++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprovved are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary

defines: "Reprove": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. "Circumspectly": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**Luke 21:36** Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

**Matthew 24:13** But he that shall endure unto the end, the same shall be saved.

**Psalm 101:3:** I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

**Psalm 11:5:** The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

**1 Cor 15:33:** Be not deceived: evil **communications** corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:

"Communications": companionship, communion

**"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men."** Samuel Adams

**"The average age of the world's great civilizations has been two hundred years.**

**These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage."** Alexander Fraser Tytler

### **+1+ STRATEGIC WARFARE PRAYER!!!!**

Father God in heaven, in the name of the Lord Jesus Christ we come against & oppose all satanic operations, manipulations, subversions, tactics and plans; **which are designed to hinder, prevent or frustrate God's original plans and purposes**, from their swift manifestation taking place in their correct time and season. (Daniel 7:25) **We come against all satanic alliances and confederations worldwide. Let every evil effort and endeavor fail. Cause the news media to be caught in their lying and manipulation, so that only the truth is brought forth.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We ask that every satanic strategy of prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We pray that all invisible and visible walls of opposition; restriction and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Oh God confound the devices and the wicked plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved;** overtake them in their own crafty and devious ways; **let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed destroy all of God's creation and defile the world. According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19) **Father God overrule all strategies, tactics and curses of**

the enemy by the power of the Name of Jesus Christ and His shed Blood; & overthrow all spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17 & break the curses associated with all these ceremonies, rituals, utterances and their plans to bring about a chaotic bloody revolution in worldwide & to usher in Martial Law and the New World Order. Father God we pray their plans shall be uncovered and not prevail & shall be frustrated and unable to achieve any impact & that their wickedness and violent verbal dealings would return upon their own heads, according to Psalm 7:16.

FATHER GOD, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent. (Isaiah 44:25; 2 Timothy 3:8) Please send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth. (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) Release your divine strategies and revelations upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom & courage to come upon them. (James 1:5) Cause them to be like a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood. (1 Samuel 10:27) Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they be cast into the lake of fire AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE.. (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they will accomplish your divine will. (Psalm 57:4) WE SEAL THIS PRAYER BY THE BLOOD OF THE LAMB AND ASK ALL THESE THINGS IN THE NAME OF THE LORD JESUS CHRIST, AMEN!

### **We are Fearfully and Wonderfully Made--Fetal-Maternal Microchimerism**

“When pregnant, the cells of the baby migrate into the mothers bloodstream and then circle back into the baby, it's called “fetal-maternal microchimerism”. For 41 weeks, the cells circulate and merge backwards and forwards, and after the baby is born, many of these cells stay in the mother's body, leaving a permanent imprint in the mothers tissues, bones, brain, and skin, and often stay there for decades. Every single child a mother has afterwards will leave a similar imprint on her body, too. Even if a pregnancy doesn't go to full term or if you have an abortion, these cells still migrate into your bloodstream.

Research has shown that if a mother's heart is injured, fetal cells will rush to the site of the injury and change into different types of cells that specialize in mending the heart.

The baby helps repair the mother, while the mother builds the baby.

Praise God, how amazing is that?

This is often why certain illnesses vanish while pregnant.

It's incredible how mothers' bodies protect the baby at all costs, and the baby protects & rebuilds the mother back - so that the baby can develop safely and survive.

Think about crazy cravings for a moment. What was the mother deficient in that the baby made them crave?

Studies have also shown cells from a fetus in a mother's brain 18 years after she gave birth."

If you're a mom you know how you can intuitively feel your child even when they are not there....Well, now there is scientific proof that moms carry them for years and years even after they have given birth to them.

Praise the Lord!!

**Prayer Alert!--EMERGENCY GLOBAL GOV'T ALERT: Threat to national sovereignty set to go down May 22-28 at WHO World Health Assembly--World Health Organization Is Preparing Vote To Strip The US (And 194 Other Nations) Of Their Sovereignty To Give Them TOTAL CONTROL Of The World**

**'The World Health Organization is attempting a power grab' — quietly setting up a single globalized response to all future SCAMdemics**

**As previously reported at [LeoHohmann.com](http://LeoHohmann.com), the deep state predators in the U.S. and Western governments have decided the world needs a centralized pandemic response [controlled and run by the United Nations World Health Organization via an international treaty.](#)**

According to the [WHO's website](#), on March 30, 2021, it announced an “urgent call for an International Pandemic Treaty,” stating that such a treaty is needed to orchestrate a single globalized response to pandemics. And, “25 heads of government and international leaders” have come together in a joint call to form the treaty.

Don't forget that Yuval Harari, the chief advisor to Klaus Schwab and the World Economic Forum, has stated that globalist elites will [use “crises” to bring about world government](#).

**“Catastrophe opens the door” to massive changes that people would otherwise never accept, Harari has said.**

[Even more pressing than the treaty itself right now](#), is something almost no one is paying attention to in U.S. political, religious or media circles, and that involves a set of amendments that will set the parameters and define the scope of the proposed new global health treaty. The U.S. government has submitted 13 amendments that it would like to see folded into the treaty, and these amendments are seen by many as sovereignty killers.

A UN report [from May 2021](#) called for more powers for the WHO stating that, “In its current form, the WHO does not possess such powers [...] To move on with the treaty, the WHO therefore needs to be empowered — financially, and politically.”

The WHO will be hosting its annual meeting, the 75th World Health Assembly, May 22-28 in Geneva, Switzerland, attended by delegates from 192 nations. It is during this meeting that members will be voting on the 13 amendments that will hand over additional sovereignty, control and legal authority to the World Health Organization. The WHO, if these amendments are approved, will obtain the authority to declare an international health emergency, overriding national governments.

In a sense, that already happened in 2020 and 2021, when many of the strictest lockdowns were advised by the WHO and most nations went along with them. But if this treaty is adopted, it bars the door because the lockdowns could become even more rigid and more often. Think about the possibilities for a “climate” lockdown.

This means nations will be giving up their sovereignty and rights to control their own healthcare, handing that authority over to an international organization affiliated with the United Nations and run by tyrants like Dr. Tedros.

James Roguski, a researcher and activist who has been studying these amendments, has referred to them as a “five alarm fire” that must be dealt with or they will become part of international law.

These regulations govern the activity of the U.N. World Health Organization.

He says the core of these changes go back to China.

**Watch the video below:**

**Play to 7:10:** <https://youtu.be/9GVpEH0ocqQ?t=41>

It is important to note that the International Pandemic Treaty will be far more expansive than these amendments, but these amendments are more urgent because they will be voted on next month.

And no U.S. politician is talking about this. Nor is any mainstream media outlet reporting on it. No pastors are alerting anyone to these monumental, some would say biblical, changes.

Roguski set up the website [DontYouDare.info](http://DontYouDare.info) to document the drive to establish this one-world health treaty. The following points are his summary of the draft treaty amendments:

- The International Health Regulations would be legally binding and supersede the United States Constitution.
- [The United States has proposed amendments to the legally binding International Health Regulations](#) that will be voted upon at the next World Health Assembly May 22 to May 28. [CLICK HERE FOR THE OFFICIAL DOCUMENT](#)
- These proposed amendments will cede additional sovereignty, control and legal authority over to the World Health Organization.
- These amendments will NOT require approval by 2/3 of the United States Senate. If they are approved (as submitted by the United States) by a simple majority of the 194 member countries of the World Health Assembly countries), these amendments would enter into force as international law just six months later (November 2022). The details of this are not crystal clear.
- It is not known if the amendments will be voted upon individually or as a complete package.
- The amendments will give the director general of the WHO the power to unilaterally declare a Public Health Emergency of International Concern (PHEIC) even over the objection of the country dealing with an outbreak of disease.
- According to [changes made to U.S. regulations](#) that were published one day before Donald Trump was inaugurated (January 19, 2017), the definition of a “Public Health Emergency” in the United States now includes the declaration of a PHEIC by the WHO.
- A unilateral declaration of a PHEIC by the WHO will enable the declaration of a Public Health Emergency by the U.S. Secretary of the Department of Health and Human Services.
- The amendments proposed by the United States would also give the director general of the WHO the legal authority to unilaterally issue an “intermediate public health alert (IPHA).” The criteria for the issuance of an IPHA is simply that “the Director-General has determined it requires heightened international awareness and a potential international public health response.”
- The amendments will also give “regional directors” within the WHO having the legal authority to declare a Public Health Emergency of Regional Concern (PHERC).

Once you take away national sovereignty and start holding America up against a global standard; that opens up endless opportunities for the elites running the global system to confiscate whatever they believe is “bad for our health.”

What if the WHO decides we all need jabs and digital passports? Wait a minute, the WHO has already decided that! All it lacks is the power to override national governments.

This treaty could also be used to take away Americans' First and Second Amendment rights. What about the Bible? Is it a matter of your religious faith or is it a tool for "hate speech?" Guns, the Bible and too much free speech are bad for our collective "health" and therefore must be regulated by the WHO.

[As Patrick Wood reminds us](#), harsh punishments were already meted out during the Covid pandemic.

"The presidents of Burundi and Tanzania banned the WHO from their borders, refusing to go along with the pandemic narrative: Both died unexpectedly within months and were replaced with pro-WHO Presidents," Wood writes. "Obviously, the WHO doesn't care about global health or the life or death of any particular citizen. The warning has been sent out to national leaders: take our deal or we will eliminate you."

This is a spiritual war, and we are living in a time when all of the prayer warriors must be engaged and called into battle. Pray for people's eyes to be opened and all deceptions and delusions to be smashed in the name of Jesus Christ.

[Italy Announces Rollout of Dystopian 'Social Credit System' to 'Conserve Resources'– First of its Kind in the EU – Compliant Citizens Will Be Rewarded for 'Good Behavior'](#)

**Social credit scores** are already in use in various places around the world, but nowhere more than in communist China. The dystopian measurement acts in a similar fashion to a traditional **credit score**, however, as the name indicates, one's score has little to do with their financial prospects or ability to pay off debt on time – social scores are all about your level of compliance to the regime and acceptance of the approved narrative.

For example, if social credit scores were in full effect in the United States and you were to donate money to a company like the National Rifle Association (NRA) or

buy stocks in oil – pretty much anything deemed far-right or environmentally damaging by the establishment – your score would take a hit. Too many hits and, you guessed it, there goes your purchasing power and ability. With this dystopian coercion tool being used in an authoritarian dictatorship like China, where there is no such thing as individual rights or free speech, it could be easily assumed that this system would not be compatible with the United States, or even the West more broadly, but sadly that's not the case.

Governments across the western world are exploring using this tool, especially in the wake of the Covid-19 pandemic, which proved that the government can obtain almost limitless power in a crisis and set the stage for the next phase of the World Economic Forum's project 2030 – where the plan is that you will “own nothing and be happy.”

As of right now, there is no official government-sponsored social credit system in the West, but that will change in the coming months [thanks to Italy](#), which [announced](#) the rollout of its new rewards-based program that aims to modify people's climate change behavior by assigning a score based on their compliance – the [first program of it's kind](#) in the EU.

The program will [kick off](#) its pilot starting in the fall of 2022 in the large metropolitan city of Bologna. Citizens who comply with the radical climate change agenda by displaying “good behavior,” such as correctly recycling or using public transportation, will be rewarded with [cryptocurrency](#) and discounts to local retailers, according to local newspaper [Bologna Today](#).

Enrollees will be given a “smart citizen wallet” where their rewards can be accessed. The higher one's score, correlating with good behavioral changes, will allow them access to more benefits.

At first, enrollment into the social credit score will be optional, however, there are justified concerns that the program will become mandatory in the future, not unlike the dystopian vaccine passport which has become a staple of everyday life in the EU.

After Getting the Covid Shot 769 Athletes Collapsed This Year During Competitions!!! And that is just what we know of!

By [Dr. Joseph Mercola](#)

More than [769 athletes](#) have [collapsed](#) on the field during a game from March 2021 to March 2022. The

shocking statistic was revealed by One America News Network (OAN), which also found the average age of the [athletes](#) who suffered cardiac arrest is just 23 years old.

The unprecedented surge in [cardiac arrest](#) and other heart issues among elite athletes coincides with the rollout of [COVID-19 jabs](#).

The [Miami Open](#) made headlines in early April after 15 players — all of whom had reportedly received COVID-19 injections — dropped out.

Among them were favorites Paula Badosa and Jannik Sinner. Badosa left the court in tears after becoming unwell.

As [Pearson Sharp of OAN](#) explained, “These are just two of more than 769 athletes who have collapsed during a game, on the field, over the last year.” He continued:

“How many 23-year-old athletes were collapsing and suffering heart attacks before this year? Do you know any 23-year-old people who had heart attacks before now? And these are just the ones we know about. How many have gone unreported? Nearly 800 athletes — young, fit people in the prime of life — falling down on the field. In fact, 500% more soccer players in the EU are dropping dead from heart attacks than just one year ago.

“Coincidence? When the Pfizer vaccine is known to cause heart inflammation? No. In fact, many doctors treating these players list their injuries and deaths as being directly caused by the vaccine ... This is not a coincidence.”

With cases like these becoming impossible to ignore, even a mainstream media sports channel in Australia speculated that the health issues could be linked to [COVID-19 shots](#), and one of the hosts acknowledged that multiple players have suffered from heart issues and Bell’s palsy following COVID-19 booster shots.

An updated report by Good Sciencing, a team of investigators, news editors, journalists and “truth seekers,” has detailed 890 cardiac arrests and other serious issues among athletes, including 579 deaths, following COVID-19 shots.

Nothing to See Here: 43,898 Dead 4,190,493 Injured Following COVID-19 Vaccines in European Database of Adverse Reactions<<And this is only a small fraction of the real death and injury numbers!!!

The European (EEA and non-EEA countries) database of suspected drug reaction reports is [EudraVigilance](#), verified by the European Medicines Agency (EMA), and they are now reporting 43,898 fatalities, and 4,190,493 injuries following injections of five experimental COVID-19 shots:

- [COVID-19 MRNA VACCINE MODERNA \(CX-024414\)](#)
- [COVID-19 MRNA VACCINE PFIZER-BIONTECH](#)
- [COVID-19 VACCINE ASTRAZENECA \(CHADOX1 NCOV-19\)](#)
- [COVID-19 VACCINE JANSSEN \(AD26.COV2.S\)](#)
- [COVID-19 VACCINE NOVAVAX \(NVX-COV2373\)](#)

From the total of injuries recorded, almost half of them (1,914,927 ) are **serious** injuries.

**“Seriousness** provides information on the suspected undesirable effect; it can be classified as ‘serious’ if it corresponds to a medical occurrence that results in **death**, is life-threatening, requires inpatient hospitalisation, results in another medically important condition, or prolongation of existing hospitalisation, results in persistent or significant disability or incapacity, or is a congenital anomaly/birth defect.”

**Scott Johnson's Reply to 2 different listeners:** Yes I saw a video he did the other day and he first flashed the devils horns symbol and then within about 10 seconds flashed the 666 symbol as he was talking. I just don't trust the guy. The report by Dr. Ardis is just so convoluted and lengthy it is maddening. Yes, he just so happens to be providing much of the remedy for all this, so it is undeniable there is a monetary incentive for him. Personally, I do not trust him. I have a hard time watching him. My daughter Taylor (from the first time she saw him/heard his voice) told me to steer clear of him. I mean her reaction was visceral and she rarely reacts that way to anyone. **His main protocol is sold on the wicked ministry Daystar (see below) which I have done whole reports warning about (see below).**

**Scott Johnson's Comment:** While I don't agree with a lot of what he is saying this is a MD going point by point discrepancies and red flags of Dr. Brian Ardis's research on the snake venom theory. He really breaks this down from a technical standpoint.

**Snake Venom and COVID-19 - by Pierre Kory, MD, MPA**

<https://pierrekory.substack.com/p/snake-venom-and-covid-19>

I want to start off by stating my embarrassment that I have devoted a couple of hours assessing the snake venom hypothesis, similar to many of my colleagues, [here](#), [here](#), [here](#), and [here](#) (who I suspect spent less time than I did which is why I am embarrassed).

**Scott Johnson's Comment** there is also this one: [Is Covid Actually Snake Venom?](#)

But I might as well share the fruits? of my time spent assessing the Watch the Water "documentary" lest it go to waste...

Now, lets transition to the main theory he espouses, that SARS-CoV2 largely acts as a snake venom and that remdesivir is also made from snake venom. As to the first part of this theory, there is a bit of truth there because there is indeed a short sequence of RNA coding for amino acids that make up a part of the receptor binding domain (RBD) portion of the spike protein that is identical to snake venom. The problem with calling COVID-19 snake venom: this protein sequence is just a small part of one protein of the 29 made by SARS-CoV2 when it replicates. This does NOT mean the virus came from a snake but it does have a little snake venom protein in it. **Why it is in there who knows, I suppose I can ask**

Fauci or Baric or Daszak or the Chinese Military the next time I run into one of them. Starting from here though, I am getting worried about where this is going... In summary, unfortunately (or fortunately) this is all the time I can devote to the above ranting of a truth, partial truths, and irrelevancies littered with blatant untruths, inaccuracies, and ignorances. I wish I could get these two hours of my life back.

## [The Problem With Bad Research--Commenting on Dr. Bryan Ardis' interview with Stew Peters](#)

[Patrick Wood](#)

Apr 15   

For over 45 years, I have had to deal with the false label of creating or promoting conspiracy theories. When such accusations were made, it usually came in the context of someone else's abuse of logic or just plain fantastical story telling. Such speculations are the bane of legitimate research and discussion, and they do great harm to the effort of discovering the truth of a matter.

Thus, the recent mega-viral spread of an initial interview with Bryan Ardis, D.C. by Stew Peters requires my response.

**Note to all: I pointedly reject, do not agree with, nor will I endorse their conclusions or the methodologies used at arriving at those conclusions.**

Most importantly, I encourage everyone to use discernment and common sense when addressing these things. By now, you have most likely already viewed the video in question, [Watch the Water](#). Here are my thoughts.

**Is it snake venom that is killing everyone?** No, even though Ardis flatly states that the virus is a venom: *"I am convinced that COVID is not a respiratory virus but snake venom poisoning."* Competent experts (see below for a couple of links) have already weighed in on this and we must let them voice their opinions.

**Even if some external genetic venom-derived sequence was used to create an end product, it does not turn the end product into snake venom.**

**Is snake venom being distributed in the water?** No, even though Ardis flatly states that it is. He states that he got this idea from a TV series called *The Blacklist* (Season 4, Episode 5) where Red drinks wine laced with a peptide taken from snake venom. This is pure nonsense and gross speculation.

**Is snake venom being put in the water by government agents?** No, even though he pointedly says that the CDC is using sub-contractors to poison the water systems throughout America. He substantiates this because COVID testing sites have been set up to find the virus in sewage. This is true, because of the viral shedding of Covid-19 into the sewage systems, via the urine & feces of the infected populations.

Since COVID is a global issue, does the CDC have agents throughout the world poisoning all the water at the same time? Not even plausible.

**Does God communicate with you by reading a fortune cookie?** After reading a fortune cookie while eating at a Chinese restaurant, Ardis flatly stated, *"I knew that God was telling me you can't give up and you have to tell the world."*

[Examining The Words Fortune and Luck and the Pagan Deities Associated with Them + Plus What About Fortune Cookies, Divination and Astrology](#)

From a website devoted to the biblically forbidden practice of Astrology we read: A Fortune Cookie is a small hard hollow cookie that usually has a slip of paper with the saying printed on it inside. *These cookies certainly are appropriate for looking at the course of a single day.*

The slip of paper will have the fortune. *This is a form of divination* and because of the commercial nature perhaps a little less accurate than some.. The history behind the concept of the fortune cookie is not at all clear *but it is a form of divination.* That being said, it is believed that the fortune cookie originated in historic China. In that era it was believed to have been a royal game available only to members of the royal family.

<https://www.sunsigns.org/fortune-cookie/>

**Deu 18:10** There shall not be found among you any one that maketh his son or his daughter to pass through the fire, *or that useth divination*, or an observer of times, or an enchanter, or a witch...

**2Ki 17:17** And they caused their sons and their daughters to pass through the fire, and used *divination* and enchantments, and sold themselves to do evil in the sight of the LORD, to provoke him to anger.

**Jer 14:14** Then the LORD said unto me, The prophets prophesy lies in my name: I sent them not, neither have I commanded them, neither spake unto them: they prophesy unto you a false vision and *divination*, and a thing of nought, and the deceit of their heart.

-----  
**fortune** (n.) "*chance, luck* as a force in human affairs,"

After the Roman goddess Fortuna, goddess of fortune and personification of luck. She might bring good or bad luck: she could be represented as veiled and blind, as in modern depictions of [Lady Justice](#), except that Fortuna does not hold a balance. Fortuna came to represent life's capriciousness (impulsive or unpredictable). She was also a goddess of [fate](#).

Many polytheistic religions have specific gods or goddesses that are associated with luck, both good and bad, including [Fortuna](#) and [Felicitas](#) in the [Ancient Roman religion](#) (the former related to the words "fortunate" and "unfortunate" in English), [Dedun](#) in Nubian religion, the [Seven Lucky Gods](#) in [Japanese mythology](#), and the inauspicious [Alakshmi](#) in Hinduism.

There is no doubt that God can direct through circumstances but in this subtle way, Ardis implies that since his fortune cookie message is from God you should listen to him and believe it.

Since Ardis chooses to make a spiritual issue out of his snake venom theory, should we blindly accept his personal experiences as justification, which are clearly not verifiable or in themselves, Biblical? According to the Bible,

communication with God comes through prayer, reading his Word and hearing from the Holy Spirit; there are several warnings to reject myths.

In conclusion, the methodology of research is as important as the research itself. There are undoubtedly a few nuggets of truth in what Ardis has to say, but those golden morsels are forever tainted by speculative conjectures that are too-easily debunked by critics. In the end, the baby gets thrown out with the bathwater.
