Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprovved are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary**

defines: "**Reprove**": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. "**Circumspectly**": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the **very elect**."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." Samuel Adams

"The average age of the world's great civilizations has been two hundred years.

These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." +1+ STRATEGIC WARFARE PRAYER!!!!

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, subversions, tactics and plans; **which are designed to hinder, prevent or frustrate God's original plans and purposes**, from their swift manifestation taking place in their correct time and season. (Daniel 7:25) **We come against all satanic alliances and confederations worldwide. Let every evil effort and endeavor fail. Cause the news media to be caught in their lying and manipulation, so that only the truth is brought forth.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We pray that all invisible and visible walls of opposition; restriction and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Oh God confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; **let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed destroy all of God's creation and defile the world. According to 1 John 3:8 for this reason,**

was the Son of God made manifest, that He would destroy the works of the enemy. (John 2:15-17; Acts 16:16-19) Father God overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood; & overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17 & break the curses associated with all these ceremonies, rituals, utterances and their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order. Father God we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16.

FATHER GOD, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent. (Isaiah 44:25; 2 Timothy 3:8) Please send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. **Dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) Release your divine strategies and revelations upon any righteous person in government worldwide. **Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them.** (James 1:5) Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they be cast into the lake of fire AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE..** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!

No This is Not a Misprint!: Maryland Senate Bill 669 Legalizes Infanticide Up To 28 Days After Birth!!! Maryland Prepare for God's Fury!!!!

March 9, 2022 There's a lot of rubber meeting the road these days. And, as we have warned time and again, giving an inch leads to taking a mile. **Residents in Maryland are about to find that out with Senate Bill 669 proposed in the Maryland legislature.**

Matt Lamb covered the story for *LifeSiteNews.com*.

Legislation proposed in the Maryland Senate would allow babies to be left to die for as long as the first 28 days after birth, according to analysis from a pro-life attorney.

[Senate Bill 669](#) is also known as the Pregnant Person's Freedom Act of 2022, but the problems go beyond the use of "person" in place of accurate references to women having babies. Senator William Smith, a Democrat, sponsored the legislation, which will have [a hearing](#) on March 15.

"[T]he bill also proposes a revision of the fetal murder/manslaughter statute that would serve to handcuff the investigation of infant deaths unrelated to abortion," American Center for Law and Justice (ACLJ) attorney Olivia Summers wrote in her [analysis](#).

This is because the legislation prohibits investigations and criminal prosecutions for women and medical professionals for a "failure to act" in relation to a "perinatal death."

"In other words, a baby born alive and well could be abandoned and left to starve or freeze to death," Summers wrote, **"and nothing could be done to punish those who participated in that cruel death."**

She said that the language used is unclear, so the law could be interpreted to "prevent investigations into the death of infants at least seven days AFTER their birth, and may extend to infants as old as four weeks!"

The Maryland Code does not define "perinatal," Summers said. A 2020 [law](#) does define "perinatal care" as the "provision of care during pregnancy, labor, delivery, and postpartum and neonatal periods."

A [definition](#) on MedicineNet, a website owned by WebMD, defines it as "the 20th to 28th week of gestation" to "1 to 4 weeks after birth."

This is codifying murder of newborns up to 28 days old! How many times have anti-life individuals claimed murdering of babies would not happen outside the womb? How many times have anti-life individuals claimed babies in the womb are nothing but a "clump of cells" to justify what is unjustifiable? How many times have anti-life individuals pounded the mantra drum of a "woman's right to choose" whether to terminate the life of the baby in the womb using the Supreme Court decision in *Roe v. Wade* as conferring that pretended right to women? How many times have these same people said, "it's the law of the land" when the Supreme Court decision in no way conveys any legislative power?

This proposed legislation in Maryland cannot be termed anything but murder and codified "euthanasia via cruel means" of infants when medical professionals participate. And yes, euthanasia is murder. Euthanasia has been sold to the public as "individual requested assisted suicide" – suicide is "self-murder". It is unethical, immoral, lawless, and against God's law.

'This codifies what Satan wants': Maryland legislator blasts abortion bill

"The most sacred place for an infant inside his mother's womb," said Maryland House Delegate Rick Impallaria during a floor discussion on a proposed amendment to the Maryland Constitution to establish abortion as a "fundamental right."

Impallaria said the bill about to be voted on is an embarrassment for the State of Maryland. "It codifies what Satan wants from us."

Despite Impallaria's impassioned speech, the bill passed in the Maryland General Assembly, 93 yeas to 42 nays.

The "Ancient Astronaut" Lie Exposed Again—Aliens Are not Our Creators They are the Return of the Nephilim That Jesus Christ Predicted in Matthew 24:37 & Luke 17:26 Regarding the End Times We are Living In

Scott Johnson's Comment: Yes this is the big lie (Also known as the Ancient Astronaut Theory) that will be debuted to humanity soon. I have predicted this for over 15 years due to lies like the ones presented in this pathetic video presentation that have been disseminated for a long time now. This is all part of the strong delusion that the Bible clearly predicts in 2 Thes. 2:11. If you want to hear the truth regarding this subject go to my study at:

Scott Johnson's 2007 Teaching: [The "Ancient Astronaut" Lie: The Shocking Origin of the "Intelligent Design" Theory](#)

12/28/2007--This is a special study I felt convicted to do after viewing a 27 minute internet video put out by the Raelian cult. This video does one of the most through jobs of condensing most of the coming "New Age/New World Order" lies that I have ever witnessed. Most of these lies seem so appealing to the unsaved, for the same reason Eve was seduced by the serpent in the Garden of Eden: Because they promise: "Ye shall be as gods". If anyone buys into this then all accountability to a Holy God goes out the window & they feel they can live anyway they want. Satan is still "The most subtle best of the field" and he has not changed his tactics as you will see when you listen to this audio. In this teaching I will be playing the sound from this video and stopping to comment along the way so I can ultimately present a full rebuttal to this most egregious heresy. This "Ancient Astronaut" theory is going to unfortunately take many people to hell and is going to be one of the cornerstones of the grand deception the Antichrist will perpetrate.

How did they know that there will be an Ukrainian conflict involving Russia?

Also in this movie they talk about an alien disclosure during this conflict. Do you think this is a prophetic movie?

The author of this movie said that is the first one from 5 more that they want to release. THE second one they want to film this year.

IT doesn't matter if they will succeed but all I know is I was very impressed because they told us about the Ukraine conflict before IT happened .

Will This Be How Disclosure Happens? Supposed Space Ark In Ukraine Now Controlled by Russia?

Michael Salla: *In this interview my long time source JP, who currently serves with the US Army, explains that an ovoid shaped space ark under the Ukraine desert near the city of Kherson has been taken over by the Russia army. JP says that a team of US special forces were sent on a covert mission to the Ark, prior to the invasion, and went missing. The Ark possesses exotic plant life and the Russian military also seeks to control another smaller space ark located near the city of Kiev according to what JP heard in a classified briefing. He says that Russia already possesses a space ark in its own territory which possesses exotic technology. JP says that Russia is denying the US access to the space arks under its control in order to gain concessions on US geopolitical policies. JP describes another space ark in central Brazil and says that all the space arks are being activated and form an integrated network that will eventually float into the sky in what will amount to a global disclosure event. He says that the arks and the extraterrestrial fleet connected to them represent a benign force and will help humanity enter a new golden age.* Note: Just prior to the release of this interview, JP informed me that the US special forces team had been found and had safely left Ukraine. Subject: Jonathan with quick update.

Listener Comment: I wanted to give you a quick update in what we know of the horrible situation in Ukraine

There are many families and peoples on the move and others who are staying put. Many are seriously deluded, confused, foolishly believing this will end soon or Ukrainian army will "win".

We are hearing of real individual horror reports. 1 couple we are in touch with got on the train (from Kiev to western Ukraine Lviv) They were hiding in a cold cellar for a week, and they were hearing too much bombing and decided to try & sneak to train station. Luckily he and his wife got on train, as the previous week no men were allowed on trains. **Very packed in like sardines. (Usually 4 people to these small carts are now packed with 16. Now they cannot use their phones whilst on train, or any lights on train as they travel by night and in dark to try not to draw any attention to themselves to not get bombed.**

The trains stop when heavy bombing and wait till it hopefully calms down.

One man they were right next to on the train told them that he came from the city of Irpen (is a suburb area of Kiev). There was a green corridor agreed upon to evacuate citizens as Russians took over the cities. Supposedly the Ukrainian army withdrew from these cities to negotiate this green corridor.

So he told Russian soldiers are stripping the people down naked and taking all their valuables. Taking clothes, cigarettes, phones, all that they have. He was put up against the wall and was thinking he was going to get shot but they let him walk away. He said women are getting raped, and also killing children and elders. He knows about one woman who didn't want to give her pig to the soldiers & was shot dead.

Now this is 3rd hand sources, but I do think it can be true.

So far we raised 6k+, we were able to get 5 families monies who are extremely grateful for those funds and has helped many people.

But for the hard hit areas we are finding it hard to get the funds to the people because the banks are closed and cities are under bombing.

In Kiev we were able to get the funds to the people but more and more banks are closing.

My wife is working now with volunteers who are coordinating green corridors and is finding families in need.

I wanted to know about that Orphanage in Ukraine you have been donating to, and are they in dire needs right now. I am almost sure they would be. What city are they in,? How many children ? Are they evacuated or still there?

And can we get funds to them if we decide to donate to that charity?

Subject: **Listener Comment: Updated News & Warnings from Refugees crossing borders in Romania, Poland & Moldavia**

Scott, I'm writing this with a heavy heart.

My wife just got in touch with a woman who has first hand reports from families in her building that first crossed the borders trying to run to safety, and have been picked up by men thinking they are going to help them, and take them into their homes, but are being stolen and what is believed trained into prostitution. Other reports of women crossing the border being picked up, brought to fields, raped & stolen from.

We are getting reports of multiple women missing like this.

I truly hope this is not really going on, but we are investigating further and getting multiple reports confirming this.

My heart physically hurts and I am in tears.

Jonathan

++ Ok so further research is confirming women trafficking into prostitution.

Germany, Romania, Poland & Moldova.

Pimps looking like volunteers, offering you a place to safety, taking women's documents and taking them away.

So my wife is reading from Ukrainian web site that is giving strict procedures on what to do & not do when crossing the border. Not to give documents to anyone. Try to be in groups. And do not go alone.

She read from Germany, that pimps are offering to pay volunteers to send women and children to them.

Here are a few links, I believe in Russian, and you can Google Translate

++ So we started a funding campaign, our goal to reach \$100k to help 200 families, giving \$500 per family which would be able to supply a family of 4 for 4 to 6 weeks worth of food, water, medicines, etc...)

This money will be Western Unioned to each family's head of their household, so the money will go direct to helping each family.

Here is the link to the funding Campaign,

Whatever you can spare would be greatly appreciated.

And please share this link to help us reach our goal and beyond.

CRYPTO FEVER: Biden Signs Executive Order Authorizing The Creation Of A Digital Dollar As World Continues Moving Closer To A Cashless Society

President Biden signed an executive order on Wednesday to explore establishing a U.S. Central Bank Digital Currency (CBDC) — also known as a 'U.S. digital dollar' — akin to a cryptocurrency, in move to a cashless society.

President Biden Signs Executive Order on Ensuring Responsible Development of Digital Dollar and Crypto Currency In Coming Cashless Society

FROM THE WHITE HOUSE:

Digital assets, including cryptocurrencies, have seen explosive growth in recent years, surpassing a \$3 trillion market cap last November and up from \$14 billion just five years prior. Surveys suggest that around 16 percent of adult Americans – approximately 40 million people – have invested in, traded, or used cryptocurrencies.

The United States must maintain technological leadership in this rapidly growing space, supporting innovation while mitigating the risks for consumers, businesses, the broader financial system, and the climate. And, it must play a leading role in international engagement and global governance of digital assets consistent with democratic values and U.S. global competitiveness.

In the book of Revelation, we see that during the tribulation, that there will be a single currency tied into the [Mark of the Beast](#). It will control all buying and selling, and it will be implanted in either the back of your right hand or in your forehead. It will be a computer microchip of some sort, obviously digital, and without the Mark you cannot buy or sell anything.

“And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.”

[Revelation 13:16,17](#) (KJB)

Why is cryptocurrency exploding right now? Because we live in the end times, and the world is preparing itself to receive Antichrist, that's the short answer. The longer answer is because Bible prophecy is true, and everything written therein

must come to pass. For decades, end times Bible teachers, authors and Christian film makers have been telling us that a cashless society is coming, because cash will not be accepted in the time of tribulation during Jacob's trouble. With each passing decade we have moved closer and closer to that eventuality, and indeed are watching it come together right now.

Secretary of Transportation Pete Buttigieg Rolls Out Plan To Cover America With 'Red Light' Surveillance Cameras Connected To The Metaverse

Secretary of Transportation Pete Buttigieg is being criticized roundly for his plan to expand the use of surveillance "safety" cameras on

roads nationwide, as drivers have complained that the camera systems are inaccurate and prone to abuse by political cronies.

Can you imagine a nationwide network of 'red light' surveillance, I mean, safety cameras on every corner, all connected into the Big Brother database? Joe Biden's perverted sodomite Secretary of Transportation sure can, and Pete Buttigieg unveiled his plan to bring '1984' to life in stunning fashion. **But hey, think how convenient it will be to have your digital ID Immunity Passport connected to the microchip in your vehicle able to talk with the surveillance cameras that will allow you access when you want to venture out to purchase food, water and medical supplies? Or better yet, when the Metaverse is rolled out you won't actually have to leave to go anywhere.**

In Chicago, which has more red-light cameras than any other city in America, Mayor Rahm Emanuel's rollout was marred by political corruption and claims that the cameras were not only inaccurate, but also disproportionately targeted black and Latino drivers in the city.

Road safety camera systems have also been associated with political corruption in recent years. The company supplying Chicago's cameras, Redflex, reached a non-prosecution agreement with the Department of Justice and a \$20 million civil settlement with the City of Chicago after related bribery scandals and convictions in the city and in Columbus, Ohio.

Many drivers continue complain about being wrongly ticketed by the camera systems for a variety of reasons, including the misidentification of cars and drivers. And residents of the District of Columbia were outraged when officials continued its speed camera ticketing during the pandemic, demanding payment of fines when many families could not afford the expense. **READ MORE**

Digital Passport Alert

Monday, March 7, 2022--At least 21 U.S. states, along with the District of Columbia and Puerto Rico, have rolled out digital vaccine passports, and four more states plan to release them soon

One of the most prominent names in the digital vaccine passport space is SMART Health Card, a verifiable vaccine passport developed by the Vaccination Credential Initiative (VCI)

SMART Health Cards, which can be paper or digital, can be obtained from pharmacies, doctors' offices, state immunization registries and any other organization that has your shot records and other health information

Disguised as a tool for convenience and safety, digitized ids such as mobile driver's licenses and vaccine passports will be embedded into everyday life, eroding your privacy and acting as a tool to control everything from food and sustainability to travel and mobility

At the end of his report, he shares many steps that you can take to resist these tyrannical initiatives:

1. Do not comply, whether or not you're coerced, bribed, guilted, intimidated or manipulated into complying. "Civil disobedience is necessary."
2. Contact your investment adviser or asset manager. Give them a list of companies involved in vaccine passports and pushing the agenda, and tell them you no longer want to support them.
3. Avoid all digital identities and vaccine ID passports offered by banks, driver's license facilities and other industries as a means of increasing "access" or "convenience."
4. Tell your friends, family and acquaintances about the real goal of digital identities, which is to "put you on the **Blockchain** to surveil and control your every move." **What Is a Blockchain?:** A blockchain is a distributed database that is shared among the nodes of a computer network. As a database, **a blockchain stores information electronically in digital format.** Blockchains are best known for their crucial role in **cryptocurrency systems, such as Bitcoin.**
5. Contact your local sheriff. There are 3,081 sheriffs in the U.S., which should be contacted by phone, email and mail. They have the power to not enforce illogical or illegal demands.
6. Share messages of truth around your community. You can spread the word using flyers, postcards, stickers or "swag with a message."
7. Don't support establishments that require proof of a shot or negative test. If you do, give them a card that reads, "I will not be a human experiment of a gene therapy jab for a virus that has a 99.98% survival rate."
8. Email your state representative to block vaccine passports and digital IDs. Support and consider donating to those who are taking action against injection mandates and passports.

9. Move your money from large banks to small, family-owned banks and small credit unions. “If 10% of people did this, it would create a huge shift.”
10. Build family or community energy and food systems, as “resilient energy and food supplies will go a long way against their digital financial blackmailing systems.”
11. Boycott Amazon and big box stores that are “building the infrastructure to enslave humanity.”
12. Use cash as much as possible, as it allows you to avoid being tracked via your bank account and keeps your spending behaviors from being analyzed and used to manipulate industries, supply chains and markets.
13. Leave your cellphone at home (or use blocker bags) and avoid any and all data-tracking apps.
14. Limit the personal data you share online, on paper and anywhere else.
15. Call your senators and demand that they oppose the Federal Vaccine Database Bill H.R. 550, which would allow the development of a federal vaccination registry.
16. Avoid purchasing “smart” products of any kind, such as smart televisions and Alexa devices. “These products are all used for surveillance purposes via audio, some visual, and data aggregating, not to mention potential integrated mind control technologies.”
17. Establish financial security outside the system, such as by learning or teaching trade skills and establishing networking and teamwork opportunities for people to build and work together within their local community.
18. Clear as many debts as you can so you aren’t beholden to anyone. “Invest in people, learning trade skills, family and community, hard assets, proper schooling for your children — which might mean a local homeschool network — local farmers, any necessary supplies or equipment you feel you need, your health and peace of mind.”
19. Maintain resources — medical, legal and otherwise — to fight the COVID-19 tyranny and stay updated on legal action and legislation against COVID-19 mandates.
20. Be aware that it is not legal to require a person to get injected while it’s still under emergency use authorization. “Though the FDA has approved Pfizer’s Comirnaty jab, Pfizer has chosen to not yet produce it for the U.S., and instead are continuing to supply the EUA jab.”

connecting_dots-- *There may be a good reason why they are doing this, that is back before clean water and sanitation, there were parasites everywhere which killed lots and lots of people. Vaccination never cured anything but clean water and sanitation did. But since we have such good sanitation and clean water people are no longer dying from parasites so next best thing: Put it in the shots so you can get it into people that way. Result: Lots and lots of people die.*

An Annual COVID Kill Shot Vax for Kids?

The federal government is **currently considering** whether to authorize COVID vaccines for children under five years of age; the shots have already been approved for Americans aged five and up. It appears that the obsession with vaccinating kids against COVID is really about getting COVID shots added to the CDC's Childhood Immunization Schedule: a yearly COVID shot to help pad the coffers of Big Pharma.

Getting the COVID shots recommended for children is the first step to making them part of the CDC's recommended childhood schedule—that is, a yearly shot for COVID, potentially long after COVID is no longer a pandemic. If COVID vaccines are added to the childhood immunization schedule, it means billions in sales for vaccine manufacturers and complete liability protection for when children are harmed by the vaccines. Note that liability protection for COVID vaccines will go away when the Health Department determines there is no longer a public health emergency; vaccines on the CDC's schedule are permanently protected from liability.

Adding COVID vaccines to the CDC's schedule would require a rulemaking with an opportunity for the public to comment. This process has not started yet, but this is what we see happening if the government recommends the vaccines for children under five.

Big Pharma wants guaranteed profits (through adding COVID shots to the CDC's schedule for kids) and the permanent liability protection that provides. And they will need it. According to the government's Vaccine Adverse Event Reporting System (VAERS), there have been 37,684 adverse events from COVID vaccine for kids aged 6-17; we also know that VAERS **may miss as many as 99 percent** of vaccine reactions. According to the CDC, **40 percent of kids aged 5-11** experienced a "systemic" reaction to COVID vaccines which include, fatigue, headaches, and injection site pain

The Pfizer "vaccine" has ONLY 1,291 side effects! <<No this is not a misprint!! This is the clinical data a judge forced the FDA to release ... it's worse than you could possibly imagine—I wonder if this has anything—or everything—to do with the ongoing plague of "sudden deaths" now ravaging humanity worldwide?

March 8, 2022 It's (seemingly) a lucky thing for Pfizer—and all of its accomplices, including Bill Gates, Dr. Fauci (remember him?), nearly every state and national leader, and almost every journalist, both corporate and "alternative"—that Putin picked this moment to invade Ukraine.

The FDA was forced by a judge to release clinical data on the COVID vaccines back in January and so 55,000 pages of documents were just released. The FDA had originally wanted to hide the data for 75 years and release it in 2096 because, of course, the FDA is basically engaged in a criminal conspiracy. The COVID vaccines should never have been approved. This was obvious from the very beginning when animal trials were skipped in the Trump Administration's ill-fated "Operation Warp Speed." And now it's undeniably true. We have the clinical data, and it's horrific.

Hiding out in [one appendix is the clinical data for Pfizer's vaccine](#) — which lists 1,291 adverse side effects in alphabetical order. Let's give you just the bad things that can happen to people who took the Pfizer vaccine that start with the letter "a" to enjoy:

CONFIRMED! 1 billion dollars in tax payers money secretly given to large media companies to push vaccines and prevent vaccine hesitancy--GENOCIDE AND HUMAN RACE EXTINCTION IS BIG BUSINESS!

About a week after the publication of Pfizer's data, the vaccine agenda is facing another major blast! During a secret investigative work, some independent journalists have confirmed that 1 billion dollars in tax payers' money has been secretly given to large media companies to push vaccines and prevent vaccine hesitancy... Below some more information about the leak...

In response to a FOIA request filed by TheBlaze, HHS revealed that it purchased advertising from major news networks including ABC, CBS, and NBC, as well as cable TV news stations Fox News, CNN, and MSNBC, legacy media publications including the New York Post, the Los Angeles Times, and the Washington Post, digital media companies like BuzzFeed News and Newsmax, and hundreds of local newspapers and TV stations.

These outlets were collectively responsible for publishing countless articles and video segments regarding the vaccine that were nearly uniformly positive about the vaccine in terms of both its efficacy and safety.

Hundreds of news organizations were paid by the federal government to advertise for the vaccines as part of a "[comprehensive media campaign](#)," according to documents TheBlaze obtained from the Department of Health and Human Services.

The Biden administration purchased ads on TV, radio, in print, and on social media to build vaccine confidence, timing this effort with the increasing availability of the vaccines. The government also relied on earned media featuring "influencers" from "communities hit hard by COVID-19" and "experts" like White House chief medical adviser Dr. Anthony Fauci and other academics to be interviewed and promote vaccination in the news.

Though virtually all of these newsrooms produced stories covering the COVID-19 vaccines, the taxpayer dollars flowing to their companies were not disclosed to audiences in news reports, since common practice dictates that editorial teams

operate independently of media advertising departments and news teams felt no need to make the disclosure, as some publications reached for comment explained. Congress appropriated \$1 billion in fiscal year 2021 for the secretary of health to spend on activities to “strengthen vaccine confidence in the United States.” Federal law authorizes HHS to act through the U.S. Centers for Disease Control and Prevention and other agencies to award contracts to public and private entities to “carry out a national, evidence-based campaign to increase awareness and knowledge of the safety and effectiveness of vaccines (Comment, see report above for starters!) for the prevention and control of diseases, combat misinformation about vaccines, and disseminate scientific and evidence-based vaccine-related information, with the goal of increasing rates of vaccination across all ages”

Subject: **Listener Comment: Another Inlive Covid Testimony**

So, my daughter's boyfriend got sick and tested for covid, my daughter and wife both sick, went in to get tested yesterday, in spite of my fervent protest showing proof the test are faulty. They came home positive. I had a head ache behind my eye on Friday, ran out of the 2000 silver, so I was taking a table spoon 500 every two hours, feeling worse, body aches and pain, fever sweats and chills to the bone, felt like I had been hit by a truck, Saturday morning, missed work. Broke out the 5000 silver took a tea spoon and then again 8 hours later another. And this morning I'am perfectly fine. My wife has taken some too, I have to talk to my daughter, she says it stains her teeth.. Pray for us. Gods bless you and yours. Thank you for sharing the silver connect. Stay healthy.

Scott Johnson's Comment: Great to hear, but yes you should always brush your teeth right after taking the silver or it can stain your teeth, especially the 5000ppm and above.

I do not claim to "cure" disease, my goal is to help you to make physical and nutritional changes in your own body so that your body can heal itself.*

Dr. Scott Johnson's Comment: With the recent advent Covid (and all that surrounds that issue like the vaxxed shedding their spike protein payloads to the unvaxxed) we should all be placing an ever increasing importance on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harm's way (that is if you can help it) and #2) building up your own immune system as much as possible. Below I am

endeavoring to show you how to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors in this document. **See below.** God bless!

++Dr. Johnson's Comment: I also suggest if your O2 levels are running low (which seems to be very prevalent due to the Covid-19 Bioweapon) to get on Cataplex E2 by Standard Process (9-12 a day split up dosages), but I don't carry that one. [You can find it online.](#)

You would take 6 a day of Dysbiocide (120 C) and 5 a day of the Bromelain Plus CLA (only empty stomach) of each product for two 20 day cleanses. You would essentially need two bottles of each product to properly complete a parasite cleanse, as you would be taking one bottle of each for every 20 day cleansing period.

[Davinci Labs NATTOKINASE PLUS 60 capsules](#) 1 taken on an empty stomach 3 times a day. **++Note you cannot take this product with any blood thinner medications as it will thin the blood too much.**

[Intenzyme Forte™ \(100 T\)](#) 5 tablets taken on an empty stomach 3 times a day—
Take with the Nattokinase

++ If the stroke was due to a weakened blood vessel that was compromised add in: [Bio-FCTS \(90 C\)](#) 1 with meals or 3 a day

++ If the stroke was due to plaquing of the arteries EDTA chelation needs to be taken until the arteries are clear:

Dr. Johnson's Comment: A Doppler ultrasound of the carotids is the best, most cost effective way to confirm if you have plaquing of the arteries. Lifeline Screenings are a nationwide service that can provide these at a very low cost, go to: www.lifelinescreening.com

This is probably the best version of EDTA if you cannot do the IV chelation:

[Medicardium: Magnesium Di-Potassium EDTA Chelation](#)

How Does EDTA Chelation Work?

IV EDTA Chelation

EDTA Chelation Suppositories Reviews

++ Regarding the oral EDTA, once a day, if you let ¼ tsp to ½ tsp of oral EDTA sit under the tongue for 5-20 minutes (with 5-7 drops of 99% pharmaceutical grade DMSO—see below) before swallowing, it will have a much higher absorption rate. A little organic peppermint oil can kill the taste. This process (depending on your plaque level) takes a lot of time to work with the oral EDTA route, but it can be a literal lifesaver and it much cheaper than IV Chelation which is the Gold Standard and also highly recommended if you can afford it.

To Purchase Pharmaceutical Grade DMSO (which is the only kind anyone should be using) go to: <http://www.ebay.com/usr/kaitlynstreasurebox?trksid=p2047675.l2559>

++For the money this is an excellent value on EDTA:

<https://www.purehealthdiscounts.com/supplements.htm> <<You will have to scroll down to find this product.

++ This kind of chelation will not remove calcium from your system but it will remove other heavy metals and trace minerals (so again being on a good trace mineral product while on any kind of chelation program is essential) but if you have calcium buildup due to artery plauqing this will not remove that calcium

EDTA chelation skin cream now: [KelaCream EDTA Heavy Metal Detox Cream](#)

Also here is a whole book on this subject: [Detox with Oral Chelation: Protecting yourself from Lead, Mercury, & Other Environmental Toxins](#)

++ Lastly any form of chelation will remove trace minerals from your body, so it is important to take some extra trace minerals once you have been on the EDTA for any length of time. This is an excellent one: [Multi-Mins™ \(Potent Mineral Combination\)\(120ct\) & \(360ct\)](#)

++Dr Johnson does not carry any form of EDTA chelation, but he does carry the other products mentioned.

++ These products are very complicated to sell via an website online as they are professional products that should only be sold via health care providers. Now at the same time I make these easy to purchase, though. [Sorry only US orders.](#)

I want to order the 5000 silver, 2 bottles but now sure how to get it fastest. forgive me I'm not sure what to do and I'm having such a hard time breathing and I'm really scared though I know I shouldn't be. I am truly beside myself.** Thank you Scott and God Bless.*

Update: This just took me by total surprise. Its been very hard not to panic. The pain and not being able to sleep from the pain and the fear of not being able to

catch my breath has been something indescribable. Praising Jesus while I'm laying there. Scott I am forever grateful for your help and all you do.

Sincerely, In Christ,

Michelle

Ok While I am getting low on the 5000ppm I do have what you need, but you need to get on the other things for your immune system ASAP: Covid-19 Recommendations & Supplement Protocol PDF <<you can try to reproduce many of these things just by going to a local health food store that way you do not have to wait.
