Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reproved are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

Luke 21:36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Witchcraft For Kids: The Hot Toy Is Magic Mixies Magical Misting Cauldron

The Magic Mixies Magical Misting Cauldron is essentially a stuffed animal with a gimmick attached. Promotional copy encourages kids to "mix your potion and make your pet!" This interactive toy comes with a plastic cauldron, "magical" ingredients, and a book of spells that help children "create" their stuffed animal from scratch.
The Amazon instructions for the Magic Mixies say, "**Follow the spell by adding the magical ingredients to your Cauldron one step at a time, waiting for the green light and tapping 3 times…when the potion is finished watch as REAL MIST begins to rise from the Cauldron." A new stuffed animal emerges from the mist in the pot.**
Once that spell-casting is complete, kids can "make real Magic happen again and again" by reloading Magic Mixies back into the cauldron to show their friends, or they can make up their own spells using the "Spell Mode" of play. The item is selling out nationwide, with re-sellers offering Magic Mixies for exorbitant prices.
This toy comes when there's been an increased push to advertise occult entertainment to children in particular. The Disney cartoon "The Owl House" depicts a young girl serving as a witch's apprentice and learning to become one herself. The series, which received accolades for LGBTQ+ representation, was just canceled in late 2021.
Occult-themed entertainment for their children is so common it's almost easy to miss. Movies like "Harry Potter" glamorize wizardry and witchcraft, so it's not too shocking to find toy cauldrons that "magically" create cute stuffed animal toys. And witchcraft as a whole is growing in popularity among all age brackets, especially in the past five years. Daily Wire reported that the number of people who identify as witches outnumber those who are Presbyterians, according to a 2018 poll.
"As Christianity declines across the country, paganism has swung to the mainstream, with witchcraft paraphernalia for sale on every high street and practices normalized across popular culture," the Telegraph reported. This has led to a booming $2 billion dollar industry that's full of everything from tarot cards to crystals.

Witchcraft: The Emerging One World Religion-Part 4
As our society continues to rebel against God and His standards of morality provided in Scripture, it should not surprise us that witchcraft is becoming more popular. The Bible has a lot to say on the topic of witchcraft. In the ancient world, such practices were widespread among Gentile nations.
God very clearly warned the Jewish people in the Old Testament to have nothing to do with witchcraft. In Leviticus, God warned those who take part in witchcraft, saying, "I will even set my face against that soul, and will cut him off from among his people. Sanctify yourselves, therefore, and be ye holy: for I am the Lord your God" (Lev. 20:6-7)

Pastors Face Up to 5 Years in Prison Under New Canadian Law Against Biblical Marriage and male/female gender belief
Jan 7, 2022--A new law that goes into effect this week in Canada threatens to "criminalize Christianity," according to pastors who have been imprisoned for keeping their churches open during COVID lockdowns.
Bill C-4, which bans conversion therapy, is so broad that it defines biblical marriage and male/female gender belief as a "myth" and can be used against pastors, parents, and counselors who either speak against homosexuality or transgenderism or who counsel a person to adhere to a biblical lifestyle.
"This means as of January 8, 2022, it will be against the law to preach, teach, or counsel regarding God's design for marriage and sexuality," Andrew DeBartolo, teaching elder of Encounter Church, wrote in a letter.

The controversial bill, which was passed without opposition from either party, threatens imprisonment of up to five years:
"Everyone who knowingly causes another person to undergo conversion therapy – including by providing conversion therapy to that other person – is guilty of an indictable offense and liable to imprisonment for a term of not more than five years." Similarly, "Everyone who knowingly promotes or advertises conversion therapy is guilty of an indictable offense and liable to imprisonment for a term of not more than two years."
Pastors across Canada are planning to preach on God's design for marriage a biblical ethic of sexuality on Sunday, Jan. 16 in protest of the new law in an effort led by Liberty Coalition Canada.
Michael Thiessen, a pastor at a Baptist church in Ontario and leader of Liberty Coalition, called the threat of imprisoning pastors for declaring the gospel's power to free people from sexual sin a "grievous evil."
"We think that the radical gay/trans activists want Canadians to acclimatize to the new law, so that individuals will be dull and unresponsive when charges are laid on selected outspoken individuals," Thiessen said. "But the threat of imprisoning pastors, parents, counsellors, teachers, and anyone for that matter, who affirms God's anatomical design for the sexes and His plan for human sexuality, and counsels others to pursue obedience to that end; is a serious matter. It is an attack upon religious liberties, and more than that, it is a direct attack upon God's moral character and upon His Word."
DeBartolo said they are honored to have Americans joining them in the fight for religious liberty.
"We will be doing so illegally, declaring to the State that there is one God and one Lord over His church, and that Christ alone gets to both define marriage and dictate what is required in the pulpit," DeBartolo said.
Pastor John MacArthur of Grace Community Church in California is calling on others to sign up and join him and the other faith leaders.

Insanity: 441,449 LOW EARTH ORBIT SATELLITES--Operating, Approved or Proposed
While the attention of a terrified world has been riveted on a virus, and while concern about radiation has been focused on 5G on the ground, the assault on the heavens has reached astronomical proportions. During the past two years, the number of satellites circling the earth has increased from 2,000 to 4,800, and a flood of new projects has brought the number of operating, approved, and proposed satellites to at least 441,449. And that number only includes low-earth-orbit (LEO) satellites that will reside in the ionosphere.
The satellite projects include the ones listed below (see the link at the end of this report). The companies are based in the United States unless otherwise indicated.
What everyone is completely blind to is the effect of all the radiation from satellites on the ionosphere, and consequently on the life force of every living thing.

Our atmosphere must not be polluted with frequencies emitted by over 4 hundred thousand satellites, some of whose beams will have an effective power of up to ten million watts. That is sheer insanity, and so far no one is paying attention. No one is even asking whether the satellites have anything to do with the profound and simultaneous decline, planetwide, in the number of insects and birds, and with the pandemic of sleep disorders and fatigue that so many are experiencing.
Everyone is so focused on a virus, and on antennas on the ground, that no one is paying attention to the holocaust descending from space.
And not only do thousands of whole satellites threaten the heavens, but a phenomenal amount of debris orbits the earth as a result of satellites colliding, or exploding, or otherwise being destroyed while in space. During the 64 years that humans have been launching rockets, the protective blankets of the ionosphere and magnetosphere have become the Earth's largest garbage pit.

5G - CORONAVIRUS SYNDROME: The Ultimate Genocidal Bioweapon System

.....Some medical researchers have declared that **5G actually triggers COVID-19, which then sets into motion a unique disease process that manifests differently in each patient.** Because there appears to be a bioengineered capacity for COVID-19 to mutate in vivo, the symptom set can change quickly or slowly thereby eluding proper diagnosis and effective treatment. **The longer any patient is exposed to a 5G environment, the more severe the symptoms will be.** Similarly, additional symptoms, some of which are quite unusual and life-threatening, will also emerge as the disease process evolves.
Not only does **5G** seem to trigger the onset of the *Coronavirus Syndrome*, it also **appears to cause an extraordinary mutation and morphing of COVID-19 into an altogether different coronavirus pathogen,** which then lies latent in the body well after the patient has been cured. This is quite similar to Epstein-Barr virus which

eventually evolves into EBV-Stage 4 after passing through Stages 1, 2 and 3 over decades of latency.
The extent to which a patient is exposed to the *Internet of Things* (IoT) poses an even greater challenge to their immune system. This is why so many cruise ships became floating hospitals so soon after the Wuhan outbreak (there was simply not enough time for Wuhan patients or carriers to board the affected ships). **Not only was 5G fully operational on those quarantined ships, the cruise lines promoted their seaborne IoTs** to all the younger passengers while the many of the older passengers suffered from immunosuppression or compromised health. **As expected, the older folks suffered a much higher COVID-19 infection rate.** Then, when the first COVID-19 case was reported, the protracted period of quarantine on the cruise ships served to spread the coronavirus even more in the close quarters.
Undoubtedly, it's the high re-infection rates of COVID-19 which illustrate the dramatic effects that a 5G environment has on either a carrier or patient. **Those who leave the hospital as a cured COVID-19 patient and re-enter their same wireless IT space will invariably suffer a higher rate of re-infection.** Some will eventually suffer double or triple re-infections in the same flu season..... More here
This will ALL happen, exactly as these Satanists have planned.
5G Towers went up EVERYWHERE during the 2020 lock down hoax and are being turned on as we speak. The Goal is for 70% of Americans to be DEAD before Jan 1 2025.

+2+ Life insurance companies sound DEATH ALERT warnings over nearly 100,000 excess deaths per month happening right now in the USA
There are nearly 100,000 excess deaths happening *per month* in the USA right now, according to life insurance companies that are sounding the alarm over a "mass casualty event" that's unfolding due to covid vaccines.
This is a red alert situation unfolding right in front of us. The human race is being slaughtered through the injection of "clot shots" that are deliberately designed to reduce global population through death and infertility. All the politicians, scientists, regulators and journalists who are in on this are **committing genocidal crimes against humanity**, and they are even targeting children.
An article published by The Center Square (Indiana) **reveals how Scott Davison, CEO of OneAmerica (a life insurance company) is sounding the alarm over a 40% increase in total deaths among Americans aged 18 to 64 (i.e. working-aged Americans**)
According to IndexMundi.com, **there are normally about 7,755 deaths per day in the USA, pre-covid Vaxx.** The 40% increase in mortality now being seen by life insurance

companies, if applied across all age groups, would mean **an additional 3,100 deaths per day**.

Multiply that by 30 days and you get **over 93,000 excess deaths per month** in the USA.

Remember, this is based on third quarter data from 2021, yet we know that **vaccines cause immune system failure to worsen over time**. This means fourth quarter data will be even worse, and the Q1 2022 data will likely be worse still. In addition, we have cancer deaths starting to skyrocket due to spike protein interference with chromosomal damage repair mechanisms, which is why I'm predicting **we will see over 1 million cancer deaths in calendar 2022,** which is roughly a doubling of the usual cancer death statistics.

Given these accelerating factors — failing immunity, accelerated cancer tumor growth and the addition of yet more booster shots — there's no question that 2022 is going to see **an extra one million deaths in the USA**, and perhaps many more. (It could be 1.5 million or even 2 million.)

If the booster shots are aggressively pushed and we see Antibody Dependent Enhancement accelerate as common flu strains are circulated, we could be looking at a doubling of the total death rate, going from 7,700 daily deaths to 15,400 deaths per day. This means we would be **losing nearly 1.7% of the entire U.S. population in just one year** (that's the sum of normal deaths plus the extrapolation of excess covid vaccine deaths).

Crisis in America: Deaths Up 40% Among Those Aged 18-64 Based on Life Insurance Claims for 2021 After COVID-19 Vaccine Roll Outs

Finally, the "elephant in the room" that nobody wanted to discuss in 2021 regarding labor shortages and supply chain bottlenecks, which is that record number of younger people in the workforce were dying after the roll-out of the COVID-19 "vaccines," can no longer be swept under the rug as statistics are being published that reveal a huge crisis developing in the United States.

Scott Davison, the CEO of OneAmerica, a $100 billion insurance company based out of Indiana, has come out publicly and stated that based on life insurance claims, the death rate has skyrocketed an unprecedented 40% among those between the ages of 18 and 64, based on the 3rd quarter and into the 4th quarter of 2021.

https://vaccineimpact.com/2022/crisis-in-america-deaths-up-40-among-those-aged-18-64-based-on-life-insurance-claims-for-2021-after-covid-19-vaccine-roll-outs/

GLOBAL ALERT: An estimated 10 million people PER DAY are set on irreversible countdown to vaccine death that could exterminate BILLIONS if not stopped in the next year

Mike Adams Take: This is a red alert for humanity. We have less time remaining than you might think.

As estimates and projections show below, as long as "clot shot" Covid vaccines are being administered around the world, about **ten million people each day** are being put

on an irreversible countdown to vaccine death. For each day that these vaccine shots continue, in other words, roughly ten million people will likely die over the next decade, based on these projections. (See the math below.)

This explains why Biden and other world leaders don't care about legal challenges and the rule of law. They know that if they can bully these vaccines into people for just one more year, they will murder over **3.5 billion more human beings** from vaccine-induced deaths that kick in over the next decade.

That's why we have less time remaining than you might think. And that's why the vaccine zealots don't care if they get stopped over the next 2-3 years by court challenges. **By then it's too late for humanity**.

Even if we stop all covid vaccines right now, we're likely to still see **between one and two billion deaths** over the next decade as vaccine deaths take their toll. (See the numbers at the link below.)

Dr. Malone is Controlled opposition--There's something VERY wrong with Dr. Robert W. Malone!

Posted on January 6, 2022 by State of the Nation

In view of the confirmed info presented in the PDF posted below, there's absolutely no question about Dr. Robert W. Malone being controlled opposition…nor is there any doubt that Malone has done a LOT of great work educating the public about the extremely dangerous and deadly Covid vaccines. Given the billions of dollars of contracts and grants

(see list below) Dr. Robert W. Malone has received from both *Big Pharma* and the US Government over the last decade, there's simply no way he could leave the pharma reservation without great consequence.
In point of fact, no one ever leaves the highest echelons of the *Medical Mafia* and *Pharma Family*, and then flip to the other side … … … unless they are explicitly permitted to do so.

Therefore, what remains to be understood is exactly how his traitorous status is being used (and will be used) within the Covid Vax Truth Movement by his hidden pharma masters.

Remember, Dr. Malone received two Covid 'vaccines' himself. He even often says that he fully believes in the nation's *Super Vaccination Agenda*. That's right—he still believes in vaccines for the young and old, healthy and ill, rich and poor. Hence, Malone appears to be a highly credentialed and ostensibly trustworthy *Trojan horse* who was strategically positioned within the Truth Movement in order to ensure that confidence is not lost by parents in the overwhelming childhood vaccination schedules which are vital to the timely implementation of the *New World Order* agenda.
Likewise, Malone appears to engender faith in the annual adult flu vaccination programs across the country, which is also pivotal to various NWO schemes. What follows is the extraordinary exposé which authoritatively reveals facts and figures about Dr. Robert W. Malone which simply don't add up in view of his current public posture: See both links below

the first day after birth, when this should be something they cannot do till the 6th month!!!

++At birth, your baby has little control over his head because his motor skills and neck muscles are fairly weak. He'll develop this crucial skill, which is the foundation for all later movement – such as sitting up and walking – little by little during the first year of life. Your baby will probably be able to lift her head when she's about a month old, and hold it up when placed in a sitting position at around 4 months. **Her neck muscles and head control should be strong and steady by 6 months.**

THE VACCINE DEATH REPORT--PERMANENTLY ALTERED DNA--THE HUMAN GENOME IS BEING MODIFIED--A PATENTED TRANSHUMAN--NO LONGER A HUMAN WITH HUMAN RIGHTS

Facebook made it their policy to censor all voices that warned how this gene therapy could potentially alter the human genome. Until... a Facebook employee recorded and released an insider zoom meeting with Facebook CEO Mark Zuckerberg, who told his staff that the injections do indeed change the human DNA! These are his exact words:

'We just don't know the long term side effects of basically modifying people's DNA and RNA to directly encode in a person's DNA and RNA, basically the ability to produce those antibodies and whether that causes other mutations or other risks downstream.'

Dr. Chinda Brandolino is a Latin American physician who has been speaking out about the fact that once the human genome is altered, that person is no longer considered an original human being, but has become a transhuman, and therefore loses human rights. Furthermore, she explains that the altered DNA and RNA can be patented, making that genetically modified person property of the patent holders. The implications of this are highly alarming.

Scientists in South America are investigating a strange phenomenon: Some newborn babies from vaccinated parents in Mexico have pitch-black eyes, while normally the eyes of newborns are very lightly colored. It also appears that these babies are aging too fast, as they can stand and even walk at only three months old. A Normally that only happens around the age of one year.

Are these babies examples of Covid Vaxx Transhumanism, born from parents whose DNA have been altered by gene therapy?

Flu vaccine contains 25,000 times more mercury than is legally allowed in drinking water
In case you missed it, recent lab tests conducted at the *Natural News* Forensic Food Lab found that seasonal flu vaccines, which are pushed on virtually everyone these days, including young babies, pregnant women and the elderly, contain outrageously high levels of neurotoxic mercury. Vials of batch flu vaccine produced by British pharmaceutical giant GlaxoSmithKline (GSK) were found to contain upwards of 51 parts per million of mercury, or 25,000 times the legal maximum for drinking water established by the Environmental Protection Agency (EPA).
This shocking discovery was made using advanced mass spectrometry technology with incredible accuracy, filling the gap left by the nation's regulatory agencies that have failed to conduct this type of safety testing themselves.
Millions of people are injected with flu vaccines annually, and most of them are completely unaware that one of the most toxic metals known to man is being implanted directly into their muscle tissue unabated.
"Mercury is one of the most poisonous substances known to mankind," explained Dr. David Brownstein, a board-certified family physician and holistic medicine specialist, on his blog. "For over twenty years, I have been testing nearly every patient seen in my office for heavy metal contamination. … I have found that over 80% of my patients, both healthy and sick, have mercury toxicity."

I got Morgellons in 2012 in my back and leg. I called them dragon worms, not knowing what I had. After suffering for over a year, trying everything to kill them, I heard you talk about the Invive Silver. I looked up Morgellons on the dosage chart, bought 5000 ppm. I took doses as prescribed. It took the whole bottle, and… it totally cured me. We keep 5000, 2000, 500,and 50 p.p.m. now a days. Just

wanted to share this testimony with you and say thank you. Glory to Jesus Christ! God bless you!

Subject: **Listener Comment: My experience with your Covid protocol**

…I'll try and make this short but want to share my experience with your Covid protocol. It was really put to the test! Surgery on my cervical spine became necessary due to severe pinching of my spinal cord. This was due to a congenital deformity and severe arthritis. Thankfully I am in Oklahoma so no Covid kill shot was necessary. For 10 days prior to surgery, I hit your Covid protocol hard knowing that I would be in a spine surgical center where staff were likely jabbed. I definitely wanted my immune system strong in case I had to tap into those reserves. Thankfully I was admitted into a surgical center and not a general hospital with Covid patients. Due to a family emergency I had a close friend take me to the out of town surgical center for surgery and then pick me up after an overnight stay. When the friend took me to the surgical center, she was very under the weather so I kept my distance as much as I could in a vehicle as we traveled together for 2 hours. She then dropped me off and I didn't see her again until after my surgery when she would pick me up to take me home. Surgery went fine, but during my overnight stay my oxygen level kept plummeting causing the oxygen meter alarm to go off regularly.
Dr. Johnson's Comment: Could be totally due to the 5G kill zone saturation at most hospitals as 5G specifically interferes with oxygen uptake in the body.
We couldn't figure out why. It was strange but no one was too concerned about it. The next afternoon that same friend picked me up to take me home. When she picked me up, I knew she was really sick but had no choice but to go with her on the 2 hour trip back. I was on strong painkillers and not really thinking clearly. Once I was home, I started not feeling well post-surgery. However, I knew it wasn't surgery related from the symptoms they listed on my discharge papers. I was running a 101 degree fever and completely lost my appetite while feeling like a Mack truck hit me. It was then that my friend texted me to tell me she had been admitted into the hospital with Covid since her oxygen levels kept plummeting. I then realized I had been exposed to Covid in a much weakened post-surgical state and my symptoms were progressing as hers did. She begged me to go get tested. I declined but started hitting your Covid protocol hard once again knowing that I had caught the bio-weapon. If you remember, I have a few autoimmune diseases, a rare spinal cord disease…and was now sick with Covid all while just having surgery. Not a good scenario! I had quite a few people praying for me as I quarantined myself. One friend brought me Ivermectin but it went unused and I never had to take Invive MSP. After 2 days on your protocol, I started feeling better. I continued to get better daily until I am now back on a daily maintenance dosage. Praise the Lord Jesus Christ!!! Friends were shocked at my recovery. Frankly, I was too considering all of my other health issues and directly after a major surgery.

I have thanked Jesus for His mercy and for using you mightily to prevent illness and heal the sick. You know I've had great benefit from your supplementation protocol through the years but this was on a whole different level. I still get teary-eyed thinking about it. THANK YOU, THANK YOU, THANK YOU!!! S…

Dr. Scott Johnson's Comment: With the recent advent Covid (and all that surrounds that issue like the vaxxed shedding their spike protein payloads to the unvaxxed) we should all be placing an ever increasing importance on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harm's way (that is if you can help it) and #2) building up your own immune system as much as possible. Below I am endeavoring to show you how to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors in this document. See below. God bless!

Dr. Johnson's Comment: I also suggest if your O2 levels are running low (which seems to be very prevalent due to the Covid-19 Bioweapon) to get on Cataplex E2 by Standard Process (9-12 a day split up dosages), but I don't carry that one.
Bromelain Plus CLA (100 T) $21.00
Dysbiocide 120ct $31.00

You would take 6 a day of Dysbiocide (120 C) and 5 a day of the Bromelain Plus CLA (only empty stomach) of each product for two 20 day cleanses. You would essentially need two bottles of each product to properly complete a parasite cleanse, as you would be taking one bottle of each for every 20 day cleansing period.

Hi Scott, I'm a long time listener to your program. Forgive me if I'm having a bit of a time communicating. I'll try to nutshell this. I'm 58 yrs old. My 33 yr old daughter works at a daycare. She has not takin the jab nor been tested. ***However her boss and co workers have, and now my daughter, her daughter and my other daughter have come down with whatever they got from them and now me.*** *The three of them are getting better though not 100%. I am now sick on the 2nd relapse. I never got the jab or was tested but have had a fever* ***and can hardly breathe to the point it's all I can do to try and write you read through the info etc. I am really scared right now. We all live together and I can't really care for myself much. I want to order the 5000 silver, 2 bottles but now sure how to get it fastest. forgive me I'm not sure what to do and I'm having such a hard time breathing and I'm really scared though I know I shouldn't be. I am truly beside myself.*** *Thank you Scott and God Bless.*
Update: ***This just took me by total surprise. Its been very hard not to panic. The pain and not being able to sleep from the pain and the fear of not being able to catch my breath has been something indescribable. Praising Jesus while I'm laying there. Scott I am forever grateful for your help and all you do.***
