sinus cavity via the nostrils. In the first test the facility I was taken to used a Q-tip to take the sample. There was no discomfort other than that of a foreign object sweeping around up there. **The second test however was far less than a pleasant experience. First the nurse used a large Q-tip Swab like that would be used for treating a small wound with an antiseptic. There seemed to be some type of agent on the swab. My nostrils and sinus cavity screamed in offense of a burning substance that felt to be on the swab. The stinging pain stayed with me as I blew my nose several times to try and clear the offensive clear substance. My eyes watered fiercely. I immediately started praying that God would neutralize anything that was put in my body.**

Praise God the false positive testing was not something I had to endure from either test. God truly does take under His wing and shelter His own in the face of our adversity.

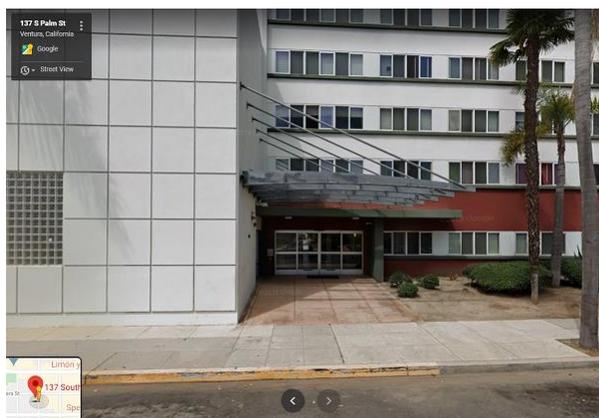

I will NOT allow myself to be tested again nor to allow my daughter to be tested. I am strongly advising everyone I know to not be tested in our conversations.

EXCLUSIVE: California apartment building locked down under mandatory quarantine of all residents, with MANDATORY COVID-19 testing; all key cards deactivated, security guards posted at entrances during "lockdown"

(Natural News) Residents of an apartment building in Ventura, California, found themselves prisoners in their own homes as they were "locked down" in their own apartment building and subjected to mandatory covid-19 testing and quarantine restrictions.

Natural News has acquired a letter that was sent by the property manager to all 78

residents of the 7-story apartment building, which is located at 137 S. Palm Street in the City of Ventura, California. The building caters to seniors and disabled residents and is government-subsidized housing. We have confirmed the authenticity of this letter, which is shown below, with certain redactions to protect the names of the property managers who are being subjected to threats.

The letter warns that all residents of the building are ordered to appear at the “Palms Community Room” to participate in mandatory testing for covid-19 on July 17, 2020 (last Friday). It states, “All residents residing at 137 S. Palm MUST be tested for the Covid-19 virus. After testing has been completed, all residents MUST QUARANTINE in their unit until test results are received.” In other words, the 78 residents of the building were ordered to subject themselves to covid-19 tests against their will, and then were essentially held prisoner in their apartments. The letter

continues, “Effectively immediately, the Palms building has been placed on lockdown.”

The letter further explains, “Except for essential workers, no one will be able to enter or exit the building during the lockdown.”

In addition, “Security personnel will be posted on all entrances of the building 24 hours 7 days a week,” the letter says. “All resident card keys will be deactivated during the lockout.”

In essence, 78 American citizens were imprisoned in their own apartment building in Ventura, California in a China-style “medical prisoner” crackdown scenario. In effect, the building became a kind of mini-FEMA camp for about four days, during which the residents of the building apparently had few rights.

All this begs the question, though: Since when did the residents at this building sign any document waiving their constitutional rights as Americans? Under what authority are people now held prisoner in their own homes and ordered to subject themselves to flawed medical tests that may cause them irreparable financial harm and health harm if the results are incorrect?

Merely testing positive for covid-19 can result in people being subjected to lockdowns, job discrimination, social discrimination and long-term medical hassles merely for having a covid-19 “positive” test result on their record. In the building mentioned

here, 74 out of 78 residents tested negative, yet they were subjected to medical tyranny lockdowns and mandatory tests nonetheless.

People who test positive — even if the results are false — may also be subjected to hundreds of thousands of dollars in medical costs even when they never had covid-19 in the first place, and if they are unlucky enough to be placed on a ventilator, that may even be killed by doctors and hospitals who collect extra funds for each covid-19 death they experience.

That this sort of draconian lockdown is now happening in the United States of America is a stark warning for all Americans: None of us are safe while the covid-19 tyrants are in power.

SCIENCE FRAUD: Florida Gov. DeSantis calls for investigation into why people are testing “positive” for coronavirus tests they never received

Friday, July 24, 2020 by: [Ethan Huff](#) (Natural News) **After learning that waves of**

people who were never even tested for the Wuhan coronavirus (COVID-19) received mysterious “positive” results, Florida Gov. Ron DeSantis, a Republican, decided to call for an investigation into the matter to get to the bottom of it.

According to reports, Gov. DeSantis has asked the state's *Department of Health* to look into the situation further. He announced that it makes no sense whatsoever that people who were never even evaluated by a practitioner are now receiving anomalous positive test results that are being used by some to push for more lockdowns and mask-wearing. “For that to come back positive, when there was no specimen submitted, is problematic,” DeSantis is quoted as saying. “So I've heard it enough to be concerned about it.”

As we recently reported, many of Florida's testing laboratories have been submitting boatloads of false positives to the official government databases, which has majorly skewed the state's infection statistics.

Now it appears as though people who were never even tested are being told, possibly at random, that they have the coronavirus, which further skews the official statistics and makes it seem as though “spikes” of infection are occurring when they are actually not.

A flaw in a manufacturer's Coronavirus testing system used by labs across the US are causing false positives in a large majority of tests.

Department of Public Health scientists in Connecticut discovered the flaw in the testing system manufactured by Thermo Fisher Scientific.

According to Department of Public Health (DPH) scientists, the affected patients were tested between July 15 to July 17 and out of a total of 144 'positive' tests, **90 were false positives!**

That's an error rate of 62.5%.

NIH ADMITS 5G CAN ACTUALLY CREATE CORONAVIRUS WITHIN HUMAN CELLS

The screenshot shows the PubMed.gov interface. At the top, it says 'National Library of Medicine National Center for Biotechnology Information' with a 'Log in' button. The PubMed.gov logo is prominent. Below the search bar, the article title '5G Technology and induction of coronavirus in skin cells' is displayed. The authors listed are M Fioranelli¹, A Sepehri¹, M G Roccia¹, M Jafferany², O Y Olisova³, K M Lomonosov³, and T Lotti^{1,3}. The PMID is 32668870 and the DOI is 10.23812/20-269-E-4.

An international study shared on the National Institute of Health website found that 5G technology is absorbed by skin cells and can alter DNA in a way that actually produces coronaviruses within the human body.

The study, jointly produced by scientists from Guglielmo Marconi University, Central Michigan University and First Moscow State Medical University, claims that 5G millimeter waves stimulate DNA in a way that causes cell nuclei to produce

coronaviruses.

“In this research, we show that 5G millimeter waves could be absorbed by dermatologic cells acting like antennas, transferred to other cells and play the main role in producing Coronaviruses in biological cells,” the study states.

“To produce these viruses within a cell, it is necessary that the wavelength of external waves be shorter than the size of the cell. Thus 5G millimeter waves could be good candidates for applying in constructing virus-like structures such as Coronaviruses (COVID-19) within cells.”

The study goes on to suggest that the cancer-causing qualities of 5G are due to how it alters DNA within the body.

++ US Surgeon General Doubles Down: Face Masks Increase Virus Risk

Tuesday, 31 March 2020 08:48 AM—"US Surgeon General Jerome Adams Tuesday doubled down on his advice against healthy people wearing face masks to protect themselves from coronavirus, saying that wearing one improperly can "actually increase your risk" of getting the disease.

"What the World Health Organization and the CDC have reaffirmed in the last few days is that they do not recommend the general public wear masks," Adams told [Fox News](#) 'Fox and Friends.' "There was a study in 2015 looking at medical students. And medical students wearing surgical masks touch their faces on average 23 times. We know a major way that you can get respiratory diseases like coronavirus is by touching a surface and then touching your face." <https://www.newsmax.com/us/surgeon-general-adams-masks/2020/03/31/id/960679/>

++ Face masks do not protect the wearer from transmission by others--The American Medical Association just released a position paper on masks: Face masks should not be worn by healthy individuals to protect themselves from acquiring respiratory infection because there is no evidence to suggest that face masks worn by healthy individuals are effective in preventing people from becoming ill. (Journal of the American Medical Association (JAMA); April 21, 2020 Volume 323, Number 15 <https://jamanetwork.com/journals/jama/fullarticle/2762694>)

++ Face masks restrict the elimination of virus, recirculating the virus into the nasal/sinus and upper respiratory passages--"By wearing a mask, the exhaled viruses will not be able to escape and will concentrate in the nasal passages, enter the olfactory nerves and travel into the brain." Article by **Russell Blaylock M.D., published May 14, 2020 in Technocracy News & Trends.** Dr. Blaylock is a prominent retired neurosurgeon and author of health-related books.

++ Constantly wearing a face mask causes you to breath in your own CO2 (carbon dioxide) at a far higher rate than if you were not wearing a mask. This will eventually cause respiratory acidosis: Respiratory acidosis is a condition that occurs when the lungs can't remove enough of the carbon dioxide (CO2) produced by the body. Excess CO2 causes the pH of blood and other bodily fluids to decrease, making them too acidic. Initial signs of acute respiratory acidosis include: **Headache, anxiety, blurred vision, restlessness, confusion.** Respiratory acidosis is also a form of stress that will cause your body to secrete higher levels of Cortisol, **which will weaken your immune system!!!** Without treatment, other symptoms may occur. These include: sleepiness or fatigue, lethargy, delirium or confusion, shortness of breath, coma.

++ Also virus particles like Covid-19 are far too small to be filtered out by the standard face masks people are wearing. Relying on a mask like this to filter out virus particles **would be like putting up a chain link fence to keep out a swarm of mosquitos.** The best (yet unpractical) way to do this would be **to wear a full face mask (as the Covid-19 virus can enter in through the eyes as was proven by MD's in China)** with a NBC filter and a rubber gasket seal to the face.

++ Please READ THIS FIRST BEFORE EVER WEARING A MASK: When wearing a synthetic mask the person is filtering their air through a synthetic material that outgases the petrochemically derived constituents that most are made of. The masked individual is then breathing in those aerosolized toxic chemicals. Many of the sickest COVID patients already have various respiratory illnesses and/or chemical sensitivities, so putting a mask on them is the worst thing that can be done.

++ World Health Organization (WHO) says there is virtually no spread by asymptomatic Covid-19 carriers--Vaccines and Masks Pointless--In stunning news, after five months of claiming the coronavirus could spread via "asymptomatic carriers," necessitating the lockdowns, the mask policies and mandatory vaccines, **the WHO has now declared there is virtually no spread at all through asymptomatic carriers. All at once, the WHO just obliterated any last shred of any argument in favor of mandatory vaccines, masks, lockdowns, quarantines or contact tracing.** This announcement should end all lockdowns and terminate vaccine research. It's all pointless now, since the WHO says covid-19 can only be spread by people with obvious symptoms who are very easy to spot (and avoid).

Nearly 40 States Require Face Masks. But Is It Constitutional?

Louisiana Attorney General Jeff Landry, a Republican, issued a 9-page opinion against Governor Bel Edwards' mask order because it is "likely unconstitutional and unenforceable" and that the mandate cannot be enforced without facing financial or criminal penalties. He said the governor has no power to turn an

executive order (which is an directive to government employees under him) into a law, which applies to citizens. According to Landry, companies and police that try to enforce the mandate, under color of law could face liability if individual civil rights are violated because of it. Landry concluded: "The mask mandate flatly violates due process, separation of powers, the delegation clause, state public accommodation anti-discrimination law, and it is unenforceable." -GEG

Nazi USA!!!! Indiana Makes Not Wearing Mask a Class B Misdemeanor-- Punishable by 6 Months in Jail!!!

The Governor of Indiana has announced all residents and visitors in the state will be required to wear face coverings such as masks in public or risk facing a criminal charge.

Governor Eric Holcomb is due to sign an Executive Order which will mean a statewide mask requirement would take effect in Indiana on July 27.

Those who don't follow the new order could be charged with a Class B misdemeanor, which is punishable by a fine and up to six months in jail.

Holcomb said that by "masking up, we can and will save lives and slow the spread of COVID-19" in the state.

The mandate will require everyone over the age of 8-years-old to cover their faces at all indoor spaces, public transport and vehicle services such as taxis, as well as outdoor public spaces when you can't socially distance from those who you do not live with.

Spivey instructed residents to call the state or county health departments to file complaints about people not wearing masks, rather than calling police.

He also suggested that businesses or organizations may refuse service to someone not covering their face and ask them to leave. If the individual refuses when asked, they can be reported for committing criminal trespass.

Man Cited by “Mask Police” Outside Supermarket for Wearing Face Mask Incorrectly

A man was cited outside a Florida supermarket after undercover plainclothes officers busted him for wearing his face mask incorrectly. The man, Dean Gonzalez, who was wearing a mask when he was confronted by police, insists he wasn't trying to violate mask orders and argues he was entrapped.

“It was like a trap,” Gonzalez told Local10.com. “It was a mask trap.”

According to Gonzalez, he was speaking with officers when the mask moved beneath his nose. “That was enough for the officer to threaten Gonzalez with arrest,” reports *Local10*. In cell phone footage taken by Gonzalez documenting the incident, a masked man displaying a badge tells Gonzalez he can either receive a citation or go to jail. On Wednesday, Miami-Dade county increased penalties for mask violations, with first and second time offenders being fined \$100 instead of \$50, and third time violators facing \$500 fines. The county's mask order does not, however, state a requirement that masks must be worn over a person's mouth and nose.

That's nothing compared to Glendale, California, where first time offenders face fines of \$400, \$1,000 for a second offense, and a whopping \$2,000 for a third violation.

Businesses to Boycott: Walmart, Target, CVS, Kroger, Kohls, Dollar Tree, Starbucks, Best Buy and Costco Require Masks at All Locations

July 17, 2020 Walmart, Target and CVS have become the latest big chains to require masks at all of their locations, despite there not being a federal mandate, and many states still not having any such requirement.

Walmart's press release states:

As the number of confirmed cases has spiked in communities across the country recently, so have the number and types of face covering mandates being implemented.

*To help bring consistency across stores and clubs, **we will require all shoppers to wear a face covering starting Monday, July 20.***

CNN reports on CVS and Target taking the pandemic plunge into mandating face coverings for everyone:

We're joining others in taking the next step and requiring all customers to wear face coverings,” CVS tweeted Thursday. The policy goes into effect Monday. Target said in a statement it would start requiring masks or face coverings starting August 1 in all stores.

Because more people are supposedly coming back positive after taking a completely unreliable test, while they are likely not even sick with any symptoms, everyone now needs to wear masks.

Starbucks, Best Buy, Sam's Club and Costco have been mandating masks since May. Others have now joined in. Here's the latest list:

There is no end in sight for the foreseeable future.

WND reports:

The Retail Leaders Industry Association and the United Food and Commercial Workers' Union have called on

governors across the country to adopt statewide mask mandates, according to CNN.

This is all about social engineering, psychological warfare, learned helplessness, and testing obedience to arbitrary mandates. If they can get everyone to wear masks in order to buy food and other goods, then assuredly they will be able to get everyone to get a vaccine (multiple times a year) in order to shop.

Do not put on a dirty face diaper. Do not shop at stores that require such insanity. Do not be a sheep that is willingly led to the slaughter.

+4+ DEMOCRAT SATANIST & GOVERNOR OF MICHIGAN USES EMERGENCY ALERT SYSTEM TO DICTATE MASK WEARING 'Business must refuse entry or service to those who do not wear a face covering'

Democratic Michigan Governor Gretchen Whitmer has come under fire for using the State's emergency alert system to order residents to wear face masks.

The IPAWS CAP, or Integrated Public Alert Warning System, sent out thousands of messages to cell phones Monday afternoon 'alerting' people that it is compulsory that they wear face masks in public.

"This is an overt abuse of a service designed to alert people of legitimate emergencies — the governor has gone beyond the scope and intent of the law and is now somewhere over the rainbow and approaching Oz," said Sen. Peter Lucido in a statement.

Whitmer previously used the alert system in March, taking over television stations to issue a "Michigan coronavirus emergency alert broadcast" lockdown order:

Whitmer was also criticised recently for joining Black Lives Matter protesters in the streets after lecturing small businesses for weeks to stay shut down.

China Now Forcing All Citizens To Activate Health Code On Smart Phones For Restaurant And Store Access, Only A Green Code Will Let Them in

Restaurants and malls are open, but to enter, customers have to activate a health code on their smartphones. The code tracks their movements and determines whether they have been to any risky places. Only those with green codes are

allowed in. Many offices insist on green codes, too. A red code, or even an amber one, is the scarlet letter of 2020. You can have concerns about privacy, or you can have a functioning life. You can't have both. Security guards with temperature guns man the gates at supermarkets and residential compounds, pointing them at the wrists of every person who wants to enter.

Little by little, and inch by inch, the whole world is being brought under the control of the New World Order, and it's being done under the guise of fighting a virus. China, the country that released this infection upon all of us, seems to be leading the way on all counts. After rolling out

contact tracing on smart devices, now come the health codes that you device will generate to either let you in or keep you out of mainstream society in China. In a matter of months it will make its way here to America.

*“And he shall speak great words against the most High, **and shall wear out the saints of the most High**, and think to change times and laws...” Daniel 7:25 (KJB)*

One thing the global elites are counting on is the gradual weakening of our resolve to resist the ever-increasing oppression they are placing us under. Having successfully made us afraid of a virus with a 0.26% mortality rate, and having successfully forced us to put the masks on, getting us to accept full time contact tracing with health codes is a walk in the park. The question is, what will you say when they force you to take the vaccine? And rest assured, based on all their actions up to this point, they will force you to take it.

Freedom of Information Dead on Arrival — Another Covid Casualty

Another fallout from the Covid crisis is that you can no longer reach public officials and bureaucrats. Phone calls go unanswered and there seems to be a pervasive disinterest in responding to emails now.

This is significant in terms of transparency and the public's right to be informed. What we are seeing now in daily media reports, wildly contradicting each other as to the nature of the Covid crisis, is compounded by the unaccountability engendered by public officials, who seem to have discarded any semblance of concern about “the public's right to know.”

The first hints that Covid-19 was going to kill off whatever crumbs of accountability still remained were evident early on in the crisis. Back in March, California Governor Newsom's intent to suspend the California Public Records Act during the Covid crisis was first reported. In March, the city of San Diego announced that it was suspending the government's necessity to respond to Covid-related PRA requests. It now appears that indeed many levels of government have cut off access to public records.

As reported in the *Los Angeles Times*, [also in March](#):

The city of Fresno suspended "immediate responses" to public records requests on Tuesday after the city declared a state of emergency, according to an email from the city attorney's office. The city will resume responding to requests once the emergency declaration ends.

- Did you know former President Clinton quietly signed **Executive Order 13139** on September 30th, 1999? [U.S. agrees to buy 100 million doses of experimental coronavirus vaccine from Pfizer in \\$2 billion deal](#)

It has just [come out](#) that the United States Department of Health and Human Services (HHS) along with the Department of Defense (DOD) has secured a deal with pharmaceutical giant Pfizer to purchase \$2 billion worth (or 100 million doses) of experimental Wuhan coronavirus (COVID-19) vaccines using taxpayer money.

Even though the vaccine has yet to even be fully developed and properly safety tested, the federal government has apparently decided that it wants in on the action early, with plans to start administering the jab to Americans once it becomes commercially available.

In conjunction with the German biotech firm BioNtech, Pfizer, which received “fast track” approval from the government for this new vaccine, despite the company’s well-documented history of human rights abuses, recently released the results of an early-stage trial alleging that the jab is “safe for human consumption.”

Once the jab is granted regulatory approval, which already appears to be a shoe-in despite no solid evidence that it even works, the federal government has already procured an add-on deal that will allow it to purchase another 500 million doses of the vaccine for mass distribution.

After these billions upon billions of tax dollars are spent buying up all these jabs, daddy government then plans to jab all Americans for “free”.

In conjunction with the Trump administration’s “Operation Warp Speed” program, upwards of 300 million doses – or nearly one dose for every American – of some combination of experimental Wuhan coronavirus (COVID-19) vaccines currently under development by Big Pharma will supposedly be ready for distribution by January.

Keep in mind that the U.S. government has already spent more than \$2 billion on other Wuhan coronavirus (COVID-19) vaccines being developed by drug giants Moderna and Johnson & Johnson (J&J).

Numerous other governments around the world are drafting similar deals with Big Pharma to purchase their portions of the vaccine pie.

Bill Gates pushing for 7 billion mandatory experimental RNA injections that re-program human cells to produce coronavirus spike proteins

Thursday, July 23, 2020 ([Natural News](#)) Operation Warp Speed is underway in the United States as the federal government moves forward with approximately \$2 billion in contracts with pharmaceutical and biotechnology companies to produce and deliver up to 300 million experimental vaccine doses by January 2021.

In the meantime, state governments and health departments are coercing people into indefinite mask wearing, contact tracing, restrictions on personal liberty, and continued shutdowns and restrictions on certain activities, until new experimental vaccines are consumed en masse.

US President Donald Trump, seeking stock market growth for reelection, is caught up in a conflict of interest as he becomes Big Pharma’s greatest spokesperson to advance new biologics and RNA injections.

Big Pharma has over 170!!! covid-19 vaccines in development, but Bill Gates and Dr. Anthony Fauci are pushing an experimental RNA technology to the front of the line. This technology, delivered via injection, is a type of genetic engineering

called germ line editing. Bill Gates has been pushing this technology for over a decade and has the financial resources in place to carry out these genetic alterations on populations around the world. The technology inserts coronavirus genetic code into each person, forever changing genetics and cellular processes in their body. The coronavirus RNA reprograms human cells to produce spike proteins, supposedly forcing the immune system to fight properties of a virus that are being artificially manufactured by the body's own cells. The effects of this technology are trans-generational; the cellular manipulation can be passed down to future generations. Leading ethicists and scientists called for an end to this kind of trans-generational human genome editing in a January 2020 Geneva Statement.

January 2020 was also the time when Dr. Fauci and the NIH moved forward with licensure of this controversial technology to be used in Moderna's experimental RNA coronavirus vaccine. (The NIH owns half of Moderna's vaccine and stands to profit.) Even though Moderna has never brought a product to market, their latest controversial technology has been irresponsibly pushed through clinical trials, bypassing animal studies that are critically important to understand toxicity, histopathology, and disease processes.

Vaccines Can Be Mandated but Not Imposed by Force

[THEY DON'T CARE if it's safe: UK govt. just signed deal for 90 million coronavirus vaccine doses even BEFORE safety testing has been completed](#)

Some 90 million doses of two different experimental Wuhan coronavirus (COVID-19) vaccines currently under development by multiple drug giants have been purchased by the British government for mass distribution. This is despite the fact that nobody knows for sure whether or not the jabs will even work because they have yet to be tested.

Proving once again that this whole thing is a scam, the United Kingdom (UK) is simply assuming that the drugs will work and has ordered them accordingly, with 30 million doses coming from the Pfizer and BioNtech partnership, and another 60 million coming from Valneva. This is on top of the 100 million doses of another vaccine variety that were already ordered from the *University of Oxford*.

The Oxford vaccines are being made from a genetically engineered version of the novel virus, while the BioNtech / Pfizer vaccine contains parts of the coronavirus' genetic code. The Valneva variety reportedly contains an inactive version of the Wuhan coronavirus (COVID-19).

As to why the U.K. government ordered three different varieties of untested vaccines, officials say that trying out different “styles” of vaccines will help to maximize the chance that at least one of them will work. In other words, it is all trial and error, and the British general population is set to be human guinea pigs.
