2020 STRATEGIC WARFARE PRAYER!!!!

Father God in the name of Jesus Christ we nullify, dismantle, cancel and forcefully oppose all satanic operations, maneuvers, manipulations, subversions, strategies, tactics, plots, plans and ploys, which are designed to hinder, prevent, frustrate, foil, deny or delay God's original plans and purposes, from their quick, swift and speedy manifestation taking place in their correct time and season. (Daniel 7:25) **We rebuke and dismantle all satanic alliances and confederations. Let every evil covert and clandestine effort and endeavor fail. Cause the news media to be caught in their lying and manipulation so that only the truth is manifested.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We decree that every satanic strategy of inhibition, prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We declare all invisible and visible walls of opposition, restriction and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Oh God confound the devices and evil plans of the enemy that they have crafted, so that their hands are not able to perform their enterprise. Save those that can be saved O' Lord, but those that cannot be saved; overtake them in their own crafty and devious ways; let them fall into their own pits they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures**

designed destroy all of God's creation and defile the world. For this reason, was the Son of God made manifest, that He would destroy the works of the enemy. (John 2:15-17; Acts 16:16-19; 1 John 3:8) **We overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood.** (1 Timothy 1:18-20) **We overthrow spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17. We reverse the curses associated with all these ceremonies, rituals, utterances and plans to bring about a chaotic bloody revolution in America to usher in Martial Law and the New World Order.** We decree and declare that: Their plans shall be uncovered and shall not prevail; & their plans shall be frustrated and unable to achieve any impact; & their threatening's and violent verbal dealings are returned to them one hundredfold. **FATHER, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events, leading to the destruction of Your righteous seed.** (Isaiah 44:25; 2 Timothy 3:8) **Send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelation upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom to come upon them.** (James 1:5) **Cause them to be a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided; when they communicate let it be incoherent and misunderstood.** (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every spirit that is released from their diabolical assignment to be cast into the abyss, until which time they be cast into the lake of fire.** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) **Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they hit the bull's eye.** (Psalm 57:4) **Let the laws that govern this prayer and all spiritual warfare strategies and tactics, be binding by the Word, the Blood and by the Holy Spirit.** (1 John 5:7) **WE SEAL THIS PRAYER IN THE NAME OF JESUS CHRIST AND THE BLOOD OF THE LAMB, AMEN!**

PRAYER TO NEUTRALIZE OCCULT RITUALS

Beloved Holy Savior and Master, Lord Jesus, you are the sacrifice, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father. We honor your sacrifice on the cross, your resurrection and transfiguration volunteered for our salvation. We worship you, exalt you and magnify your name above every name. You are sovereign, supreme over all. You are worthy. You alone are worthy. We pledge our faith and love to serve you alone, forever. We claim your Word: James 4:7: "Submit yourselves therefore to God. Resist the devil, and he will flee from you." 2 Timothy 1:7: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." We

come in the authority given to us in Christ Jesus. We cover ourselves with the Blood of the Lamb. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We lift our shields of faith to interlock, standing foot to foot and shoulder to shoulder—a solid wall that cannot be breached or penetrated. We resist and renounce Satan, the god of this earth. We rise to war in the Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of your warring angels in full battle array, fiery swords drawn to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, dismantle, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agenda and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened. We break every curse, hex, spell, vex, enchantment, decree spoken or unspoken sent against the Body of Christ and your intercessors by every witch, warlock, Satanist, sorcerer, voodoo priest, shaman, brujo, bruja, soothsayer, medium, coven and every minion of the devil working iniquity; and send it back upon their own heads seven fold that they may repent and turn from their evil ways. Lord Jesus, reveal your love to them. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

This is a very powerful prayer against Witchcraft...with fasting even more powerful.. *This prayer can shut down Witches and Satanists forever.*

Father, In the name of Jesus Christ of Nazareth, we plead the precious uncorruptable blood of Jesus over the Body of Christ, the innocent, ourselves, our families and everything that belongs to us. We ask for giant warrior Angels (or whatever kinds of angels are necessary) to be loosed from Heaven to surround and protect us. As your war club and weapons of war we break down, undamn, and blow up all walls of protection around all witches, warlocks, wizards, satanists, and the like, and we break the power of all curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death, destruction, sickness, pain, torment, physic power, psychic warfare, prayer chains, and everything else being sent to the Body of Christ, the innocent, our way or our family members way, and we return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and we BIND it to them by the blood of Jesus Christ!

Father, we pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have now been set against themselves.. In the name of Jesus Christ of Nazareth we now loose them from all mind control of Satan!.. Father we also ask that you Bind the Holy Spirit to their hearts as a guide to your

**Son Jesus.. So that they may be set free from the bondages of Satan.
In Jesus name we pray...Amen**

++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalms 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil communications corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:

"Communications": companionship, communion

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." Samuel Adams

"The average age of the world's great civilizations has been two hundred years. These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to

complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage.” [Alexander Fraser Tytler](#)

Listener Comment--President Trump will come out of all of this as a Hero that will carry him to another 4 years as President of the USA--People will be shouting, FOUR MORE YEARS, FOUR MORE YEARS.....President Trump is in the hands of God, no question about that. God is the one who puts Kings, Monarchs, and Presidents in power, not Satan. Comment: Yes & God also let Hitler, Pol Pot and Stalin into power, but that did not make them an anointed instrument of Holy righteousness. President Trump will be fine and come out of all of this as a Hero, Let's think for a moment why I come up with this. Comment: Hold on, as here comes the admission of this delusional person openly and proudly admitting he has totally bought (hook, line and sinker) into the right/left paradigm (Coke/Pepsi, Yankees/RedSox, Democrat/Republican theater we see everyday). ++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

"We'll know our disinformation program is complete when everything the American public believes is false"

William Casey
CIA Director (1981)

First of the media and the Democrats can't continue to blame Trump for all these deaths, it will backfire on them now. People even those who don't like him are praying for him and praying he recovers **Comment:** What planet is this guy on? Have you seen the comments from the left

about this? Yes this is all part of the right/left theater, but he does not have a clue. As this goes on the President will gain favor and if he stays behind the curtain so to speak for a few days, his status will only increase in favor. Once again this will put a muzzle on the media and the democrats they cannot attack him as long as he is recovering and the country facing the unknown. **Comment:** Ahh yes once again validating the Q Movement and all the false "Christian" prophets and ministries out there saying Trump has been playing 5-D Chess this whole time, neglecting the fact he has also been destroying and enslaving this country with nifty things like the 5-G total surveillance/kill grid and the coming mandated Covid-19 vaccine (Just to name a couple)!!!!

Mic 2:10 Arise ye, and depart; for this is not your rest: because it is polluted, it shall destroy you, even with a sore destruction.

Mic 2:11 If a man walking in the spirit and falsehood do lie, saying, I will prophesy unto thee of wine and of strong drink; he shall even be the prophet of this people.

Jeremiah 48:10: "Cursed be he that doeth the work of the LORD deceitfully..."

Matthew 7:15: "Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves."

Jeremiah 17:5: "Thus saith the LORD; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD."

When he does finally recover and comes before the American People he will be a HERO!! His health will be verified as 100 percent and ready to resume His work as President and this can only help him. People will be shouting, **FOUR MORE YEARS, FOUR MORE YEARS.....**

Bro. Jim Pro. 3:5-7

Comment when I read that last sentence these verses instantly rushed into my thinking: **Isa 66:3** Yea, they have chosen their own ways, and their soul delighteth in their abominations. **Isa 66:4** I also will choose their delusions, and will bring their fears upon them; because when I called, none did answer; when I spake, they did not hear: but they did evil before mine eyes, and chose that in which I delighted not. **Isa 66:5** Hear the word of the LORD, ye that tremble at his word; Your brethren that hated you, that cast you out for my name's sake, said, Let the LORD be glorified: but he shall appear to your joy, and they shall be ashamed.

Hi Scott, Did you see the comments on this Dave Hodges video?, there is more worship of Trump than the Lord Jesus Christ!. Dave Hodges really does get me quite righteously angry these days!, he sits there wearing his Nike god clothing drinking Coca-Cola, selling his poisonous MRE ready meals or Anti Ageing cream at "Health with Dave dot com", has this guy looked in the mirror lately?. I reckon he's a sold out devil and wolf in sheep's clothing pointing everyone to the satanic trump agenda. His channel is like a shrine to Donald Trump, talk about a strong delusion!.

Subject: **Listener Comment: Dana Coverstone Warning**

Hi Scott, I recently seen a video of Dana Coverstone where he talked about how every morning he goes to his secret place where he has a altar with horns and grabs hold of the horns and prays. Well this instantly rang alarm bells and didn't seem right!, especially in consideration of the massive following Coverstone now has after his dreams went viral.

He also talks about Trump as if he's a man of God and advertises the prayer rallies with Johnathan "Con Job" Kahn and that Graham devil as if it is Holy and

righteous. I just wanted you to know that Coverstone has reportedly removed the video of him actually kneeling at his altar and grabbing hold of the horns!, this is denying the Lord Jesus Christ and the New Testament. We hold on to Jesus now, not horns!.

This would make an awesome teaching!, I'm going to link a video to you but i have only watched this video of this man speaking about Coverstone and i do not agree when he calls Coverstone "Potato head" but i'm linking the video for the scripture in relation to this issue.

Okay i've found a video of the altar but not the one where he is kneeling and holding the horns. I believe he has built for himself a altar which has left doors open and caused him to be deceived by an angel of light.

God bless in Jesus name.

Hi Scott, yes warning needed I reckon, but also my wife and I are praying for that "Horned Altar" to be removed or destroyed by God and for any Stongman/Stronghold to be broken and cast out in Jesus name. I notice Dana Has also set up a new YouTube channel and website with LLC, Copyright, Watermarked videos and PayPal. I guess his dreams are from an angel of light and also his church from what I can make out is 501c3.

PS: i just found this video of Pastor Dana Coverstone kneeling at his altar:

The 'Cross of Christ' vs. the 'Accursed Tree'-Part 1

By [Dr. Scott Johnson](#) | February 17, 2008

The 'Cross of Christ' vs. the 'Accursed Tree'-Part 2

The 'Cross of Christ' vs. the 'Accursed Tree'-Part 3

In this study we will look at the differences between the 'Cross of Christ' and the 'Accursed Tree' of the Bible. The cross symbol (in various forms) has been used both as a religious symbol and as an ornament from the dawn of man's civilization. Various objects dating from periods long before the Christian era, have been found marked with crosses of different designs in almost every part of the old world. The cross symbol was found in Scandanavia as the Tau cross symbolized the hammer of the God Thor. In Hinduism, the vertical shaft represents the higher, celestial states of being; the horizontal bar represents the lower, earthly states. The ankh cross and is from Egypt (which is a Tau cross topped by an inverted tear shape.) and is associated with Maat, their Goddess of Truth. It also represents the sexual union of Isis and Osiris. The use of a human effigy on a cross in the form of a scarecrow has been used from ancient times also. In historic times a human would be sacrificed and hung on a cross just the way the many Churches of the Christian religion depicts today. The sacrifice would later be chopped to pieces; his blood and pieces of flesh were widely distributed and buried to encourage crop fertility. The first crucifixion scenes didn't appear in Christian art until the 7th century by the Catholic Church. The original cross symbol was in the form of a Tau Cross and it was so named because it looked like the letter tau or our letter 'T'. The Catholic Church copied (& later modified) this symbol from the pagan Druids, who made crosses in this form to represent the Tau god. This was done so those that worshipped this pagan god Tau would come into the Catholic Cult.

Deception Afoot: Maitreya & 'Master Jesus' AKA: Esu Immanuel Sananda-Part 3

Share International is now advertising Maitreya's emergence on the The History Channel, Rush Limbaugh, Nancy Grace, Anderson Cooper 360 & the Wall Street Journal. Maitreya seems to have a strangely similar "share and save the world" agenda to that of Purpose Driven Pastor Rick Warren with his Global P.E.A.C.E. Plan and also President-elect Barack Obama with his Global Poverty Act and Universal Service Plan – men who apparently have no aversion to working with any or all of the world religions or non-religions to "save the planet".

Share International says Maitreya is coming with the satanic counterfeit "Master Jesus": "In collaboration with...& Maitreya, the Master Jesus is deeply interested in unifying the religious thought of East and West. According to the Plan, this will lead to the One Universal Church, uniting all peoples into the One Humanity...It is forecast that the Master Jesus will yet occupy the chair of the Pope of Rome, and that from that seat he will then be able to re-inspire and re-orient the whole field of Christian religion, diverting it from its present political and temporal trends, towards a more spiritual approach."

+2+ Listener Comment: This is the reply from my friend who sent a twitter about the hotel workers seeing "thugs" occupying numerous hotels around America

My wife and I stay in hotels up to 4 days a week for work. Over the last month we noticed hotels are filled with thugs. These are not cheap hotels (eg. Biltmore, Chinese Garden, etc). I asked the concierge at Biltmore Hotel why are there so many "thugs" in the hotel? She whispered that her friends at other hotels are seeing the same thing. Many hotels are filled with primarily thug-like people (the way they dress, behave and enormous amount of marijuana smoking inside hotels). They are not local, either. They are "visiting" from many places around the country. Other cities' most expensive hotels are also filled with thugs from out of town. The hotel manager candidly told me managers across the nation feel something is brewing. It's like they're in place for something. Managers are terrified to deny their stay. Somebody is paying millions for their travel, room and board expenses. I asked one of the thugs, "whatcha doing in town?" He responded, "changing the world."

The violent protests over the [George Floyd](#) incident were quite extreme – and that's putting it mildly – **but there are signs that what we saw this summer could be nothing compared to the protests that could be unleashed on the nation should Joe Biden not be the clear winner of the election.**

This is according to an investigative [report by Breitbart's Joshua Klein](#), **who says there is a vast coalition of leftist advocacy groups planning to launch a huge "resistance movement" across all 50 states to create mayhem that could potentially make the violent protests this summer look like child's play.**

The coalition leaders are expected to find a pretext to set off the civil unrest should their candidate not be the clear winner. And as usual, George Soros is bankrolling this effort.

One group behind this mess is the D.C.-based Leadership Conference on Civil and Human Rights, which is a beneficiary of Soros's financial support.

Their president, Vanita Gupta, said:

"There's going to be litigation, mass mobilization, policy options by governors, state attorneys general, members of Congress."

The executive director of another Soros-funded group behind the effort,

MoveOn.org's Rahna Epting, said:

"Will we be successful? We're going to fight like hell to make sure we are."

[What Can Women do for the Lord?-Part 2](#)

By [Dr. Scott Johnson](#) | February 3, 2008--In this study we will primarily be looking at the subject of: WHAT CAN WOMEN DO FOR THE LORD? & Women Pastors?—The Biblical Qualifications for Pastors, Elders, Deacons and Spiritual Overseers We will also be taking an in depth look at most common arguments some use to authorize women having Biblical offices that only men are supposed to hold; that being Deborah of Judges, The daughters & handmaidens who prophesize in Acts 2:17 & 18 & the Daughters of Philip Acts 21:8&9. There are two errors among Christians in regard to the woman's ministry: (1) Some teach that women can do anything, which is not Scriptural. (2) Others teach that women can do almost nothing, which is also is not Scriptural. Godly women have a large role in the work of God. Though they have limitations and there are some restrictions upon their work, these are restrictions given by the Word of God; and in this study we will be endeavoring to present these with the rationale behind why these restrictions have been given by the Lord.

Subject: Increasing Testosterone

Could you send me a bottle of testogain? **And do you suggest anything else to increase muscle mass for a 60 year old guy who wants to lift hard?**

Dr. Johnson's Response: Jerry: Yes (in addition to the content I posted immediately below this), I really need to do a study on this but I am telling you I feel I have found the key to increasing testosterone. I have literally had to back off taking the two products below (especially the Boron) as mine is going too high (and I am 51 and am on zero drugs, steroids or TRT). People (Including my own daughter) think I am on steroids) and I am telling you it is just from the zinc and boron. I am not even taking the Testogain. For me the key is keeping your liver and gallbladder clean and the two products below. Testogain would only help even more. See the 2nd attachment as well but I have not added the boron info to it yet.

Trace Minerals Liquid Ionic Boron 2 oz. If you want to increase testosterone 4-6 full droppers per day (splitting up the dosages work better)—Personally I am probably only going to do 3 full droppers per day as I can't handle a lot more, so please bare this in mind. Testosterone affects men differently.

Subject: Male Hormonal Enhancement Supplements

What supplements (if any) do you recommend for male hormonal health/erectile dysfunction? Your help/advice is welcome.

Thank you and God bless, M

Dr. Johnson's Comment: I have been doing a lot of research in the area of male hormonal health recently. I have come to the conclusion you have to really do 3 things: 1) make sure the liver is clean (as that is where all the hormones in the body are processed, 2) you have to lower the estrogen levels in men as "they" are trying to do everything to feminize men with toxic estrogens called xenoestrogens and 3) you have to raise Testosterone levels. I have found some amazing products to do all this:

For a full body cleanse with an emphasis on liver and gallbladder I recommend:

[Livotrit Plus \(180 T\)](#) --3 capsules twice a day for one bottle which is a full one month liver and gallbladder detox

[Beta-TCP™ \(180 T\)](#) --3 capsules twice a day for one bottle which is a full one month liver and gallbladder detox

[Davinci Labs HEPATICLEAR 60 capsules](#) —Dosage: 3 capsules twice a day for three bottles which is a full one month liver and gallbladder detox

To lower the estrogen levels: [Douglas Labs EstroQuench 120 Capsules](#) 4 a day for the first month then 1-2 a day

To increase Testosterone: [Douglas Labs TestoGain 120 capsules](#) 4 a day

++ Also take: [Cytozyme Orchic \(100ct\)](#) 3 a day

For low energy add in: [Douglas Labs Adreno-Mend 120 capsules](#)

++For more information or to order just email Dr. Johnson at:

drjohnson@ix.netcom.com

Dr. Johnson's Comment: Also While I don't carry this, this product works:

L. Reuteri Improves Sex Drive

A 2014 study published in the PLoS One journal revealed a link between L. reuteri and testosterone.

Laboratory mice that ingested L. reuteri-fortified water exhibited higher levels of serum testosterone levels as well as an offset in gonadal aging.

More testosterone means a higher drive in bed, along with improved body composition and motivation.

Furthermore, the probiotic is also known to increase the hormone oxytocin.

This has been colloquially known as the "feel good" or "love hormone".

<https://www.youtube.com/watch?v=CmjCcNCxRU8>

Jer 51:30 **The mighty men of Babylon have forborn to fight, they have remained in their holds: their might hath failed; they became as women:**

Chemical Gender Manipulation: Turning boys into girls. Warning: This article is not politically correct

02/21/2016 - Over the past ten years I have received a massive increase in phone calls and letters from people who either have family members or themselves who have been suffering from estrogen dominance. What this does in men is cause lowered testosterone, enlarged breasts, increased body fat, depression, loss of libido and andropause...all symptoms which were basically unheard of fifty years ago.

In the case of estrogen dominance in women, it is usually combined with an increased rate of fibroid tumors, irregular periods and breast or ovarian cancer. Parents call in complaining or asking for help with young boys and male teenagers who are dealing with estrogen dominance symptoms. Their symptoms are slowed maturation, confused gender identity, much smaller reproductive organs and an issue of increased trans-gender identification.

Young girls with estrogen dominance usually start their period very young (some have been known to start as early as three years of age). This starting of the period at an early age is usually accompanied with weight gain...sometimes to the extreme.

The big question is "Why is this happening?"

Several years ago, I wrote an article that centered primarily on andropause and reduced sperm count which caused infertility.

Today, I am addressing what I believe are the root causes of these issues, and what we can do about them. The root cause of this is so awful that it grieves me to right this. The problem is...it is fact, not theory. This makes it all the more difficult to write about since it is affecting so many individual lives and the lives of families.

In his book, **Brave New World**, Aldous Huxley discusses the estrogen dominance problems which are caused by the elite globalists as a form of population control...which is literally chemical warfare.

Years ago and to this day, the Rockefeller Foundation was heavily involved in the promotion of eugenics. This is the science of planned depopulation control. This included forced birth control and sterilization to reduce the world's population.

There are two ways that eugenics can be achieved:

1. Increase the death rate. Done!

2. Decrease the birth rate. Done!

Back in the 1940's, the Rockefeller companies introduced plastics into the Eco System. They knew when they did so that many of the plastics were xenoestrogens, which if consumed by humans, would feminize males.

Always remember that gasoline is a by-product of the petro chemical industry.

Oil companies earn thousands of dollars per barrel by making xenoestrogens in the form of cosmetics, perfumes, drugs, plastics, fertilizer, weed killer, detergents...and the list just goes on and on.

Again, many of these plastics and compounds being used today are known as xenoestrogens. If absorbed into the skin or taken internally, they react in the body as estrogen. This increase in estrogen, in many cases, is the root cause of the problems already mentioned.

I include in the xenoestrogen category most plastics, especially those that contain BPA, Round Up, Atrazine, hand sanitizers, makeup, and petro chemical soaps, like Dawn.

This short list is only a few of the actual list which is in the hundreds, if not the thousands.

The following is a quick, simple lesson on brain chemistry. A little known fact I learned in Neuro Chemistry while in school at Florida State University is that in mammals, including humans, all offspring initially have a female brain...including boys.

Females have two of the same kinds of sex chromosomes (XX), and are called the **homogametic sex**. Males have two distinct sex chromosomes (XY), and are called the **heterogametic sex**. During the utero cycle, the "Y" chromosome signals the mother to release testosterone. This increase in testosterone causes the babies ovaries to become testicles and changes the female brain of the male infant to the brain of the male.

Or, at least, that is what is supposed to happen. Remember, it takes a required amount of testosterone from the mother to do this change. Testosterone and estrogen are antagonists, and one can dominate the other.

If too much estrogen is present, then the testosterone cannot do its job properly.

If a pregnant human female is exposed to this onslaught of estrogen mimickers, then in many cases sufficient testosterone cannot be released to make the male fetus a fully developed male. When this happens, the brain will remain female. It will not become a male brain. And, in many cases, reproductive organs in the male are extremely small. The result will be a feminized boy with a female brain and small genitalia.

Basically, a woman in sort of a male body...a metro male.

What a mess all this becomes when men play God with nature. These half men and half women act and think like women. In many cases, but not all, they are attracted to men, and some want to wear makeup, dresses and women's jeans. This is not a joke or a subject for ridicule, for these men were literally chemically castrated in the uterus.

Huxley referred to this as the chemical warfare plan. I must admit, it has worked very well.

Again, what I am discussing here is not a conspiracy, but it is a biological and chemical fact. The goal of the globalists, by their own statements, is to reduce the world's population. They will do this by using the following:

1. Sterility
2. Separation of males and females
3. The breaking up of the traditional American family
4. Gender manipulation and confusion of sex identity
5. Higher and higher divorce rates

Several years ago, as part of its continual obfuscation campaign, The American Chemical Association banned the use of BPA in baby bottles. This was a joke, as it was never readily used in baby bottles. But, they failed to ban the use of BPA as a liner in cans and in water bottles. Comment: See Scott Johnson's studies where he has covered BPA here: <http://www.contendingfortruth.com/?s=bpa>

I will also mention that plastic wraps used in microwave food contain phthalates, another potent estrogen compound. This plastic literally melts into the microwaved food, loading it with estrogen.

Taking all this a bit further: We are mammals and we release pheromones. These pheromones are used to attract men to women. The pheromones are picked up through the olfaction glands. There is a reason that cowboy westerns were so big fifty years ago. In those days, most women wanted tough, rugged men. Most of the men wanted to be tough, rugged guys.

However, when women are on the birth control pill, their body is chemically placed into a pregnancy mode. At this point they want a nurturing, fatherly type for a mate. This is just basic hormone chemistry. Many women who are on birth control pills end up marrying metro males, which then produce more metro males.

Please remember, I am not singling out anyone in this article, but am giving you the facts in reproductive biochemistry. Birth control pills were originally released to the public through the eugenics program.

This cycle has now gone on for over sixty years.

No One should be chemically sterilized against their will or without their knowledge.

Our glandular system or endocrine system consists of several glands. They include the thyroid, pituitary, hypothalamus, adrenals, testicles for men, ovaries for women, and the pineal gland. Now, I am going to discuss a few endocrine disruptor's and their effect. Fluoride, bromide, iodine, and chlorine are all halogens. The fluoride is in our tooth paste, bromide is in baked goods, chlorine is in our water. Iodine is used by the thyroid. When these other halogens are consumed, the thyroid thinks they are iodine and absorbs them. This is bad.

In the past, I have written exhaustively about this topic.

Heavy metals, including barium, aluminum, and lead are also endocrine disruptors. As I have discussed in earlier emails, I discovered both barium and aluminum in the air we breathe via testing of my rain water (via the chemtrails). If it is in the air, we basically aspirate these heavy metals into our lungs. **The lungs are a potent delivery system. That's why inhalers work so well.**

Even the municipally treated water and the well water is full of estrogen and pesticides. This onslaught just never seems to end. This is why I strongly suggest and personally use the [a Estrogen Blocker](#) and [purifying your drinking water \(see above\)](#) and a [shower filter](#) to clean the chemicals out of the shower water.

Years ago one study from the University of Pittsburgh showed one hot fifteen minute shower was the equivalent of drinking eight glasses of contaminated water. Remember, the lungs absorb the contaminated steam from the water. Another culprit is high fructose corn syrup. Atrazine, the weed killer, is liberally used on corn. This potent estrogen compound then contaminates the corn and the high fructose corn syrup. The run-off of this product, combined with Round Up, are two of the most polluting herbicides on the planet.

All of these estrogens are causing an ever-increasing andropause in men. This is when men go into male menopause from a lack of testosterone. Andropause was non-existent fifty years ago. This can easily cause depression in men, and it also decreases their libido. This lack of motivation can become systemic throughout their lives.

Many men resort to testosterone replacement therapy. My testosterone is normal. When I was forty, it was still that of an eighteen year old. I do not willingly expose myself to estrogens and I take an estrogen blocker supplement every day. Remember estrogen and testosterone are antagonists.

When these men are sufficiently depressed, they are given Prozac (fluoride being the active ingredient) and Viagra...What a combination! No one bothers to tell them that the Viagra can make you go blind and deaf. Men resort to taking all this, and potentially become blind, deaf, impotent, and depressed!

Another note about Viagra: It contains phylates...more estrogen.

The Rockefeller petrochemical industry is literally waging a chemical castration war on the men of our nation. Not to mention the massive increase of breast, ovarian, and infertility problems in women.

Even the use of bleached Tampons are affecting women as they contain xenoestrogens, and can change a female's hormonal profile....and, let us not forget about GMO foods, which cause sterility by the fourth generation.

So, what are some solutions to all this?

1. Purify your water and get out the fluoride.
2. Do not microwave with plastics, and better yet...do not use the microwave.
3. Do not use petroleum soaps, like Dawn
4. Never use Soy or Soy formula
5. Take an [estrogen blocker](#)...this is critical..I do so everyday.
6. Do not drink out of plastics
- 7 **Do Not use Viagra, but use [Douglas Labs TestoGain 120 capsules](#) 4 a day Also take: Also take: [Cytozyme Orchic \(100ct\)](#) 3 a day**

8. Do not get immunizations
9. Do not use birth control pills
10. Do not use bleached Tampons
11. Do not use bakery products containing bromide.
12. Take an **Iodine supplement** daily, this helps to maintain proper thyroid function.

[8 Ways Society is Feminizing the Human Male](#)

"We're on the fast track to extinction. In the past 50 years, sperm counts in men have dropped 50 percent, while the average man's testosterone and sperm count has plummeted 20 percent in just the last 20 years."

– Ori Hofmekler

Through years of research into health and nutrition, I've noticed that there exists a surprisingly large amount of constituents in our diets and environment that promote female characteristics in man. So many, in fact, that it's hard to imagine it is all occurring by accident.

Dr. Russell Blaylock, noted neurosurgeon and author of "The Blaylock Report," says "Hofmekler is absolutely correct when he says that all of us are being exposed to large amounts of estrogenic compounds which are wrecking havoc with our hormone levels," he said. "Studies show that xenoestrogens from plastics appear to cause premature menses in young girls. Soy isoflavones appear to increase aggressiveness and heighten antisocial behavior in monkeys and appear to feminize male animals."

Avoid all of the following high-estrogenic foods and you'll be the change the world needs and well on your way to abundant health!

1. Pesticides on Conventionally Raised Fruits and Vegetables

The pesticides sprayed on conventionally grown (non-organic) vegetables act as estrogens once inside the body.

Several preliminary studies of the actions of some pesticides on individual cells within a test tube (in vitro) show estrogen-like activity. On this basis, some synthetic pesticides such as dichlorodiphenyltrichloroethane (DDT), endosulfan, chlordane, dieldrin, and toxaphene, and related chemicals including the polychlorinated biphenyls (PCBs) have been classified as environmental weak estrogens.

2. Soy as a "Health Product"

The soy myth has already been exploded with an article from The Weston Price Foundation titled, "[170 Scientific Reasons to Lose Soy in your Diet](#)". Among the many reasons to avoid eating soy is that it is very high in estrogen and when consumed has powerful estrogen-like effects on the human body. High levels of estrogen in men can lead to gynecomastia — enlargement of breast tissue, water retention, female-pattern fat deposition and mood changes. High estrogen may also cause a decrease in testosterone, the male sex hormone.

3. Hormones in Beef

In the United States hormones are given to cows and other animals on feedlot farms to increase meat and milk production. When we eat them these compounds are then transferred to us. Once inside the human body these compounds have powerful estrogenic effects.

Triple Dose!

Not only do the hormones given to livestock act as estrogens once inside our bodies, but commercial livestock from feedlots are often fed a diet of soy that has been soaked in pesticides! That means when we eat conventionally raised meat we are getting a triple dose of estrogenic compounds.

1. Hormones given to animal.
2. Soy given to animal.

3. Pesticides used to grow the soy that was given to the animal.

4. Beer

“Prior to the German Beer Purity Act of 1516, beer almost never contained hops.”

– Stephen Harrod Buhner

In his book *The Natural Testosterone Plan*, Stephen Harrod Buhner writes:

“Hops is best known for its use in beer. The majority of physicians and men overlook its potent chemicals and do not realize that beer itself can significantly alter the male androgen levels. German beer makers noticed long ago that the young women who picked hops in the fields commonly experienced early menstrual periods.

Eventually, researchers discovered the reason – hops is perhaps one of the most powerfully estrogenic plants on

Earth. Just 100 grams of hops (about 3.5 ounces) contains anywhere from thirty thousand to three hundred thousand IUs of estrogen, depending on the type of hops. Most of it is the very potent estrogen estradiol. Estradiol, as it is taken into the male body, causes a direct lowering of testosterone levels in the testes and an increase in SHBG levels, which then binds up even more free testosterone in the bloodstream. The estradiol in hops has also been found to directly interfere with the ability of the testes Leydig cells to produce testosterone. The presence of this highly estrogenic substance in beer is not an accident.”

Now think of any beer advertisement you’ve seen. Isn’t it curious that despite the powerful feminizing properties of hops in beer, that it is being portrayed as a “Man’s drink”?

5. Television and the Feminization of Men

Many of your typical favorite male Hollywood celebrities have been portrayed as cross-dressers in at least one of their films.

We are witnessing a societal conditioning that appears to be normalizing and encouraging feminine behavior in males.

Brad Pitt	Dennis Rodman	Dustin Hoffman	Kiefer Sutherland	Oscar de la Hoya
Jude Law	John Travolta	James Franco	Robin Williams	Wayans Brothers

Also on television and movies, many males play a female gender role, where they live their lives always seeking the approval of their female person of interest. Entire plotlines of movies have been based around a guy trying to ‘win’ back a girl that he disappointed in some way. Why not depict male characters that are be better role models for men in our culture? How about depicting characters with a definite purpose, in pursuit of benefitting mankind?

6. Unsaturated Fats

The fats that the United States government recommends you eat are unsaturated vegetable oils. These oils are made mostly of soy, which is both one of the highest estrogenic plant biproducts in existence, and also one of the most heavily sprayed crops

with estrogenic-pesticides. Look on the label of virtually any processed food and you will find vegetable oil of some kind. All of these products are high in estrogen.

Most restaurants & movie theatres still use vegetable oils in cooking, but it's interesting to note that some movie theatres in the United States are beginning to once again use coconut oil for their popcorn, and some restaurants are switching to healthier animal-based saturated fats like beef tallow, butter, ghee and lard.

Saturated fats, such as the ones listed above, are used by the body to produce testosterone. So not only are we being encouraged to eat fats full of estrogen, but we are told that the very substances we need to produce testosterone – cholesterol and saturated fat – are unhealthy and should be avoided. Conspiracy? Hmm...

7. BPA in Plastics

According to the website for the National Institute of Health, "Bisphenol A (BPA) is a chemical produced in large quantities for use primarily in the production of polycarbonate plastics and epoxy resins."

This class of chemical known as a Xenoestrogen is feminizing the world's population by mimicking estrogen in the human body.

The chemical companies produce around 700 billion pounds of this poison each year and it leeches from cans, bottles and packaging into the

food and water supplies.

Statistics taken from urine samples indicate over 93% of American's currently have BPA in their bodies. Dr. Hugh S. Taylor, M.D. of Yale University revealed at a press briefing that male mice exposed to BPA showed reduced sperm production and increased prostate size. Environmentalist Bruce Lowry describes the side effects we're seeing from exposure to BPA. "Things like Attention Deficit Disorder, Childhood Obesity, Asthma, Autism, and then a whole range of Cancer's that we're seeing too – Brain Cancer, Liver Cancer, Prostate Cancer. "

Sources of BPA to avoid:

Receipts, Water Bottles, Children's Toys, Canned Foods, Canning Jar Lids, Microwave Popcorn Bags, Pizza Boxes, Toilet Paper, Soda Cans, Beer & Wine, Eyewear, CDs & DVDs, Blenders and Food Processors, Car Parts.

8. Phthalates in Scents

While BPA mimics estrogen, phthalates block testosterone action.

So not only do we have abundant chemicals in our food supply that act in the same manner as estrogen, but now we have a chemical that inhibits the body's use of what little testosterone we have left.

Studies in male animals exposed to pthalates have found reduced sperm production, undescended testes, hypospadias, and decreased testosterone production.

Sources of Pthalates to avoid:

Shampoos, Colognes/Perfume, Deodorant, Hair Spray, Body Lotion, Makeup, Glade Plug-ins and other Air Fresheners.

Seven ways to naturally boost DHT levels for maximum testosterone health

by Jonathan Benson, staff writer

(NaturalNews) It's the master hormone that makes a man uniquely manly -- DHT, or 5 α -dihydrotestosterone, the strongest of the male hormones that's absolutely critical for healthy testosterone balance. Chances are, if you're a man living in the modern West, your levels of DHT are *too low* due to the hyper-feminizing effects of pharmaceutical drugs, plastics chemicals like bisphenol A (BPA), herbicides such as Monsanto's Roundup (glyphosate) and many other chemical pollutants.

Maintaining your manhood in today's world is nothing short of an uphill battle, in other words. But there are some formidable lifestyle changes you can make right now to get yourself on the right track to better health.

1) Belly fat is the number one enemy of testosterone and masculinity. Unlike other forms of testosterone, DHT can't be converted by the aromatase enzyme 5-alpha-reductase into estrogen. This is one of the reasons why DHT exerts up to a three times stronger androgenic effect, and a 10 times stronger anabolic effect, inside a man's body compared to other forms of testosterone.

But DHT *can* be neutralized and rendered ineffective, and one of the biggest driving factors behind this process is *belly fat*. As explained by *Anabolic Men*, belly fat causes estrogen levels to skyrocket because it increases levels of not only 5-alpha-reductase, which destroys other forms of testosterone, but also

cortisol, a stress hormone that causes decreases in testosterone.

"[T]he enzymes located in adipose tissue ([fat](#) mass) literally neutralize DHT, breaking it down into a less potent byproduct, 5alpha-androstane 3alpha,17beta-diol," the site explains, referencing a study out of Canada that identified body fat as a perpetrator in decreased androgen levels.

2) Supplementing with creatine provides a major DHT [boost](#). In order to eliminate this damaging belly fat, men need to cut out things like sugar, alcohol, processed grains and synthetic chemicals that are prevalent throughout the American food supply, and start exercising more. *T Nation* is an excellent resource for learning how to do this properly, and the following article will get you started on this important journey:

T-Nation.com.

Supplementing with creatine is also helpful for boosting DHT levels naturally, as evidenced by the results of more than 70 peer-reviewed human studies. One such study published in 2009 found that a seven-day loading phase of creatine (three, 5-gram doses of high-quality creatine every day for seven days), followed by 14 days of creatine maintenance (one, 5-gram dose of creatine daily), resulted in an initial 56% increase in DHT, and another 40% increase above baseline after the 14-day maintenance period.

3) Sorghum naturally increases expression of 5-alpha-reductase. You'll sometimes see it in gluten-free grain preparations, but sorghum acts as a whole lot more than just a wheat replacement. Studies have shown that sorghum helps amplify the expression of 5-alpha-reductase, effectively boosting [DHT levels](#), which a 1996 study published in the *American Journal of Medical Genetics* says "is required for full masculinization of the external genitalia."

4) Avoid rice, fenugreek, saw palmetto and vegetable oils. On the flip side, you'll want to avoid foods that decrease expression of 5-alpha-reductase. Though some sources claim that 5-alpha-reductase blockers are somehow beneficial for [testosterone](#) production, this is a misconception, as these same products actually *reduce* DHT levels at the expense of other hormones.

5-alpha-reductase inhibitors to be avoided for maximum testosterone health include processed vegetable oils, rice, fenugreek, saw palmetto and finasteride (Proscar). If seeing saw palmetto on this list comes as a surprise, the following article explains in further detail why this popular supplement for men is actually causing more harm than it is good:

AnabolicMen.com.

5) Boron helps body produce more testosterone and DHT. Numerous studies have demonstrated the testosterone-boosting effects of boron, an essential trace mineral that lowers estrogen levels and increases free testosterone levels,

including DHT. Boron also helps reduce levels of sex hormone-binding globulin, or SHBG, in the blood, allowing more testosterone and DHT to bind to hormone receptors throughout the body.

6) Fat is good for you! Mainstream medicine is finally coming around on this one, but dietary fat, which has long been vilified, is what causes a man's body to produce the testosterone it needs to function at its most optimal. And no, we're not talking about trans fats, processed vegetable oils and other synthetic fats -- the oils that a man needs include [coconut oil](#), grass-fed butter, real olive oil, lard, avocado oil, palm oil and fish oil, all in abundant quantities.

7) Exercise. Study after study proves that the right kind of exercise is what a man needs for healthy testosterone production. All the healthy eating and supplementation in the world will have only minimal benefit if a man sits around all day on the couch watching sports rather than playing them.

"In a nutshell, here's what you should focus on if you want to boost both, testosterone and DHT: Sprinting, interval training, strength training, big weights, low reps, proper rest, and short intense workouts using big muscles and multi-joint movements," explains *Anabolic Men*.

[The Age of the Microchip is HERE: DARPA Biochip to 'Save' Us from COVID Can Control Human DNA](#)

The microchip has arrived. While many are still attacking anyone warning of the "coming Microchip" as a conspiracy theorist or religious fanatic, [that microchip has arrived](#).

But governments don't have to market the chip as a method to track, trace, and control their populations. Instead, they are marketing the chip as a way to track and detect COVID and other coronaviruses.

Raul Diego details the creation and coming rollout of the new biochip in his article, "[A DARPA-Funded Implantable Microchip to Detect COVID-19 Could Hit Markets By 2021](#)," where he writes,

The most significant scientific discovery since gravity has been hiding in plain sight for nearly a decade and its destructive potential to humanity is so enormous that the biggest war machine on the planet immediately deployed its vast resources to possess and control it, financing its research and development through agencies like the National Institutes of Health (NIH), the Defense Advanced Research Projects Agency (DARPA) and HHS' BARDA.

The revolutionary breakthrough came to a Canadian scientist named Derek Rossi in 2010 purely by accident. The now-retired Harvard professor claimed in an [interview](#) with the National Post that he found a way to "reprogram" the molecules that carry the genetic instructions for cell development in the human body, not to mention all biological lifeforms.

These molecules are called 'messenger ribonucleic acid' or mRNA and the newfound ability to rewrite those instructions to produce any kind of cell within a biological organism has radically changed the course of Western medicine and science, even if no one has really noticed yet." [\(Source\)](#)

This new technology amounts to the remote control of biological processes.

Diego continues:

In 2014, DARPA's BTO launched its "In Vivo Nanoplatfoms" (IVN) program, which researches implantable nanotechnologies, leading to the development of 'hydrogel'.

Hydrogel is a nanotechnology whose inventor early on boasted that "If [it] pans out, with approval from FDA, then consumers could get the sensors implanted in their core to measure their levels of glucose, oxygen, and lactate." This contact lens-like material requires a special injector to be introduced under the skin where it can transmit light-based digital signals through a wireless network like 5G.

Once firmly implanted inside the body, human cells are at the mercy of any mRNA program delivered via this substrate, unleashing a nightmare of possibilities. It is, perhaps, the first true step towards full-on transhumanism. [\(Source\)](#)

It is clear this project has support in the halls of the corporate world and the American government.

The private company created to market this technology, that allows for biological processes to be controlled remotely and opens the door to the potential manipulation of our biological responses and, ultimately, our entire existence, is called [Profusa Inc](#) and its operations are funded with millions from [NIH](#) and [DARPA](#).

In March, the company was quietly inserted into the crowded COVID-19 bazaar in March 2020, when it announced an [injectable biochip](#) for the detection of viral respiratory diseases, including COVID-19. [\(Source\)](#)

Diego writes,

The only obstacle is a delivery system, which though Moderna claims to be developing separately, is unlikely to get FDA approval before the federal government's own DARPA-developed hydrogel technology, in tandem with Profusa's DARPA-funded light sensor technology, which is expected to receive fast track authorization from the Food and Drug Administration by early 2021 and, more than likely, **used to deploy a coronavirus vaccine with the capacity to literally change our DNA.** [\(Source\)](#) Activists and concerned citizens need to stop talking about the “coming microchip” and how they will refuse to be chipped when the time comes. That time is now. **Soon, people all over the world are going to have a very difficult decision to make – take a microchip or face the consequences. Judging by the amount of people [walking around in masks](#) during my trips to the supermarket, I'd say the odds are not in the favor of free humanity. Most people [will line up for it willingly](#).**

[Coronavirus vaccine trial subjects report extreme exhaustion, shortness of breath, day-long headaches and shaking so violently that one of them cracked a tooth](#)

[\(Natural News\)](#) *Get ready for the depopulation kill shots that cause severe neurological damage and lobotomizes anyone that takes them. Even mainstream media outlet CNBC.com is now reporting that vaccine trials conducted by Moderna and Pfizer are producing extreme side effects in trial subjects.*

“High fever, body aches, headaches and exhaustion are some of the symptoms participants in Moderna and Pfizer’s coronavirus vaccine trials say they felt after receiving the shots,” [reports CNBC](#):

Luke Hutchison woke up in the middle of the night with chills and a fever after taking the Covid-19 booster shot in Moderna’s vaccine trial. Another coronavirus vaccine trial participant, testing Pfizer’s candidate, similarly woke up with chills, shaking so hard he cracked a tooth after taking the second dose.

High fever, body aches, bad headaches and exhaustion are just some of the symptoms five participants in two of the leading coronavirus vaccine trials say they felt after receiving the shots.

CNBC goes on to explain that the study participants then claimed all the pain, “was worth it.”

Does this sound like a “safe” vaccine to administer to hundreds of millions of people?

What CNBC isn’t saying, of course, is that all these symptoms — extreme exhaustion, long duration headaches and violent shaking — are signs of neurological damage happening in real time.

These are obvious signs that a kind of vaccine lobotomy is taking place, causing permanent, long-term neurological damage to the trial participants (who may already be brain damaged to begin with, as they volunteered for these medical experiments).

Fascinatingly, CNBC also explains that some people are deluded enough to raise their hands and actually volunteer to be used as human guinea pigs for these insane medical experiments:

Hutchison, a 44-year-old computational biologist in Utah, said he signed up for Moderna's phase three trial because he's healthy, physically fit and a big believer in vaccines. He specifically wanted to support Moderna's effort, as he was intrigued by the company's RNA-based approach.

CNBC says Luke Hutchison, "signed up to a coronavirus vaccine trial because he's 'pro science.'" It's almost hilarious, if it weren't so tragic. Little does he know that the vaccine cares nothing about *science* but everything about *profits*, which means rushing dangerous vaccines to market through the use of human medical experimentation that will no doubt kill some people along the way.

I doubt Hutchison will be feeling good about all this with his nervous system starts to disintegrate. But to each his own... People who think vaccines are rooted in "science" are in for a very rude awakening.

VACCINE SLAUGHTER: An estimated 500,000 sharks will have to be killed and harvested to create a coronavirus vaccine

By Robert F. Kennedy, Jr., Chairman, Children's Health Defense

Drug maker GlaxoSmithKline may need to slaughter half a million sharks to harvest squalene, an oil made in shark livers, to make a new line of COVID jabs. Glaxo mixes squalene with a witches' brew of proprietary surfactants to produce its controversial AS03 vaccine adjuvant. Adjuvants are compounds that amplify immune response to hyperstimulate the immune system. They are associated with a variety of autoimmune diseases.

Scientific studies have linked squalene adjuvants to Gulf War syndrome and to a wave of debilitating neurological disorders including epidemics of narcolepsy caused by Glaxo's H1N1 Pandemrix vaccine during the 2009 swine flu "pandemic." One study showed a 13-fold increased risk of narcolepsy in children who received Pandemrix.

End Time Current Events: 9-17-13 — Part 3

By Dr. Scott Johnson | September 17, 2013

Table of Contents:

- The majority of the following H7N9 information was gleaned from a June-11-2013 public meeting of the National Vaccine Advisory Committee—The vaccine will be laced with AS03 or MF59 adjuvants—What happens when Squalene is injected into humans?
- The Days Ahead—What to Expect and How to Prepare—Proactive Measures In the Event of a Pandemic—5000 Mild Silver Protein (M.S.P.) Suggested Therapeutic Dosing Guidelines—Plus Further Proactive Measures

The devastating cascade of brain injuries to children and health care workers forced the termination of that Glaxo vaccine after European governments used only a small fraction of the jabs they had purchased from Glaxo. A recent study links squalene to carcinomas. In a bizarre and reckless twist, Glaxo has revived the dangerous adjuvant as its hall pass to the COVID-19 money orgy.

The company said it would manufacture a billion doses of this adjuvant for potential use in coronavirus vaccines. Around 3,000 sharks are needed to extract one ton of squalene.

Shark Allies, a California-based group, said Glaxo will kill around 250,000 sharks to make enough AS03 for the world's population to receive one dose of its

COVID-19 vaccine. If, as expected, two doses are needed, half a million sharks must die.

Glaxo declared that it would be producing 1 billion doses of AS03 “to support the development of multiple adjuvanted COVID-19 vaccine candidates.”

Trump allocates billions of taxpayer dollars for “free” coronavirus vaccines But they aren’t “free” – If you get vaccinated for COVID-19 and develop serious injury or illness, YOU have to pay all your medical bills yourself & the vaccine companies cannot be sued!!

September 17, 2020 ([Natural News](#)) American taxpayers will be footing the bill for President Trump’s “Operation Warp Speed” Wuhan coronavirus (COVID-19) vaccines, as new reports indicate that the jabs are slated to become “free” for everyone who lives in the United States.

Because most Americans are skeptical about the safety and effectiveness of the chemical injections, the federal government’s plan is to subsidize them with taxpayer dollars to make them more appealing to those who are otherwise planning to reject them.

The Department of Defense (DOD) and various federal health agencies have put together a “playbook” for states and local municipalities to follow in gradually rolling out Wuhan coronavirus (COVID-19) vaccines once they become available. The Pentagon is also involved in the process, though reports indicate that “civilian health workers” will be tasked with administering the shots, first to the elderly and vulnerable, followed by everyone else.

According to a Centers for Disease Control and Prevention (CDC) report, the Wuhan coronavirus (COVID-19) vaccine campaign is “much larger in scope and complexity than seasonal influenza or other previous outbreak-related vaccination responses.”

The plan is to have everyone get two doses of the vaccine 21 to 28 days apart. Whatever double-dose vaccine a person gets will have to be from the same manufacturer, though many will be unveiling their own double-dose vaccines in the coming months.

The process will also be prolonged as vaccine production and distribution takes time. **Early supplies will go to essential employees and other vulnerable people, and latter supplies will be given to the rest of society in order of priority.**

The CDC’s Advisory Committee on Immunization Practices, the National Academy of Medicine, and various other organizations **are in charge of developing a priority schedule for the first phase.** The second and third phases will progressively expand the vaccine’s availability to the rest of the country.

States and cities all across the country have about one month left to submit their detailed plans for receiving and distributing Trump’s Wuhan coronavirus (COVID-19) vaccines. Once completed, the administration will start teeing up the supply pipeline accordingly.

Thanks to Trump’s earmarking of billions of dollars in taxpayer funding for the program, the hundreds of millions of Wuhan coronavirus (COVID-19) vaccines slated for the American market will be “free of charge.”

Once the fast-tracked clinical trials are completed, the Food and Drug Administration (FDA) is expected to grant emergency use approval for Trump's vaccines, which will immediately begin to ship out for mass distribution as soon as they come off the production line.

In order for the vaccines to work, "experts" say that at least 70 percent of the "herd" must get vaccinated. This could prove a tough sell, however, as most Americans seem to be indicating that the vaccine is a no-go for them – no way, no how.

People are especially concerned that vaccine corporations will bear no liability for injuries or deaths stemming from the jabs, and hospitals will likewise not be footing the bill for corresponding care.

"We are working closely with our state and local public health partners ... to ensure that Americans can receive the vaccine as soon as possible and vaccinate with confidence," stated Department of Health and Human Services (HHS) Secretary Alex Azar, a former Big Pharma executive appointed by Trump to his current role.

Percent who say they are likely to get the first generation COVID-19 vaccine as soon as it is available

Aug. 28 to Sept. 21, 2020

Axios-Ipsos poll: America turns against coronavirus vaccine

Data: Axios/Ipsos surveys. 1,100 U.S. adults surveyed Aug. 28-31, 2020, and 1,008 U.S. adults surveyed Sept. 18-21, 2020; Chart: Axios Visuals

The share of Americans eager to try a first-generation coronavirus vaccine dropped significantly in the latest installment of the [Axios-Ipsos Coronavirus Index](#), as President Trump hyped suggestions that one could be ready before the election. Six in 10 Americans now say they don't want to take a COVID-19

vaccine as soon as it's available, down from 53% at the end of August. Their reluctance also intensified. Only 9% now say they're "very likely" to take the first-generation vaccine, down from 17% in August; 33% say they're "not at all likely" to take it, up from 26%.

Judge: Pennsylvania's pandemic restrictions unconstitutional

A federal judge in Pittsburgh says Pennsylvania Gov. Tom Wolf and State Health Secretary Dr. Rachel Levine orders went too far. **The judge ruled in a court order that Wolf's closing of "non-life-sustaining" businesses and restrictions on gatherings during the COVID-19 pandemic were unconstitutional.**

"You can't tell 13 million Pennsylvanians that they have to stay home. That's not America. It never was. That order was horrible," Thomas W. King, III, an attorney for the plaintiffs, told Pittsburgh's Action News 4.

Judge William Stickman IV ruled that the state-posed limits on gatherings violated the First Amendment and the stay-at-home and business-closing orders violated the Fourteenth Amendment.

Trump supporters boo Ohio's GOP lieutenant governor for encouraging mask use

Ohio Lt. Gov. Jon Husted (R) was **heckled on Monday** by supporters of President Trump, who objected to Husted mentioning wearing masks.

Husted spoke at a Trump rally outside of Dayton, and came onstage sporting a red mask with "Trump 2020" printed on the front. "I'm trying to make masks in America great again," he said to jeers. Husted pulled out another mask that said "MAGA," which did nothing to get the crowd on his side — instead, the boos continued and one person shouted at him, "Get off the stage!"

"Hang on, I get it," Husted responded. "You don't like it. But when you go in a grocery store where you have to wear one ... just listen up! All right, I get it. But if somebody tells you to take it off, you can at least say you're trying to save the country by wearing one of President Donald Trump's masks."

It wasn't just the idea of wearing masks to protect others that got the crowd riled up — when Husted mentioned Gov. Mike DeWine (R), who made masks mandatory in most indoor areas, that opened him up to another round of boos.

SHOCK: Melbourne to start arresting COVID-19 "conspiracy theorists" and throwing them in concentration camps
A new proposal by Daniel Andrews, the 48th incumbent Premier of Victoria in Australia, would make it so that

residents of the state who violate its Wuhan coronavirus (COVID-19) restrictions – or even just spread what the government deems to be “conspiracy theories” about the *plandemic* – can be locked up or thrown in concentration camps by any “public servant.”

The power-crazed politician of the far-left Australian state has already made global headlines for sanctioning breaking into people's homes and smashing their car windows upon suspicion that Wuhan coronavirus (COVID-19) restrictions are being flouted. Now he wants to start arresting and detaining people without any evidence of a crime being committed, all to keep people “safe” from the Wuhan coronavirus (COVID-19).

Otherwise innocent Victorians, should Andrews' proposal be enacted, would be subject to arrest by any “public servant,” not just a police officer, if they are merely suspected of having the Wuhan coronavirus (COVID-19). Arrests would also be permitted of those who question the official *plandemic* narrative, which the government considers to be the spreading of dangerous “conspiracy theories.”

The proposal also contains provisions for how to handle people who are suspected of breaching Wuhan coronavirus (COVID-19) rules at their homes and workplaces. Snitches would be able to call a government tip line to report

potential violations, prompting “public servants” to come out for an inspection or to make an arrest.

Don't let this happen here, America

Responding to the proposal, 18 former judges and lawyers, all of high esteem, wrote an open letter warning that Andrews' proposal is “unprecedented, excessive and open to abuse.”

Australian police can kidnap people for medical reasons and remove anything “including underwear” to forcefully administer vaccines now!!!!

Tuesday, September 29, 2020 by: [Lance D Johnson](#)

([Natural News](#)) Australia's Public Health Act of 2016 has been updated, and it is being put into action, unleashing medical police state horrors that haven't been witnessed since the rise of medical experimentation on Jews in Nazi Germany. **This Australian law gives sweeping new powers to law enforcement and other “authorized officers” to forcibly restrain, isolate and vaccinate whomever they want. The new powers are so descriptive, they give law enforcement the legal power to “remove anything the person is wearing, including underwear.”**

The “authorized officer” can medically kidnap adults or children and force the targeted individuals to undergo medical observation, medical examination, medical treatment or compulsory vaccination. The Australian law allows officers to “use reasonable force” to make sure that human subjects comply with the public health directive. The officers can “apprehend and detain the person to whom the direction applies” and relocate that person for medical experimentation, the forced removal of their clothes and forced vaccination. The law is broken down into three parts, explaining how authorities can one, apprehend, two, detain, and three, restrain human subjects.

Under Part 11 Division 2 of the serious public health incident powers, the authorities can forcibly vaccinate the subject and “remove anything that the person is wearing.” If the subject refuses to remove their clothing, authorities can rip the clothing from their body, including their underwear.

The stripping of human beings of their clothing and their dignity does not end with authorities abusing adults. The act continues, “If the relevant person is a CHILD or an impaired person, it must (the removal of clothing), if practicable, be done in the presence of a responsible person or some other person who can provide the child or impaired person with support and represent his or her interest.”

These heinous powers of rape and abuse and medical kidnap are openly allowed as long as the government of Western Australia can declare a public health state of emergency, as was done by Australia and most other governments in response to covid-19. Australia, like many other governments, will not relinquish these newly delegated powers easily.

The new experimental drugs and vaccines that are being rushed into existence will be forced onto Australians. Australian prime minister Scott Morrison said a coronavirus vaccine will be made “as mandatory as you can possibly make it.”

According to these emergency public health orders, anyone who dissents can be rounded up and isolated, their clothing removed, their body subject to medical experimentation and forced injections.

The Nuremberg code, a treaty established in the fallout of Nazi Germany after the International Military Tribunal, is clear about the necessity of informed consent for all medical experimentation on humans. The Nuremberg code is clear that experiments should avoid physical/mental suffering and injury. Vaccinations will irrefutably be classified as risky medical experiments, and when forced onto humans, they cause physical/mental suffering. But in the current world, vaccinations are liability-free products, whereas vaccine manufacturers are held to no standard at all when their products injure people. Two, vaccinations are not tested against a double-blind saline placebo; and three, no studies are conducted comparing the non-vaccinated and the vaccinated in regard to overall health, strength of immune function, infectious disease incidence, and measurable spread of advertised infectious disease.

With this precedent established and with emergency public health orders being pushed into perpetuity, the people of Australia should fight for their rights before they become even more stripped of their human dignity, their bodies violated, their clothing ripped off, their bodies subjected to the newest tracking technologies and vaccine experiments of the day.

“[We Do Not Consent](#)” rally after several hours of impassioned speeches by speakers like David Icke explaining why the government wants to keep the measures in place indefinitely as a weapon of control.

As David Icke was speaking to thousands, riot police began to attack the crowd and storm the stage.

“Crowds in Trafalgar Square have not complied with the conditions of their risk assessment and are putting people in danger of transmitting the virus,” the Metropolitan Police [told](#) the media.

“This has voided their risk assessment and we have informed the event organizers they are no longer exempt from the regulations.”

Notably, UK authorities have selectively enforced mass demonstrations like these in recent months, shutting down anything that goes against the lockdowns, while allowing and even praising dozens of [Black Lives Matter](#) and other far-left marches that freely took over the city over the summer.

For example, London Mayor Sadiq Khan [condemned](#) the anti-lockdown protest on Saturday, calling the protesters “reckless” and “violent,” when it was the police who first instigated violence when shutting the event down.

But in June, at the height of the scamdemic, Khan [praised the BLM demonstrators marching through London](#), assuring them he “stands” with their cause with no mention of violating the city’s lockdown measures.
