What Does the Old Testament Hebrew Bible Term *Elohim* Mean?

'*ĕlōhîm* Pronunciation el-o-heem'

The KJV translates Strong's H430 in the following manner: [God](#) (2,346x), When we read about “God” in the Old Testament, we are reading the translation of the Hebrew term *Elohim*. It is important that we have an understanding of the meaning of this word and how it is used in Scripture.

The name commonly used for God in the Old Testament is the Hebrew word *Elohim*. It is also found in the singular form *El* and *Elah*. Whenever we find the English word “God” used in the Old Testament, it is a translation of this Hebrew word *Elohim*, or one of its forms.

The word is used in the first verse of the Bible.

In the beginning God [*Elohim*] created the heaven and the earth. ([Genesis 1:1 KJV](#))

The noun *Elohim* is plural but it is always used with a singular verb when it speaks of the true God. This indicates a unity and plurality within the nature of God. This unity and diversity is revealed in Scripture as the doctrine of the Trinity; one God who exists in three distinct Persons or centers of consciousness, God the Father, God the Son, and God the Holy Spirit.

[Indigo & Star Children Exposed!-Part 1](#) By [Dr. Scott Johnson](#) | April 27, 2008

[Indigo & Star Children Exposed!-Part 2](#)

[Indigo & Star Children Exposed!-Part 3](#)

To a New Age occultist, every 2,160 years of cyclic time welcomes a New Age that advances a new global revelation. Supposed enlightened humans serve as “planetary light bearers” who have broken free from (in this case) the Age of Pieces to forge in its place the Age of Aquarius. This Age of Cosmic (or Christ) Consciousness is distinguished by group interplay and idealism (AKA a New World Order). Each emerging New Age boasts a Savior (Maitreya) to lead the world into discovery of the “higher self.”

Today, evolution from embryo-god to “Christhood” through multiple reincarnations is no more clearly evident than in the phenomenon of the Indigo/Crystal/Star/Rainbow Children. These children are said to be highly evolved, uniquely gifted youngsters whose mission is to teach their elders and, thus, ensure planetary transformation into a golden era of peace and brotherhood. These Indigo children are being helped along by many witches and New Agers to bring about this transformation. They would say that we need the wisdom of the ancients. Most of these children are in contact a ‘spirit guide’ (demon). Many set forth visions and prophecies. Many use crystals, occult symbols and idols to facilitate this process (witchcraft). Many consult with familiar spirits and participate in necromancy (one who consults the dead (demon in disguise). All practices forbidden in the Bible.

We will also be looking at many of the Bible verses that deal with child discipline and Proverbs 16:4: ‘The LORD hath made all things for himself: yea, even the

wicked for the day of evil.' Psalm 58:3: 'The wicked are estranged from the womb: they go astray as soon as they be born, speaking lies.' & much more.

Bible Verses About Atheists & Evolution

Psalms 14:1 - The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works...

Ephesians 4:18 - Having the understanding darkened, being alienated from the life of God through the ignorance that is in them, because of the blindness of their heart:

Romans 1:19 - Because that which may be known of God is manifest in them; for God hath shewed it unto them.

Romans 1:20 - For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:

Job 12:7-10 - But ask now the beasts, and they shall teach thee; and the fowls of the air, and they shall tell thee: 8 Or speak to the earth, and it shall teach thee: and the fishes of the sea shall declare unto thee. 9 Who knoweth not in all these that the hand of the LORD hath wrought this? 10 In whose hand is the soul of every living thing, and the breath of all mankind.

1 Corinthians 2:14 - But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned.

Colossians 2:8 - Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.

The Miracle of Water/Ice

Ice floats. If it didn't, you and I wouldn't be here!

That's because water is lighter as ice, than in liquid form. If this was not so, the lakes and polar oceans would freeze from the bottom up and kill all aquatic creatures vital to life on earth.

Water is almost unique. Nearly every other substance, when it changes from liquid to solid, becomes more dense. But as water cools, it shrinks until it reaches about 39 degrees Fahrenheit, then it expands until it freezes at about 32 degrees -and floats.

Water itself is essential to life. The unbelievably complex cells in our biology are over half water. Up to 60% of the adult human body is water.

Another recent discovery of true science is the fine-tuning of planet Earth for the support of life. From the study of the massive cosmos to the discoveries in subatomic particle physics, it has been discovered that hundreds of factors, if only minutely changed, would immediately extinguish all living things.

We call these the "laws of nature." The law of gravity is one example. Everywhere in the universe, a certain amount of mass will have an exact amount of gravitational pull. Dr. Wee describes this and other laws that are so exact that any slight variation would be fatal to life as we know it.

Where did the laws of nature governing everything physical come from? And more importantly, who defined them? Darwinian evolution cannot account for this. The laws and their preset physical constants are mysteriously "just there" and "just right" -balanced on a razor edge.

In most people's minds, fossils and evolution go hand in hand. In reality, fossils are a great embarrassment to evolutionary theory and offer strong support for the concept of creation. If evolution were true, we should find millions of fossils that show how one kind of life slowly and gradually changed to another kind of life. Instead, there are no verifiable intermediate fossils showing a clear transition from one species (kind) to another.

If all complex modern life came from a single cell, there should be thousands or millions of fossils demonstrating all the stages of that transition. But what we see is that all species appear fully developed -as described in Genesis- when they show up in the fossil record, often quite suddenly.

VIDEO: The Inner Life of the Cell VIDEO CREDIT: "The Inner Life of the Cell" available on YouTube <https://www.youtube.com/watch?v=dp6gRNNGPj4>

Microbiology has discovered that a single cell is more complex than a hundred space shuttles or even the entire city of New York with its road system, power lines and sewage system. These single cells are actually microscopic "factories," taking the raw materials provided by food and the environment and converting it to the creation and maintenance of life itself.

Above all, they are not just any molecular factories, but mind-boggling, highly complex, self-replicating biological factories that can reproduce identical copies of themselves. This presupposes a Super Designer capable of thinking up that complexity.

So, in one's final analysis of the origins of life, faith is required. To believe that nothing suddenly exploded into something with no help from anyone, is an act of extreme insane faith, not scientific observation. When we look closely at the evidence, it appears far easier to believe in a Creator who started it all; yet that also is an act of faith.

We appear to have been given a carefully designed freedom of choice between the two. There is no third alternative! Increasingly, trusting the Creator makes more sense.

Book--Darwin's Universe: Survival for Nothing

<https://www.chick.com/products/item?stk=2038> Darwin has enchanted millions with his theory of Evolution, but few stop to think about where it's all leading them... Darwinists hope to bury God in an avalanche of a causeless universe and a godless evolution.

However, instead of liberating us, they plunge us into a cosmic depression. We are reduced to: From Nothing, By Nothing, For Nothing - an accidental leftover from the Big Bang, evolved by a lucky chance, and here for no ultimate purpose. We are just walking molecules, birthed through a cosmic accident, dancing to the music of our DNA, and destined to disappear in a cosmic blink - nothing more, nothing less, nothing else.

And when we look to science and evolution for answers, all we get is a blank look. Life has no real purpose, dude - it is about the survival of the genes in us - feeding, fending, fleeing and fathering - just live through it and get it over with. Our final destination is the hole in the ground.

But in reality we are: From Someone, By Someone, For Someone. Perhaps there is an unexplored and awesome universe beyond the Darwinian world of survival for nothing.

Real science encourages us to think critically and lets us place Darwinism in the crosshairs and examine it in the light of empirical science - **is it observable and repeatable? If not, it is not experimental science. And, as we shall see, Darwinism is an unobservable and unreproducible pseudo-science.**

This book will walk us through cosmology, biology, philosophy and end with theology, the queen of the sciences. Empirical science buries Darwinism and *resurrects* Creationism. We are more than cosmic orphans lost in an accidental, uncaring and dying Universe; we are living souls, made in the image of God, and designed to have a wonderful relationship with an awesome Creator.

Don't Trust Carbon Dating and Other Dating Methods--How Old IS That Fossil? Evolutionists speak with great confidence when they toss around dates related to age of earth and fossils. When you take a closer look at their evidence, great gaps appear. For example, radiocarbon dating is one of the most famous methods that they use.

Yet, Dr. Kent Hovind exposes many discrepancies in the dates produced by this method in his *Creation Evangelism Videos*. **Hovind cites an occasion where a living mollusk was dated at 2300 years old.**

Another document reported that an "absolute date had been obtained" for a geological formation and it was a "value of 300,000 years plus or minus 300,000 years." One leg of a mammoth discovered frozen in Alaska was dated at 15,380 years while his skin was set at 21,300 years.

Different parts of another baby mammoth dated at 40,000 years and 26,000 years while the "wood immediately around the carcass was 9-10,000." New advanced dating techniques used on sediment found with *Homo erectus* skulls in Java in the 1930s date them no more than 27,000 years old. Scientists previously declared that the species, supposedly an ancestor of man, vanished some 250,000 years ago. So maybe it was just a man, after all.

Potassium-argon dating is another method. But how accurate is it when it dated the lava from a Hawaiian volcano eruption in 1801 at 1.6 million years old?

Dr. Hovind, who taught science in high school for 15 years, uses humor and devastating statistics to expose the lies embedded in public school textbooks. His series of videos cover: age of the earth, conditions in the Garden of Eden, Noah's flood, dragons and dinosaurs, fossil dating fallacies, and the false idea of the geologic column.

He explains how evolutionist teachers have used the child's fascination with dinosaurs to subtly plant the idea that the earth is billions of years old, contrary to the Bible view of creation. His simple, humorous, delivery will give the student

confidence in the Bible and help him see through the lies being fed to him in school.

World Renown Scientist's Computer Proves Noah's Flood

A new computer in the supercomputing department of the National Laboratory of the U.S. Department of Energy, Los Alamos, New Mexico is being used by a world renown scientist to present evidence that the earth is less than 10,000 years old, just as the Bible says.

The program is called Terra, put together by John Baumgardner, the "world's pre-eminent expert in the design of computer models for geophysical convection..." Baumgardner is also a Bible believer who claims that Terra supports the story of Noah's flood.

In fact, Terra exists primarily because Baumgardner became a Christian after getting out of college and decided to write a program to prove scientifically that the account of the flood was accurate.

What he came up with earned him the respect of top geophysicists world-wide. The program divides the earth's crust in tiny sections and then applies the force of convection to them. What emerges is a moving picture of the shifting of islands and continents.

Of course, all such models must be built on certain assumptions. When Baumgardner enters assumptions of evolution which he does not believe, then the model seems to produce some fragmented evidence of a 4-billion-year-old earth. However, when he enters the assumption of the flood being a world-wide catastrophe many more of the pieces fit together.

He concludes that when God saw the wickedness of man before Noah, he caused an enormous amount of hot mantle material to rise on the ocean floor, pushing water over all the dry land. Then after the 150 days recorded in the Bible, the hot mantle sank back suddenly into the earth and the water flowed back into the oceans at around 100 miles an hour. This massive erosion created places like the grand canyon, Yosemite valley and great layers of sediment.

Evolutionists have discovered what they call the Cambrian explosion, when the fossil record shows the sudden appearance of most of today's species.

Baumgardner proposes that these are all skeletons deposited in the sediment when God extinguished all life on earth in the flood. The great veins of coal, created by vegetable matter, would not be there if the primordial forests were left to decay where they were. It took catastrophic action to wash the trees all together.

Baumgardner says that evolutionists wrongly assume that the movements of the earth's crust have always been the same as they are today and base their conclusion on the age of the earth on that assumption. "If you look at the geologic record there are fingerprints of catastrophe everywhere one looks", he says.

Scott Huse, in his book *The Collapse of Evolution*, elaborates: "Not a single, indisputable, multicellular fossil has ever been found in Pre-cambrian rocks..." Yet, billions of fossils of highly advanced life forms are found in the Cambrian rocks. "In short, the fossil record reveals that life appeared abruptly in great

diversity, complexity, and abundance without any ancestors from which to evolve! Clearly, this is not evidence for gradual organic evolution. This is supernatural creation."

+2+ [Vessel of Satan and Serial Child Molester Joe Biden says: "There's Going To Be A New World Order, And America Has To Lead It"](#)

President Biden, the former Senator from Delaware, addressed the Business Roundtable on Monday afternoon, where he called for America to bring in the New World Order:

"We're at an inflection point, I believe, in the world economy, not just the

world economy, the world, that occurs every three or four generations," "A general told me that 60 million people died between 1900 and 1946 and since then we've established a liberal world order, and it hasn't happened in a long while. A lot of people died, but nowhere near the chaos. Now is the time when things are shifting and there's going to be a new world order out there, and we've got to lead it. We've got to unite the rest of the free world in doing it."

Well, we've finally reached the point, here on Day 736 of 15 Days To Flatten the Curve, where there's no longer any point to pretend that the [New World Order](#) is not behind every single bit of the end times intrigue we have all been experiencing across America and around the world. So ['trojan horse'](#) Joe Biden stood up on Monday and gave a speech full with words like "false flags",

“cyberattacks”, and of course, Russia, Russia, Russia!! And one more thing, Biden called for America to bring in the New World Order. Everything that we have witnessed, watched and waded through over the past two years has all been driving to one, unavoidable conclusion, the installation of the New World Order. But in order to get to that point, economies have to be collapsed, people need to be put in a perpetual state of fear, and the lesson must be taught that only your government can save you. We watched as the entire world was told that only by a receiving an injection from the government can you be kept safe from the ravages of the virus they created and released.

Joe Biden told you yesterday that America must bring in the New World Order, I believe him. It's out in the open now, the New World Order will use Phase 3 of the Plannedemic to get the job done. World War 3 coming up.

Gas rationing, food vouchers and hunger are now being normalized for the war phase of the plandemic

Sunday, March 27, 2022 ([Natural News](#)) **As predicted, Russia's invasion of Ukraine is advancing the next phase of the plandemic, which involves widespread shortages of fuel and food that lead to mass starvation.**

Already in Ukraine, residents are running out of food and medicine. And the economic fallout from this is spilling over into the rest of the world, too.

The chance of a U.S. recession in 2023, according to banking giant Goldman Sachs, has risen to 35 percent. Conversely, global growth indicators are being slashed as everything continues to move downwards amid the conflict.

And the situation is going to get really ugly and cause a lot of pain for millions of people – though probably not the people at the top, who are getting richer by the day.

The goal is to **usher in** a global financial reset, which is exactly what we are now seeing take place as Russia takes the blame for everything bad that is currently happening.

Inflation and the Wall Street / central banking corruption that created it has been happening for years now, long before Putin entered Ukraine. But they needed a scapegoat, so here we are.

They're starving out the world to usher in their financial reset and new world order. In France, the Emmanuel Macron regime is now talking about setting up a food voucher system to help residents afford to eat. **That system will likely be tied into Macron's (Covid-19) "vaccine passport" system.**

Diesel may also soon need to be rationed as countries cut off their imports of Russian supplies due to sanctions and anti-Russia sentiment. Since diesel powers the world, this will have a devastating effect on an already crippled supply chain.

Meanwhile, millions of refugees are pouring out of Ukraine, and the Biden regime is eager to take them all in even as Americans suffer and struggle to put food on the table amid soaring inflation and supply shortages.

Much of Ukraine is having to be supplemented with humanitarian aid just to keep enough food flowing into people's home. In some areas of the country, less than four days' worth of food remains.

"The domino effect of Russia's invasion of Ukraine has sent food prices higher," reported CNN.

"As gas prices surge, fertilizer supply is shrinking. That has sent wheat, corn, vegetable oils and soybean prices through the roof – particularly troubling for countries already struggling with food insecurity."

MASSIVE SHORTAGE OF EGGS AND PROTEIN WITH UNIMAGINABLE PRICE INCREASES COMING AS 'THE FORCED STARVATION OF AMERICA' ACCELERATES

Good morning, Hawk and Steve, I sent an email out to you both in regard to the warnings I was given by several different store managers. Well I have another one. **Yesterday the store manager at Price Less Foods told me that the price of eggs will be doubling and there will be a massive shortage of eggs.** I am lucky to live in an area where I can purchase fresh eggs from several different people who have chickens, not everyone can. I remember when eggs were very important for my survival and being able to feed my kids... **I am suggesting to you that the next time you are in a Walmart or Grocery store take a good look at peoples faces, they look stunned or in shock...**Lady J

A WORD FOR ALL PASTORS TO IMPLEMENT NOW! It was then 22 years ago that I knew America would suffer famine! A Time to Act: A Report of the USDA National Commission on Small Farms

In 1997 a large group of rural churches in Ohio, Pa, and NY sent me to Washington to testify at the World Food Security Conference on behalf of the

family farmers. Just before I testified the head of NOAA testified ([NOAA - National Oceanic and Atmospheric Administration](#)) and stated that the US was relying on irrigation to grow its food; water from aquifers that was being withdrawn and not replaced. He stated "If America does not return to growing food on marginal land relying on natural rainfall it would suffer famine"

It was those very giant corporate farms that were putting the small family farms (growing our food on marginal land using natural rainfall) out of business. The Commission on Small Farms resulted from those hearings. I testified at the hearings and heard horror stories from small family farmers from all over the country about how giant corporations used their power to force them out of business. The Commission on Small Farms presented a list of recommendations to USDA to save the small family farm. USDA rejected all those recommendations and they resigned in protest.

It was then 22 years ago that I knew America would suffer famine!

The huge amounts of money given by giant corporate farms and food processing monopolies to government officials and the members of both political parties that decided the fate of America. The Tyson/Clinton scandal was just the tip of the iceberg: Under the guidance of an attorney representing Tyson Foods, Hillary Clinton made a \$98,540 profit from a \$1,000 initial investment in less than one year trading commodity futures.

Unless Jesus returns before next winter your only hope of surviving the coming hyperinflation in food and fuel will be to turn your home and church into a small family farm. J.G.

Shocking Numbers Show That The Middle Class In The U.S. Is Being Systematically Destroyed

People often wonder why I get so upset about inflation. Well, the truth is that there are many reasons, but one of the big ones is because it destroys the middle class. This has been true for a long time, but here in 2022 prices are rising at a far faster rate than most of our paychecks are. That means our standard of living is steadily going down. It is taking more out of our incomes to pay for essentials such as housing, food and gasoline, and that is leaving a lot less money for other things. Of course there are many Americans who are going into tremendous amounts of debt in order to maintain the standard of living that they are currently enjoying. But going into debt only brings more pain in the long run. As our leaders have absolutely flooded the system with new money, those at the very top of the economic food chain have greatly prospered. Meanwhile, the colossal gap between the ultra-wealthy and the rest of us just continues to grow.

Most of our leaders seem to think that "more money" is the solution to all of our problems, but they are systematically destroying the middle class and they are systematically destroying the reserve currency of the world.

We are literally committing national financial suicide, and so I don't understand why more Americans are not deeply upset about all of this.

Once upon a time, the U.S. had the largest and most prosperous middle class in the history of the world.

Now the middle class is dying, and our politicians seem absolutely determined to speed up that process.

Beta Testing for the Rest of the World--Shock As Ukraine President Volodymyr Zelensky Declares Martial Law, Seizes Control Of All Media And Outlaws All Political Opposition To His Own Party

Ukraine president Volodymyr Zelensky declares martial law, makes all opposition to his government a crime, and takes control of the free press and turns it into state controlled media.

This past Sunday, Ukraine President Volodymyr Zelensky implemented martial law and announced an order “combining all national TV channels, the program content of which consists mainly of information and/or information-analytical programs, into a single information platform of strategic communication” to be called “United News.”

Put your feelings about Russia off to the side for just a moment, and focus on what Ukraine president Volodymyr Zelensky is doing, right now, in his country and to his people. In one fell swoop, Zelensky has 1) declared martial law, 2) seized control of the press and put it under the control of the state, and 3) banned all political parties other than his own. In other words, Zelensky is now an unopposed dictator who is now running Ukraine just like the way that Putin runs Russia.

“When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn.” [Proverbs 29:2](#) (KJB)

We have told you from the very beginning of this crisis that started when Russia invaded on February 24th, that nothing was as it seemed. When you understand that what is actually happening, under the cover of war, is nothing short of a complete realignment of eastern Europe, and that the Barack O’Biden administration in 2014 [funded a revolution in Ukraine](#) to install New World Order leadership to bring about the very results you are watching right now, it all makes sense. If you think Zelensky is one of the good guys, you are very mistaken. The first casualty of war is the truth, and as world leaders are applauding Zelensky as a hero, when he absolutely is not, the truth of this situation is something the media is desperately trying to bury.

BREAKING NEWS: U.S. Selective Service System Tweets "In the event of a (Military) Draft . . ." Preparing for WW3? Gov't Tells "Conscientious Objectors" To Register Now to Avoid Fighting After They're Drafted

24 March 2022--Young Americans just got a very rude wake-up call from the United States Selective Service System. They Tweeted today from their official account saying "in the event of a Draft . . .

Yes, you read that correctly . . . "In the event of a Draft . . ." meaning a military draft for what??? World War 3, perhaps? Ukraine/Russia/NATO?

Here's the actual tweet:

Who Is One of the Main Men Leading the COVID-19 / Great Reset Agenda? Yuval Noah Harari Who Proclaims: "History began when humans invented gods, and will end when humans become gods"

Yuval Noah Harari is a lead advisor for Klaus Schwab. Klaus Schwab is the author of COVID-19 / The Great Reset and the founder of The World Economic Forum. Klaus Schwab and the World Economic Forum Are Implementing "The Great Reset." Yuval is praised by the likes of Klaus Schwab, Barack Obama, Mark Zuckerberg, and Bill Gates, who reviewed Harari's latest book on the cover of the New York Times Book Review. Harari speaks at the World Economic Forum at Davos, New York Times, Stanford, TED, and TimesTalks. At the time of this

writing, his books occupied the top two slots on the New York Times' nonfiction best-seller list.

Yuval Noah Harari is often referred to as "the prophet." He is an Israeli vegan, openly gay, pro-transhumanist who is obsessed with rejecting the God of his fathers and turning humans into gods. According to World Economic Forum luminary and historian Yuval Noah Harari, the transition to "digital dictatorships" will have a "big watershed" moment once governments start using "surveillance under the skin."

The Biden administration asked Congress for \$6.5 billion to fund a new biomedical research agency which would merge "national security" with "health security" in such a way as to use both physical and mental health "warning signs" to prevent outbreaks of disease or violence before they occur.

Such a system is a recipe for a technocratic "pre-crime" organization with the potential to criminalize both mental and physical illness as well as "wrongthink." This agency was to be largely guided by Biden's confirmed top science adviser, ERIC LANDER. LANDER formerly the head of the Silicon Valley-dominated Broad Institute, has been controversial for his ties to eugenicist and child sex trafficker JEFFREY EPSTEIN.

Dr. Young Shares New COVID Vaccine & Blood Findings--Self-Assembly with Pulsed RFs

Informative conversation with [Dr. Robert Young](#) who shares new findings of self-assembling "[graphene micro bubbles](#)" in the Pfizer vaccine as well as evidence of the same kind of [graphene bubbles in the blood](#) of a Moderna-vaccinated individual.

<https://www.bitcute.com/video/qT6iiHrLOGHZ/>

Dr. Young suggests that the nano graphene is self-assembling under the influence of specific pulsed EMF frequencies, and the intent is to form a mesh antenna system (in the bodies of the vaxxed) which permits the receiving and emitting of radiation communicating with biosensor data transmissions.

<https://www.drrobertyoung.com/post/covid-deaths-among-vaxxed-verses-the-unvaxxed>

This kind of sensor and antenna system using graphene in bioelectronics is indeed discussed in various scientific papers, including:

(https://www.academia.edu/34167322/Carbon_nanotube_based_biosensors?email_work_card=reading-history)

and suggests bio-control intent behind the COVID vaccines, undisclosed by vaccine makers or FDA which is traceable to the DARPA sponsorship and funding of these vaccines, as [discussed earlier in podcasts and in articles at Ramola D Reports and The Everyday Concerned Citizen.](#)

If you are going in for a non-emergency operation, insist that you are allowed to build up a personal blood bank.

The vaccinated are harming and potentially killing the unvaxxed, through their plasma being used without caution or labeling in transfusions for the sick.

On Friday, a whistleblower nurse spoke to the Stew Peters Show about a shocking fact: patients, including the most vulnerable in society, are experiencing the same symptoms of vaccine injured.

She says she feels she's giving patients a Covid-19 booster shot every time she conducts a blood transfusion, and now she's quitting, but not before she raises the alarm about this ungodly conspiracy.

Action Alert--They Are Trying To Ban NAC! [Feds Approve the Poison, Threaten the Cure](#)

Federal policies both make us sick and threaten our ability detoxify with NAC—all while industry lines its pockets. Unfortunately, as **we've been telling you**, the FDA is threatening to ban NAC supplements because the agency claims it was sold as a drug before it was a supplement; meanwhile, Big Pharma is hoping to turn it into an expensive drug using a new indication.

This is outrageous on a number of fronts. Consider that NAC is **used in hospitals** to treat acetaminophen poisoning precisely because it helps detoxify—yet the FDA threatens to remove NAC as a supplement and make it harder for consumers to obtain?

ACTION ALERT!

I do not claim to "cure" disease, my goal is to help you to make physical and nutritional changes in your own body so that your body can heal itself.*

Dr. Scott Johnson's Comment: With the recent advent Covid (and all that surrounds that issue like the vaxxed shedding their spike protein payloads to the unvaxxed) we should all be placing an ever increasing importance on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harm's way (that is if you can help it) and #2) building up your own immune system as much as possible. Below I am endeavoring to show you how to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors in this document. **See below.** God bless!

[MBi Nutraceuticals Pneumo Complex Glandular Tissue Concentrate 60 Capsules](#) \$17.00

++Dr. Johnson's Comment: I also suggest if your O2 levels are running low (which seems to be very prevalent due to the Covid-19 Bioweapon) to get on Cataplex E2 by Standard Process (9-12 a day split up dosages), but I don't carry that one. You can find it online.

++Parasite Eradication (If you are concerned about the parasites that have been actually viewed under the microscopes of researchers who have examined the Covid vaxx vials, you can take the protocol below) See: [Four Deadly Parasites Found in Vaccines](#)

Bromelain Plus CLA (100 T) \$23.00

Dysbiocide 120ct \$34.00

I recommend the products be taken together for two 20 day cycles with one week off in between. You would take 6 a day of Dysbiocide (120 C) and 5 a day of the Bromelain Plus CLA (only empty stomach) of each product for two 20 day cleanses. You would essentially need two bottles of each product to properly complete a parasite cleanse, as you would be taking one bottle of each for every 20 day cleansing period.

++ Stroke Recovery Protocol

VasculoSirt 5 with meals or 15 a day

Cytozyme-B (Brain) (60ct) 1 with meals or 3 a day

Davinci Labs NATTOKINASE PLUS 60 capsules 1 taken on an empty stomach 3 times a day. ++Note you cannot take this product with any blood thinner medications as it will thin the blood too much.

Intenzyme Forte™ (100 T) 5 tablets taken on an empty stomach 3 times a day— Take with the Nattokinase

++ If the stroke was due to a weakened blood vessel that was compromised add in: Bio-FCTS (90 C) 1 with meals or 3 a day

++ If the stroke was due to plaquing of the arteries EDTA chelation needs to be taken until the arteries are clear:

Dr. Johnson's Comment: A Doppler ultrasound of the carotids is the best, most cost effective way to confirm if you have plaquing of the arteries. Lifeline Screenings are a nationwide service that can provide these at a very low cost, go to: www.lifelinescreening.com

This is probably the best version of EDTA if you cannot do the IV chelation:

Medicardium: Magnesium Di-Potassium EDTA Chelation

How Does EDTA Chelation Work?

IV EDTA Chelation

EDTA Chelation Suppositories Reviews

++ Regarding the oral EDTA, once a day, if you let ¼ tsp to ½ tsp of oral EDTA sit under the tongue for 5-20 minutes (with 5-7 drops of 99% pharmaceutical grade DMSO—see below) before swallowing, it will have a much higher absorption rate. A little organic peppermint oil can kill the taste. This process (depending on your plaque level) takes a lot of time to work with the oral EDTA route, but it can be a literal lifesaver and it much cheaper than IV Chelation which is the Gold Standard and also highly recommended if you can afford it.

To Purchase Pharmaceutical Grade DMSO (which is the only kind anyone should be using) go to: <http://www.ebay.com/usr/kaitlynstreasurebox?trksid=p2047675.l2559>

++For the money this is an excellent value on EDTA:

<https://www.purehealthdiscounts.com/supplements.htm> <<You will have to scroll down to find this product.

++ This kind of chelation will not remove calcium from your system but it will remove other heavy metals and trace minerals (so again being on a good trace mineral product while on any kind of chelation

program is essential) but if you have calcium buildup due to artery plauqing this will not remove that calcium

EDTA chelation skin cream now: [KelaCream EDTA Heavy Metal Detox Cream](#)

Also here is a whole book on this subject: [Detox with Oral Chelation: Protecting yourself from Lead, Mercury, & Other Environmental Toxins](#)

++Lastly any form of chelation will remove trace minerals from your body, so it is important to take some extra trace minerals once you have been on the EDTA for any length of time. This is an excellent one: [Multi-Mins™ \(Potent Mineral Combination\)\(120ct\)](#) & (360ct)

++Dr Johnson does not carry any form of EDTA chelation, but he does carry the other products mentioned.

++ These products are very complicated to sell via an website online as they are professional products that should only be sold via health care providers. Now at the same time I make these easy to purchase, though. Sorry only US orders.

To purchase--Email: drjohnson@ix.netcom.com

God bless!--Dr. J.

johnson.com/ -- Wow! My son and I are a lot better! Some nasal congestion is hanging on but we both have our old strength back, he's back to school and I'm doing good too!

Thanks again! Danny S

Oh PS the stuff from Invive came yesterday too, it has a bottle of 10700 silver in it. If the 5000 worked like that, the 10700 should give me wings!

Subject: Listener Comment About Being Affected by the Covid Vaxxed and Her Experience with the Supplement and Invive

Hi Scott, I'm a long time listener to your program. Forgive me if I'm having a bit of a time communicating. I'll try to nutshell this. I'm 58 yrs old. My 33 yr old daughter works at a daycare. She has not taken the jab nor been tested. **However her boss and co workers have, and now my daughter, her daughter and my other daughter have come down with whatever they got from them and now me.** The three of them are getting better though not 100%. I am now sick on the 2nd relapse. I never got the jab or was tested but have had a fever **and can hardly breathe to the point it's all I can do to try and write you read through the info etc. I am really scared right now. We all live together and I can't really care for myself much. I want to order the 5000 silver, 2 bottles but now sure how to get it fastest. forgive me I'm not sure what to do and I'm having such a hard time breathing and I'm really scared though I know I shouldn't be. I am truly beside myself.** Thank you Scott and God Bless.

Update: This just took me by total surprise. Its been very hard not to panic. The pain and not being able to sleep from the pain and the fear of not being able to catch my breath has been something indescribable. Praising Jesus while I'm laying there. Scott I am forever grateful for your help and all you do.

Sincerely, In Christ,

Michelle

Ok While I am getting low on the 5000ppm I do have what you need, but you need to get on the other things for your immune system ASAP: Covid-19 Recommendations & Supplement Protocol PDF <<you can try to reproduce many of these things just by going to a local health food store that way you do not have to wait.
