It's Official: American Christianity Is (By and Large) Very Apostate

Warning this is a report from a Russian orthodox website

Researcher George Barna and the Cultural Research Center at Arizona Christian University have released Barna's latest survey, and the findings are horrific.

According to [Barna's research](#),

Today, 176 million Americans claim to be Christians—69% of the population. Yet, only 6% of U.S. adults—which is 9% of those identifying as Christians—possess a biblical worldview, believing the Bible to be accurate and reliable, among other convictions.

“Two out of three Americans think of themselves as a Christian, and a majority still think that Christianity is kind of about the Bible,” Barna [said](#) in an interview at the time. “But there’s a big gap between what (self-identified Christians) believe the Bible may teach, and what the Bible actually teaches.”

The CRC study, which included 2,000 adults, classifies American believers on a spectrum of five sub-groups, from those who only self-identify as Christians to those who are termed “integrated disciples” and possess a biblical worldview. On the surface, they may all appear Christian, but the survey reveals stark differences in their core beliefs.

Large majorities of self-identified Christians also report many beliefs “not in harmony with biblical teaching,” according to the survey. These include:

72% argue that people are basically good

66% say that ‘having faith’ matters more than which faith you pursue

64% say that all religious faiths are of equal value

58% believe that if a person is good enough, or does enough good things, they can earn their way into Heaven

57% believe in karma

++ Both Hinduism and Buddhism believe in the doctrine of karma, according to which actions have consequences, and beings are bound by their desire-ridden actions to the cycle of births and deaths. Both religions share common beliefs about karma and its mechanism.

<https://www.hinduwebsite.com/buddhism/karma-hinduism-buddhism.asp>

“There is a remarkable level of self-deception (even among) born-again Christians,” [said](#) Barna, commenting on his recent worldview research. “It represents a huge educational challenge for those responsible for biblical worldview development.”

“Too often . . . people who want a certain reputation or image embrace the label ‘Christian,’ regardless of their spiritual life and intentions,” states Barna.

“‘Christian’ has become somewhat of a generic term rather than a name that reflects a deep commitment to passionately pursuing and being like Jesus Christ,” he states.

To bring Barna’s research into focus:

Of the 176 million Americans who claim to be Christians, only 9% of them believe the Bible to be the true Word of God. But the real number of truly saved people in this country might actually be even smaller than that.

BAPTIST MEDIA PROMOTES FEMA / DHS GRANTS TO CHURCHES FOR “NON PROFIT SECURITY PROGRAM”--A DISTURBING TREND: THE SOUTHERN BAPTIST AND OTHER CONSERVATIVE EVANGELICAL CHURCHES APPETITE FOR FEDERAL MONEY IS GROWING--THIS TIME THEY APPEAR EAGER TO PARTNER WITH THE GOVERNMENT IN DEVELOPING SECURITY PROTOCOLS FOR “INCIDENT RESPONSE” AND “DOMESTIC TERRORISM”

Does your House of Worship (HOW classification in the grant documents) partner with the government and tax dollars for security, emergency relief efforts, community development, man-made incidents cyber crime response, and

infrastructure training? If it does then it is very likely your church leadership have been enticed to do so by the lure of free money and the encouragement of denominational leaders.

Would you like to visit a new church and be actively “ASSESSED for being a potential THREAT” while DHS and FEMA trained “Greeters” chat with you in a program tool called “The Power of HELLO”? Your answers might get you reported to the federal agencies involved as a potential threat of person of interest if your politics or even preferred language does not follow that of the pastor or staffers or “trusted team” trained by and funded with government grants.

Good luck if you are seeking and visiting a new church or if you are considered a problematic member of your own.

If you do not think your “HOW” is involved or receiving such funding consider that leaders can often be less than forthcoming about such programs and that the potential for abuses are massive and growing.

FEMA announces grants, information opportunities

FEMA

FEBRUARY 18, 2022

By Baptist Message staff

WHAT IS THE FUNDING FOR?

According to Department of Homeland Security churches or “Houses of Worship” need to partner with federal and local agencies in security and disaster preparedness and response.

“These competitive based grants provide funding to improve facility security, preparedness, and emergency planning. FEMA Grant information website.”

OBVIOUS DANGERS COME INTO PLAY WHEN CHRISTIANS ARE THE ACCUSED

The idea that new Faith Based Grant Programs come into play as Christians are being blamed in a new report for “coordinating” the riots on January 6th 2021 is a beyond unsettling. Given the groundswell of media and progressive efforts to blame “Trump supporters”, especially “white ” evangelicals for the events of January 6th 2021 -the idea of recruiting pastors and church officials to be full on and paid FEMA and DHS partners is quite alarming.

Recall this quote from the April 28th 2021 Biden first address to Congress as President

"Setting his administration's tone in his first speech to Congress, US President Joe Biden said Wednesday that white supremacists posed the "most lethal" terrorist threat to the United States."

"And we won't ignore what our intelligence agencies have determined to be the most lethal terrorist threat to the homeland today, white supremacist terrorism," he said."

This new "Report " blaming Christians (white Christian nationalist Evangelicals) for Jan 6th riots at the Capitol in 2021 is part of a sweeping campaign to vilify conservative Christians.

<https://thirtypiecesofsilver.org/2022/02/16/pcas-ligon-duncan-protege-part-of-report-blaming-jan-6th-riots-on-christian-nationalism/>

Further DANGERS exist:

DHS language in the FEMA grants is disturbing as the Church or House of Worship is described as a "INCLUSIVE COMMUNITIES OF FAITH". So what about those who do not fit the "inclusive " mantra?

1- Many gullible young pastors and seminary students have already been indoctrinated with Social Justice and Critical Theories and view their own conservative congregants as "problematic politically" and "divisive". What is next? Pastors keeping an eye on the flock for their new partners? YES it even has a name .."The Power of Hello"! More on that in a moment.

2- The Southern Baptist denomination has a network of "Send Relief" centers across the country (and in Puerto Rico) which partner full time with federal agencies in FEMA disaster relief, community development, to import Muslim refugees, fight a variety of social ills... many blamed on injustice and discrimination, while promoting social justice, Diversity, Equity & Inclusion. **In Short the MONEY is driving the vision and NOT the Great Commission of Jesus. "Go into all the World and Preach the Gospel". Matthew 16:15.**

3-The **Faith Based Partnerships do not allow for ministry of the Gospel and any church involved with such funding will be too busy in its FEMA roles, where "any explicit religious activity" is forbidden and against the grant guidelines.**

See Scott Johnsons Teaching: [Romans 13 & Unlimited Subservience to the Government: Where should a Bible Believing Christian Draw the Line?](#)

How will Churches be able to do what God has commissioned them to do with the Gospel while fulfilling their roles and obligations as Government Contractors during disasters or other events impacting their communities?

4- All government understanding, training and guidelines are interfaith and have no ability to preserve or care for Christian Faith or its distinctives or God Given authority and vision. In fact, it is just the opposite. Such interfaith and multi-faith efforts require the true church and its leadership to abandon such sectarian and divisive faith identities and become part of "a trusted community within the inclusive, community of faith" which includes all faiths.

Many pastors and denominations have already been leading their churches down this deadly path of denying Biblical Christianity in the name of "serving" and "Community Development". The church is not in danger of going down this path, it is already well down this path due to their 501c3 entanglements; and MORE

MONEY is now paving the way for the slide into this apostate vision for the church in America.

Perpetual Tyranny: Endless Wars Are the Enemy of Freedom

By John W. Whitehead & Nisha Whitehead--February 23, 2022

“Of all the enemies to public liberty war is, perhaps, the most to be dreaded because it comprises and develops the germ of every other. War is the parent of armies; from these proceed debts and taxes... known instruments for bringing the many under the domination of the few.... No nation could preserve its freedom in the midst of continual warfare.” — James Madison

As long as America’s politicians continue to involve us in wars that bankrupt the nation, jeopardize our servicemen and women, increase the chances of terrorism and blowback domestically, and push the nation that much closer to eventual collapse, “we the people” will find ourselves in a perpetual state of tyranny. It’s time for the U.S. government to stop policing the globe.

This latest crisis—[America’s part in the showdown between Russia and the Ukraine](#)—has conveniently followed on the heels of a long line of *other* crises, manufactured or otherwise, which have occurred like clockwork in order to keep Americans distracted, deluded, amused, and insulated from the government’s steady encroachments on our freedoms.

And so it continues in its Orwellian fashion.

Two years after COVID-19 shifted the world into a state of global authoritarianism, just as the people’s tolerance for heavy-handed mandates seems to have finally worn thin, we are being prepped for the next distraction and the next drain on our economy.

Yet policing the globe and waging endless wars abroad isn’t making America—or the rest of the world—any safer, it’s certainly not making America great again, and it’s undeniably digging the U.S. deeper into debt.

Indeed, even if we were to put an end to all of the government’s military meddling and bring all of the troops home today, it would take decades to pay down the price of these wars and get the government’s creditors off our backs.

War has become a huge money-making venture, and the U.S. government, with its vast military empire, is one of its best buyers and sellers.

What most Americans—brainwashed into believing that patriotism means supporting the war machine—fail to recognize is that these ongoing wars have little to do with keeping the country safe and everything to do with propping up a military industrial complex that continues to dominate, dictate and shape almost every aspect of our lives.

Consider: We are a military culture engaged in continuous warfare. We have been a nation at war for most of our existence. We are a nation that makes a living from killing through defense contracts, weapons manufacturing and endless wars. We are also being fed a steady diet of violence through our entertainment, news and politics.

All of the military equipment featured in blockbuster movies is provided—at

taxpayer expense—in exchange for carefully placed promotional spots.

Back when I was a boy growing up in the 1950s, almost every classic sci fi movie ended with the heroic American military saving the day, whether it was battle tanks in *Invaders from Mars* (1953) or military roadblocks in *Invasion of the Body Snatchers* (1956).

What I didn't know then as a schoolboy was the extent to which the Pentagon was paying to be cast as America's savior. By the time my own kids were growing up, it was Jerry Bruckheimer's blockbuster film *Top Gun*—created with Pentagon assistance and equipment—that boosted civic pride in the military.

Now it's my grandkids' turn to be awed and overwhelmed by child-focused military propaganda. Don't even get me started on the war propaganda churned out by the toymakers. Even reality TV shows have gotten in on the gig, with the Pentagon's entertainment office helping to sell war to the American public.

It's estimated that U.S. military intelligence agencies (including the NSA) have influenced over 1,800 movies and TV shows.

And then there are the growing number of video games, a number of which are engineered by or created for the military, which have accustomed players to interactive war play through military simulations and first-person shooter scenarios.

This is how you acclimate a population to war.

This is how you cultivate loyalty to a war machine.

This is how, to borrow from the subtitle to the 1964 film *Dr. Strangelove*, you teach a nation to “stop worrying and love the bomb.”

As journalist David Sirota writes for *Salon*, “[C]ollusion between the military and Hollywood - including allowing Pentagon officials to line edit scripts—is once again on the rise, with new television programs and movies slated to celebrate the Navy SEALs....major Hollywood directors remain more than happy to ideologically slant their films in precisely the pro-war, pro-militarist direction that the Pentagon demands in exchange for taxpayer-subsidized access to military hardware.”

Why is the Pentagon (and the CIA and the government at large) so focused on using Hollywood as a propaganda machine?

To those who profit from war, they view it as “a ‘product’ to be sold via pop culture products that sanitize war and, in the process, boost recruitment numbers....At a time when more and more Americans are questioning the fundamental tenets of militarism (i.e., budget-busting defense expenditures, never-ending wars/occupations, etc.), military officials are desperate to turn the public opinion tide back in a pro-militarist direction — and they know pop culture is the most effective tool to achieve that goal.”

forgive me for not writing these days ... Today they bombed Zhytomyr with rockets, a lot of horror, they destroy Ukraine ... shoot rockets at houses with tanks, many victims, yesterday they bombed Kyiv again .. but the Russians also suffer defeat, in six days of war the Russians have more 5,000 killed brother, it's just terrible what's going on here ... no one believed that there could be a war... On February 23, I woke up and read the news that they were bombing somewhere, I didn't believe it .. then they announced that Kharkiv was also bombed in eastern Ukraine, then Kherson .. and it wasn't tanks that fired, but rockets, bombs in cities, it's terrible. . We decided to go to Lviv, which is not far from the Polish border 150 km. I took my family, children, got into the car, took a few things and drove off .. I said to Alya, let's wait in Lvov, let them stop shooting and we will return home. but on the second day, the shelling intensified in cities closer to the eastern part of Ukraine .. And I tell the family, here too it will not be safe soon, you need to run. we went to the border to go to Poland. we did not sleep for three days through the forests tanks, police, thousands of cars, thousands of refugees began to go to the border. It was only the second day of the war.

we were in the car in traffic for three days, it's about 80 km, cold, no hot food, thousands, hundreds of women with small children, just awful and everyone goes to the border. we got to the border and they don't let me in. I was told by the border guards that the family can go to Poland and I am a man, I must stay .. and it was a shock to everyone, horror, and what to do we started praying God only your miracle can save us ... And on the second day a presidential decree was issued that men who have many children, who have three or more children, can cross the border with their family .. And this was God's real answer for us .. we were again in traffic for a day, I didn't sleep for so long, I didn't want to eat, a three-day fast and a cry to God ... (the problem is that the president had previously issued a decree that men from 18-60 years old were forbidden to leave Ukraine) .. God bless on the 26th we crossed the border into Poland .. they helped us find where to stop for time in Poland. We are safe, my family. But Poland is not a safe place, and we are thinking of moving as refugees to the US or Canada if accepted.

Write soon again, Pray for us--Viktor

Subject: **Listener Comment: Help Ukrainian Families who are Suffering in War**

Hi Friends, My wife Lena who is Ukrainian, is getting contacted by loads of friends and family stuck in bomb shelters and basements in Kiev and other cities and is getting real reports of the dire circumstances they are in(Lack of food, clean water, medicines, warm clothes etc...)

So we started a funding campaign, our goal to reach \$100k to help 200 families, giving \$500 per family which would be able to supply a family of 4 for 4 to 6 weeks worth of food, water, medicines, etc...)

This money will be Western Union'ed to each family's head of their household, so the money will go direct to helping each family.

Here is the link to the funding Campaign,

Whatever you can spare would be greatly appreciated.

And please share this link to help us reach our goal and beyond.

Subject: **Listener Comment About How Evil GOFUNDME is**

Scott, I have a quick kinda funny story when setting up this campaign.

We first tried to use GOFUNDME (although my boys told me it was a fascist company & I should not bother with them, my boys are the ones who turned me on to Give Send Go, great Christian platform!) & our campaign was flagged.

Then I got an email by a Daniela and she said she would escalate our campaign to compliance team, & signed her name Daniela (she/her)

& I'm like what the heck??

The next email I get they said :

"We are writing to inform you that your fundraiser has been removed due to a violation of our Terms of Service."

So i wrote them this response:

Yes, that's why we were told not to use your platform and go else where. So we switched to another great platform, Givesendgo.com, and have our campaign up and running , I can give you the link if you want to donate. Let me know

Thanks....Jonathan (He, him, sometimes it)

Beyond Evil! Ukrainian President Zelensky in Gay Erotica Videos

Ukrainian president, Volodymyr Zelensky, was recently uncovered to have been featured in a homosexual dance routine posted online. In the video, the president can be seen dancing in high-heels, leather skin-tight pants, and what appears to be some sort of bra.

See below:

This true image comes in stark contrast to the image presented by western media, which has been portraying the president as a front-line fighter, in the trenches of Ukraine, single-handedly repelling Russian forces at the end of a Kalashnikov.

IF Putin really went off the reservation, and FLUNKED out of WEF schools for Young Global Leaders.....WHY would Schwab still be BRAGGING about him, all these years later???

I have to admit "the timing" of this conflict is sure suspicious. No one is talking about the U.S. Trucker Convoy, and no one is talking about covid any more. Vax deaths are going sky high, but that subject has been pushed off the front page.....very conveniently. A "war" would conveniently explain why our Fiat Dollar needs to crash, along with our over priced stock market. Are we being "played" again? If this turns out to be true, then Putin is on Soros team. He waited to launch his invasion until after the Olympics were over, so his athletes wouldn't get cheated of medals. Definitely a possibility, given all we have been through with the covid hoax and dead vax psy-op...with non stop lies and disinformation.

...And of course the "alternative press" like Tucker Carlson, Alex Jones, Mike Adams, and Gateway Pundit are selling the war as it was not orchestrated by the global elite puppet masters. I also predicted that. They are also drumming on the old nuclear war fear—the same beat we have had playing in the background since 1945. So now that your Covid fears are subsiding a bit, you better start practicing your old duck-and-cover routine again...

Breaking & Right on Cue-Deception Alert--Ascended Master Ashtar Says: If They Start Nuclear War... Galactic Federation Of Light Will Appear To Save Planet Earth!!

Thursday, March 3, 2022--

Ascended Master Ashtar says: If they start a full scale nuclear war, we will intervene. And we, the GFL, will take the opportunity to show ourselves as the ones who save planet earth. That will be the moment of disclosure.

The draconians got in our way; however we can break into any channel we want to.

Me: So what happens then?

Ashtar: The Deep State will still not be vanquished. All will carry on. However we of the GFL will have a more "hands-on" position in your politics.

Yes, plans have changed. You asked for us to intervene. We have no desire to see earth blown up by Santa Nicks [code for bad guys]. Their other programs will continue and you will be expected to deal with them, as has always been the case.

Me: So you'll only intervene if there's no other way, then, right, Ashtar?

Ashtar: Yes. We're watching this play out.

Me: Yes, same old, same old. It's that the Santa Nicks enjoy killing, just like the Christ Consciousness people enjoy living.

Ashtar: Exactly. Adonai, Sharon. Please get this out.

A Must Watch Dr. J!!!! you gotta take a look at this she devil.

This website reads: *It was this video clip that birthed the book "[The Fake Jesus: Fallen Angels Among Us](#). I'm not sure, but I suspect the year was 2006. I had recently heard a voice say to me that the entire institutional church was akin to a condemned, boarded up dwelling and that the Holy Ghost had vacated it. As a pastor for 25 years at the time, I was truly hoping that the message I had received was not from God. So I decided to take a year and do some research. Just as I was about to begin by studying church history, I was led to watch this particular video.*

At that point, I had never heard of Dr. Cindy Trimm so I watched the video without any preconceived perceptions of her ministry.

When the clip reached the 2 minute and 42 second point, my book "the Fake Jesus" was conceived, for it was at that exact moment that I heard Dr. Trimm "declare," I THANK YOU FATHER THAT THE SPIRIT OF THE ASHTAR HAS FALLEN UPON THE PEOPLE, as the people were falling slain in the spirit like ocean waves across the entire building where the congregation was assembled.

The HEXagram & the Mark of the Beast

Many believe the six-pointed star/HEXagram is a Jewish/Christian symbol but nothing could be further from the truth as it is one of the highest most wicked of all occult symbols. The six-pointed star/HEXagram is a curse mark no matter what name it may have: Star of David, Solomon's Seal, Double Triangle, Shield of David, etc. When an occult practitioner puts a curse on someone, he uses the HEXagram. "Brethren, my heart's desire and prayer to God for Israel is, that they might be saved. For I bear them record, that they have a zeal for God, but not according to knowledge." (Rom 10:1-2) It is not my goal to condemn the Jewish people, but to condemn the six-pointed star, a curse symbol. The hexagram star was mentioned and condemned by the God of Israel in Amos 5:26 and it was called by Him, 'the star of your god, Moloch' or otherwise called 'Chiun'. Reference was also made to the Israelites having it in the wilderness in Acts

7:43 by Stephen. Here it was called the Star of Remphan. All these names refer to the 'god' Saturn. Now, the name SATURN in Chaldee is pronounced Satur; but, as every Chaldee scholar knows, consists only of four letters, thus - Stur [ed. Star?]. This name contains exactly the Apocalyptic number.' (Hislop, p. 269)

S = 060 T = 400 U = 006 R = 200: = 666 Now Saturn is also the sixth Planet from the Sun, has six letters and Saturn is associated with Satan which has a very similar spelling.

<https://youtu.be/HgBqXhnuP9g> Canada Emergencies Act

- February 21, 2022, the Canadian Parliament approved Prime Minister Justin Trudeau's motion to invoke the Emergencies Act in response to the peaceful trucker protest against vaccine mandates
- Under the Act, Canadian banks can seize the personal bank accounts of anyone suspected of participating in or supporting the protest, and these financial surveillance powers are intended to become permanent
- February 14, 2022, Canadian finance minister Chrystia Freeland said the government was using the Emergencies Act to broaden Canada's anti-money-laundering and terrorist financing rules to cover crowdfunding platforms and their payment service providers. The broadened surveillance power requires all digital transactions, including cryptocurrencies, to be reported to the Financial Transactions and Reports Analysis Center of Canada. (Fintrac)
- What's happening in Canada should be a sobering wakeup call for the whole world. Governments intend to control dissent through financial

blackmail, which is why they're also pushing for programmable central bank digital currencies (CBDCs)

- Programmable currency is digital cash programmed to ensure it can only be spent on essentials or goods that an employer or government deems to be sensible. In other words, the issuer of the money would have complete control over how you spend your own money, and could punish you for undesirable opinions or behavior by restricting your purchasing ability or seizing your funds altogether

February 21, 2022, the Canadian Parliament approved Prime Minister Justin Trudeau's motion to invoke the Emergencies Act, with 185 votes for and 151 against, in response to the peaceful trucker protest against vaccine mandates.¹ While Trudeau in a February 14, 2022, press conference (above) promised the Act would be limited in time, geographical location and scope, he's already renegeing on that promise.

A National Vaccine Pass Has Quietly Rolled Out – And Red States Are Getting On Board

Even as the omicron variant loosens its grip on the world, destinations continue to require travelers to show proof of vaccination. And, increasingly, a paper CDC vaccination card is not cutting it.

While the United States government has not issued a federal digital vaccine pass, a national standard has nevertheless emerged. To date, 21 states, the District of Columbia and Puerto Rico offer accessibility to the [SMART Health Card](#), a verifiable digital proof of vaccination developed through the [Vaccination Credential Initiative](#) (VCI), a global coalition of public and private stakeholders including Microsoft, Salesforce, Oracle, the Mayo Clinic and other health and tech heavyweights.

And very soon, at least four more states will be rolling out access to SMART Health Cards. "We've seen a notable uptick in states that have officially launched

SMART Health Card Accessibility by State

States that have rolled out SMART Health Cards
Coming Soon SMART Health Card

Created with Datawrapper

public portals where individuals can get verifiable vaccination credentials in the form of SMART Health Cards with a QR code,"

Half of US states either already offer accessibility to SMART Health Cards or have it in the works.

There is already an impressively widespread availability of SMART Health Cards in the U.S. More than 200 million Americans can now download, print or store their vaccination records as a QR code. When the QR code is pulled up, only the individual's name, date of

birth and vaccination information is visible. This code is also digitally signed to ensure that the card was issued from a verified location and to prevent forgery. Also having a vaccine verification system in place prepares the U.S. for the next coronavirus variant as well as the inevitability of a future pandemic.

Today the main threat to our health and economy remains the omicron variant, says Anderson. "But it's going to be pi in a couple months, and it's going to be the same situation. Yes, we're going to get to an endemic phase of all of this, but that doesn't change the need to continue to protect the citizens of a nation from highly transmissible and communicable diseases."

"Vaccination verification will be increasingly important at an international level," "And so if we want to enable all of our citizens from every state to be able to participate in the safe travel across international boundaries and to participate in international commerce, it'd be important for our government officials from every state to enable this."

Subject: [Listener Comment: Time Magazine Cover Shows Human DNA Strands Turning into a Serpent and Talks about how Genetic Engineering will Change Us](#)

Hi Dr. Johnson...I had come across this Time Magazine issue cover and article from January 1999 last year but never send it to you.

As you can see, the title says it all, but the image on the cover is even more telling as it shows the human DNA strands turning into a serpent. I believe that since they already knew they were going to roll out this gene editing therapy they call a covid vaccine, this image is

referring to precisely what they're doing to humans with it right now.

As usual, they were telling us ahead of time what they were planning to do to our DNA in the near future, which is to insert their hybrid reptilian DNA into our bloodstream and mix it with ours to corrupt our human DNA and turn us into reptilian hybrids like themselves. God bless.

[Johns Hopkins University Confirms You Can Be Vaccinated with a PCR Swab Test Without Knowing It!](#)

[February 9, 2022](#)-- Journalist John O'Sullivan warned that the massive PCR testing campaign could be a WHO vaccination program in disguise. He was referring to a new technology developed at Johns Hopkins University that developed tiny, star-shaped micro-devices called 'Theragrippers' that attach to the intestinal mucosa and can deliver drugs into the body. The devices are made of metal and a thin film that changes shape and are as small as a dust particle. According to Johns Hopkins University, Theragrippers are administered with a cotton swab, similar to PCR tests. In October 2020, a Johns Hopkins University research team published positive results from an animal study confirming that the new technology works flawlessly.

In January 2019, the WHO defined the growing number of vaccination critics as one of the top ten threats to global health, and since the unprecedented Corona vaccination fiasco, the number of vaccination refusers has truly multiplied. In this article, Jan Walter describes, with extensive source citations, which techniques are possible to still vaccinate the population, when people are becoming increasingly critical of vaccinations.

Now several experts and former mainstream journalists like John O'Sullivan are warning that the massive PCR testing campaign could be a WHO vaccination program in disguise. (see [Principia Scientific](#)) [3] O'Sullivan is referring to a new technology developed at Johns Hopkins University that is supposed to make it possible to carry out covert vaccinations through a PCR test. (See [Johns Hopkins University](#)) [4]

Inspired by a parasitic worm that digs its sharp teeth into the intestines of its host, Johns Hopkins researchers have developed tiny, star-shaped micro-devices that attach to the intestinal mucosa and can deliver drugs into the body.

These tiny devices, known as "Theragrippers," are made of metal and a thin film that changes shape. They are covered with heat-sensitive kerosene wax and each no larger than a dust particle.

When the kerosene coating on the Theragripper reaches body temperature, the devices close autonomously and clamp onto the wall of the colon. Because of the sealing action, the tiny, six-pointed devices burrow into the mucosa and attach to the colon, where they are held and gradually release their drug load to the body. Eventually, the Theragripper lose their grip on the tissue and are removed from the colon through normal gastrointestinal muscle function.

Note: According to Johns Hopkins University, Theragrippers are actually administered with a cotton swab. (see Figure 2)

Subject: **Listener Comment: 'Do Not Vaccinate' Bracelets**

I've been thinking about this in case of an accident, or if people have underlying medical conditions as a way to prepare in case they were unconscious and taken to the hospital. Weather your wishes will be respected or not, who knows, but at least we know we did not comply and we did not passively submit to medical tyranny, which I believe God is pleased with.

Like the DNR ones:

America is a Hospital

Jan17 by [Jon Rappoport](#) Bookmark the [permalink](#)--If you want to know why

Americans no longer possess the strength and will and character they once had, think about this:

America is one giant hospital.

I've explained that the explosive growth of modern medicine stems, in large part, from a century of Rockefeller medicine:

Thousands of SO-CALLED diseases, each one SUPPOSEDLY the result of a germ; each germ must be killed (by a drug) or prevented (by a vaccine).

Each disease has a catalog of symptoms; therefore, from the moment a person rises in the morning, he is experiencing, for the rest of the day, ordinary twitches and little aches and sneezes and blinks and odd sensations that, voila, can be diagnosed as MEDICAL. There is hardly anything he can do that isn't within the purview of doctors. He's thoroughly conditioned to medical reality. He's been seeing doctors all his life.

This was reflected in the recent Supreme Court decision to uphold Biden's **vaccine mandate for health workers—press reports mentioned there are 10.4 MILLION [1] of those workers in the US.**

But on checking, I found this 10 million number is only part of the overall health worker demographic.

The US Census Bureau reports [2]: "There were 22 million workers in the health care industry, one of the largest and fastest-growing sectors in the United States that accounts for 14% of all U.S. workers, according to the Census Bureau's 2019 American Community Survey (ACS)."

So roughly 1 out of every 7 workers in the US is employed in the health care industry.

But it gets much worse than even that.

I made a list of some of the health-related jobs that were NOT included in the 22 million Census number. Here is what I came up with:

- * Health insurance
- * Medical-device manufacturing and sales
- * Research labs
- * Companies that sell animals to research labs
- * Medical school staff
- * Hospital and physician office non-health workers
- * Outsourced workers who handle non-medical functions of hospitals and doctor offices; e.g., IT jobs
- * Federal and state government health agencies; e.g, FDA, CDC, NIH, state public health departments
- * Pharmaceutical companies and their sub-contractors
- * Biotech firms
- * Military non-medical health-associated employees
- * University medical research departments
- * Pharmaceutical advertising agencies
- * TV and print pharmaceutical ad salespeople
- * Medical journal employees
- * Medical foundation and charity employees
- * Mainstream medical reporters and associated staff
- * All legal personnel who practice and assist in the area of medical lawsuits
- * Middlemen, distributors, street dealers who assist pharmaceutical companies in trafficking pharmaceutical opioids
- * All drug store employees who work in the area of selling prescription and over the counter medicines
- * All employees of companies involved with the selling, charting, analyzing, and tracking of health-related stocks on trading markets

You can add ALL those people to the 22 million who work in health care industry, which will be a huge number.

Here's another blockbuster. According to Business Insider [3] [3b], healthcare-related institutions are the largest employers in 23 states (hospital systems (12) plus university systems (11) = 23). I'm including university systems that obviously have huge medical research departments, facilities, and budgets.

My best estimate of the number of drug prescriptions filled in the US every year is 4.2 billion (statista.com) [4]. That's roughly 13 prescriptions per person per year, for the population of 330 million.

In a real sense, "COVID" is viewed and experienced as an acquired infection which has spread INSIDE the hospital called America.

If you think about that, you'll understand why it was so easy to convince Americans to go along with all the COVID restrictions. They were already patients in that hospital.

Subject: [Listener Comments: Invive Colloidal Silver Covid Remedy & Information on the Nasal Application of Colloidal silver and Iodine](#)

Hello Scott, I have been listening to you for many years. And I am a repeat buyer of Invive Colloidal Silver. I also gave the 5,000 ppm to my cat when he had a Rodent's Ulcer. He was given prednisone and it almost killed him. So, after seeing the antibiotics were not working after a few months, the Invive cleared his condition up in less than three weeks, my vet (who was a shyster) was blown away. He didn't know what to say. Anyway, I bought the 10,700 Colloidal Silver back when this plandemic first hit, just in case I got it. I was taking all Standard Process supplements along with your suggestions of Selenium, Innate Response Vitamin C, and many other Amino acids...I felt invincible, but took my immunity system for granted. And I did not reorder my supplements on time.

At first, I felt a little run down, a tad weaker in the gym, but the Wednesday before New Year's Eve I was on the treadmill and I felt winded, I couldn't get past 2.5 mph? I did a mile and called it a day. Then my appetite decreased, but I still had a desire to eat only fruit. When Covid kicked in, it mimicked the chicken pox for me. I felt it in my scalp, and in my jaw. When I tried to expand my lungs, it would cause a coughing spell that triggered massive headaches. Then I hit the Invive. I started with a tablespoon every four hours, then did a capful every four hours. I could feel my body get hot... I woke up and the sheets of my bed were soaking wet. The Invive Colloidal Silver killed the Covid in two days.

I did feel drained and tired for three weeks. I got back on my supplements and back to the gym two weeks ago and feel great again.

My chiropractor told me if you swab the nasal passages with iodine, hydrogen peroxide, or colloidal silver it will kill the Covid before it enters the sinus.

Thank you, Scott, for all you have taught me. I look forward to all of your podcasts. God Bless,

Jerry P

++ My family and I had COVID over a year ago now and with your advice I've been on a pretty good regimen of immune boosting nutrients. So no one has gotten COVID again and when I have felt something brewing, I use [povidone iodine nasal](#)

spray which really seems to work. I then up some of my supplements. I take silver if I need it. Occasionally I'll take Black Seed Cumin oil if I really feel like I'm coming down with something. I also have a "plague tonic" (a recipe was given to me by another homeschool mom) prepared which seems to work: fresh organic ginger, horseradish, whit onion, garlic, habeneros as hot as you can get and raw ACV with the mother. Blend it up and store in a mason jar and take a tablespoon as needed. It's pretty fierce but I think it helped me beat the only really illness I have had this year – felt like a three day cold in September which I threw everything at. I did not get tested. And I bounced back quickly. Usually they drag on for me.

++ Optional, but Dr. Johnson does not carry this: [povidone iodine nasal spray](#)

++ For More Information or to purchase the Invive Silver go to: <http://www.dr-johnson.com/>

How to go after a internal infection from multiple angles with just Invive silver and iodine

++ Now with a **sinus infection** the best way to directly go after this is to get any nasal spray atomizer bottle (**Like this one:** <http://sparknaturals.com/index.php/accessories/1oz-blue-glass-nasal-sprayer.html>) and add 500ppm silver to the bottle. Now to make the 500ppm just add 10 parts distilled water to one part 5000ppm. This will be the strength you use in a nasal spray bottle. One drop of eucalyptus oil to this 500ppm solution is also very good for nasal use. When you use the 500ppm in the nasal spray bottle make sure you tip your head back and spray 3-5 times per nasal passage. You can do this several times per day. You would also want to take 1/4 tsp. of the 5000ppm held under the tongue 3 times a day until you are doing better.

DIRECTIONS FOR USE FOR the nasal silver (Or iodine) spray:

We suggest placing head down by knees after nasal application - this will allow the solution to reach under eyes and not drain back out of the nose - look left for 15 seconds - then look right for 15 seconds - then stand up and tilt head back allowing the rest to reach behind nasal passages by adenoids area.

++ For **lung infections** nebulize 100ppm Invive Mild Silver Protien directly into the lung fields for 3-4 minute intervals several times per day. If you want to make a 100ppm solution (and you have a 5000ppm bottle) just divide 5000 by 100 to get: 50. So you would add 50 parts distilled water to 1 part 5000ppm to make a 100ppm solution. You would also want to take ¼-1/2 tsp of the 5000ppm held under the tongue 3 times a day until you are doing better.

++**Also regarding nebulizer recomendations** just research nebulizers on Amazon for the best ones, but this looks like a great one: https://www.amazon.com/Crane-Rechargeable-Allergies-Congestion-Irritations/dp/B07X6873BB/ref=sr_1_3?crid=2LAEU32MI4UN3&dchild=1&keywords=nebulizer&qid=1585971367&srefix=nebuli%2Caps%2C213&sr=8-3

For **Otitis Media (ear infections)** (if your ear drops are not ruptured) you need to dilute the Invive Silver to 500ppm for the ear drops. To make this strength from 5000ppm just add 10 drops of distilled water to every one drop of 5000ppm. Use 3-4 drops in each ear

2-3 times per day till better. In reality I really like just plain old 3% Hydrogen Peroxide for ear infections 2-3 drops in each ear. Tilt the head and hold this dose in each ear for 1-2 minutes before tilting your head back. It will bubble and be quite loud and may burn a little so sometimes children are afraid of the Hydrogen Peroxide whereas the silver should not bubble or hurt at all.

For an 8 year old I would administer the 5000ppm silver under the tongue 15-20 drops 3 times a day (hold for 2-3 minutes then swallow) to treat the ear infection internally as well.

For an **eye infection like Pink Eye** only use the 50ppm Invive Mild Silver Protein Strength. One drop in each eye 3-4 times a day typically works wonders.

I do not claim to "cure" disease, my goal is to help you to make physical and nutritional changes in your own body so that your body can heal itself.*

Dr. Scott Johnson's Comment: With the recent advent Covid (and all that surrounds that issue like the vaxxed shedding their spike protein payloads to the unvaxxed) we should all be placing an ever increasing importance on immune system function. In other words the best way to combat all contagious infections is: #1) To not put yourself in harm's way (that is if you can help it) and #2) building up your own immune system as much as possible. Below I am endeavoring to show you how to do the later, as the best defense is a good offence. Ideally, we want to have a strong immune system before we have any potential exposure to any contagious infection. In order to do this certain criteria have to be met in the human body. I am going to highlight some of the most important factors in this document. See below. God bless!

YOUR MESSAGE **Listener Comment: Brother Scott, Me and my husband were sick, cough, chest pain, the whole nine yards--Took your Covid protocol--Three days later we are just fine--All praises to our Heavenly Father and Christ and to you Brother**

May The Most High bless you and your family for what you are doing..

SHINE THE light of our Heavenly FATHER and Christ in this perilous time.

Recommended Products Dr. Johnson Carries to build up the Immune System:

Corona Virus or SARS:

Invive Mild Silver Protein 5000ppm--Take (One TEAspoon), every 4 hours till asymptomatic (1/2 dosage for children). Hold Each dose under the tongue for 3-4 minutes before swallowing .

++ For More Information or to purchase the Invive Silver go to: <http://www.dr-johnson.com/>

++ Because Invive Silver is so stable it has a 25 year minimum shelf life. There is no colloidal silver in any form that can even come close to their shelf life or potency; nor has there been one case of Argyria (turning gray) reported from taking Invive Silver.

++ **Note: Selenium, Vitamin C, Zinc, Calcium, Vitamin D-3 and Iodine can easily become depleted from aggressive viruses**

Recommended Products Dr. Johnson Carries:

++ Please note you cannot order off the links below, they are there for purely informational purposes. For more information or how to order see further below.

++My choices of selenium: **Selenium is highly anti-viral** and is an essential trace element possessing antioxidant properties, and is key to the production of glutathione peroxidases which makes this very compatible with **NAC** (see below) to raise glutathione levels.

Genestra Selenium CWS 0.5 fl oz (15 ml) 14.00

++My choices of Vitamin C:

++ I recommend that every adult take at least 6 to 12 grams of vitamin C per day if you are being exposed to the Covid vaxxed (but you can go double that is you feel you are infected) for optimum dosing. Space out your dosages every 2-4 hours ideally.

++Nattokinase (Nattokinase has been proven in studies to break down blood clots and naturally thin the blood--Blood clots, red blood cell aggregation & strokes are a huge issues with the Covid jabs)

[Davinci Labs NATTOKINASE PLUS 60 capsules](#) \$36.00<<Always take on an empty stomach

++Lung Infection Support

[Pneuma-Zyme™ \(Lung Conc.\) \(100 T\)](#) 33.00 &

[MBi Nutraceuticals Pneumo Complex Glandular Tissue Concentrate 60 Capsules](#) \$17.00

++Dr. Johnson's Comment: I also suggest if your O2 levels are running low (which seems to be very prevalent due to the Covid-19 Bioweapon) to get on Cataplex E2 by Standard Process (9-12 a day split up dosages), but I don't carry that one. You can find it online.

++Parasite Eradication (If you are concerned about the parasites that have been actually viewed under the microscopes of researchers who have examined the Covid vaxx vials, you can take the protocol below) See: [Four Deadly Parasites Found in Vaccines](#)

Bromelain Plus CLA (100 T) \$23.00

Dysbiocide 120ct \$34.00

I recommend the products be taken together for two 20 day cycles with one week off in between. You would take 6 a day of Dysbiocide (120 C) and 5 a day of the Bromelain Plus CLA (only empty stomach) of each product for two 20 day cleanses. You would essentially need two bottles of each product to properly complete a parasite cleanse, as you would be taking one bottle of each for every 20 day cleansing period.

++ Stroke Recovery Protocol

VasculoSirt 5 with meals or 15 a day

Cytozyme-B (Brain) (60ct) 1 with meals or 3 a day

Davinci Labs NATTOKINASE PLUS 60 capsules 1 taken on an empty stomach 3 times a day. ++Note you cannot take this product with any blood thinner medications as it will thin the blood too much.

Intenzyme Forte™ (100 T) 5 tablets taken on an empty stomach 3 times a day— Take with the Nattokinase

++ If the stroke was due to a weakened blood vessel that was compromised add in: Bio-FCTS (90 C) 1 with meals or 3 a day

++ If the stroke was due to plaquing of the arteries EDTA chelation needs to be taken until the arteries are clear:

Dr. Johnson's Comment: A Doppler ultrasound of the carotids is the best, most cost effective way to confirm if you have plaquing of the arteries. Lifeline Screenings are a nationwide service that can provide these at a very low cost, go to: www.lifelinescreening.com

This is probably the best version of EDTA if you cannot do the IV chelation:

Medicardium: Magnesium Di-Potassium EDTA Chelation

How Does EDTA Chelation Work?

IV EDTA Chelation

EDTA Chelation Suppositories Reviews

++ Regarding the oral EDTA, once a day, if you let ¼ tsp to ½ tsp of oral EDTA sit under the tongue for 5-20 minutes (with 5-7 drops of 99% pharmaceutical grade DMSO—see below) before swallowing, it will have a much higher absorption rate. A little organic peppermint oil can kill the taste. This process (depending on your plaque level) takes a lot of time to work with the oral EDTA route, but it can be a literal lifesaver and it much cheaper than IV Chelation which is the Gold Standard and also highly recommended if you can afford it.

To Purchase Pharmaceutical Grade DMSO (which is the only kind anyone should be

using) go to:

http://www.ebay.com/usr/kaitlynstreasurebox?_trksid=p2047675.l2559

++For the money this is an excellent value on EDTA:

<https://www.purehealthdiscounts.com/supplements.htm> <<You will have to scroll down to find this product.

++This kind of chelation will not remove calcium from your system but it will remove other heavy metals and trace minerals (so again being

on a good trace mineral product while on any kind of chelation program is essential) but if you have calcium buildup due to artery plauqing this will not remove that calcium
EDTA chelation skin cream now: [KelaCream EDTA Heavy Metal Detox Cream](#)
Also here is a whole book on this subject: [Detox with Oral Chelation: Protecting yourself from Lead, Mercury, & Other Environmental Toxins](#)

++Lastly any form of chelation will remove trace minerals from your body, so it is important to take some extra trace minerals once you have been on the EDTA for any length of time. This is an excellent one: [Multi-Mins™ \(Potent Mineral Combination\)\(120ct\)](#) & (360ct)

++Dr Johnson does not carry any form of EDTA chelation, but he does carry the other products mentioned.

++ These products are very complicated to sell via an website online as they are professional products that should only be sold via health care providers. Now at the same time I make these easy to purchase, though. Sorry only US orders.

To purchase--Email: drjohnson@ix.netcom.com

God bless!--Dr. J.

Listener Comment: My husband and I have been taking the INVIVE silver for years now and we just don't get ill. I've been off doctor meds for seven years now and taking good supplements mostly from you. I was in their big pharma system and on so many prescriptions for over thirty years! I'm in my sixties now taking natural supplements only and feeling pretty awesome!

I just wanted to thank you again and let you know how much you are appreciated. God bless you.

Thanks again! Danny S

Oh PS the stuff from Invive came yesterday too, it has a bottle of 10700 silver in it. If the 5000 worked like that, the 10700 should give me wings!

Subject: Listener Comment About Being Affected by the Covid Vaxxed and Her Experience with the Supplement and Invive

Hi Scott, I'm a long time listener to your program. Forgive me if I'm having a bit of a time communicating. I'll try to nutshell this. I'm 58 yrs old. My 33 yr old daughter works at a daycare. She has not taken the jab nor been tested. **However her boss and co workers have, and now my daughter, her daughter and my other daughter have come down with whatever they got from them and now me.** The three of them are getting better though not 100%. I am now sick on the 2nd relapse. I never got the jab or was tested but have had a fever **and can hardly breathe to the point it's all I can do to try and write you read through the info etc. I am really scared right now. We all live together and I can't really care for myself much. I want to order the 5000 silver, 2 bottles but now sure how to get it fastest. forgive me I'm not sure what to do and I'm having such a hard time breathing and I'm really scared though I know I shouldn't be. I am truly beside myself.** Thank you Scott and God Bless.

Update: This just took me by total surprise. Its been very hard not to panic. The pain and not being able to sleep from the pain and the fear of not being able to catch my breath has been something indescribable. Praising Jesus while I'm laying there. Scott I am forever grateful for your help and all you do.

Sincerely, In Christ,

Michelle
