Subject: Re: Not all the black Hebrew Israel . are the same

...I am a long time listener of Scotts as well, and I used to live in Washington DC.

I am very familiar with the Black Hebrew Israelites and their doctrines. You are correct, that they are not all the same. **Some of them do not SUPERFICIALLY look like the ' hate breathing' BHI I am used to. Where I used to live they used to come to predominantly non-black neighborhoods, dressed in black uniforms with a dogs head prominently displayed on their chest, stand on a soap box, shouting over a megaphone all the OT passages against the enemies of Israel and the enemies of God, promising to use them against "us" (everyone not mentioned in their "genealogy charts" as Israelites). Calling everyone who is pale skinned an "Edomite". Everyone of them to a man was brimming with anger and hatred. I have seen them challenged multiple times by black Christians (no white person wanted to talk to them and most Christians in Washington DC are black). The young ones that have been recruited by them are so "bent" with hatred against anyone who is not black it is unbelievable. I mean you can feel the hate half a city block from them (this is not an exaggeration).**

These men on their soap boxes, and I have never seen a woman among them on the street, **are making God, God's word, and every believer in God's word look awful.**

**The kind of hatred that poured off every one of them was so shocking and so intense, and I have had many encounters with them, I do not think it is possible that any of them were saved.**

You need to stop for a minute and look at the foundations of this movement, the history of this movement. Brother Scott, often quotes Psalm 11:2 and 3 but usually not together. **Psalm 11:2-3 For, lo, the wicked bend *their* bow, they make ready their arrow upon the string, that they may privily shoot at the upright in heart. If the foundations be destroyed, what can the righteous do? So it is a combination of the wicked PRIVILY (secretly) shooting arrows at the upright in heart and the righteous trying to build on foundations, being destroyed. That would very much describe the founders of this movement. You need to be careful about looking into this as all of these movements whitewash their founders so much they are unrecognizable. (In the same way the Seventh Day Adventist whitewash E.G White and even more flagrantly the Mormons completely transformed Joseph Smith into the unrecognizable icon they make him out to be.)**

When I came out of the Laodicean Church, I was cast adrift and learned from several people who were not scripturally sound but on some level knew their Bible very well on other levels. The Lord had his hand in this, he blessed my knowledge of scripture when I "came out from among them". **He wanted me to learn his word and there was (and is) such a dearth of scriptural teaching, he used men who would start off sound, but then started to add leavening to their messages after they got a following. (This is by design.) I did have to cut ties with multiple ministries when I realized they were deliberately modifying their messages, and modifying their doctrines. Let me tell you it is always that they have a special revelation unique to that group.**

So just to be clear here, I came out of the Hebrew Roots movement, with a much better understanding of the OT and the Law in general. You can not understand many passages in the new testament if you don't know your old testament. Also I take the Torah (ALL scripture) seriously and if something is branded a sin in the OT, even if it is not rebranded a sin in the NT it is a sin.

Both Hebrew root and BHI have to mangle the books written by Paul (in other words most of the New Testament) to get you to accept their premises. I can tell you that Hebrew roots in particular does this very, very well. For me the remedy was carefully going over the Pauline epistles very, very carefully, in their entirety, many times. Hebrew roots will take you repeatedly to certain verses of Paul, but they do not want you to look at the whole.

It is key to stop listening to these ministers when you see they are way off the mark. You will be brought under subjection by them, you will be blinded by them, and you will not be able to see the truth. Just focus on learning your Bible and at this point in time focus on Romans to Revelation, then study Revelation and then start at the beginning.

There is no black church and no white church. We are the church. We are one body with one Lord. This separation among us is by design.

I wish you well and I will pray for you. Yours Truly, Pat

**1Co 14:33** For God is not *the author of confusion*, but of peace, as in all churches of the saints.

[February 12, 2014](#) Some critics of Christianity are keen to point out that, according to best estimates, there are roughly 40,000 Christian denominations worldwide. This is an astoundingly large figure, and some see it as evidence that Christianity is divided. If Christians can't even agree among themselves, how can they make exclusive claims about absolute truth?

After a quick search online, it's not hard to find a plethora of blog posts commenting on the large number of Christian denominations and concluding all sorts of things: "Christianity has splintered into pieces", or that there are "40,000 groups contradicting each other" and "40,000 different interpretations of the Bible."

**1Co 1:10** Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and *that* there be no divisions among you; but *that* ye be perfectly joined together in the same mind and in the same judgment.

[LGBT indoctrination of children causing HALF of UK teen patients to tell psychologists they're "trans"](#)

[\(Natural News\)](#) A clinical psychologist in the United Kingdom [says that](#) more than half of her teenage patients now identify as “trans,” thanks to persistent LGBT indoctrination at school and in the media.

Choosing to remain anonymous, the doctor says she is currently seeing a dozen families and has helped many more over the past nearly 40 years that she has been practicing, but that the rate of self-identifying trans teens is off the charts.

“In many cases, she said, youngsters now coming to see her with mental anguish or suicidal thoughts had been allowed to transition from one gender to another at a young age, sometimes even at five or six,” she is quoted as saying.

In many cases, the parents of these children do not correlate their mental problems with gender dysmorphia. For whatever reason, they are not making the connection between having a trans identity and being severely mentally ill.

“The parent would be telling me about their teenager, about their mental anguish, suicidal thoughts and self-harm, and then they’d drop something in, so casually that I’d almost think I’d missed it, ‘Oh, and he’s a trans boy (or girl), transitioned when he (or she) was five (or six or seven), but that’s all fine,’” the doctor added in an online article she wrote [for TransgenderTrend.com](#).

**She says that while social transition is reversible – meaning a trans person can decide to no longer be trans and revert back to normalcy in social settings – physical reversal is impossible.**

**“When we disconnect them from their biological sex, we set up patterns of denial and secrets,” the psychologist says. “We set them up to hate their bodies at puberty, to beg for blockers and binders, because for years we told them they could change sex, and they believed us.”**

**“They are desperate to go back to the years when no one knew any different, but that time will never come again. Time is not reversible.”**

**Interestingly, the Wuhan coronavirus (COVID-19) lockdowns played a major role in convincing more children than ever before to cut off their body parts.**

**Excessive social media use, particularly on platforms like Snapchat and Tik Tok, exposed tens of millions of children to extreme [trans indoctrination](#).**

**“Influencers” on these platforms spread misinformation about how slicing off body parts and adding new ones would make children feel “normal” and like they “belonged.” Now, many of those children have committed irreversible damage to their bodies and can never go back.**

**“People ([Vessels of Satan](#)) in professional positions of responsibility encourage them to transition and all their problems will be solved. It only makes things worse and many of these troubled teens end up suicidal after the procedure.”**

**[Biden to Pull Meal Funding From Schools Not Compliant With Pro-Trans Policies!](#)**

**[June 2, 2022](#) The Biden Administration has announced that it will pull meal funding from schools not compliant with its radical pro-trans policies and far-left views on the “sexual orientations and**

gender identities” of children, throwing the food security of poor and needy kids across the country into serious doubt.

Despite the immediate and drastic impact the move could have on children experiencing food insecurity and who are enrolled in free and reduced-price school meal programs, the Biden Administration is justifying the move under a [Biden executive order](#) opening girls restrooms and locker rooms up to men and forcing schools to adopt pro-trans sporting and pronoun policies.

In many districts around the country, federal dollars are much-needed to fund the full extent of their subsidized meal programs. For some kids living in extreme poverty, it's the only food they eat all day. During the summer, some school districts use the federal funds to deliver meals to kids enrolled in free lunch programs, ensuring they have a reliable source of food year round.

Nevertheless, those in violation, says the Biden Administration's USDA, will have their meal money withheld, effectively starving vulnerable children to force state and local officials into submission.

“USDA is committed to administering all its programs with equity and fairness, and serving those in need with the highest dignity,” Biden [Agriculture Secretary Tom Vilsack said](#) in a USDA announcement, laying out the plan that some are calling a federal shake-down operation. “A key step in advancing these principles is rooting out discrimination in any form – including discrimination based on sexual orientation and gender identity.”

Elected officials in states poised to be affected by Biden's action on school lunches have begun publicly pushing back against the plans, with South Dakota Governor Kristie Noem promising to “file suit to protect our kids” should Biden's plans come to fruition.

“If you act on this, Joe, we'll see you in court and we will win,” Noem said in a Tweet blasting Biden's plans to “take food off of our kids' plates.”

**“Satanic Fruit”:** [RELATED: ‘Skirt-Wearing,’ ‘Gender-Fluid’ Teen Found Guilty of Loudoun County High School Bathroom Rape](#)

The 14-year-old male who donned a skirt and identified as “gender-fluid” before raping a female classmate in the bathroom of a Loudoun County, Virginia high school has been convicted on all charges related to the case, which attracted national attention and has led to trans bathroom bills and the safety of children in schools becoming focal points of the state's gubernatorial election. The assault led to the rapist being removed from Stone Bridge High School and transferred to nearby Broad Run High School, where he stands accused of sexually assaulting yet another female student.

That case has yet to move to trial, and a sentence for the student's conviction will not be given by the judge until both cases are resolved.

School district officials have been accused of covering up the rapes, and even directed deputies from the Loudoun County Sheriff's Office to arrest Scott Smith, the father of the Stone Bridge High School victim, when he showed up to a county school board meeting looking for answers.

The arrest left Smith bloodied, facing charges of disorderly conduct, and his image was used by left-wing media outlets nationwide to paint a concerned father as some sort of domestic terrorist, and warn parents against fighting for their children.

Worse, recent [revelations from the emails](#) of Loudoun County Public Schools Superintendent Scott Ziegler show that the official lied to parents when confronted about the sexual assaults at a June school board meeting.

At the time, Ziegler told the parents that he had no knowledge of any assaults happening in the district.

Hi Scott, I just wanted to let you know that after I received your email below, I did the Win Worley deliverance prayer. I recall doing it a few times when I lived in Wien. Anyways, while doing it, I felt nothing, but he also says that sometimes you feel nothing. However, over the next three days, the inflammation and tenderness of my thyroid went away. I knew it was linked to that prayer.

I still sought out a specialist for the 1.5 inch nodule that covered half of my thyroid. She said I had to undergo a biopsy because it was so large. Last Friday, I went, and she could not do it because it was too close to the esophagus and sent me to radiology.

Today, I went to radiology, and the doctor did another ultrasound before doing the actual biopsy but could not find anything. He said the thyroid is perfectly normal...Praise God!

**persons. 6) Renounce all contact with the occult and get rid of occult objects. 7)**

**Release yourself in the name of Jesus. PRAYER:** "Lord Jesus Christ, I believe that

you are the Son of God and the only way to God, that you died on the cross for my sins

known sins committed by me or by any of my ancestors or others related to me. Lord, I

thank you that I believe you have forgiven everything that I confess. And, Lord, now I

want to say that I also forgive all other persons who ever harmed me or wronged me. I

forgive them all now as I would have God forgive me. In particular I forgive....(name the

with Satan or occult power in any form or any kind of secret society. Also, Lord, I commit myself to remove from my house any kind of occult object that honors Satan and dishonors Jesus Christ. With your help, Lord, I will remove them all. And now, Lord Jesus, I thank you further that on the cross you were made a curse, that I might be redeemed from the curse and might receive the blessing. Galatians 3:13 (KJV) Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree:

And because of what you did for me on the cross, I now release myself from every curse and every evil influence and every dark shadow over me or my family from any source whatever. I release myself now in the name of Jesus. Amen.”

**Also:** Here is a link to a PDF of a different deliverance prayer and some teachings. I find it helpful to think of the : "conditions to meet" that they list as possible keys to freedom. If you find one of them particularly applies to you then ask Jesus for help in that area and then continue with the prayer.. Jesus sets us free.... we dont have to free ourselves first and then He helps us after that. PDF with another prayer and extra teaching

**Second:** Regarding deliverance what you would need is to go through this session (it is two parts) as many times as necessary till you are not manifesting any signs of expelling demons. He gets into all you need to know this in the video: <https://www.youtube.com/watch?v=HsVLS89YkVA&feature=youtu.be>

After that if you feel like you still need more help you will be in a much better position to proceed with further deliverance one on one. ### **Bill Gates assembling a wicked 3,000-person vaccine propaganda team to push more LIES and disinformation about vaccines being “safe and effective”**

The stain glass windows of the *holy* Bill Gates temple are cracking. The so-called fact checkers, that have been deployed across social media, have failed to compel absolute worship of false narratives, have failed to indefinitely constrain the public’s beliefs, and have failed to force all people to worship harmful ideologies and false gods. As abusive covid-19 propaganda unwinds, the people are losing their trust in the institutions, losing their belief in a system of forced doctrine and mind control.

Yet, the wealthiest in the world (like Bill Gates) still get to determine which narratives are allowed on social media. Bill Gates just announced **he will employ a 3,000 person unit (a vaccine propaganda team)** to combat “misinformation” about vaccines. The term “misinformation” has already been used repeatedly to shut down, not only free speech, but also truthful, fact-based speech, real-life personal observations, and hard data that breaks from the norm and shatters the authority of the controlling, abusive narratives.

Gates said his new unit will “help propagate accurate vaccine information in the future.” This Bill Gates thought control unit will flood social media with “good messages” from “people of trust in the community, such as political and ethnic leaders.”

In the interview, Gates was worried that Twitter would become a place where people say “vaccines kill people.” Gates doesn’t want people to talk about their vaccine injuries or mention the death of loved ones after they received a covid-19 vaccine. Facebook already deletes these groups and limits the spread of people talking about vaccine injuries.

Gates also didn’t want people to talk about surveillance and whether “Bill Gates is tracking people.”

### **Your Government quietly confirmed the Fully Vaccinated are developing AIDS / Acquired Immunodeficiency Syndrome while they had you worried about Staged False Flag Shootings, Russia-Ukraine & the Cost of Living**

**Something is very wrong, and it is because of the Covid-19 injections.**

All around the world, Governments are publishing official data that all show the same thing. Those same Governments however are not willing to explain why. Instead, they are quietly publishing data in the hope that it will get swept under the carpet whilst they have you distracted by war in Ukraine, Staged False Flag Shootings and worrying about the cost of living; a crisis created by Government policy.

But with the publication of confidential Pfizer documents, Governments around the world are running out of places to hide.

Data published by Public Health Scotland, the New Zealand Ministry of Health, the Government of Canada, the UK Health Security Agency, the Office for National Statistics, and the U.S. Centers for Disease Control strongly suggests the Covid-19 injections should be added to the list.

How else can Governments around the world explain the fact the fully vaccinated are more likely to be infected with Covid-19, more likely to be hospitalized with Covid-19, and more likely to die of Covid-19 than the unvaccinated?

How else can Governments around the world explain the huge rise in all-cause mortality rates among the fully vaccinated compared to the unvaccinated?

How else can Governments around the world explain the 1,145% to 33,715% increase in AIDS-related diseases, cancers and infections reported to the U.S. Centers for Disease Control's Vaccine Adverse Event Reporting System in 2021?

Dear Dr. Johnson, I pray this message finds you and Taylor well. Below is an article and a video showing the vaccine nanobots reassembling themselves into more complex machines once in people's blood. The video also shows footage of two 8-month-old "hybrid" babies climbing a refrigerator and another one climbing over a fence.

I also included a second video from the same people discussing the bluetooth MAC addresses being emitted by the vaccinated people. At the beginning of the video, they show footage of this and state that when they tried to connect their device to these people's MAC addresses, it asked them for a password to connect!

Which obviously means that the wicked psychopaths who created this technology also possess these passwords and undoubtedly at some point will connect into these people's MAC addresses and will be able to control them remotely.

God bless, Debbie

[Here's Proof the Covid Injections Were Designed to Track the Vaccinated \(Video\)](#)

---

Not just another tracking device: Hand-implanted MICROCHIP includes ANTENNA used for tracking payments, people and possibly nanoparticles from COVID-19 injections

The new "bio-safe and secure" [implantable microchip](#) called "Walletmor" is for sale right now by a London-based company, and it's mainly used for contact-less payments for consumer goods, but is there much more to it than that? About the size of a grain of rice and weighing about one gram, the miniscule microchip also contains an antenna that's activated immediately once implanted in your hand or wrist.

Some implantable microchips contain a Wuhan coronavirus (COVID-19) [nanoparticle injection verification](#) "certificate" for proving there are billions of nanoparticles in your blood (also called a vaccine passport). Can the microchip be controlled remotely and tell the "spike protein" nanoparticles to come together to form blood clots or invade certain organs? **Sounds like a conspiracy theory, but over 500 Swedes already have them embedded in their hands.**

Since the new hand-implanted payment microchips have an antenna, they're meant to be monitored, tracked, *updated* and controlled by remote [software companies](#) and corporations all around the world. Anyone can now download hacker apps, like the "XAPK" for Android phones, and hack various targets around the globe using the darknet.
