## 2020 STRATEGIC WARFARE PRAYER!!!!

Father God in the name of Jesus Christ we nullify, dismantle, cancel and forcefully oppose all satanic operations, maneuvers, manipulations, subversions, strategies, tactics, plots, plans and ploys, which are designed to hinder, prevent, frustrate, foil, deny or delay God's original plans and purposes, from their quick, swift and speedy manifestation taking place in their correct time and season. (Daniel 7:25) **We rebuke and dismantle satanic alliances and confederations. Arrest them and stop them by the Spirit. Let every covert and clandestine effort and endeavor fail. Cause the news media to be caught in their lying and manipulation so that only the truth is manifested.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. We decree that every satanic strategy of inhibition, prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We declare all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed. (Colossians 1:16; Joshua 6:1) Confound the devices and evil plans of the enemy that they have crafted, so that their hands are not able to perform their

enterprise. **Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; let them fall into their own pits they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed destroy all of God's creation and defile the world. For this reason, was the Son of God made manifest that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19; 1 John 3:8) **We overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood.** (1 Timothy 1:18-20) **We overthrow spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17. We reverse the curses associated with all these ceremonies, rituals, utterances and plans to bring about a chaotic bloody revolution in America to usher in Martial Law and the New World Order. We decree and declare that: Their plans shall be uncovered and shall not prevail; & their plans shall be frustrated and unable to achieve any impact; & their threatening's and violent verbal dealings are returned to them one hundredfold.** **FATHER, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events leading to the destruction of Your righteous seed.** (Isaiah 44:25; 2 Timothy 3:8) **Send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of warring angels to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelation upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom to come upon them.** (James 1:5) **Cause him to be a trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided; when they communicate let it be incoherent and misunderstood.** (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every spirit that is released from their diabolical assignment to be cast into the abyss, until which time they be cast into the lake of fire.** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) **Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they hit the bull's eye.** (Psalm 57:4) **Let the laws that govern this prayer and all spiritual warfare strategies and tactics, be binding by the Word, the Blood and by the Spirit.** (1 John 5:7) **WE SEAL THIS PRAYER IN THE NAME OF JESUS CHRIST AND THE BLOOD OF THE LAMB, AMEN!**

### **PRAYER TO NEUTRALIZE OCCULT RITUALS**

Beloved Holy Savior and Master, Lord Jesus, you are the sacrifice, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father. We honor your sacrifice on the cross, and celebrate your resurrection and transfiguration

volunteered for our salvation. We worship you, exalt you and magnify your name above every name. You are sovereign, supreme over all. You are worthy. You alone are worthy. We pledge our faith and love to serve you alone, forever. We claim your Word: James 4:7 "Resist the devil and he will flee from you" 1 Timothy 1:7 "God has not given a spirit of fear, but of power, love and a strong mind." We come in the authority given to us in Christ Jesus. We cover ourselves with the Blood of the Lamb. **We place a hedge of warring angels with flaming swords of fire around us continuously. We put on the whole armor of God. We lift our shields of faith to interlock, standing foot to foot and shoulder to shoulder—a solid wall that cannot be breached or penetrated. We resist and renounce Satan, the god of this earth. We rise to war in the Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of your warring angels in full battle array, fiery swords drawn to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others.** We nullify, dismantle, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agenda and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened. We break every curse, hex, spell, vex, enchantment, decree spoken or unspoken sent against the Body of Christ and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, brujo, bruja, soothsayer, medium, coven and every minion of the devil working iniquity and send it back upon their own heads that they may repent and turn from their evil ways. Lord Jesus, reveal your love to them. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

**This is a very powerful prayer against Witchcraft...with fasting even more powerful..** *This prayer can shut down Witches and Satanists forever.*

**Father, In the name of Jesus Christ of Nazareth, we plead the precious uncorruptable blood of Jesus over the Body of Christ, the innocent, ourselves, our family and everything that belongs to us. We ask for giant warrior Angels (or whatever kinds of angels are necessary) to be loosed from Heaven to surround and protect us. As your war club and weapons of war we break down, undamn, and blow up all walls of protection around all witches, warlocks, wizards, satanists, and the like, and we break the power of all curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death, destruction, sickness, pain, torment, physic power, psychic warfare, prayer chains, and everything else being sent to the Body of Christ, the innocent, our way or our family members way, and we return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and we BIND it to them by**

**the blood of Jesus!**

**Father, we pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have now been set against themselves.. In the name of Jesus Christ of Nazareth we now loose them from all mind control of Satan!.. Father we also ask that you Bind the Holy Spirit to their hearts as a guide to your Son Jesus.. So they may be set free from the bondages of Satan. In Jesus name we pray...Amen**

**++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:**

**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Psalms 101:3:** I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

**Psalms 11:5:** The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

**1 Cor 15:33:** Be not deceived: evil communications corrupt good manners.

- Google, Netflix, Coca-Cola, McDonalds, Fedex, Target, Lyft now ALL-IN for terrorism in America.

**New Intel: Communist China providing automatic weapons to Antifa, Black Lives Matter... some stored in democrat-run government buildings including East End Complex Capitol building in Sacramento – Block 174**

Friday, July 03, 2020 by: [Mike Adams](#)

[\(Natural News\)](#) We have bombshell new intel to share with you today that connects some recent dots on the emerging violence (and civil war attempt) from Black Lives Matter, the militant terrorism wing of the Democrat party.

Summary of what you'll find in this article:

- Communist China is supplying full auto AR-15 "mods" to Black Lives Matter militants in America, and a shipment was recently interdicted by Customs and Border Protection (CBP).
- California Gov. Newsom is involved in a trillion-dollar money laundering operation with communist China to keep him in power. He's funneling taxpayer money to China, and they are laundering it and funneling money back to him. (See Los Angeles Times link below.)
- Using the laundered money, Gov. Newsom is stockpiling automatic weapons, ammunition and gold in the underground storage complex at 1616 Capitol Ave. in Sacramento, the East End Complex building – block 174. (Sourced from a former employee who worked there.)
- Gov. Newsom is plotting with China to have communist troops invade America (via California and other states) and to overrun and occupy the United States, turning it over to communist Chinese rule.
- China's EMP weapons, developed using technology stolen from the USA, are planned to be the first wave "Pearl Harbor" event that sets it all off. (Official report to the White House, see link below, or visit <https://emptaskforce.us> ).
- Obama helped set up a civilian military force using Operation Fast and Furious gun smuggling to arm the narcos. (Full timeline link below.)
- Those same narcos are now trained by communist Chinese military instructors and are prepared to invade America with the aid of heavy weapons. (DHS sources via Hodges, link below.)
- The civil war America is facing won't be lightly-armed "soy boys," but rather heavily armed, full-auto wielding Black Lives Matter militants,

**Mexican narco gangs and communist Chinese troops operating under the protection of Gov. Newsom.**

- **Hundreds of companies across corporate America are now directly funding or overtly supporting Black Lives Matter terrorists as part of this civil war effort to destroy America. See the full list of 269 companies here.**

We begin with the recent news that **China was caught attempting to smuggle “10,800 assault weapons parts” into Louisville, Kentucky.** This news was [announced by U.S. Customs and Border Protection \(CBP\) on June 26, 2020:](#)

*At the Express Consignment Operations hubs in Louisville U.S. Customs and Border Protection (CBP) **officers seized a shipment from China that contained over 10,000 Assault Weapons parts being smuggled into the country.***

*The shipment was seized on May 22. Officers inspected the item, which was arriving from **Shenzhen, China, destined for a residence in Melbourne, Florida. The parcel was manifested as containing 100 Steel Pin Samples. This is a common practice of smugglers manifesting the contraband as a harmless or a legitimate commodity in hopes of eluding further examination.***

The official CBP announcement did not offer any specifics on what exactly the “assault weapons parts” were, **but we have since learned from another source that the parts were drop-in full-auto mods for AR-15 rifles.**

**Full auto drop-in parts are very simple but highly illegal parts which turn a semi-auto AR-15 into a full-auto AR-15, which is illegal for civilians to own. Such parts replace a small number of existing parts in the AR-15 trigger mechanism and safety selector. Because the parts are very small, a high number of them — such as 10,800 — can be hidden in shipments that claim to be other things such as machinery parts or samples.**

**full-auto rifle mods to Melbourne, Florida,** which no doubt serves as a distribution hub for moving those pieces nationwide.

**You might reasonably wonder, then, why China would be sending full-auto rifle mods to the USA. The answer is that China supports the civil war attempt by Black Lives Matter, and China is coordinating with BLM terrorists to arm up their militant troops across the country, upgrading their legally-acquired AR-15 weapons to “full auto” status, which makes them far more formidable in a kinetic assault.**

That's because this isn't a billion dollars for "masks." It's part of a massive money laundering operation to funnel money to China, so that China can funnel money and weapons back to Newsom in preparation for the civil war that they're launching. (Nobody believes Gov. Newsom is spending a billion dollars on N95 masks... it's absurd. Just a cover story.)

Even the Los Angeles Times was shocked by Gov. Newsom agreeing to send a billion dollars to China for N95 masks. As [reported by the LA Times](#):

*Gov. Gavin Newsom's decision to spend almost \$1 billion in taxpayer funds to buy protective masks drew national attention as an aggressive move by California to solve one of the most nagging problems of the coronavirus crisis. But almost two weeks after he announced the deal during a cable TV interview, very few details have been disclosed. The governor's advisors have so far declined requests for information about the agreement with BYD, the Chinese electric car manufacturer hired to produce the masks, though the state has already wired the company the first installment of \$495 million.*

Seriously? An electric car company in China? Folks, this is as corrupt and dirty as it gets. But it's all part of the money laundering operation that sends money to China, so that China can send "clean" money back to Newsom, which he diverts and uses to buy weapons, ammunition and gold.

Back to the Easy End Complex in Sacramento, our source says they personally witnessed "insane amounts" of ammunition — pallets at a time — being delivered and stored there, harkening back to the DOJ purchases of 2 billion rounds of ammunition under President Barack Obama, who also said that he wanted to build a civilian army that was just as powerful as the U.S. military, by the way. Obama called this his, "Civilian National Security Force," as [AmericanThinker.com explains](#), Barack Obama said:

*We cannot continue to rely only on our military in order to achieve the national security objectives that we've set... We've got to have a civilian national security force that's just as powerful, just as strong, just as well-funded.*

One pallet of 5.56 ammo is well over 50,000 rounds, by the way. So the ammo stockpiling by Gov. Newsom is off the charts, and it appears he got ammo from the DOJ under Obama as well as new ammo funded by communist China. Essentially, Gov. Newsom has been stockpiling weapons and ammo in preparation for a civil war that he's been helping to make reality.

Back to Obama, how do you create a civilian military force? You stockpile weapons in Democrat-controlled cities like Sacramento. You work with communist China to import full-auto weapon mod parts to upgrade your civilian forces to military-grade automatic weapons. And you put more weapons into the hands of your loyalists through legalized gun-running operations like Operation Fast and Furious.

**Griswold:** *If you look closely at CHAZ, they were passing out AR-15s, where did they get those AR-15s from? They were in a closed area... where did all these AR-15s just miraculously appear from?*

**Hodges:** *Well I can tell you what my intelligence sources tell me: Pre-stashed weaponry... suspected courtesy of communist Chinese money and backing.*

**Griswold:** *Of course! We've mentioned this many times, that Long Beach, California was the Chinese way of bringing it into the country, the Southern border was [also] the way of bringing it in, and they funded these people... I was wondering why the FBI and the ATF didn't go in when they were passing out AR-15s to minors [in CHAZ].*

Barack Obama, a “sleeper cell” president who had been meticulously plotting to see American overthrown and destroyed, launched Operation Fast and Furious in 2009, under the control of DOJ AG Eric Holder, a treasonous criminal who continues to work to undermine America today. Under operation Fast and Furious, the ATF was ordered to allow Mexican drug gangs to purchase high-caliber weapons from U.S. gun dealers in Arizona. These guns, Obama and Holder knew, would later be used in gun crimes in the United States, allowing President Obama to decry “gun violence” and call for new restrictions on the Second Amendment.

[CNS News publishes the full timeline of Operations Fast and Furious at this link.](#)

In essence, this operation was a way for Barack Obama to put heavy weapons into the hands of Mexican drug cartels. We have since learned that **the narcos are being trained by communist Chinese military instructors**, completing the circle of anti-America warfare tactics that involve both China and Mexico.

Remember that China has, for many years, been engaged in chemical warfare against the United States of America through the manufacture and distribution of fentanyl, a highly toxic drug that is right now killing over 60,000 Americans a year (that's more than all the U.S. casualties of the Vietnam War combined). But how is fentanyl brought into the United States? **Mexican drug cartels** and smuggling routes which are protected by Democrats like Nancy Pelosi and Gavin Newsom as part of their “open borders” policies. (The narcos pay tens of millions of dollars each year to California Democrats to maintain the open borders policy for drug smuggling and human trafficking.)

Importantly, **these same routes will be used by the communist Chinese to invade the United States of America** once the civil war achieves sufficient destabilization. **That's why China is dumping full-auto weapon mods into the continental United States — because it's a destabilizing vector that will lead to mass chaos, death and blood in the streets. This will set the stage for Chinese-trained narcos to invade Southern California, Arizona, New Mexico and Texas, aided by the guns they acquired via Obama's Operation Fast and Furious.**

At the same time, Democrat-controlled areas like Sacramento will activate their stored weapons and ammunition, **handing out guns and ammo to left-wing loyalists like Antifa and Black Lives Matter**, urging them to kill conservatives, Christians, Whites and Trump supporters.

**The multi-faceted attack that's about to hit the United States while 99% of Americans are totally oblivious to reality**

Dave Hodges at [TheCommonsenseShow.com](#) has extensively documented the interactions between Mexican drug cartels and Chinese military troops. See some of his analysis in stories like, [“Mexican Oil Official Says UN-Mexican Cartels and Chinese Are Provoking a Border War”](#) or, [“Leaked Document Shows Chinese Intent to Commit Mass American Genocide Followed the Occupation of America.”](#)

In effect, America is about to be hit with a multi-faceted attack that has been largely funded by communist China, consisting of:

- A domestic civil war uprising of Black Lives Matter militants who have been heavily armed with automatic weapons and are intent on killing Whites, Christians, conservatives and Trump supporters. In addition, Black Lives Matter is already receiving enormous funding through U.S. corporations such as McDonald's, Netflix, Google and others who have pledged almost half a billion dollars so far.
- A border invasion consisting of armed Mexican narcos who have been trained by Chinese military instructions and given heavy weapons paid for by China.
- The release of financial weapons against America, including China selling off U.S. Treasury debt and announcing its own gold-backed currency.
- The unleashing of emotionally charged, drooling left-wing "zombies" who have been whipped up into a frenzy by the treasonous left-wing media pushing deliberately fake news such as claiming that America is a "racist" nation or that Trump himself is racist.
- The continued chemical warfare against America via fentanyl, heroin and other drugs that are devastating America's young males who might otherwise be capable of serving in a military draft, if not for the fact that they are now trembling drug addicts.
- The likely deployment of EMP weapons against America, using stolen technology, unleashing a "Pearl Harbor" attack that could kill 90% of the American population. This was the subject of a recent bombshell authored by Dr. Peter Vincent Pry and filed under the *EMP Task Force on National and Homeland Security*. You can read my coverage of this [at this link on NationalSecurity.news](#). See the official website of this task force at <https://emptaskforce.us> – from that article:

The EMP weapons that China is perfecting would destroy the power grid, collapsing the United States of America into mass starvation, chaos and economic collapse. Although this seems to be exactly what Democrats want for America, it's obviously a very dangerous scenario. This achieves China's goal of eliminating the American people without destroying the natural resources and farmland through the use of nuclear weapons, which contaminate soils for three centuries with radioisotopes.

As Pry explains in the report, "a highly computerized open society like the United States is extremely vulnerable to electronic attacks from all sides. This is because the U.S. economy, from banks to telephone systems and from power plants to iron and steel works, relies entirely on computer network."

Once the American people begin to die off in large numbers, China will stage a **military invasion to occupy America and kill any remaining resistance**. At that point, China will claim America for itself and begin a mass migration effort to colonize America with communist Chinese.

All this has been meticulously documented by people like J.R. Nyquist ([JYquist.blog](#)) and Dave Hodges ([TheCommonsenseShow.com](#)), both of whom I have interviewed about these critical issues:

And here's a recent interview with Hodges about the coming invasion of America by Chinese troops:

**+2+ [Are the Chinese Beta Testing Localized EMP Weapons to Bring Down Several American War Planes In Advance for a Red Dawn Invasion? SQ; MY SOURCES INDICATE CHINA DOES NOT CURRENTLY POSSESS THE EMF WEAPONS THAT RUSSIA HAS!](#)**

There are three events that have happened, with regard to the Communist Chinese, that should get every Americans attention. The three events are as follows:

1. The sudden rash of America warplanes falling from the sky. It has happened before and the likely source was Russia or China. My bet is on China.
2. The attempted assassination of AMLO's Mexico City's police chief by the cartels. This has a stunning implication for a future Red Dawn invasion.
3. The intercept of 10,800 internal gun parts, shipped by COSCO, a false front shipping company for the CHICOM military.
4. There is a 4<sup>th</sup> element that needs to be considered. Across the Independent Media, including The Common Sense Show, there has been a mountain of evidence implicating the Democratic Party leadership with the Communist Chinese (eg Diane Feinstein's CHICOM 20 year spy who was her personal driver) and the cartels (eg Pelosi was a close ally of Sinaloa associate former Mexican President Nieto who was paid \$100 million dollars to look the other way at Sinaloa drug activities. This information was discovered in Chappo Guzman's federal trial in Florida). The Sinaloa's and their so-called

rival gang, the CJNG, are controlled by the CHICOMS. As this story unfolds it is important to keep this in the forefront of your memory.

These three stories by themselves, may not produce convincing evidence of planned military action by the CHICOMS, but in the context of all three events a clear pattern emerges that this is exactly what is happening here.

## Communist China has already invaded the USA, stationed troops disguised as security at solar plant farms, says analyst

Tuesday, June 16, 2020 by: [Ethan Huff](#) (Natural News) Many people are unaware of it, but communist China already has a foothold in the United States. The fields of solar energy farms that blanket much of the American southwest are actually controlled and run by the Chinese military, in many cases, and one day these “sleeper cells” are going to awaken and carry out the rest of the takeover, reports a prominent analyst.

What takeover, you might be asking? The one that is right now being ratcheted up with the manufactured public outrage over George Floyd. According to Dave Hodges of *The Common Sense Show*, the next phase of China’s “Red Dawn” invasion of our country involves escalating the number of domestic terrorist acts in order to destabilize the country and

pave the way for the final solution.

Likening the current situation to the infamous TET Offensive that was unleashed by the Viet Cong and the North Vietnamese Army back in 1968, the goal right now is to further deunify and splinter America to the point that a divide-and-conquer plan of attack can be quickly executed, bringing our country to its knees.

“The Floyd murder has provided the Deep State an excuse to perpetrate rioting across America with the intent of promoting a helter-skelter race war designed to destabilize the country,” Hodges writes about the slash-and-burn approach currently being used to weaken the U.S.

“These other groups will play a role in this phased attack upon America,” he adds. “The real enemy of America is communist China. And the main force behind the CHICOMS’ attack upon America will prove to be ISIS.”

Concerning America’s solar farms, China’s occupation of many of these facilities has created a landing zone, so to speak, where Chinese military men and women can quietly group together and plot the next step while posing as “security.” And most Americans are none the wiser as to what is transpiring right under their noses.

Hodges believes that America will soon be under direct military attack by communist China, meaning bullets and bombs targeted at American aircraft, both military and civilian. And the reason he thinks this is because of these solar farms, which are directly tied to the communist Chinese military.

**“The solar energy deals that were put into place by Senator Harry Reid were done in conjunction with Chinese energy companies run by the Chinese military,” Hodges explains. “All personnel manning these planned plants would be affiliated with the Chinese military.”**

**“This includes the inland ports (e.g. Kansas City) which are controlled by the Chinese courtesy of the treasonous trade agreement we call NAFTA. As former Secretary of State, Hillary Clinton gave tacit approval and participated in these actions which had their origins prior to her tenure as Secretary of State.”**

**Cinta, a company that owns most of the solar energy farms throughout the American West, is merely a front for the Chinese military, according to Hodges. And nearly *all* of the employees who work at these farms are Chinese soldiers who have gained a type of beachhead in our country, he says.**

**Former California Governor Jerry Brown was also in it, as he included the nation of China, as well as the Bank of China, in his CALEXIT strategy. As you put all of the pieces together, as Hodges has, it becomes clear that the solar energy scam was all a front for communist China.**

## NBA Will Paint 'Black Lives Matter' On Basketball Courts As Well As Allowing Players To Replace Their Names On Jerseys With Social Justice Messages

If you thought the Black Lives Matter domestic terror movement was going away anytime soon, you would be mistaken. The NBA is not only painting 'Black Lives Matter' on the basketball courts at the Disney Wide World Of Sports complex, all the players will now be able to replace their

names on the backs of their jerseys and replace it with a social justice slogan of their choice. Black Lives Matter has been destroying statues to erase and rewrite history, now it is erasing the names of the mostly black players in the NBA. What will they erase next? Anyone see a trend here? Anyone still think this is about reforming the police or ending racism? I don't.

### The Cloward-Piven Strategy To Collapse America:

1. **Healthcare**– Control healthcare and you control the people. **ALREADY DONE**
2. **Poverty** – Increase the Poverty level as high as possible, poor people are easier to control and will not fight back if you are providing everything for them to live. **HAPPENING NOW**
3. **Debt** – Increase the debt to an unsustainable level. That way you are able to increase taxes, and this will produce more poverty. **ALREADY DONE**
4. **Gun Control** – Remove the ability to defend themselves from the Government. That way you are able to create a police state. **HAPPENING NOW**
5. **Welfare** – Take control of every aspect of their lives. (Food, Housing, and Income) **HAPPENING NOW**
6. **Education** – Take control of what people read and take control of what children learn in school. **ALREADY DONE**
7. **Religion** – Remove the belief in the God from the Government and schools. **ALREADY DONE**
8. **Class Warfare** – Divide the people into the wealthy and the poor. This will cause more discontent and it will be easier to take (Tax) the wealthy with the support of the poor. **HAPPENING NOW**

**The dirty, little secret** about Black Lives Matter is that it is funded by rich, white Liberals who are trying to enact the **Cloward-Piven strategy** to tear down America and it seems to be working. Sports and music, sadly, are the two most influential outlets that exist in the world today, and now they can be used to great effect to influence how people think. I will not be watching any game, in any sport, that is pushing social justice or Black Lives Matter.

**Nightmare in New York: How Covid-19, BLM protests and a liberal mayor are turning the city into a no-go zone as murders skyrocket, shops are looted and 500,000 middle-class residents flee**

- **The number of shooting victims has gone up 51 per cent to 616 this year in NYC**
- **In June, there were 250 shootings compared to 97 in the same month in 2019**
- **Many blame New York’s mayor, Bill de Blasio, who has slashed police funding**

**Two bullet-ridden bodies lay sprawled on bloodstained concrete steps. Alongside, relatives of the victims are wailing and collapse to the ground. In another part of the city, a gang of youths use spray paint to disable security cameras before robbing a corner store. Later, video footage captures police officers sitting helplessly in their patrol car as a baying crowd hurls glass bottles at them.**

**This is lawless New York – a city that was once America’s glittering crown jewel but which risks descending into mob rule.**

**Many blame New York’s liberal mayor, Bill de Blasio, who has slashed police funding by \$1 billion, ended the NYPD’s controversial ‘stop-and-frisk’ policy (which allowed police to stop and search anyone solely on the basis of ‘reasonable suspicion’) and who last week vowed to paint a huge Black Lives Matter sign outside President Trump’s flagship Trump Tower.**

**De Blasio has also introduced criminal justice reforms, including changes to bail for dozens of offences, which has meant violent criminals released on to the streets.**

## Clergy Response Teams Are Being Activated! Can You Trust Your Pastor?

Dave Hodges on Monday, June 29, 2020 - 12:41.

**The stories are everywhere on the net; The Clergy Response Teams are being activated and that can mean only one thing, someone inside of FEMA is preparing for the purge of conservatives, particularly conservative Christians after the Democrats (ie Bolshevik communists) seize control of the government. Here is some relevant history that every American needs to be aware of which explores the important answers to this question.**

**Who is Next? Has your pastor condemned the Islamic practice of beheading Christians? Does your pastor fear God or does he fear Chuck Schumer and Nancy Pelosi and her promised persecution of anyone who speaks out against radical Islamic inspired terrorism and the elements of a Red Dawn invasion force who have coalesced on our border with many more coming? Has your preacher spoken out on behalf of the 70 million babies who have been butchered by Planned Parenthood. Who speaks for the babies? Who speaks for Christians? Who speaks for the citizens of a nation that are under judgement by God for their reprehensible sins?**

**I have but one major admonition for my fellow countrymen. You are not going to be judged by the almighty for your citizenship. Rather, you are going to be judged by your acceptance of Jesus as your savior. Are you walking in his path?**

**Being a Christian Is Not for the Faint of Heart**

**Maybe it is the fate of the modern Christian to die a martyr's death. Most of the disciples of Jesus were martyred for their uncompromising views towards corrupt civilian authority, except for John, who died of extreme old age and**

Judas, who committed suicide after betraying Jesus. Many of Jesus' followers met an untimely end. For example, Peter was crucified, head downward, during the persecution of Nero. James, was thrown from a pinnacle of the Temple, and then beaten to death with a club. Thomas, the doubter, was run through the body with a lance at Coromandel, in the East Indies. Yet, today, most of our 501c3 tax-exempt churches have embraced the suicidal course of Judas as they have made a deal with the devil by espousing government doctrine even when it violates the word of God.

In opposition to the early founders of the church and in opposition to the teachings of Jesus Christ, today's church capitulates in the face of evil. It acquiesces to the evil and drags its followers to the gates of hell by demanding compliance to the illegitimate authority and decidedly non-Christian forces which are subjugating this country. Today's pastors are doing so under the guise and bastardization of Romans 13. Yes, that's right, obey the corrupt government that allows the Clinton crime family to steal billions as they have unleashed untold suffering upon the world through the illegitimate Covid-19 lockdowns, while this mafia tells us that God demands that we obey these criminals in the complete bastardization of Romans 13.

The truth be known, you really do not need the church, remember, wherever two or more are gathered in His name, the Lord is present. With an estimated 100,000 Pastors who belong to the Clergy Response Team, it can be safely said that it would be better to lose your church, and avoid being led astray by a government-serving Clergy Response Team pastor, than to lose your soul for all of eternity.

There are other reasons to leave your church beside the fact that most support the importation of an unknown number of terrorists to our country. According to the Pope, Allah and God are equals because the government says so. However, the words I just wrote put me in violation of the new interpretation of Romans 13. I am a sinner if I speak out about the forces who have perpetrated the rise of the Satanic New World Order which is now in place. The modern interpretation of Romans 13 is pure blasphemy. This scripture has been morphed into a doctrine espousing the "Divine Right of Kings" in which God has somehow chosen a king to ruthlessly rule over a people and it is incumbent upon the people to accept their "God-given fate", The flock are commanded to "...submit himself to the governing authorities, for there is no authority except that which God has established." This false interpretation is nothing but a divine coronation of a ruthless, self-serving government and Christians are expected to capitulate and honor the same kind of thievery, lawlessness and murder which inspired Jesus to expel the money changers from the Temple. Yet, much of the church remains silent on the evil that has been visited upon our country. Firebombing, looting, murder and victimization innocent people permeates our land and yet, many of the pastors are marching with these communist criminals in the streets of America (eg Joel Osteen).

Ask yourself, what kind of God would fail to command his clergy to not speak out and to condemn the actions of the criminal money changers on Wall Street, or the Antifa thugs that occupied Seattle? Those that are inspired only by the love of money as they continue their heinous assaults upon humanity in the form of

unlabeled poisonous GMO's, the theft of solvent home mortgages by the mega banks, and the secret detentions and the murder of American citizens under the NDAA, supporting the doctrine of endless war in which millions die? What kind of God would order his followers to remain silent as the bankster controlled government plans to commence a world war starting with Venezuela in order to support the preservation of the depopulation agenda of the globalists? In actuality, no God of the Bible would ever command his followers to both enable and to serve the evil which permeates our government. **Wait a minute, you say that Trump will drain the swamp. Well Is Hillary in jail? She is low-hanging fruit and she still walks free victimizing the world. Trump has done nothing about Hillary. What has been done about the Bidens' crisis with Burisma in Ukraine? Nobody from the Deep State ever goes to jail.** WHERE IS YOUR PASTOR ON THESE ISSUES? **You may not be able to answer this question, however, your pastor may be someone who is helping the government gain information about you and your family. Is your pastor working for the enemy of all Christians as a member of the Clergy Response Team?**

**THE GREAT SCAMDEMIC: Biggest and Deadliest Medical Fraud Ever Perpetrated on the Human Race**

- All the COVID-19 infection rates and number of cases by locale and nation are fabricated
- All mortality rates by city, state and nation are falsified, most COVID-19 classified deaths are other causes of death
- All coronavirus hospital admissions are either confusingly misrepresented, deliberately inflated or grossly exaggerated
- All COVID-19 statistics officially issued by virtually every government within the world community of nations are either highly inaccurate, purposefully distorted or patently false
- Geriatric genocide is the primary cause of death especially in the United States, Italy, Great Britain, Spain, France and Germany

***How do we know with absolute certainty that these stats are untrue and made up?***

Because the COVID-19 test has been proven to be predictably inaccurate by various coronavirus attending physicians, medical researchers, qualified epidemiologists and investigative journalists. Not only do the COVID-19 tests produce countless false positives, they even result in false negatives, although quite infrequently. The overwhelming consensus of the experts is that the COVID-19 test kits themselves are flawed and unreliable.

**CORONAVIRUS TEST: A total fraud, gives up to 80% false positives, can be adjusted to produce any result**

Furthermore, the “cause of death by COVID-19” is being intentionally used by the colluding medical authorities, WHO, NIAID and hospitals across the USA as a blanket explanation put on death certificates regardless of the actual cause. This, of course, is medical fraud. Such deliberate misclassification constitutes a criminal pattern of governmental malfeasance to misrepresent the vital data that are driving this engineered pandemic.

***“The Medicare reimbursement is \$13,000 for Covid-19 admissions to the Hospital; and if those Covid-19 patients receive ventilator treatment, the reimbursement is \$39,000.”(Source: [Here’s why COVID-19 deaths are being grossly inflated across America!](#))***

Remember, the Medicare reimbursement schedules were purposefully designed to encourage this fraudulent scheme nationwide (see the preceding excerpt). The perps at the top had already created a conducive crime scene when they began shutting down all discretionary medical services especially elective surgeries. This put hospital finances in such dire straits that they were willing to go along with the COVID-19 fraud just to keep their doors open.

The perps then forced numerous hospitals to stage fake COVID-19 ICUs with no patients; hence, no revenue coming in but still having to pay the hospital crisis actors.

Look it, when the man at the very top of this Big Pharma-Government crime syndicate is a career criminal like Dr. Stephen Fauci, what official data or information about this pandemic can be taken seriously. See: [FAUCIgate: OPERATION COVID-19 Point Man Tony Fauci Must Be Arrested and Prosecuted for Genocide](#)

Then there is the world's premier vaccine pitchman Bill Gates whose every utterance somehow concerns the forced vaccination of every single person on the planet. Since it is the Bill & Melinda Gates Foundation that is now WHO's biggest funding agent, how can any of their stats be trusted. **Listener Comment:** From a friend: this is why our positives are on the rise...so pathetic

*My brother was recently contacted by a "tracer" because his girlfriend's brother-in-law, who had NO symptoms, went to a testing site and apparently tested positive. They traced everyone he was near which included my brother. My brother then got a phone call telling him he was exposed, and also told him that they now have to document him as having Covid (though he has no symptoms) because he hasn't been tested.*

*They apparently did this to around 20 associated friends - so because 1 guy was curious and tested positive, 21 new cases were added to the numbers. Now imagine that extrapolated across the country.*

*People need to wake up and realize they're being played hardcore big-time right now!*

*It's absolutely insane*

*Conclusion: I do not believe anything they tell us about CV19 anymore. There is simply no way to navigate to the truth on this.*

**New York Issues Subpoenas For Contact Tracing; Smartphones Add CV Logging Feature--Those who do not follow the orders could face a civil penalty of up to \$2,000 a day**

July 4, 2020 By [Aaron Kesel](#) **Rockland County, New York is now issuing subpoenas for CV contact tracing after the residents refused to be tracked, according to reports.**

It all started with a party that was held where several people contracted CV, NBC 4 New York, [reports](#). **State officials have started to issue subpoenas after citizens refused to cooperate with contact tracing, as they probe a new virus cluster.**

**The county plans to resort to the use of subpoenas in order to force people to work with contact tracers as they work to contain a new potential outbreak. It may mark the first time in the tri-state area that such a measure has been taken over COVID contact tracing noncompliance.**

**Those who do not follow the orders could face a civil penalty of up to \$2,000 a day. The eight Clarkstown residents involved in the parties faced similar fines until they complied with the county's subpoenas.**

County spokesperson John Lyon **said Thursday the individuals are now cooperating with authorities.**

**Meanwhile, our smartphones – both Android and iPhone – have been given a sneaky upgrade to add a CV contract tracing feature. Apple and Google rolled out the new contact tracing tool in their respective settings —called COVID-19 Exposure Logging.**

**When *Activist Post* originally reported on the digital rights group's list, there was only a total of 15 countries which had already started measures to track the phones of coronavirus patients, ranging from anonymized aggregated data to monitor the movement of people more generally, to the tracking of individual suspected patients and their contacts, known as "contact tracing." Now, there are 50 countries that have implemented contact tracing through smartphone apps; that's a significant increase in such a short period of time.**

Subject: **Listener Comment: Covid-19 test.... yes they will test you for this before they admit you**

***Hi Scott, for your listener who needs help delivering a baby without taking a Covid19 test. We do not have an L and D unit where I work but yes, they will test you and yes they do have the right. Yes, you must be cleared to be free of Covid19 before they will let you in most units. You need to look at it from their perspective.... They think they are protecting everyone from a dangerous pandemic. If it's an emergency they will keep you in the ER till the rapid Covid19 results come back before they will let you go to any unit.***

***You need to look into having a midwife or a doula, if you believe your delivery should be uncomplicated. (I have not had children myself but I know multiple women who have had successful healthy home births.) The internet says doula's don't deliver babies but I believe I know some who do help with home births with the midwife present. The number of hurdles you are going to have to clear to successfully have a delivery from a hospital, (ie not having the baby vaccinated, not having a sample of the baby's blood being sent to the State, not having unnecessary treatments given to the baby, having to police their (the medical***
