Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, **but rather reprove them. But all things that are reprov**ed are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines: "**Reprove**": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. "**Circumspectly**": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Luke 21:36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Matthew 24:13 But he that shall endure unto the end, the same shall be saved.

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalms 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil **communications** corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:

“Communications”: companionship, communion

“It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men.” Samuel Adams

“The average age of the world's great civilizations has been two hundred years.

These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage.” Alexander Fraser Tytler

THE FALLING AWAY: America's new religion is "Fake Christianity"

Jul 30, 2021 | (OPINION) TWT – Earlier this month, the Western Journal reported that the "American Church Has Fallen: Shocking Poll Shows 'Fake Christianity' Has Supplanted the Biblical Worldview."

Writing for the Journal, Rachel Bratton said this: "American Christianity has fallen. Thanks to cultural corrosion and a lack of biblical literacy, a new 'fake Christianity' is now being preached within the American church."

"This counterfeit religion is Moralistic Therapeutic Deism," stated Ms. Bratton, "a worldview that has quickly gained prominence and given many Americans a theology that looks nothing like historical Christianity, despite what they may claim."

She then goes on to cite the recent work of George Barna, whose February survey showed that Moralistic Therapeutic Deism (MTD), or — watered-down, feel-good, fake Christianity — is the most popular worldview in the United States today.

"Christianity in this nation is rotting from the inside out," states Mr. Barna. "MTD is essentially what I would call fake Christianity. Because it has some Christian elements in it, but it's not really biblical, it's not really Christian."

And what is MTD exactly? Mr. Barna answers: "The moralistic perspective is we're here to be good people and to try to do good... The therapeutic aspect is everything is supposed to be geared to making me feel good about myself, ultimately to make me happy."

Deism is the idea that God created the world but has no direct involvement in it. Basically, according to MTD, there is a distant God who just wants everyone to be nice, and the purpose of life is to be happy. American 'Christians' who have adopted this philosophy have... elevate[d] personal definitions of right and wrong above any objective standard of Truth — like the Bible." [READ MORE](#)

What the Bible Says About the Heart

Deuteronomy 11:16-18a: "Take heed to yourselves, that your heart be not deceived, and ye turn aside, and serve other gods, and worship them; And then the LORD'S wrath be kindled against you, and he shut up the heaven, that there be no rain, and that the land yield not her fruit; and lest ye perish quickly from off the good land which the LORD giveth you. Therefore shall ye lay up these my words in your heart and in your soul..."

Proverbs 18:13: "He that answereth a matter before he heareth it, it is folly and shame unto him."

Proverbs 14:12 & 16:25: "There is a way which seemeth right unto a man, but the end thereof are the ways of death."

Proverbs 28:26: "He that trusteth in his own heart is a fool: but whoso walketh wisely, he shall be delivered."

Jeremiah 17: 9 &10: "The heart is deceitful above all things, and desperately wicked: who can know it? I the LORD search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings.

Proverbs 18:2: "A fool hath no delight in understanding..."

Proverbs 18:2: "All the ways of a man are clean in his own eyes; but the LORD weigheth the spirits."

Mark 7:13: "Making the word of God of none effect through your tradition..."

I Corinthians 14:33: "For God is not the author of confusion, but of peace, as in all churches of the saints."

Jeremiah 17:5: "Thus saith the LORD; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD."

Fauci Issues Dire Warning Of What's To Come--"Things are going to get worse" because of a surge of the 'Delta' variant among UnVaccinated people

August 1, 2021 [Click here to read the full article](#)

It's Sunday, which means Fauci in on TV pushing CCP propaganda and trying to scare Americans into getting an experimental vaccine.

Dr. Fauci defended the CDC's 180 on mask mandates for vaccinated people and said "things are going to get worse" because of a surge of the 'Delta' variant among unvaccinated people.

Department of Justice Declares COVID-19 Vaccine Mandates Legal!

The Department of Justice concluded in an opinion that federal law doesn't prohibit public agencies and private businesses from requiring COVID-19 vaccines under the Food and Drug Administration's emergency use authorization.

On July 26, the U.S. Department of Veterans Affairs, California, and New York City said they would require some of their government workers to get the COVID-19 shot or be tested weekly. Veterans Affairs, with the move, became the first federal agency to mandate the vaccine.

The Justice Department's Office of Legal Counsel on July 26 [wrote \(pdf\) that](#) because access to COVID-19 vaccines is more commonplace, "numerous educational institutions, employers, and other entities across the United States" have said they will require some individuals to be vaccinated against the virus as a condition of employment, participation, benefit, service, or relationship. https://www.theepochtimes.com/mkt_breakingnews/departement-of-justice-declares-covid-19-vaccine-mandates-legal_3920759.html

[Government authorities now ordering the VAXTERMINATION of all govt. employees](#)

Government authorities and large health care groups are ordering the vaxtermination of their own members and workers, demanding spike protein murder shots be injected into millions of victims who work in the government and health care sectors.

NYC mayor Bill de Blasio, for example, [just announced covid mandates](#) (vaccinate or endure daily tests with high false positive rates) for all 314,000 city workers. This is government targeting government in the vaccine depopulation war. What it means is that if covid vaccines produce any significant number of fatalities or hospitalizations, NYC will suffer personnel losses and large increases in health care costs for its own workers, plunging the city into a dire situation where there are no longer enough city workers alive to keep the city running.

Similarly, the American Medical Association and dozens of other medical groups have colluded to [call for mandatory vaccines of all health care workers](#).

Both the State of California and the Veterans Administration have [announced mandatory vaccine requirements](#) for all their workers. In California alone, 15.4% of the workforce is employed by the government, [according to 247WallSt.com](#), and there are 2.5 million government workers in the state of California (although not all of them work for the state itself and may instead work for county or city governments).

In Arizona, a large health care group known as Banner Health has [announced mandatory vaccine requirements for its 52,000 employees](#). Any who refuse the vaccine will be fired after November 1st, right as the winter flu season is rising, likely increasing the demand for health care services.

In all, we are now seeing governments and health care "authorities" ordering the vaxtermination of their own workers and employees on a scale never witnessed in the history of human civilization. This is a genocidal self-culling operation that clearly seeks to murder as many people as possible as a way to collapse the nation.

Subject: **Attorney Renz: They Are Panicking - Hold Firm**

Friends –As many of you have probably noticed the other side is panicking. They are attacking the vaccine issue like rabid dogs and I strongly believe it will backfire. I also have had information shared with me that part of the reason for the panic is that they are terrified of the truth that is becoming evident every day – namely that these vaccines are likely far more dangerous than COVID. We have been told that the court filing with the information about the 45,000 deaths is driving this reaction because the bad guys know they cannot keep the truth hidden much longer.

My team is working on developing a substantial amount of additional information that will be equally damaging to the other side. In fact, we are currently in possession of a recording of a government employee discussing how dangerous these vaccines are and how people simply do not know. This info will be shared in the near future.

Tell your conservative elected officials to stop making excuses and support the rights of individuals over profits of big businesses...Real conservatives will ALWAYS recognize that individual rights trump business rights.

Beyond the need for state legislation, the other issues we are facing are federal and local. I am fighting the federal issue to the best of my capacity but "we the people" must fight the local fights. Our schools are all going to be pushed to mask our children and many will try to lock down again this fall. There simply are not enough lawyers to fight every district so you have to fight your fights locally. Every county in this state needs to organize and plan. You need to attend school

board meetings, town council meetings, and county commissioner meetings, and you need to attend them all.

There are more that are now fighting the fight on the state and federal level but if you want your neighborhood to be free you need to fight for your neighborhood. This can only happen by creating local groups and working together to support businesses that support freedom and fighting against local tyrants.

The lie is coming unraveled but the most dangerous animal is a cornered animal. We need to fight harder now than ever or trust me when I say that vaccine mandates and permanent lockdowns will be reality. God bless you all and keep praying and fighting.

Pastor Matthew Trewhella of Mercy Seat Christian Church speaks out on the danger of the covid "vaccine". There are 5 compelling reasons not to get the covid jab, and 5 ways they are pressuring you to get it.

A week ago today, we posted [a 5-minute video Pastor speaks out against vaccines](#)-- In less than two hours, YouTube had removed it and sent us notice that we were banned from YouTube for seven days.

The title of the video is [Pastor Speaks Out against Vaccines](#) and you can [see it now](#) at Rumble.

YouTube informed us that next time we will be thrown off for 30 days; and the time after that - removed altogether. Therefore, we continue to build at GAB and RUMBLE.

Please share the video everywhere as pressure by government and businesses to vaccinate is growing. In France - they are fighting for their very lives against 'vaccine passports' which will be attempted here in America too.

Here is a quick series of posts I made this past week at GAB.com.

On July 26th:

So - have you figured it out yet?

The government owns your body, and your doctor is an agent of the State.

On July 27th:

So - have you figured it out yet?

You are living in a dystopia. Welcome to a Brave New World and 1984 on steroids - and they are using medical personnel to impose it. They are called "heroes" while they are really harmers. They are having you think the people who are harming you are "heroes."

The medical personnel are not "heroes" - most are whores who long ago sold their lives to the state to keep their jobs and careers.

[#DefyTyrants](#)

On July 29th:

So - have you figured it out yet?

People complied and wore their masks to keep their jobs - now they have to get vaccinated to keep their jobs.

Tyranny is built plank by plank. If people would have stood against the masks, they wouldn't be where they are now. When tyranny raises its ugly head you must crush it immediately - not try to appease it. As each plank of the tyranny is accomplished, resistance becomes more difficult.

Tyrants must be confronted and defeated.

Subject: Romanian Listener Comment: Covid Restrictions & Possible War Coming

A patient of mine who works in a Covid hospital as a person who works with paperwork told me that she received a phone call from her boss about the number of patients they estimate they will have starting September, when supposedly the next wave will come.

She is angry that our citizen's didn't protest against this plandemic as they did in France and other western countries.... because obviously she admits it's all fake.

Another subject:

A pharmacist in my city said that her boss received a letter from the Ministry of Defense in which they were solicited to provide the need of a pharmacist in case of war.

I wonder if because a lot of people are waking up about this plandemic, they will play the war card which will accomplish more plans than the pandemic would, like: loss of life, internet, gas, electricity, shut down and famine that will come because the circulation of trucks will be affected. Maybe after war ppl will be more easy to control because of all the effects of war. Stay safe.

On Wednesday, my nephew had to be admitted to the ER for heart issues. He has not taken the kill shot.

His enzymes were so high. I'm trying to get more details.

My sister, his Mom, also wrote: (Jen is her daughter in law)

Jen's cousin's husband who lives in Indiana was just admitted into hospital for about the same thing!

This is getting scary and so real. Hitting healthy young unvaccinated men in their 30's!

Scott Johnson's Response: Yes they are being infected by the vaxxed hoards. Have to keep your immune system at a high level to ward this off. For my most current doc on how to do this—see starting on page 27: [PDF: Emergency Freedom Alert 7-26-21.](#)

Insanity & Lying Devils!: Hospitalizations and Deaths Among Vaccinated Surge-- While Health Authorities Blame the Unvaccinated

The official government narrative that the U.S. is facing a new “pandemic of the unvaccinated” continued this week, as the corporate media, the White House, and state governors all continued to blame the “unvaccinated” for rising cases of **COVID-19** and the “delta” variant.

Summit News reports:

Unvaccinated Americans were the talking point of the day on Monday with a slew of figures slamming those who have chosen not to take the coronavirus jabs, assigning blame to them for America ‘going backwards’, likening them to murderers, and suggesting that they are to blame for more deadly variants of the virus emerging.

First up, the White House with Press Secretary Jen Psaki claiming that America is in reverse because “there are still a large population of people in this country who are unvaccinated – and we have the most transmissible variant that we’ve seen since the beginning of the pandemic that more people are getting sick with Covid.”

Next up was Fauci, who appeared on his favorite softball network MSNBC to announce that unvaccinated Americans will be to blame for the next deadly variant.

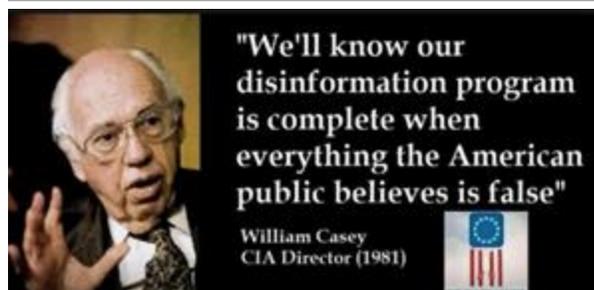

CNN’s Lemon Don declared that the unvaccinated should be prevented from having normal lives.

“Don’t get the vaccine. You can’t go to the supermarket. Don’t have the vaccine, can’t go to the ball game. Don’t have a vaccine, can’t go to work. You don’t have a vaccine, can’t come here. No shirt, no shoes, no service. I think that’s where we should be because we can’t to waste our breath on people that are just not going to change,” Lemon decreed, with Chris Cuomo wholeheartedly agreeing.

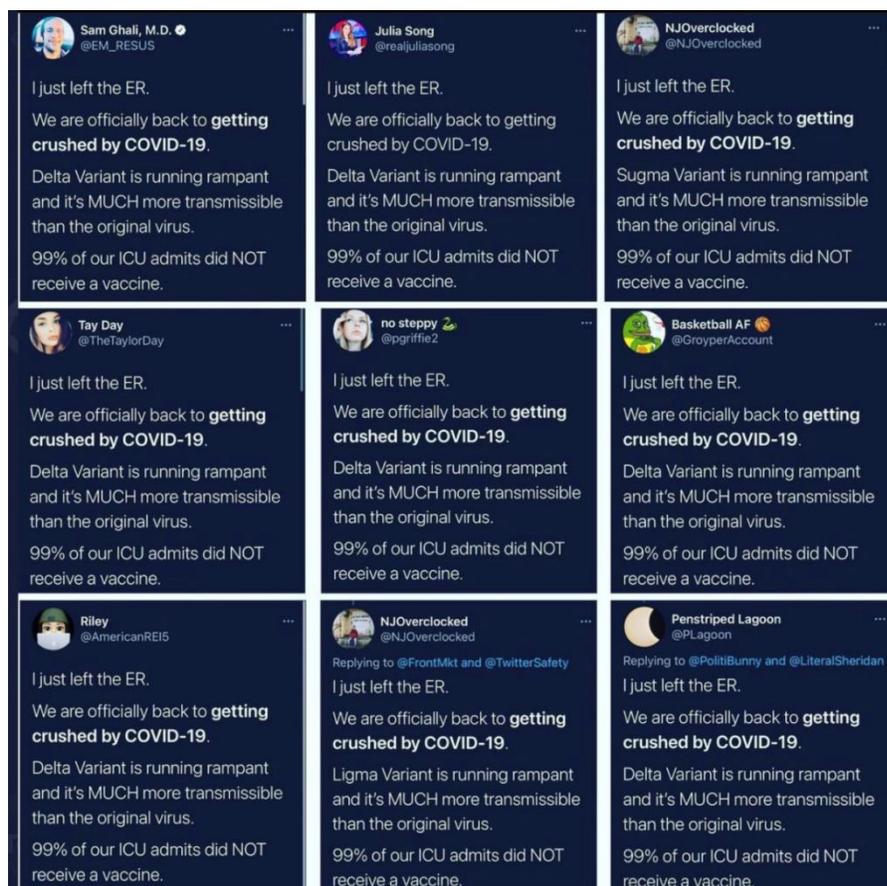

Meanwhile in New York, Cuomo’s brother proclaimed “we have to get in those communities, and we have to knock on those doors, and we have to convince

people, and put them in a car and drive them and get that vaccine in their arm. That is the mission."

Finally, on the other side of the country, California governor Gavin Newsom likened unvaccinated Americans to murderous drunk drivers." (Source)

The Vaccinated Should Not Hold A Cellphone Anywhere Near The Brain Or Even, Body!! Watch "The Thing" Come To Life!! Graphene Oxide Is A Key Ingredient In

The Covid Kill Shot!! EVIDENCE OF A HIGHLY ORGANIZED INTERNATIONAL CONSPIRACY TO COMMIT GLOBAL GENOCIDE

This could likely be a factor in heart damage... because the HEART IS THE MAGNETIC CENTRE OF OUR BODIES! "the thing" forms when graphene oxide is in close proximity to a cell phone because of EMFs, or 5G, or a specific component of the radioactive field, we're not sure yet... but it sure looks like holding a cellphone next to your body is going to create "the thing" when it's close enough. Is the magnetism proof that graphene oxide is magnetic under certain conditions?

The video of a smart phone next to a pile of Graphene Oxide is here:

Report From 2018--The Future of Graphene and 5G

Grolltex Manager, April 2nd, 2018--At the February Mobile World Congress, held in Barcelona, Spain, the *close connection between graphene and 5G technology* was one of the main sources of attraction. Both have been featured prominently in the news recently as new-age wonders, so it's only natural that the two would at some point combine forces to produce some truly remarkable capabilities. Monolayer graphene has only been commercially available for about the last decade, but it has already made a powerful impact in the areas of high-speed photosensitivity, farming applications, flexible photodetectors, medical diagnostics, and water purification processes. 5G of course, has been hailed as the future of communications for several years, and is considered to be the enabling technology for both VR and AR. Some of the ongoing research has been related to finding ways that super-conductive, flexible monolayer graphene could

be used to support the needs of 5G technology, to help finally achieve the breakthrough it needs.

5G technology cannot simply be scaled up from previous technology to meet the demands of high-speed communications of the future – it needs an enabling technology. Enter monolayer graphene. By late 2017, a research team at Chalmers University in Sweden had developed a method of *combining graphene flexibility with terahertz detection so as to make it possible to connect the Internet of Things (IoT), via high-bandwidth technologies available in 5G.*

Another group of researchers comprised of Italian University specialists and commercial companies have produced a flexible microwave device for communications which has applications for Wi-Fi, and which can also be used in **millimeter wave (mmWave) technologies.** And why is this important? It's universally acknowledged that *the true future of 5G technology lies in this millimeter wave technology.*

[INBRAIN Neuroelectronics Secures \\$17 Million in Series A Funding for First AI-Powered Graphene-Brain Interface](#)

March 30, 2021 BARCELONA, Spain--([BUSINESS WIRE](#))—

INBRAIN Neuroelectronics S.L. is a company dedicated to developing the world's first AI intelligent graphene-brain interface, today announced \$16.8 million in (Series A) funding for its disruptive system for treating epilepsy and Parkinson's disease.

INBRAIN's technology harnesses the power of graphene, a two-dimensional material first isolated in 2004 made of a lattice of carbon atoms only one atom thick. The strongest material ever tested, roughly 100 times stronger than the equivalent thickness of steel, graphene has unique electrical and thermal conduction properties that are still being explored.^{1,2}

YOUR MESSAGE This voice-to-skull tech is getting real. I'm an outsider in a foreign country and have been hearing my name and vaccine over and over in my head. The shipments of vaccine just arrived in our area and that's exactly when the 'voices' started.

Also: Think they may be cloud seeding the vax here. It's been very strange smell in the air and my mouth tastes like a sharp mold us the best way I can describe...and hasn't stopped raining since the vaccines arrival in my city.

24 July 2021--People who willingly take the so-called "Vaccine" against COVID-19, may be turning themselves into someone else's Patentable property by willingly allowing the alteration of their DNA into a "new and useful . . . composition of matter."

SUPREME COURT OF THE UNITED STATES

Syllabus

ASSOCIATION FOR MOLECULAR PATHOLOGY ET AL.
v. MYRIAD GENETICS, INC., ET AL.

CERTIORARI TO THE UNITED STATES COURT OF APPEALS FOR
THE FEDERAL CIRCUIT

No. 12–398. Argued April 15, 2013—Decided June 13, 2013

The United States Supreme Court set the precedent in the case **ASSOCIATION FOR MOLECULAR PATHOLOGY ET AL. v. MYRIAD GENETICS, INC., ET AL.** wherein the court Held: **"A naturally occurring DNA segment is a product of nature and not patent eligible merely because it has been isolated, but cDNA is patent eligible because it is not naturally occurring."**

In setting this precedent, the court found that each human gene is encoded as deoxyribonucleic acid (DNA), which takes the shape of a "double helix." Each "cross-bar" in that helix consists of two chemically joined nucleotides. Sequences of DNA nucleotides contain the information necessary to create strings of amino acids used to build proteins in the body. The nucleotides that code for amino acids are "exons," and those that do not are "introns." Scientists can extract DNA from cells to isolate specific segments for study. They can also synthetically create exons-only strands of nucleotides known as complementary DNA (cDNA). cDNA contains only the exons that occur in DNA, omitting the intervening introns. Acknowledging that scientists can synthetically create what the court called "complementary DNA" the court held that such creations are "patent eligible" because they are not naturally occurring.

Which leads us all to the new COVID-19 "vaccines". These vaccines do NOT contain a live virus, or an attenuated virus, or even a recombinant DNA virus like all other vaccines. Instead, these new COVID-19 "vaccines" contain "messenger RNA" which, when it enters a human body, begins altering DNA, telling it how to manufacture spike proteins (found on the COVID virus).

This alteration of human DNA is a "new and useful . . . composition of matter" which is patentable by its creator.

So if you VOLUNTARILY took one of the COVID vaccines, might you now be "ownable" by the creator of the vaccine? After all, that company's vaccine "created" what is (now) your DNA.

It is interesting, however, that the question is now arising. What if the companies whose vaccine you took, decide they own you? What if they argue that you agreed to this modification of your DNA when you took their "vaccine" and as such, you belong to them now?

More importantly for some people is another aspect of this situation: If your DNA is now altered, are you still even "human?" Do you still have "human rights?" Or are you a "Genetically Modified Organism" which is the property of its creator, with no human rights?
