### **+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS**

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

### **Bible Study on the Nephilim & Anunnaki -- How to Defeat Them**

**Num 13:30** And Caleb stilled the people before Moses, and said, Let us go up at once, and possess it; for we are well able to overcome it.

**Num 13:31** But the men that went up with him said, We be not able to go up against the people; for they are stronger than we.

**Num 13:32** And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a

land **that eateth up the inhabitants thereof**; and all the people that we saw in it **are men of a great stature**.

[Deu 1:29](#) Then I said unto you, Dread not, neither be afraid of them.

[Deu 1:30](#) The LORD your God which goeth before you, he shall fight for you, according to all that he did for you in Egypt before your eyes;

The word "Anakims" is used 9 times in the KJV.  
Outline of Biblical Usage:

1. Anakims = "long-necked"

1. a tribe of giants, descendants of Anak, which dwelled in southern Canaan

[Deu 2:21](#) A people great, and many, and tall, as the Anakims; but the LORD destroyed them before them; and they succeeded them, and dwelt in their stead:

[Deu 9:2](#) A people great and tall, the children of the Anakims, whom thou knowest, and of whom thou hast heard say, Who can stand before the

children of Anak!

[Deu 9:3](#) Understand therefore this day, that the LORD thy God is he which goeth over before thee; as a consuming fire he shall destroy them, and he shall bring them down before thy face: so shalt thou drive them out, and destroy them quickly, as the LORD hath said unto thee.

[Heb 13:8](#) Jesus Christ the same yesterday, and to day, and for ever.

Then we have Jack and the Beanstalk:

"Fee, Fi, Fo, Fum, I smell the blood of an Englishman, Be he alive, or be he dead, I'll grind his bones to make my bread."

Enoch Chapter 7 "And all the others together with them took unto themselves wives, and each chose for himself one, and they began to go in unto them and to defile themselves with them, and they taught them charms and enchantments, and the cutting of roots, and made them acquainted with plants. And they became pregnant, and they bare great giants, whose height was three thousand ells: Who consumed all the acquisitions of men. And when men could no longer sustain them, the giants turned against them and devoured mankind. And they began to sin against birds, and beasts, and reptiles, and fish, and to devour one another's flesh, and drink the blood. Then the earth laid accusation against the lawless ones."

[CEO of Blackstone Warns: Power Shortages and Riots Coming to Developed Nations – soon--Propane](#)

["Armageddon" Could Leave Rural Homes without heat](#)  
[We are potentially heading into the most painful global](#)

energy crisis in modern history. Shortages and OUTAGES of Propane could make it impossible to heat rural homes this winter! Top-off your Propane and get extra capacity or stock up on fire wood, NOW, before the outages hit.

This week, CNN asked Blackstone CEO Stephen Schwarzman about coming energy problems and he openly admitted that high energy prices will likely set off social unrest around the world.

"We're going to end up with a real shortage of energy. And when you have a shortage, it's going to cost more. And it's probably going to cost a lot more," the private-equity billionaire told CNN International's Richard Quest at a conference in Saudi Arabia.

Schwarzman continued "When the power goes out, people are not going to be happy. And people are really not going to be happy if it goes out for an extended period of time."

"You're going to get very unhappy people around the world in the emerging markets in particular but in the developed world," Schwarzman said at the Future Investment Initiative. "What happens then, Richard, is you've got real unrest. This challenges the political system and it's all utterly unnecessary."

Sadly, he is right that this global energy crisis did not have to happen.

If the global elite had continued to fund traditional energy projects at the pace that was needed, we could have avoided this nightmare to a very large degree.

But banks and investment firms that traditionally handle the gigantic lending needed to build power plants, are now reluctant to fund anything that would emit carbon from fossil fuels. Environmentalism is now causing a shortage of electric generating capacity, which has become so insufficient, that one billionaire is saying we can now look forward to blackouts in winter time because they cannot generate enough electric anymore.

Meanwhile, prices throughout our economic system continue to rise at a very alarming pace. Overall, we are being told that this upcoming Thanksgiving will be the most expensive Thanksgiving that any of us have ever experienced.

The Kimberly-Clark Corporation is openly warning that they are going to be boosting prices even higher.

Prices of toilet paper, diapers, facial tissues and paper towels will likely rise in coming weeks as Irving, TX-based consumer giant Kimberly-Clark warned Monday that inflation and supply chain concerns aren't "likely to be resolved quickly."

So stock up on paper products while you still can.

Most reader already know the price of gasoline has gone up every day for the past 22 days.

The main reason why prices are skyrocketing is because supplies are starting to get really tight. In fact, it is being reported that the crude oil hub in Cushing, Oklahoma could be "effectively out of crude" in just a few weeks...

In a note predicting the near-term dynamics of the oil market, JPMorgan's commodity expert wrote: in a world of pervasive natural gas and coal shortages, these are forcing the power sector to increasingly turn to oil, which is creating a oil storage – which just dropped to 31.2mm barrels, the lowest since 2018...  
... we may be just weeks from being "effectively out of crude."

Needless to say, we have never seen anything like this happen before. In such a scenario, how high could the price of oil potentially go?

And if oil price records are being shattered in the months ahead, what will ordinary Americans have to pay when they go to fill up their vehicles? Meanwhile, one expert recently told Bloomberg that we could soon be facing “propane-market Armageddon”...

In the report by Bloomberg it says prices for the first quarter of 2022 are already far above later supplies, saying, “it may indicate players are preparing for propane-market armageddon.” He added that some areas could see outright shortages before winter ends.

To add to the stress, Poynter says some weather forecasts are already calling for a colder than normal winter, thanks to the La Nina effect. Experts call for an 87% chance of the system bringing an early and harsh winter season.

The use of the term “outright shortages” is alarming because there are millions of Americans that use propane to heat their homes.

Comment: OK so you may want to set aside an hour of your time and watch some of these videos on how to stay warm in the winter:

[https://www.youtube.com/results?search\\_query=how+to+stay+warm+in+the+cold](https://www.youtube.com/results?search_query=how+to+stay+warm+in+the+cold)

On the other side of the globe, a tightening of natural gas supplies has become an enormous problem. According to Global News, natural gas prices in Europe and Asia “have more than tripled” in 2021...

Regional natural gas markets in the United States are seeing prices for this winter surge along with global record highs — suggesting that the energy bills causing headaches in Europe and Asia will hit the world’s top gas producer before long. Gas prices in Europe and Asia have more than tripled this year, causing manufacturers to curtail activity from Spain to Britain and sparking power crises in China.

Readers who heat their homes with LNG/Propane should top-off their supply while prices are lower and maybe even ask their supplier if they can ADD TANKS to their existing system, to hold more gas than usual.

RFK Jr. Details Racist & “Sadistic” Fauci-Funded Research of Grafting Aborted Baby Scalps Onto Rats--Fauci Funded 'Cruel' Puppy Experiments Where Sand Flies 'Eat Them Alive' & the Beagles Vocal Cords Severed

by Kelen McBreen October 28th 2021--John-Henry Westen of *LifeSite News* recently interviewed Robert F. Kennedy Jr. about his new book, [\*The Real Anthony Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health.\*](#)

Reflecting on the interview, Westen wrote, “Among other things, Kennedy, who runs the non-profit [Children’s Health Defense](#), told me that one of the projects Fauci supported involved the cutting off the scalp of aborted babies and then grafting them onto rats. He also said that Fauci performed barbaric experiments on children and pregnant women, and that he ‘almost always tried to do his experiments on black and Hispanic people.’”

“Africa really became a laboratory for Tony Fauci,” RFK Jr. told Westen. Kennedy called Fauci “extremely sadistic,” and said that every accusation made in his book was corroborated by a team of fact-checkers.

When Westen asked RFK Jr. to share the most important thing people should learn from the book, he explained that the global elite have been “planning” this “coup d’état” using a pre-planned “pandemic” for years now.

The revelations from the new Kennedy book are similar to two recent Fauci stories.

First, a report earlier this week [published by The Hill](#) exposed Fauci’s NIH division spending \$375,800 in Tunisia to drug beagles and lock their heads in mesh cages filled with hungry sandflies so that the insects could eat the dogs alive.

“They also locked beagles alone in cages in the desert overnight for nine consecutive nights to use them as bait to attract infectious sand flies,” a nonprofit called [the White Coat Waste Project](#) writes.

This has got to stop [#ArrestFauci pic.twitter.com/OdGI74emYZ](#)

— Gillian McKeith (@GillianMcKeith) [October 24, 2021](#)

It turns out, Fauci’s NIH not only tortured dogs but they also conducted AIDS studies in the 1980s that left several foster children dead.

[Infowars’ Adan Salazar](#) writes, “The sometimes-lethal experiments were covered in an [Associated Press](#) article by former reporter John Solomon, who documented how the government went about seeking ‘mostly poor or minority children’ to be exposed to ‘medical research and drugs that were known to have serious side effects in adults and for which the safety for children was unknown.’”

Americans deserve to know the truth about the background of the unelected official who suddenly became the nation’s top doctor leading the largest “vaccine” program in world history.

[Judicial Watch: New FDA Records Show Purchases of Fetal Organs, Heads and Tissue for 'Humanized Mice' Project](#)

Judicial Watch announced today that it received [198 pages](#) of records and communications from the U.S. Food and Drug Administration (FDA) involving “[humanized mice](#)” research with human fetal heads, organs and tissue, including communications and contracts with human fetal tissue provider [Advanced Bioscience Resources \(ABR\)](#). Most of the records are communications and related attachments between [Perrin Larton](#), a procurement manager for ABR, and research veterinary medical officer [Dr. Kristina Howard](#) of the FDA.

Judicial Watch received the records through a March 2019 Freedom of Information Act (FOIA) [lawsuit](#) against the U.S. Department of Health and Human Services, of which the FDA is a part ([Judicial Watch v. U.S. Department Health](#)

[and Human Services](#) (No. 1:19-cv-00876)). The lawsuit asks for all contracts and related documentation on disbursement of funds, procedural documents and communications between FDA and ABR **for the provision of human fetal tissue to be used in humanized mice research.** After successfully opposing the FDA's redaction of certain information from its records, a federal court **ordered** HHS to release additional information about its purchases of organs harvested from aborted human fetuses – including “line item prices,” or the price per organ the government paid to ABR. Documents previously uncovered in this lawsuit show that the federal government demanded the purchased fetal organs be “**fresh and never frozen.**”

**HORROR: In order to make covid vaccines, Pfizer cuts open live babies without anesthesia to harvest tissues**

A disturbing, but not surprising, revelation **has surfaced** about how Pfizer harvested organs and other body parts from **live babies** in order to produce Wuhan coronavirus (Covid-19) “vaccines.”

Whistleblower Melissa Strickler, who works as a manufacturing quality auditor for Pfizer, recently came forward with internal company emails revealing the horrific practices that Pfizer employs to produce the injections that are dispensed into people's bodies for “public health.”

**In one of the emails, Pfizer Senior Director of Worldwide Research Vanessa Gelman petitioned others within the company to keep what you are about to read from ever going public.**

“From the perspective of corporate affairs,” Gelman wrote, “we want to avoid having the information on fetal cells floating out there.”

“**The risk of communicating this right now outweighs any potential benefit we could see, particularly with general members of the public who may take this information and use it in ways we may not want out there.**”

While it has **been known** for some time now that all of the currently available covid vaccines from “**Operation Warp Speed**” were made using aborted baby fetal cells, what was not necessarily known is that the babies from which body parts were extracted were *still alive* when the procedures were done.

“To harvest a viable embryonic kidney ... sufficiently healthy children old enough to have adequately-developed kidneys must be removed from the womb, alive, typically by cesarean section, and have their kidneys cut out,” a **Pfizer document explains.**

“This must take place without anesthesia for the child, which would lessen the viability of the organs.”

So getting “vaccinated” for Covid is akin to participating in child sacrifices. For one of the cell lines, known as HEK 293, that was used in Pfizer's covid injection, an innocent little girl had to be murdered in a “**tortuous manner.**” Her organs were then used for “research” on the resultant jab.

“The harvest of her organs was the direct cause of her death, prior to which, she was a living child, outside the womb,” documents further state.

What this means is that anyone who gets jabbed with a covid vaccine from Pfizer is participating in a *ritual child sacrifice.* **Recipients of these injections are quite**

literally having mystery chemicals derived from murdered babies put straight into their bodies, supposedly to keep them “safe” against the Chinese Disease. “The vaccines were made by destroying lives in the most brutal way and the use of these vaccines seriously harms many who have received them, even though the damage may not be recognized as such,” America’s Frontline Doctors (AFLDS) reported.

This is sick stuff, and it is important to remind our readers that all of this was sanctioned and even partially bankrolled during the presidency of Donald Trump, who to this very day [continues to brag](#) about how he got these syringes to market in a matter of months versus the multiple years it usually takes to unveil a new “vaccine.”

Trump and Sleepy Joe Biden are battling it out over who deserves credit for these monstrosities. Meanwhile, neither one of them has even so much as mentioned the innocent newborn lives that were brutally ended in order to make the jabs a reality.

[FDA Panel Votes 17-0 to Allow Experimental Pfizer Injections for Children 5-11 yrs. SQ; THESE FDA ENTITIES ARE THE MOST MURDEROUS SERVANTS OF MOLOCH IN HISTORY--DAMN THEM TO HELL!](#)

Today the United States Food and Drug Administration (FDA) vaccines advisory committee voted 17-0, with one abstention, to allow pharmaceutical giant Pfizer access to America’s child population aged 5 to 11 years, paving the way for a new round of mass injections of the highly controversial experimental mRNA gene therapy jab.

This sign-off was the result of intense industry lobby pressure on US elected representatives and federal officials in Washington DC, which sets stage for yet another fast-tracked, rubber-stamped ‘authorization’ in just days.

Big Pharma’s own private promotional mainstream media outlet, [Bloomberg News](#), celebrated the announcement today as giddy investors prepare to reap even bigger financial gains from the US government’s newly established *laissez faire* regulatory process. This latest move will all but guarantee an unlimited pipeline for repeated “Covid booster shots” targeting the country’s school-aged children population. Moreover, the federal ‘seal of approval’ will also give school administrators increased license to demand total vaccine compliance as a requirement for a child to attend in-person teaching and other school activities.

**Dr. Scott Johnson's Comment:** **With the recent advent Covid (and all that surrounds that issue like the vaxxed shedding their spike protein payloads to the unvaxxed) we should all be placing an ever increasing importance on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harm's way (that is if you can help it) and #2) building up your own immune system as much as possible. Below I am endeavoring to show you how to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors in this document. [See below](#). God bless!**

**Recommended Products Dr. Johnson Carries:**

**++ Please note you cannot order off the links below, they are there for purely informational purposes. For more information or how to order see further below.**

**My choices of selenium: Selenium is highly anti-viral and is an essential trace element possessing antioxidant properties, and is key to the production of glutathione peroxidases which makes this very compatible with NAC (see below) to raise glutathione levels.**

Iodine Products Dr. Johnson carries:

[Iodoral High potency iodine/potassium iodide supplement containing 12.5mg iodine/iodide 90 tablets](#) \$32.00

[Iodizyme-HP™ \(120 T\)](#) \$34.00

[Pure Encapsulations NAC 900 Mg. 120 capsules](#) \$42.00

[Pure Encapsulations NAC 900 Mg. 240 capsules](#) \$74.00

[NAC \(500mg\) \(180ct\)](#) \$30.00

**Fulvic Acid (Helps to get the magnetic metals in the jabs out of the body)**

[Trace Minerals Liquid Ionic Fulvic Acid with ConcenTrace 2 oz.](#) 20.00

**Quercetin (Supports the immune system drives zinc into the cells)**

[Pure Encapsulations Quercetin 250 mg 120 capsules](#) 38.00

**Nattokinase (Nattokinase has been proven in studies to break down blood clots and naturally thin the blood--Blood Clots & strokes are a huge issue with the Covid jabs)**

[Davinci Labs NATTOKINASE PLUS 60 capsules](#) \$36.00 <<Always take on an empty stomach

**Lung Infection Support**

[MBi Nutraceuticals Pneumo Complex Glandular Tissue Concentrate 60 Capsules](#) \$17.00

**Parasite Eradication (If you are concerned about the parasites that have been actually viewed under the microscopes of researchers who have examined the Covid vaxx vials, you can take the protocol below)**

[Bromelain Plus CLA \(100 T\)](#) \$21.00

[Dysbiocide 120ct](#) \$31.00

I recommend the products be taken together for two 20 day cycles with one week off in between. You would take 6 a day of Dysbiocide (120 C) and 5 a day of the Bromelain Plus CLA (only empty stomach) of each product for two 20 day cleanses. You would essentially need two bottles of each product to properly complete a parasite cleanse, as you would be taking one bottle of each for every 20 day cleansing period.
