STRATEGIC WARFARE PRAYER!!!!

Father God in the name of Jesus Christ we nullify, dismantle, cancel and forcefully oppose all satanic operations, maneuvers, manipulations, subversions, strategies, tactics, plots, plans and ploys, which are designed to hinder, prevent, frustrate, foil, deny or delay God's original plans and purposes, from their quick, swift and speedy manifestation taking place in their correct time and season. (Daniel 7:25) **We rebuke and dismantle all satanic alliances and confederations worldwide. Let every evil covert and clandestine effort and endeavor fail.** Cause the news media to be caught in their lying and manipulation so that only the truth is manifested. (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We decree that every satanic strategy of inhibition, prohibition and limitation placed upon**

the Body of Christ (by the dark side) shall not prevail. We declare all invisible and visible walls of opposition; restriction and delay will be exposed and destroyed. (Colossians 1:16; Joshua 6:1) **Oh God confound the devices and evil plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved; overtake them in their own crafty and devious ways; let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed destroy all of God's creation and defile the world. For this reason, was the Son of God made manifest, that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19; 1 John 3:8) **We overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood.** (1 Timothy 1:18-20) **We overthrow spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17. We reverse the curses** associated with all these ceremonies, rituals, utterances and their plans to bring about a chaotic bloody revolution in America & to usher in Martial Law and the New World Order. **We decree and declare that: Their plans shall be uncovered and shall not prevail; & their plans shall be frustrated and unable to achieve any impact; & their threatening's and violent verbal dealings are returned to them one hundredfold.** **FATHER, WE HUMBLLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events, leading to the destruction of Your Christians & the innocent.** (Isaiah 44:25; 2 Timothy 3:8) **Send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelations upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom to come upon them.** (James 1:5) **Cause them to be a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood.** (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they be cast into the lake of fire AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE..** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) **Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they hit the bull's eye.** (Psalm 57:4) **Let the laws that govern this prayer and all spiritual warfare strategies and tactics, be binding by the Word, the Blood and by the**

Holy Spirit. (1 John 5:7) **WE SEAL THIS PRAYER IN THE NAME OF JESUS CHRIST AND THE BLOOD OF THE LAMB, AMEN!**

PRAYER TO NEUTRALIZE OCCULT RITUALS

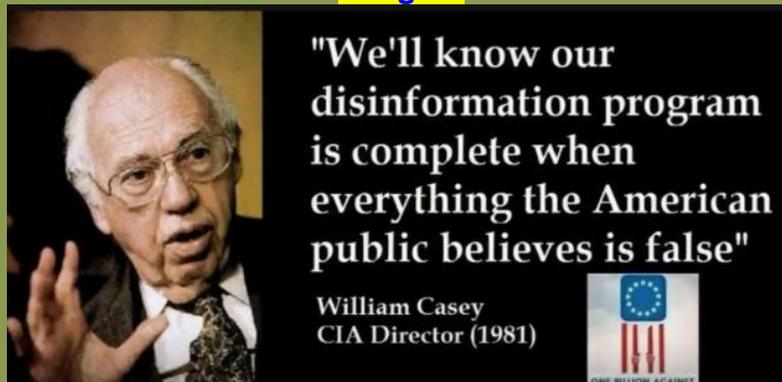

Beloved Holy Savior, Lord Jesus, you are the sacrifice, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father. We honor your sacrifice on the cross, your resurrection and transfiguration volunteered for our salvation. We worship you, exalt you and magnify your name above every name. You are sovereign, supreme over all. You are worthy. You alone are worthy. We pledge our faith and love to serve you alone, forever. We claim your Word: James 4:7: "Submit yourselves therefore to God. Resist the devil, and he will flee from you." 2 Timothy 1:7: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." We come in the authority given to us in Christ Jesus. We cover ourselves with the Blood of the Lamb. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We lift our shields of faith to interlock, standing foot to foot and shoulder to shoulder—a solid wall that cannot be breached or penetrated. We resist and renounce Satan, the god of this earth. We rise to war in the Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of your warring angels in full battle array, fiery swords drawn to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, dismantle, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agenda and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened. We break every curse, hex, spell, vex, enchantment, decree spoken or unspoken sent against the Body of Christ and your intercessors by every witch, warlock, Satanist, sorcerer, voodoo priest, shaman, brujo, bruja, soothsayer, medium, coven and every minion of the devil working iniquity; **and send it back upon their own heads seven fold that they may repent and turn from their evil ways.** Lord Jesus, reveal your love to them. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

This is a very powerful prayer against Witchcraft...with fasting even more powerful

Father, In the name of the Lord Jesus Christ, we plead the precious uncorruptable blood of Jesus over the Body of Christ, the innocent, ourselves, our families and everything that belongs to us. We ask for giant warrior Angels (or whatever kinds of angels are necessary) to be loosed from Heaven to surround and protect us. As your war club and weapons of war we break down, undamn, and blow up all walls of protection around all witches, warlocks, wizards, satanists, and the like

that are attacking us; and by the Blood of the Lord Jesus Christ we break their power & all their curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death, destruction, sickness, pain, torment, physic power, psychic warfare, prayer chains, and everything else being sent our way or our family members way, to the Body of Christ & the innocent; and we return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and we BIND it to them by the blood of Jesus Christ!
Father, we pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have now been set against themselves.. In the name of Jesus Christ of Nazareth we now loose them from all mind control of Satan!..
Father we also ask that you Bind the Holy Spirit to their hearts as a guide to your Son Jesus.. So that they may be set free from the bondages of Satan.
In Jesus name we pray...Amen

++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them

that turn aside; it shall not cleave to me.

Psalm 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil **communications** corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:

"Communications": companionship, communion

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." **Samuel Adams**

"The average age of the world's great civilizations has been two hundred years.

These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." **Alexander Fraser Tytler**

Psa 33:12-21: Blessed is the nation whose God is the LORD; and the people whom he hath chosen for his own inheritance. The LORD looketh from heaven; he beholdeth all the sons of men. From the place of his habitation he looketh upon all the inhabitants of the earth. He fashioneth their hearts alike; he considereth all their works. There is no king saved by the multitude of an host: a mighty man is not delivered by much strength. An horse is a vain thing for safety: neither shall he deliver any by his great strength. Behold, the eye of the LORD is upon them that fear him, upon them that hope in his mercy; To deliver their soul from death, and to keep them alive in famine. Our soul waiteth for the LORD: he is

our help and our shield. For our heart shall rejoice in him, because we have trusted in his holy name.

*Hi Pastor Scott. I'm doing research in the Old Testament. **Listener Comment: I heard your report of the Jews asking for the to antichrist come--I don't agree with your assumption. Here is a tour group going to Israel by a Baptist pastor who talks about Moses tabernacle in the wilderness. If you have 20 minutes to listen it might be eye-opening. Please keep an open heart and mind. God still loves the Jew. He plans to redeem them...***

Sorry if this ruffles your Baptist feathers. Please don't judge me or react, just allow yourself to listen to the Baptist teaching from this video- 20 minutes.

Scott Johnson's Response: Elaine: If my teaching last week (see: [Emergency Freedom Alerts: 2-15-21-Part 2](#)) did not convince you that the Jews are openly praying for the antichrist to come, then I have no idea what more I could give you to convince you. The facts are irrefutable. I mean who do you think they are praying for to come back? Jesus Christ? Who they hate? Jesus Christ Speaking to the religious Jews that wanted to kill him said: [Jhn 5:43](#) I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive.

Also I am not a Baptist, just a Bible believing Christian. Yes God still loves the Jews, I have never said he didn't, but the fact remains that 2/3 of the Jews will die in the tribulation (as they will not repent and get saved) but 1/3 will get their eyes opened and accept Jesus according to the book of Zechariah, regarding the Jews in the tribulation:

[Zec 13:8](#) And it shall come to pass, *that* in all the land, saith the LORD, **two parts therein shall be cut off and die; but the third shall be left therein.**

[Zec 13:9](#) And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, *It is my people:* and they shall say, The LORD *is my God.*

[Zec 12:8](#) In that day shall the LORD defend the inhabitants of Jerusalem; and he that is feeble among them at that day shall be as David; and the house of David *shall be as God, as the angel of the LORD before them.*

[Zec 12:9](#) **And it shall come to pass in that day, that I will seek to destroy all the nations that come against Jerusalem.**

[Zec 12:10](#) And I will pour upon the house of David, and upon the inhabitants of Jerusalem, the spirit of grace and of supplications: **and they shall look upon me whom they have pierced, and they shall mourn for him, as one mourneth for his only son, and shall be in bitterness for him, as one that is in bitterness for his firstborn.**

What Does The Bible Say About The Jews (or any other race) Being Better Than Another?

Galatians 3:26-29: "For ye are all the children of God by faith in Christ Jesus. For as many of you as have been baptized into Christ have put on Christ. There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus.

And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise."

Colossians 3:1,11 "If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God...Where there is neither Greek nor Jew, circumcision nor uncircumcision, Barbarian, Scythian, bond nor free: but Christ is all, and in all."

Webster's 1828 Dictionary--CONCISION, n. [L., to cut off.] Literally, a cutting off. Hence, In scripture, the Jews or those who adhered to circumcision, which, after our Saviors death, was no longer a seal of the covenant, but a mere cutting of the flesh.

Paul said in Philippians 3:2-8: "Beware of dogs, beware of evil workers, beware of the concision. For we are the circumcision, which worship God in the spirit, and rejoice in Christ Jesus, and have no confidence in the flesh. Though I might also have confidence in the flesh. If any other man thinketh that he hath whereof he might trust in the flesh, I more: Circumcised the eighth day, of the stock of Israel, of the tribe of Benjamin, an Hebrew of the Hebrews; as touching the law, a Pharisee; Concerning zeal, persecuting the church; touching the righteousness which is in the law, blameless. But what things were gain to me, those I counted loss for Christ. Yea doubtless, and I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord: for whom I have suffered the loss of all things, and do count them but dung, that I may win Christ..."

Romans 11:25-28: "For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in. And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: For this is my covenant unto them, when I shall take away their sins. As concerning the gospel, they are enemies for your sakes: but as touching the election, they are beloved for the fathers' sakes."

EXCLUSIVE: Biden's Insane Executive Order on Climate Change Gave China Access to the US Grid – Suddenly There's an Energy Crisis In Texas – Any Relationship?

On Joe Biden's first day in office, he signed an Executive Order (EO) that led to Texans literally freezing to death this past week. Biden claimed his actions were to protect the climate but they helped China and made America less secure. On his first day in office, Joe Biden signed a number of EOs. This was made possible by the Barr DOJ. Barr enabled Biden to be able to sign his EO on climate his first day in office.

The [Executive Order on Protecting Public Health and the Environment and Restoring Science to Tackle the Climate Crisis](#) said in its first paragraph of Section 1 (emphasis added) :

*Where the Federal Government has failed to meet that commitment in the past, it must advance environmental justice. In carrying out this charge, the Federal Government must be **guided by the best science** and be protected by processes that ensure the **integrity of Federal decision-making**. It is, therefore, the policy of my Administration to **listen to the science**; to improve public health and protect our environment; to ensure access to clean air and water; to limit exposure to dangerous chemicals and pesticides; to **hold polluters accountable, including those who disproportionately harm communities of color and low-income communities**; to **reduce greenhouse gas emissions**; to **bolster resilience to the impacts of climate change**; to restore and expand our national treasures and monuments; and to **prioritize both environmental justice and the creation of the well-paying union jobs necessary to deliver on these goals**.*

Of course, this is a total sham. Best science? The integrity of Federal decision-making? Communities of color (in a climate change EO)? Environmental justice? Union jobs? Really, what the h***. [Few voted for this garbage and Democrats stole the election to push this through.]

Hidden towards the bottom of the EO, is a clause about China. It turns out that the same day Biden shut down the Keystone Pipeline, he also lifted the security on our power grid for 90 days.

(c) Executive Order 13920 of May 1, 2020 (Securing the United States Bulk-Power System), is hereby suspended for 90 days. The Secretary of Energy and the Director of OMB shall jointly consider whether to recommend that a replacement order be issued.

This was just a small little paragraph tucked away in one of Biden's EO's the first day he was in office under the umbrella of "restoring science to tackle the climate crisis". Of course, science and climate crisis are polar opposites. Looking over the EO, there appears to be nothing that benefits the United States of America which begs the question, who wrote and approved this mess?

Outages Morph Into Outrage As Texans Slapped With "Mind-Blowing" Power Bills—One Man's Electric Bill Was \$8,162.73, which is a massive increase from his usual \$387 bill!!!!!! And Some Bills Are Much Higher!!!!!!

The rolling blackouts that plunged up to 15 million Texans into darkness amid a historic cold snap are diminishing by the end of the week. About 188k customers were without power in the state on Friday morning. Days after power prices jumped from \$50 per Megawatt to more than \$9,000, the horror stories pour in for those who had power this week during grid chaos as they are mind-boggled how their energy bills skyrocketed.

None of these horrifying power bill stories below should be a shock as we described to readers in the piece titled "[Power Bills To The Moon: Chaos, Shock As Electricity Prices Across US Explode](#)," that this would happen.

Texans who were on a variable or indexed plans with power companies are only now reporting their bills have jumped hundreds of dollars, if not thousands of dollars for the month.

Royce Pierce told [Newsweek](#) he owes electric company, Griddy, \$8,162.73 for his electricity usage this month. He said that's a massive increase from his usual \$387 bill.

"It's mind-blowing. I honestly didn't believe the price at first," Pierce said.

"It's not a great feeling knowing that there is a looming bill that we just can't afford."

Pierce was one of the 'lucky ones' who maintained power through the entire grid crisis, but it came at a steep cost.

Other horror stories of soaring power bills flood local television stations across the Lone Star State. When food and housing insecurities are incredibly high due to pandemic job loss, many folks in Texas who were on variable power plans could be financially devastated.

WFAA Dallas spoke with one person who said:

"Mine is over \$1,000...not sure how...700 square foot apt I have been keeping at 60 degrees."

One couple said:

"...Using as little as possible 1300 sq ft house and this is my bill. . How is this fair. I only paid \$1200 for the whole 2020 year. "

A tweet was accompanied by a screenshot of their bill that now stands at \$3,800 for the month.

pic.twitter.com/AyITS4m0j4

— kat and tony (@katandtonyT) February 18, 2021

Ty Williams told WFAA that his average electric bill is around \$660 per month. He said it now stands at \$17,000.

Williams wondered: ***"How in the world can anyone pay that?... there's absolutely no way...it makes no sense."***

... and in case you were wondering, OilPrice.com ran the numbers of how much it would cost to charge a Tesla in Texas earlier this week. **While a regular charge costs around \$18 using a Level 1 or Level 2 charger at home, estimates showed that the surge in power prices would have cost \$900.**

'The Powers That Be' Are Determined To Take Down Texas': Soon After Texas Politicians Endorsed Legislation To Secede From The USA, Texas Got Absolutely Clobbered

Just less than two weeks ago, on February 5th, [The Guardian published this story](#) titled ***"Texas Republicans endorse legislation to allow vote on secession from US"*** within which they reported the State's GOP chairman, Allen West, was just the latest Republican to come out in support of declaring Texas an independent nation.

Now only two weeks later, "coincidentally", the [LA Times has put out this story](#) titled ***"Amid severe weather and power crisis, Texas legislators stop talking about secession."*** While the Washington Post gloats: ***"Texas seceded from the nation's power grid. Now it's paying the price"***.

With the Post's story reporting ***"The state's unique electrical system worked well for decades — but it wasn't ready for unexpected cold"***, does anybody else find it quite odd that soon after Texas started talking about seceding from the US with Joe Biden and radical Democrats *'in charge'*, Texas has been hit by a series of absolutely debilitating storms and power grid outages?

As an ANP reader who commented under the user name *'Guest'* pointed out in an excellent comment on [this February 16th ANP story](#) about the *'grid down scenario'* and the abominable weather in Texas.:

"I personally don't think this was mother nature but HAARP weather warfare. The powers that be are determined to take down Texas".

So we have to take a look within this story at that **'controversial'** theory considering just how quickly talk of secession was shut down following several massive storms and brutally cold weather that **led to the deaths of at least 21 and led to power outages for millions.**

While long and still called **'conspiracy theory'** by the mainstream media, as **Steve Quayle** warned in his book **"Weather Wars & Un-Natural Disasters"**:

"Technology will make available, to the leaders of the major nations, techniques for conducting secret warfare, of which only a bare minimum of security forces need be appraised... Techniques of weather modification could be employed to produce prolonged periods of drought or storm."

Also back on June 29th of 2016, the **Council On Foreign Relations published this story titled "John Brennan On Transnational Threats To National Security"** within which the former CIA head not only spoke about **'weather modification programs'**, also called **'geoengineering'**.

Weather Warfare Presentation—Since the 1970's Government's (Including the US) Have Openly Admitted to Being Able to Control the Weather!!! Hear It Straight From Their Own Mouths and Documents

- **Senator Claiborne Pell, US Senate Intelligence Committee member, commenting on a USA/USSR treaty signed in 1978 said:**

"Now that we can control the weather, create earthquakes and tidal waves and use it as a weapon of war we do not need a treaty."

So what treaty was this Senator in reference to?

- **"The Convention on the Prohibition of Military or Any Other Hostile Use of Environmental Modification Techniques"**
- This government treaty is currently posted online at the "U.S. Dept. of State" website at: <http://www.state.gov/t/ac/trt/4783.htm>
- This treaty was Signed in Geneva, Switzerland on May 18, 1977, and Entered into force October 5, 1978

- Quoting from the first and second paragraphs of this treaty we read:

“Use of environmental modification techniques for hostile purposes does not play a major role in military planning

at the present time (1977). Such techniques might be developed in the future, however, and would pose a threat of serious damage unless action was taken to prohibit their use...

- ...In July 1972 the U.S. Government renounced the use of climate modification techniques for hostile purposes...Both the U.S. Senate and the House of Representatives held hearings, beginning in 1972, and the Senate adopted a resolution in 1973 calling for an international agreement prohibiting the use of any environmental or geophysical modification activity as a weapon of war...."

- Now the word “geophysical” is defined as “The physical processes and phenomena occurring especially in the earth.” This would include processes like earthquakes, volcanoes & tidal waves.

- So in other words the government has possessed technology to manipulate both climate and geophysical (earth) patterns for many decades.

Survival Preparedness Tips--Fifteen HARD lessons Mike Adams just learned from the “Texageddon” blackouts and collapse of critical infrastructure

Sunday, February 21, 2021 by: [Mike Adams \(Natural News\)](#) The “Texageddon” blackouts and near-collapse of all infrastructure (food, fuel, cell towers, power grid, water systems, emergency services, roads, etc.) taught us all some very difficult lessons in survival. We learned that the infrastructure is far more vulnerable than most people thought, and we saw with our own eyes that **most people still refuse to prepare with extra food and water**, even after a year of covid lockdowns that should have been a universal wake up call.

In today’s Situation Update podcast, I reveal 15 lessons I learned the hard way, including learning which preps failed to function (and how to do better next time).

The full podcast is embedded below. **Here’s the short list of the 15 items:**

1. **Survival is very physical. Expect to exert a lot of physical effort.**
2. **Culture matters. Don’t end up in a community without morals or ethics when it all hits the fan.**
3. **Convergence of two “black swan” disasters can wipe out your best plans, even if you have successfully prepped for any one (standalone) disaster.**
4. **Some of your preps will FAIL. It’s difficult to consider all possible scenarios, so count on failures striking without warning.**
5. **You need LAYERS of preparedness and “fall back” systems that are very low-tech and require nothing more than the laws of physics (gravity, chemistry, etc.).**
6. **No one is coming to help you. In many situations, no one can get to you even if they wanted to.**
7. **Containers (buckets, barrels) are extremely important. Have lots of pre-stored water and fuel at all times.**
8. **Bitcoin and crypto were all completely valueless and useless during the collapse, since they all rely on electricity. Gold, silver and cash worked fine, on the other hand.**
9. **You will likely experience injuries or mishaps due to new, unusual demands on your work activities. Practice safety and be prepared to deal with injuries yourself.**
10. **Having lots of spare parts for plumbing. Standardize your pipe sizes and accessories. I have standardized on 1” PEX pipe and all its fittings because**

PEX is very easy to cut, shape and rework. Plus it's far more resistant to bursting, compared to PVC.

11. Investment in food is always a good investment, as prices will continue to climb. No one ever said during an emergency, "Gee, I wish I had less food here."
12. You can't count on any government or institution or infrastructure to solve anything. Usually they just get in the way.
13. You MUST have good lights and many backup batteries, or you will be sitting in the dark. You'll need a good headlamp (I use the PETZL Nao+) and some good 18650-battery flashlights such as Nitecore.
See: https://www.nitecorestore.com/18650-batteries-s/2532.htm?sscid=21k5_mdavw&utm_source=shareasale&utm_medium=referral&utm_campaign=1075941
Also for conditions when privacy is of importance, see: http://www.zebralight.com/H502pr-Photo-Red-AA-Flood-Headlamp_p_175.html
This is the one Scott Johnson recommends: [H600Fw Mk IV 18650 XHP35 Floody Neutral White Headlamp](#)
14. Guns and bullets are not needed in some survival scenarios, so balance your prepping. Don't put all your money into ammo and fail to cover other important areas like emergency first aid.
15. Think about what are stores of energy: Wood, diesel, gasoline, propane, water elevation, etc. Survival is a lot about energy management.

Re: TEXAS HELL...This will not help you immediately, but could be something to consider in the future.

I own the following sleeping bag. I can't remember where I bought it.

<https://www.sportsmansguide.com/product/index/alps-mountaineering-redwood-canvas-minus-25-degree-f-sleeping-bag?a=599581>

[Here it is on Amazon](#) As some of you may have reason to know, Good quality bedding for extremely low temperatures is very, very expensive. It does not matter if you are talking about a sleeping bag or comforters and blankets. This bag is rated to minus 25 degrees, meaning you will survive in minus 25 degree weather, not that you will be comfortable in minus 25 degree weather. This sleeping bag cost me \$114.00, and I consider it the best \$114.00 I have ever spent. I have TOTALLY turned off the heat in my bedroom (actually I only heat two rooms in my apartment). (I live in Virginia and can walk to the Shenandoah National Park which is mountainous forest). I just make sure the pipes don't freeze. My power bill is half of what it used to be last winter, granted I have never kept the place warm. (It is running 50 to 80 a month now. I suspect keeping the

place “warm” would produce a \$400.00 or greater bill as I live in a 109 year old house with very little insulation. But on the subject of sleeping.....This bag is large and you have lots of room to move around in it (most cold temp sleeping bags are mummy bags.... hate 'em).. I use my queen sized flannel top sheet folded in half as a sleeping bag liner. I fold the section in the bottom to make a “foot box” and I have a foot or so of sheet sticking out the top part of the bag and folded over the top part of the bag . This prevents me from making physical contact with the bag, both the inside and the outside. This is very important as you want to keep the bag clean meaning you don't want your skin to touch the lining or the outside of the bag. I zip the bag all the way up and just my face is peaking outside. I have not washed the bag yet and I am not looking forward to that. It will be a bear to dry. Which is why I am very serious about keeping it clean. I open it up and fluff it out and air it out all day till night time. (That is no small thing as it is very heavy....)Anyway, I sleep in it every night. I just wash my sheets used as a liner once a week, and this has done a very good job of keeping the bag clean. Let me tell you no one sleeps as well as I do, no one. I have been very, very grateful for this purchase and it paid for itself by the second month I had it. So this is just an idea. I would have never considered using a sleeping bag on my bed, if it were not so cold here.

From: Patricia–I have one other thing to say about staying warm, in the winter. If you get wet, you will not be warm. Period. If your feet get wet, and you spend any amount of time outside or in a non temperature controlled environment, you are going to be in big, big trouble. I am writing this in the middle of a snow storm and I have to walk to work and in my line of work, you have to be at work regardless of the weather. Actually I walk everywhere, but right now because of the weather the cab is not even an option. So this is very real to me right now. So you need shoes that can handle this. You need to test said shoes under real conditions. (I just bought a pair of snow hikers, got them for a wonderful price, and discovered they are too small for me to walk the number of miles I need to be able to walk in them.... So...) I spend so many hours on my feet, running around, that a normal pair of running or walking shoe will not cut it for me. This started with my last job, but it is even truer now, because of the number of miles I have the potential to walk in a day. I became so hard on shoes, I was breaking though good quality walking, running shoe (I buy a pair and alternate them) in two months' time. It was insane. I made the switch to trail runners, that, and this is critical, are Gortex lined. I now wear them everywhere. The trail runners I have right now are holding up very well in the snow, and I am getting to work and back safely, with totally dry feet. A coworker of mine gave me some spikes to fit onto

my shoes to keep me from slipping. Actually the trail runners are doing well without the spikes, but I keep them in my bag just in case... It is not just snow though, it is rain as well. So I can go to work with it pouring rain, splash in puddles, and show up with dry feet. This is priceless to me and I wish I made the switch a long time ago. Trail runners are less expensive when it is off season or end of season or the last season's model. I pay about what I would pay for a normal walking or running shoe for my trail runners (most of the time). When I find something that works and I find a good price for them, I buy as many as I can. (That is not a lot, but once you know the exact brand, model and size of shoe that works for you, buy them up, because the next version of that shoe may not work.) On the subject of trail runners and plantar fasciitis and other conditions. When you get out of your trail runner at home, lean against the wall with your body and your legs straight and hold a static stretch. You want to feel the stretch in your calves and your heel area. Hold that for upwards of two minutes. Also I don't wear shoes in the house. I walk around barefooted in warmer months and sock footed or double sock footed in colder months. The more time spent in your bare feet the better.

[Biden Signs Executive Order for Federal Control over 30% of America's Land and 30% of US Oceans](#)

Farmlands and private property are targeted as the US has committed to tripling its so-called protected lands. President Biden signed an executive order to "protect" 30% of US land and 30% of US oceans by 2030 in the name of environmentalism and biodiversity. Much of the land now is privately owned, so the plan is to put an end to private property by any means necessary, including confiscatory taxation and regulation.

[Building a Bitcoin Prison "We do know they want to go to an all-digital system with central bank cryptos--The easiest way to build the prison is to get freedom lovers everywhere to build the prison for you"](#)

By Greg Hunter's

[USAWatchdog.com](#) (2.20.2021) Former Assistant Secretary of Housing and investment advisor Catherine Austin Fitts **says you have to be careful and fully understand Bitcoin. Fitts explains, "We do know they want to go to an all-digital system with central bank cryptos. The easiest way to build the prison is to get freedom lovers everywhere to build the prison for you. To me, Bitcoin has always been the prototype on the way to building the all-digital crypto system that they would love to put into place. You have \$400 trillion in fiat (currency) and it needs a place to go. If you are trying to buy up all the gold, silver and farmland, the last thing you need is competition from the retail market. They want to shift them into the crypto market and get them to build the crypto train tracks. In a funny kind of way, it's brilliant.**

There is talk by big banks that Bitcoin could go to \$300,000 per unit by the end of the year. Fitts thinks, "This is absolutely possible. This is pure politics. This has nothing to do with economics. How much will the central bankers, who can print

as much money as they want, spend to get you into this platform? Your guess is as good as mine. The sky's the limit as to how much they can spend.

If you are going to invest into cryptos and build our prison for us, what you need to know is this thing could go to \$300,000, and it can also go to zero. This is a highly speculative market, and you need to approach it accordingly."

Fitts warns of a dark future if the central bankers get everything they want. Fitts says, "When they decide to shut down our bank accounts and say you all get on crypto, universal basic income and take that injection or you can't transact on the financial system, this is instituting a totalitarian system through the financial system. . . . When they shut that trap door, what you need to think about is where are you going to buy food?"

In closing, Fitts says, "We are in Never, Never Land. We have two groups in our society: One group that can print money, and the other who can earn money. What we saw last year is the people who could print money declared war on the people who earn money. They basically said we are going to shut down your businesses, and we are going to suck up and take your market share or buy you out with money we print out of thin air. . . . We have no pandemic. What this is is an economic war."

+3+ Under Biden, military being purged of all conservatives--Military is also targeting white people

Defense Secretary Lloyd Austin [has ordered](#) a 60-day stand-down of the military to root out anyone remaining who supported [the Jan. 6 protest](#) at the United States Capitol.

Austin reportedly held a meeting last Wednesday with the service secretaries and Joint Chiefs to address their concerns about conservatives in the military and what to do about it.

"Even though the numbers might be small, they may not be as small as we would like them to be, or we believe them to be," said Pentagon spokesman John Kirby to reporters.

"And that no matter what it is, it is not an insignificant problem," Kirby added about the prevalence of troops with right-wing views.

After 60 days, Kirby expects to see guidance about what to do next to rid every last nook and cranny of the military of "extremists" who do not believe that the 2020 election results are legitimate.

"It wasn't a blithe, 'Hey, go talk to your people,'" Kirby added about Austin's orders to the service secretaries and Joint Chiefs.

"He was very clear that he wants commands to take the necessary time. And I didn't hear him be overly proscriptive about that ... to speak with troops about the scope of this problem, and certainly to get a sense from them about what they're seeing at their level."

The plan is to forcibly reeducate the military to oppose conservative viewpoints, as well as the white people who hold them – more par for the course, in other words, to advance the plan for white genocide.

"We owe the force, we owe these leaders some training materials, some deeper, more specific guidance about ... what the expectations are for the stand-down,

and some thoughts about how feedback can be provided,” Kirby further suggests.

What this all proves is that joining the military in 2021 is a fool’s game and one that will almost certainly backfire on those who do so while holding patriotic views.

“It looks like they’re about to fire half the military because the military are the only ones left with the authority to remove Biden from office,” was one *Zero Hedge* commenter’s take on the situation. “It’s actually their duty under certain circumstances.”

“Military will be ordered to stand down when civil war starts, just like the cops were told to stand down,” wrote another. “I hope they kick all conservatives out of the military so they are available to fight for our side.”

This is happening here in the US as well. My 85 year old mother was living with a relative until very recently, when she was transferred to a nursing home when her caregiver got sick. She was semi-mobile, alert, talking and capable of cognitive thought. She was required to endure a two-week isolation in a room by herself before being allowed to join the general population and family wasn't allowed, but she was allowed to call anyone she wanted to. I didn't receive a call from her like she said she was going to do once she got there, so I called the next morning to speak with her. I was told she "took a sudden downturn in her health and was

now only semi-conscious and not capable of speech." They deny it, but it was likely they force vaccinated her, even though they told us it wasn't required for residency. She eventually had seizures begin late in the day and was transferred to a hospital. The doctor told us there's nothing he can do and after stabilizing her, she was moved back to the home, only now she's in the hospice wing. I nor any of the family have any control over the situation and were told as such. They are following her doctors orders to "make her comfortable and withhold food".....We've been told to expect her death in a few days after her obviously planned and deliberate murder is complete.

That's the reality of what we're facing folks.....These evil bastards will sooner or later be coming for all of us if/when they get the chance, so respond to them accordingly.

This gives VERY important information! Hyper-immune response in test animals for previous attempts at coronavirus vaccines, like SARS and MERS, has been a persistent problem. All is well for awhile, until the animals are exposed to the wild mutated virus. Dr. Tenpenny and other scientists have forecast that millions may die, and it will be blamed on a new strain of COVID, making an argument for even more deadly vaccines. The Biblical Subject of "Truth" & Should I Engage In a Debate With a Given Person?

Proverbs 18:13: "He that answereth a matter **before he heareth it**, it is folly and shame unto him."

Galatians 4:16: "**Am I therefore become your enemy, because I tell you the truth?**"

Proverbs 26:4: "**Answer not a fool according to his folly**, lest thou also be like unto him."

Matthew 7:6: "Give not that which is holy unto the dogs, **neither cast ye your pearls before swine**, lest they trample them under their feet, and turn again and rend you."

Nehemiah 6:3 "And I sent messengers unto them, saying, **I am doing a great work, so that I cannot come down: why should the work cease, whilst I leave it, and come down to you?**"

There is a time though when the following two verses would apply (which would typically be at the beginning of a debate):

Proverbs 26:5: "**Answer a fool according to his folly**, lest he be wise in his own conceit."

Job 11:2: "**Should not** the multitude of words be answered? and should a man full of talk be justified?"

Israel--The Pristine Fully Vaccinated Model for the New World Order!!!: As Israel Reopens they say: 'Whoever Does Not Get Vaccinated Will Be Left Behind'--New government and business initiatives are moving in the direction of a two-tier system for the vaccinated and unvaccinated, raising legal, moral and ethical questions--Nearly half of Israel's population has received at least one dose of Pfizer's Covid-19 vaccine!!!!

Associated Press Feb. 18, 2021 BAT YAM, Israel — **Israel has raced ahead with the fastest Covid vaccination campaign in the world, inoculating nearly half its population with at least one dose. Now, the rapid rollout is turning the country into a live laboratory for setting the rules in a vaccinated society — raising thorny questions about rights, obligations and the greater good.**

Netanyahu's cabinet voted this week to open shopping malls and museums to the public, subject to social distancing rules and mandatory masking. For the first time in many months, gyms, cultural and sports events, hotels and swimming pools will also reopen, but only for some.

Under a new "Green Badge" system that functions as both a carrot and a stick, the government is making leisure activities accessible only to people who are

fully vaccinated or recovered starting Sunday. Two weeks later, restaurants, event halls and conferences will be allowed to operate under those rules. Customers and attendees will have to carry a certificate of vaccination with a QR code.

Israel is one of the first countries grappling in real time with a host of legal, moral and ethical questions as it tries to balance the steps toward resuming public life with sensitive issues such as public safety, discrimination, free choice and privacy.

"Getting vaccinated is a moral duty. It is part of our mutual responsibility," said the health minister, Yuli Edelstein. He also has a new mantra: "Whoever does not get vaccinated will be left behind."

Synagogue of Satan Chabad (Kabbala Loving) rabbi calls to bar unvaccinated worshippers from synagogues "Those who urge others not be vaccinated will answer for it on Judgment Day"

02-17-2021--Senior Chabad Rabbi Yitzhak Yaroslavsky has issued a call to ban worshippers who have not been vaccinated against COVID from praying inside synagogues.

In an open letter published Tuesday, Yaroslavsky wrote, "To protect your lives, only those who have been vaccinated or have proof that they have recovered [from COVID] should be allowed into synagogues."

Yaroslavsky spared no words for people who spread fake news about the virus. "They are increasing bloodshed in Israel. They will have to answer for it on Judgment Day," he wrote.

"The need to be vaccinated is not a choice, it is an obligation according to the Torah, and must not be out-witted by various explanations that have no grounding in reality," Yaroslavsky exhorted the Chabad faithful.

'Unvaccinated citizens' names should be DISCLOSED, says a new proposal by Israeli PM Netanyahu amid slowdown in immunization campaign

Israeli Prime Minister Netanyahu has proposed a law that would allow the names of people who have not taken the vaccine to be sent to local authorities. The idea has raised concerns over possible privacy violations.

The PM said that the proposed "*quick legislation*" would allow local authorities to "receive data" on those who have not been vaccinated yet. The aim is to "encourage them to be vaccinated and save lives," Netanyahu explained at a cabinet meeting on Sunday.

According to the Haaretz newspaper, the idea was approved by the country's coronavirus cabinet and by the National Security Council. After some additional work it will be presented before Israel's parliament.

Netanyahu said that 570,000 people over the age of 50 have not been administered the vaccine yet, which is 220,000 higher than the government's previous estimate.

Apple will only approve COVID-19 vaccination apps verified by health authorities. It may not be enough just to get vaccinated against COVID-19 -- you may also need proof that you've completed the vaccination course to be able to travel, to go to school or to enter establishments in the immediate future. That's why apps providing proof of vaccination you can easily take with you have started popping up, and why Apple has **conjured up** a rule to make sure those apps only offer **legitimate information**. The tech giant has announced in its developer page (as spotted by 9to5Mac) that apps generating health passes based on vaccine records must be submitted by developers working with companies and entities recognized by public health authorities.

In other words, Apple will only approve apps if they're released by test kit manufacturers, laboratories, healthcare providers or other similar organizations and companies approved by health agencies. Of course, it also welcomes submissions directly from the government, as well as from medical and other credentialed institutions.

Luciferian/German Chancellor Angela Merkel says: "No End In Sight Until World Is Vaccinated"

by [Zero Hedge](#) February 21st 2021-- **The fact these leaders want the entire world vaccinated even when the science shows the SCAMdemic is collapsing confirms there is a globalist agenda to fulfill**

It's been a little more than one year since the globalists have been reshaping our lives after the outbreak of COVID-19. Even with collapsing global infections and herd immunity that may be around the corner, elites are still desperately attempting to fearmonger people to justify additional rounds of stimulus and worldwide vaccinations as this 'crisis' is definitely not being wasted.

The latest fearmongering comes from German Chancellor Angela Merkel, who was quoted by [Reuters](#) on Friday after a meeting with G7 leaders. She said: **"I stressed in my intervention that the pandemic is not over until all people in the world have been vaccinated."**

Merkel said the Biden administration has already improved international cooperation:

"The change of government in the United States of America, in particular, has strengthened multilateralism," she said.

Within the Biden administration, there's been consistent fearmongering from top officials despite the drastic improvement since the inauguration. That appears particularly evident with White House coronavirus advisor Dr. Anthony Fauci who gave a new prediction last week that the pandemic might not end until 2022. Fauci

has also frightened Americans into “double-masking” for added protection against the infection.

Sweden Bans Masks: 'No Scientific Evidence' They Prevent COVID

Officials in Halmstad municipality, Sweden, recently forced a teacher to remove their mask and prohibited the use of masks and all forms of PPE in schools. The municipality said there was *no scientific evidence for wearing masks*, citing the Swedish public health agency.

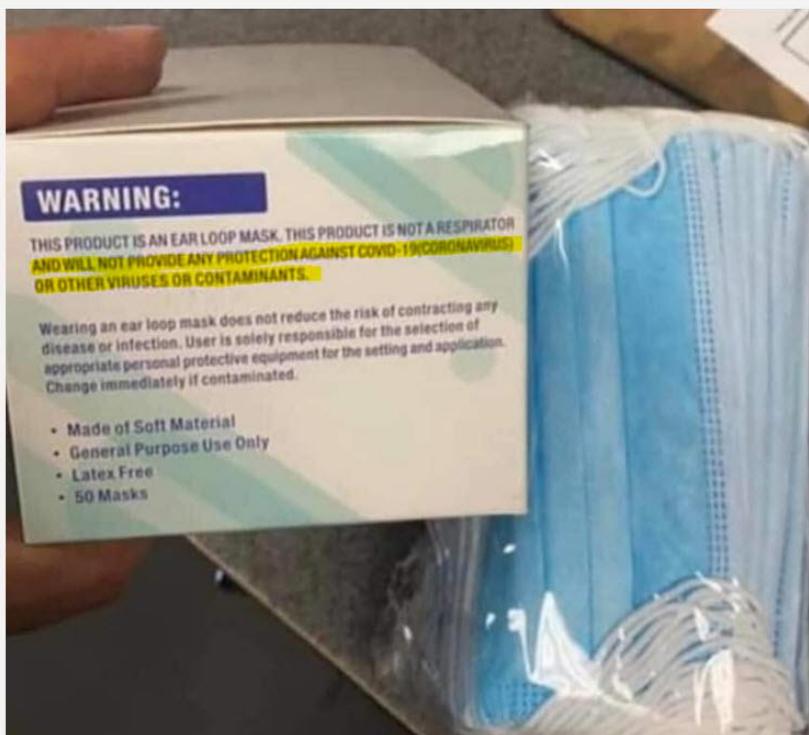

What is really amazing is how far we as societies are allowing politicians who have no qualifications in medicine to roll out draconian decrees.

These measures are really intent on dividing the people to prevent civil unrest because their political system is collapsing and they needed an excuse to throw all the economic restraints out the window.

I have shown before that I purchased a box of masks from Amazon, and on them, it clearly states it will not prevent any disease. So obviously, if you get corona and wore even two masks to bed at night, you have no legal case to sue the mask manufacturer for a faulty product.

US Surgeon General Doubles Down: Face Masks Increase Virus Risk

Tuesday, 31 March 2020 08:48 AM—**US Surgeon General Jerome Adams** Tuesday doubled down on his advice against healthy people wearing face masks to protect themselves from coronavirus, **saying that wearing one improperly can "actually increase your risk" of getting the disease.**

"What the World Health Organization and the CDC have reaffirmed in the last few days is that they do not recommend the general public wear masks," Adams told [Fox News' "Fox and Friends."](#) **"There was a study in 2015 looking at medical students. NYC Waitress Fired After Refusing Covid Vaccine Fearing It Could Cause Infertility

A New York City waitress says she was fired after she told her boss she'd wait to take a Covid-19 vaccine until she could do further research on its effects on pregnant women. While a manager at the time reportedly sympathized with her, another email on Feb. 12 ordered employees to receive the jabs.

"Please be advised that we will require that all employees receive the vaccination," the email stated, according to the *Daily Mail*.

"This will be mandatory for all existing employees and any new hires. The exception to this policy will be if your own personal health or disability prohibits you from obtaining this vaccination. We encourage you to consult your healthcare professional to determine if getting a vaccine is right for you."

Christian Pastor In Edmonton Canada Is Arrested And Placed In Jail By COVID Police For The Crime Of Holding A Church Service For His Congregation

Now that you know that having a vaccine is not going to end COVID lockdowns and restrictions, you've probably already figured out that they won't end even if a 'cure' for COVID should be found. No, COVID-19 is the proverbial 'golden ticket' that the New World Order has waited for since the **very first Bilderberger meeting** was called back in 1954. The aspirations of global domination lusted over by **David Rockefeller**, **George HW Bush**, **George Soros** and all the others has finally come to flower. "We shall have World Government, whether or not we like it. The only question is whether World Government will be achieved by conquest or consent." **James Paul Warburg** February 17, 1950, appearance before the U.S. Senate Committee on Foreign Relations

Funny thing, at no point has any public meeting or assembly of any kind for Black Lives Matter, a group founded by Marxists and uses the voodoo religion of Santeria as its base. They *never* get shut down, or even get threatened with being shut down. The globalists reserve that type of treatment of Christians, and you can expect it to get much worse.
