**++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:**

**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give

thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines: "**Reprove**": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. "**Circumspectly**":

Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24**: "...if it were possible, they shall deceive **the very elect**."

**II Corinthians 2:11**: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

**II Chronicles 7:14**: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Luke 21:36** Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

**Matthew 24:13** But he that shall endure unto the end, the same shall be saved.

**Psalms 101:3**: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

**Psalms 11:5**: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

**1 Cor 15:33**: Be not deceived: evil **communications** corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:

"Communications": companionship, communion

**"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men."** **Samuel Adams**

**"The average age of the world's great civilizations has been two hundred years.**

**These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage."** **Alexander Fraser Tytler**

## **+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS**

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. **We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others.** We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed

for everyone to see. We decree and declare that what these evil people & entities meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

**WARNING--U.S. East Coast Could be SUBMERGED by Tsunami at Canary Islands Volcano Eruption with Landslide in Progress!+ Most Tsunami Warning Buoys OFFLINE or Malfunctioning in Atlantic Ocean**

- **CUMBRE VIEJA IN LA PALMA ISLAND ERUPTING-MAGMA SETTING FIRES TO TREES.**

The entire east coast of the United States (and Canada) could find itself literally under water if the ongoing earthquake swarm in the Canary Islands results in a volcanic eruption and predicted massive landslide. A Tsunami of 30 to 50 meters would obliterate much of the east coast, killing millions.

Since September 11, an earthquake swarm exceeding 6,600 earthquakes on the island of La Palma, part of the Canary Islands off the northwest coast of Africa, has been rumbling a large,

unstable, section of land, the size of Manhattan, New York City. This slab of land rises 6,000 feet above sea level and is angled sharply downward toward the ocean.

A past volcanic eruption there in 1971 made scientists aware that this slab of land had become terribly unstable, because volcanic vents and tunnels had made their way underneath the land. Scientists predict that a future eruption could dislodge the slab, sending it crashing into the Atlantic Ocean below, and generating a mega-tsunami.

Seven hours after the landslide, the US/Canada east coast would be hit with a large tsunami wave, estimated to be at least 30 meters (about 100 feet) tall. This wall of water would come barreling in to the east coast, obliterating everything in its path: Boston, New York, Philadelphia, Baltimore, Washington, Norfolk, Charleston, Savannah, Jacksonville, West Palm Beach, Ft. Lauderdale, Miami, all the Florida Keys, and everything in between those cities along the coast.

If anyone needed another sign of where we're going from here, we get it [from this WTOP story](#). Titled **"Not a choice any more': Council member presses DC on unvaccinated"**, that story pointed out what is already happening now in Washington DC, with D.C. Council Member Elissa Silverman recently saying during a council call with city administrators: **"D.C. needs to take a more aggressive approach on vaccinations — getting the jab into more arms"**. Reporting at their opening **"D.C. officials were asked point-blank on Friday what plans the District has for people who remain unvaccinated against COVID-19 following President Joe Biden's mandate announcement"**, it then pointed out how the official govt policy will be harassment, followed by more harassment, followed by even more harassment, with these lines from the story: **Patrick Ashley, with D.C. Health, said the city has a significant outreach program going door to door.**

**"And as a reminder, we knock on doors until we actually get someone to talk to us. And so they'll go back to a house four or five, six times, if necessary, multiple times of the day," he said.**

Ashley also said the District is working with Medicare providers to make sure that they're providing vaccination education. "But you're right, it is a choice of theirs to make," Ashley said. "So we'll continue to do that education through the —" Silverman interrupted Ashley to say: "The president is saying it's not a choice any more."

Yet if any American no longer has that 'choice' to make anymore, and this government can tell us what we HAVE TO put inside of our bodies; then the fact of the matter is that this government can force ANYTHING inside of us (or at least they'd think they can, this nothing less than medical rape).

Digital health passports: The snare that will lure many into the one-world cashless system

September 18, 2021--If they prevent the non-vaccinated from entering restaurants, from earning a livelihood, they may prevent them from buying food. The whole point is to coerce people into taking the "vaccine." Where will it stop? Will they move resisters to quarantine camps where they will be at the mercy of the medical killers, like the elderly in nursing homes?

In this eye-opening article, Leo Hohman unveils three developments that if implemented will lead to our total enslavement: 1. Digital Vax Passports 2. World Digital Currency 3. Internet Passport

Leo Hohmann; "Several new technologies that appear separate and unrelated will soon converge, creating a giant digital trap that will easily entice the uninformed masses.... Most people will sleep-walk right into the trap, which will ultimately reduce them to a human QR code - trackable, traceable, and 100 percent dependent on Big Tech and big government for their existence.

"Gov. Cuomo very forcefully "asked" business owners to eliminate 30 percent the state's population as potential customers and treat them as non-persons. This ... reminds one of the Nazi propaganda that coerced Germans to refuse to do business with Jews."

## Tagged Like Cattle--The Covid Jab Transmits Your Unique Barcode!!!--Are the Jabbed Connected to Bluetooth?

September 16, 2021--Henry, Here are a dozen smartphone screenshots I took Monday in front of a supermarket in Germany.

It looks like the inoculated are all having their own individual (kind of) IP address which appears on the screen when Bluetooth is being activated and scans the surrounding for reachable Bluetooth devices.

As you can see I did that for five minutes and the digits change with the ongoing stream of pedestrians and vehicles. The addresses all have the same format.

Twelve digits separated by colon, a mix of numbers and alphabetic characters.

This is definitely not how a reachable bluetooth device looks like on the screen. Normally you get the name of the device and a symbol that shows what kind of device, e.g. headset, phone, car hifi etc.

The more people are around the more numbers appear and the list changes from second to second.

I'm not a pro but I know a little bit about computers and I have never seen anything like that before.

My web research resulted in absolutely nothing except some others who noticed the same phenomenon. The fact that the numbers change with the people passing by only makes sense when these people themselves are the devices.

If true, everybody with a smartphone (except iPhone) can see with his own eyes now what the whole C-agenda is about. Everybody can check this by himself. Even the inoculated non-believers can go to the woods or elsewhere where they are alone and try it out. The same number they always see on their screen, no matter when they look at it, is their own mark-of-the-beast-like-number.

Seems like tptb created this whole C-scenario amongst others to get everybody injected with a jab that contains graphene oxide and that self-assembles (this ability is one of graphene oxides characteristics) in the body to some kind of artificial system which connects the person to the smart grid either directly via 5G or via the persons smartphone.

And I suppose this is only one aspect of the evil potential of the jab.

Published on May 25, 202--By Makia Freeman "The only problem is that everywhere I go, everywhere I go, everything is trying to connect with me man, like Bluetooth

connect to me. I get in the car, my car is trying to connect to me. I go home, my computer's trying to connect. Like, my phone is trying to connect ... the connectivity's still there. I don't know how to turn it off. Everywhere I get the same message."

Those who understand the background to this discovery - including Transhumanism and the Operation Coronavirus-nanotech connection - will perceive that this is another clue that the COVID non-vaccines are injecting some kind of biosensor into people, to begin the process of turning people into nodes on the Smart Grid.

First Comment from Ken Adachi

Everyone who receives the Covid Death Jab is hooked up to "The Internet of Things" immediately following his first Jab. It's now known that ALL Covid Death Jabs contain Graphene Oxide which is creating the signal being transmitted and registering on that Blue Tooth reader. Dr Carrie Madej explained this AI/Vaxxed "hookup" in great detail in a video that she posted to Youtube on August 17, 2020 (and I re-posted to my Bitchute channel on Sep. 11, 2020).

<https://www.bitchute.com/video/o5p9D7Vo72WY/>

The AI/Vaxxed "hookup" was later revealed by a Russian hacker in May of 2021 when he hacked into the computer system that was listing all of the Bio-metrics and ID data on the Russian people who got injected with the Sputnik Jab and zeroed in on the data being transmitted by one of his friends who got the Death Jab. Here's the video (narration in Russian, but translated into English subtitles)

WB writes

Henry, concerning the MAC codes... I'm a retired federal IT Specialist.

These numbers are definitely in a MAC address format, except for one thing. In a true MAC address the first six hexadecimal characters ALWAYS identify the manufacturer of the device (they will always be the same based on a set manufacturer code) and the last six identify the device itself (such as a network card in a computer... they are UNIQUE based on each device).

So, In this case all 48 binary numbers (each hex number represents four 1's or 0's) seem to be identifying a single person. IF this was just reading cell phones (which I don't believe it is) then you would see the first six hex characters repeating somewhat as to manufacturer... as there's only a limited number of manufacturers in the world...the last six however would be totally different for each phone). It definitely appears that EACH INDIVIDUAL is identified with a 12-bit hexadecimal number.

JS Wednesday- ok, I'm just back from another trial test with a family members smartphone. Same procedure same outcome. I can only repeat myself: Yes, every network device has its own worldwide unique MAC address. But when connected

the device is NOT being displayed by its MAC address, but by its name (i.e. see the attached screenshot > headset, soundsystem). How else could one find a desired device in case of connecting? Everybody would have to know the MAC addresses of his devices by rote (Meaning: mechanical or unthinking routine or repetition)...I would just like to ask everybody with a smartphone to go to a place with numerous people and try it out himself.

JS Tuesday

is it possible you are picking up their phones?"

No, I don't think so.

1. I know what a MAC address is, but my phone never showed any and I don't know how this could be possible. Would have to be a very peculiar bug in the software or flaw in the hardware if the phone was kaput. It's five years old but running reliably. No problems at all.

2. If it was a bug or a flaw it would have to show this behavior with every device in the closer surrounding, but it doesn't. I only know and have contact with unvaxxed and they all have smartphones too. And of course I tried it out yesterday and today - nothing! No 'MAC' addresses from their devices. No joke. I'm more and more certain that it's the vaxxed who are tagged. By the way I find it logical that these human IPs are also formatted like MAC addresses. It's the IoT and the IoB (internet of bodies, like they announced it a couple of years ago).

["Where Did All The People Go?"--Secret Holocaust: Are millions of vaccine victims disappearing into mass graves?](#)

We now have a disturbing new theory emerging that deserves a real investigation. I credit this to Michael Snyder of The Economic Collapse Blog, who asked in a recent article, ["Where Did All The People Go?"](#)

As Snyder points out, the global shortage of workers — now widely reported across the world — can only really be explained if a large number of working-aged adults are no longer with us. In the United States, with the US Supreme Court striking down the CDC's unconstitutional eviction moratorium, people *need* to work in order to pay rent (the free rent has stopped). And with covid stimulus payouts having ended in most states, people can't support themselves staying at home and not working... especially with food inflation driving grocery prices through the roof.

As Snyder points out:

*There aren't enough factory workers, there aren't enough truck drivers, there aren't enough port workers, there aren't enough employees to properly staff our stores, and the shortage of doctors and nurses is becoming a major crisis in some areas. During normal times, we were always told that the global economy was not producing nearly enough jobs for everyone, but now for the very first time we are facing an enormous worldwide labor shortage. It is almost as if millions upon millions of people suddenly disappeared from the system.*

In today's podcast (below), I asked the rest of this question: **Is it possible that hospitals are systematically murdering people and secretly disposing of their bodies in order to cover up massive covid vaccine deaths?**

In any previous year, I would have thought such an idea was a wild conspiracy theory, but enough horrific information has emerged about what is going on to know that scores of **hospitals are murder factories run by anti-human lunatics posing as doctors and administrators**. They have zero interest in helping people or preventing deaths. Rather, they are now openly working to maximize covid hospitalization and death numbers among the *unvaccinated*, and it seems they'll stop at nothing to achieve it. **Logically, they would also do anything to cover up the deaths of vaccinated patients. Do you have any doubt they would lie and commit health care fraud in order to hide the truth about vaccine deaths from the public?**

A recent video out of Australia features a local man accusing hospitals of **treating vaxxed patients with ivermectin** in order to save their lives, while simultaneously **putting unvaxxed patients on ventilators** in order to murder them and increase deaths among "unvaccinated." Watch it here:

[Brighteon.com/d39bd385-15c0-470f-9643-4a15b03e3db1](https://www.brighteon.com/d39bd385-15c0-470f-9643-4a15b03e3db1)

We don't have proof that the assertions made in this video are 100% true, but I ask you this question: **Would it surprise you if they were?**

The answer for most people now is, "No, not at all."

It's now *obvious* that many of the doctors, nurses and hospital administrators have total disregard for human life and are merely trying to push their covid cult agenda *no matter what the cost*... even if it means murdering innocent human beings and chucking their bodies in a dumpster (or an incinerator) in the hospital parking lot.

To further enforce the cover-up, Big Tech is silencing or even de-platforming anyone who talks about someone they know being injured or killed by vaccines. Thus, the channel through which vaccine deaths would normally be shared has been completely shut down. You are only allowed to say *good* things about covid vaccines, not critical things.

So it's entirely plausible that millions of Americans could already be dead from covid vaccines and there would be almost no public mention of it. The media is completely controlled by Big Pharma, and the tech giants suppress any such speech. Those are the two ways most people get their information.

Meanwhile, hospitals and county officials could be easily ordered to fudge the numbers and cover up all the covid vaccine deaths, in exactly the same way they fudged all the numbers last year and claimed everybody was dying from covid (while claiming all the hospital beds were full) while no such thing was happening.

If this "secret holocaust" were taking place, we should find evidence of it somewhere, perhaps in corners of the internet that aren't fully controlled by Big Pharma and the vaccine enforcers.

### [Updated Bombshell: Covid-19 Vaccine Documented Deaths and Injuries Compilation-8-28-21](#)

Comment sections for published stories might provide precisely such a venue.

**What do we see in the comments for stories about covid vaccines?**

As [LifeSiteNews](#) recently reported, "TV station asks for stories of unvaxxed fatalities but gets deluged with jab death and injury stories."

While the ABC News affiliate was trying to push a narrative of unvaccinated people dying from Covid, what they got instead was a now-reported **180,000+ comments from people sharing stories of vaccine injuries and deaths.**

**If nobody was dying from the vaccines, how would this be possible? From the story:**

*"I don't know anyone who died from covid but I do know a 37 year old who got the vaccine and died of brain aneurysm 8 days later," wrote a Facebook user under the name Maximilien Robespierre.*

*Immediately below, Richard Smother shared, "My coworkers daughter (12 years old) had to be rushed to the ER after she collapsed an hour after her second shot."*

*Krista Evans shared, "I know 3 people personally that died shortly after being fully vaxxed. All the people I know that have had the China virus, had very mild flu-like symptoms so why the hell would anyone get poked with this poison???"*

*Becky Burch commented, "An Aunt died a week after the shot. The family never thought much about it until visiting with another cousin who had family die after the shot with the same 'strange' issue...not sure of the details. Now, they think it was the shot."*

*Besides deaths, the testimonies of side effects from the jab cover a wide range of injuries and symptoms, from heart attacks and blood clots to digestive issues to loss of sight and movement.*

*"My mother had a heart attack 4 days after receiving her first vaccine. She now has a blood clot in her lung," Jessica Mauldin commented.*

*Juli Smith wrote, "My neighbor died from the vax, the funeral is next week. My mom can't feel her arms and legs. My BF has been in ER several times with debilitating headaches. My mom and BFs doctors don't correlate the two, but the timing makes it suspect. My husbands doctor refused to let him test for covid antibodies. These doctors are complicit."*

**If just 1 out of 20 people has already died from a covid vaccines, that would equate to over 16 million deaths across America**

We aren't claiming the covid vaccine has killed over 16 million people (yet), but if nearly everybody knows someone who died from the vaccine, the real number is almost certainly already in the millions.

It would be very easy to cover up these deaths, too, if a financial institution with ties to the government **bought up all the homes previously occupied by now-dead vaccine victims**. Sure enough, this is exactly what BlackRock is doing, as [NOQreport writes](#):

*...an April WSJ article that chronicles BlackRock and other money institutions buying up single-family homes as quickly as they can at rates higher than the average homebuyer is willing to pay. They're buying them up at a premium, and that should concern everyone whether you're in the market to buy a home or not.*

It looks like **BlackRock is buying up the excess inventory of homes** in order to keep demand high while so many homeowners are dying and disappearing. A Twitter thread by @CulturalHusbandry adds:

*Blackrock is buying every single family house they can find, paying 20-50% above asking price and outbidding normal home buyers. Why are corporations, pension funds and property investment groups buying entire neighborhoods out from under the middle class? Lets take a look. Homes are popping up on MLS and going under contract within a few hours. Blackrock, among others, are buying up thousands of new homes and entire neighborhoods.*

**Funeral director John O'Looney blows the whistle on mass deaths from covid**

A very important interview with John O'Looney from [Milton Keynes Family Funeral Services](#) in the UK is spreading like wildfire across the 'net. It reveals truly shocking, disturbing information about hospitals mass murdering patients in the name of "covid," and shuttling a steady stream of bodies to funeral services.

Watch it here: [Brighteon.com/ff7c79ce-367e-478d-aa74-76868f454e4b](https://www.brighteon.com/ff7c79ce-367e-478d-aa74-76868f454e4b)

And of course, video platforms across the 'net have long carried videos revealing **FEMA coffins** stacked in large numbers at various locations across America. Here's one such video: [available on Bitchute](#).

**It's fairly obvious that FEMA is planning for mass deaths, and that this planning has been under way for many years. Thus, there already exists an infrastructure to cause millions of dead bodies to vanish into coffins and mass graves, all under the watchful eye of the US government which is waging biological warfare against the American people. This isn't absolute proof that such events are happening, but it shows they are plausible and that the infrastructure is already in place.**

**In today's Situation Update podcast, I discuss the growing realization that millions of people seem to be vanishing from our economy, leaving small employers high and dry with no one left to fill the now 10+ million job openings that are necessary to run the businesses that keep America afloat.**

**Listen and decide for yourself whether you think covid vaccines are already killing millions across America while a corrupt, treasonous government is covering it all up and silencing those who try to speak out. And ask yourself this important questions: If covid vaccines were perfectly safe and effective, why**

would Big Tech have to censor so many people who have witnessed people being injured or killed by those very same vaccines?

House of COVID Cards Collapses: FDA Vaccine Panel Comes Out Against Deadly Injections--Bombshell testimony from top scientists at vaccine hearing reveals injections killing more people than saving and driving surge of variants--No wonder the FDA vaccine committee voted 16-2 against rolling out Biden's COVID booster shot program

Several doctors from the Food and Drug administration's (FDA) vaccine hearing on Friday claimed in explosive testimony that the COVID-19 vaccine is killing more people than it's saving and is driving the coronavirus mutations like the so-called 'Delta' variant.

FDA's Vaccines and Related Biological Products Advisory Committee after 8 hours of testimony **voted 16-2** against Joe Biden's proposed COVID-19 booster shot program.

During that hearing, Dr. Steve Kirsch, director of the COVID-19 Early Treatment Fund, claimed that the injections are killing more people than they're helping.

**"I'm going to focus my remarks today on the elephant in the room that nobody likes to talk about: that the vaccines kill more people than they save," Kirsch said via teleconference.**

Subject: **Listener Question: How much zinc is safe to take on a daily basis I know too much zinc can lead to toxicity wondering what your recommendations are for daily use how much?**

**Scott Johnson Reply:** For short term I would only say about 200mg a day but the protocols I have seen with hydroxychloroquine they recommend 400mg short term. I generally try to stay at or below 100mg a day to boost immune system function but beyond that 50mg is good. Everybody is different though, if I give Taylor any zinc she feels sick as her body must conserve it mightily. I can take 100mg ongoing and I am fine.
