+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the

authority given to us in Christ Jesus. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

Opinion: Canada Is Falling--America Is In It's Final Stages! Here Comes the CHICOM Peacekeepers! The Doug and Dave Intel Report

Submitted by Dave Hodges on Sunday, February 20, 2022

In perhaps the most volatile edition of the *Doug and Dave Intel Report*, a variety of topics were covered in which, at the end of the day, could result in the end of America as we know it.

As one can clearly hear, we hit a nerve with this interview as it was interfered with as are MOST of *The Doug and Dave Intel Report* shows are.

The topics discussed in this edition include

- Justin Trudeau has exposed not only his own dictatorial and tyrannical style of leadership, he has also exposed the facade of civil liberties of all Western democracies!
- The likely reaction of Western national leaders to the new-found spirit of populism and defiance against mandates of any type.
- The reassertion of the presence of CHICOM troops both in Canada and in Mexico and the real possibility of a joint Chinese and Russian invasion.
- The silence of the American government in the face of Canada's clearly expressed spirit of dictatorship. Silence equates to like-mindedness and support.
- The probability of Chinese "peacekeepers" entering Amerika and helping the Biden administration extinguish any popular uprising.
- Canada has fallen, America is in the final stages of falling
- What all of this means to America as we are not insulated from the events in Canada.

February 20th 2022, "This investigation will go on for months to come," he warns.

Ottawa's interim police chief Steve Bell warned that police would continue to "actively identify" and prosecute anyone involved in the Freedom Convoy – even if they disperse and go home – "for months to come."

"If you are involved in this protest, we will actively look to identify you and follow up with financial sanctions and criminal charges," Bell asserted on Saturday.

So let's get this straight. Protesters are told to go home. Now they're told that even if they follow orders of the police and RCMP, it makes no difference. They'll still be arrested. So, basically, they're trying to justify arresting anyone they don't agree with.

The Canadian authorities led by Trudeau have sent a clear message: if you don't want a centralized government to put an experimental injection in your body or to control your movements across borders, then you will be hunted down and punished.

By invoking emergency powers last week, Justin "Castro" Trudeau made himself *dictator* of Canada, and he appears to be committed to using violence, lawlessness and financial terrorism against the citizens of Canada. Just like the lying corporate media, Trudeau has declared the freedom protesters to be "racists" and "terrorists." This, he believes, justifies trampling them with war horses and seizing their bank accounts and crypto funds.

[Disney Cannibalism Horror Movie 'Fresh' As Film Company Openly Aligns Itself With Evil](#)

Premiering at the Sundance Film Festival, Mimi Cave's "Fresh" is a movie about cannibalism. Yes, cannibalism, the eating of people. Yes, Disney. It's not a parody or a satire like "Get Out." It's a straight up horror film about a charming doctor, played by Sebastian Stan, who seduces women, kidnaps them,

and carves out pieces of them for sale to high paying customers. Eventually, they're all carved up and dead. Written by Lauryn Kahn, I guess "Fresh" is supposed to be hip. Disney will release it not on DisneyPlus but on Hulu, and try and distance their brand name. But it's Disney, folks, nonetheless.

But now from Disney comes full on horror movies in the worst possible form of cannibalism. Not coincidentally, however, cannibalism is one of the hallmarks of the time of Jacob's trouble, so maybe you can thank Disney for preparing you.

"Who also eat the flesh of my people, and flay their skin from off them; and they break their bones, and chop them in pieces, as for the pot, and as flesh within the caldron. Then shall they cry unto the LORD, but he will not hear them: he will even hide his face from them at that time, as they have behaved themselves ill in their doings."

Geomagnetic Storm Dooms 40 Starlink Internet Satellites

by Tyler Durden--**Elon Musk's satellite internet service Starlink experienced a devastating space-weather impact last Friday when a geomagnetic storm forced "dozens" of newly launched low Earth orbit (LEO) satellites into "safe-mode" where they experienced "deorbiting" and will or already have crashed back to Earth,** according to a [SpaceX blog post](#).

SpaceX said the "deorbiting satellites pose zero collision risk" with other satellites and are designed to burn up in the atmosphere upon "reentry" to mitigate satellite parts from striking objects on the ground.

Possible reentries of the satellites were caught on camera over Puerto Rico late last week.

<https://www.zerohedge.com/markets/40-spacex-satellites-hit-geomagnetic-storm-expected-fall-back-toward-earth-and-burn>

EMF-Emitting Satellites: What You Need to Know

Every month Elon Musk and other companies are launching satellites into Earth's atmosphere. In August 2020 alone, 180 Starlink satellites were launched by Elon Musk. Over the next few years 100,000 high frequency EMF-emitting satellites will blanket the Earth in a terrifying amount of EMF unprecedented in human history.

We have no idea what the result will be on human health. Or life on this planet.

How will this affect the bees? The birds and other animals?

I wanted to write about this looming health disaster and what this means for you.

And some ways that you and your family can protect yourself.

If you take a look around your home you could likely spot at least five sources of EMF without straining a muscle. Your phone, laptop, WiFi, microwave, Smart TV, and the list goes on.

While many people are well aware of the sources of EMF in their immediate environment, and may even be taking measures to mitigate their impact, there's a new dangerous hidden source of EMF that most people don't even consider — satellites. Your EMF meter won't pick up on these high frequencies either because they're in the 60Ghz range.

What makes the EMFs from satellites so disturbing is not only the powerful radiation that they give off, but the impact that they could have on the atmosphere, animals and insects that protects our earth and keeps life thriving on this planet.

EMFs are frequencies that can interact with the natural frequencies emitted by your body and cause disruption to your body on a cellular level.

Whether you're aware of it or not, your body has an energy field surrounding it called your biofield. This field of energy is intimately tied to the energetic and electrical movement in your body. While it may sound woo woo, the human biofield is actually a scientifically understood concept, and has, in fact, been recognized as an inroads to healing the body for thousands of years[1].

When EMF radiation disrupts the frequencies emitted by your body it can cause disturbance and imbalances, which for many people show up as a myriad of symptoms.

Some side effects associated with EMF include:

- Headache
- Difficult concentrating
- Brain fog
- Tinnitus (ringing in ears)
- Dizziness
- Loss of memory
- Fatigue
- Insomnia
- Mood issues
- Cardiovascular abnormalities
- Stress / panic
- Irritability
- Low mood
- Muscle pain
- Itchy, burning sensations

Due to the fact that EMFs don't simply target one part of your body, but your biofield in general, the symptoms that result can span a range of bodily systems. However, the brain, brain waves and the central nervous system, which is highly electric, is often the most severely impacted.

You may be wondering where these troves of satellites are coming from, and what exactly they're doing in our airspace? **The vast majority of these high EMF-emitting satellites in space are being used to enhance internet speed, video surveillance and communication here on earth.**

So, who's responsible for this drastic influx in satellites? There are several companies that are launching into space, but the main players include:

Starlink, which is a satellite internet constellation constructed by SpaceX

(founded by Elon Musk), launched 57 more satellites into space on Friday August 7th.

This brings Starlinks satellite tally up to 595 currently. However, they are nowhere near complete with their plans to populate the sky.

Musk explained that they will need between 400 to 800 satellites in orbit to begin rollout of their coverage, which is meant to provide customers with high-speed, low-latency internet.

The other companies are: OneWeb, TTelesat, AST & Science, Omnispace Amazon & EarthNow

What's more, the U.S. Federal Communications Commission (FCC) granted SpaceX approval to launch as many as 12,000 Starlink satellites to low Earth orbit, with another application for 30,000 more pending[2][3].

Elon Musk's Neuralink subjected monkeys to 'extreme suffering'

Elon Musk's brain-chip company Neuralink is facing a legal challenge from an animal rights group that has accused the company of subjecting monkeys to "extreme suffering" during years of gruesome experiments.

Neuralink's brain chips were implanted in monkeys' brains during a series of tests at the University of California, Davis from 2017 to 2020, according to a complaint from the Physicians Committee for Responsible Medicine filed with the the US Department of Agriculture on Thursday.

In one example, a monkey was allegedly found missing some of its fingers and toes "possibly from self-mutilation or some other unspecified trauma." The monkey was later killed during a "terminal procedure,"

In another case, a monkey had holes drilled in its skull and electrodes implanted into its brain, then allegedly developed a bloody skin infection and had to be euthanized, according to the complaint.

In a third instance, a female macaque monkey had electrodes implanted into its brain, then was overcome with vomiting, retching and gasping. Days later, researchers wrote that the animal "appeared to collapse from exhaustion/fatigue" and was subsequently euthanized. An autopsy then showed the monkey had suffered from a brain hemorrhage, according to the report.

The experiments involved 23 monkeys in all. At least 15 of them died or were euthanized by 2020, according to the group, which based the report on records released through California's open records law.

"Pretty much every single monkey that had had implants put in their head suffered from pretty debilitating health effects," Jeremy Beckham, the Physicians Committee for Responsible Medicine's research advocacy director, told The Post. "They were, frankly, maiming and killing the animals."

Sadly, Beagles are the breed of choice in the animal testing industry because, as they say, they are "docile, forgiving, and don't fight back." For the very reason so many people love them, they are exploited. We will keep working to end animal testing once and for all!

What can I do to help?

A lot! For starters, make sure you are living a cruelty-free lifestyle and do not support any company that still chooses to test on animals. The [Cruelty Cutter](#) smartphone app makes this so easy. You simply scan the barcode on any cosmetic, bath and beauty, household cleaner and it will instantly tell you if that product is tested on animals or not. You can sign up to [foster and adopt an animal](#) in need. Homes are needed in just about every part of the country and rescues often happen on 48 hours notice, meaning BFP needs a healthy list of supporters ready and willing to open their homes and their hearts.

You can also support our [advocacy programs](#). The Beagle Freedom Bill is our signature piece of legislation that mandates all healthy dog and cat survivors of research experiments must be placed up for public adoption. It has already passed in six states (California, Nevada, Minnesota, Illinois, New York, and Connecticut) and is pending in a dozen more.

Simply socially sharing the [stories of the survivors](#) amongst your network of friends and family is an important way to spread the word.

Finally, the Beagle Freedom Project is a 501(c)3 not for profit organization. This effort to help animals can only exist with public financial support. Please consider making a [tax-deductible donation](#) today.

Biden Makes Outrageous Change To Immigration Services

Just in case you were wondering, the U.S. government doesn't have your back. Last August, President Joe Biden did the unthinkable. After presiding over the most humiliating military defeat in modern history, our commander in chief left Americans behind in Afghanistan.

After the utter debacle in Afghanistan, no one will be shocked to hear that U.S. Citizenship and Immigration Services has changed its mission statement to reflect the fact that it no longer considers "protecting Americans" or "securing the homeland" to be part of its duties.

As of today, U.S. Citizenship and Immigration Services has a new mission statement. Under Biden, USCIS removed mention of "lawful immigration," "protecting Americans," or "securing the homeland" and now simply says it: "...upholds America's promise as a nation of welcome..."

Wokeism goes insane as Biden regime offers FREE CRACK PIPES to Black Americans and LGBT, with DOJ supervised heroin injection sites

When Biden regime tyrants sit around a table brainstorming how to help Black people in America, they come up with insane ideas like, "Let's give out free crack pipes!" Probably followed by absurdly racist confirmations like, "Yeah! That's what Black people need!"

The \$30 million program to hand out free crack pipes to Black Americans is being launched to achieve "racial equity." Apparently, unknown to the rest of us, there is some sort of race-based "inequity" in the distribution and ownership of crack pipes. And so a federal government that would never even consider the idea of

giving out free vitamin D to Black Americans to prevent cancer (because most African-Americans are vitamin D deficient to begin with) is now funding the handing out of free crack pipes, thinking this is a great idea for achieving “progress” in America.

The [Washington Free Beacon](#) reported on this program:

The Biden administration is set to fund the distribution of crack pipes to drug addicts as part of its plan to advance “racial equity.”

The \$30 million grant program, which closed applications Monday and will begin in May, will provide funds to nonprofits and local governments to help make drug use safer for addicts. Included in the grant, which is overseen by the Department of Health and Human Services, are funds for “smoking kits/supplies.” A spokesman for the agency told the Washington Free Beacon that these kits will provide pipes for users to smoke crack cocaine, crystal methamphetamine, and “any illicit substance.”

In other words, the same HHS under which the FDA denies Americans access to treatments that would actually prevent Covid -19, is gladly distributing free crack pipes instead.

Not to be outdone by the sheer insanity of the free crack pipe program, the DOJ has announced plans to evaluate injection sites where DOJ employees will monitor addicts as they shoot up with heroin, crack, crystal meth and other narcotics.

As [The Epoch Times](#) reports:

The Justice Department is considering implementing supervised sites in underserved communities where they will provide pipes for users to smoke crack cocaine, crystal methamphetamine, and other narcotics... Known as the “Harm Reduction Program Grant” the \$30 million grant program would provide funding to community-based overdose prevention programs, syringe services programs, and other “harm reduction services”.

The same program would install crack pipe and needle vending machines so that drug addicts can have ready access to “safe” supplies such as crack pipes. HHS says all the free crack pipes will reduce the risk of infection and will be distributed mostly to “underserved communities,” which HHS says means Black neighborhoods and “LGBTQ+ persons.”

Put differently, the Biden regime has decided that transgenders need help smoking crack because they’re not yet smoking crack in a “safe” way.

“The program is being authorized under the Public Health Service Act and Biden’s American Rescue Plan Act of 2021,” reports The Epoch Times.

Media pushing “HIV variant” narrative as cover story for vaccine-induced immune system collapse--Plus FDA Executive Officer, Christopher Cole: “You’ll have to get an annual shot [COVID vaccine]. I mean, it hasn’t been formally announced yet ‘cause they don’t want to, like, rile everyone up.” Cole on President Joe Biden: “Biden wants to inoculate as many people as possible.”

NYC Mayor Eric Adams has [fired nearly 1,500 employees](#) who refused to take the “clot shot” covid vaccine injection, claiming his intention was to “vaccinate, not

terminate.” But thanks to the sky-high death rates emerging among the vaccinated, we now know that vaccination is termination.

The VAERS system run by HHS is now reporting over 23,000 deaths following covid-19 vaccinations. When multiplied by the well-documented Under Reporting Factor (URF) of 41, this means we now have nearly one million Americans killed by covid vaccines (so far).

As bad as the one million deaths already are, that number is going to explode over the next several years as vaccine-induced “AIDS” explodes. As [Ethan Huff wrote on Feb. 16th, 2022](#):

Evidence continues to mount showing that Wuhan coronavirus (Covid-19) “vaccines” are causing recipients everywhere to develop AIDS.

Covid-19 Vaccine Induced Acquired Immune Deficiency Syndrome, or VAIDS, appears to be one of the more serious long-term adverse effects caused by the injections. In essence, the shots are destroying people’s immune systems over time, leaving them prone to infections of all kinds.

The more covid vaccines people take — and the more time that passes since the injections — the greater the destruction of their natural immune function. Over time, their immune systems approach zero practical functionality, potentially causing them to be diagnosed with AIDS which simply means an *acquired immunodeficiency syndrome*. It can be acquired from vaccines, it turns out.

With several billion people around the planet having taken these AIDS-causing vaccines, it means we’re looking at a **global explosion of AIDS diagnoses** that makes people extremely vulnerable to common infections such as colds and flu.

The very same vaccine manufacturers who caused this problem are at the ready, rolling out new “AIDS vaccines” using mRNA technology, supposedly to “treat” those who have suppressed immune systems caused by the first vaccines. In effect, this entire process involves **destroying the natural immune system and replacing it with regular, high-profit vaccine injections** that are FDA approved for annual use.

That’s exactly what the FDA is planning on doing, according to a shocking new video released by Project Veritas. That video, shown below, reveals a video recording of FDA Executive Officer Christopher Cole who explains **the FDA is planning on approving covid-19 vaccines as annual injections**. [From Project Veritas](#):

FDA Executive Officer, Christopher Cole: “You’ll have to get an annual shot [COVID vaccine]. I mean, it hasn’t been formally announced yet ‘cause they don’t want to, like, rile everyone up.”

Cole on President Joe Biden: “Biden wants to inoculate as many people as possible.”

Cole on pharmaceutical companies: “There’s a money incentive for Pfizer and the drug companies to promote additional vaccinations.”

With each subsequent injection, of course, vaccine victims are being exposed to blood clot-inducing [spike protein nanoparticles](#). These nanoparticles also cause myocarditis, neurological disorders, strokes and the accelerated growth of cancer tumors. This means in addition to seeing an explosion in vaccine-induced AIDS in the coming years, **we're also going to see an explosion in cancer deaths.** We predict that cancer deaths for 2022, when they are finally tallied, will exceed over one million Americans. That number may double again by 2023 or 2024. In all, these covid vaccines are quite literally poised to **kill millions of people** over the next few years through a variety of mechanisms (immune suppression, cancer growth acceleration, vascular inflammation, blood clots, etc.). And this will all spell **record profits for hospitals and drug companies** whose "treatments" for all these conditions are granted monopoly protections by the FDA (which is funded in large part by Big Pharma itself). **This entire scheme is a murderous, criminal, junk science profiteering scam that's designed to carry out genocide against humanity while enriching the pharmaceutical giants.**

Subject: **Listener Invive Silver Covid Testimony Plus More**

Date: Tuesday, January 25, 2022 8:36 AM

Hi Scott, I ordered a 6 pack of the 5000ppm silver (seems like the best deal) when my wife and I became ill in late Dec last year.

Everyone around us here in Toronto was testing positive for COVID (which doesn't mean much) but we were very sick and my wife was and is pregnant.

After weeks of being sick with hacking coughs and fevers the silver arrived and we both began taking it in about 10 drop doses multiple times a day.

After two days the main symptoms had lifted and we both started to recover from this long drawn illness – it was a Godsent.

But I noticed other effects from the silver. I had these marks that had been forming on my back behind where my heart is.

For years these marks have slowly been growing – I also had a sharp pain around my heart which I figured was some sort of infection.

However, when I went to our wonderful, socialist hospitals I was told nothing was wrong; and the #1 questions everyone here is asked who needs help but doesn't get is, "are you sure you're not high on drugs and just paranoid?"

Our healthcare system is broken.

The abnormal amount of phlegm I was coughing up coincide with the dissipation of the chest pain AND the gradual healing of the marks on my back.

My pregnant wife is also thriving – its common for women to fear taking strong cures while pregnant, but she had no side effects as promised and is better than ever!

I can't say how appreciative I am of you and what you have done by publishing free protocols and medical treatments like Invive – I know God has your rewards for such charity stored up and waiting for you.

God bless!

Recommend Protocol For Covid-19 & the Shedding From The Covid Vaxxed

Disclaimer: *It is your constitutional right to educate yourself in the arena of health and medical knowledge, to seek helpful information and make use of it for the benefit of you and your family. You are the one responsible for your own health. In order to make decisions in all health matters, you must educate yourself. The views and nutritional advice expressed by Dr. Scott Johnson are not intended to be a substitute for conventional medicine. If you have a severe medical condition, see a competent physician. I do not claim to "cure" disease, my goal is to help you to make physical and nutritional changes in your own body so that your body can heal itself.*

Dr. Scott Johnson's Comment: With the recent advent Covid (and all that surrounds that issue like the vaxxed shedding their spike protein payloads to the unvaxxed) we should all be placing an ever increasing importance on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harm's way (that is if you can help it) and #2) building up your own immune system as much as possible. Below I am endeavoring to show you how to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors in this document. **See below.** God bless!

YOUR MESSAGE **Listener Comment: Brother Scott, Me and my husband were sick, cough, chest pain, the whole nine yards--Took your Covid protocol--Three days later we are just fine--All praises to our Heavenly Father and Christ and to you Brother**

May The Most High bless you and your family for what you are doing.. SHINE THE light of our Heavenly FATHER and Christ in this perilous time.

Recommended Products Dr. Johnson Carries to build up the Immune System:

Corona Virus or SARS:

Invive Mild Silver Protein 5000ppm--Take (One TEAspoon), every 4 hours till asymptomatic (1/2 dosage for children). Hold Each dose under the tongue for 3-4 minutes before swallowing .

++ For More Information or to purchase the Invive Silver go to: <http://www.dr-johnson.com/>

++ Because Invive Silver is so stable it has a 25 year minimum shelf life. There is no colloidal silver in any form that can even come close to their shelf life or potency; nor has there been one case of Argyria (turning gray) reported from taking Invive Silver.

++ Note: Selenium, Vitamin C, Zinc, Calcium, Vitamin D-3 and Iodine can easily become depleted from aggressive viruses

Recommended Products Dr. Johnson Carries:

++ Please note you cannot order off the links below, they are there for purely informational purposes. For more information or how to order see further below.

++My choices of selenium: Selenium is highly anti-viral and is an essential trace element possessing antioxidant properties, and is key to the production of glutathione peroxidases which makes this very compatible with NAC (see below) to raise glutathione levels.

Selenium by Innate- 90 tablets 28.00

Trace Minerals Liquid Ionic Selenium 2 oz. 15.00

Genestra Selenium CWS 0.5 fl oz (15 ml) 14.00

Overall Best Value: Se-Zyme Forte (100 T) 18.00

++My choices of Vitamin C:

++ I recommend that every adult take at least 6 to 12 grams of vitamin C per day if you are being exposed to the Covid vaxxed (but you can go double that is you feel you are infected) for optimum dosing. Space out your dosages every 2-4 hours ideally.

Innate Response Vitamin C-400 180ct 74.00

Innate Response C-Complete Powder 81gm 31.00

Bio-C Plus 1000™ (100 T) 30.00 Backordered

Pure Encapsulations Ester-C & Flavonoids 180 capsules 61.00

Douglas Labs Chelated-C Complex 100 Capsules (Formerly Ester C Plus) 28.00

[Zn-Zyme Forte\(100 T\)](#) 17.00

[Davinci Labs ZINC LOZENGE 60 count Lemon Flavored](#) 12.00

++My choices of Calcium/Magnesium products: White blood cells are the main tool our immune systems use to destroy foreign infectious invaders--White blood cells (WBC) use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis.

[Davinci Labs CAL MAG 180 tablets](#) 23.00

[Davinci Labs CAL-MAG CITRATE POWDER 30 Servings 4.9 oz. \(139.2 grams\)](#)
19.00

[Douglas Labs Cal/Mag Citrate 250 capsules](#) 29.00

[C/Cal/Mag Powder™ \(220 g\)](#) 27.00

[Ca/Mg-Zyme™ \(Ca & Mg\) \(360 T\)](#) 35.00

++These are the Vitamin D-3 products Dr. Johnson carries see below--Vitamin D-3 upregulates the immune system--Only 5.9% of those who had an optimal vitamin D levels of 55 ng/mL or higher tested positive for SARS-CoV-2. *Statistics cited in "The Truth About COVID-19" by Joseph Mercola and Ronnie Cummins, p. 96

++ Optional, but Dr. Johnson does not carry this: [povidone iodine nasal spray](#)

++NAC (Helps to get the metals and graphene oxide in the jabs out of the body)

[Pure Encapsulations NAC 900 Mg. 120 capsules](#) \$42.00

[Pure Encapsulations NAC 900 Mg. 240 capsules](#) \$74.00 Backordered

[NAC \(500mg\) \(180ct\)](#) \$40.00

++Quercetin (Supports the immune system drives zinc into the cells)

[Pure Encapsulations Quercetin 250 mg 60 capsules](#) 22.00

++Nattokinase (Nattokinase has been proven in studies to break down blood clots and naturally thin the blood--Blood clots, red blood cell aggregation & strokes are a huge issues with the Covid jabs)

[Davinci Labs NATTOKINASE PLUS 60 capsules](#) \$36.00<<Always take on an empty stomach

++Lung Infection Support

[Pneuma-Zyme™ \(Lung Conc.\) \(100 T\)](#) 33.00 &

[MBi Nutraceuticals Pneumo Complex Glandular Tissue Concentrate 60 Capsules](#)
\$17.00

++Dr. Johnson's Comment: I also suggest if your O2 levels are running low (which seems to be very prevalent due to the Covid-19 Bioweapon) to get on Cataplex E2 by Standard Process (9-12 a day split up dosages), but I don't carry that one. [You can find it online.](#)

++Parasite Eradication (If you are concerned about the parasites that have been actually viewed under the microscopes of researchers who have examined the Covid vaxx vials, you can take the protocol below) See: [Four Deadly Parasites Found in Vaccines](#)

[Bromelain Plus CLA \(100 T\) \\$23.00](#)

[Dysbiocide 120ct \\$34.00](#)

I recommend the products be taken together for two 20 day cycles with one week off in between. You would take 6 a day of Dysbiocide (120 C) and 5 a day of the Bromelain Plus CLA (only empty stomach) of each product for two 20 day cleanses. You would essentially need two bottles of each product to properly complete a parasite cleanse, as you would be taking one bottle of each for every 20 day cleansing period.

++ Stroke Recovery Protocol

[VasculoSirt](#) 5 with meals or 15 a day

[Cytozyme-B \(Brain\) \(60ct\)](#) 1 with meals or 3 a day

[Davinci Labs NATTOKINASE PLUS 60 capsules](#) 1 taken on an empty stomach 3 times a day. **++Note you cannot take this product with any blood thinner medications as it will thin the blood too much.**

[Intenzyme Forte™ \(100 T\)](#) 5 tablets taken on an empty stomach 3 times a day—
Take with the Nattokinase

++ If the stroke was due to a weakened blood vessel that was compromised add in: [Bio-FCTS \(90 C\)](#) 1 with meals or 3 a day

++ If the stroke was due to plaquing of the arteries EDTA chelation needs to be taken until the arteries are clear:

Dr. Johnson's Comment: A Doppler ultrasound of the carotids is the best, most cost effective way to confirm if you have plaquing of the arteries. Lifeline Screenings are a nationwide service that can provide these at a very low cost, go to: www.lifelinescreening.com

This is probably the best version of EDTA if you cannot do the IV chelation:

[Medicardium: Magnesium Di-Potassium EDTA Chelation](#)

[How Does EDTA Chelation Work?](#)

[IV EDTA Chelation](#)

[EDTA Chelation Suppositories Reviews](#)

++ Regarding the oral EDTA, once a day, if you let ¼ tsp to ½ tsp of oral EDTA sit under the tongue for 5-20 minutes (with 5-7 drops of 99% pharmaceutical grade DMSO—see below) before swallowing, it will have a much higher absorption rate. A little organic peppermint oil can kill the taste. This process (depending on your plaque level) takes a lot of time to work with the oral EDTA route, but it can be a literal lifesaver and it much cheaper than IV Chelation which is the Gold Standard and also highly recommended if you can afford it.

To Purchase Pharmaceutical Grade DMSO (which is the only kind anyone should be using) go to: <http://www.ebay.com/usr/kaitlynstreasurebox? trksid=p2047675.l2559>

++For the money this is an excellent value on EDTA:

<https://www.purehealthdiscounts.com/supplements.htm> <<You will have to scroll down to find this product.

++ This kind of chelation will not remove calcium from your system but it will remove other heavy metals and trace minerals (so again being on a good trace mineral product while on any kind of chelation program is essential) but if you have calcium buildup due to artery plauqing this will not remove that calcium

EDTA chelation skin cream now: [KelaCream EDTA Heavy Metal Detox Cream](#)

Also here is a whole book on this subject: [Detox with Oral Chelation: Protecting yourself from Lead, Mercury, & Other Environmental Toxins](#)

++Lastly any form of chelation will remove trace minerals from your body, so it is important to take some extra trace minerals once you have been on the EDTA for any length of time. This is an excellent one: [Multi-Mins™ \(Potent Mineral Combination\)\(120ct\)](#) & (360ct)

++Dr Johnson does not carry any form of EDTA chelation, but he does carry the other products mentioned.

++ These products are very complicated to sell via an website online as they are professional products that should only be sold via health care providers. Now at the same time I make these easy to purchase, though. [Sorry only US orders.](#)

To purchase--Email: drjohnson@ix.netcom.com

on so many prescriptions for over thirty years! I'm in my sixties now taking natural supplements only and feeling pretty awesome!

Subject: Listener Comment About Being Affected by the Covid Vaxxed and Her Experience with the Supplement and Invive

*Hi Scott, I'm a long time listener to your program. Forgive me if I'm having a bit of a time communicating. I'll try to nutshell this. I'm 58 yrs old. My 33 yr old daughter works at a daycare. She has not taken the jab nor been tested. **However her boss and co workers have, and now my daughter, her daughter and my other daughter have come down with whatever they got from them and now me.** The three of them are getting better though not 100%. I am now sick on the 2nd relapse. I never got the jab or was tested but have had a fever and can hardly breathe to the point it's all I can do to try and write you read through the info etc. I am really scared right now. We all live together and I can't really care for myself much. I want to order the 5000 silver, 2 bottles but now sure how to get it fastest. forgive me I'm not sure what to do and I'm having such a hard time breathing and I'm really scared though I know I shouldn't be. I am truly beside myself. Thank you Scott and God Bless.*

***Update:** This just took me by total surprise. Its been very hard not to panic. The pain and not being able to sleep from the pain and the fear of not being able to catch my breath has been something indescribable. Praising Jesus while I'm laying there. Scott I am forever grateful for your help and all you do.*

Sincerely, In Christ,

Michelle
