2020 STRATEGIC WARFARE PRAYER!!!!

Father God in the name of Jesus Christ we nullify, dismantle, cancel and forcefully oppose all satanic operations, maneuvers, manipulations, subversions, strategies, tactics, plots, plans and ploys, which are designed to hinder, prevent, frustrate, foil, deny or delay God's original plans and purposes, from their quick, swift and speedy manifestation taking place in their correct time and season. (Daniel 7:25) **We rebuke and dismantle all satanic alliances and confederations. Let every evil covert and clandestine effort and endeavor fail. Cause the news media to be caught in their lying and manipulation so that only the truth is manifested.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We decree that every satanic strategy of inhibition, prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We declare all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed.** (Colossians 1:16;

Joshua 6:1) **Oh God confound the devices and evil plans of the enemy that they have crafted, so that their hands are not able to perform their enterprise. Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; **let them fall into their own pits they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed destroy all of God's creation and defile the world. For this reason, was the Son of God made manifest, that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19; 1 John 3:8) **We overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood.** (1 Timothy 1:18-20) **We overthrow spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17. We reverse the curses associated with all these ceremonies, rituals, utterances and plans to bring about a chaotic bloody revolution in America to usher in Martial Law and the New World Order. We decree and declare that: Their plans shall be uncovered and shall not prevail; & their plans shall be frustrated and unable to achieve any impact; & their threatening's and violent verbal dealings are returned to them one hundredfold. FATHER, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events, leading to the destruction of Your righteous seed.** (Isaiah 44:25; 2 Timothy 3:8) **Send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelation upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom to come upon them.** (James 1:5) **Cause them to be a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided; when they communicate let it be incoherent and misunderstood.** (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every spirit that is released from their diabolical assignment to be cast into the abyss, until which time they be cast into the lake of fire.** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) **Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they hit the bull's eye.** (Psalm 57:4) **Let the laws that govern this prayer and all spiritual warfare strategies and tactics, be binding by the Word, the Blood and by the Holy Spirit.** (1 John 5:7) **WE SEAL THIS PRAYER IN THE NAME OF JESUS CHRIST AND THE BLOOD OF THE LAMB, AMEN!**

PRAYER TO NEUTRALIZE OCCULT RITUALS

Beloved Holy Savior and Master, Lord Jesus, you are the sacrifice, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father. We honor your sacrifice on the cross, your resurrection and transfiguration volunteered for our salvation. We worship you, exalt you and magnify your name above every name. You are sovereign, supreme over all. You are worthy. You alone are worthy. We pledge our faith and love to serve you alone, forever. We claim your Word: James 4:7: "Submit yourselves therefore to God. Resist the devil, and he will flee from you." 2 Timothy 1:7: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." We come in the authority given to us in Christ Jesus. We cover ourselves with the Blood of the Lamb. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We lift our shields of faith to interlock, standing foot to foot and shoulder to shoulder—a solid wall that cannot be breached or penetrated. We resist and renounce Satan, the god of this earth. We rise to war in the Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of your warring angels in full battle array, fiery swords drawn to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, dismantle, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agenda and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened. We break every curse, hex, spell, vex, enchantment, decree spoken or unspoken sent against the Body of Christ and your intercessors by every witch, warlock, Satanist, sorcerer, voodoo priest, shaman, brujo, bruja, soothsayer, medium, coven and every minion of the devil working iniquity; and send it back upon their own heads seven fold that they may repent and turn from their evil ways. Lord Jesus, reveal your love to them. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

This is a very powerful prayer against Witchcraft...with fasting even more powerful.. *This prayer can shut down Witches and Satanists forever.*

Father, In the name of Jesus Christ of Nazareth, we plead the precious uncorruptable blood of Jesus over the Body of Christ, the innocent, ourselves, our families and everything that belongs to us. We ask for giant warrior Angels (or whatever kinds of angels are necessary) to be loosed from Heaven to surround and protect us. As your war club and weapons of war we break down, undamn, and blow up all walls of protection around all witches, warlocks, wizards, satanists, and the like, and we break the power of all curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death,

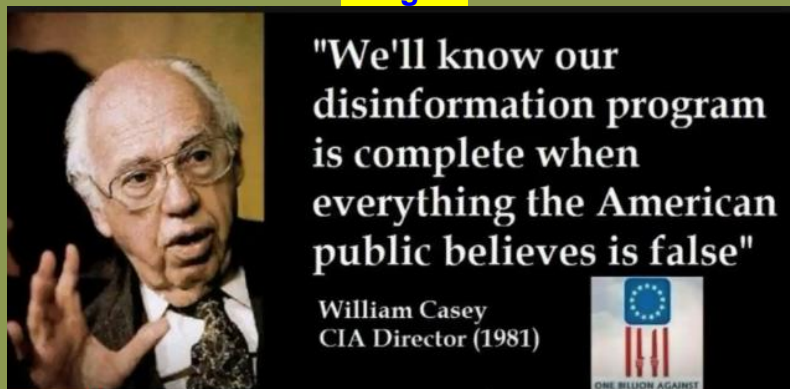

destruction, sickness, pain, torment, physic power, psychic warfare, prayer chains, and everything else being sent to the Body of Christ, the innocent, our way or our family members way, and we return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and we BIND it to them by the blood of Jesus Christ!

Father, we pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have now been set against themselves.. In the name of Jesus Christ of Nazareth we now loose them from all mind control of Satan!..

Father we also ask that you Bind the Holy Spirit to their hearts as a guide to your Son Jesus.. So that they may be set free from the bondages of Satan.

In Jesus name we pray...Amen

++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalms 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil **communications** corrupt good manners.
Lexicon Strong's G3657--Outline of Biblical Usage of the Word:
"Communications": companionship, communion

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." Samuel Adams

"The average age of the world's great civilizations has been two hundred years. These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." Alexander Fraser Tytler

Treason? New York Times calls for U.N. takeover of America

(Natural News) Peter Beinart, editor-at-large of *Jewish Currents*, recently penned an op-ed for *The New York Times* calling on the United Nations to stage an “international intervention” in order to stop Donald Trump from winning the Nov. 3 election.

Echoing the **sentiment expressed** by **George Soros operative Zack Ford, a queer atheist social justice warrior (SJW) who wants to “fix” America through a foreign invasion, Beinart believes that the only way to ensure the United States loses its sovereignty and is absorbed into the New World Order is to have the U.N. basically take over our country.**

“No one knows how Donald Trump’s Covid-19 diagnosis will affect his presidential campaign, but before falling ill, **he repeatedly suggested that he won’t accept the results of the election, should he lose,**” Beinart wrote.

As the CHICOMS Move to Establish Dominance over Canada, Mexico and the United States, Will All Three Countries Erupt Into Civil War?

Dave Hodges on Thursday, October 15, 2020

I love the Canadian people. They have been such wonderful friends since the War of 1812. However, with the recent state of affairs, Trudeau should change the name of Canada to Canuckastan as the United States has been totally betrayed by their former ally. Cannuckastan, formerly known as Canada is playing host to Middle East terrorists on the east-end of the country. On the west-end of the country, it seems like, to many locals, that Vancouver and the rest of British Columbia (BC) are being overrun with the CHICOM military as they sit poised to enter the United States as well as CHICOMS on our southern border.

On The Common Sense Show.TV, I recently interviewed Pastor Sam Honnold, who lives in Mexico and describes how the Mexican states on the border are being destabilized. And who is destabilizing these territories in an attempt to start a Mexican Civil War; it is none other than the CHICOMS who are using mechanized cartel units to accomplish this goal. The cartels are being supplied by China. The CHICOMS in BC have no opposition from Trudeau as they do in Mexico from AMLO.

America will soon be hit from all directions but we have 100 million gun owners in this country and 7 million veterans of fighting age.

Email Dave Hodges Recently received: Mr. Hodges, I am legitimately frightened. I work for Vancouver and we provide essential services to the people. I cannot be more specific because I am afraid of being discovered. There are some of us who know what is really going on and you have correctly identified the Chinese influence and domination of Canada.

The criminal corruption at our ports has diminished greatly. It is not because the RMCP is doing a great job. It is because the Chinese are running our ports and are bringing in Chinese soldiers and military supplies. The Chinese may not be in uniform, but they are military and we all know it!

Mr. Hodges, you are correct, sir, the States are about to get invaded. There is a second concern and I am sure you are aware of it. Our government took bids for nearly 40,000 tear gas canisters. They are doing this because we are about to get locked down again and this time the people will resist!

Also, our government is taking bids and considering offers from private parties to provide detention centers. In the states, you call them Fema Camps. My colleagues are aware of this and we see this as the establishment of concentration camps here in Canada. God help us. When we consider these two happenings, it is clear that Trudeau is going to enforce a great lockdown like what you have been reporting on in Melbourne and when the people rebel, they will be gassed and they are also going to be put into these concentration camps. We still cannot believe that we are going to do this to our own people. Some of us believe that the Chinese will be running the camps and they will be turned into extermination camps. You would be surprised at level of employment of some of my colleagues. We are not low-level employees. We see exactly what is happening and Trudeau is not concealing what is coming. All of us believe that Canadians, Americans and Mexicans are going to be exterminated by the Chinese military forces that are overrunning our city....

The CHICOMS in BC have no opposition from Trudeau as they do in Mexico from AMLO. I believe we could see civil war in all three countries.

A Canadian Rep Speaks Out Against the Concentration Camps

One would expect that some of the more conservative politicians in Canada are aware of this and would stand in opposition to this insanity. Well, there is at least one such person.

That person would be Randy Hillier, an MPP in the Canadian government. He questioned the government by asking the government officials in a parliamentary session the following questions:

1. How many citizens will be detained?
2. How many isolation centers will be acquired or built? are scheduled for construction.
3. Hillier question the use of the phrase in the proposed legislation as he called documentation that these isolation sites could be used for "other requirements" in the future. Other requirements? Concentration camps? Extermination Centers?
4. Hillier also asked how many isolation camps will be used and under what circumstances will they be used. At this point, Hillier was cut off and his microphone was silenced.

I take this move as proof positive that concentration camps will soon be in use in Canada. Since all of the California Congression Delegation, all Democrats, are in bed with the CHICOMS, it is difficult to not believe that they will not also use concentration camps against Americans, including any resistance to taking Bill Gates' vaccine.

There are some Canadian citizens who also are bravely reporting, in the open, the very events described here in this article. The source is a little known Youtube site. Despite the very informal presentation format, the video does contain documentation for what is written in the previous paragraphs.

CANADA GOING FULL TYRANNICAL! 2nd "Total" Lockdown; ISOLATION CAMPS for "Refusers"--In Light of the Recent Previous Information Covered In Regard to Canada--Is this leaked info really Trudeau's crazy COVID plan for 2021? You decide ...

I received this from an elected member of the Canadian government who is aghast at the Prime Minister's Office (PMO) plans for our neighbors to the north . . . This is a nightmare unfolding!

Dear REMOVED,

I want to provide you some very important information. I'm a committee member within the Liberal Party of Canada. I sit within several committee groups but the information I am providing is originating from the Strategic Planning committee (which is steered by the PMO).

I need to start off by saying that I'm not happy doing this but I have to. As a Canadian and more importantly as a parent who wants a better future not only for my children but for other children as well. The other reason I am doing this is because roughly 30% of the committee members are not pleased with the direction this will take Canada, but our opinions have been ignored and they plan on moving forward toward their goals. They have also made it very clear that nothing will stop the planned outcomes.

The road map and aim was set out by the PMO and is as follows:

– Phase in secondary lock down restrictions on a rolling basis, starting with major metropolitan areas first and expanding outward. Expected by November 2020.

– Rush the acquisition of (or construction of) isolation facilities across every province and territory. Expected by December 2020.

– Daily new cases of COVID-19 will surge beyond capacity of testing, including increases in COVID related deaths following the same growth curves. Expected by end of November 2020.

– Complete and total secondary lock down (much stricter than the first and second rolling phase restrictions). Expected by end of December 2020 – early January 2021

- Reform and expansion of the unemployment program to be transitioned into the universal basic income program. Expected by Q1 2021.
- Projected COVID-19 mutation and/or co-infection with secondary virus (referred to as COVID-21) leading to a third wave with much higher mortality rate and higher rate of infection. Expected by February 2021.
- Daily new cases of COVID-21 hospitalizations and COVID-19 and COVID-21 related deaths will exceed medical care facilities capacity. Expected Q1 – Q2 2021.
- Enhanced lock down restrictions (referred to as Third Lock Down) will be implemented. Full travel restrictions will be imposed (including inter-province and inter-city). Expected Q2 2021.
- Transitioning of individuals into the universal basic income program. Expected mid Q2 2021.
- Projected supply chain break downs, inventory shortages, large economic instability. Expected late Q2 2021.
- Deployment of military personnel into major metropolitan areas as well as all major roadways to establish travel checkpoints. Restrict travel and movement. Provide logistical support to the area. Expected by Q3 2021.

Along with that provided road map the Strategic Planning committee was asked to design an effective way of transitioning Canadians to meet a unprecedented economic endeavor. One that would change the face of Canada and forever alter the lives of Canadians. What we were told was that in order to offset what was essentially an economic collapse on a international scale, that the federal government was going to offer Canadians a total debt relief. This is how it works: the federal government will offer to eliminate all personal debts (mortgages, loans, credit cards, etc) which all funding will be provided to Canada by the IMF under what will become known as the World Debt Reset program. In exchange for acceptance of this total debt forgiveness the individual would forfeit ownership of any and all property and assets forever. The individual would also have to agree to partake in the COVID-19 and COVID-21 vaccination schedule, which would provide the individual with unrestricted travel and unrestricted living even under a full lock down (through the use of photo identification referred to as Canada's HealthPass).

Committee members asked who would become the owner of the forfeited property and assets in that scenario and what would happen to lenders or financial institutions, we were simply told "the World Debt Reset program will handle all of the details". Several committee members also questioned what would happen to individuals if they refused to participate in the World Debt Reset program, or the HealthPass, or the vaccination schedule, and the answer we got was very troubling. Essentially we were told it was our duty to make sure we came up with a plan to ensure that would never happen. We were told it was in the individuals best interest to participate. When several committee members pushed relentlessly to get an answer we were told that those who refused would first live under the lock down restrictions indefinitely. And that over a short period of time as more Canadians transitioned into the debt forgiveness program, the ones who refused to participate would be deemed a public safety risk and

would be relocated into isolation facilities. Once in those facilities they would be given two options, participate in the debt forgiveness program and be released, or stay indefinitely in the isolation facility under the classification of a serious public health risk and have all their assets seized.

So as you can imagine after hearing all of this it turned into quite the heated discussion and escalated beyond anything I've ever witnessed before. In the end it was implied by the PMO that the whole agenda will move forward no matter who agrees with it or not. That it won't just be Canada but in fact all nations will have similar roadmaps and agendas. That we need to take advantage of the situations before us to promote change on a grander scale, for the betterment of everyone. The members who were opposed and ones who brought up key issues that would arise from such a thing were completely ignored. Our opinions and concerns were ignored. We were simply told to just do it.

All I know is that I don't like it and I think its going to place Canadians into a dark future.

Politician raises alarm over Trudeau Govt's plan to build COVID-19

'Quarantine/Isolation' camps--The camps will be built across Canada

OTTAWA, Ontario, October 9, 2020 ([LifeSiteNews](#)) – An Ontario politician is raising alarm over the Trudeau Liberal government's plan to expand COVID isolation/quarantine facilities coast to coast.

Randy Hillier, Independent Ontario MPP for Lanark, Frontenac & Kingston, expressed concern over the "Federal Quarantine/Isolation sites" [in the provincial question period late this week.](#)

He asked the Doug Ford government of Ontario about the documentation showing that the "Federal Quarantine/Isolation sites" could be used for "other requirements" besides for COVID-19. He also said:

"So your government must be in negotiations and aware of these plans to potentially detain and isolate citizens and residents of our country and our province, so speaker, to the Premier, where will these camps be built, how many people will be detained, and for what reason, for what reasons can people be kept in these isolation camps, and I'd like to have the Premier assure the people of Ontario..." said Hillier, whose microphone was cut off before he could finish.

In an email sent to his followers, Hillier expressed more of his concerns.

"The Premier has been actively dodging my questions since July. Today was just another example of the new status quo in Queen's Park, no response.

"The expansion of isolation/quarantine camps in Canada is something of concern and the Ontario government must know about it, so why won't they tell the people of Ontario?"

Radical left-wing group posts BATTLE PLANS to unleash mass CHAOS and shoot Trump supporters in the streets if Trump wins the election - NaturalNews.com

(Natural News) **A radical left-wing group that claims it is working to stop the “violent white supremacist machine that is the Trump administration and its supporters” has posted a Google document containing detailed battle plans to take down the U.S. infrastructure and bring the nation to its knees following another Trump victory.**

The battle plans are posted in a document entitled, “Stopping the Coup” which was distributed by a group called ShutDownDC. [Breitbart News explains the contents of the document:](#)

It casts its plan for disruption as a response to an imagined “coup” by the president in the case of a close election.

*In an email promoting the guide, ShutDownDC declares: “Preventing Donald Trump from stealing the election and remaining in office **is likely to take mass, sustained disruptive movements all over the country.**” The guide is a manual to that “disruption.”*

Parts of the guide are committed to ensuring a “fair election.” Parts of it, however, read like a manual for staging a coup rather than a guide to preventing one.

The guide’s actions are consistent with detailed descriptions of anticipated left-wing terrorism that I described in a recent article entitled, “[Likely TIMELINE of events to take place from Sep. 20 to Jan. 20.](#)” That article declared:

- **Immediately after the election, Democrats will likely activate their full-blown chaos agenda to throw the country into mass chaos, making any accurate counting of remaining votes almost impossible. This will likely begin with so-called “Zero Day” attacks that target key US infrastructure, including the power grid, telecommunications, transportation and water supplies.**
- **These attacks will plunge many areas of America into extreme chaos and lead to exploding crisis scenarios which will quickly escalate into panic among the populations of certain cities where the attacks are focused.**
- **In concert with the Zero Day attacks, left-wing insurrectionists will be given the “go” signal to flood into the streets, violently attacking Trump supporters with the full forces of the weapons that have been smuggled into the hands of Black Lives Matter terrorists via communist China, which is providing heavy weapons to US insurrectionists (full-auto battle rifles, RPGs, mortars and more).**

The ShutDownDC document promotes exactly this scenario, advocating “broad based direct action... in the streets... at the sites of power.” Here’s a section directly from the report:

In the context of a coup or highly contested election we need to be clear that our actions must directly affect the structures and pillars of power. Our largest asset in this regard utilizes the ideas of non-compliance through massive, broad based direct action.

Where we can, we need to be in the streets, on the highways, or at the sites of power and power holders. In our jobs and lives we must refuse to allow those taking control the legitimacy of the power they seek through strikes, slowdowns, and boycotts, and public refusal to accept an illegitimate ruling party.

The group's tactics also clearly include targeting the military and the media to turn against the U.S. Constitution and "side with the people." It suggests that activists ponder new ways to bring the country to its knees and disrupt normal day-to-day activities.

As Breitbart.com explains, **"The guide also says that activists plan on physically protecting the vote count from counter-protestors, federal agents, or white supremacist militias. The guide indicates that activists intend to 'demand that no winner be announced until every vote is counted,' and that they will launch 'mass coordinated action' to that end."**

If President Trump is declared the winner on Election Night, the ShutDownDC group calls for violent attacks against anyone supporting Trump's victory:

Trump may try to declare himself the victor before the votes are counted, or Fox News might call the race. Those who can should be prepared to take action against those who are feeding into the stolen election narrative, including social media companies that are letting falsehoods or incitements to violence spread.

The document repeatedly calls for "direct action" (i.e. violence, shootings, arson, etc.) against Trump supporters, both at the individual and corporate levels:

In the end, the actual electorate might be split, half truly believing that Trump was elected legally, and half knowing that he was not. It is in this muddled context of legal and political wrangling that we must take action. We cannot wait to see how the chips fall. That will only ensure more power for the violent white supremacist machine that is the Trump administration and its supporters.

As Breitbart explains:

The document appears to be the product of a group called the Disruption Project, whose website describes itself as "dedicated to supporting uprisings, resistance and mass direct action."

ShutDownDC's website indicates that it expects Trump to be "forced from office,"

It's clear these radical Leftists seek to take down America via mass chaos, arson, shootings and other forms of violence, no doubt carrying out bombings and other tactics of mayhem that help achieve their goals of disrupting the counting of votes and restoring the rule of law.

And if Trump won't act to defend this nation, then American patriots will. Once the election is over, the patience of American patriots who have put up with the escalating violence and mayhem of left-wing nut jobs will have come to an end.

Hello Dr. Scott, I'll make this as brief as I can. I was just contacted by a fellow Christian asking me if I was aware of any active US Army SF (special forces) units or Marine MARSOC (special forces) in my area. I'm near (redacted) AZ. Reason being is we are both in the local area. I work with the US Army as a contractor on an ISR program and have contacts, with the Intelligence community. The main reason for his call was to notify me that an ex-MARSOC buddy of his called to let him know that he was contacted by SF members to take part in eliminating any Trump supporters. He was told there will be roving/vehicle 3 man teams looking to eliminate Trump supporters. This is taking place in December. When asked he said they are in league with ANTIFA. The only sense this makes to me, if it is true, is they are already planning for a Trump win and are preparing to all out chaos! Very odd conversation. He did mention that they are going after mostly the "privileged whites." Driving around and shooting on sight. Gonna fast and pray against this! Not sure if you have heard of anything of this nature. Not sure how true this is. I don't know the source. Just wanted to reach out to see if you have heard of anything like this. God Bless!

REPEATED AND ONGOING WARNINGS TO INDUSTRY: "GRID DOWN COMING, PREPARE IMMEDIATELY"

[Nation News Desk](#) 15 October 2020 On October 12, we reported that the federal government was warning industry to prepare for a possible "Grid Down" situation. We have now gotten more information . . .

The Oil and Gas Lobbying folks in Washington, DC have CONFIRMED insider information that government is REPEATEDLY, almost URGENTLY, warning key manufacturing sectors to "immediately prepare for a "Grid Down" scenario, especially a communications grid down situation."

In the two and a half days since that original story was published [HERE](#), the warnings to industry have not only continued, they have taken on an air of urgency.

From a source:

"The Gas & Oil Lobbies in DC evidently have insider information of a likely Grid Failure very soon----it could be only a Power failure, or worse, it could be a full Communications failure. The GRID. They don't know.

The Alerts her company and others in their industry are getting are urging companies to make immediate preparations to mitigate these crises so that they can continue to operate. My friend, who by the way was the lead developer of the very first Trading Systems for Wall Street, said that if the failure is communications, no mitigation preparations will work. It's all bets off."

Now, you know what I know. Not much, but better than nothing.

If a communications grid failure would mean "all bets are off" then that absolutely points to SUPPLY CHAIN DISRUPTIONS.

These types of specific warnings to industry by government DO NOT happen lightly. That such warnings are not only being issued, but are ongoing and taking in a sense of urgency should be a crucial indicator for YOU, to prepare."

Make sure you have Emergency Food, water, enough medicines you need to live for awhile, gas-up your vehicles and have spare fuel for cars, generators,

kerosene heaters if you have any and so forth. If this turns into a COMMUNICATIONS failure, that __could__ mean phones, cellular and even the Internet could be gone. You MUST have some way to communicate with others. Have CB or HAM radio. Something. Don't put this off. Get your preps done ASAP.

Confirmation of HUGE Loads of Telcom Gear Leaving Warehouses on "Expedited" Basis - COMMS OUTAGE COMING

17 October 2020--**URGENT: Info from a Vice President of Logistics at a MAJOR (i.e. massive) Communications gear company: HUNDREDS of Tractor-Trailer Loads of telephone switching gear are being picked up from warehouses nationwide, on an "EXPEDITED SERVICE" basis, and moved throughout the country; word of a cyber attack coming which will completely CRIPPLE the communications grid.**

As many of you may be aware, my family has a long history of working in the specialized trucking industry. We began in the 1980's moving main frame computer systems, architectural drafting gear, Trade Show exhibits and Displays, to moving specialized communications platforms and scientific gear to this very day.

We got a personal telephone call from a friend who is a Vice President of Logistics for an utterly MASSIVE (i.e. Global) manufacturer of Telephone switching systems, and Internet Switch/Router systems used by the MAJOR Players at Internet nodes, giving us very strange and worrying news.

The VP of Logistics told us:

We are rolling semi after semi (Tractor trailers) of inventory for telecommunications across the country for Exclusive-Use/Expedited delivery early this coming week!

It's unheard of to increase such inventory shipments like this, but they have increased 10 fold!!!!

Major corporations have been told by government agencies that some type of incident is going to take place which may completely destroy the Communications Grid. It sounds as though there may be some cyber attack or some natural phenomenon which does great damage . . . VERY SOON.

There are also RUMORS of travel lockdowns coming which would forbid STATE TO STATE TRANSIT.

People are also using the phrase "Martial Law."

The executive told us he did not know what incident might be coming which might result in a Communications outage, but he said he's never seen entire warehouses of computer switching gear being "emptied" as he is now seeing. This unexpected and unsolicited information comes just days after this web site ran stories wherein businesses were being told by government to immediately prepare for a "Grid Down" situation . . . Grocers Begin to Stockpile and Build 'Pandemic Pallets' To Prepare For Winter Surge of the SCAMdemic COVID-19 Cases

September 28, 2020 [EndTimeHeadlines.org](#) (ETH) – Grocery stores and food companies are reportedly preparing for what could be a coming increase in sales amid a new rise in Covid-19 cases and the coming Holidays.

According to the Wallstreet Journal, Supermarkets have already begun stockpiling groceries and storing them early to prepare for the coming fall and winter months, when some health experts are now warning the country could possibly face another widespread outbreak of coronavirus cases and new restrictions.

The report went on to state that Food companies have already begun accelerating production of their most popular items, and leaders across the industry are indicating that they will not be caught unprepared in the face of such an event.

The report comes as New York cases have now topped one thousand for the first time since early June and New U.S. cases have reportedly crept above the pace of recent days.

+3+ United Nations Combining The World's Largest Abortion Providers To Create A Unified Global Network To Slaughter Children As A 'Human Right'

Various elements of the United Nations system, including the World Health Organization, UNICEF, UNFPA, and the World Bank, will partner with abortion groups to advance a "human right" to abortion.

The U.N. made the announcement on September 29 to commemorate so-called International Safe Abortion Day, with the stated goal of addressing "unsafe abortion" in the context of the COVID-19 pandemic. The partnership, headed by the WHO Department of Sexual and Reproductive Health and Research, will bring together U.N. entities with the world's largest abortion providers, including the International Planned Parenthood Federation, Ipas, and Marie Stopes International, to promote "comprehensive abortion care," including access to

self-administered telemedicine abortion, as an essential service and a “human right.”

Like a scene from the bible, the United Nations is creating a global consortium of abortion providers, demanding that the killing of one’s own baby be elevated to

the status of a human right. Even Adolf Hitler, in his wildest fantasies creating factories dedicated to the destruction of human souls, didn’t think this big. Why is this happening now?

Because this lost world is preparing themselves to receive Antichrist, that’s why. I mean that *literally*, by

the way, no metaphors here.

The Liberal position on abortion used to be that they wanted it to be “rare, safe and legal”, but my how that wheel has turned. Now it is literally an ocean of blood that consumes 3,200 babies every 24 hours in America, 36% of which are black babies, and that’s not all. Both New York and Virginia have already passed laws allowing the babies to be killed on their due date, and even a little after that. This is the true spirit of Antichrist, that murderous, unpitiful spirit that is never satisfied no matter how much blood it receives. But just remember, the bible says that God is the “avenger” of those who trust in Him and cannot defend themselves, and that pay day is not only coming someday, but it’s coming someday very soon.

Even so, the U.N. Secretary General recently identified abortion as central to the U.N.’s COVID-19 response, and the organization’s high commissioner for human rights expressed her support for “safe abortion day.” Similarly, in the partnership announcement, Ian Askew, director of the WHO Department of Sexual and Reproductive Health and Research, states that “eliminating unsafe abortion is one of the key components of the WHO Global reproductive health strategy.”

Subject: **Listener Comment: Trump's Regeneron Antibody Treatment Drug was Developed Using Aborted Fetal Tissue Cell Lines**

...According to this article, the Regeneron antibody treatment drug Trump took for his alleged Covid infection was derived from aborted fetal tissue cell lines. This article is written by a liberal and criticizes Trump for benefiting from aborted tissue used in medicine while opposing the use of fetal cell lines in medicine and being anti-abortion...

However, the fact still remains that Trump does allege to be pro-life (although he's obviously not as he's an illuminati Satanist) yet has used, promotes, and even has invested money in this wicked drug which was derived from murdered babies, even going as far as calling it a "miracle from God", which is completely blasphemous.

God bless, Debbie

Drug derived from aborted fetal tissue was 'miracles...from God' that saved Trump from COVID

Opinion: If the president, or anyone, is against research using fetal tissue should they refuse drugs developed from it?

Arizona Republic--When Trump tested positive for COVID-19 and was sent to the hospital he was given several experimental drugs, which helped, and which the president described as "miracles coming down from God."

It turns out, however, that the antibody treatment created by the company Regeneron Pharmaceuticals, was developed with the use of a cell line originally derived from abortion tissue.

Last Friday, as Trump developed worrisome symptoms of covid-19, the president received an emergency cocktail of anti-coronavirus antibodies made by Regeneron. These molecules are manufactured in cells from a hamster's ovary, so-called "CHO" cells, according to the company—not in human cells.

But cells originally derived from a fetus were used in another way. According to Regeneron, laboratory tests used to assess the potency of its antibodies employed a standardized supply of cells called HEK 293T, whose origin was kidney tissue from an abortion in the Netherlands in the 1970s.

Since then, the 293T cells have been "immortalized," meaning they keep dividing in the lab, somewhat like a cancer, and have undergone other genetic changes and additions.

According to Regeneron, it and many other labs employ 293T cells to manufacture virus "pseudoparticles," which are virus-like structures that contain the "spike" protein of the deadly coronavirus.

Donald Trump is a Child Molester - The Facts

Published on November 3, 2016

This video outlines Donald Trump's history as a pedophile and the bankruptcies resulting from it.

<https://www.youtube.com/watch?v=DHLjm9kHFe8>

Trump refuses to release his taxes

because it will reveal the many out of court settlements he has paid to silence his victims and their families.

This is the story the media doesn't want you to know about.

In a poor effort to cover up his compulsive, habitual acts of child molestation, Donald Trump's numerous out of court cash settlements have bankrupted himself and his companies.

These payments have resulted in six separate bankruptcies:

Trump Taj Mahal Associates, Atlantic City casino, 1991

Trump Castle Hotel and Casino, Atlantic City, 1992

Trump Plaza Associates, Atlantic City, 1992

Plaza Operating Partners, Manhattan, 1992

Trump Casino Holdings, Atlantic City, 2004

Trump Entertainment Resorts, Atlantic City, 2009

Many sources indicate that Trump has sexually violated children and it has put him into massive debt. Donald Trump must be held accountable for his savage and degenerate abuse of children.

I will point out the obvious facts that the video has been on YouTube for about 2.5 years and almost nobody knows about it or is talking about it, it has fewer than 26,000 views, it has more Thumbs Down than Thumbs Up, and everything in that video, except for Katie Johnson who sued Trump in 2016, has been completely ignored by all Democrats and by all fakestream media on Earth.

So that video does not seem like the usual operation from the Democrats / Deep State / mainstream media / Illuminati.

But the complete ignoring of that video really does seem like their sort of operation.

Do serious people, who have very important things to say, speak in riddles, on the internet, for months?

How many imaginary “sealed indictments” can fit on the head of a pin?

How many “elite” American-cannibal-pedo-Satanists are currently at the prison?

It is obvious that President Trump is in ‘The Club’.

The latest psychological operation from the Cannibal Intelligence Agency for all the mind-controlled SHEEP is called [#ReleaseTheMemo](#) & then the Mueller Report (it is all theater to distract)... more garbage about Trump, Russia, blah-blah-whatever ... and the baby-eaters who rule the world will just keep on eating babies, like they always do.

What I can tell you, if anyone cares, is that there is zero information on Google about any of [#Trump](#)’s “alleged” child rape victims, except for a little bit about 12-year-old “Maria”, who I assume is Maria Olivera, and “Katie Johnson”, whose story is long and detailed and corroborated by Jeffrey Epstein’s former assistant/child-sex-slave procurer, and I believe every word of it.

And it is not at all surprising to me that there is nothing on Google about any of Trump’s other child victims, because their families all “allegedly” received cash settlements, which would have included non-disclosure agreements, and because the Satanic cannibal child-gang-rape death cult that not-very-secretly rules the world also not-very-secretly rules Google.

+3+ Donald Trump has paid about \$30 million to settle child-sex complaints, including a 2012 incident at Albemarle Estate in Charlottesville, Virginia

Albemarle Estate at Trump Winery

Donald Trump has paid roughly \$30 million to settle child-sex complaints brought against him since 1989, according to a D.C.-based investigative journalist. Wayne Madsen Report (WMR), describes the settlements in a Jan. 14-15 post titled "Why is Trump so afraid of Cohen's testimony?"

<https://waynemadsenreport.com/articles/20190114> From the article:

Donald Trump continues to lash out at his former lawyer and "fixer," Michael Cohen, as the February 7 public testimony by Cohen before the House Oversight and Government Reform Committee, chaired by Representative Elijah Cummings (D-MD), draws nearer. Cohen said he wants to "give a full and credible account of the events that have transpired."

While Cohen will avoid certain subjects still under investigation by Department of Justice special counsel Robert Mueller, **he may provide some insight into the types of embarrassing things he "fixed" for Trump, before they ended up in scandalous court trials. This may include Cohen assisting Trump in paying off victims of Trump's sexual assaults over the years.**

The cases go way beyond those widely reported in the mainstream press, *WMR* reports. They also go beyond cases that involve women and adults. They indicate Trump has a disturbing taste for children:

In addition to Stephanie Clifford, aka porn actress "Stormy Daniels," and former Playboy model Karen McDougal, Cohen reportedly helped settle a number of rape cases involving Trump. *WMR* received a list from a reputable Republican source of these settlement claims, all of which involve male and female minors.

Trump used his wealth and power to silence his vulnerable, underage victims. Here is a list of some of the children Donald Trump raped, molested and sexually assaulted:

(1) Michael Parker, 10-years old, oral rape, Mar-a-Lago, Palm Beach, FL, 1992. Trump paid his parents a \$3 million settlement.

(2) Kelly Feuer, 12-years old, \$1 million settlement paid in 1989, allegations of forced intercourse, Trump Tower, NY, NY.

(3) Charles Bacon, 11-years old, \$3 million, allegations of oral and anal intercourse, 1994, Trump Tower, NY, NY.

(4) Rebecca Conway, 13-years old, intercourse and oral sex. [Trump Vineyard Estates](#), Charlottesville, VA, 2012, \$5 million settlement.

(5) Maria Olivera, 12-years old. Her family was paid \$16 million to settle allegations of forcible intercourse occurring in Mar-a-Lago, Palm Beach, FL, 1993.

(6) Kevin Noll, 11-years old, anal rape, Trump Tower, NY, NY. 1998. Settlement details unknown.

I just read that article, it said quote.. " The Trump administration has shown more interest in supporting Azerbaijan than any government before it, largely as a passive act of harassment against Iran. So far, \$100 million dollars in aid have been dispatched to the country"...

What I don't understand is this.. Why is trump supporting a Muslim country that is trying to destroy a Christian country.

Synagogue of Satan Kabbala Jews Are Enabling The Genocide Against Armenian Christians In Nagorno-Karabakh

[Eric Striker](#) • October 15, 2020--The spiraling conflict between Armenia and Azerbaijan over the disputed province of Nagorno-Karabakh has suddenly intensified.

Nagorno-Karabakh is technically part of Azerbaijan, but its population is **99% Armenian Christian** and has its own local military, which is backed by the Armenian state. The Azeri government seeks to

assert full control over the region and violently evict its native population.

Azerbaijan is majority Shi'ite Muslim and a former Soviet Republic, but it is controlled by a Jewish billionaire class which is backed by Turkey, Israel and even Al Qaeda.

Armenia on the other hand is an ancient Christian civilization.. Since the 1990s, Iran, despite being Shi'ite as well, has served as an aggressive defender of the Armenian people.

During the current conflict, the Iranians have been less gung-ho out of fear that the United States and Israel could use its massive Azeri population — 25% of the country — to cause chaos and civil strife while they are still recovering from sanctions.

Iran and Russia still ultimately side with the Armenians and are supplying them weapons. But both countries are eager to avoid a war in the area and are currently trying to broker a diplomatic arrangement with both sides. So far, these truces have failed.

The Azeri military's war crimes against Armenian Christians have not attracted much in the way of bad publicity in the English-speaking world, likely due to the country's close ties to international Jewry.

Turkey is singled out as being the primary regional instigator in this Caucasus war, **but Israel's support for Azerbaijan is arguably more substantial. The state of Israel provides 60% of Azerbaijan's weapons, and its high tech arms, such as IAI Harops ("suicide drones"), have given the Azeri military a unique strategic edge that the Armenians have no counter to.**

International investigators have also uncovered evidence that the Azeri's are using Israeli M095 DPICM cluster munitions — which are illegal under international law — to kill and maim non-combatants.

An Israeli court recently struck down a lawsuit supported by the country's small Armenian community, complaining that weapons manufactured in Israel were implicated in crimes against humanity. Lawyers provided evidence showing that Israel was secretly airlifting weapons to Azerbaijan just days before the Nagorno-Karabakh conflict erupted, a shocking revelation left out of most Western reporting on the subject. The Zionist regime has vowed to continue selling billions of dollars in arms to the Azerbaijan government.

The Trump administration has shown more interest in supporting Azerbaijan than any government before it. So far, \$100 million dollars in aid have been dispatched to the country...

The Azeri government's lobbying tactic in the run up to this war has been to directly curry favor with American Jewry. In March, it became the first Muslim country to give a speech at AIPAC.

Last July, Armenians in Los Angeles protesting against Azerbaijan's aggression were selectively charged with "hate crimes." Hate crimes charges in America are generally reserved for politically disfavored ethnic groups who clash with favored ones.

Last week, Azeri ambassador Elin Suleymanov met with the Jewish Institute for National Security of America (JINSA) in an attempt to get Washington to increase support for his country's war effort.

Armenians, whose population massively outnumbers Azeris in the United States and is relatively wealthy, have attempted instead formally petitioned members of Congress to condemn Azerbaijan and Turkey.

They have, on the surface, found success. Multiple high profile congressmen have made statements verbally opposing Azeri and Turkish aggression. A letter addressed to Mike Pompeo calling for the US to end aid to Azerbaijan was sent, but no actual policies or bills have been put forward.

The Azeri Jew-focused gambit has objectively been far more effective. The Muslim majority state's agenda is uncritically promoted in conservative media and the American public is kept ignorant of its barbaric behavior.

Attempts to get the European Union and the US to sanction Turkey over its bellicose behaviors through Azerbaijan and beyond have amounted to nothing but talk.

The pressure to comply with COVID mandates and fraudulent science will come primarily through non-government operations, like airlines and other modes transportation. If you don't take and pass the COVID test, you don't travel. Coronavirus passport trials are taking place at Heathrow this week to test technology to let people travel the globe without risk of being quarantined. Passengers on United Airlines and Cathay Pacific are trying out an app called the CommonPass.

The phone software is a digital health pass which can hold a certified COVID-19 test status or show someone has been vaccinated in future in a way designed to satisfy various governments' different regulations.

U.S. Government Awards Contracts to Seven Organizations with Ties to Gates Foundation, DARPA, Big Tech

Posted on [October 13, 2020](#) On September 15, the National Institutes of Health announced that they had awarded contracts to seven companies developing digital health solutions for SARS-CoV-2, the virus that causes COVID-19. The National Cancer Institute (NCI) and the National Institute of Biomedical Imaging and Bioengineering (NIBIB), part of the NIH, selected the seven projects put forth by the organizations. **The contracts are worth up to \$22.8 million and will focus on using artificial intelligence (AI), machine learning, and other methods, combined with smartphone apps, wearable devices, and software "that can identify and trace contacts of infected individuals, keep track of verified COVID-19 test results, and monitor the health status of infected and potentially infected individuals."** These organizations include:

iCrypto, Inc. (Santa Clara, California)

Shee Atiká Enterprises, LLC (Sitka, Alaska)

University of California, San Francisco

physIQ, Inc. (Chicago)

Vibrent Health (Fairfax, Virginia)

IBM (Armonk, New York)

Evidation Health, Inc. (San Mateo, California)

The NIH also noted that another company, CareEvolution, LLC (Ann Arbor, Michigan), was awarded a contract by the NIBIB.

NIBIB Director Bruce J. Tromberg, Ph.D., stated that digital health technologies built around smartphones and wearable devices will help guide the public through the COVID-19 pandemic by gathering and analyzing large amounts of data from many different sources.

Round up the 'anti-vaxxers'? Enlist religious leaders? Bill Gates warns US needs to brainstorm ways to reduce 'vaccine hesitancy'

6 Oct, 2020--**Billionaire software tycoon Bill Gates has urged the US to prepare for a Covid-19 vaccine rollout by deputizing trusted community leaders to "reduce vaccine hesitancy," bemoaning the rapid spread of "conspiracy theories" online.**

The Microsoft founder-turned-vaccine-evangelist painted a mostly rosy picture of a vaccine rollout getting “*rich countries*” back to normal by the end of 2021 in an interview during the Wall Street Journal’s CEO Council on Tuesday.

However, with less than half of Americans saying they’d get a Covid jab – even if paid \$100 for it – in a recent survey, Gates then focused his talk on enlisting the nation’s “*trust network*” to overcome the skeptics.

Lamenting that “*vaccine hesitancy is in all countries and predates the pandemic,*” Gates suggested American health officials start “*thinking about which voices will help reduce the hesitancy, so we can get a level of vaccination that really has a chance of stopping*” the virus.

Gates provided the example of challenges the polio vaccine faced in some countries – and the cunning lengths some were willing to go to get their populations jabbed.

In places like Nigeria we had to go to the religious leaders, talk to them, have them speak out, you know, vaccinate their children. So [it is about] understanding the trust network – who is it that you view as an expert. Very few people can look at the formulation or data directly.

Coronavirus czar Anthony Fauci hinted back in June that he was already on the task, revealing the government had a PR blitz planned in which “*people [vaccine-hesitant Americans] can relate to in the community – sports figures, community heroes, people that they look up to*” – will spread the pro-vaccine gospel.

Gates had typically harsh words for both conspiracy theorists and the social media platforms he believes enable them. Gates called on social media to “*slow down or annotate things that actually cause huge damage, like not wearing masks or not being willing to take the vaccine if it proves that it is this key tool to getting back to normal.*”

While he stressed he wasn’t suggesting Facebook and its peers go for “*the Chinese solution*” of telling companies what they must censor, the billionaire has previously called conspiracy theories about his funding of global vaccination schemes “*a big problem,*” and on Tuesday he slammed platforms for the absence of “*smart solutions*” to that problem.

Michigan Supreme Court Rules Gov. Whitmer's Draconian COVID Lockdown Measures Unconstitutional

The Michigan Supreme Court ruled on Friday that Democratic Gov. Gretchen Whitmer's state of emergency declaration over the pandemic is unconstitutional.

The court ruled that [Whitmer](#) lacked authority under each of the two laws that govern states of emergency in Michigan to extend the state of emergency passed April 30, when her first state of emergency declaration expired, according to [Mlive.com](#).

“We conclude that the Governor lacked the authority to declare a ‘state of emergency’ or a ‘state of disaster’ under the EMA after April 30, 2020, on the basis of the COVID-19 pandemic,” the court ruled in a 5-4 decision. “Furthermore, we conclude that the EPGA is in violation of the Constitution of our state because it purports to delegate to the executive branch the legislative powers of state government – including its plenary police powers – and to allow the exercise of such powers indefinitely. As a consequence, the EPGA cannot continue to provide a basis for the Governor to exercise emergency powers.”

Subject: [Listener Comment: Corona Temperature Scanners](#)

I recently went in for a job interview and they had me "check in." There were two desks with a person at each, but they directed me to a wall far away from them, where I should check in. There was a little device that had a screen on it. You had to answer a few questions... I think three... and you pressed the answer with a finger to answer them (about corona related stuff). After, it asked you to place your eyes inside the circles on the screen. (Comment: Guaranteed it is scanning a storing your retinal scans) This made you quite close to the machine. Then I could see myself on the screen--it was like a camera. And it made a sound and

gave me my temperature, although I never touched it. I was totally startled and jumped back. Have you heard of this? Someone said it might be dangerous? If I work here, I think I would need to check in with this device each day :/ Wondered your thoughts if you had time--Jennifer

I did go back to the workplace and found the exact machine:

It's so scary what is happening. It's been so hard to find a job and then I got this one and now I am so concerned about this machine. I heard that infrared scanners can damage the pineal gland, but seems no one knows for sure.

[400 Facial Recognition Gates In A Single Airport: The Terrifying Future of Air Travel](#)

A recent IFSEC Global [study](#) gave the world a glimpse into a dystopian COVID-19 Big Brother marriage.

The Heathrow Airport in the United Kingdom is installing biometric gates at each and every access point.

Heathrow airports' biometric gates will scan passengers faces throughout the entire airport. No one will be safe from Big Brother's gaze, not you or your family.

The automation program specified required implementing biometric gates that would bring facial recognition to each access point of a departing passenger's journey. The new technology would use facial recognition at check-in, bag drops, security lanes and boarding gates to create a "seamless experience for passengers" walking through the airport.

Heathrow airport, like airports around the world, is exploiting the public's fear of COVID-19 and using it to justify installing facial recognition gates everywhere; from passenger check-in, to bag drops, security lanes and boarding gates.

Last month, a Tascent [corporate announcement](#) revealed that the Information Engineering Group Inc., will be installing "a touchless, streamlined experience" at airport lounges everywhere.

And what exactly is this 'touchless, streamlined experience'? Why facial recognition of course.

The IEG-Tascent solution uses Tascent's InSight® Face devices for face recognition and traveler messaging, coupled with the biometric identity management services of Tascent Enterprise Suite. These are integrated with IEG's superior Airport Lounge Access capabilities and end-customer systems to provide a seamless, opt-in solution that minimizes close physical contact...

So not only do airports want to ID and track airline passengers at the front gates but now they want to ID and track them entering and exiting airport lounges.

Comment: I asked her if there was a blood test version of this Covid-19 test she could get so they could not implant something into her or access her crib from plate.

Her Response: *There is one, I asked. They said no, we could not use it. My director explained the reason to me to me, but I was too upset to understand what was being said to me. She went with me to have it done. I had a very bad reaction. This test is very invasive as you know, but you really don't know how invasive it is till you are having it done to you. It is almost like I had a panic attack or something. I literally pushed or shoved the nurse away from me and ran for the door. The door automatically locks, and I tried to break through the door several times. My director got me to calm down and I left through another door but I was crying by that time.*

My manager caught up with me when I went to collect my things to get out of there. She offered me a ride home. I told her I was fine... I found out I was not the first to have a bad reaction. Someone actually passed out yesterday. She told me she had a bad reaction, and she went with me to make sure everything went OK. Anyway, I feel OK now.

There is a COVID outbreak at work, the department of health is somehow involved but I don't know the details. Last night, because so many of the staff have tested positive, some symptomatic and others asymptomatic, but it does not matter, they quarantine you, meaning you cannot go to work for 2 weeks minimum when you test positive.

I feel like everything will be OK, no matter how things turn out..

PS: *OK I found out something about the COVID testing this morning. MANY other people have had bad reactions to it. They have grabbed the swab out of their nose, grabbed the person taking the sample, pushed or shoved the person taking the sample, several broke down and cried. We are talking about medical personnel here. So no no one thought much about my reaction to this procedure....*

COVID-19: The Most Amazing Virus—EVER !!!

The key features of this truly phenomenal virus are as follows:

Influenza, measles, heart disease, cancers and most other diseases are all abolished in the Covid era as is ‘death from natural causes’... COVID-19 is the cause of every death in 2020 and beyond...

It's a smart virus, highly virulent in parks, gyms, churches, schools, and on beaches...

It has no effect on the thousands of employees who work at Walmart, Kmart, Home Depot, Lowe's, Target, Sears, Macy's and especially those who work in liquor stores...

The virus seems to target mostly Mom and Pop businesses and barber shops, who have far fewer customers walk through their doors...

The virus also targets our food chain, since it managed to close meat-packing companies and forced farmers to discard their harvest in record time...

In the USA, construction and supermarket workers, and especially Amazon employees and their vehicles, somehow have a natural immunity but will obviously still need to be vaccinated...

It doesn't affect children, except for a few who got it... same with animals...

It also does not affect anti-American rioters, looters, arsonists, murderers and terrorists who work for George Soros and the DNC... BLM, AntiFa and SUNRISE anarchists are particularly immune to this crafty virus.

However, anyone who goes to a Trump Rally, or who is a not a registered Democrat, is quite likely to be a super-carrier of a 'Conservative Covid strain'! They should be quarantined indefinitely! That virus is the most feared of the contagious strains lest it infect the rest of the American population. Yes, the so-called super-spreaders must be segregated from society practically forever...

The virus is also imposing mandatory face masks on everyone to prevent too much oxygen from getting into people's brains...

Spraying beaches and streets with bleach, as well as spraying chemical airborne disinfectants from airplanes over densely populated areas, have been known to do miracles for people's lungs affected by this very strange virus...

And we need to commandeer all private hospitals to keep them open solely for the avalanche of virus victims, and the avalanche of TikTok videos by overworked heroic doctors and nurses...who have time to dance and sing on their ICU units...

Categorized as an 'invisible enemy', and one that can never be definitively beaten... and always lurking in the shadows

The Intertwined History of Myelitis and Vaccines

By the Children's Health Defense Team

Although 38 Covid-19 vaccines are now undergoing [clinical evaluation](#), a handful of candidates have been at the head of the pack from the beginning, including the vaccine developed by Oxford University in tandem with the British biopharma giant

AstraZeneca. Helped along by a whopping [\\$1.2 billion](#) infusion from U.S. taxpayers and [\\$750 million](#) from two Bill-Gates-backed global health organizations, Oxford's assertive grab for frontrunner status has been reinforced by a friendly media, such as CBS's recent statement that the Oxford vaccine "is [widely perceived](#) to be one of, *if not the strongest contender* among the dozens of coronavirus vaccines in various stages of testing" [emphasis added].

Oddly, CBS furnished this ringing endorsement shortly after Oxford and AstraZeneca called a temporary halt to their clinical trials in five countries. **The brief hold was prompted by a UK participant's report, after her second dose of vaccine, of a serious adverse event—a demyelinating condition called [transverse myelitis \(TM\)](#)**

associated with pain, muscle weakness, paralysis and bowel and bladder problems. Two-thirds of those who experience TM remain permanently disabled. Belatedly, AstraZeneca also disclosed that the September pause was actually the *second* time-out in two months. The first incident, which initially went unpublicized, occurred in July when another UK participant experienced TM after one dose of vaccine and ended up with a brand-new diagnosis of multiple sclerosis (MS). TM is well recognized as sometimes being “the first symptom of an autoimmune or immune-mediated disease such as multiple sclerosis.”

In the U.S., the media and top National Institutes of Health (NIH) officials hastened to spin the two pauses as par-for-the-course.

According to the *New York Times*, not only did AstraZeneca “not immediately inform the public about the neurological problems of either participant,” but it did not say anything publicly until “the information was leaked and reported by STAT.” <https://www.statnews.com/>

Schools must prepare for 50 per cent rise in students with disabilities: report

By Jordan Baker
September 2, 2020 – 11:55pm

A A A

The number of students with disabilities in the public education system is predicted to grow by 50 per cent in the decade to 2027, and they will need twice as many specialist teachers and thousands more support classrooms.

Six new special needs schools will also have to be built every year if diagnosis and enrolment rates continue and policy settings do not change, modelling by Boston Consulting Group (BCG) for the NSW Department of Education found.

The confidential report, obtained under freedom of information laws

Modelling predicts a 50 per cent increase in the number of students with disabilities in NSW schools. QUENTIN JONES

<<Shouldn't we be questioning why this is happening? Schools Must Prepare for a 50% Rise in Students with Disabilities by 2027-- Autism Cover-up Exposed

Today, I am calling all women, to hear this news, let it permeate deep down to the core of their primal instincts, and say, *enough is enough*.

As citizens of this nation, we cannot rely on corporate-sponsored news media for the truth. We must source it from trusted independent outlets, informed experts, and even going to the available science, ourselves. It is time to reclaim our health, and that of our families, once and for all.

I have written about a known 4250% increase in fetal demise during the 2009/10 flu season, about evidence-based risks of the pertussis vaccine pushed on pregnant women, about Gardasil killing healthy girls across the globe, fear mongering about SIDS that is actually caused by a visit to the pediatrician, and of the corruption of an infant's birthday by the Hepatitis B vaccine.

After Dr. Brian Hooker's requests through the Freedom of Information Act for original MMR

study documentation, a CDC Immunization Safety Researcher, Dr. William Thompson has buckled under the pressure of his conscience, and come forth as

a whistleblower. These documents demonstrated a 3.4 fold increase in the incidence of autism in African American boys, expunged from the final study results, in a violent act of scientific fraud. In light of a 2004 letter confirming CDC awareness and suppression of these findings, CDC head, Dr. Julie Gerberding committed perjury before moving onto her position at Merck in the Vaccine Division. Dr. Hooker has published the unadulterated finding [here](#). As parents around the world have known for 7 decades, and basic science has supported, vaccines do cause autism. Despite the defiance of the CDC in its refusal to conduct that most basic of studies, a retrospective case-control investigation of autism rates in vaccinated versus unvaccinated children, [science](#) has been supporting the connection for years.

What the Bruesewitz v. Wyeth Vaccine Supreme Court Legal President Means for American Families

By Louise Kuo Habakus and Mary Holland, JD--Imagine your child was hit by a reckless driver and catastrophically injured. Cognitive impairments, seizures, problems with walking, eating, talking – you name it. You find out who the driver was, and you sue the driver for damages – but you can only sue in a “special driving court.” Cases in this court usually take years, sometimes more than a decade. For ten years, you and your child struggle to make ends meet to pay for all the healthcare bills. Finally, the special court issues a ruling. **Against the weight of the evidence, without affording you discovery or a jury of your peers, you lose. You’re out on your ear, even though the driver has a massive insurance policy for just such accidents.**

You dust yourself off and sue the driver in a regular court, because you have that right by statute – and the regular court says, “No, the special court is good enough for you; no regular courts for those injured by reckless drivers.” So you appeal that decision to the court of appeals, and you lose; and then you appeal again to the U.S. Supreme Court, and you lose again. For almost twenty years, you’ve been fighting just to get fair compensation, only to learn that the Supreme Court would rather protect reckless drivers than your innocent child.

If you re-write the first sentence to “imagine that your child was injured by a badly designed, federally-recommended vaccine,” you have the essence of the *Bruesewitz v. Wyeth* decision that the U.S. Supreme Court handed down in 2011.

Hannah Bruesewitz, as an infant, suffered catastrophic seizures and brain injury within hours of a diphtheria-pertussis-tetanus vaccine that was pulled from the market several years after her injury because it was insufficiently safe. Hannah has devastating injuries from which she will never recover. Her family had no choice but to go to the Vaccine Injury Compensation Program, a very “special court” if ever there was one. The family litigated there for ten years, losing a case that common sense, science, and decency say they should have won. In 2011, the U.S. Supreme Court tells them that there is no court – no court in the land – that may hear their case.

The case was decided on February 22, 2011. The Court, in a 6-2 opinion by Justice Antonin Scalia, held that the "plaintiffs design defect claims [were]

expressly preempted by the Vaccine Act." Thus, the court affirmed laws that vaccine manufacturers are not liable for vaccine-induced injury or death if they are "accompanied by proper directions and warnings." [2]

This Supreme Court decision is a betrayal. It betrays American parents and children. No parents should be compelled to subject their children to "unavoidably unsafe" medical interventions, which are mandated by every state in the country as a requirement for school admission, and then have no direct recourse against the manufacturers when the products could have been made far safer, as was the case in *Bruesewitz v. Wyeth*. This decision violates the intent of Congress and appears to be a policy decision to shield the U.S. government and the pharmaceutical industry from the prospect of real trials seeking to prove that federally recommended, mercury-containing vaccines caused autism in some children.

Vaccines carry grave risks. Parents vaccinate their children believing that the government will compensate them if their child is "injured in the line of duty" as they uphold the public health. The 2011 *Bruesewitz* decision changes all that. If your child is injured, the Supreme Court states that You're On Your Own (YOYO). This is like the doctrine of *caveat emptor*, buyer beware, only infinitely harsher. Parents have no real choice when it comes to state-mandated vaccination—if they refuse, no daycare, no schools, and sometimes even no medical care for their children. So it's not just buyer beware. It's "families have no civil rights when it comes to childhood vaccines."

With *Bruesewitz v. Wyeth*, the Supreme Court has fired a metaphorical shot across the bow. Hopefully parents are now likely to think twice about vaccines. Some will weigh their rights more carefully, including their rights to religious, philosophical and medical exemptions from vaccination mandates. The Supreme Court has violated the social contract. We urge Congress to step in, overrule the Supreme Court's misguided decision, and restore the right of civil suit. But in the meanwhile, when it comes to federally recommended, state-mandated vaccines, remember -- YOYO.

The COVID Danger You Haven't Heard About--Disinfectants, hand sanitizers, and sanitizing wipes being used by households and businesses to protect against the COVID-19 virus

October 1, 2020-- **Action Alert!** Some researchers are [raising the alarm](#) about quaternary ammonium compounds, or quats, that are commonly found in the disinfectants, hand sanitizers, and sanitizing wipes being used by households and businesses to protect against the COVID-19 virus. Quats are being linked with fertility problems as well as other endocrine disrupting effects. We must demand that these chemicals be pulled from the market so they can be studied properly for safety.

Animal studies and cellular studies are demonstrating the harm these chemicals can cause, and our exposure to them is increasing dramatically on account of the COVID-19 pandemic. For example, in Maricopa County, Arizona, restaurants are

required to sanitize customer areas after each sitting with disinfectants, including the table cloth, chairs, table tops, and condiment holders. Grocery stores are spraying and wiping shopping carts after each use. These chemicals are everywhere. Quats stay active on surfaces for up to two weeks.

The Environmental Protection Agency has given industry a pass on these chemicals for decades. Quats entered the market in the early 20th century, before legislation was passed in 1976 allowing for the regulation of potentially dangerous chemicals. Because quats were on the market when the 1976 Toxic Substances Control Act was passed, they were allowed to stay on the market without being evaluated for safety. The EPA is currently updating risk assessments for quats, which will be released for public comment in 2021. **How many of us will have been exposed to unsafe levels of these chemicals by then, given their extensive use in public and private spaces?**

Quat disinfectants aren't only dangerous, they are unnecessary. **Soap and water is sufficient to protect against the coronavirus.** Additionally, rubber gloves can be worn when shopping to protect the skin, but this won't protect against sprayed droplets in the air. The EPA needs to act now by pulling these chemicals from the market. At the very least, the EPA should remove these chemicals from the **list of approved disinfectants** the agency recommends for COVID-19, which currently includes 235 quat products.

As we've been writing over the past few months, this isn't the only example of simple and safe solutions to protect us against COVID being largely ignored. **The FDA and the FTC are actively working to keep information from the public about how natural medicine can help protect us from COVID-19 infection. This is costing us lives and has to stop.**

Action Alert! Write to the EPA, telling them to pull quats from the market immediately given the increased use and the documented dangers of these chemicals. **Please send your message immediately. By sending this message, you will also be supporting our petition to ungag doctors so that they can share with patients the benefits of supplements and natural treatments for COVID.**

Take Action!

Quantum dot tattoos from Bill Gates to be invisibly embedded inside coronavirus vaccines

Thursday, September 17, 2020 by (Natural News) **Those who line up to get injected with Wuhan coronavirus (COVID-19) vaccines in the near future can expect to have their entire vaccination history permanently stored on some government server somewhere, thanks to the invisible quantum dot tattoos that Bill Gates is ensuring will be quietly embedded within them.**

A special dye containing nanocrystal quantum dots has reportedly been funded by Gates for inclusion into the jabs, emitting near-infrared light that can be detected using a specially equipped smartphone.

These quantum dots can supposedly persist for five years under the skin, which presumably has to be replaced with a new injection for another five years of stored vaccination history.

Developed by researchers at the *Massachusetts Institute of Technology* (MIT) with Gates funding, these new tattoos silently store people's health records without them even knowing it, a "Mark of the Beast" type of technological system that aligns with key provisions in the Affordable Care Act (ACA), aka "Obamacare."

This technology could enable the rapid and anonymous detection of patient vaccination history to ensure that every child is vaccinated.

A new study published in the journal *Science Translational Medicine* explains how the technology utilizes copper to make the medical records "on-patient," meaning inside their bodies and still readable by scanning devices that can detect near-infrared spectrum light.

"The dots are only about 4 nanometers in diameter, but they are encapsulated in biocompatible microparticles that form spheres about 20 microns in diameter," reports *Great Game India*.

"This encapsulation allows the dye to remain in place, hidden under the skin, after being injected along with a vaccine."

The way this dye is delivered is through a microneedle patch rather than a traditional syringe and needle. Like its name suggests, the microneedle patch contains a patchwork of microneedles that, when affixed to the skin, injects the "venom" with minimal pain or invasion.

The microneedle patch also dissolves on its own, its constituents being a mixture of simple sugar and a special polymer known as PVA. So once the job is done, it basically disappears with no visible waste, making it "sustainable" in the eyes of Gates and his supporters.

All of this is a dream come true for Gates, who seems to have been waiting his entire life for this moment to unleash what amounts to tracking chips for the "human cattle" of the world – all disguised as a "vaccine," of course.

How this all ties into President Trump's "Operation Warp Speed" (OWS) program for fast-tracked Wuhan coronavirus (COVID-19) vaccines remains to be seen. Will all of them contain the quantum dot tattoos being pushed by Gates, or will it just be some of them?

Another point of concern is the "Trust Stamp" technology also funded with Bill Gates cash. The Trust Stamp is already being implemented by Mastercard and GAVI as a type of biometric digital identity program, which appears to directly coincide with quantum dot tattoo technology.

"The program said to 'evolve as you evolve' is part of the Global War on Cash and has the potential dual use for the purposes of surveillance and 'predictive policing' based on your vaccination history," reports further indicate.

"Those who may not wish to be vaccinated may be locked out of the system based on their trust score."

Video featuring Robert F. Kennedy Jr. and Dr. Andrew Kaufman that explains exactly what is in the Gates/Fauci covid19 vaccine (Gates bought the patent 5 years ago in 2015) currently being developed by Fauci's own vaccine company, Moderna

Most of the vaccines currently under process by big pharma are likewise mRNA vaccines, a type never before used on humans.

The Gates/Fauci vaccine against covid-19 is no ordinary vaccine. It uses three needles, two of which are electrodes that will alter the DNA of every cell in the body.

have bypassed all required phase-one animal testing, normally a 10-year testing requirement, as well as human safety testing. This assault on our bodies will likely be issued as mandatory, since it is being developed under emergency powers. Trump's attorney, Alan Dershowitz, (Demon Seed) has stated categorically that "you have no constitutional right to refuse a vaccine". Republicans amended the Democrat's bill to track and surveil all Americans in our homes. Their main concern about this latest stimulus bill (which includes the HR 6666 Trace Act) is to indemnify those doctors who may injure you with the countless mandatory vaccines being planned.

Definition of *indemnify*: to [secure](#) against hurt, loss, or damage

In other words, neither party is demonstrating any interest in protecting the health or civil liberties of American citizens. They are interested in protecting the profits of insurance companies.

There now exist five proven cures for this virus, in wide use throughout the world but falsely maligned in the US, all of which are safe, effective, cheap and available. (IV Vitamin C, Interferon alpha B, ivermectin, hyperbaric oxygen therapy, and hydroxychloroquine and zinc, which has been in use safely for 30 years)

Big Pharma cannot make money from any of the proven cures – which explains their temper tantrums and demand for useless but expensive vaccines. Useless, because in 30 years of research scientists have never been able to create a corona virus vaccine that worked and was safe for humans.

The Coming Covid-19 Death Vaccine--Community and World United, We Say No! (ChildrensHealthDefense.org) has released a powerful video carrying a message of unity for humanity. The video calls on health freedom advocates to #standfirm against mandatory vaccines and to reject the vaccine mandates being pushed by bureaucrats and vaccine industry mouthpieces who seem to care nothing about safety.

Via ChildrensHealthDefense.org:

Children's Health Defense is proud to stand with all of these organizations and countries (below) as we work together to pushback on medical mandates, unsafe vaccines, and increasingly totalitarian governments.

In the coming months, these issues will be front and center in discussions around the world as people decide whether to cling tightly to their freedoms or blindly follow whatever edicts are put in place by corrupt government officials and profit-driven corporations.

The making of this video was accomplished through the teamwork of organizations and individuals who will not stand by and watch liberty be stripped away from citizens little by little until total tyranny reigns.

Please join us in standing up and demanding that our individual and medical freedom rights are forever protected. The time to be courageous is now.
