“The average age of the world's great civilizations has been two hundred years.

These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage.” Alexander Fraser Tytler

+1+ PRAYER TO NEUTRALIZE OCCULT RITUALS

Father God in the name of the Lord Jesus Christ, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father; we come in the authority given to us in Christ Jesus. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We resist and renounce Satan, the god of this earth. We rise to war by the power of the Holy Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of warring angels in full battle array to enforce our petitions and intercessory prayers. Rout your enemies on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agendas and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people & entities meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened by them. In the name of the Lord Jesus Christ and His shed blood, we break and cancel every curse, spell, hex, vex, charm, enchantment, decree spoken or unspoken, sent against the Body of Christ, the innocent and your intercessors by every witch, warlock, satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity. May they fall into the very pits they have dug for others. Lord Jesus, reveal your love to them. Save those that can be saved. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

Psalm 77—When Your Discouraged Remember all the Good Things the Lord has Done

Psa 77:1 (A Psalm of Asaph) I cried unto God with my voice, even unto God with my voice; and he gave ear unto me.

Psa 77:2 In the day of my trouble I sought the Lord: my sore ran in the night, and ceased not: my soul refused to be comforted.

Psa 77:3 I remembered God, and was troubled: I complained, and my spirit was overwhelmed. Selah.

Psa 77:4 Thou holdest mine eyes waking: I am so troubled that I cannot speak.

Psa 77:7 Will the Lord cast off for ever? and will he be favourable no more?

Psa 77:8 Is his mercy clean gone for ever? doth *his* promise fail for evermore?

Psa 77:9 Hath God forgotten to be gracious? hath he in anger shut up his tender mercies? Selah.

Psa 77:10 And I said, This *is* my infirmity: **but I will remember the years of the right hand of the most High.**

Psa 77:11 I will remember the works of the LORD: surely I will remember thy wonders of old.

Psa 77:12 I will meditate also of all thy work, and talk of thy doings.

Psa 77:13 Thy way, O God, *is* in the sanctuary: who *is* so great a God as *our* God?

Supreme Court Reportedly Votes to Overturn Roe v. Wade--Let States Protect Babies From Abortion

In a monumental decision that could finally end an era of abortion on demand and 63 million babies killed in abortions, the Supreme Court has reportedly issued a decision overturning Roe v. Wade. This is according to a release of a draft of the decision.

“Roe was egregiously wrong from the start,” Justice Samuel Alito wrote in the draft opinion of the court dated Feb. 10

According to Politico the decision is not final and could change but the leaked draft of the opinion has four justices — Clarence Thomas, Neil Gorsuch, Brett Kavanaugh and Amy Coney Barrett — joined Alito while three — Stephen Breyer, Sonia Sotomayor and Elena Kagan — dissented.

“We hold that Roe and Casey must be overruled,” the opinion reportedly continued. “It is time to heed the Constitution and return the issue of abortion to the people’s elected representatives.”

Chief Justice John Roberts has yet to cast his vote and it is unknown which side he will vote with, Politico reported.

What is Despicable about ROE is that All the Governments of Men Obeyed SCOTUS for 49 Years while the Preborn were Savagely Butchered

There has been a news release that the Supreme Court of the United States (SCOTUS) is going to overturn Roe.

If this is true, the most important thing to learn from the last 49 years is that this bloodshed should *not* have been tolerated by the governments of men. It is an abhorrent crime and detestable cowardice that all the other governments of men

blithely obeyed SCOTUS and allowed the savage butchery of the preborn to go on in their states, their counties, their cities.

Their duty from the very beginning was interposition. They should have stopped the murder from taking place back in 1973. Instead the governments of men hid behind the lie “The court has ruled – all we can do is obey.”

Judicial supremacy is a lie. America’s founders never expected there to be a final arbiter of all constitutional questions to which all other branches were to submit. As Thomas Jefferson penned in defiance of judicial supremacy, “*The Constitution has erected no such single tribunal.*”

SCOTUS does *not* have supremacy over the Constitution. The supremacy clause is Article 6 paragraph 2 and it shows clearly it is *the Constitution itself* that has supremacy. SCOTUS and the federal judiciary are not even mentioned.

All government officials take an oath to uphold the Constitution – Article 6 paragraph 4. They do *not* take an oath to uphold immoral or unjust court opinions issued by SCOTUS. It pains me to hear government officials say the Court is now giving them permission to protect the preborn. They *never needed* their permission to do so – they *always possessed* the right and duty to protect the preborn.

The founders would have found this whole half-century debacle (and blithe compliance by the governments of men) absolutely intolerable because they viewed unchecked power in any hands to be intolerable.

LUCIS TRUST, Maitreya & The Great Invocation

* Many religions believe in a World Teacher, a “Coming One”, knowing him under such names as the Lord Maitreya, the Imam Mahdi, the Kalki Avatar... These terms are sometimes used in versions of the Great Invocation for people of specific faiths.

The rendering of “seven ancient word-forms” into modern language was the supreme achievement of Alice A. Bailey and the Tibetan, Djwhal Khul’s 30 years of work together, and for over 70 years the Great Invocation has been sounded throughout the world and translated into over 70 languages and dialects. As a result of its worldwide use over the years, the energies invoked by the Great Invocation can now be said to be deeply anchored in human consciousness. The beauty and the strength of this Invocation lie in its simplicity, and in its expression of certain central truths – the truth of the existence of a basic Intelligence to Whom we vaguely give the name of God; the truth that behind all outer seeming, the motivating power of the universe is Love; the truth that a great Individuality, called by Christians the Christ, came to earth and embodied that love so that we could understand;

DEEPER MEANING OF THE GREAT INVOCATION

The Great Invocation if given widespread distribution, can be to the new world religion what the Lord’s Prayer has been to Christianity and the 23rd Psalm has been to the spiritually minded Jew. There are three approaches to this great Prayer or Invocation:

1. That of the general public.
2. That of the esotericists, or of the aspirants and the disciples of the world.
3. That of the Members of the Hierarchy.

First, the general public will regard it as a prayer to God Transcendent. They will not recognise Him yet as immanent in His creation; they will send it forth on the wings of hope – hope for light and love and peace, for which they ceaselessly long.

Maitreya's Day of Declaration Description Straight From his UN Sponsored Website at: https://www.share-international.org/maitreya/Ma_emerge.htm

Maitreya will be invited by the international media to speak directly to the entire world through the television networks linked together by satellites.

On this Day of Declaration, we will see his face on the television screen wherever we have access. The biblical statement, "All eyes will see him," will be fulfilled, in the only way in which it can be fulfilled. We will see his face, but he will not speak. His thoughts, his ideas, his call to humanity for justice, sharing, right relationships and peace, will take place silently, telepathically. Each of us will hear him inwardly in our own language. In this way, he will re-enact on a worldwide scale the true happenings of Pentecost 2,000 years ago.

At the same time, the energy which he embodies — the Christ Principle, the energy of love — will flow out in tremendous potency through the hearts of all humanity. He has said: "It will be as if I embrace the world. People will feel it even physically." This will evoke an intuitive, heartfelt response to his message. Simultaneously, on the outer, physical plane, there will be hundreds of thousands of miracle healings throughout the planet. In these three ways we will know that Maitreya is the World Teacher, come for all groups, religious and non-religious alike.

Our response to this experience will determine the entire future of this planet. Maitreya will present us with a choice: either we continue as we are now, in the old, greedy, selfish, complacent ways of the past, and destroy ourselves, or we accept the principle of sharing, accept that we are one, and begin the creation of a civilization such as this world has never yet seen. Maitreya already knows our answer. He has said: "My heart tells me your answer, your choice, and is glad."

For decades, the Global Luciferian Regime has seeped its way into our Government.

They demoralized us with humiliation rituals as they tore down our historical monuments, persecuted our children, locked us down in our homes, and forced us into becoming walking science experiments through a global vaccination program.

They erected statues spelling out the exact plans they had for us, and today we the people of Georgia, say no more.

It's time for us to return the favor.

On my first day as Governor of Georgia, I will move to DEMOLISH the Demonic plans of our enemy. The Satanic agenda is NOT welcome in our state.

The Tesla founder has been in the news nonstop ever since he launched a bid to buy Twitter, and in case you were worried about his thoughts on dying, just know that he doesn't seem to care at all.

In response to a tweet calling Musk a genius and asking about the creator of the universe, Musk tweeted, "Thank you for the blessing, but I'm ok with going to hell, if that is indeed my destination, since the vast majority of all humans ever born will be there."

Elon Musk's Tesla covers travel costs for workers seeking abortions

Tesla is covering travel costs for employees seeking out-of-state abortions, joining the ranks of major companies who've introduced a similar policy to benefit workers affected by new restrictions in the past few months.

The company said in its 2021 "[Impact Report](#)" released Friday that it expanded its Safety Net program and health insurance offerings last year to include "travel and lodging support for those who may need to seek healthcare services that are unavailable in their home state."

The car maker officially moved its corporate headquarters last year from Silicon Valley to Texas, which passed a law banning abortions at roughly six weeks of pregnancy.

Other states have since introduced new restrictions, and a political firestorm was set off this week with the leaked draft of a Supreme Court opinion that would abolish a nationwide right to an abortion.

Prayer Alert: MOST POWERFUL MACHINE IN THE WORLD (The CERN Particle Collider) RAMPS UP FOR RESTART WITH PLAN TO OPEN DOORWAYS INTO OTHER DIMENSIONS!

May 1, 2022 by [SkyWatch Editor](#) You may have seen the headlines this month that CERN's Large Hadron Collider (LHC) is restarting and will infuse the most powerful "particle collisions and mind-blowing energy levels to hunt for dark matter and *extra dimensions*." [\[i\]](#)

Years ago, ideas regarding portals, interplanetary travel, gateways from one dimension to another, and entranceways into "other realms" may not have been taken very seriously by most of the world. Thanks to CERN, however, scientists are starting to not only believe in what I would call supernatural doorways but are pouring massive resources into a technology that will dabble in it like never before.

The CERN stargate is the largest single machine in the world, located on the border of France and Switzerland. Its purpose is to accelerate subatomic particles by the speed of light and force them to travel in a loop where they collide in an attempt to recreate conditions that scientists believe applied during the earliest moments in the universe (the Big Bang and similar theories) whereupon the origins of all life as we know it on earth today might be finally studied and understood.

Although CERN does not publicly profess to an agenda in relation to God and Satan, evil versus good, the spiritual realm as it would be described by Bible-believers, Adam Barker of TechBubble wrote of CERN not long ago: "with the LHC, CERN are EXPECTING to find other dimensions and open portals to these

dimensions; if you have the image of *Stargate* in your head right now, you are spot on.”ⁱⁱⁱ

Sergio Bertolucci, the official director for Research and Scientific Computing at CERN, was asked about this extradimensional doorway by *The Register* and he didn't hesitate with an enlightening response: “Out of this door might come something, or we might send something through it.”^{iv}

Prophecy, in numerous parts of the Bible, refers to this coming day when the portals *will* be opened, and spiritual entities *will* pass to and from the earth. If this is true, and the verses are accepted for their literal meaning and not written off as some kind of poetic allegory as some scholars have claimed, then the idea of CERN playing with gateways is a major alarm. And if, as CERN claims, they are only out to explore space, time, matter, particles, and the origin of our known universe and planets from exclusively a scientific, Darwinian-related perspective—if their agenda is unrelated to Bible prophecy entirely—then what is with all the mystical symbolism they knowingly associate themselves with? Wouldn't it be more appropriate for them to proudly display a polished statue of a particle or some artist's depiction of the Big Bang instead of the statue of Shiva – The Hindu God of Destruction, also known as the Destroyer?

For those of you who have not yet heard about this controversial piece of art CERN proudly exhibits between buildings 39 and 40 near the main building of their operations, it stands as the most visible and celebrated imagery behind their work.

DIESELGEDDON – America's diesel supply on verge of catastrophic collapse, leading to HALTING of food, fertilizer, coal and energy

In what we are now calling *Dieselgeddon*, the supply of diesel fuel in the United States is plunging. By the end of May or early June — unless something changes dramatically — diesel fuel will go into extreme scarcity and have to be rationed across America.

Because diesel is used by nearly all trains (because they're “diesel-electric” trains), transport trucks, construction equipment and farming equipment, the crash in diesel availability will sharply affect all the following:

- Food availability
- Fertilizers for growing food
- Coal for powering the electrical grid
- Construction projects
- Transportation of consumer goods to retail stores
- UPS, Fedex, USPS and other package carriers

Few people realize how important diesel fuel is to the economy, but they're about to learn this all-important lesson the hard way: Without diesel fuel, America's economy ceases to function. Full stop.

Without diesel, UPS can't deliver packages. Amazon.com shuts down. The USPS stops delivering mail.

Without diesel, the trains can't deliver fertilizer to farmers. Food crops don't get planted or fail to produce sufficient harvests to feed the world.

Without diesel, all construction projects stop, meaning roads and bridges are no longer repaired. The highway infrastructure collapses.

Without diesel, the United States of America ceases to function.

It all begs the question: Why is there a diesel shortage?

One reason we don't have enough diesel being refined in America is because over the last few years, major fuel refineries shut down their diesel operations and began retooling to produce "biodiesel" — a highly inefficient, virtue signaling product that's actually horrible for the environment and yet depends almost entirely on food production to make the fuel. (It's incredibly wasteful to grow food and then turn that food into fuel. Just look at corn-derived ethanol fiasco that's an ecological nightmare...)

As [JWN reported in 2020](#), "Massive oil refiners are turning into biofuel plants in the west." During the contrived covid lockdowns, it turns out, there was so much excess diesel in the pipeline that these companies were strong-armed into "going green" by transforming their refineries into *biofuel* factories. This means, of course, they can no longer produce real diesel fuel from petroleum. From that story:

Phillips 66 on Wednesday became the latest in a string of U.S. refiners to say it's converting an oil refinery in California into a biofuel plant as gasoline loses its lustre to fuels derived from agricultural and waste products. The company said its 120,000 barrel-a-day Rodeo refinery near San Francisco will become the world's biggest plant that makes so-called renewable diesel, as well as gasoline and jet fuel, out of used cooking oil, fats, greases and soybean oils.

The announcement came about a week after fuel giant Marathon Petroleum Corp. said that it may convert two refineries into renewable diesel plants. In June, HollyFrontier Corp. said it would turn its Cheyenne, Wyoming, refinery into a renewable diesel plant by 2022.

Realize that in order to produce biofuel out of food, somebody has to produce the food first. And that means farmers need fertilizer and diesel fuel for their tractors in order to grow the food. But the diesel is running out precisely because the diesel refineries switched to biofuel, but biofuel needs food which can only be grown by using diesel... you get the idea. It's a vicious cycle of doom and stupidity. Soon, America will have lots of mothballed refineries that can produce biofuel from food, but won't have any food to feed into their refineries.

Can't make up the level of stupidity required to land us at this point.
